Ashton's POV:

I watched as she disappeared into a gaping hole of nothing. What the fuck was that?! **She's something else isn't she?** You know something bastard, speak now!! **My parents are definitely married boys!** We had enough of this, somebody's gonna tell me what's going on and now. I'm tired of being le in the dark, it's embarrassing! I marched out of the school gym with a look of determination. If serenity and her friend is in danger they are gonna need backup. **'Attention pack members, we are currently under attack!' Prepare yourselves and meet me in the clearing now!**said through the mindlink. My baby girl better now be hurt or it's hell to pay. I shi ed into my wolf and took o .... please be okay.

Serenity's POV:

This is cool af!!!! Omg I'm enjoying myself too much right now! **Focus bitch!!!** Rude! saw an opening and ran towards it. Everything went white! I couldn't see anything. When my vision began to clear up I was in Eryian's house. "Eryian!!!!" I yelled her name. No answer! walked up the stairs, she's still here because I can smell her. I also smelt blood so she may be hurt. My senses were on high alert. Something is not right.... Opening the door to the room where her scent was the strongest, I was caught o guard with a horrible sight. There was a gigantic wolf with yellow eyes standing over an injured Eryian! I growled loudly at him. He's gonna pay!He smirked at me. Oh bitch prepare to die!felt an anger I've never felt before! My claws extended and I began to shi .

A er shi ing I waited for this piece of shit to make his move. When he decided to charge at me I dodged him. I jumped over his head and donkey kicked him in his back leg. He let out a pained yip. **Let me take control.** I gave her what she wanted. The power I felt radiated o of me in waves. " **Shi** "my wolf commanded him and he had no choice. I wanted to see his face before I made my kill.

"Ah the queen has come to her little friends rescue I see" he said. I growled out my response. "Well my dear you have about 2 minuets to save your friend, what's it going to be? Kill me or save your friend." He said with a smile . We have to save her, we can catch him later we know what he looks like. **No he dies now!**showed him my razor sharp K9s. I watched as his smile disappeared, knowing the what was about to happen. I attacked him with no mercy. Sinking my teeth into the side of his neck ripping out his trachea! The taste of his blood filled my mouth, I spit it out. It was horrible. I watched as the life le his eyes. And a part of me felt joy. Eryian!

I walked over to her and put my ears to her chest. There was a faint heartbeat. I shi ed back into my human side. What do I do!!! asked my wolf. **I'm not sure. I don't have the answer to how to save her.** My eyes filled with water. It's gonna be okay!sat her in my lap and prayed to the moon goddess. Please help me, please save her!.began to rock side to side, slowly loosing my mind. It's gonna be okay!Her heartbeat was getting weaker and weaker. That's when I felt a hand touch mine. I looked up and saw a glowing light. "Dear child you have asked of me to save her life and I shall grant you this favor. Only if you accept the truth." Said a voice. "I'll do anything you want, just please save her" I said. The glowing yellow light few into eryian's chest! She gasped for air as her wounds magically started to heal. **We were blessed by the moon goddess. Why?You will know soon enough!** I rolled my eyes.

Eryian's eyes popped open and she looked at me. I was so happy I began to cry. "Don't you ever scare me like that hoe!!" I yelled and hugged the life out of her. "What happened?" She asked. She looked around the room and noticed the body on the floor. She cringed. "Serenity did you do that?" She asked. I nodded my head. I didn't know what had come over me or where I got such power. This is freaking me out. I was gonna tell her when Ashton and a few pack members ran into the room. Everyone froze as they took in the scene before them.

Jordan's POV:

"What the he'll happened here?!" Ashton yelled. Both of the girls look at each other and shrugged . "You have to know something" I said. "Well Eryian was in danger so I came to her rescue..." serenity said like it was the most obvious thing. "So you mean to tell me that yo small ass killed that big ass werewolf?" Asked Jordan. "Be careful jordan or you'll be next" She threatened. Eryian growled lowly in her throat for the threat against her mate. I knew she cared! **Fix things with her you idiot.** I will if it's the last thing I do.

"Okay I'm really tired, I'm outta here" said serenity. "Your not going anywhere, until you tell me how you killed this rouge!" Yelled Ashton! Ooooh shit."Yell at me again and you'll find out." She snarled. Ashton decided to hold his tongue because he could tell from the look in her eyes, she was serious. Eryian was gonna stay with serenity until we got her place cleaned up. I grabbed her by the arm as she was walking by me. "I just want to know that your okay." I told her. She nodded, I am now. Serenity saved my life, I thought I was dead." I owe serenity a big thanks!.let go of her arm and said " I know I'm not your favorite person right now but I do care for you a lot. I felt you dying through our bond. I was loosing my mind so please take care of yourself."

Her eyes began to water as she continued walking out. **You made her cry idiot!!!** Shut up she needed to know how I felt!shook my head and got started on cleaning things up. Hopefully we'll be together one day.....

Serenity's POV:

We take one step forward and we we take two steps back. Ugh! 😞 lord fuck tard aka Ashton is working my nerves. He's questioning me like I'm the enemy! I saved a pack member life for goodness sake! I did a good thing, how I did it shouldn't matter. "Serenity! I know you hear me taking to you" Ashton yelled. "Huh?" I questioned. I was enjoying how red his face turned. Lol he looked like a tomato. Giggling to myself I shook my head. "Are you laughing right now? He asked. "Uh yeah, it's funny. You honestly think that yelling and throwing a tantrum scares me? I asked. "I am your alpha! You are to respect me" he said. "I've already told you that shit doesn't work on me. You are to treat me as your equal dumb butt! Watch how you speak to me, you're making my wolf angry. I told him as my eyes began to glow green. He was seriously pissing me o !!

I began walking away and can you believe this ass whole grabbed me and pinned me to the wall? I'm still on edge from all of this unknown energy flowing through me!"Please let me go" I asked. "No I'm tired of being le in the dark and being made a fool of!" He snarled. I tilted my head and said "you are a fool idiot!!" We made eye contact with each other and ( pain)he dropped to the floor in what looked like pain. I shrugged and continued to my destination. **Why'd you do that to mate?** I don't even know what I did, I just wanted him to hurt. **You're coming into your abilities entirely too fast!** What am I?!
