

The Order 9281

Chapter: 9281

He knew that although he had been injured in this battle, he had also gained invaluable experience and grown stronger.

Liu Xue turned around, looking at Chen Ping's wounds, her eyes filled with heartache. "Young Master Chen, you're so badly injured, let's find a place to heal quickly."

"There's one more!" Chen Ping's gaze fell on the elder of the Evil Path Hall!

The elder of the Evil Path Hall felt a chill run down his spine upon seeing Chen Ping's eyes and hurriedly said, "Misunderstanding, it's all a misunderstanding. I was just passing by and had no intention of interfering in your affairs."

With that, the elder of the Evil Path Hall turned to flee.

"Trying to leave?"

Chen Ping snorted coldly, his figure flashing as he blocked the elder's path.

"Boy, don't go too far." The elder of the Evil Path Hall's face darkened. "I am an elder of the Evil Path Hall. If you kill me, the Evil Path Hall will not let you off."

"Who does an elder of the Evil Path Hall think he is?"

Chen Ping sneered. "I've even killed the Evil Path Hall's Crown Prince, Grand Elder, Dharma King, and Heavenly Venerable. Would I be afraid of a mere elder like you?"

The Evil Path Hall elder was shocked: "You killed our Evil Path Hall's Crown Prince, Grand Elder, Dharma King, Heavenly Venerable, and others?"

“That’s right.” Chen Ping nodded.

“You’re bragging. You couldn’t even beat the First and Second Hall Masters of the Divine Temple. What ability do you have to kill our Evil Path Hall’s Dharma King and Heavenly Venerable?”

The Evil Path Hall elder simply didn’t believe him.

Although he knew that something major had happened to the Evil Path Hall recently—the Crown Prince, the Grand Elder, and others had all perished.

Otherwise, this task wouldn’t have fallen to him today.

He didn’t believe Chen Ping had killed him, because Chen Ping lacked the strength; it was clearly just boasting.

“Boasting my ass! You dare say I’m boasting? So, you must die today too!”

With that, Chen Ping was about to attack.

Although Chen Ping sometimes liked to boast, he didn’t like being called out.

“Wait!”

The elder of the Evil Path Hall hurriedly said, “I can offer you many benefits, as long as you spare me.”

Chen Ping was now covered in wounds. Although the elder of the Evil Path Hall wasn’t afraid of him, he was afraid of the menacing Liu Xue.

Even the First and Second Hall Masters had been killed by Liu Xue; he was even less of a match for her.

Chapter: 9282

“I don’t need your benefits.”

Chen Ping said coldly, “Today, you must die.”

Just then, a powerful aura came from afar. Several figures flew rapidly towards them, led by a Dharma King from the Evil Path Hall.

“King Wu, save me!” The elder of the Evil Path Hall cried out in despair.

King Wu of the Evil Path Hall, seeing the scene before him, turned grim.

“Boy, who are you? How dare you try to kill an elder of my Evil Path Hall? You’re courting death!” King Wu said coldly.

King Wu possessed the strength of a second-grade Celestial Immortal, slightly stronger than Liu Xue.

A powerful aura emanated from him, enveloping the entire Valley of Death.

“I am Chen Ping!” Chen Ping said coldly.

“Chen Ping?” King Wu was stunned, then his eyes filled with disbelief: “So you’re the one who killed our Evil Path Hall’s Prince Wu, Grand Elder, King Mu, Heavenly Venerable, and others?”

“That’s right. It seems you know more than this elder.” Chen Ping nodded.

The elder of the Evil Path Hall was shocked. Although he was an elder, his position in the Evil Path Hall wasn’t particularly high, so there were many things he didn’t know.

Hearing this from Wu Fawang’s mouth, he was visibly shocked.

“Wu Fawang, can this guy, a mere third-rank Immortal Realm cultivator, really kill Mu Fawang and the Heavenly Venerable?” the elder of the Evil Path Hall asked.

“Kill him my foot! It was just the work of someone behind him. The Witch Prince, the Grand Elder, and the Heavenly Venerable were killed by the first Hall Master of the Divine Temple, Wan Jianxing. The Hall Master investigated.”

