

## Chapter 19: Heartless

Kealan's POV:

I was making my nightly rounds when I found myself outside of my queens home.

Soon I found myself outside of her bedroom. Let's check on her

I climbed up the oak tree near her window and opened her window. Immediately I was hit with the strong smell of her scent. A small growl ripped through my chest.

Why does she smell so damn good? **Mine** I watched her sleep. She is so beautiful. Her beauty astonishes me every time I look at her. How could someone not fall in love with such a small thing? **You've fallen in love with her**

The realization shook me to the core. Love? I don't love. I haven't been able to love since I lost my mate. She destroyed me and my heart. I don't love. I decided not to dwell on the subject. Stay focused!

I'd made up my mind to leave when I heard the sexiest sound to ever grace my ears. "Mmmmm" she moaned. I stopped in my tracks. I paused. "Mmmmm kealan!" She said. My heart felt like it would beat out of my chest.

Oh baby... I needed to get out of here but my body wouldn't move. "Please uhhh! Yes!!! Right there!" She said loudly. Baby girl was having a wet dream about me!!

The scent of her arousal consumed me. I took it in and I felt my claws extend and my eyes dilate. **Mine** I wanted to take her. I wanted to know how that hot wet pussy of hers felt around my cock! She wants me.

I started to walk closer to her. I watched as her face twisted in pleasure. Mmmm I caressed her face. And placed a gentle kiss on her lips. Just when I did so she climaxed! "Ooooooh kealan!!!!" She screamed.

I don't know how she did it but I released in my pants.

I dropped to my knees in pleasure that I'd never felt before. Omg omg omg. I had to catch my breath. Once I gained control of myself. I took one look at her and hopped out of the window and ran as fast as my legs would take me to my pack.

I was completely spent. I've never in my life felt such pleasure from anything. "What has she done to me?" I asked

I closed my eyes and for the first time fell asleep content.

Eryian POV

I've been sneaking in and out of Ashton's territory for a while now. I know it's dangerous considering I'm a rouge but this is my home. Bestie lives here and she's all I got. I have to figure out a way to get back into the pack. I truly miss being apart of something.

I'll talk to Serena so that we can figure something out together. She's more level headed than I am nowadays.

Serena's house

"Serenity please please please help me get back into the pack! I'm tired of risking my life to see you!" I whined. She gave me a look. I guess she's still salty that I woke her up. "How am I going to get you back into the pack?" She asked.

I gave her a look. And she gave me a look. Between us looking at each other with our lookin ass, I got an idea! ♀ she is going to cuss me out!!!

"What?" She asked. Could you do me the biggest favor best friend who loves me so much?! I asked. She thought about it. "No!" She said. "Whyyyyy?!" I asked.

She rolled her eyes and said "the last time I did you rabbit ass a favor I ended up punching your ex boyfriend in the face and a restraining order put against me."

"This is serious boo!" I said. I poured and gave her the best puppy dog look I can muster. She rolled her eyes at me again. "What is it stank her?" She asked.

"Well... could you please ask Ashton to let me back into the pack? I know he'll do it if you asked, hell he'd eat yo ass if you asked! Please please please please!" I asked getting down on my knees

"Okay! I'll do it but as soon as he pisses me o , I'm punching him in his ball sack! On G.O.D my sister." She said seriously.

"Thank you, thank you, thank youuuu!" I jumped for joy. "I love you so much!!!" I screamed. I jumped on her and attached her face with kisses! "Aaahhhhh! Somebody get this monkey o of me! RAPE!!!" She yelled.

Next thing I know Mr. Hampton ran into the room with a bat! "Not my baby girl!!!" He screamed, swinging like he lost his mind! When he stopped swinging and looked at us on the floor. "What's going on?!" He asked

Me and Serena looked at each other, then at him and started laughing. Holding onto my stomach I tried to catch my breath. "Dad what you thought you was doing with that bat?!" serenity asked.

"I was gonna bust some shit!" He said. We all started laughing. I can't deal, I love this family.

Serenity's POV

I can't believe I let Eryian talk me into this. Ugh I actually have to ask Ashton to do something for me. I can't stand his trifling ass. But I'll do anything for my girl. Ugh I guess I have to prepare myself to make a deal with the devil. Smh

**We get to see mate!!!!**

Shut yo extra dusty ass up! I don't understand how you want someone who thinks your stinks, who is embarrassed of you, and someone who rejected you!!?

**Listen little girl! Do not undermine me! I know a lot more than you think! The moon goddess paired the two of you for a damn reason! I can't help that I love my soulmate and neither can you! You'll never love anyone else more than him. The sooner you come to terms with life and grow the fuck up the better you'll be!!!**

Did I just get told o by my wolf?

**No, I just spoke the truth**

I rolled my eyes. Whatever bitch, help me think of a way to ask Ashton how to let Eryian back into the pack....
