

The Order 871

Chapter: 871

“Mr. Chen, this is the secretary of a big leader in the Six Gates of Kyoto. I just don’t know why such a big leader would send his secretary to invite this big liar...”

Bai Xiushan said!

Because Yuan Baozhong and Zou Zhaolong worked together to defraud, Bai Xiushan lost all his previous admiration for Yuan Baozhong and was directly called a big liar!

“Oh!” Chen Ping nodded. No wonder Zhao Wuji was so polite to this person. He turned out to be the secretary of the big boss inside the Six Doors!

You must know that in Kyoto, those who can enter the six gates are all people with prominent status and outstanding achievements, and they all hold high positions of power!

At this time, Zhao Wuji came back, and Bai Xiushan asked curiously: “Pavilion Master Zhao, the big leader in the Six Sects, what do you want the big liar to do?”

Bai Xiushan’s words made Zhao Wuji slightly stunned. He couldn’t react for a moment. What was the big liar saying?

After a while to react, he smiled faintly: “Lao Bai, don’t say that. You are a big liar. What you said is really quite appropriate. Now the number one magic master in China and Hong Kong has a bad reputation in Kyoto. ...”

“That’s why you dare to call yourself the number one magic master. In front of Mr. Chen, you are just a clown...” Bai Xiushan said with a disdainful smile!

Although Bai Xiushan meant to flatter Chen Ping, the fact was that no matter how well Yuan Baozhong disguised himself, Chen Ping saw through it at a glance!

Zhao Wuji didn't see the scene where Chen Ping exposed Yuan Baozhong and the others for their deception, so he couldn't say anything. He smiled slightly and said: "Having said that, Yuan Baozhong is not a wasted reputation. He still has some abilities. This time the six doors The big boss came to him just to treat his son!"

"Isn't it rumored that the leader's son has long since become a vegetative state? Now he relies on equipment to maintain his heartbeat. As soon as the equipment is removed, the person will be dead immediately and his brain will be unconscious. Can this be considered good? ?"

Bai Xiushan said with some doubts.

"Who knows? A dead horse is a living horse!" Zhao Wuji didn't dare to figure out what the leader meant!

"Mr. Chen, your medical skills are superb. Why don't you go and have a look? If you can really cure the leader's son, there will be many ways for Mr. Chen to do anything in the capital in the future..."

At this time, Gu Wentian suddenly said!

Being able to establish a relationship with such a big leader will indeed make it easier for Chen Ping to live in Kyoto in the future. If the big leader really opened his mouth, the Qin family would not even dare to cause trouble for Chen Ping!

"Mr. Chen, it turns out that you also have medical skills?" Even if Zhao Wuji knew that Chen Ping was a monk, not all monks had medical skills!

"I know a little bit!" Chen Ping nodded!

Zhao Wuji and Bai Xiushan looked at Chen Ping with deep surprise and shock in their eyes!

Chen Ping had just learned the magic technique and directly exposed Yuan Baozhong. Now he also knew the medical skills. After seeing Chen Ping's strength, it was far beyond their imagination!

“In that case, I will take Mr. Chen there. If I can really cure the big leader’s son, it will be an opportunity for Mr. Chen!”

Zhao Wuji said slightly excitedly!

Chen Ping did not refuse. Chen Ping knew that his career in cultivation would not be smooth sailing in the future, so it would not do him any harm to make more friends now, not to mention that he was still a big leader within the six gates!

Chapter: 872

Zhao Wuji took Chen Ping straight to the big leader’s house. Due to security needs, the others did not go with Chen Ping. Even if they did, they probably wouldn’t be able to get in at all!

Soon, Zhao Wuji took Chen Ping to a courtyard. Although the courtyard was not very luxurious, the location was extremely advantageous. There were several taller buildings around the courtyard, and people were constantly patrolling them!

Chen Ping glanced at it and immediately discovered what was special about this courtyard. Because the courtyard was drying up, all the energy from the surrounding heaven and earth converged towards the courtyard, which could nourish the human body!

