

The Order 9011

Chapter: 9011

The Fire Spirit Star Lord wielded a golden flaming sword, his swordplay graceful and fierce.

Each of his strikes carried devastating force. The golden flames in his hands seemed to come alive, sometimes transforming into a giant dragon, sometimes a phoenix, as they charged towards the Fire Demon Lord.

The Fire Demon Lord was unarmed, but each of his moves contained terrifying power.

His hands, enveloped in dark red flames, sometimes transformed into sharp claws, sometimes into fists, fiercely clashing with the Fire Spirit Star Lord's flaming sword.

Clang! Clang! Clang!!!

The sound of metal clashing resounded continuously, sparks flying everywhere.

Golden flames and dark red flames intertwined and collided in the air, generating countless terrifying energy shockwaves.

The surrounding space began to distort, as if it would collapse at any moment.

The distant mountains were easily crushed like tofu by these terrifying energy waves.

Ah—!!!

Another scream echoed, and a nearby mountain was instantly flattened by a terrifying energy shockwave!

Every living thing on the mountain, whether demonic cultivators or ordinary beasts, was instantly vaporized!

Chen Ping and the others watched in astonishment. They had never witnessed such a horrific battle! This was no longer a battle among humans, but a war between gods and demons!

“Too...too horrifying!”

Zi Yuan exclaimed in shock, her voice trembling.

Wu Hao’s face paled. “This... is this the power of an ancient warrior? It’s simply terrifying!”

Ling Yue gripped her staff tightly, her eyes filled with fear. “If... if we didn’t have the protection of the Dragon Pattern Bell, we would have been vaporized by this terrifying energy surge!”

Hu Mazi shook his head, his face filled with solemnity. “These two are too powerful. I’m afraid the entire Sixth Heaven won’t be able to withstand them!”

Ling Xi watched the fierce battle outside, her eyes filled with worry. “This can’t go on. Their fight will destroy the entire Sixth Heaven!”

Everyone fell silent. They knew Ling Xi was right, but facing such a powerful being, they were powerless.

BOOM! !!!

Another loud bang echoed, as the attacks of the Fire Spirit Star Lord and the Fire Demon Lord collided again.

This time, the collision was even more terrifying than before. Golden flames and dark red flames formed a massive energy ball in the air.

Crack! Crack!

Chapter: 9012

Cracks began to appear in the surrounding space, as if it would collapse at any moment.

The dark red vortex in the sky grew even more ferocious, and the black hole grew even larger.

Ah—!!!

Countless screams rang out simultaneously, and every living being within a radius of dozens of miles, whether demonic cultivators, demonic spirits, or ordinary plants and animals, was instantly vaporized by the terrifying energy shockwave!

The entire valley instantly became a deadly ruin!

Chen Ping and the others peered out through the cracks in the dragon-patterned bell, witnessing a scene resembling hell.

The earth cracked into bottomless chasms, mountains collapsed, rivers dried up, and a burning smell filled the air.

This was the power of the battles of ancient masters!

The aftermath alone was enough to destroy everything!

Boom! Boom! Boom!!!

The fierce battle continued. The figures of the Fire Spirit Star Lord and the Fire Demon Lord flickered in mid-air, golden flames intertwining with dark red flames, forming brilliant yet dangerous streaks of light.

The Fire Spirit Star Lord's swordsmanship grew increasingly fierce, the golden flames taking on various forms in his hands.

Sometimes it roared like a giant dragon, sometimes like a dancing phoenix, sometimes like a tiger descending the mountain. Each move contained terrifying power.

"Flame Dragon Roar!"

The Fire Spirit Star Lord roared furiously, swung his flaming sword fiercely, and a massive golden fire dragon flew from it, roaring towards the Fire Demon Lord with devastating force.

Everywhere the fire dragon passed, the air ignited, emitting a series of piercing crackling sounds.

The Fire Demon Lord's expression changed; he could sense the terrifying power of the attack. But he did not retreat. Instead, a flicker of excitement flashed in his eyes.

"Well-timed!"

The Lihuo Demon Lord laughed wildly, "Let me show you what I've accomplished over the years!"

With that, the Lihuo Demon Lord formed hand seals, and the dark red flames surrounding him instantly surged, transforming into a gigantic flaming phoenix.

"Lihuo Phoenix!"

The Lihuo Demon Lord roared, and the enormous flaming phoenix let out a shrill cry, charging towards the golden fire dragon.

BOOM!!!!

The golden fire dragon and the flaming phoenix collided with a deafening roar. A terrifying energy wave, centered around the two, spread out in all directions.