“However, the Hall Master still has no clue how Mu Fawang died, but it certainly wasn’t this guy who killed him; he doesn’t have that ability.”

Wu Fawang said.

“The first Hall Master of the Divine Temple?” The elder of the Evil Path Hall was slightly startled.

At this moment, the Divine King, who had been in a daze, involuntarily trembled slightly upon hearing Wu Fawang’s words.

Chen Ping, upon hearing Wu Fawang’s words, was surprised that the Evil Path Hall’s information network was so efficient; they had even found out this.

Liu Xue glanced at Chen Ping, wondering if the person behind him was none other than Wan Jianxing, the first master of the temple.

“Since you know I have someone backing me, why don’t you get lost?” Chen Ping said.

“Hahaha, that Wan Jianxing escaped the void passage without permission and is now completely annihilated. You think you can scare me with him?”

Wu Fawang laughed loudly.

Chapter: 9283

Chen Ping looked somewhat embarrassed. It seemed that using Wan Jianxing's name wouldn't intimidate him.

"What do you want?" Chen Ping asked Wu Fawang.

"To kill you, of course!"

Wu Fawang took a step forward, and the terrifying pressure forced Chen Ping to retreat, almost causing him to fall to the ground.

Liu Xue's expression changed, and she quickly stepped in front of Chen Ping: "King Wu, I am the leader of the Earthly Fiend Alliance. This is the Ninth Heaven; please do not act recklessly here."

"Earthly Fiend Alliance?"

King Wu sneered, "What kind of bullshit Earthly Fiend Alliance? Do you think you can protect this brat? Today, no one can save him."

"Is that so?"

Liu Xue said coldly, "Then let's see."

With that, Liu Xue unleashed a powerful aura, confronting King Wu.

Chen Ping, observing the situation, felt a surge of emotion.

Liu Xue clearly knew King Wu was stronger than her, but to protect him, she still stepped forward without hesitation.

“Leader Liu, thank you.”

Chen Ping said, “However, this is a grudge between me and the Evil Path Hall; I must resolve it personally.”

“Young Master Chen, but King Wu is very powerful, you...” Liu Xue was somewhat worried.

“Don’t worry, I can handle it.”

Chen Ping said, “You should leave. Staying here will only lead to your death.”

“Young Master Chen, I’m willing to die with you...” Liu Xue said.

“I know you’re gambling on my background, gambling on a powerful figure behind me, but I truly have no powerful figure behind me,” Chen Ping said.

“I don’t care if you have a powerful figure behind you or not, I’m willing to die for you!”

Liu Xue’s eyes were resolute.

Chen Ping laughed; he hadn’t expected his charm to be so great.

“Alright, then let’s face this together...” Chen Ping nodded!

“Alright, then let’s face this together!” Liu Xue said resolutely.

Chapter: 9284

Hearing Liu Xue's words, a relieved smile appeared on Chen Ping's face.

Although Chen Ping was covered in wounds, he still stood tall, wielding the Dragon-Slaying Sword, though his legs trembled slightly.

"Young Master Chen, don't worry, I will protect you," Liu Xue said, seeing Chen Ping trembling.

"No, we're fighting side by side."

Chen Ping shook his head. "I won't let you bear all the pressure alone."

With that, Chen Ping took a deep breath, forcibly suppressing his injuries, circulating his internal energy, and his body once again emanated a powerful aura.

Although his strength was inferior to Liu Xue's, his will was unwavering.

Wu Fawang looked at Chen Ping and Liu Xue, a hint of disdain flashing in his eyes.

"You two think you can fight me? You're truly overestimating yourselves!"

"Whether it's overestimating ourselves or not, we'll find out after the fight!" Liu Xue said coldly.

With that, Liu Xue's figure flashed, instantly appearing in front of Wu Fawang, her hands rapidly forming seals, unleashing a powerful attack of immortal energy towards him.

"Well done!"

