

The Order 941

Chapter: 941

But just as he walked in front of Su Yuqi, Su Yuqi punched Chen Ping.

Chen Ping was stunned for a moment and just turned sideways to hide. Su Yuqi refused to let go and punched out again, forcing Chen Ping to retreat.

“Yu Qi, what are you doing?”

Chen Ping looked confused and didn't understand why Su Yuqi took action as soon as they met.

After throwing several punches in a row, Su Yuqi didn't even touch Chen Ping. This made Su Yuqi very angry. After stopping her hand, she looked at Gu Ling'er and said: “Ling'er, what you taught is not good enough. I can't even touch him.”

After hearing this, Gu Ling'er was dumbfounded: “Yu Qi, do you know what strength Chen Ping is now? I can't even touch him, how could you possibly touch him...”

“Then I don't care, you still have to teach me, and I also want to become a master...”

Su Yuqi pursed her lips.

“What are you two doing?”

Chen Ping was confused by Su Yuqi and Gu Linger.

Later, after Gu Ling'er explained, Chen Ping found out that after returning from Kyoto, Su Yuqi asked Gu Ling'er to teach her kung fu. She wanted to become a master and didn't want to be a burden to Chen Ping.

Su Yuqi knew that if she was also a master, Chen Ping would definitely keep her during this trip to Kyoto. The reason why he did not keep her was because he was afraid that she would be in danger, and Chen Ping could not protect her all the time.

After listening to Gu Ling'er's explanation, Chen Ping was moved in his heart. He stepped forward and took Su Yuqi's hand. He looked at Su Yuqi affectionately and said, "Practice is very hard. You don't have to suffer this anymore. I will protect you." Just do it..."

Su Yuqi shook her head: "I'm not afraid of hardship, I just want to become a useful person, so you don't have to worry about me..."

Chen Ping gently took Su Yuqi into his arms, his eyes full of doting, and Su Yuqi remained motionless enjoying it.

Seeing the two of them like that, Gu Ling'er felt sour in her heart, and finally said half-jokingly: "Okay, you two are spreading shit in front of me. You really don't treat me as an outsider..."

When Su Yuqi was told by Gu Ling'er, she hurriedly broke away from Chen Ping's arms.

"I don't treat you like an outsider. If you are envious, you can come over and lie in Chen Ping's arms so that you can feel it too..."

Su Yuqi smiled.

"I don't..."

Gu Ling'er blushed. Although she wanted to feel like being in Chen Ping's arms, she couldn't because she couldn't get over the hurdle in her heart.

But whenever he thought of that night in the provincial capital, when Chen Ping held himself almost naked and felt the temperature of Chen Ping's chest, Gu Ling'er felt that that was the safest moment.

Chen Ping looked at Su Yuqi and Gu Ling'er, and suddenly an evil thought came to his mind. If these two women could really throw themselves into his arms and hug each other, it would feel wonderful, right?

After all, Chen Ping is a man, and it is normal to have such thoughts. In addition, Su Yuqi always jokingly mentioned that the two of them would take care of Chen Ping together, so Chen Ping suddenly had such thoughts.

Chapter: 942

However, this thought was only fleeting, and Chen Ping hurriedly sat back on the sofa to hide his embarrassment.

"Chen Ping, then Star Song has sent all the stones you need and stacked them in the yard. Have you seen them?"

At this time, Su Yuqi asked Chen Ping.

"Well, I saw it..." Chen Ping nodded.

"With such a high profile, Song Daxing actually comes to deliver stones to you in person. She really values you. If I hadn't stopped her, she would have sent these stones to you in Kyoto..."

Su Yuqi was full of jealousy when she said this.

"Well....."

Chen Ping was speechless for a while. He didn't expect that Song Tie actually wanted to send him the spirit stone to Kyoto, but fortunately he didn't send it. Otherwise, if the immortal cultivators in Kyoto noticed it, he might not be able to save his own spirit stone mine. After all, These are the favorites of cultivators.

Su Yuqi stayed with Gu Ling'er until very late. Under Gu Ling'er's guidance, Su Yuqi cooked dinner, but this time the cooking was pretty good.

After Su Yuqi and Gu Ling'er left, Chen Ping stopped resting and sat cross-legged on the bed, running the Heart Condensation Technique and absorbing all the spiritual energy emitted by the spirit stone into his body.

