

The Order 921

Chapter: 921

You must know that when Bai Zhantang collided with the two masters of the Qin family just now, the power was extraordinary, but the girl sitting not far away seemed to be okay, which made Chen Ping interested in her.

When Qin Gang saw that Chen Ping was ignoring him, he said with a cold face: "Damn it, I asked you something, didn't you hear it? Are you deaf?"

"Qin Gang, are you looking for death?" Seeing that Qin Gang dared to scold Chen Ping, Bai Zhantang slammed the table and stood up.

Upon seeing this, the two masters of the Qin family took a step forward and followed Bai Zhantang face to face, protecting Qin Gang behind them.

At this moment, many diners around saw what had happened and hid aside one after another, and some of the timid ones even left.

When the store saw this, they didn't dare to say anything. After all, neither Bai Zhantang nor Qin Gang could afford to offend them.

Bai Zhantang faced the two masters of the Qin family with extremely ugly expressions.

"Bai Zhantang, this guy is your father. I scolded him. Why are you so protective?"

Qin Gang was still sitting on the chair, raising his head slightly, looking at Bai Zhantang with disdain and saying.

This made Bai Zhantang very angry. Qin Gang didn't have much ability, but his mouth was merciless.

Bai Zhantang couldn't bear it anymore and punched Qin Gang.

When the two Qin family masters saw Bai Zhantang taking action, they immediately took up their positions and were ready to take action at any time.

But at this moment, Chen Ping stood up and stopped Bai Zhantang directly, then looked at Qin Gang and said, "My name is Chen Ping, from Hongcheng..."

Just as Chen Ping finished speaking, Qin Gang was stunned and stood up suddenly.

"You... are you Chen Ping?" Qin Gang looked at Chen Ping in disbelief. He didn't expect that Chen Ping was so young.

"What? Do you know me?" Chen Ping couldn't help but feel a little strange when he saw Qin Gang like that.

Because Chen Ping didn't know that Qin Gang was Qin Feng's younger brother and Qin Xiaotian's son.

"Mr. Chen, this guy is Qin Feng's younger brother, Qin Xiaotian's son, from the Qin family..."

When Bai Zhantang explained this, Chen Ping understood instantly.

Chen Ping looked at Qin Gang with a playful look on his face, with a bit of chill in his eyes: "It turns out they are the Qin family. No wonder they are so rampant. Do you also want to go to the Paradise of Elysium like your brother?"

When Qin Gang heard this, his face flushed with anger, but he did not speak. He could only glare at Chen Ping fiercely, because the housekeeper had already told him not to provoke Chen Ping, lest his life be in danger.

This time, Qin Gang came out with a small number of people, only two people. At this moment, Chen Ping and Bai Zhantang together were obviously stronger than them, so Qin Gang could only endure it.

“Boy, don’t be proud. Sooner or later, I will avenge my brother. You have offended our Qin family. You will never be able to live in peace in this life...”

After Qin Gang finished speaking, he led his men to sit on the table beside him.

Chapter: 922

Chen Ping continued to eat with Bai Zhantang, while Qin Gang had an angry look on his face and looked at Chen Ping and the others from time to time.

“Mr. Chen, you’d better pay attention. Although Qin Gang has no ability, he is full of evil ideas and is ruthless. He can do anything immoral.”

Bai Zhantang warned Chen Ping.

“It doesn’t matter...”

Chen Ping smiled lightly and did not take Qin Gang seriously.

But just as Chen Ping continued to eat with Bai Zhantang, Chen Ping suddenly put down his chopsticks and became nervous.

“Mr. Chen, what’s wrong?” Bai Zhantang was stunned, feeling that Chen Ping was shocked today.

“Stop talking!” Chen Ping frowned and waved his hand towards Bai Zhantang.

At this moment, Chen Ping felt that a spiritual consciousness was exploring him unscrupulously. Maybe the other party didn’t know that Chen Ping also had spiritual consciousness, so he didn’t hide it at all.

Chen Ping squinted his eyes slightly, and suddenly turned to look at the girl beside him. At this moment, the girl was also looking at Chen Ping. Seeing Chen Ping suddenly looking at him, the girl hurriedly lowered her head, and that spiritual consciousness Also receding quickly.

Chen Ping was filled with shock. He did not expect that this girl was also a cultivator of immortality. It seemed that there were many more masters hidden in Kyoto than he imagined.

“Chen...Mr. Chen, are you okay?”

