

## The Order 91

Chapter: 91

“Who do you study under? Why do you also know my master Ye Fengchun’s unique hard qigong?”

Feng Sihai was a little confused, who did Chen Ping learn hard qigong from?

“I have no sect, and this is not hard qigong. The so-called hard qigong is just a trick!”

Chen Ping smiled lightly and punched Feng Sihai in the chest!

Feng Sihai spurted out a mouthful of blood and flew backwards!

Chen Ping’s this is not a hard Qigong, it is a method of cultivating immortals. Not to mention Feng Sihai’s punch, not even a bullet can penetrate Chen Ping’s shield!

Feng Sihai looked at Chen Ping in horror, his heart was shocked beyond words!

Under Chen Ping’s punch, Feng Sihai found that his hard Qigong had no effect!

“Brother, can you please leave your name? I, Feng Sihai, will come back for advice another day!”

Feng Sihai knew that he was no match for Chen Ping and there was no point in continuing the fight. Feng Sihai would definitely retreat first.

“Feng Sihai, do you want to leave? Let me tell you, Mr. Chen is here today, and this is your burial place!”

Lin Tianhu looked at Feng Sihai with a proud face.

Feng Sihai's expression changed and he looked at Chen Ping with fear. If Chen Ping really killed him, he might not be able to leave today!

"My name is Chen Ping. You can seek revenge from me at any time. If you don't accept it, you can call your master!"

Chen Ping knew what Feng Sihai meant and smiled coldly.

"Mr. Chen, we can't let the tiger go back to the mountains..."

Seeing that Chen Ping actually wanted to let Feng Sihai go, Lin Tianhu immediately persuaded him.

"I have my own sense of discretion, please step back!"

Chen Ping frowned slightly.

Seeing that Chen Ping was about to get angry, Lin Tianhu was so frightened that he didn't dare to speak anymore and hurriedly retreated!

"Okay, I remember, green mountains will always be there and green waters will always flow. See you soon!"

Feng Sihai wiped the blood from the corner of his mouth, waved his hand towards his men and said, "Let's go!"

Feng Sihai led the people away, and only these people who attended the banquet were left in the huge hall!

“Mr. Chen is indeed very capable. I really experienced it today!”

Chapter: 92

“With such ability at such a young age, Mr. Chen’s future will be immeasurable!”

“Sure enough, a hero comes from a boy!”

Everyone praised Chen Ping one after another!

Gu Wentian also didn’t expect that Chen Ping could exorcise ghosts and subjugate demons, and his martial arts skills were so strong, which made him pay more attention to Chen Ping.

“Mr. Chen, please forgive my ignorance. I hope Mr. Chen won’t be offended!”

Tang Long came to Chen Ping with a face full of shame and apologized.

“It doesn’t matter!” Chen Ping smiled slightly and didn’t take it to heart!

At this time, Su Wenzong looked at Chen Ping and couldn’t help but smile. Regarding the matter between Su Yuqi and Chen Ping, he now raised his hands in agreement!

“You know kung fu, but you didn’t tell me in advance, which made me worry about you for a long time!”

Su Yuqi pretended to be angry and walked up to Chen Ping, then twisted Chen Ping’s arm!

“Ouch...” Chen Ping frowned, showing great pain: “It hurts...”

Su Yuqi was stunned when she saw Chen Ping like that: “I...I didn’t use any force? How could it hurt?”

Su Yuqi was a little panicked!

“I was injured just now by Feng Sihai, and I have been holding on hard, but you still pinched me...”

Chen Ping pretended to be in pain and looked at Su Yuqi with complaints in his eyes.

“Where is the injury? Let me see, show me quickly, I...I don’t know!”

Su Yuqi looked at Chen Ping’s body in panic, looking like she was about to cry!

Everyone around them saw that Chen Ping was pretending, even Su Wenzong could tell, but he didn’t say anything, but looked at the two people quietly.

Only Su Yuqi was too concerned and didn’t realize that Chen Ping was pretending!

“Okay, once you touch me, my injuries will be healed!”

Chen Ping saw that Su Yuqi was about to cry, so he stopped making trouble with her!

When Su Yuqi heard this, she immediately understood that she had been deceived!

“Okay, Chen Ping, I’ll beat you to death...”

Su Yuqi raised her fist towards Chen Ping, but Chen Ping ran away quickly!

Chapter: 93

Seeing the two people fighting, everyone laughed. Gu Wentian patted Su Wenzong on the shoulder: “Mr. Su, your Su family’s future is boundless!”