When Su Yuqi left, Chen Ping told him that he would practice these days and not let Su Yuqi disturb him, so Chen Ping could keep practicing these days.

But just three days after Chen Ping's training, a major event happened in Kyoto and even the entire martial arts world. The head of the Qin family, Qin Xiaolin, left seclusion early.

Following Qin Xiaolin's release, a letter of challenge was posted on the entire Daxia Martial Arts Forum. This made Chen Ping, who was only somewhat famous in Jiangbei, instantly become popular in the entire martial arts world.

"Who is this Chen Ping? Why have I never heard of him in the martial arts world?"

"Those who are worthy of the challenge issued by the head of the Qin family will definitely not be ordinary people. It's a pity that I have never heard of this name!"

"Isn't he a member of my martial arts? Is he a warlock? Or a warrior from another country?"

"This Chen Ping is somewhat famous in Jiangbei. He once defeated Jiang Zhengde at a martial arts alliance conference in Jiangnan and Jiangbei provinces, and also defeated several grandmasters of the Qin family. He almost unified the martial arts world in Jiangbei. No one dared to provoke him. It is probably because of this that the head of the Qin family challenged him."

"Upstairs, please pull him down. The head of the Qin family is not so free yet. It's because Chen Ping killed Qin Feng and Qin Gang of the Qin family and directly wiped out the Qin family. This made Qin Xiaolin leave the confinement early and find Chen Ping. Revengeful."

"....."

Chen Ping didn't know it yet, but he had become a popular person in the entire martial arts world. As Chen Ping became popular, troubles followed one after another.

If it weren't for Zhao Wuji and Chang Yuanjun supporting Chen Ping in Kyoto, Qin Xiaolin would have gone to Hongcheng to avenge his son after he came out of seclusion.

Now that Qin Xiaolin has issued a letter of challenge, even if Chang Yuanjun is the leader of the six sects, he can't say anything. After all, the rules of the martial arts world are to resolve grievances in the ring. This does not count as selfish grudges, and Chang Yuanjun has nothing to do with it.

However, at this moment, Chen Ping was still immersed in his cultivation and did not know about the challenge letter at all, nor did he know that the entire martial arts world was paying attention to him.

At this time, outside the Panlongwan villa area, many martial arts colleagues came. Lin Tianhu and Chi Feng also rushed back from the provincial capital and brought a team of hundreds of people. They didn't care how terrifying the Qin family was. How powerful Qin Xiaolin is. In their eyes, Chen Ping is their palace master. They are only loyal to Chen Ping. Even if they risk their lives, they will not let anything happen to Chen Ping.

Chapter: 943

At the same time, Gu Wentian, Su Wenzong, and even Mayor Ling Zhenchuan also came to Panlong Bay to discuss countermeasures with Chen Ping. Even though Ling Zhenchuan was the top leader in Hongcheng City, he did not dare to face the Qin family from Kyoto. Help Chen Ping openly.

Everyone gathered in Panlong Bay, everyone looked anxious, but Chen Ping was still practicing, and no one dared to disturb him.

"Dad, what should we do?" Su Yuqi looked anxious and at a loss.

Although Su Yuqi didn't know who Qin Xiaolin was, she heard from Gu Ling'er that Qin Xiaolin was very powerful and well-known in the entire martial arts world. This made Su Yuqi a little scared, fearing that Chen Ping would be killed by Qin Xiaolin.

"Don't worry, haven't you seen so many people coming to think of a solution?"

Su Wenzong comforted Su Yuqi.

“This incident happened because of me. Even if I risk my life, I can’t let anything happen to Chen Ping.”

Gu Ling’er looked determined. She had already made plans. If Chen Ping lost, she would sacrifice her life to help Chen Ping block the fatal blow.

Gu Wentian looked at his granddaughter. Although his eyes were full of distress, he didn’t say anything. After all, this incident was caused by his Gu family. If it wasn’t for saving Gu Ling’er, why would Chen Ping kill Qin Feng? Woolen cloth.

If Qin Feng had not been killed, Qin Xiaolin would not have issued a challenge to Chen Ping.

The atmosphere in the villa became extremely gloomy, everyone had a sad look on their face, and no one spoke anymore. Now that Chen Ping didn’t come forward, they could only wait.