Wu Fawang shouted, his hands also forming seals, a golden light shooting from his hands, colliding with Liu Xue's attack.

“Boom!”

The two powerful forces collided, producing a deafening roar.

The entire Death Valley trembled, shattering surrounding rocks and creating massive craters in the ground.

Liu Xue was forced back several steps, while Wu Fawang remained unmoved.

Clearly, Wu Fawang was stronger than Liu Xue.

“Alliance Leader Liu, you are no match for me,”

Wu Fawang sneered. “If you know what’s good for you, get out of my way, or don’t blame me for being impolite.”

“If you want to harm Young Master Chen, you’ll have to step over my dead body first!” Liu Xue declared firmly.

Just then, Chen Ping moved.

He wielded a longsword, his movements as swift as lightning, instantly appearing behind Wu Fawang and thrusting his sword towards Wu Fawang’s back.

“Hmph, child’s play!”

Chapter: 9285

Wu Fawang scoffed, slightly shifting his body to the side, easily dodging Chen Ping’s attack.

“Boy, your speed is not bad, but it’s nothing compared to mine,” Wu Fawang said disdainfully.

After speaking, Wu Fawang swung his palm back at Chen Ping.

This palm strike contained immense power; if it hit, Chen Ping would certainly be severely injured.

Seeing this, Liu Xue immediately came to his aid. She formed hand seals, and a powerful shield of immortal energy appeared in front of Chen Ping, blocking Wu Fawang’s attack.

“Boom!”

Wu Fawang’s attack struck the shield, producing a tremendous roar.

The shield showed slight cracks under Wu Fawang’s attack, but ultimately it withstood the blow.

“Young Master Chen, are you alright?” Liu Xue asked with concern.

“I’m fine,” Chen Ping shook his head. “Alliance Leader Liu, thank you.”

“We are comrades-in-arms, no need to be so polite,” Liu Xue said.

Wu Fawang looked at Chen Ping and Liu Xue, a hint of surprise flashing in his eyes.

He hadn’t expected Liu Xue’s strength to be so formidable, capable of blocking his attack.

Moreover, Chen Ping’s cooperation was excellent. Although his strength was inferior to Chen Ping’s, he was able to provide crucial assistance to Liu Xue.

“It seems I need to get serious,” said Wu Fawang.

As soon as he finished speaking, Wu Fawang’s aura suddenly changed, and an even more powerful force surged from within him.

Golden light appeared around his body, making him look like a war god.

“Heavenly Punishment Descends!” Wu Fawang roared.

As Wu Fawang’s words fell, a massive black pillar of light appeared in the sky, directly enveloping him.

Blessed by the pillar of light, Wu Fawang’s strength increased significantly once again.

“Young Master Chen, be careful. Wu Fawang has unleashed his strongest technique,” Liu Xue warned.

“I know.”

Chen Ping nodded. “Alliance Leader Liu, let’s attack together!”

With that, Chen Ping, sword in hand, charged towards Wu Fawang once more.

Chapter: 9286

This time, he unleashed the sword technique taught by Wan Jianxing, countless sword energies erupting from his body and attacking Wu Fawang.

Liu Xue also attacked simultaneously, her hands forming seals, unleashing powerful attacks of immortal energy towards Wu Fawang.

“Well done!”

Wu Fawang shouted, his hands rapidly forming seals, a massive golden shield appearing before him, blocking Chen Ping and Liu Xue’s attacks.

“Clang, clang, clang!”

The sword energies and immortal energy attacks struck the shield, producing crisp sounds.

Although Chen Ping and Liu Xue’s attacks were powerful, they were still somewhat insufficient against Wu Fawang’s defense.

“Hahaha, with this little strength, you think you can hurt me?” Wu Fawang laughed loudly.

With that, Wu Fawang formed seals again, a powerful golden light shooting from his hands, hurtling towards Chen Ping and Liu Xue.

“Watch out!”

Liu Xue shouted, quickly pulling Chen Ping to dodge.

Although the two dodged Wu Fawang’s attack, the impact struck the ground with a deafening roar, leaving a huge crater.

