

The Queen 611

Chapter 611: Yu Wan and Emperor He

When Su Cha was acting with Shao Tianwen as Chao Yun, the role was not important to her, so she only gave a passable performance.

This time, it was a scene showing real rivalry. The 78th episode tested the actors' skills in psychological acting. The pressure was not ordinary.

Initially, Shao Tianwen did not feel pressured. He and Jin Jiayu had already acted in this scene, but they had not been able to act it out. It was because Jin Jiayu could not hold her own and could not perform the effect that Han Yongbing wanted. Now that Su Cha had taken over, Han Yongbing probably wanted to test Su Cha with this scene.

Never mind how difficult this scene was.

However, looking at Su Cha's current appearance, Shao Tianwen suddenly felt extremely nervous when he thought about the next scene.

In The Legend of the Crane, the emperor's status in the early stage was low. It was even a little ridiculous. The former emperor had impregnated the wife of a minister after he became drunk.

This matter could be said to be a scandal in the palace, but after all, the person who was wearing the hat was the emperor. What could the ministers do?

After Emperor He was born, he was the son of a minister on the surface, but in reality, he was the son of the emperor. What was unbelievable was that many people in the palace knew about this matter, but no one dared to discuss it openly.

The emperor saw that he had a son like this, and it was his own fault. Although he did not like him, he still gave him a title along with a piece of land in the borders that Emperor He could take over.

He wanted to make sure that Emperor He would never come back.

Who could have thought that Emperor He would be so smart at such a young age? He had managed his territory into becoming a powerful city. He had even won a few battles and conquered many nomadic tribes in the borders.

Before anyone knew it, Emperor He had gained real power.

As he had been there for a long time, Emperor He had an excellent reputation in the region. He had a portion of the military power in his hands, and he had accumulated it after so many years of hard work.

He had known his background since he was young. He had always felt indignant, but he was an upright and kind person. His heart was tied to the people of the world.

Later, when the old emperor was old, a woman appeared.

Her name was Yu Wan.

Among the women, Yu Wan had a stunning appearance. She was only in her teens, but she had already made the old emperor lose his mind. Moreover, because of her special family, she also knew quite a bit of martial arts.

Yu Wan was young and ambitious. The old emperor became more and more muddle-headed. He doted on Yu Wan to the point of being lawless. Later, the power fell into Yu Wan's hands.

Moreover, Yu Wan was ruthless and had accumulated many grievances in the court. Although she was ambitious, she was still a woman and could not become the true emperor.

But it did not mean that she was not ambitious.

After the old emperor's death, she supported a puppet and became the empress dowager.

At this time, Emperor He, who was far away in the borders, was approached by someone. When he found out that the court was not peaceful, he led the army back to the court.

He was the general of the border and had countless troops. Yu Wan had real power in the court. The two of them could not do anything to each other on the way. In their mutual suspicion, they raised their own forces. In the final battle, Yu Wan was killed by Emperor He.

The Crane Emperor had by then reached the age of 40.

Yu Wan had dragged him along for more than ten years because she had many capable people under her.

If she had not made a misstep during this period, the dynasty might have changed its surname to Yu.

The scene this time was the first time that Emperor He saw the world-renowned Empress Dowager, Yu Wan.

Chapter 612: Take One, Pass!

The entire production crew became nervous.

Faced with such an important scene, after confirming that everything had been set up, the director asked the venue to maintain absolute silence.

He sat behind the camera and stared at the two people inside the frame. He did not want to miss the scene between the two.

He did not have high hopes that Su Cha would surprise him. After all, the makeup was an accident.

But he still hoped that Su Cha could do better than Jin Jiayu.

After a loud “action,” Emperor He, who was played by Shao Tianwen, walked into the empty palace.

He was tall and strong.

There were several beads hanging behind the main hall in front of him. After the layers of beads, there was a layer of red gauze.

Behind the gauze, a graceful figure was lying on the bed. She was languid and noble, as if she had endless charm, but no one dared to look up at her.

Nangong He knelt down and looked at the ground. He raised his fist and said respectfully, "I, Nangong He, greet the Empress Dowager!"

