

The Return of the Reborn Princess

Chapter 011: Brother Xiaomu

"Ouyang Haonan?" Zuo Anchen looked at Ouyang Haonan in disbelief, and punched Ouyang Haonan hard on the chest. "You haven't changed a bit after not seeing me for many years. Let's go, I'm treating you at noon today, just a simple meal."

Please don't mind me."

Saying that, Zuo Anchen pulled Ouyang Haonan and led everyone to Fulai Restaurant. Xia Xifeng did not refuse and followed them together.

Zuo Anchen took everyone to a nice wing room. When the windows on all sides were opened, one could see a lake and mountains, and the scenery was pleasant.

The five of them sat around a table, each with their own thoughts.

"Ouyang, I heard that you have been promoted to commander recently. How come you are still so leisurely and elegant walking around?" Zuo Anchen asked jokingly.

"You also know that I am a lazy person. As long as there are no accidents in the palace, I will be just a fake. I will naturally have time to relax." Ouyang Haonan said with a smile, but his eyes were looking towards

Yao Muzixi.

Yao Muzixi admired Ouyang Haonan in her heart. She really didn't need to draft a lie when telling a lie. Her face didn't turn red and her heart didn't beat. It was clearly your father who asked you to come out to protect me.

"Who are these two?" Zuo Anchen stood up and looked at Yao Muzixi and Xixi and asked. He secretly sighed in his heart, what a peerless handsome man.

"This is my mother's uncle's youngest son named Xiaomu. He came to Landu this time to gain some experience." Ouyang Haonan took Yao Muzixi's hand and started talking nonsense.

"Oh, it's Brother Xiaomu!" Zuo Anchen suddenly realized, but he seemed to have never heard Ouyang Haonan say that he had such a relative as his maternal uncle's younger son.

Yao Muzixi glanced at Ouyang Haonan with black lines on her head, then turned to Zuo Anchen and smiled awkwardly: "Yes, yes, I am his mother-in-law's uncle's youngest son named Xiaomu, haha,

Please take good care of me!"

Xixi wanted to laugh but didn't dare to laugh. She suppressed her face and turned red. Xia Xifeng naturally raised her eyebrows and was speechless at Ouyang Haonan and Yao Muzixi, but he didn't want to show off.

"Xiandi Xiaomu is so handsome! Even more beautiful than the most beautiful woman in Landu!" It was really the first time for Zuo Anchen to see such a beautiful man, and he sincerely praised him.

"No, no, you are thinking too much." Yao Muzixi was ashamed.

As soon as Zuo Anchen saw this "Xiaomu", he spontaneously felt a kind of liking for him. Although he was a man, he seemed to be too charming.

Xia Xifeng did not tell Zuo Anchen his true identity, but said that he was a passerby who came to rescue "Xiaomu" when he saw him in danger.

Zuo Anchen would not believe such words, he just didn't care. But he felt that this person was definitely not an ordinary person, which could be seen from his temperament.

After dinner, Ouyang Haonan took Yao Muzixi and Xixi back to the inn, and then walked around. After walking around, they came to the palace. After all, he was a person with the emperor's destiny.

Arriving at the emperor's palace, Ouyang Haonan bowed.

"Is Xi'er okay?" Yao Jingyu's face was full of concern as a father. In fact, he was more reluctant to let go of Zi Xi than anyone else.

"Everything is fine with the princess. Don't worry about it, Your Majesty. Even if I am broken into pieces, I will not let the princess suffer any harm." Ouyang Haonan said this from the bottom of his heart.

"I am completely counting on you for the safety of the princess. No matter in my Yao Lan Kingdom or in the Xia Kingdom in the future, Xi'er will be your only master. This is the only mission I give you. You must keep the princess safe." Yao

Jingyu said solemnly, with no room for resistance in his eyes.

"Yes, I, Ouyang Haonan, have made it my mission to protect the princess throughout my life. I will never let the princess suffer any harm." Ouyang Haonan said swornly, but in his heart, he also sincerely wanted to protect the princess.

The Return of the Reborn Princess

Ouyang Haonan told the princess's whereabouts and left the palace, walking alone in the deserted streets of Landu, drinking by the moon.

The moonlight was clear and shimmering, and the silver-white light hit Ouyang Haonan's face, revealing a hint of sadness. Ouyang Haonan took the wine jar and took a sip of wine, feeling as if his heart was about to be torn.

pain.