It is obvious that the construction of this courtyard was guided by a Feng Shui master. It is as if a spirit gathering array was built in the courtyard, but there is no real advanced spirit gathering array!

“Who are you?”

Just as Chen Ping followed Zhao Wuji to the courtyard gate, a guard asked nervously.

“Hello, I am Zhao Wuji, the master of the Dharma Protector Pavilion. I am here to meet the leader...”

Zhao Wuji hurriedly stepped forward and said to the guard in front of the door!

The guard looked at Zhao Wuji carefully, and then his expression recovered: "It turns out to be Pavilion Master Zhao. I will report it right away..."

After the guard finished speaking, he walked directly into the courtyard to report, while Chen Ping and Zhao Wuji were waiting outside!

At this time, in the courtyard hall, Zou Zhaolong and Yuan Baozhong were facing a middle-aged man in his fifties, with a tall build and a Chinese character face!

The middle-aged man carries an air of majesty. Even Zou Zhaolong, a wealthy businessman from China and Hong Kong, and Yuan Baozhong, the number one magic master from China and Hong Kong, look respectful when they see this middle-aged man!

This middle-aged man is Chang Yuanjun, the leader of Liumen. He has participated in a real war and has made great achievements!

"Boss Zou, Master Yuan, please forgive me for sending someone to invite you here this time..."

Chang Yuanjun said to the two people politely!

"The leader is so polite. It would be our honor to share his worries..."

Zou Zhaolong looked flattered!

Yuan Baozhong also hurriedly said: "If the leaders can use us, they think highly of us. We will do our best to help the leaders solve their problems..."

Seeing what Yuan Baozhong said, Chang Yuanjun showed a slight smile on his face and said: "Since Master Yuan said this, I won't be polite. You must have heard that I have a son who is injured and now his whole body is... I have been bedridden for more than a year, and I hope Master Yuan can help me see if it can be cured..."

“Leader, I wonder if you can take me to see Mr. Ling’s condition?”

Yuan Baozhong asked.

“Of course, you can come with me...”

Chang Yuanjun nodded, stood up and prepared to take Yuan Baozhong and Zou Zhaolong to the bedroom!

But at this moment, a guard hurriedly walked in, walked to Chang Yuanjun’s ear, and whispered a few words!

Chapter: 873

After hearing this, Chang Yuanjun said to the guards: “Let them come in...”

After saying that, Chang Yuanjun looked at Yuan Baozhong with an apologetic look: “Master Yuan, a guest suddenly came to visit. You guys need to rest for a while. I will take you there later!”

“Okay, okay, leader, please!” Yuan Baozhong nodded repeatedly!

Soon, Zhao Wuji and Chen Ping were brought into the hall!

“Zhao Wuji took the liberty of disturbing the leader, and I hope the leader will not blame him...”

After Zhao Wuji saw Chang Yuanjun, he hurriedly apologized!

“Wuji, are you looking for me with something important? Come on, tell me, I have something else...”

When Chang Yuanjun saw Zhao Wuji coming to his home to look for him, he thought there was something important!

As for Chen Ping next to Zhao Wuji, Chang Yuanjun didn't even look at it and regarded Chen Ping as Zhao Wuji's subordinate!

At this time, Zou Zhaolong and Yuan Baozhong saw that Chen Ping had followed Zhao Wuji, and they couldn't help but frown!

"Leader, I heard that Mr. Ling has been in bed for more than a year and is unconscious, so I brought Mr. Chen here to see Mr. Ling..."

After Zhao Wuji finished speaking, he looked at Chen Ping and said, "Mr. Chen, this is Leader Chang..."

"Hello, Leader Chang..." Chen Ping nodded slightly and stretched out his hand to Chang Yuanjun!

Chang Yuanjun, on the other hand, did not move, but looked Chen Ping up and down, frowning slightly, a young boy in his twenties? What diseases can be treated?