"General Nangong, please rise!"

As soon as his voice fell, a female voice had sounded. Her voice was soft and delicate, as if she was still a young and tender girl. Although the words were spoken fast, the voice also revealed a different kind of calmness, making Nangong He frown slightly.

He did not say anything. "Thank you, Empress Dowager!"

Then she straightened her body.

Before he could look up, he suddenly heard the sound of beads clashing. He was attracted by the sound and could not help but look up. He saw a slender figure slowly walking out from behind the curtain.

The person who looked extremely elegant had an imposing aura. When he saw it clearly, Nangong He was surprised.

This was clearly a girl who was 17 or 18 years old, the best years of her life.

The symbol representing the Empress Dowager was drawn on her forehead. It was gorgeous and made her look even more delicate.

It was no wonder that the old emperor had become an incapable ruler.

Now that the emperor had just died, it was taboo for Nangong He to look at the Empress Dowager in the eye.

Nangong He quickly lowered his head and eyes. "I was rash, please forgive me!"

“What crime has General Nangong committed?”

A pair of delicate and slender fingers were placed on the wrist guard on Nangong He's arm. Nangong He raised his head and saw that Yu Wan's eyes were very big. There seemed to be waves of light flashing in them. She looked at Nangong He in such a way that the corner of her lips curled up and her gaze changed.

This glance made Nangong He's heart skip a beat.

Demoness!

Almost instantly, this thought appeared in his mind.

He did not dare to move his wrist.

She slowly drew her hand back and said lazily, “General Nangong, you are indeed as the rumors say. You will be in charge of handling the emperor's funeral.”

As she spoke, she slowly turned around. Nangong He felt uneasy about her back as she turned around. He said directly, “I am just a boor. It is better for a special minister to host the funeral of the emperor.”

“Don't you want to?”

Yu Wan did not turn around. Her clear voice had a special charm to it. It was even a little seductive.

Ka! Pass!

Behind the camera, Han Yongbing was trembling with excitement. As soon as he heard this line, he announced that this take had passed!

The others who were immersed in the drama came back to their senses.

Chapter 613: You Were Actually Carried by Her?

Shao Tianwen was stunned.

The girl in front of him had already turned around. Although she was still wearing the Empress Dowager's costume, she looked a little playful at this moment. "Thank you for your guidance, Movie King Shao!"

Best Actor Shao smiled helplessly. "Can I give you guidance on this scene just now?"

He'd been taken in by Su Cha!

There was no need to think too much about it. Shao Tianwen had had a strange feeling ever since the director had yelled action.

When he walked into the main hall, although there were many people around, he seemed to have been drawn in by the person in front of him.

From the moment she opened her mouth, he did not even need to think about what lines he would say.

It seemed that for a moment, he was really possessed by Emperor He.

However, Emperor He, who was being suppressed by the strong Empress Dowager, was humble.

Su Cha chuckled. Fu Mo handed her a bottle of water and wiped the sweat on her forehead. "It's not hot yet. But isn't it too uncomfortable to wear such thick clothes?"

Su Cha shook her head. "It's okay."

Her inner force was not hot.

Han Yongbing walked over and could not help but smile. "Okay, Su Cha, I'm very satisfied with you!"

Those who knew him knew how happy he was. They even looked at Shao Tianwen. “Did you see that? This world has never lacked geniuses!”

Her eyes were sharp and accurate. In the scene just now, Su Cha had not only given him a perfect scene, but she had also drawn in Shao Tianwen.

Shao Tianwen did not need to act in that scene. As long as he followed the way Emperor He was supposed to act, he would be Emperor He!

Although it sounded like a fantasy, Shao Tianwen understood what Han Yongbing meant.

Su Cha was a genius, a top-notch actor.

Yu Wan’s role seemed to have been tailored for her.

The surrounding people found the director’s praise a little strange. After being part of this production crew for so many days, this was the first time they’d seen Han Yongbing so satisfied. He could not hide it.

Su Cha smiled and did not say anything.