Bai Zhantang looked confused. He didn't understand why Chen Ping always looked at the girl beside him.

“It's okay, keep eating!”

Chen Ping smiled slightly, and the two of them continued to eat.

At this moment, Qin Gang also noticed the girl. With a lustful look in his eyes, he stood up and sat across from the girl.

“Miss, why are you eating alone? Don't you have your boyfriend with you?”

Qin Gang looked at the girl with a wicked smile: “Do you mind if I eat with you? My name is Qin Gang, the second son of the Qin family.”

Qin Gang stretched out his hand towards the girl, thinking about pulling her hand.

The girl raised her head, glanced at Qin Gang, then stood up and walked out.

When Qin Gang saw this, he was stunned. He had never been chatted with a girl like this before. After you know that those girls knew that he was the young master of the Qin family, they all cried and crawled into his arms.

Seeing that the girl ignored him and left, Qin Gang became angry, got up and chased her out.

When Chen Ping saw this, he quickly stood up and said to Bai Zhantang, "You can eat it yourself, I have something else to do."

"Mr. Chen, what are you doing? Do you want me to accompany you?"

Chapter: 923

Bai Zhantang thought Chen Ping was going after Qin Gang.

"No, you must not follow me..."

Chen Ping didn't let Bai Zhantang follow him. The girl was a monk. Chen Ping didn't know if she was an enemy or a friend. If the other party was like that man, they wanted to catch him and go to some Long family. Bai Zhantang would only be unlucky if he followed him. Chen Ping himself said There might be a chance to escape.

Now Chen Ping is not sure who this girl is, but Chen Ping plans to catch up with her. Maybe he can learn some secrets of Kyoto's immortal world from the girl's mouth.

After Chen Ping chased him out, he saw Qin Gang turning into a street with two of his men, and Chen Ping followed him directly.

When Chen Ping just turned the corner, he saw Qin Gang and two people stopping the girl. The girl's delicate body looked very helpless in front of Qin Gang and the others.

"Little sister, I just talked to you, didn't you hear me? Let me tell you, it is your blessing to be favored by me. Why are you running away? Follow me and you can enjoy the world. I I can also buy you a villa..."

Qin Gang stared at the girl with his eyes flashing.

Seeing Qin Gang's appearance, the girl hurriedly backed away, but her retreat was quickly blocked by two men brought by Qin Gang.

The girl looked helpless, like a lamb waiting to be slaughtered.

But the more girls behave like this, the more excited Qin Gang becomes.

“Little sister, you can’t run away today, so you might as well be good and good. Brother holding you will make you want to die...”

Qin Gang said, reaching out to grab the girl.

“ah.....”

The girl screamed, backed away, and was pushed directly to the wall.

When Chen Ping saw this, he wanted to rush out and help the girl, but then he thought about it. Girls can produce spiritual consciousness, so they are obviously monks. How could they be afraid of an ordinary person like Qin Gang?

Even if Qin Gang had two men under his master’s command, as a monk, it’s impossible that he couldn’t even deal with the master?

Is she pretending? Did you deliberately pretend to show yourself that you knew you were here?

Thinking of this, Chen Ping retracted his outstretched legs. He wanted to see why this girl was pretending to hide her strength.

If the girl hadn’t used her spiritual sense to detect Chen Ping, Chen Ping would not have discovered the identity of the female monk.

“Hahaha, it’s useless even if you shout to break your throat, who dares to care about me?”

Qin Gang said with a proud look on his face.

Seeing that Qin Gang's hand was about to grab the girl, and he was still grabbing the girl's sensitive parts, but at this time, the girl didn't make a move yet, but there was fear in her eyes.

Chen Ping frowned at this moment: "Did I see it wrong?"

Chapter: 924

Chen Ping began to doubt himself. Could it be that this girl was not a monk, and the divine consciousness just now was not sent by a girl?

No matter what, Chen Ping couldn't just watch the girl being insulted by Qin Gang, so he planned to rush out.

But before Chen Ping could move, Qin Gang, who was grabbing the girl, suddenly stopped, and then he looked at the girl and started laughing stupidly, with his mouth dripping all over the floor.

"do you like me?"

There was no fear in the girl's eyes, instead there was an indescribable charm.

"Like...hehehehe..."

Qin Gang looked at the girl motionless like a fool.

When the two Qin family servants who were following Qin Gang saw this, they suddenly felt something was wrong and hurriedly grabbed the girl.