You must know that Chang Yuanjun had invited almost all famous experts and professors at home and abroad to treat his son, but unfortunately they were all unable to do anything. This made him make up his mind to invite Yuan Baozhong. After all, a big leader like them could not trust him. What kind of magic master, the influence is not very good!

However, for the sake of his son, Chang Yuanjun had no choice but to risk his life. As long as he could do something about it, he would not send someone to invite Yuan Baozhong!

Seeing that Chang Yuanjun didn't move, Chen Ping smiled awkwardly and took his hand back!

Seeing this, Zhao Wuji hurriedly said: "Leader, Mr. Chen has excellent medical skills and is also proficient in medical techniques, so I invited Mr. Chen here!"

Zhao Wuji knew that Chang Yuanjun didn't believe Chen Ping because he was too young, so he explained!

However, in front of Zou Zhaolong and Yuan Baozhong, Zhao Wuji could not reveal the identity of Brother Chen Ping. After all, these were secrets and could not be leaked easily!

“Pavilion Master Zhao, have you taken money from this guy? At his age, how good can his medical skills be? How proficient can he be in magic? Even if he learned the practice from his mother’s womb, he has only been practicing for more than 20 years, and I have been studying magic since I was a child, and I have also studied medical skills for decades. I don’t even dare to introduce myself like this, but you praise this kid to the sky?”

Yuan Baozhong said with a sneer!

Yuan Baozhong had learned Chen Ping’s skills at the auction, but he was careless at the time and didn’t take Chen Ping seriously, so Chen Ping took advantage of the opportunity and placed a sound transmission array on Zou Zhaolong, letting their affairs be exposed. , he didn’t think that Chen Ping could be so skilled in magic, he could learn it from a small sound transmission array after just a few years of practice!

“Pavilion Master Zhao, the leader’s son is not someone who can treat anything casually. If something goes wrong, who can afford it? Can you afford it?”

Chapter: 874

Zou Zhaolong looked at Zhao Wuji with disdain and asked!

At this time, he had already hated Chen Ping, and he didn’t like Zhao Wuji very much, but he was the master of the Dharma Protector Pavilion, and Zou Zhaolong didn’t dare to be disrespectful!

And now that they are the guests of Chang Yuanjun, there is no need to give Zhao Wuji a bad look. Even if he scolds Zhao Wuji now, I believe Zhao Wuji would not dare to do anything to them!

Zhao Wuji snorted coldly: “Since I invited Mr. Chen here, I am naturally willing to bear all the consequences...”

“Leader, since Pavilion Master Zhao is so sworn in, I guess there is no need for me to take action. Let’s ask Chen Ping to treat Young Master Ling. I will take my leave first...”

Yuan Baozhong said, stood up and planned to leave!

He is playing hard to get, deliberately. Look at Chang Yuanjun's reaction!

"Master Yuan, I sent someone to invite you, and naturally I asked Master Yuan to take action to treat my son. Please stay..." Chang Yuanjun stopped Yuan Baozhong, then turned to look at Zhao Wuji and said: "Wuji, I accept your wishes. But there is Master Yuan here. I believe he can cure my son's disease. You'd better take the young man and leave first. If there are other matters, we will talk about it later..."

Chang Yuanjun issued an order to expel Zhao Wuji and Chen Ping, and this is exactly what Yuan Baozhong wanted to see!

At this time, Yuan Baozhong looked at Zhao Wuji and Chen Ping with a proud look on his face, while Zou Zhaolong also had a sneer on his face!

Zhao Wuji looked embarrassed and implored: "Leader, Mr. Chen is really strong, just..."

Seeing that Zhao Wuji didn't want to leave, Chang Yuanjun's face turned slightly cold: "Send off guests..."

As soon as he said goodbye, someone came in and said to Zhao Wuji: "Pavilion Master Zhao, please..."

Seeing that Chang Yuanjun was angry, Zhao Wuji didn't dare to say anything. He could only sigh, turned to look at Chen Ping and said: "Mr. Chen, let's leave first..."