“It’s ancient. I don’t understand the rules of this martial arts world. If the other party issues a challenge, can’t we not fight? Besides, the other party wants to compete in the ring in three days. What if Chen Ping hasn’t come out yet?”

Su Wenzong didn’t understand these rules in the martial arts world, so he asked Gu Wentian.

Gu Wentian sighed softly: “The other party has issued a letter of challenge. If he does not fight, then Mr. Chen will probably lose his reputation in the entire martial arts world. More importantly, the other party will have an excuse to pursue and kill him by any means. When the time comes, Not only Mr. Chen, I’m afraid everyone around him will be implicated. This time Qin Xiao’s challenge to the forest must have encountered resistance in Kyoto. He did not dare to easily pursue Mr. Chen, so he did this.”

When Su Wenzong heard that the consequences of not fighting were so serious, everyone around Chen Ping would be implicated, so he remained silent.

“Hmph, no matter how powerful the Qin family is in Kyoto, or how strong Qin Xiaolin is, when we get to Hongcheng, this is our territory. I have over a thousand people in Hongcheng plus those transferred from the provincial capital. , can’t we still deal with him as a Qin family...”

Lin Tianhu had a stern look on his face and snorted loudly.

“childish.....”

Just after Lin Tianhu finished speaking, a shouting voice came from outside.

Everyone looked for the sound and found a very beautiful girl walking in from outside. The girl wore a pigtail and looked like a student.

“who are you?”

Lin Tianhu looked at the girl and asked with a cold expression.

If she were an ordinary girl, she would probably be frightened when she saw Lin Tianhu’s appearance, but this girl didn’t care at all and said: “I came from Kyoto to see Chen Ping...”

As soon as the girl’s words came out, everyone looked at each other, and then looked at Su Yuqi.

Chapter: 944

They all knew that Chen Ping had stayed in Kyoto for a few days, but they didn’t expect that not long after he came back, a girl from Kyoto would chase him home.

“Who are you Chen Ping? What are you doing with Chen Ping?”

Su Yuqi looked at the girl with a bit of hostility and asked.

The girl looked at Su Yuqi, then smiled disdainfully and said: "You are Su Yuqi, right? You are indeed pretty, but it's just a vase with no breath at all. You just followed Chen Ping like this. Something happened last night." Yes, Chen Ping is not capable of protecting you all the time."

"You..." Su Yuqi's eyes widened, her face full of anger, and she was about to rush towards the girl, but was stopped by Gu Wentian.

Gu Wentian saw that the girl had an extraordinary temperament and that she was from Kyoto. It was better not to make enemies at this time.

"Miss, I wonder what you have to do with Chen Ping?"

Gu Wentian asked the girl.

"I'm here to give him something. Where is Chen Ping?"

the girl asked.

"Mr. Chen is still practicing in the bedroom. It has been three days and he still hasn't woken up..."

Gu Wentian said truthfully.

"Then why don't you wake him up quickly? A disaster is going to happen in three days. Why don't you think of a countermeasure quickly..."

As the girl said this, she was about to go forward and push the door open to wake up Chen Ping.

But they were directly stopped by Lin Tianhu and Chi Feng: "Mr. Chen is practicing, no one can disturb him unless Mr. Chen wakes up on his own..."

Lin Tianhu and Chifeng knew that when Chen Ping was practicing, he was most afraid of being disturbed by others, so they stopped the girl.

The girl looked at Lin Tianhu and Chi Feng and couldn't help but rolled her eyes, but she didn't insist and walked aside.

A ray of consciousness emanated from the girl's body and headed directly towards Chen Ping.

Chen Ping, who was practicing, suddenly opened his eyes after feeling some divine consciousness exploring him, jumped up and rushed out of the room.

When he saw so many people in the living room, he was stunned.

"You...why are you all here? What day is today?"

Chen Ping asked with a confused look on his face.

"They are here to see you off. You will die in two days..."

The girl stepped forward and said.

Chapter: 945

"Wu Mei'er, you...when did you come?"

Seeing the girl, Chen Ping was shocked for a moment, and then his eyes kept looking around. Wu Meier was here, and maybe Long Wu was here too.

"Don't look, Uncle Long is not here, only I am!"