Of course Su Wenzong understood what Gu Wentian meant, and he quickly said humbly: “We still need to rely more on Gu Wentian’s care!”

“I think your Su family should take care of me from now on!”

Gu Wentian laughed loudly!

Panlong Bay Hilltop Villa!

After walking around for a while, Tang Hongying and Chen Baoguo were sitting in the living room to rest. They never dreamed that they could live in such a luxurious house!

Although the house is only for them to live in temporarily, they are lucky enough!

“It seems that God is not kind to our family. Chen Ping has just been released from prison, and he can meet a good girl like Yu Qi. I don’t know how the two of them met!”

Tang Hongying said with a satisfied look.

“I don’t know, but Miss Su looks like a very kind girl...”

Chen Baoguo was once a civil servant and had met many people of all kinds, so he was very good at judging people!

“You said he is so rich, why do you like Chen Ping?”

Deep down in her heart, Tang Hongying has always been a little worried. After all, her family is not the right family at all!

But just when Chen Baoguo was about to speak, a man in a suit and leather shoes suddenly opened the door and walked in. Chen Baoguo was slightly startled by the man’s sudden intrusion!

“Let me answer you. In fact, Yu Qi is just hanging out with Chen Ping. Do you really think that the dignified Miss Su will fall in love with your Chen Ping? Don’t daydream, you too Don’t think about it, what does your Chen Ping have?”

“He is just a poor boy who graduated from an ordinary university and served in prison. If your daughter fell in love with such a person, would you agree? It’s just that your Chen Ping saved Yu Qi’s father by accident. Fate, so Yuqi is so enthusiastic just to repay her kindness, do you really think the two of them will get married?”

“I am Yu Qi’s real boyfriend, and we have known each other for many years. We are a perfect match. I advise you to give up as soon as possible. Don’t you yourselves know the virtues of your son?”

After the man finished speaking, he smiled coldly at Chen Baoguo and Tang Hongying, his eyes full of ridicule and disdain!

After hearing what the man said, Tang Hongying and Chen Baoguo’s faces turned red and white, but they had no words to refute. After all, what they said was the truth. Their family was just an ordinary family, and Chen Ping was just an ordinary person who couldn’t be in an

ordinary family. A person who has been in jail, who would be willing to marry their daughter to such a person?

Seeing the reactions of Tang Hongying and Chen Baoguo, the man was very satisfied. He took out a wad of money from his bag and threw it in front of the two of them: "Take the money and move out of here quickly. If the time comes, I will drive you away." Don't blame me for being heartless!"

After the man finished speaking, he turned and left, then got into a sports car outside the courtyard and drove away, leaving only Tang Hongying and Chen Baoguo sitting there blankly.

The two people seemed to be knocked down from the sky to the earth at once, and returned to reality.

After a while, Chen Baoguo sighed heavily, stood up and started packing his things. People of their status were not worthy of living here.

Tang Hongying's eyes were slightly red, and tears kept rolling in her eyes!

Chapter: 94

Chen Baoguo simply cleaned up, then stepped forward and patted Tang Hongying's shoulder gently: "Let's go. When Chen Ping comes back, you can talk to him and let him recognize the reality. After all, he and Miss Su are not the same person." !"

Chen Baoguo and Tang Hongying left and returned to their original house!

"Hongying, I heard that you followed Chen Ping to live in a big villa, why are you back again?"

Just after returning to the original house, a middle-aged woman asked curiously.

"Her Aunt Wang, wasn't she used to living here, so she moved back..."

Tang Hongying heard that the other party was her old neighbor Wang Changfeng, so she smiled awkwardly and said!

It's not easy for Wang Changfeng. Her husband died when her children were teenagers, and she raised her daughter by herself!

"It's good to move back. We can still chat with our old neighbors. Chen Ping has just been released from prison. How can such a good thing happen? Lend him the big villa to live in. Be careful not to let others take advantage of it. I'll go in there once." My whole life is ruined..."

Wang Changfeng said regardless.

Although his words are unpleasant, he does not have any bad intentions. He is the kind of person who has a sharp mouth but a soft heart.

"I know..." Tang Hongying smiled and nodded.

At this time, in the Regal Hotel, the banquet was over and everyone had already left. Gu Wentian left Chen Ping behind and said: "Mr. Chen, you asked me to find the magic pen and cinnabar, because it is not a matter of Taoist priest going out to ask for help." Doctor, it will take some time to come back!"