"Princess, it seems that you really don't remember me or the memories between us." Ouyang Haonan was drunk and looked at the moonlit night with blurred eyes: "You are going to get married and marry into the Xia Kingdom, and I

It can only be a bodyguard to protect you."

A line of clear tears slowly fell from Ouyang Haonan's charming eyes, and his long black hair was flying in the wind. The darkness and coldness of the night stung his heart, and he trembled, not knowing why.

Well, I had no choice but to drink the wine one sip after another. Maybe this could only be his secret, and it could only be his secret.

The morning sun was shining brightly and the air was fresh. Yao Muzixi woke up early and prepared to breathe the fresh air and relax.

As soon as Yao Muzixi walked out of the inn door, he saw Zuo Anchen walking towards him. He was very upset, why did I run into him before the good days had begun? I just hoped that he didn't see me, didn't see, didn't see,

Yao Muzixi prayed in her heart.

"Isn't this Brother Xiaomu? Why are you so excited and up so early?" Zuo Anchen immediately put a smile on his face when he saw it was Yao Muzixi, and he couldn't help but become happy.

"Haha, yes! Good morning, Brother Zuo!" Yao Muzixi laughed twice and said helplessly: "Brother Zuo must have come so early to find my cousin...brother! He is in the room above. I

If you have anything to do, leave first."

"Hey... Brother Xiaomu, I've seen Haonan in the woods over there a long time ago. I'm not here to see him, I'm here to see you." Seeing Yao Muzixi about to leave, Zuo Anchen hurriedly stopped her.

the way to go.

"Looking for me?" Yao Muzixi asked with a sad face.

"Yes, I'm looking for you! Today I want to invite Brother Xiaomu to visit the lake. Haha, I wonder if Brother Xiaomu is interested?"

"Not interested." Yao Muzixi refused in a disgraceful manner.

"Then let's go enjoy the flowers. It's the season when the chrysanthemums are in full bloom. The chrysanthemums in Landu are famous in the six countries." Zuo Anchen said reluctantly.

"Not interested." Yao Muzixi said as he walked towards the street, not taking Zuo Anchen's words seriously at all.

Just as he happened to walk to the door of a brothel, Zuo Anchen took a look at the Zuichun Building. Isn't that the brothel he opened in Landu? He looked at Yao Muzixi, smiled, pointed at the brothel and said, "Then

Let's go in and have a drink and leave, no excuses."

"I won't go, I won't go, I don't want to go!" Yao Muzixi protested loudly while being dragged into the brothel by Zuo Anchen, but who made her just a defenseless and weak woman? She could only forcefully

She was dragged in, and her resistance was invalid.

"I've already come, what's there to be embarrassed about? Haha... As long as you come once, I guarantee you'll definitely want to come a second time, a third time... We're all men, who doesn't like this? I think you do too

She's not young anymore, there's nothing to be embarrassed about..." Zuo Anchen said enthusiastically, ignoring Yao Muzixi's resistance at all, and dragged her straight to a wing room on the second floor.

The Return of the Reborn Princess

Chapter 013: I Should Really Doubt You Are A Man

"Hey, why are Mr. Zuo free to come here today? Have you been free recently?" A woman in her thirties greeted her warmly. Although she was over thirty, she was well-kept and dressed in a fancy way, but not too long.

But she is also charming and enchanting, with the charm of a mature woman. I think she must have been a beauty that outshone all other beauties when she was young.

"Hey, it's been a long time, Mother Hua! The business of Zuichunlou is booming under your control, and it's getting better and better!"

"I have to rely on Mr. Zuo to give me this opportunity. Otherwise, I, Hua Sanniang, would not be where I am today." Hua Sanniang said with joy.

"Leave it to you, I'm not wrong about the person, Mother Hua, this is the first time for my friend to come to this kind of place, and he is very shy. You can find some pretty and smart girls to serve you, and you will naturally get this benefit."

Zuo Anchen looked at Yao Muzixi's timid appearance and smiled happily.

"Okay! Mom, I will find some of the most decent and smartest girls for you." Hua Sanniang ran out of the room with her mouth open from ear to ear happily.

"You! What the hell are you doing! You brought me to a place like this so early in the morning." Yao Muzixi said with great disdain.