Ah!!!!

Countless screams echoed simultaneously, and in the distance, dozens more mountains were instantly razed to the ground by this terrifying energy shockwave!

Chen Ping and the others watched with trepidation. They could sense that the strength of these two ancient powerhouses was constantly increasing!

“How...how is this possible?”

Wu Hao exclaimed in shock. “Their strength is still increasing?”

Ling Yue’s face paled. “Could it be...could it be that they haven’t yet exerted their full strength?”

Chapter: 9013

Hu Mazi shook his head, his face filled with solemnity. “No, they’ve already given it their all! It’s just that they’re too powerful. The longer they fight, the more their potential will be unleashed!”

Chen Ping also frowned, wondering if there was any way to stop this terrifying battle.

Boom!!!!

Another loud bang echoed, and Fire Spirit Star Lord and Fire Demon Lord were simultaneously sent flying. Both retreated dozens of steps in the air before barely stabilizing themselves.

Fire Spirit Star Lord’s face was pale, and a trace of blood oozed from the corner of his mouth. Clearly, the previous collision had caused him considerable damage.

Fire Demon Lord was in a similar situation; his face was also pale, and the dark red flames on his body had dimmed slightly.

“Hahaha... Fire Spirit Star Lord, I didn’t expect you to be so powerful!”

Fire Demon Lord laughed wildly. Although his face was pale, his eyes sparkled with excitement.

The Fire Spirit Star Lord wiped the blood from the corner of his mouth and said coldly, “Demon Lord Li, you’re not bad! After all these years, your strength has improved considerably!”

“Same here!”

The Demon Lord Li sneered, “But this battle has only just begun! I’ll show you who is the true Lord of Fire!”

With that, the dark red flames surrounding the Demon Lord Li surged again, and his aura became even more terrifying.

Not to be outdone, the Fire Spirit Star Lord took a deep breath, and the golden flames around him became even more dazzling.

BOOM!!!

The two charged at each other again, the golden flames and dark red flames colliding once again in mid-air.

Clang! Clang! Clang!!!

The sound of metal clashing echoed, sparks flying.

The golden and dark red flames intertwined and collided in the air, generating countless terrifying energy shockwaves.

The surrounding space began to distort, as if it would collapse at any moment. The dark red vortex in the sky grew even more ferocious, and the black hole grew even larger.

Ah—!!!

Another scream rang out, and further away, another massive mountain range was instantly razed to the ground by this terrifying energy shockwave!

The entire Sixth Heaven trembled violently, as if it would collapse at any moment.

Even more shockingly, the dark red vortex in the sky began to devour everything around it! Clouds and light were swallowed by the massive black hole.

“This... is this going to destroy the entire Sixth Heaven?” Zi Yuan exclaimed in shock, her voice trembling.

Chapter: 9014

Wu Hao’s face paled. “Too... too terrifying! This isn’t a mortal battle anymore; it’s a war between gods and demons!”

Ling Yue gripped her staff tightly, her eyes filled with fear. “If... if they keep fighting, the entire Sixth Heaven will be destroyed!”

Hu Mazi shook his head, his face filled with grimace. “We must find a way to stop them! Otherwise, the entire Sixth Heaven will be destroyed!”

Ling Xi watched the fierce battle outside, her eyes filled with worry. “But... but we’re no match for them! How can we possibly stop them?”

Everyone fell silent. They knew Ling Xi was right. Facing such a powerful being, they were powerless.

Boom—!!!

Another loud bang echoed, and Fire Spirit Star Lord and Fire Demon Lord were flung back once again. Both retreated dozens of steps in the air before barely stabilizing themselves.

This time, their injuries were even more severe. The Fire Spirit Star Lord's face paled even further, and more blood flowed from the corners of his mouth. The Fire Demon Lord was in a similar situation, his face also paler, and the dark red flames on his body dimmed even further.

"Hahaha... Fire Spirit Star Lord, you're already gone!"

The Fire Demon Lord laughed wildly. Despite his severe injuries, his eyes gleamed with excitement.

The Fire Spirit Star Lord wiped the blood from his mouth and said coldly, "Fire Demon Lord, you're not much stronger! Our strengths are similar, neither of us can defeat the other!"

"Really?"

The Fire Demon Lord smirked wickedly. "That's not necessarily true! I still have a secret weapon I haven't used yet!"

After saying that, the Fire Demon Lord suddenly pulled out a strange black token from his storage ring.

A hideous skull was engraved on the token, its eyes ablaze with dark red flames.

"What...what is this?"