But Zhao Wuji called out to Chen Ping, but Chen Ping seemed not to have heard him. His eyes were fixed on the direction of the bedroom, his brows slightly furrowed, and he remained motionless!

"Mr. Chen?" Zhao Wuji pushed Chen Ping in confusion when he saw him like that!

Chen Ping was shocked, nodded towards Zhao Wuji and said: "Well, let's go!"

However, when Chen Ping followed Zhao Wuji and walked out, he did not look back and said loudly:
“We are waiting outside. If you encounter trouble, you can come out and find me...”

Chen Ping’s words were meant for Chang Yuanjun!

“Wait a moment.....”

Just when Chen Ping was about to walk out with Zhao Wuji, Chang Yuanjun stopped them!

“Leader?” Zhao Wuji looked back at Chang Yuanjun.

“You can stay...”

Chang Yuanjun asked Chen Ping to stay with Zhao Wuji, so he didn’t have to go out!

Chapter: 875

Because of Chen Ping’s attitude, Chang Yuanjun decided to let them stay!

Although Chen Ping is young, he has a broad mind. Zou Zhaolong and Yuan Baozhong just mocked him like that. Chen Ping didn’t say a word. Even when Chang Yuanjun drove them out, Chen Ping didn’t get angry. Instead, he left a message to let people in trouble. You can find him, which makes Chang Yuanjun look at Chen Ping with admiration!

“Leader Chang, what are you doing??”

When Yuan Baozhong saw that Chang Yuanjun actually kept Chen Ping again, he frowned slightly and said!

“Master Yuan, my son’s illness still depends on Master Yuan’s intervention. As for this young man, Master Yuan should give these young people a chance to observe and learn, so that they can also know what a real master is...”

Chang Yuanjun said to Yuan Baozhong!

If it weren't for the fact that he expected Yuan Baozhong to treat his son, Chang Yuanjun would not explain anything to him. After all, he didn't need to explain anything to Yuan Baozhong. Whoever he wanted to stay would be allowed to stay!

When Yuan Baozhong saw this, he couldn't say anything. He had to give Chang Yuanjun face!

"Since the leader said so, let this kid Chen Ping take a look and see what it means to be called medical..."

Yuan Baozhong looked at Chen Ping and said with a sneer!

"Master Yuan, please come inside..."

Chang Yuanjun invited Yuan Baozhong into the bedroom!

Chen Ping and the others also followed in. As soon as they entered the bedroom, they could smell the strong smell of medicine. The whole room was filled with medicine, and a ventilator was running!

On the bed, a young man who seemed to be only about 20 years old was lying on it. His face was ashen, his eyes were closed, and his cheeks were sunken. He was as skinny as a stick. There was a tube inserted in his mouth, and the tube was connected to Ventilator, rely on the ventilator to maintain life!

This person is Chang Yuanjun's son, Chang Yuan, who was just in his sophomore year. Because of this unexpected situation, he dropped out of school.

There were no wounds on Chang Yuan's body, only the five fingers of his right hand were wrapped with thick gauze, and the gauze had turned red, which was obviously caused by being soaked with blood!

When Chang Yuanjun saw that the gauze had turned red, his face suddenly became extremely ugly, and then he shouted loudly: "Xiao Zhu, Xiao Zhu..."

Following Chang Yuanjun's roar, a girl hurriedly ran out of a small room on the other side of the bedroom. The girl's eyes were a little dark and she was yawning. It was obvious that she had not slept well for a long time!

"lead....."

The girl looked at Chang Yuanjun with horrified eyes, her whole body trembling slightly!

"What did you do? Didn't you see that the gauze on the young master's hand was soaked with blood? Why didn't you change the gauze?"

Chang Yuanjun asked loudly!

"Leader, I'm sorry, I'm sorry. I was so sleepy that I just closed my eyes. I didn't expect that the gauze on the young master's hand would be soaked with blood so quickly!"

After the girl finished speaking, she hurriedly took the gauze, soaked it in disinfectant water, and immediately started to change the gauze on Chang Yuan's hand.