"This kind of place? This is a good place. Brother Xiaomu, if you don't have this kind of preference, I should really doubt whether you are a man?" Zuo Anchen said, looking up and down, and said with a sly smile: "

Could it be that Brother Xiaomu is really not a man?"

Yao Muzixi thought helplessly in her heart, I am not a man to begin with! None of you stinky men are good. She angrily supported her cheeks with her hands and rolled her eyes at Zuo Anchen.

Zuo Anchen looked at Yao Muzixi's cute look and couldn't help but want to pinch her little face. Just when he was about to reach out, he was interrupted by the girls called by Hua Sanniang, so he could only feel resentful.

Withdrew his dirty hands.

"Master Zuo, the girls are here. You and this handsome young master are going to have a lot of fun, haha..." Hua Sanniang said while giving Yao Muzixi a wink.

Yao Muzixi felt her scalp numb and goosebumps all over her body when she saw this beautiful woman winking at her.

Hua Sanniang wisely walked out, leaving a group of girls to greet her inside. Several young men quickly served the food and drinks and then went out and closed the door.

"Oh, this young man is so handsome!" A slender beauty approached Yao Muzixi and took the initiative to put her arms around Yao Muzixi's neck and joked.

The other girls, with Zuo Anchen's encouragement, took Yao Muzixi's hand and put their arms around her waist, surrounding her. Yao Muzixi could only shout desperately: "Girls, it's not me,

It's not me who's looking for you. It's him, it's him..." She shouted and pointed to Zuo Anchen.

But no one paid attention to what she said, but a girl asked in a sweet voice that seemed angry: "Does the young master think we are not beautiful enough? Not gentle enough? Or does the young master simply look down on us promiscuous women?"

"No, no, you misunderstood..." Yao Muzixi was surrounded by girls and couldn't breathe, and her pretty little face turned red from holding back.

"Aren't you afraid of suffocating the young master by surrounding him like this?" A woman with a beautiful and refined face in white clothes came in from the door and said slowly.

"That's right." As if seeing a life-saving straw, Yao Muzixi broke away from the entanglement of the beauties, grabbed the sleeve of the woman in white, and gasped.

The Return of the Reborn Princess

"Oh, it's the shisha girl! You're just a geisha, so don't worry about greeting people." The speaker was the woman who hugged Yao Muzixi as soon as she came in and said she was so handsome.

"Yes! Yes! You just have to play your piano well."

"That's right!" a group of girls cheered.

The man who called the hookah ignored them, and just walked quietly to the dark pavilion in the back room, placed the guqin, and started playing it with abandon. The sound of the qin was beautiful and smooth, the sound of nature, and those who listened were astonished.

drunk.

Yao Muzixi was even more fond of this hookah. Yao Muzixi greatly praised the hookah in front of Zuo Anchen, saying how beautiful and beautiful her music was. Zuo Anchen thought that since

Xiaomu Xiandi liked the hookah girl so much that he was so beautiful that he wanted to redeem the hookah and give it to her.

"Come, have a glass of wine. It's so boring to just eat food and not drink." Zuo Anchen persuaded him to drink.

"I, I don't know how to drink! Brother Zuo..." Yao Muzixi really had the urge to beat him up. If he hadn't instigated those girls just now, those girls wouldn't have come to eat her tofu one by one.

She was eaten up! Now she is still being asked to drink. Yao Muzixi finally remembered this Zuo Anchen.

"Xiandi Xiaomu won't be so disrespectful! There are so many people watching! Where do you want me to put my face?" But Zuo Anchen still pressed forward step by step, as if Yao Muzixi didn't want to drink with him.

He was not willing to drink wine.

"I...wuwu...I really don't know how to drink..." Before Yao Muzixi could finish speaking, a woman drank a glass of wine.

"Okay, Brother Xiaomu, feel free!" Zuo Anchen saw that Yao Muzixi had already finished a glass of wine, so he drank it without any scruples. Unexpectedly, Yao Muzixi became dizzy just after drinking a glass, but she felt

The wine was very sweet, so he no longer refused, and drank with Zuo Anchen. They didn't know how much they drank, and they were both completely drunk.

"Brother Zuo, come on, let's continue drinking..."

"Haha, Brother Xiaomu has a good drinker, a good drinker..."

"Drink...hehe...I still want to drink."

Two drunkards supported each other while talking and walking, stumbling along the way.