The Fire Spirit Star Lord's face changed. He could sense the terrifying power contained within the black token. The Fire Lord laughed wildly, "This is a treasure I obtained in the Flame Prison! With it, my strength can be instantly multiplied!"

After saying this, the Fire Lord raised the Soul-Devouring Order above his head, muttering something to himself.

Buzz!!!!

A strange humming sound echoed, and the Soul-Devouring Order instantly erupted with a terrifying dark red light.

In the light, countless shrill screams rang out, as if countless wronged souls were struggling within.

Even more shockingly, the dark red vortex and black hole in the sky began to converge towards the Soul-Devouring Order!

Countless black demonic energy surged from the vortex and black hole, pouring into the Soul-Devouring Order.

The dark red flames surrounding the Fire Lord instantly surged, and his aura became even more terrifying.

Chapter: 9015

His strength had actually increased instantly!

“What?”

The Fire Spirit Star Lord’s face changed drastically. He could sense that the Fire Lord’s strength had surpassed his own in an instant!

“Hahaha... Fire Spirit Star Lord, now you know how powerful I am!”

The Lihuo Demon Lord laughed wildly, "Prepare for death!"

With that, the Lihuo Demon Lord flashed and instantly rushed towards the Fire Spirit Star Lord. His speed was several times faster than before, and he was in front of the Fire Spirit Star Lord almost instantly.

The Fire Spirit Star Lord's face changed drastically. He tried to dodge, but it was too late.

BANG!!!

The Lihuo Demon Lord's fist slammed into the Fire Spirit Star Lord's chest, sending him flying.

Puff!!!!

The Fire Spirit Star Lord spat out a mouthful of blood in the air, his body flying backwards like a kite with a broken string, landing heavily on the ground.

"Fire Spirit Star Lord!"

Chen Ping and the others exclaimed in shock. They had not expected the Fire Spirit Star Lord to be defeated so miserably.

The Fire Lord slowly descended to the ground. Looking at the collapsed Fire Spirit Star Lord, a wicked smile curled his lips. "Fire Spirit Star Lord, is it time for you to hand over the jade bottle now?"

The Fire Spirit Star Lord struggled to stand, but his internal injuries were too severe, and he couldn't move.

"You... you can't even think about it!"

The Fire Spirit Star Lord gritted his teeth.

The Fire Lord sneered, "Since you won't hand it over, I'll have to do it myself!"

With that, the Fire Lord flashed and instantly appeared before the Fire Spirit Star Lord.

He stretched out his right hand and grabbed the jade bottle from the Fire Spirit Star Lord's hand.

The Fire Spirit Star Lord tried to resist, but his body was completely immobilized.

Swoosh! !!!

With a soft sound, the Fire Lord snatched the jade bottle away.

"Hahaha... I finally got it!"

Chapter: 9016

The Lihuo Demon Lord laughed wildly, holding the jade bottle, his eyes gleaming with excitement.

The Fire Spirit Star Lord lay on the ground, his eyes filled with resentment and anger: "Lihuo Demon Lord, you... you will regret this!"

"Regret?" The Lihuo Demon Lord said disdainfully. "I've never known what regret is!"

With that, the Lihuo Demon Lord opened the lid of the jade bottle.

Buzz! !!!

An eerie humming sounded, and a terrifying black light instantly erupted from the jade bottle.

Amidst the light, countless shrill screams echoed, and the figure of the Soul Devourer slowly emerged from the jade bottle.

However, at this moment, the Soul Devourer was no longer the solid body he had been in before, but had once again transformed into a black demonic spirit.

“Hahaha... I’m finally out!”

The Soul Devourer’s voice was filled with excitement and frenzy.

The Fire Lord looked at the Soul Devourer with a wicked smile. “Long time no see.”

The Soul Devourer looked at the Fire Lord, a flicker of surprise in his eyes. “... Fire Lord? Why are you here?”

The Fire Lord laughed wildly, “Of course I came to save you! If I hadn’t been sealed in the Hell of Flame, you wouldn’t have ended up like this!”

The Soul Devourer said, moved, “Thank you so much for saving me, Demon Lord! I’m grateful for your kindness. I’m willing to go through fire and water for you!”

The Fire Lord nodded in satisfaction. “Okay! Your words are enough. Then we’ll rule the Nine Heavens together!”

The Soul Devourer said excitedly, “Okay! Let’s join forces and make the entire Nine Heavens tremble under our feet!”

The two smiled at each other, their eyes gleaming with greed and cruelty.

BOOM! !!!

Just then, a loud bang echoed, and the Fire Spirit Star Lord suddenly rose from the ground.