“Alliance Leader Liu, this can’t go on,” Chen Ping said.

“Wu Fawang is too strong; we’re no match for him.”

“I know, but we can’t give up,” Liu Xue said.

“We must find a way to defeat him.”

Just then, Wu Fawang attacked again. He formed hand seals, and countless golden rays shot from his hands, raining down on Chen Ping and Liu Xue.

“Alliance Leader Liu, let’s split up!” Chen Ping said.

Liu Xue nodded, and the two simultaneously dodged in different directions.

Although they dodged most of the attacks, several still struck them.

“Pfft!”

Chen Ping and Liu Xue simultaneously coughed up blood, staggering.

“Hahaha, you are no match for me!”

Wu Fawang laughed loudly. “Now, I’ll show you my true power!”

Chapter: 9287

With that, Wu Fawang rapidly formed hand seals, and a massive golden energy ball formed in his hands.

This energy ball contained terrifying power, causing the surrounding air to tremble.

“Fawang Judgment!”

Wu Fawang roared, hurling the energy ball towards Chen Ping and Liu Xue.

Chen Ping and Liu Xue's expressions changed drastically upon seeing this.

They knew this attack was incredibly powerful; if hit, they would certainly be severely injured.

"Alliance Leader Liu, let's attack together!" Chen Ping said.

Liu Xue nodded, and the two simultaneously unleashed their strongest techniques.

The longsword in Chen Ping's hand emitted a dazzling light, countless sword energies erupting from his body.

Liu Xue formed hand seals, and a powerful attack of immortal energy shot out from her hands.

"Boom!"

Three powerful forces collided, creating a deafening roar.

The entire Death Valley trembled; surrounding rocks shattered, and huge craters appeared in the ground.

Chen Ping and Liu Xue were thrown back, spitting blood.

Wu Fawang also retreated a few steps, a look of surprise on his face.

"I didn't expect that the two of you working together could actually block my attack," Wu Fawang said.

"However, this is just the beginning."

With that, Wu Fawang attacked again. He formed hand seals, and countless golden rays shot from his hands, attacking Chen Ping and Liu Xue.

Chen Ping and Liu Xue hurriedly dodged, but Wu Fawang's attacks were too dense; they were still hit several times. Their injuries worsened, and their clothes were already soaked in blood.

"Alliance Leader Liu, we can't go on like this," Chen Ping said. "We must find a way to fight back."

"I know, but Wu Fawang's strength is too great; we can't find any openings in his defenses," Liu Xue said.

Just then, Wu Fawang unleashed his strongest attack once more.

A massive black beam of light shot from his hand, hurtling towards Chen Ping and Liu Xue.

Chen Ping and Liu Xue's expressions changed drastically upon seeing this.

Chapter: 9288

They knew this attack was incredibly powerful; if hit, they would certainly be severely injured.

"Alliance Leader Liu, we...!" Chen Ping said.

"I know, let's attack together..."

Liu Xue nodded.

Chen Ping glanced at Liu Xue: "Alliance Leader Liu, I've noticed we're becoming more and more in sync. I'm starting to like you."

“If we survive, I’ll definitely let you experience the joy of being my woman.”

Liu Xue rolled her eyes at Chen Ping.

He’s almost dead, and he’s still pulling this stunt. He was the one who initiated dual cultivation, and this guy acted like a saint.

Now that he’s about to die, he wants to experience the joy of being a woman, wants to cultivate with her.

“Let’s talk about it after we survive. If we die, our souls will be scattered, and dual cultivation won’t be possible.”

With that, the two simultaneously unleashed their strongest techniques.

The longsword in Chen Ping’s hand emitted a dazzling light, and countless sword energies erupted from his body. Liu Xue formed hand seals, and a powerful attack of immortal energy shot from her hands.

“Boom!”

The three powerful forces collided, and the entire Tianmen Mountain shook.

This time, Chen Ping and Liu Xue were thrown backward, crashing heavily to the ground.

Their injuries were even more severe, and they continued to spit out blood.

“Hahaha, now you know how powerful I am!”