As Wu Meier spoke, she took out a palm-sized bronze mirror from her body. The bronze mirror was stained with rust, as if it had just been dug out of the soil.

“This is the heart-protecting bronze mirror. Uncle Long is so kind to you. This is his treasure. He asked me to get it for you. If you wear this heart-protecting bronze mirror, you can block Qin Xiaolin’s fatal blow. Long Uncle asked me to tell you that Qin Xiaolin has become the Wuzong. With your body, you can’t withstand the Wuzong’s blow. Don’t try to fight it yourself...”

Wu Meier threw the bronze mirror to Chen Ping, turned around and walked out after saying that, and left without looking back.

When they heard the word Wu Zong, everyone was stunned except for Su Wenzong and others who were not from the martial arts world, especially Lin Tianhu and Chi Feng. They knew what Wu Zong was like.

Just now, Lin Tianhu said that he had thousands of people and was not afraid at all. Now it seems like a joke. Let alone thousands of people, no matter how many people there are, in front of Wu Zong, they are all ants and can be eliminated with a wave of his hand. .

Chen Ping looked at Wu Meier leaving and wanted to catch up and ask who Long Wu was and why he was helping him like this. However, Chen Ping didn’t move because he knew Wu Meier wouldn’t say anything.

At this moment, Su Yuqi looked at Wu Mei’er leaving, with a look of embarrassment on her face. It turned out that the other person was here to deliver something to Chen Ping and to help Chen Ping, but she was jealous of him.

Thinking of Wu Mei’er’s words, Su Yuqi suddenly felt that Wu Mei’er was right. Apart from this beautiful body, she really had no other abilities. She was just a vase, and it was very likely that she would bring trouble to Chen Ping. Drag vase...

Thinking of this, Su Yuqi’s mood dropped.

“What exactly is going on?”

Chen Ping glanced at everyone and asked with confusion on his face.

“Mr. Chen, look at this...?”

Lin Tianhu took out his mobile phone, opened a forum, and held it in front of Chen Ping.

Chen Ping looked at the challenge letter above and the three words Qin Xiaolin signed at the end, and he instantly understood.

It seems that Qin Xiaolin came out of seclusion and sent this challenge letter after seeing his son and nephew killed by him.

“What is supposed to come will eventually come, so you don’t have to be so nervous, right?”

Chen Ping saw that everyone was feeling a little depressed, so he smiled lightly and said: “Isn’t he just Qin Xiaolin? I can handle it...”

“Mr. Chen, when Qin Xiaolin came out of seclusion, he has already broken through the realm of Grand Master and became a martial arts master. This... this kind of strength is probably comparable to that of an immortal...”

Chi Feng said with lingering fear.

She is only a seventh-level grandmaster now, and has not even touched the shadow of a grand master. However, the other party is already a martial arts master. This is a level that Chifeng cannot even imagine.

“Don’t worry, isn’t this a treasure that someone gave me to protect me? If Qin Xiaolin can’t kill me, it’s not certain who will win and who will lose, so don’t worry...”

Chapter: 946

Chen Ping said with an indifferent expression.

In fact, Chen Ping didn't have much confidence in his heart. The reason why he said this was just to prevent others from worrying. He had never faced a master like Wu Zong. A few days ago, Chen Ping followed the four great masters to fight. He almost lost, exhausted all his spiritual power, and now he had to fight with Qin Xiaolin, a martial artist. Chen Ping really didn't know if he could survive.

But no matter what, Chen Ping will not escape. Since the other party has issued a challenge, Chen Ping will fight. This will also make him feel at ease. At least he knows that the Qin family will not attack the people around him. What Chen Ping is most worried about now is Su Yuqi. If the other party does something dirty, Chen Ping cannot protect Su Yuqi all the time.

Seeing Chen Ping's indifferent look, everyone felt a little relieved. After all, no one knew how strong Chen Ping was now.

After staying in the villa for a while, everyone began to leave one after another. Lin Tianhu and Chi Feng personally guarded the door of the villa, preparing to guard Chen Ping every step of the way.

Although Wu Zong had frightened the two of them, they would not leave Chen Ping.

In the room, Su Yuqi and Gu Linger did not leave either, both of them were in a very low mood.

"Chen Ping, I'm sorry, it's all because of me. If you have any shortcomings, I can't forgive myself..."

Gu Ling'er followed Chen Ping with an apologetic look.