A terrifying golden flame erupted from his body, and the aura he emanated became even more terrifying.

“Fire Spirit Star Lord?” Lihuo Demon Lord’s face changed. He hadn’t expected the Fire Spirit Star Lord to be able to stand.

Fire Spirit Star Lord’s eyes burned with rage as he glared at Lihuo Demon Lord and Soul Devourer: “Lihuo Demon Lord, you dared to release Soul Devourer? You’re courting death!”

Lihuo Demon Lord laughed wildly, “Courting death? Fire Spirit Star Lord, you’re no match for me now! If you know what’s good for you, get out of here! Otherwise, don’t blame me for being rude!”

Fire Spirit Star Lord said coldly, “You want me to get out? Only if I die!”

Chapter: 9017

After saying this, the Fire Spirit Star Lord took a deep breath, formed seals with his hands, and muttered something.

Om—!!!

A solemn humming sounded, and the golden flames surrounding the Fire Spirit Star Lord instantly surged, his aura rising continuously.

Even more astonishingly, countless golden rays of light appeared in the sky! These rays of light, like sunlight, streamed down from the sky and infused the Fire Spirit Star Lord’s body.

“This... This...” The Fire Demon Lord’s expression changed. He could sense the sacred and powerful power contained within these golden rays.

The Fire Spirit Star Lord’s voice became solemn and sacred: “Fire Demon Lord, today I will let you witness the true power of fire!”

With these words, an even more terrifying golden flame erupted from the Fire Spirit Star Lord’s body.

These flames were no longer the warm golden color of before, but a sacred and majestic golden color!

His strength had suddenly reached a new level!

“What?” The Fire Demon Lord’s expression changed drastically. He could sense that the Fire Spirit Star Lord’s strength had instantly surpassed his own!

“Impossible!” the Fire Lord cried frantically, “How could you possibly still possess such immense power?”

The Fire Spirit Star Lord said coldly, “This is the true essence of fire that I realized many years ago! This flame contains the purest power in heaven and earth, and is the nemesis of you evil demons!”

With that, the Fire Spirit Star Lord flashed and instantly charged towards the Fire Lord.

BOOM!!!!

With a resounding bang, the Fire Spirit Star Lord punched the Fire Lord in the chest.

The Fire Lord was instantly sent flying, a mouthful of blood gushing from his mouth.

Puff!!!!

The Fire Lord fell heavily to the ground, his face as pale as paper.

He hadn't expected the Fire Spirit Star Lord to hold such a powerful trump card!

Seeing this, the Soul Devourer's face changed drastically: "Demon Lord!"

The Fire Lord slowly rose to his feet, his eyes filled with rage.

"You've completely enraged me..."

The four cores of Lihuo Demon Lord's body erupted in blazing black flames.

Seeing this, Fire Spirit Star Lord, without a moment's hesitation, unleashed all his might.

Chapter: 9018

For a moment, the void began to distort, and the entire space was engulfed in turbulence.

Now, both men unleashed their most powerful attacks. After this single blow, the entire Sixth Heaven could be annihilated.

Chen Ping and the others were also extremely nervous. If the Sixth Heaven was destroyed, even with the protection of the Dragon Pattern Bell, they would likely perish.

BOOM!!!

At this critical moment, a dazzling golden flame suddenly shot down from the nine heavens!

This flame was unlike any known flame. It embodied a supreme majesty, as if the ancestor of fire had descended upon the earth!

The golden flame instantly erupted in mid-air, transforming into a gigantic fire phoenix, emitting a cry that shook the heavens and earth!

BUZZ—!!!

The moment the phoenix's cry rang out, the black flames of the Fire Demon Lord and the sacred golden flames of the Fire Spirit Star Lord were simultaneously suppressed!

The once raging flames, like subjects meeting a sovereign before their sovereign, instantly became docile before the golden fire phoenix, and then suddenly extinguished!

“What?”

The Fire Demon Lord and the Fire Spirit Star Lord were both horrified, their faces filled with disbelief.

They could sense that the power contained within this golden flame far exceeded their comprehension!

This was no mere flame power; it was a supreme power that controlled the very essence of fire!

“This... This is impossible!”

The Fire Demon Lord cried out, his eyes filled with shock and terror.

He had cultivated the flames for years and believed his understanding of them to be profound, but the golden flame before him made him feel an unprecedented sense of powerlessness.

The Fire Spirit Star Lord's expression also changed drastically. The true meaning of fire he had just grasped seemed so insignificant before this golden flame!

"Who is it?"

The Fire Spirit Star Lord shouted in a deep voice, his eyes scanning the surroundings warily.