"Huh? What is this? It's so soft! It's so comfortable to hold." Yao Muzixi's cheeks were flushed, but he was touching a certain handsome man's face, poking and pinching it with his fingers.

Xia Xifeng's face was frighteningly cold. She looked at Yao Muzixi in front of her with the corners of her mouth twitching. She wanted to strike her away with a palm, but seeing the smell of alcohol all over her body, she decided to forget it.

Originally, Xia Xifeng accidentally saw Yao Muzixi and wanted to come up and say hello. Unexpectedly, the woman pinched his face with her little paws as soon as she saw him. What he hated most in his life was for others to touch his face.

.

"Take your claws away." Xia Xifeng had a cold expression on her face and her voice was a little hoarse.

Yao Muzixi suddenly felt that the surrounding temperature dropped several degrees. So she put down her paw obediently, looked up at Xia Xifeng, and said with a stupid smile: "Haha... I... know you, you are Xia...

Xia Xifeng." Yao Muzixi fell into Xia Xifeng's arms before she could finish her sentence.

The veins on Xia Xifeng's forehead popped out, and she glared at Yao Muzixi with a livid face, then picked her up in her arms and flew away, completely ignoring Zuo Anchen who was also drunk.

The Return of the Reborn Princess

015 The Princess Is Lost

"Brother Xiaomu, Brother Xiaomu...where are the people?...The ones who were here just now!" Zuo Anchen was still looking around resentfully. The people he brought out had already flown away with others.

I don't know.

After Ouyang Haonan returned to the inn from practicing Qigong, he asked Xixi where her princess was. Xixi said she didn't know and thought she went to play with Ouyang Haonan!

Later, Ouyang Haonan and Xixi were as anxious as ants on a hot pot. They asked around and found out that she had been taken to Zuichunlou by Zuo Anchen to drink. When they found Zuo Anchen, they only saw Zuo Anchen.

An Chen was wandering drunkenly on the street alone, and asked Zuo Anchen where Yao Muzixi had gone. He said that he disappeared all of a sudden for some reason.

Ouyang Haonan looked at the drunken Zuo Anchen, a chilling aura flashed across his face, and he looked at Zuo Anchen with an angry look. He didn't know what Zuo Anchen was doing. He actually gave people away.

I lost it and still smelled of alcohol.

When Zuo Anchen was stared at by Ouyang Haonan, he immediately sobered up a lot and started to become anxious.

A ray of sunlight slanted in from the window and hit Yao Muzixi's face, which seemed to make her feel a little numb.

Xia Xifeng looked at the woman lying on the bed quietly, with a warm smile on his face. He couldn't explain why, but he just felt that this princess was not as delicate and willful as he imagined.

"Ah...where is this? It's so dazzling!" Yao Muzixi squinted her eyes and sat up, looking at Xia Xifeng sitting next to her, her eyes widened, and she asked in disbelief: "

Xia Xifeng? Why are you here?"

"This is where I live. If I weren't here, where would I be?" Xia Xifeng glanced at Yao Muzixi and asked in a cold tone.

"Where do you live? Then why am I here?" Yao Muzixi exclaimed.

"Then you have to ask yourself." Xia Xifeng stood up and walked out of the room without even looking at Yao Muzixi.

Yao Muzixi looked around and found that the house was actually built in the middle of the water, surrounded by lake water on all sides. What should she do? How was she going to get out?

Yao Muzixi glanced at Xia Xifeng. He was actually standing on the water. It seemed that this person had profound skills.

"Hello? Xia Xifeng, I'm talking about you? What's the purpose of bringing me to such a ghost place?" Yao Muzixi wanted to make a joke to him, but he didn't expect that the third prince of Xia Kingdom would ignore her.

"Xia Xifeng, I'm talking to you! Do you have a problem with your ears or something?

"Yao Muzixi was so angry that Xia Xifeng ignored her.

"Huh!" Xia Xifeng snorted and didn't pay much attention to her.

"I'm talking about you! Why did you bring me here? I'm hungry and want to eat." Yao Muzixi's stomach growled with hunger. Yesterday morning, he was dragged to a brothel by Zuo Anchen to drink.

She was dizzy from drinking and had been in a coma all day. Today she finally sobered up but was brought to such a ghost place by Xia Xifeng.

"You still know you're hungry?" Xia Xifeng flew to Yao Muzixi's side like a dragonfly and asked with disdain.