But the same strange thing happened. After approaching the girl, the two masters suddenly stopped and their eyes began to become dull. Like Qin Gang, they became dull and stupid.

"Do you two like me?"

The girl asked the two masters.

“Like...hehehe...”

The two masters also said with silly smiles.

“Oh, you all like me, making it difficult for me. Otherwise, let’s have a duel. Whoever wins, I will go with him...”

The girl said with a embarrassed look.

“good!”

The two master masters followed Qin Gang and nodded.

How could Qin Gang, an ordinary person, be the opponent of two grandmasters? But at this moment, Qin Gang was not afraid at all.

Seeing this, the girl moved two steps to the side, and then said: “You guys start!”

As soon as the girl finished speaking, she saw two masters of the Qin family pulling out their weapons at the same time and stabbing Qin Gang fiercely.

puff!

puff!

The two master masters each slashed Qin Gang through each other. Qin Gang didn’t even have time to move, and he died directly in the hands of his own people.

This time, Chen Ping was dumbfounded. He didn't know what happened. How could two servants of the Qin family kill their master in the blink of an eye?

Chapter: 925

Before Chen Ping could react, the two masters were fighting each other. The two were of equal strength, so the fight was inseparable, but they all tried their best.

After fighting for more than a hundred rounds, the two masters stabbed each other and died together.

Looking at the three corpses on the ground, Chen Ping never imagined that these people would kill him by themselves, and the girl never did anything.

At this time, the girl looked at where Chen Ping was hiding, and then said coldly: "Aren't you coming out yet?"

When Chen Ping saw that the other party had noticed him, he could only duck out and walk towards the girl cautiously, his eyes full of vigilance.

Seeing Chen Ping's vigilant look, the girl chuckled. The girl's smile was like a flower blooming, which instantly warmed Chen Ping's heart.

"It was so dangerous just now. You just watched me, a girl, being bullied, and you didn't even dare. You are so cruel..."

The girl pouted and said to Chen Ping pretending to be angry.

Chen Ping only felt his heartstrings being plucked by the girl, and that sense of impulse hit his body again.

"You...you are so beautiful..."

Chen Ping's eyes when he looked at the girl also became a little dazed, and his expression looked a little silly.

Looking at Chen Ping's expression, the girl smiled proudly and flipped her hair with her hand: "Really? Am I really beautiful? Then why didn't you save others just now? I want you to save these people now." Throw the body into the river, okay?"

The girl's coquettish tone made Chen Ping unable to control himself and nodded desperately: "Okay, okay..."

But just when Chen Ping picked up the body on the ground and was about to leave, the smell of blood rushed out, and a white light flashed in Chen Ping's mind. Then Chen Ping's eyes became clear, and he was stunned on the spot. He didn't know what had just happened. what happened.

Looking at the body on his body, Chen Ping was shocked and hurriedly threw the body away. The spiritual power in his body burst out directly, protecting his body tightly, Chen Ping turned around and looked at the girl.

When the girl saw Chen Ping suddenly throw away the body and turned to look at herself, she was stunned. She didn't expect Chen Ping to wake up, which surprised her.

"Who are you? What did you just do to me?"

Chen Ping glared at the girl and clenched his fists tightly.

The girl's surprised expression only flashed away, and then she became charming, twisting her body and walking towards Chen Ping.

"Little brother, why are you so fierce? You scared me. I'm so scared. If you don't believe me, look at my eyes..."

The girl said as she approached Chen Ping.

Chen Ping just looked at the girl's eyes, and his whole body fell into a sluggish state again. His clenched fists also unclenched, and his mind went blank.

Seeing Chen Ping become dull again, the girl snorted disdainfully: "Continue to finish what you haven't finished and throw away the body..."

"Yes!" Chen Ping nodded, bent down and picked up the body again.

Chapter: 926

Just as Chen Ping was about to leave with the body on his back, suddenly a black shadow flashed past and came directly to Chen Ping. A hand gently patted Chen Ping on the top of his head.

Chen Ping's whole body trembled, and then he woke up. When he saw that he was carrying the body again, Chen Ping's expression changed drastically.

He didn't know exactly when he was confused, but he realized that he was being controlled by the girl.

Chen Ping hurriedly threw away the body, then looked at the people around him and found that the person who came was Long Wu, who had saved his life and given him the Body Tempering Pill.

At this moment, Long Wu was looking at the girl with a cold face. After seeing Long Wu, the girl hurriedly lowered her head and her expression became a little scared.