"This has nothing to do with you. It's Qin Feng who deserves to die. You don't have to blame yourself so much. I'll be fine..."

Chen Ping comforted Gu Ling'er and told her not to blame herself so much.

"Chen Ping, please teach me how to practice..." At this time, Su Yuqi suddenly looked at Chen Ping and said, "I don't want to be a vase, I want to be a woman who can help you..."

Chen Ping looked at Su Yuqi in surprise. He didn't understand why Su Yuqi suddenly said this. Someone must have said something to Su Yuqi.

"Didn't I tell you that practicing Kung Fu is very hard. Besides, you can learn a few moves from Ling'er and strengthen your body. Who said you are a vase? You are the most perfect woman in my heart..."

Chen Ping touched Su Yuqi's head lovingly and said.

"No, I want to practice, I want to become stronger than you, and let me protect you from now on..."

Su Yuqi's face was determined, and she was not joking.

Seeing Su Yuqi like that, Chen Ping felt moved in his heart. However, although he has now entered the Bigu realm, he has no idea how to bring people into the world of immortality, nor how to teach people to practice.

In fact, Chen Ping had previously planned to let Su Yuqi practice. After all, Chen Ping himself is an immortal cultivator. As his level improves, although he cannot achieve immortality, it is not a problem to live for one or two hundred years.

But by that time, Su Yuqi is afraid that she will die of old age. If she wants to grow old with Su Yuqi, the only way is to let Su Yuqi also enter the world of immortality. It is a pity that Chen Ping does not have the ability to teach others yet.

"I can't teach yet. When I find a master for you, you will be learning and practicing. I believe that with your qualifications, you will definitely be better than me..."

Although Chen Ping couldn't teach, at this moment he thought of one person, and that was Long Wu. Since Long Wu was willing to help him like this, if he asked him to teach Su Yuqi to practice, Chen Ping believed that Long Wu would not refuse.

"I also want to learn..."

After hearing this, Gu Ling'er said hurriedly.

Chapter: 947

Gu Ling'er left her job and followed Chen Ping because she wanted Chen Ping to teach her. However, after such a long time, Chen Ping didn't even teach her a single move.

Looking at Gu Ling'er, Chen Ping sighed helplessly: "Okay, I will tell you about it then..."

Chen Ping stayed with Su Yuqi and Gu Ling'er until nearly noon. Because most of the spiritual stones were consumed and Chen Ping did not practice spiritual energy. In order to prevent the two of them from feeling depressed, Chen Ping followed the two of them to fight the landlord. It's like putting notes on Chen Ping's face. Soon, Chen Ping had notes all over his face, which made Su Yuqi and Gu Ling'er burst into laughter, and they were in a much better mood.

Lin Tianhu and Chi Feng listened to the laughter in the room. They looked at each other and could only admire Chen Ping's big heart. He was about to duel with a martial arts master, but he was still in the mood to have fun.

"No more playing, you two always win. It's already noon, let's go to dinner..."

Chen Ping plans to go out to eat with Su Yuqi and Gu Ling'er. Although Su Yuqi is somewhat good at cooking now, there is still a long way to go before it can be both delicious and delicious.

"What? You don't like the food I cook, and you still want to go out to eat?"

Su Yuqi asked Chen Ping.

"No, I'm afraid you'll be tired..."

Chen Ping hurriedly explained that in fact, Chen Ping just didn't like eating it, but unfortunately he didn't dare to say it.

“I’m not tired at all. Ling’er will help me. The two of us will cook. You can just sit on the sofa for a while...”

Su Yuqi took Gu Ling’er to the kitchen.

Seeing this, Chen Ping could only sit back helplessly. He could only pray that Su Yuqi’s cooking would taste better this time.

Just as Chen Ping was sitting and preparing to eat, his cell phone suddenly rang.

Chen Ping was very surprised when he saw the number on his mobile phone. It was actually He Zhigang calling.

In recent times, almost all the medicinal materials that are over a century old have been looted by the King of Medicine, and very little has flowed into Yuncheng. Therefore, He Zhigang’s Renhetang cannot receive medicinal materials that are over a century old at all, so they did not send them to Chen Ping.

However, He Zhigang would transfer the profits from the sale of Xiao Huan Dan to Chen Ping’s bank card on time. After all, only Chen Ping could provide Xiao Huan Dan.