Chapter: 876

When the girl opened the gauze on Chang Yuan's finger, bursts of rancid smell suddenly hit her. The smell was particularly unpleasant. Everyone present frowned, but Zou Zhaolong couldn't help it and started retching!

Later, in the eyes of Chang Yuanjun, Zou Zhaolong tried his best to hold back. However, looking at Chang Yuanjun's appearance, he didn't seem to have any reaction. He should have been used to it!

Just when the girl took off the gauze and was about to put it on Chang Yuan again, Yuan Baozhong suddenly said: "Wait a minute..."

The girl was stunned and looked at Chang Yuanjun.

Chang Yuanjun nodded: "Master Yuan asked you to wait a moment, just wait a moment..."

The girl stepped aside, and Yuan Baozhong stepped forward and grabbed Chang Yuan's right hand.

I saw that the five fingers of Chang Yuan's right hand had turned black, blood was constantly flowing from them, and there was a rancid smell.

"Leader, how did your son get injured?"

Yuan Baozhong asked.

"I heard from his classmates that my son was bitten on his finger by something, and he passed out, and then his head fell heavily to the ground. It has been like this ever since. But I found many experts. Professor, we have also done various tests and found that my son is not poisoned and his brain is normal when checked, but he just can't wake up and he has to rely on a ventilator to maintain..."

Chang Yuanjun said!

"Bite?" Yuan Baozhong looked at Chang Yuan's blackened fingers and frowned slightly: "Is there no way to heal the wound on Mr. Ling's hand?"

"Yes, if you continue to bleed like this, you must often change the gauze soaked in disinfectant water. Otherwise, over time, it will rot and stink, and even maggots will appear..."

When Chang Yuanjun continued to speak, his eyes unconsciously looked at his son, his eyes full of distress!

"That's right. If my guess is correct, Young Master Ling was bitten by poisonous insects in the Miao Village. In other words, Young Master Ling is unconscious because of poisoning, not for other reasons..."

Yuan Baozhong said.

“Poisonous insects in Miao Village?” Chang Yuanjun frowned: “Then why can’t we find any signs of poisoning after doing various tests?”

Yuan Baozhong smiled faintly: “Leader, if the cause of the poisoning can be found through testing, you don’t need to ask me to take action, right? There are still many things in this world that cannot be detected by instruments!”

When Chang Yuanjun heard this, he could only smile awkwardly. What Yuan Baozhong said was indeed true. If those experts and professors could be optimistic about it, he would not have to invite Yuan Baozhong!

“Master Yuan, now that you know the reason, can you cure my son?”

Chang Yuanjun asked impatiently.

“I can only say give it a try. The Miao Village’s poison control skills are very powerful. I have never seen them before. However, Kyoto is thousands of miles away from the Miao Village. How can there be poisonous insects from the Miao Village here?”

Yuan Baozhong was very puzzled. It was impossible for the poisonous insects in Miao Village to fly to Kyoto on their own!

“Master Yuan, regardless of where the poisonous insects came from, I would like Master Yuan to quickly treat my son...”

Chapter: 877

Now Chang Yuanjun just wants Yuan Baozhong to cure his son. As for how the poisonous insects came, he no longer cares. After all, more than a year has passed!

“Okay, let me try...”

Yuan Baozhong nodded, and then took out a small cloth bag from his body. Inside was a row of silver needles of different sizes. The thinnest silver needle among them was probably only as thick as an ox hair!

Seeing Yuan Baozhong about to treat his son, Chang Yuanjun nervously held his hands together tightly.

“Mr. Chen, is Yuan Baozhong right?”

Zhao Wuji looked at Chen Ping and asked.

He didn't quite believe it, how could there be poisonous insects from the Miao village in Kyoto? Moreover, if those people from the Miao village wanted to come to Kyoto, they must report to their Dharma Protector Pavilion in advance, otherwise these poisonous Miao villagers would be exposed. Running around, wouldn't the whole country be in chaos!

“He is right, but he is also wrong!” Chen Ping smiled lightly!