"Meier, how many times have I told you not to mess around outside, otherwise you will hurt yourself."

Long Wu scolded the girl.

"Uncle Long, these guys are all bad people. If I didn't kill them just now, they would... kill me."

Wu Meier pouted and said.

"Sophistry, will Chen Ping bully you too?" Long Wu glared at Wu Meier.

"I...I just heard Uncle Long said he was very powerful, so I wanted to test it out, but I didn't expect it to be average..."

Wu Mei'er looked at Chen Ping with a bit of disdain in her eyes: "Besides, this person's character is also very average. He just saw me being bullied and he didn't even know how to help me."

Chen Ping was confused as he listened to the conversation between Long Wu and Wu Meier. It turned out that these two people knew each other, and Long Wu often mentioned him.

However, it seemed that the two of them had no ill intentions toward him and did not want to harm him.

Long Wu looked at Chen Ping. He didn't believe that Chen Ping was the kind of person who wouldn't save anyone.

Seeing Long Wu looking at him, Chen Ping hurriedly explained: "She just used her spiritual consciousness to detect me. I already knew that she was an immortal cultivator, so I didn't take action. I know that those people are not her opponents at all..."

When Long Wu heard this, his expression instantly became even more ugly: "Mei'er, who asked you to use your spiritual consciousness on Chen Ping? If you affected his mind, you would have made a big mistake."

Seeing Long Wu's expression, Wu Meier seemed to know that she was wrong. She lowered her head and did not dare to speak.

At this moment, there was a sudden sound of footsteps. Long Wu frowned, pulled Wu Meier and Chen Ping and said: "This is not the place to talk, someone is coming..."

Chen Ping only felt his body tighten, and then there was a whistling wind in his ears. When he reacted, he found that he was already in a small park.

Chen Ping looked at Long Wu in surprise. Although Chen Ping's speed was very fast in the eyes of ordinary people, compared with Long Wu, it was far behind.

"Why didn't you leave Kyoto?"

Long Wu asked Chen Ping.

"I...I want to know my life experience!"

Chapter: 927

Chen Ping did not lie after Long Wu because he knew his own details. Long Wu knew it very well and there was no need to lie.

"You leave Kyoto immediately and don't stay here anymore. It's too dangerous here. Didn't I tell you that after July 15th, your life experience will naturally become clear."

Long Wu said to Chen Ping.

"Then can I ask something else?" Chen Ping knew that Long Wu would not tell him about his life experience, but there were still many things that Chen Ping wanted to know.

"As long as you don't ask about your life experience, you can ask whatever you want to know. But after asking, you must leave Kyoto today..."

Long Wu said with a solemn expression.

Chen Ping nodded and began to ask Long Wu about things he didn't know about the world of immortality.

At that time, Lao Longtou only taught Chen Ping the method of cultivation and brought him into the ranks of immortal cultivators, but he did not tell him anything about the world of immortal cultivation, so Chen Ping was very curious about many things.

For example, it is extremely difficult to practice at my own level, because there is too little spiritual energy from heaven and earth, and it requires a lot of resources to practice. But how do people with higher levels like Long Wu and others practice? How do other cultivators in the world of cultivating immortals practice?

After all, resources are limited, and elixirs and spiritual stones that are over a hundred years old are very rare.

And who is this girl? What kind of magic was used to make me lose my mind for a moment, etc...

Chen Ping kept asking dozens of questions, confusing Long Wu, while Wu Meier on the side covered her mouth and giggled.

“Your strength is not low now, but you still ask these childish questions. I really don’t know how you practice...”

Wu Meier said mockingly to Chen Ping.

Chen Ping seemed a little embarrassed when Wu Meier said this. These were childish questions to them, but Chen Ping really didn’t know.

“I understand how you feel. You are eager to know this. You will soon understand the questions you asked. As for who she is, we started talking about it many years ago...”

Long Wu pointed at Wu Meier and began to slowly tell Chen Ping.

Chen Ping could tell from Long Wu’s eyes that he regarded Wu Meier as his own child.

After Long Wu’s explanation, Chen Ping found out that Wu Meier was originally an orphan and was adopted by Long Wu. After growing up, Long Wu realized that Wu Meier was actually born with a charming body and could perform the art of enchantment. Control people’s minds.

Although Wu Mei'er is also an immortal cultivator, apart from being able to cast the spell of charm, she doesn't know any other spells, not even concentrating her energy. In other words, if Wu Mei'er doesn't cast the spell of charm, anyone can A warrior can deal with her.