Chen Ping has not contacted He Zhigang for a while. I wonder why He Zhigang suddenly called him?

Chen Ping answered the phone, and He Zhigang’s voice immediately came from the other end of the phone.

“Brother Chen Ping, do you still remember me? You haven’t forgotten me, have you?”

He Zhigang asked.

“How could I forget Brother He? Every day I receive a lot of money from my bank card. This is all due to Brother He...”

Chen Ping smiled lightly and said, "Brother He suddenly called me. Is there something wrong?"

"Brother Chen Ping, I have good news for you. You will definitely be excited after hearing it..."

Chapter: 948

He Zhigang said excitedly.

"Brother He, I'm very busy. If you need anything, just tell me..."

Chen Ping was a little unhappy with He Zhigang's showy approach.

He Zhigang also heard that Chen Ping was a little unhappy and said hurriedly: "I got news that a ten thousand-year-old ginseng tree has grown in the northeast..."

"What?" When Chen Ping heard this, he stood up from the sofa.

The Ten Thousand Years Ginseng King is something that can only be encountered but cannot be sought. If you can get this Thousand Years Ginseng King, your realm will definitely be improved.

Now Chen Ping was worried about not having enough cultivation resources, but unexpectedly a Ten Thousand Years Ginseng King appeared.

"Brother He, is the news accurate? Can you be framed by me..."

Chen Ping asked in disbelief.

"Brother Chen Ping, how dare I frame you? You still remember Mr. Zhou Zhiqian of Renhe Hall, right?"

He Zhigang asked.

“Yeah!” Chen Ping nodded.

“This news was told to me by Mr. Zhou. His hometown is in the Northeast. He came to Yuncheng in the early years to make a living. Now a ten thousand-year-old ginseng king has appeared in their hometown. After knowing that Mr. Zhou is engaged in medicinal materials, his hometown asked him to Spread the news and try to find a suitable buyer...”

He Zhigang followed Chen Ping in explaining.

Chen Ping remembered that He Zhigang said that Zhou Zhiqian was not a local in Yuncheng, but he did not expect that he was from the Northeast.

“Brother He, wait for me. I will go to Yuncheng right now, and then we will go see Zhou Zhigan...”

After Chen Ping finished speaking, he hung up the phone and immediately changed his clothes and set off.

“Chen Ping, what are you doing? The food will be cooked soon!”

Seeing Chen Ping changing clothes and leaving, Su Yuqi asked hurriedly.

“I don’t want to eat. I have to go out for a little urgent matter. I feel like it will take me two days to come back...”

Chen Ping walked out as he spoke.

“What are you going to do? What about the challenge in three days?”

Su Yuqi asked puzzledly.

“Don’t worry, I’ll be right back!”

Chapter: 949

After Chen Ping finished speaking, he walked out. It was precisely because of the challenge in three days that he was in such a hurry. If he could get the Ten Thousand Years Ginseng King in these few days, his strength would be greatly improved. Then maybe there is no need to be afraid of Qin Xiaolin.

“Mr. Chen...”

Seeing Chen Ping coming out, Lin Tianhu and Chi Feng hurriedly stepped forward.

“Lin Tianhu, go and drive, we will go to Yuncheng right away...”

Chen Ping said to Lin Tianhu.

Seeing that Chen Ping looked very anxious, neither Lin Tianhu nor Chi Feng dared to ask.

Soon, Lin Tianhu drove up and the three of them headed straight for Yuncheng.

Under Chen Ping’s urging on the way, Lin Tianhu drove the car very fast and arrived at Yuncheng in just over an hour.

After seeing He Zhigang, Chen Ping immediately said: “Brother He, let’s go see Zhou Zhiqian now...”

“Brother Chen Ping, are you in such a hurry? You haven’t had lunch yet, right? Why don’t you eat first?”

He Zhigang didn’t expect Chen Ping to be so anxious and rushed over without even eating.

“There’s no time, let’s leave now...”

Chen Ping picked up He Zhigang and left.

As soon as they went out, they met Gu Yuyao and Gu Yufei. When they saw Chen Ping, they were both stunned.

In the blink of an eye, she hadn't seen Chen Ping for a while, and suddenly saw Chen Ping in Yuncheng again. Gu Yuyao's originally calm heart felt a little turbulent again.