Actually, it was just a coincidence that she came across this character. Su Cha was not sure about the other roles.

Chao Yun’s character was just so-so.

The reason why Yu Wan’s character was so stunning was because of her “performance.”

Thanks to her past status as the Empress Dowager, it was too easy for her to face an actor like Shao Tianwen.

She walked to the side and rested for a while. Everyone in the production crew was discussing the scene just now. They had to come to terms with how all the veteran actors present praised it.

It was simply too shocking. Not only did she sing well, but her acting was also excellent!

After decades of changes in the entertainment industry, was there finally going to be a genius actress in such a restless time?

After all, it was not that there were no newbies with good acting skills, but it was rare for someone like Su Cha to have the chance and ability to become popular!

As long as she could really become popular, the current audience would not be able to say that she did not have acting skills!

Mu Jiao walked up with a playful expression. “Wasn’t she the one who led you in the scene just now?”

Shao Tianwen smiled bitterly. “You can tell? I was just thinking that there’s something wrong. At that time, she just casually said a word, but I felt that Emperor He was really me. In other words, she brought this role to life within me because her influence was too great. It was simply terrifying!”

Chapter 614: I Want a Beauty to Act Coquettishly in My Embrace

“I can’t believe it.”

Mu Jiao’s eyes lit up. “Do young actors nowadays really have such talent? Even if she has talent, the aura that an empress dowager should have is extraordinary. Her background must be extraordinary. Her family must be a super-rich family. Otherwise, it would be inexplicable!”

“Even if it’s a real powerhouse family, how can they have nurtured such a heaven-defying character?”

Shao Tianwen was deep in thought. “I don’t think that’s it either. When she was acting as Chao Yun, she was well-behaved. She did not surprise me, but there was nothing wrong with her performance. But look at her acting as Yu Wan. She has completely changed. I even think that she is really Yu Wan!”

“Yu Wan is a made-up character.”

Mu Jiao glanced at Shao Tianwen and suddenly found things interesting. “However, for her to play someone like Yu Wan, could it be that Su Cha’s real identity is similar to Yu Wan’s? After all, this is the only way to explain such a thing. I’m inclined to think that this girl might be playing the role of herself.”

After all, after acting for so long, the older actor’s observational skills had become extraordinary. He could tell the key to Su Cha’s acting.

But even so, how could they know that Su Cha was a young Empress Dowager?

“You are amazing!”

Fu Mo gave Su Cha a thumbs up. “I saw that the director was not simply satisfied with you. He looked at you as if you were a piece of gold. He could not bear to part with you.”

Su Cha chuckled. “Your description is really good.”

Fu Mo also smiled and asked curiously, “Have you done your homework in private? I think when you were acting as Chao Yun, you were not as vivid as Yu Wan.”

She asked because she saw some problems.

Su Cha pursed her lips and smiled. “Just treat it as my homework.”

Fu Mo could not help but glance at her.

Actually, she already knew Su Cha’s identity. She was the Alliance Master at such a young age, yet she could still play such a perfect role. Fu Mo could not help but sigh.

She had seen geniuses before, but even the young master was not as outstanding as Su Cha.

But if Su Cha did not want to tell her, she would not ask.

After all, she had her own problems. Su Cha had obviously noticed it long ago, but she did not care.

At the thought of this, Fu Mo sighed slightly. She did not know how long Su Cha would endure it. Sometimes, she could not help but want to say it.

After the first scene, the rest of the scenes went much smoother.

However, there were also some awkward moments where Su Cha had some physical interaction with the old emperor's actor.

After all, the former emperor was already old, so he was played by an older actor. Although the scale was strict, it was impossible for her to not interact with others in order to match the script.

There was a scene where Su Cha leaned into the old emperor's arms and acted coquettishly.

The other party respected her and did not deliberately do anything to her. Su Cha pretended to lean on him and tried to make it through.

When she acted out this scene, her eyes were lowered, as if she was blushing and smiling. But the moment she lowered her head, her eyes flickered. Seeing such a delicate and beautiful person unable to meet the old emperor's face, everyone present wanted to pull the old emperor up and replace him with themselves!