"It doesn't matter, thank you for your trouble!" Chen Ping said with a slight smile!

My mother's eyes have been open for such a long time, and she doesn't care about waiting a few more days. After all, this kind of thing cannot be rushed!

"What are you talking about, Mr. Chen? From now on, as long as Mr. Chen is useful, just speak up!"

Gu Wentian said boldly.

After a few words of greeting, Chen Ping was about to leave, but was stopped by Tang Long. Then Tang Long suddenly knelt down in front of Chen Ping!

“Mr. Chen is both talented and talented. I hope Mr. Chen can accept me as his disciple...”

Tang Long had just seen Chen Ping’s strength and wanted to defeat Chen Ping as his master!

Chen Ping grabbed Tang Long’s shoulders and lifted Tang Long up with a little force: “With my little ability, how can I be qualified to be a master? You think too highly of me...”

Chen Ping practices magic arts, and following Tang Long and other warriors is not the same thing, so there is nothing he can teach him. Is it possible to teach him mental skills?

“Mr. Chen, you...”

“Tang Long, okay, since Mr. Chen said so, you should stop forcing me!”

Gu Wentian stopped Tang Long. Although Gu Wentian himself was not a warrior, he also understood some of the things involved. How could he teach others his own skills easily?

Chapter: 95

When Tang Long saw this, he could only step aside and stop talking!

“Brother Tang, if anything happens to you, we can communicate and be your master. I am absolutely not qualified...”

Chen Ping said with a slightly apologetic smile.

“Thank you Mr. Chen...”

Tang Long said happily!

When Chen Ping left the hotel and returned to Panlongwan Villa, he found that his parents were not there. This made Chen Ping a little confused. After all, he had just moved here and his parents were unfamiliar with the place. Where could they go?

Taking out his cell phone, Chen Ping called his parents. When he learned that Chen Baoguo and Tang Hongying had returned to their original house, Chen Ping hurried back!

“Dad, Mom, what are you doing here? Are you not used to living in Panlong Bay? The air there is good and the environment is good. Isn’t it better than here?”

Chen Ping asked with confusion.

Chen Baoguo glanced at Chen Ping, said nothing, and walked directly into the bedroom. Tang Hongying sighed: “Chen Ping, you just came out of prison. Don’t always think about getting rich overnight. Yu Qi is a good girl, but you also just because you saved someone’s father’s life, you can’t use it as a threat. You are not from the same place, and you can’t come together. From now on, you can find a job in a down-to-earth manner, and stop dreaming about anything!”

“Mom, did someone tell you something?” Chen Ping frowned slightly!

“Don’t worry about it. I told you not to associate with Su Yuqi anymore. In addition, the house in Panlong Bay will be returned to others, and your father and I won’t live there. I don’t ask you to be rich. You just need to find a good job.” Work, just marry a daughter-in-law and carry on the family line...”

Tang Hongying’s tone was a bit harsh, she looked angry!

When Chen Ping saw that his mother was angry, he didn't dare to say anything. He could only nodded: "Mom, I will listen to you..."

Over the years, his mother has cried blindly for him. She has suffered so much. Chen Ping doesn't want to make his mother angry again!

Seeing Chen Ping agreeing so happily, Tang Hong said softly in English: "I asked your dad to contact your Uncle Zhang and see if he can help you find a job tomorrow. In addition, your Aunt Wang's Han family Han has also graduated. I heard that he has found a good job and earns a lot of money. You two have known each other since childhood. If you don't dislike it, I will tell your Aunt Wang..."

Although Tang Hongying cannot see with her eyes, she is always thinking about everything big and small in her heart!

"Whatever you say, if both children agree, I have no objection. After all, I have watched Chen Ping grow up, and it is not his fault that he will go to jail..."

At this time, Wang Changfeng walked in with a big bowl: "This is the sauce I made myself. You guys have a try..."

"Aunt Wang..." When Chen Ping saw Wang Changfeng walking in, he hurriedly reached out and took the bowl!

Chen Ping has been a neighbor of Wang Changfeng's family since he came to Hongcheng as a teenager, so the two families have a good relationship!

"His Aunt Wang, you are too polite. I have watched Hanhan's child since childhood. He is sensible and beautiful. It would be great if our two families could really get married..."

Tang Hongying stood up and pulled Wang Changfeng to sit down together!