“What do you mean?” Zhao Wuji looked confused.

“He was only half right. Although the finger of the person on the bed was indeed bitten by a poisonous insect, which was difficult to heal and was rotten and ulcerated, the coma for more than a year was definitely not caused by a bite of the poisonous insect...”

Chen Ping explained!

“What's that for?” Zhao Wuji asked curiously.

But before Chen Ping could answer, Yuan Baozhong turned his head and looked at Chen Ping: “What? You mean I got it wrong? If you have the ability, come and give it a try. Stop pointing fingers behind you and pretending.” Pack?”

Yuan Baozhong put away the silver needle and looked at Chen Ping with a cold expression!

“You're just a young boy, what do you know? Even Master Yuan dares to question it. If you think you are great, don't make sarcastic comments later, but take action to see what you are doing?”

Zou Zhaolong said with disdain.

“Zou Zhaolong, Mr. Chen must have a point in what he said. You and Yuan Baozhong are both big liars in cheating. How dare you call yourself a master?”

Zhao Wuji angrily yelled at Zou Zhaolong!

Zhao Wuji’s words made Zou Zhaolong’s face turn cold, while Yuan Baozhong frowned. Zhao Wuji’s “big liar” had completely hit him!

He originally thought that this deception would be foolproof, so he cooperated with Zou Zhaolong. Now that Chen Ping exposed it on the spot, his reputation may have plummeted!

Thinking of this, Yuan Baozhong looked at Chen Ping with hostile eyes, wishing to eat Chen Ping alive!

“Since Pavilion Master Zhao said that we are big liars, then I can’t treat Leader Chang’s son anymore. If you have the ability, come on...”

Yuan Baozhong turned and walked aside. He had already seen the cause of Chang Yuan’s illness, so he was sure to revive Chang Yuan. The reason why Yuan Baozhong made the situation so serious just now was to make Chang Yuanjun nervous, so that Chang Yuanjun would treat them Pay attention to!

Now that Chen Ping did not agree with his diagnosis and treatment, Yuan Baozhong took this opportunity to let Chen Ping give it a try. He concluded that Chen Ping did not have the ability to force out the poisonous insects in Miao Village. As long as Chen Ping failed, Yuan Baozhong could take the opportunity to attack. Let Chang Yuanjun deal with Chen Ping!

Chapter: 878

At this time, Chang Yuanjun saw that Yuan Baozhong had stopped treating him, and he suddenly said anxiously: “Master Yuan, don’t listen to what others say. I believe in you, and I also ask Master Yuan to treat my son...”

Chang Yuanjun’s attitude is very humble. For the sake of his son, Chang Yuanjun can lower his attitude!

“Leader Chang, it’s not that I don’t treat people. Now some people are questioning my diagnosis and treatment. Pavilion Master Zhao also said that we are big liars. How can I take action? If there is any mistake, I can’t tell. Since this Chen Ping also If you can see the cause of Young Master Ling’s illness, let him cure it...”

Yuan Baozhong said to Chang Yuanjun unhurriedly!

Now Yuan Baozhong has decided to take advantage of Chang Yuan’s army, because the poison of the poisonous insects in Miao Village is not easy to cure. Even if other warlocks are invited, they may not be able to cure Chang Yuan’s army!

“Master Yuan, then Chen Ping...”

“Leader, Mr. Chen is indeed a genius. I believe he can cure Mr. Ling without the need of these two big liars...”

Before Chang Yuanjun could finish speaking, Zhao Wuji hurriedly said to Chang Yuanjun!

“Shut up, shut up!”

Chang Yuanjun turned his head and glared at Zhao Wuji: “Now get out of here, get out...”

Chang Yuanjun originally planned to give Chen Ping a chance. After all, it was a rare opportunity to see a magic master like Yuan Baozhong heal patients with his own eyes. Chang Yuanjun hoped that Chen Ping could put away his energy and learn more!

Unexpectedly, Chen Ping was so unmodest, he pointed at Yuan Baozhong behind his back and said that Yuan Baozhong was only half right. This would make anyone angry!