For the sake of professionalism, the old emperor's smile was a little wretched.

I also want such a devilish beauty to act coquettishly in my arms...

Chapter 615: Intimate Act, Explosion!

It had only been a minute.

Su Cha was not unreasonable. Since she had accepted the profession of an actress, she was prepared for this.

However, when she approached, her body stiffened for a moment. It was probably because she was not familiar with others.

After it ended, Su Cha quickly recovered. She just felt that something was wrong. She must not be seen by Bo Muyi.

Even if it was just acting and she could endure it, she felt that Bo Muyi definitely could not.

As usual, she would stay in the hotel after filming. However, a few minutes after the filming ended, Bai Kun called. His voice was indescribable. "Miss Su, can you come back quickly?"

Su Cha knew that something must have happened.

She frowned and asked Fu Mo to book a ticket. "What's wrong?"

Bai Kun was a little embarrassed. "Young Master saw the scene of your shoot today. He saw you in the arms of an actor..."

Bai Kun did not dare to continue.

Su Cha clearly understood what was going on.

He must have found out that she had such a scene with the old emperor.

Even if it was an act, this reason was definitely insufficient to Bo Muyi.

He just could not bear to see Su Cha having intimate contact with anyone.

Especially when it was an unfamiliar man who did not ask permission directly. He was probably torturing himself at home.

Su Cha patted her forehead and hung up. She asked Fu Mo, "Have you booked the flight?"

Fu Mo found it strange. "I've booked it. They said that the earliest would be at eight o'clock. It will be ten o'clock when we reach the Imperial Capital. We don't have anything scheduled now. Why are we so anxious to go back?"

Su Cha sighed. “There are some things at home that I have to comfort.”

Fu Mo instantly shut up.

She knew about the relationship between Su Cha, the Alliance Master of the Star Alliance, and her boyfriend, Bo Muyi.

Could it be that the person from the Bo family was angry after finding out about what had happened today?

Fu Mo found it unbelievable. Wasn’t it just a show?

Although she could not understand it, she did not say it.

Su Cha went to greet Han Yongbing. They would probably have to modify her scheduled scenes tomorrow morning before she could rush back in the afternoon.

Although Han Yongbing found it strange that Su Cha left in such a hurry, Su Cha’s performance was too perfect. He had a little more love for talent, so he was more lenient with Su Cha. Though she wanted to go back, he did not stop her.

If it were any other production crew, Su Cha’s actions would have cost them money!

But what was the producer for?

After getting on the plane to fly back to the Imperial Capital, she called Bo Muyi, but he did not pick up. She frowned. If he did not pick up because he’d lost his temper, she would teach him a lesson.

Then she sent a message saying that she would arrive in two hours and turned off the phone.

When she arrived at the airport, it was Bai Kun who came to pick her up. When he saw her, his eyes welled up with tears. It was an exaggerated scene as if he had found his savior. “Miss Su, you are finally back. You better hurry and take a look!”

It had been a long time since he'd seen the young master go crazy!

Su Cha smiled helplessly. "He saw my intimate scene with someone else today where I was just hugged for a few seconds. Can't he bear it?"

Bai Kun was speechless. "He can't even tolerate you talking to other men, let alone hugging you."

"..."

The young master was already dissatisfied with Su Cha's performance with Shao Tianwen.

He exploded when he saw another hugging her.

Chapter 616: You Were the One Who Did Something Wrong, How Dare You Be Angry at Me!

When Su Cha and Bai Kun arrived at the Lookout Pavilion, the old lady was also there.

Seeing Su Cha, she covered her forehead as if she had a headache. "It's good that you're back. Hurry up and coax this ancestor. He's so ancient! I have to go back and sleep now. Aiyo, my head hurts..."

Seeing the old lady's rare chatter, Su Cha smiled helplessly. "Grandma, go back. I know how to deal with it."

As soon as she and Bai Kun entered, they saw Bo Mui, who was completely furious and gloomy, raising a pen and throwing it at them. He smashed a vase placed in the living room.