“Hongying, I’m relieved that my Hanhan has really arrived at your home. After all, I only have a daughter, and I still have to count on her when she gets old, so I don’t want her to marry far away. I’ll give Hanhan a call tonight. Let her go home and let our two families have a meal together.”

Chapter: 96

Wang Changfeng said happily, it could be seen that she was also very satisfied with Chen Ping!

“Okay, okay, I heard that Hanhan found a good job and makes a lot of money...”

Tang Hongying nodded happily and said.

“I make a lot of money, but even if I don’t go home all day, it would be difficult for me to see her...”

Wang Changfeng said, picked up the phone and called his daughter!

Soon the call was connected, and Wang Hanhan’s lazy voice came: “Mom, why are you calling me at this hour? I’m still sleeping!”

“You kid, it’s already afternoon, why are you still sleeping? Don’t you have to go to work?”

Wang Changfeng was stunned and said.

“Oh, I have to work overtime tonight, so I’m going to catch up on some sleep this afternoon. What’s wrong?”

Wang Hanhan asked hurriedly.

“Oh, your brother Chen Ping is out of prison. I’m thinking of asking you to go home tonight and let us have a meal together!”

Wang Changfeng said.

“Mom, I don’t have time. Just wait a few days. I’m too busy these two days...” After saying that, Wang Hanhan hung up the phone!

Wang Changfeng looked a little embarrassed when he heard the busy tone on the phone!

“His Aunt Wang, since Hanhan is too busy, let’s find another day, and it won’t be less than one or two days!”

Tang Hongying was afraid that Wang Changfeng would be angry, so she hurriedly persuaded him!

“Hey, now that the child is older, he is really not obedient at all...”

Wang Changfeng sighed!

Wang Changfeng stayed at Chen Ping’s house until the evening. Chen Ping was a little idle and planned to go out for a walk. At this moment, Lin Tianhu called and wanted to treat Chen Ping to a meal. Chen Ping was Lin Tianhu’s boss, so of course Lin Tianhu wanted to fawn over him. Chen Ping!

Initially, Chen Ping wanted to refuse, but then he thought about it. If he went home for dinner, Wang Changfeng would still be at their house, and they would probably have dinner together. At the dinner table, they would definitely nag him along with his parents, so Chen Ping said Agreed!

Lin Tianhu wanted to pick up Chen Ping, but Chen Ping refused. He took a taxi and headed towards the restaurant Lin Tianhu mentioned!

In the past few years when Chen Ping was in prison, Hongcheng developed very fast. In a small city, there were dozens of bars and KTVs. At night, bright neon lights flashed, and the streets were full of handsome men and beautiful women!

Just when Chen Ping's taxi passed by a Fengyue Bar, he suddenly saw a familiar figure wearing beautiful clothes and walking into the bar with several girls!

"Wang Hanhan?" Chen Ping frowned slightly.

Chapter: 97

When I called in the afternoon, Wang Hanhan also said that she would work overtime in the evening. Why did she suddenly show up at the bar?

Could it be that this Wang Hanhan has been working in the bar?

In order to find out, Chen Ping asked the taxi to stop, and after paying the fare, he followed Wang Hanhan in!

At this time, the bar was bustling with lights and feasting, and the flashing lights made people feel dizzy!

After Chen Ping saw Wang Hanhan follow several girls into the bar, he was taken directly to the back by two waiters. When Chen Ping wanted to follow, he was stopped by someone.

"Sir, I'm sorry, this is our backstage and guests are not allowed to enter..."

Chen Ping glanced inside and found that Wang Hanhan was no longer there, so he found a corner and sat down. He wanted to see what Wang Hanhan was doing here!

Soon, Wang Hanhan and a few girls came out, but at this time they were only wearing sexy underwear, with large areas of snow-white skin exposed.

Several people quickly walked to the stage in the middle of the bar. In an instant, several strong lights hit several girls, making the people in the bar excited. They were all shouting and whistling!

Wang Hanhan and several girls were twisting their bodies. It could be seen that Wang Hanhan's movements were still a bit stiff and not as flexible as the other girls. However, Wang Hanhan was also twisting hard and trying hard to put a smile on her face!

Others could also see Wang Hanhan's jerkiness, and they all focused on Wang Hanhan. Some even picked up money and threw it at Wang Hanhan!

Chen Ping frowned and looked at Wang Hanhan on the stage. He couldn't believe his eyes. He never imagined that Wang Hanhan, who had always been shy and well-behaved, would actually come to the bar and become a dancer!