"Brother-in-law, when did you come? Where is my sister Yuqi?"

Gu Yufei was very happy to see Chen Ping, so she asked.

"Your sister is not here. I came here to see Brother Chen for something..."

After Chen Ping finished speaking, he took He Zhigang and left. Because time was too tight, he had no time to chat with the two sisters.

Gu Yuyao saw Chen Ping passing by her and wanted to open her mouth to say something, but nothing came out.

"Yu Yao, you should eat with Yu Fei first. Don't wait for me. I'll be back after I finish my business with Brother Chen Ping..."

He Zhigang followed Gu Yuyao and said.

Gu Yuyao did not speak, but quietly watched Chen Ping's back getting into the car. Gu Yuyao did not move until the car disappeared.

When she was in the Wei family in the provincial capital, Gu Yuyao was scared to death. She was already prepared to die. But just when she was desperate, Chen Ping appeared. She will never forget the scene when Chen Ping appeared.

Chapter: 950

“Sister, you and Chen Ping are not the same person. Don’t think about it. What’s more, Chen Ping is Sister Yuqi’s boyfriend. You can’t compete with Sister Yuqi, right?”

Gu Yufei had actually seen Gu Yuyao’s psychology a long time ago. Gu Yuyao had changed a lot since she was rescued by Chen Ping from the Wei family in the provincial capital.

Gu Yuyao and He Zhigang originally had a very good relationship, but since then, the two have often quarreled, and Gu Yuyao often compares He Zhigang with Chen Ping. However, as time goes by, Gu Yuyao’s feelings for Chen Ping have become weaker and weaker. After all, it is impossible for the two people to meet each other.

But just when Gu Yuyao was about to forget Chen Ping, Chen Ping suddenly appeared in front of her again, which made Gu Yuyao’s heart waver.

“Let’s go in and eat...”

Gu Yuyao herself knew that after this meeting, she and Chen Ping didn’t know when they would be able to meet again, and maybe they would never meet again.

But at this moment, Chen Ping didn’t know what Gu Yuyao was thinking. He just wanted to see the Ten Thousand Years Ginseng King as soon as possible. No matter what method he used, he must get the Ten Thousand Years Ginseng King. In the end, even if it was to rob him, Chen Ping would not let this opportunity pass.

After arriving at Renhetang, Zhou Zhiqian had already been notified by He Zhigang and led people to greet Chen Ping at the door. You must know that Chen Ping’s Xiaohuandan can make him a lot of money. Chen Ping is the God of Wealth to him. Lord.

“Mr. Chen.....”

Zhou Zhiqian stepped forward in person and helped Chen Ping open the car door.

“Zhou Zhiqian, is the matter about the Ten Thousand Years Ginseng King true?”

Chen Ping asked anxiously as soon as he got out of the car.

“It’s true. This Ten Thousand Years Ginseng King was discovered by the Shen family in the Northeast. However, the Shen family is not in the medicinal business, so they spread the word and wanted to find a suitable seller...”

Zhou Zhiqian said with certainty.

Seeing that Zhou Zhiqian was so sure, Chen Ping finally felt relieved. Since it was true, it would be easy to handle.

“You should go to the Northeast with me right now. When we capture this Ten Thousand Years Ginseng King, you will definitely benefit from it...”

Chen Ping said eagerly.

“Okay, I can’t say anything good about being able to serve Mr. Chen!” Zhou Zhiqian said, taking out a few tickets from his arms: “I have booked the tickets in advance, and I am just waiting for Mr. Chen to come over...”

Chen Ping looked happy when he saw this, but he had to admire Zhou Zhiqian’s cunningness. No wonder a foreigner could prosper in Yuncheng.

Chen Ping took Zhou Zhiqian, Lin Tianhu and Chifeng to the airport, but He Zhigang did not follow.

After getting on the plane, it was almost evening before Chen Ping and the others arrived at Liaohe River in the northeast. As soon as they got off the plane, Chen Ping felt a chill. The temperature here was much lower than that in Hongcheng.

Fortunately, Chen Ping wore a lot of clothes, otherwise he would have been really guilty.

After leaving the airport, a Mercedes-Benz was waiting at the exit, arranged by Zhou Zhiqian.

“Uncle.....”