Bai Kun screamed, "That's from the Tang dynasty! It's worth 50 million!!"

Su Cha: "..."

Bo Mui heard the noise and looked over with his eyes completely red. Bai Kun's heart skipped a beat and he swallowed his words.

Su Cha waved her hand, her head aching. She let Bai Kun go first and walked towards Bo Mui.

His eyes were gloomy, and there was even a hint of blood in them. He was wearing a black shirt, but he seemed to have been caught in a mess due to frustration. He had an obsessive-compulsive disorder to begin with, and the messier he got, the more irritable he became. When he saw that the shirt was not neat, he became even more irritable.

There were broken pieces on the ground and many things were destroyed.

He was childish when he was angry.

Before, he only tore pieces of paper while feeling anxious and uneasy. Recently, as he had probably become spoiled by Su Cha, he'd learned how to smash things whenever he was angry...

He looked at Su Cha, and Su Cha looked at him. Neither of them spoke.

His eyes were bloodshot, and he tried his best to control his madness. After a long while, he could not help but say, "I didn't do anything wrong. Don't be angry!"

He was in a dilemma. He was too angry this time. He could not lower his head to Su Cha first. Otherwise, if she had to act intimately with others every day in the future, he might as well die.

Su Cha pursed her lips. She had not said that she was angry.

Su Cha did not speak. Bo Muye stood rooted to the ground, his hands clenched tightly into fists. In the chaos, his face was pale as he stood there, giving off a heartbreaking sense of beauty.

Su Cha suddenly asked, "When I held Zhai Yao's hand in the past, were you also this angry?"

This time, she was just acting as she hugged someone. What about in the past?

She had not done anything with Zhai Yao, but they had held hands and hugged each other.

What about Bo Muye?

Bo Mui's face stiffened. He did not expect Su Cha to suddenly ask this question. He lowered his head. He was clearly a tall person, but his lowered head made him look extremely pitiful in an instant. His voice became even darker. "What's the use of me being angry about the past?"

At that time, he was just a bystander. He had no right or was in no position to be angry.

His heart simply ached every time he saw it.

His tone and appearance were too pitiful. Su Cha was about to walk over and hug him, but Bo Mui suddenly raised his head and flew into a rage. "But it's different now. You are mine, mine!"

His voice was fierce and irritable. He had never shown such an expression in front of Su Cha.

Su Cha's eyes narrowed. She did not say anything to agitate him. Instead, she suddenly crossed her arms and raised her voice. "Since you don't want to talk nicely, do you want to fight instead?"

Bo Mui: "..."

He suddenly lost his composure and felt wronged. "You were the one who did something wrong, yet you are the one scolding me."

Su Cha: "..."

Acting cute was against the rules. It was useless. They had to fight!

Chapter 617: Divine Movement

This was one of the rare times when they became angry.

This was also the first time Bo Mui threw a tantrum.

"I'm not being fierce. I'm being reasonable."

Su Cha tried her best to be calm. Bo Mui lowered his eyes. His anger was not as high as before, but it did not seem to have improved.

“What happened during filming today was an accident. If you are really unhappy, I will try not to take on such shows in the future.”

To be honest, it was too difficult for an actress to choose a character without physical contact with others.

It basically blocked the path of the female lead.

But there was nothing Su Cha could do about it.

Her acting depended on his mood. Since Bo Mui was unhappy, she would follow what he wanted.

Hearing this, Bo Mui lifted his head and looked at her steadily. His mood was much better than before.

Su Cha sighed and walked over to hug Bo Mui's waist. She felt his tense body gradually relax, then he hugged Su Cha back.

“If you really want to act...”

He frowned and said reluctantly, “If there are such scenes in the future, let me do it. It doesn't matter if I become a substitute.”

As long as it was him who got close to her.

Su Cha: “...” ??

What kind of godly operation was this?

“A boss like you is going to be a substitute?”

Su Cha chuckled. “Mui, it doesn't matter if I act or not. At most, I'll just focus on singing.”

And if Bo Mui really appeared at the scene, Su Cha did not dare to imagine how it would affect him.

