

Chapter 2:

(Yo, I'll tell you what I want, what I really, really want

So tell me what you want, what you really, really want!ll tell you what I want, what I really, really wantSo tell me what you want, what you really, really want)

I quickly shut o my alarm with an annoyed grunt. ' Today will be a good day. I thought trying to motivate myself. I walked to the bathroom to do my morning hygiene routine. A er i shu led to my huge walk in closet. Scanning through the clothing I decided to keep it simple today with a graphic tee that said "yeah yeah don't care" and high waisted shorts. I topped it o with my worn out black and white chucks.

 Checking over myself in the mirror I was happy with my outfit

Checking over myself in the mirror I was happy with my outfit. I let my wild hair loose in its natural state and ran out the door to my car. Sliding into my old Chevy, I crank her up only to hear her rattle. ' Come on baby, start for mam!aI try to start her again praying she comes to life. Vroooom p p . I did a mini victory dance and took o towards the school.

Arriving at Je erson James high school with only a few minutes to spare before 1st period. I hu ed, finding a parking space was hell on earth! Literally every parking spot was taken. 'Kill me now'. Just when I had given up hope I found a parking spot near the back of the building! 'Thank you moon goddess'. As I go to park a red Lamborghini pulls into my spot! '🙄' who the hell does this person think he is? Just then Ashton Knight hops out of the dazzling car. He turns to look at me with a grimace on his face. I was puzzled. I don't know why the future alpha has it out for me. Deciding not to dwell on it , I go on searching for another spot..

Twelve minutes later

'Im late, I'm so fucking late' I thought to myself as I ran as fast as my legs would take me to class. Finally made it, tip toeing inside. I tried my hardest not to interrupt Mrs Polk's lecture but she caught me and singled me out in front of the whole class "Ms. Hampton you're late, again. I'm starting to think you're making it a habit to show up late to my class. If it happens again I will give you a week of detention, am I clear?" "Yes ma'am" take your seat.

'Well today is o to a good start' I thought to myself.

A er first period I went looking for my one and only friend Eryan. She is the only one in this school who is actually nice to me. Since Ashton's return everyone has treated me like crap. I don't know why but it's really irritating. Even the teachers treat me di erently. I guess no one wants to be on the future alpha's bad side. Unfortunately for me I already appear to be on it but whatever.

I finally found her "hey Ery berry" I greeted her. "Hi babes" she replied. We begin to walk to our lockers to get books for the next class. "So are you going to Ashton's party next weekend?" Eryan asked. I gave her a look 🙄. "No, why would I go to his party when he obviously hates me" I replied. "Well your birthday is next Sunday , which means you could possibly find your mate! The party will be the perfect opportunity for you to find your soulmate" she explains. 'She is right you know' my wolf Kolfi decides to make her grand appearance. "I'll think about it" I said. A er our small chat we went our separate ways to class. Second period, science. 'Wooo so much fun' 🙄.

I actually like science it's just that I share this class with Mr asshole himself and I'm not too fond of that.

I walk in and take my seat in the back by the window. As students file into class , some give me dirty looks while others ignore me completely. A er a while Mr big bad alpha walks in like he owns the place 'He does' Kolfi says. Today he has decided that he wants to sit next to me. 'Great'. Our teacher walks in and begins the lesson for today. As I was trying to pay attention I kept feeling like someone was staring at me. I turn my head and my eyes connect with beautiful icy blue eyes. I got lost in them, 'how could someone so annoying have such gorgeous eyes?' I thought. "Stop staring at me loser" he spat. I rolled my eyes which earned me a growl. From then on I ignored him

By the end of the day I was exhausted. I had been cornered by Stephaine the school hoe (whore). She made it her mission to tell me that when she becomes Luna she will banish me from the pack and make me a rouge. I tried not to let her get to me but she struck a nerve. I ended up in the girls bathroom crying my eyes out. I fear becoming a rouge. That's the lowest thing to be. No honor, No respect, No joy, No family. A er cleaning my face I go to my car and drive home.

Today was another day full of disaster.
At least it's over....