“lead.....”

When Zhao Wuji saw that Chang Yuanjun was angry again, he suddenly looked anxious!

“Okay, no need to say any more, you can go out and don’t disturb Master Yuan’s treatment...”

Chang Yuanjun waved his hand and said with an indifferent expression!

Regardless of whether Chen Ping really understands medical skills or not, in Chang Yuanjun’s view, there is no way that Chen Ping, who is only in his early twenties, can compare with Yuan Baozhong. Whether in terms of strength or experience, Chen Ping does not have the ability to compare with Yuan Baozhong.
!

Why do you say that Yuan Baozhong has become the number one magic master in China and Hong Kong? This is not just for fun, he must have real ability!

Seeing this scene, Zou Zhaolong suddenly smiled proudly. With Chang’s reinforcements here, he didn’t have to be afraid of Zhao Wuji!

“Pavilion Master Zhao, you said you are already old, how could you be deceived by a little kid? You must know that this is treating the leader’s son. If there is a mistake, can you afford it? I don’t think you did it on purpose. Come to this Chen Ping, and then deliberately treat the leader’s son wrongly, so that the leader’s son has an accident, right? What kind of peace of mind do you have?”

Zou Zhaolong asked Zhao Wuji with a sneer!

“Zou Zhaolong, what are you talking about? How could I deliberately let the leader’s son have an accident? Don’t slander me. Mr. Chen does have that ability...”

Seeing that Zou Zhaolong suddenly doubted him, Zhao Wuji shouted in a panic!

“It’s not up to you to decide whether he has that ability or not. We haven’t seen it. If you think Chen Ping is really capable, then let him tell you what happened to the leader’s son. Didn’t he say Master Yuan is that only half true?”

Chapter: 879

Zou Zhaolong was deliberately using provocation. He didn't believe that Chen Ping was more capable than Yuan Baozhong. The reason why Yuan Baozhong couldn't see it, but Chen Ping could!

"Mr. Chen....."

Zhao Wuji looked at Chen Ping, hoping that Chen Ping would take action to convince several people, mainly to convince Chang Yuanjun.

At this time, Chang Yuanjun also looked at Chen Ping. He also wanted to hear what Chen Ping said. As for Yuan Baozhong, he also wanted to see Chen Ping's strength through this incident!

Seeing everyone looking at him, Chen Ping slowly sat on a chair nearby, and then said: "It's true that the leader's son was bitten by a poisonous insect. If the fingers can't reduce the inflammation and consolidate the blood, it won't take long. I can't save even one hand!"

"Another point is that the leader's son is bedridden now. It has nothing to do with the poisonous insects. He is just mentally damaged and is like this!"

Chen Ping explained.

"Mental damage?" Chang Yuanjun was stunned!

"Mr. Chen, what happened to the mental damage?" Zhao Wuji asked curiously.

"Mental damage means being frightened and losing consciousness, so that's why you remain unconscious..."

Chen Ping explained.

Lost in spirit?

At this time, Zhao Wuji and Chang Yuanjun were stunned, and Zou Zhaolong also looked confused!

They are not warlocks, let alone monks, so they don't understand the matter of losing one's soul, and they can't think of it!

"Hahaha, Chen Ping, I think you are just talking nonsense. Do you know that Master Yuan is known as the number one magic master in China and Hong Kong? If the leader's son is really out of his mind and frightened, won't he be able to tell? Don't tell me I'm just pretending, thinking I'll deceive everyone..."

After a while, Zou Zhaolong came to his senses and laughed sarcastically!

Chang Yuanjun also didn't quite believe Chen Ping. After all, Chen Ping's words were a bit too casual. He directly said that his son was scared like this, which made Chang Yuanjun very dissatisfied!

"He can't see it. I can only say that he is a waste. He is the number one magic master in China and Hong Kong, and he has no sense of shame..."

Chen Ping raised the corner of his mouth and said with disdain!