Bo Mui suddenly changed his tone. "How can I allow that?"

He even said righteously, "I'm your boyfriend. If you have anything you want to do, I will naturally support you. In the future, I will take over this kind of show. It won't affect anything else."

Su Cha: "..."

Is it because you've gone crazy just now that you don't know anything anymore?

She looked at the mess and fell silent.

Bo Mui must have thought of this matter in an instant, so he suddenly said this.

But, wasn't it too funny?

Su Cha pursed her lips and smiled helplessly. In the end, she compromised, "Whatever."

If he wanted to be tortured, she'd let him do it himself.

...

After the storm was lifted, the mess was cleaned up by the servants outside. The next day, Su Cha took the morning flight back to join the production crew. It was Bai Kun who sent her back.

Seeing Su Cha, he gave her a thumbs up. "Miss Su, you are indeed capable."

In the past, when the young master became so angry, subordinates like them would wonder if they could keep their lives. They did not expect the young master to be fine after a night. Miss Su's methods were still better!

Su Cha looked at her phone and raised her eyebrows lazily. “What can I do? He came up with an idea later. He said that in the future, if I want to act in this kind of show, it doesn’t matter if he becomes a substitute. What do you think I can say?”

Bai Kun: “...”

He was dumbfounded.

“Young Master said that he wants to be a substitute in the future? To specialize in your intimate scenes?”

Bai Kun’s comprehension ability was strong. He instantly understood what she meant. He almost suspected that he had heard wrongly. “Young Master...”

He might as well have gone crazy!

Su Cha placed a finger on her forehead. “I’m very interested in something. Before I dated him, did he see me and Zhai Yao and become like that?”

Bai Kun shut his mouth.

He glanced at Su Cha through the rearview mirror and sighed carefully. “It wasn’t like this time, but... it’s all our fault.”

Chapter 618: Investor’s Visit

Su Cha immediately understood what he meant and nodded perfunctorily. “Thank you for your hard work.”

Bai Kun: “...”

It’s all your fault!

After sending Su Cha to the plane, Bai Kun returned.

This time, when she came back, Fu Mo was still in the film studio. Su Cha took some time to look at the discussions online.

It was still trending that she had snatched the role, but it was in line with the current pace of the Internet. It had almost become suppressed by the entertainment news later on, but many people disliked Su Cha now.

However, if she became talked-about, she would eventually become popular. Now, Su Cha's popularity had already left that of the other contestants in the dust.

Many marketing accounts had begun to wonder where Su Cha got her resources from.

What right did she have to directly push Jin Jiayu aside to become the second female lead?

This proved that Su Cha was not ordinary.

But after thinking about it, they realized Tan Jinsui was a very good shield. In the end, they felt that this matter depended on Tan Jinsui.

After all, Tan Jinsui's status was like that.

However, this matter also made Zou Manni's fans express their displeasure.

According to them, Uncle Tan did not use such underhanded methods when he was taking care of Zou Manni in the past. He would accept all kinds of female lead roles for her. With Zou Manni's status, she did not need to compete with anyone for a role. Many investors came to her.

Why did Tan Jinsui suddenly become so unethical with Su Cha?

Su Cha was speechless.

Zou Manni had become popular a long time ago. Her status back then was extraordinary. How could she be compared with the current Su Cha?

Besides, Tan Jinsui had nothing to do with the second female lead role.

If she had not suddenly suggested it, Tan Jinsui would not have known that she had the ability to become the second female lead. He knew Bo Muyi, but Bo Muyi did not seem to want to interfere with Su Cha's entertainment circle activities except when he established Cha Yi. Hence, he guessed that Bo Muyi did not play a part to obtain this role. He just did not expect the investor to be the second-in-command of the Star Alliance...

However, Tan Jinsui had to take the blame.

It was better for others to think that she'd relied on Tan Jinsui than to guess that she relied on what some other female celebrities did, following the unspoken rules.

The types of people who did not know anything about the industry liked to think nonsense.

It was afternoon when they arrived at the film studio.