Only then did Chen Ping realize that when Qin Gang stopped Wu Meier just now, the fear in Wu Meier's eyes was not pretentious, but real.

Thinking of this, Chen Ping felt a little embarrassed.

"Do you think that immortal cultivators will definitely be able to defeat warriors and sorcerers, and be a head above them?"

Long Wu asked Chen Ping.

Chapter: 928

Chen Ping nodded. In his opinion, immortal cultivators are indeed better than warriors and warlocks.

Long Wu smiled faintly: "Actually, there is no difference between monks and warriors. There is only a difference in realm. You are a monk now, but if you meet a martial artist among warriors, they can crush you to death with one finger. Do you think monks are more powerful or warriors? It's just that the ceiling of immortal cultivators is higher. The end of monks is immortals. This is the ultimate dream of every monk..."

Speaking of the word "immortal", Long Wu's eyes revealed endless outwardness and longing!

It was obvious that Long Wu also wanted to become a real immortal.

"Immortal..." Chen Ping murmured to himself. Although he practiced hard, he never thought that he would become an immortal.

When he started practicing, he just wanted to do what he promised the old leader and wanted to know what would happen on July 15th.

He has no idea of becoming an immortal, and he doesn't even know whether this so-called cultivation can lead to becoming an immortal.

"Don't think so much. You should focus more on cultivation now. However, in such a short period of time, you were able to reach the realm of bigu. It's really beyond my expectation..."

Long Wu looked at Chen Ping with satisfaction and suddenly punched Chen Ping in the abdomen.

Chen Ping was caught off guard, and his body flew backwards, and then hit a big tree hard. The huge impact directly knocked down the big tree.

Chen Ping was confused by Long Wu. He didn't understand how Long Wu could talk so well and just take action as he said.

After rubbing his abdomen, Chen Ping walked back. Long Wu's punch just now did not cause any harm to Chen Ping. Now Chen Ping's body has been horribly tempered.

Wu Meier on the side was also stunned when she saw Long Wu suddenly attacking Chen Ping, which made her a little at a loss.

"Yes, your current body is worthy of your current strength, and it is not in vain for me to waste a body tempering pill..."

Seeing Chen Ping walking over unharmed, Long Wu nodded happily and said.

When Chen Ping heard this, it turned out that Long Wu punched him to test how far his body had been tempered.

"Uncle Long, you...you gave him the Body Tempering Pill? That's what you spent so much effort on..."

Wu Meier said with a surprised look on her face when she heard that Long Wu gave the body tempering pill to Chen Ping.

“Shut up!”

Long Wu glared at Wu Meier, obviously not wanting Chen Ping to know how precious the Body Tempering Pill was.

After hearing this, Chen Ping looked at Long Wu with surprise. He had always thought that the Body Tempering Pill was something that a monk like Long Wu could easily refine. However, he did not expect that this Body Tempering Pill was also obtained by Long Wu with all his efforts. , but gave it to myself.

At this moment, Chen Ping knew that Long Wu must have some kind of connection with him, or even be his relative. Thinking of this, Chen Ping looked at Long Wu with excitement in his eyes.

“You already know what you should know. Leave Kyoto immediately. You are not allowed to come to Kyoto even half a step before landing on Wuming Island on July 15th...”

Long Wu said to Chen Ping.

Chapter: 929

Chen Ping opened his mouth and wanted to say something, but Long Wu took Wu Meier away directly and disappeared from Chen Ping’s sight in the blink of an eye.

Watching Long Wu’s disappearing back, Chen Ping was stunned for a while, then turned around and left. After finding a taxi, he planned to go back to Hongcheng directly.

Long Wu was so anxious to let him go. Chen Ping knew that he would definitely be in danger if he stayed in Kyoto. With his little ability, it seemed that it would be difficult for him to become famous in Kyoto. Wu Meier’s unfettered A girl with the power of a chicken can make herself obey with just her charm. If she meets other masters, Chen Ping won’t even have room to struggle.

Sitting in the taxi, watching the high-rise buildings on both sides passing by quickly, Chen Ping secretly swore in his heart: “Kyoto, I will definitely come back...”

Chen Ping’s life experience is buried in Kyoto, so Chen Ping will definitely come back.

At the same time, in the Qin family's courtyard, three corpses were placed in the middle, surrounded by many Qin family members, and a woman was lying on Qin Gang's body crying bitterly.