"Chen Ping, don't be so quick to talk here. Since you know the cause of your son's illness, come and treat him. If you are cured, I, Yuan Baozhong, will kowtow to you to apologize. If you can't, I will kick you out. Then looking for someone to push you into the river..."

Yuan Baozhong said with a gloomy look.

"No, no..." Chang Yuanjun stood up and stopped him: "My son is not a guinea pig, don't bet on him..."

After Chang Yuanjun finished speaking, he looked at Zhao Wuji: "Zhao Wuji, take this Chen Ping and leave immediately. This is an order..."

Zhao Wuji looked at Chang Yuanjun like that and opened his mouth, but didn't say anything. In the end he could only sigh.

Chapter: 880

“Mr. Chen, let’s go out...” Chang Yuanjun had already used an ordering tone, and Zhao Wuji had no choice.

Chen Ping nodded: “Let’s go, they will invite us back in less than ten minutes!”

As soon as Chen Ping’s words hit the ground, Zou Zhaolong burst out laughing!

“Chen Ping, you said the leader will invite you back? Who do you think you are? With Master Yuan here, what’s the matter with you? You’re so good at pretending...”

Zou Zhaolong laughed, and Yuan Baozhong also raised his lips: “I have never seen such an arrogant person. It is better for young people to keep a low profile!”

At this time, Chang Yuanjun also looked ugly. What was his identity? How could it be possible to invite a little furry kid like Chen Ping who hasn’t even grown all his fur yet?

“Mr. Chen, stop talking...”

Zhao Wuji was slightly shocked. He was afraid that Chen Ping would offend Chang Yuanjun.

“Zhao Wuji, I think you made an honest mistake today. If you dare to bring anyone to me in the future, be careful that I won’t be polite to you...”

Chang Yuanjun had a gloomy face and shouted in a low voice!

“understand.....”

Zhao Wuji didn’t dare to say anything, so he could only nod his head, then pulled Chen Ping and walked out!

After walking out of the bedroom, Chen Ping sat directly on the sofa in the hall. Zhao Wuji was stunned for a moment and hurriedly asked: "Mr. Chen, it seems that the leader doesn't trust you. Let's leave first, lest the leader come out and see!"

Chang Yuanjun just wanted Zhao Wuji to take Chen Ping away, not to let them sit in the hall. Now Chen Ping is sitting in the hall and refuses to leave. If Chang Yuanjun sees this, Zhao Wuji has no way to explain it!

"If we leave, his son will die. I said it for ten minutes, and someone will invite us in. It will happen. Pavilion Master Zhao, don't panic, just sit down and sit down!"

As Chen Ping said, he actually poured himself a cup of tea and poured a cup for Zhao Wuji!

Zhao Wuji saw that Chen Ping was so confident, and when he thought about Chen Ping's identity as a monk, he gritted his teeth for the last time, and sat down, risking his life to accompany the gentleman!

While Chen Ping was drinking tea with Zhao Wuji in the hall outside, Chang Yuanjun in the room looked at Yuan Baozhong with a pleading look on his face and said: "Master Yuan, my son's life is in your hands. If I will be very grateful to Master Yuan for rescuing my son, and I will also organize a magic conference in Kyoto for Master Yuan, so that Master Yuan's reputation can be spread in Kyoto..."

Chang Yuanjun's attitude is very humble, but Yuan Baozhong knows that the more Chang Yuanjun is like this, the greater the danger he will bear. If Chang Yuanjun's son is rescued, everyone will be happy. But if he cannot be rescued in this situation, who is he or Zou Zhaolong? Don't even think about leaving!

"Don't worry, Leader Chang. I will do my best. I am still sure of the poison of the poisonous insects in Miao Village..."

Yuan Baozhong is still confident. He once treated people who were bitten by poisonous insects!

"Then please ask Master Yuan to take action!"

Chang Yuanjun felt excited in his heart!

No matter how high his status or official position is, Chang Yuanjun now only has one identity, that is, that of a father. He only hopes that his son will get better!