Seeing that Su Cha had returned, Fu Mo heaved a sigh of relief. "Have you settled your matter?"

Su Cha nodded. "Almost done."

When she arrived at the production set and started to prepare for her appearance, she heard the makeup artist and stylist discussing beside her, "I really didn't expect that there would be such a beautiful investor in this day and age. The main thing is that she has money. She's really enviable. This is a genuine fair, rich, and beautiful person. Look at Mu Jiao's temperament. She's different from ordinary people."

The stylist said in a coquettish voice, "Yes, I think the investor likes Best Actor Shao. Could it be that she is here for him?"

Su Cha heard them talking about the beautiful investor and immediately had a guess. She raised her eyebrows and asked, "Who are you talking about?"

Hearing her question, the makeup artist immediately said, “An investor from the production crew. I heard her surname is Tan. She’s very pretty. She came to visit this morning. I don’t know if she already left this afternoon.”

Su Cha: “...”

Chapter 619: The Photos of Our Alliance Master

It was indeed her.

Su Cha really did not understand what the cross-dresser was thinking. Could fooling the masses be giving her a sense of achievement?

Su Cha did not say anything. However, when she thought about how the stylist had said that she was here for Movie King Shao, she felt sorry for him.

After she finished having her makeup done and went out, she realized that everyone in the production crew was much more reserved than before. Everyone was focused on that person. When she looked up, Su Cha knew.

Tan Yeluo was wearing a grey casual suit and sunglasses, revealing only her smooth chin. Shao Tianwen, Han Yongbing, and Mu Jiao were standing next to her. Judging from the treatment, she must have a powerful background.

Su Cha could not help but want to laugh.

As soon as she came out, she attracted everyone’s attention. When Han Yongbing saw Su Cha, he waved at her. “Su Cha, come here.”

Su Cha answered and went over. When she came to Tan Yeluo side, the other party smiled and said, “Oh my, it’s not wrong to let you play this role. Look at how beautiful this person is. If the drama is broadcasted, I believe that the role of Yu Wan will definitely become popular.”

Su Cha remained calm. “Thank you for your blessings, Miss Tan.”

“Shall we take a photo?”

Tan Yeluo took out her phone and took a photo of Su Cha. Naturally, Su Cha could not stop her. After Tan Yeluo finished taking the photo, she smiled and said, "It's almost time for you to visit me. I still have something on, so I'll leave first. The production will rely on you, Director Han."

Han Yongbing nodded. "Miss Tan, you're too polite."

Shao Tianwen and Mu Jiao also said goodbye to Tan Yeluo. After Tan Yeluo left with the bodyguards, Su Cha noticed that Shao Tianwen seemed to be a little disappointed.

It was indescribable. He looked at Tan Yeluo's back and seemed to have some thoughts.

Su Cha's mouth twitched.

After Tan Yeluo left, Han Yongbing did not say much about her. He instructed the production crew to prepare for filming. Mu Jiao glanced at Su Cha, then at Shao Tianwen, and left with a smile.

Su Cha never cared about other people's business, but Shao Tianwen's expression was too subtle. Su Cha could not help but ask, "Miss Tan is very pretty, right?"

Shao Tianwen suddenly responded. Seeing the girl's smiling face, he became a little embarrassed. He used his fist to cover his lips and coughed slightly. "Miss Tan is very beautiful. She is prettier than many female celebrities. It's rare to see a strong woman. She is really a model of women."

There was something unusual about his words.

Su Cha smiled, but she scorned Tan Yeluo in her heart.

Look, this monster was out to harm people.

Best Actor Shao was a promising young man, a treasure to middle-aged women!

Although Su Cha was young, Shao Tianwen seemed to have been exposed. He did not dare to say much to Su Cha. He gave an excuse and went to prepare for the next scene.

As for Su Cha, she had to wait for a while before filming her scenes. She called Fu Mo over, took her phone, and logged in to WeChat.

On WeChat, Tan Yeluo had quickly posted the photo of Su Cha.