Wu Fawang laughed loudly. “Now, I’ll make you all disappear completely!”

With that, Wu Fawang formed a hand seal, preparing to unleash a fatal blow.

Just then, Chen Ping suddenly stood up.

Although he was severely injured, his eyes were incredibly determined.

He knew that if he gave up now, not only would he die, but Liu Xue would also be implicated.

“Alliance Leader Liu, you should leave first!”

Chen Ping said, “I’ll hold him off!”

Chapter: 9289

“Young Master Chen, I won’t leave you!” Liu Xue said, “We’ll face this together!”

“Listen to me, you leave first!” Chen Ping said, “I won’t die, I have someone backing me.”

Chen Ping knew he wouldn’t die. Although Mr. Shi wasn’t there, Chen Ping believed that Mr. Shi would never watch him be killed.

Looking at Chen Ping’s determined eyes, Liu Xue knew he wasn’t joking.

She hesitated for a moment, then finally nodded.

“Young Master Chen, you must be careful!” Liu Xue said.

With that, Liu Xue turned to leave.

“Trying to leave? Not so easy!”

Wu Fawang sneered, “Today, both of you will die!”

With that, Wu Fawang formed a hand seal, and a powerful golden light shot from his hands, hurtling towards Liu Xue.

Seeing this, Chen Ping quickly stepped in to help. He wielded his longsword, and a powerful sword aura shot from his hand, blocking Wu Fawang’s attack.

“Boom!”

The two powerful forces collided, creating a deafening roar.

Chen Ping was thrown back, spitting out blood.

“Young Master Chen!” Liu Xue cried out, wanting to return to help.

“Go!” Chen Ping shouted, “Don’t worry about me!”

Liu Xue looked at Chen Ping, her eyes filled with reluctance, but she knew Chen Ping was right. If she stayed, she would only be a burden to him.

“Young Master Chen, I will definitely come back to save you!” Liu Xue said.

With that, Liu Xue turned and left Death Valley.

Wu Fawang watched Liu Xue's departing figure but did not give chase. He knew that Chen Ping was his primary target.

"Boy, no one can save you now," Wu Fawang sneered. "Today is your death day!"

With that, Wu Fawang formed a hand seal, and a powerful golden light shot from his hands, hurtling towards Chen Ping.

Chen Ping's expression changed drastically upon seeing this.

He knew that this attack was incredibly powerful; if he were hit, he would definitely be severely injured.

Chapter: 9290

But at this moment, he no longer had the strength to dodge.

He could only watch helplessly as the golden light hurtled towards him.

Just then, the dragon crystal on Chen Ping's chest began to flash.

He took a deep breath, concentrated, and the longsword in his hand emitted a dazzling light.

"Fuck...your...motherfucker!" Chen Ping roared, slashing his longsword at Wu Fawang's attack.

"Boom!"

The two powerful forces collided, creating a deafening roar.

Chen Ping was sent flying backward, crashing heavily to the ground.

His injuries worsened, and blood gushed from his mouth.

Wu Fawang also staggered back a few steps, a look of surprise on his face.

He hadn't expected Chen Ping, despite his severe injuries, to be able to withstand his attack.

"Boy, your willpower is impressive," Wu Fawang said.

"However, it's not enough."

With that, Wu Fawang attacked again, his hands forming a seal, countless golden rays shooting from his palms towards Chen Ping.

Chen Ping lay on the ground, too weak to dodge.

He could only watch helplessly as the golden rays hurtled towards him.

Chen Ping lay on the ground, too weak to dodge. Just then, Liu Xue suddenly returned.

Her expression changed drastically upon seeing the scene before her.

"Young Master Chen!" Liu Xue cried out, immediately rushing to his aid.

Liu Xue formed hand seals, and a powerful shield of immortal energy appeared before Chen Ping, blocking the attacks.

"Boom!"

Countless attacks struck the shield, creating a deafening roar.

The shield developed slight cracks under the onslaught, but ultimately withstood the attack.

“Alliance Leader Liu, why are you back?” Chen Ping asked in surprise.