"Son, you died so miserably. Why did you die? Tell mother who killed you. I will definitely avenge you..."

The woman was Qin Gang's mother. She burst into tears when she saw Qin Gang's miserable condition.

At this time, Qin Xiaotian looked at his son's body, his body was shaking uncontrollably, and his eyes turned scarlet.

"Who, who? Who killed my son..."

Qin Xiaotian roared angrily, and the murderous aura in his body enveloped the entire courtyard, scaring the servants of the Qin family so much that they did not dare to speak and lowered their heads.

"Third Master, I have investigated. At that time, the young master met Bai Zhantang and Chen Ping while eating. However, according to the store owner, the young master chased a girl out, and Chen Ping followed her out even before finishing the meal. Only Bai Zhantang was left in the hotel, so the young master was most likely killed by Chen Ping..."

The housekeeper walked to Qin Xiaotian and whispered.

Hearing the word Chen Ping, Qin Xiaotian's teeth chattered: "It's Chen Ping again. If I don't kill him this time, I, Qin Xiaotian, swear not to be a human being..."

"Third Master, Chen Ping is not weak, and he has fled Kyoto now. Otherwise, we should wait until the master comes out of seclusion..."

The housekeeper persuaded Qin Xiaotian.

"Even if he escapes to the ends of the earth, I will cut him into pieces..."

Qin Xiaotian was filled with murderous intent and slowly took out a key from his pocket.

After the butler saw the key, his expression suddenly changed: "Third Master, you...are you going to release the Four Great Vajras?"

"Yes, this time I want Chen Ping to pay for my son's life..."

After Qin Xiaotian finished speaking, he glanced at Qin Gang's body again, turned around and walked towards the backyard.

When the housekeeper saw this, he was so frightened that he hurriedly stepped forward to stop Qin Xiaotian: "Third Master, you must think carefully. Only I can control the four diamonds. If you release them, once they become manic, the entire Qin family will suffer..."

"Go away..." Qin Xiaotian kicked the butler away: "I have the medicine left by my eldest brother here, which is specially used to control the four kings. When my eldest brother was in seclusion, he said that if our Qin family suffers a disaster, we can take out the four kings." King Kong released it!"

Qin Xiaotian didn't listen to the housekeeper at all and walked directly to the backyard.

Chapter: 930

After being kicked by Qin Xiaotian, the housekeeper became more honest. He could only sigh and follow closely behind.

Walking all the way to the deepest part of the backyard, there is a separate courtyard. The door is locked tightly, and the lock on it is also rusty. It has obviously been locked for a long time.

Looking at the courtyard in front of him, Qin Xiaotian stood stunned for a while, gritted his teeth, took out the key and unlocked the door.

Creaking.....

The heavy door was pushed open, and then there were roars and the sound of chains rattling from the courtyard room.

Qin Xiaotian strode to the door of the room, opened the lock again, and pushed the door open himself.

With the sunshine, the dark room instantly became brighter.

At this moment, in the room, four unkempt guys were being chained up. When they saw someone coming, the four guys all rushed over with scarlet eyes. However, they just took two steps and were caught by the chains. , cannot take one step forward.

“Eat, give me something to eat...”

A guy bared his teeth and roared at Qin Xiaotian.

The other three guys also looked at Qin Xiaotian with ferocious faces, like hungry beasts.

Qin Xiaotian took out a handful of something similar to jelly beans from his pocket and threw it directly at the four guys.

When the four guys saw this, they all hurriedly picked it up and stuffed it into their mouths.

Soon, after eating the food given by Qin Xiaotian, the four guys who were originally manic slowly became quiet.

The scarlet color in his eyes receded, and everyone looked at Qin Xiaotian dully.

Seeing this situation, Qin Xiaotian waved his hand and said: “Go and open their chains...”

“Third Master!” The housekeeper looked embarrassed and a little scared in his heart.

“Open.....”

Qin Xiaotian groaned, pulled out the soft sword from his waist, and placed it directly on the butler’s neck.

The butler felt the slightest chill from the sword and was too frightened to speak. He walked over shakily and untied the four guys’ chains.

Without control, the four guys didn’t even move. They all waited quietly for Qin Xiaotian to give orders. Seeing this scene, the housekeeper breathed a sigh of relief.

“You guys come with me...”

Qin Xiaotian said to the four guys.

“Yes!” The four guys nodded and followed Qin Xiaotian out of the room.