At this moment, an old and majestic voice drifted from the sky:

"Hehe... You two little bastards playing with fire, dare you call yourself the Lord of Fire in front of me?"

Although the voice was old, it held an unquestionable majesty, as if the very heavens and earth trembled at its words.

"Who are you?!" The Fire Demon Lord shouted fiercely, fear stricken, yet he forced himself to remain calm.

Chapter: 9019

The voice echoed again, tinged with disdain and mockery:

"You little scoundrels are unworthy of my name! With your meager skills, you dare claim to control fire? Absolutely laughable!"

"When I was playing with fire, you were unaware of where you were drinking milk!"

"Playing with fire? With your limited abilities, you're worthy?"

Every word was like a hammer, hammering down on the hearts of Lihuo Demon Lord and Huoling Star Lord.

They could sense that the owner of this voice was undoubtedly a vengeful old monster who had lived for countless years!

Furthermore, his control over fire had reached a state of unparalleled mastery!

“What...what exactly do you want?”

Huoling Star Lord asked gravely. He could sense no hostility from the other party, but the sheer disparity in power left him feeling incredibly oppressive.

The voice chuckled.

“Nothing much. I was just passing by and heard someone boasting about their invincible flames. I couldn’t help but come out and teach you ignorant little brats a lesson.”

“Remember, there are always people better than you! Don’t think you’re invincible just because you’ve mastered the basics!”

“The true way of fire is far more profound than you imagine!”

With that, the golden fire phoenix let out a cry, transformed into a streak of light, and vanished into the sky.

Left behind were the Fire Demon Lord and the Fire Spirit Star Lord, staring at each other in shock and shame.

“Who... who is this?”

The Fire Demon Lord muttered to himself, his eyes filled with fear.

He could sense that if the owner of that voice just now wanted to kill him, it would be easy!

The Fire Star Lord also had a solemn expression. He took a deep breath and said in a deep voice:

“I don’t know, but one thing is certain: this senior is undoubtedly an old monster who has lived for countless years! His control over fire has reached a level beyond our imagination!”

A trace of fear flashed in the Fire Demon Lord’s eyes. He glanced at the Soul Devourer beside him, then at the Fire Star Lord in the distance, and suddenly made a decision.

“Soul Devourer, let’s go!” The Fire Demon Lord said in a deep voice.

Soul Devourer was stunned: “Demon Lord, are we just leaving?”

Fire Lord said coldly: “Why stay here if you’re not leaving? Didn’t you hear what that senior just said? We’re just two little pieces of trash in front of him!”

Chapter: 9020

“If we stay here, what if that senior changes his mind and wants to deal with us? We won’t even stand a chance!”

With that, Fire Lord, without hesitation, turned and left with Soul Devourer.

They transformed into two streams of light and instantly vanished into the sky.

Fire Spirit Star Lord watched the direction in which Fire Lord and Soul Devourer fled but did not pursue them.

He knew that with his current strength, he couldn't possibly stop them.

Furthermore, the appearance of that mysterious and powerful being had made him realize his own insignificance.

He needed time to digest his recent insights and re-evaluate his understanding of the Way of Fire.

Fire Spirit Star Lord took a deep breath, his eyes filled with fatigue.

At this moment, Chen Ping's brow furrowed. He felt a sense of déjà vu about that flame.

Suddenly, Chen Ping's body trembled as he remembered: it was the Flame Demon's Ultimate Fire.

Thinking of the Flame Demon, Chen Ping instantly put away the Dragon-Patterned Bell and leaped into the air, intending to chase after him and see who this mysterious figure was.

But there was no trace of him above the horizon.

Only three lingering auras remained.

Sensing these three auras, Chen Ping's body trembled even more violently.

For he discovered that among these three auras were the auras of Su Yuqi and Ning Zhi.

"Yuqi, Yuqi..."

Chen Ping roared loudly, his voice filled with helplessness.

Everyone, unsure of what had happened to Chen Ping, gathered around him.

Only Hu Mazi was slightly startled when he heard Chen Ping call out Su Yuqi's name. He asked, "Chen Ping, have you seen Yuqi?"

Chen Ping shook his head. "I sensed her presence..."

"Do you know the owner of that flame?" Fire Spirit Star Lord asked, looking at Chen Ping in shock.

Chen Ping nodded. "If my guess is correct, that flame must be the Flame Demon's Ultimate Fire."

"Flame Demon?" Fire Spirit Star Lord frowned, the name sounding familiar.

"I've told you before that the demonic Ultimate Fire in me is from this Flame Demon,"