Vice Alliance Master of the Star Alliance, Tan Yeluo: [Picture]

Vice Alliance Master of the Star Alliance, Tan Yeluo: “Look at our Alliance Master’s photo. Is it beautiful? Is it magnificent?”

Martial Alliance Elder, Yun Zu: “You seem to be a fake Vice Alliance recently.”

Martial Alliance Elder, Weng Zhinan: “Beautiful, beautiful! Little Alliance Master is the most beautiful!”

Martial Alliance Elder, Hong Hangyi: “She is indeed beautiful.”

Elder Buzhou: “Why are you always here whenever something happens?”

Chapter 620: Will Not Be Impulsive

When Su Cha saw Tan Yeluo’s name, she hissed and sent a message to her.

Cha Yi: “Why do you always wear female clothes? Can’t you be a person and be Tan Yezhu?”

Tan Yeluo: “What are you talking about, Alliance Master? I don’t understand!”

Cha Yi: “Have you ever thought about what will happen if someone comes to like you?”

Tan Yeluo: “I’m so good-looking. It’s normal for people to like me. They’re blind if they don’t like me. Is there someone who likes me but doesn’t like you, Alliance Master? Are you jealous?”

Su Cha took a deep breath, completely defeated by Tan Yeluo’s shamelessness.

Cha Yi: "I'll screenshot it for Muyi."

Tan Yeluo: "No, no, no. He is really my brother."

Tan Yeluo: "Alliance Master, sometimes I don't understand what you are saying. I am Tan Yeluo. My brother is Tan Yezhu. Why do you always mistake me for someone else?"

Cha Yi: "Okay, can you meet me with your brother next time?"

Tan Yeluo: "That's not good. Brother has been wooing Sister-in-law overseas recently."

Cha Yi: "..."

This Tan Yeluo was really awesome.

In order to deny it, she started to spread rumors about herself.

So Tan Yezhu had been chasing after a woman overseas recently?

Sure, since the other party wanted to pretend, Su Cha naturally did not care.

Anyway, if anything happened, it would be Tan Yeluo's own fault.

The scene officially began.

Su Cha was very familiar with the role of Yu Wan. She did not need to think too much about it.

As long as she thought of her past life, she could change personas at will.

Even Shao Tianwen and Mu Jiao were not that good at acting.

Moreover, Shao Tianwen seemed to be out of sorts today. However, no one could tell that he was out of sorts. Only Su Cha, who was acting with him, knew.

She knew why but did not say it out loud.

After the filming ended, she returned to the hotel with Fu Mo.

Now that the circumstances had changed and Jin Jiayu had left, Han Yongbing asked someone to change her room and asked Su Cha to move in.

Han Yongbing and the rest were upstairs.

Mu Jiao and Shao Tianwen came back together. Although they were acting as a couple in the drama, they were more like friends in real life. When they came back, Mu Jiao lit a cigarette as usual, took a puff, and exhaled a mouthful of smoke before saying slowly, "If you like it, go after it."

Shao Tianwen glanced at her. He was not embarrassed by her revelation. "Don't smoke too much. It's not good to be photographed by the paparazzi. There are a lot of things going on online."

Mu Jiao sneered. "I know. I'm talking about you. Are you not planning to get married? With your qualities, I think you might have a chance."

Shao Tianwen shook his head and sighed. "The difference is too great. Besides, I've only met her a few times. You think too much. She might not have such thoughts. I can tell."

He laughed self-deprecatingly. "I was praised so highly by my fans, but this day has come."

No matter how highly he was praised, there was still an insurmountable gap between him and others.

Shao Tianwen was helpless about this.

Mu Jiao clicked her tongue and stepped silently on the carpeted corridor with her high heels. "I don't know what you middle-aged men are thinking. You're so timid when chasing someone."

Shao Tianwen: "..."

Although he was almost 40 years old, Mu Jiao was also 30 years old already. She actually called him a middle-aged man.

He did not know whether to laugh or cry as he suddenly thought of Su Cha.

She was so young, just 18 years old, and at such a beautiful age, just like he was back then.

He sighed and entered the room.

It was good to be young. He had the thought that he'd never have that again.