Looking at the banknotes on the stage, Wang Hanhan kept bending down to pick them up, and then stuffed them into his chest. Under the stage, a group of men's eyes were glowing red, and they kept staring at Wang Hanhan's body, each one like a hungry wolf!

Upon seeing this, Chen Ping stood up and walked to the edge of the stage. After taking out a wad of bills, he threw them directly on the stage. There were thousands of dollars!

When Wang Hanhan saw someone throwing so much money, his face suddenly lit up: "Thank you, brother..."

But when Wang Hanhan's eyes came into contact with Chen Ping's, Wang Hanhan's body shook slightly, and the expression on her face became obviously unnatural!

Hastily looking away, Wang Hanhan pretended not to see Chen Ping, bent down and quickly picked up all the money, and then still squirmed on the stage, but there was no smile on her face anymore!

Chen Ping's actions caused many people to look over, but after seeing Chen Ping dressed in ordinary clothes and covered in street goods, they all showed sarcastic smiles!

"Brother, with your outfit like this, I'm afraid you won't be able to exceed two hundred yuan, right? You can't handle this chick here, so you'd better leave quickly. You can't make thousands of yuan a month, but you'll want it soon." Still up here!"

At this time, a middle-aged man patted Chen Ping on the shoulder and said!

Chen Ping ignored him, but looked directly at Wang Hanhan. He couldn't understand, could a person really change so much in just three years?

Wang Hanhan turned around, no longer facing Chen Ping, but faced the other direction, twisting hard, while the other girls on the stage came over!

"Handsome guy, let's get to know each other..."

A dancer knelt down, stretched out her white arms, and touched Chen Ping's face!

Chapter: 98

Catchers like Chen Ping are the favorites of dancers like them. Even though they don't have much money, once they are caught, they can hand over their monthly salary obediently!

Chen Ping tilted his head slightly and hid, not letting the dancer touch him, but his eyes never left Wang Hanhan!

“Beauty, let me get to know you...”

There was a man on the side with a lewd smile on his face. He suddenly grabbed the dancer’s hand and pulled it down suddenly!

“Ah...” The dancer was pulled off the stage without paying attention!

The men around her suddenly rushed towards the dancer like hungry tigers, stroking her up and down!

At this time, everyone wants to step forward to take advantage and eat some tofu!

“Get the fuck out of here, do you want to die?”

At this time, a woman wearing professional attire and heavy makeup came over and yelled. Behind the woman were four tall and thick men!

When the men who were crazy just now saw this, they dispersed and ran back.

“Sister Yan.....”

The dancer who had just been dragged off the stage stood up and shouted to the woman with an aggrieved look on her face!

At this time, there were traces of being touched all over the dancer’s body, and even the underwear on her body was deformed due to pulling!

“Get out of here...” Sister Yan frowned slightly and shouted at the dancer!

The dancer was so frightened that she trembled and hurriedly ran backstage!

After Sister Yan glanced around and then looked at Chen Ping, who was the only one standing on the edge of the stage, she didn't say anything, but said to Wang Hanhan on the stage:

“Hanhan, come down...”

When Wang Hanhan heard the call to herself, she stopped hurriedly and walked off the stage:

“Sister Yan, what's the matter?”

“The big boss is here and wants you to go over and accompany him...”

Sister Yan said directly!

Wang Hanhan's body was slightly shaken, and her face showed great reluctance, but she didn't dare to say anything and could only follow Sister Yan to leave.

When passing by Chen Ping, Wang Hanhan deliberately lowered his head and did not dare to look at Chen Ping!

“Hanhan...”

Chen Ping took action and grabbed Wang Hanhan's arm!

“Do you know him?” When Sister Yan saw Chen Ping holding Wang Hanhan, she frowned slightly and asked Wang Hanhan.

Chapter: 99

“No...I don't know...”

Wang Hanhan shook her head hurriedly, then looked at Chen Ping and said, “Who are you? Let me go, I still have to go to work!”

Wang Hanhan broke away from Chen Ping and followed Sister Yan towards the backstage!

Sister Yan glared at Chen Ping and left without saying anything!

“Hanhan, the big boss values you very much. You can't cause trouble at this time, especially not to find a boyfriend. If you can follow the big boss by then, let alone your usury, no matter how much it is, it will be nothing. It's no big deal, I will follow you from now on...”

On the way, Sister Yan said to Wang Hanhan!

Wang Hanhan's face didn't look good, but she still managed to squeeze out a smile and said: “Sister Yan, how could the big boss like me? The big boss takes great care of sister Yan...”

Wang Hanhan didn't want to follow the big boss of this bar, a fat bald man who looked a little disgusting. Although she had no choice but to force herself to be a dancer in the bar, she didn't want to sink to the point of being a mistress for others!

“I'm old, and from now on it will be your young people's world...”

Sister Yan said, looking at Wang Hanhan with some envy and jealousy!

In their industry, age is capital. Once you get older, you have no advantage at all. If you don't get kicked out, it's already pretty good!

Soon, the two people arrived at a large and luxurious office.

After entering the door, a bald middle-aged man was sitting on the sofa with a bottle of red wine in front of him!

Seeing the middle-aged man, Sister Yan bowed slightly and said, "Boss, Hanhan is here!"

"Well, you haven't received any guests, have you?" the middle-aged man asked.

"No, the boss told me, how dare I not listen..."

Sister Yan shook her head hastily.

"Get out..." The middle-aged man waved his hand!

Sister Yan retreated, not forgetting to wink at Wang Hanhan, and closed the door behind her!

Wang Hanhan's body was trembling slightly, facing the big boss alone, Wang Hanhan was very scared!

"Old...boss..."

Wang Hanhan shouted timidly!

The middle-aged man looked up at Wang Hanhan, with a lustful look in his eyes, and grinned: "Don't be nervous, I won't eat you, come and sit..."

The middle-aged man patted the sofa next to him and said!

Chapter: 100

Although Wang Hanhan was scared, she didn't dare not listen. She could only move over step by step and sit next to the middle-aged man!

Looking at Wang Hanhan, who has fair skin and exudes the fragrance of a girl, the middle-aged man's eyes became even more lustful!

He picked up the red wine in front of him, poured two glasses, and handed one to Wang Hanhan: "Come, have a drink with me..."

"Old...boss, I...I don't know how to drink!"

Wang Hanhan didn't dare to answer!

"Once it's raw, twice it's ripe. Won't it become better after drinking it today?"

The middle-aged man raised his lips slightly and said!

Seeing this, Wang Hanhan could only take the wine glass, close her eyes and drink the red wine in one gulp!

Seeing Wang Hanhan drink the wine, the middle-aged man burst out laughing.

"I heard from Yanzi that you owe a lot of loan sharks?"

the middle-aged man asked.

Wang Hanhan nodded: "One million..."

"One million? That's a lot..." The middle-aged man said, took out a check, wrote one million directly on it, and pushed it in front of Wang Hanhan!

"Stay with me tonight and make me feel comfortable. This million will be yours..."

The middle-aged man looked at Wang Hanhan confidently!

He has done this kind of thing not once or twice. No girl can resist the temptation of money. This method has been tried and tested!

Looking at the check in front of her, Wang Hanhan's breathing became rapid. This was one million. If she had this million, she would no longer be threatened by those lending money, and she would not have to work as a dancer in bars all day long. I am always on tenterhooks every day, for fear of meeting someone I know!

Wang Hanhan was struggling wildly in her heart. She slowly stretched out her hand, but then retracted it. She knew that as long as she picked up this check, her life would be completely ruined!

Although I am now a dancer, my body is still intact. After I pay back the money, I can find a boyfriend to marry, and I am not sorry for him. But I really have to be someone else's mistress, even if I can find someone to trust me with for the rest of my life. As a man, Wang Hanhan himself will feel guilty for the rest of his life!

At this moment, she suddenly thought of Chen Ping. She remembered that when she was a teenager, Chen Ping was particularly protective of her. At that time, Wang Hanhan was always clamoring to marry Chen Ping. However, as they grew older, the two of them... The number of personal contacts gradually decreased. In addition, Chen Ping found a girlfriend, Geng Shanshan, and even talked about marriage. Wang Hanhan even stopped contacting Chen Ping!

But who knows that things are unpredictable, Chen Ping was sent to prison before getting married. Wang Hanhan, who was still in college at the time, wanted to go to the prison to see Chen Ping, but because he was in school, he never could go!

Wang Hanhan felt extremely painful when Chen Ping saw her like this today, and she was also afraid that Chen Ping would tell her mother about it. If that happened, her mother would be angry to death!

His father died early, and his mother worked hard to raise her. If she knew that she was working as a dancer in a bar, she would be very angry. If she became someone else's mistress, her mother would not recognize her as her daughter!

Thinking of this, Wang Hanhan shook his head firmly: "Boss, thank you for your love, but I don't have such thoughts..."