"Yes! I'm hungry." Yao Muzixi touched her stomach in embarrassment.

"I don't want to stay in the palace, but I have to go outside and make mischief. I deserve it when I'm hungry." Xia Xifeng said indifferently, obviously dissatisfied with her, a princess, sneaking out of the palace and causing trouble for him every time.

"You don't have to worry about where I stay! Who said that only the prince is allowed to leave the palace but not the princess?" Yao Muzixi looked at Xia Xifeng's dissatisfied sophistry.

The Return of the Reborn Princess

Chapter 016 - Falling into the Water

Xia Xifeng didn't care about Yao Muzixi's sophistry, but he glanced at her lightly and said unhurriedly: "I'd better send you back to the palace! To prevent you from getting into trouble outside."

After saying that, Xia Xifeng came up to Yao Muzixi, smiled lightly, and picked her up in the air.

"No, I don't want to go back to the palace, I haven't had enough fun yet! You let me down, I don't want to go back to the palace! When I go back to the palace, I'm going to get married. If I go to get married, I'll never have the chance to come out again..."

Yao Muzixi struggled restlessly in Xia Xifeng's arms, moving her hands and feet wildly, and kept shouting.

Xia Xifeng, who was flying in the air, looked at the little woman in his arms impatiently, leaned into Yao Muzixi's ear and said lightly: "If you make any noise again, I will throw you into the lake to feed the fish."

"You dare?" Yao Muzixi didn't dare to show weakness.

"Then let's see if I dare!" After saying this, Xia Xifeng really let go of her hand. Yao Muzixi also fell into the water, and Xia Xifeng had already flown to the shore.

Yao Muzixi's eyes widened in disbelief, but she could only watch helplessly as she was thrown into the water. The water was freezing to the bone. For a moment, Yao Muzixi actually forgot to call for help. God knows what she wanted to say, I can't swim.

ah!

Yao Muzixi splashed twice in the water, and then slowly sank into the water. It became increasingly difficult to breathe. Fortunately, the water was clear and not polluted. It was just that on such an autumn day, she was soaked in the water.

It feels really uncomfortable inside.

Yao Muzixi stared intently at Xia Xifeng, who was still standing on the shore indifferently. She wanted to shout something, but no sound came out. Big bubbles came out of her mouth and nose.

.

Xia Xifeng stood on the shore, originally thinking that if she asked for help, he would immediately fish her out. He just wanted to scare her, but he didn't expect that Yao Muzixi would not say a word.

Xia Xifeng didn't think any more and jumped into the lake conveniently. Only then did he realize how cold the water was. Seeing that Yao Muzixi was about to sink to the bottom of the lake, he felt a little bit unbearable.

, and worried, he immediately used up some energy and swam desperately towards Yao Muzixi.

Yao Muzixi's consciousness became more and more blurred. She just vaguely saw a man in white clothes swimming toward her, with a worried and reproachful look on his face. She wanted to reach out and grab him, but she no longer had the strength to do so.

After struggling against the lake water, his whole body became paralyzed and his vision was blurred.

Finally, she saw him close at hand. He put his arms around her waist and pulled her into his arms. He only felt her body temperature being frighteningly cold.

He kissed her lips distressedly, sending his breath into her mouth, and the slightly cool touch slowly spread. Yao Muzixi snuggled into his arms in a daze, but was slowly kissed by him.

After waking up, the feeling of kissing Fangze was wonderful. Xia Xifeng seemed to be deeply immersed in it and could not help but fall in love with this feeling.

Yao Muzixi already had difficulty breathing, and Xia Xifeng was tightly clamping and gagged, which made it even more uncomfortable. She stretched out her hand to push Xia Xifeng, but Xia Xifeng hugged her tighter.

He had only tasted it briefly, but now he was even more horny because of her resistance.

This was not the first time Xia Xifeng kissed a woman, and her kissing skills were natural. But Yao Muzixi, this was her first kiss, how could it be taken away from her like this?

After Yao Muzixi was rescued ashore, she fainted and fell to the ground. After Xia Xifeng patted the water on her body, she picked her up and walked into the back room, laying her flat on the bed.

The Return of the Reborn Princess

Just when Xia Xifeng was about to change her soaked clothes, Yao Muzixi opened her eyes, coughed hard, and spit out all the water in her stomach.

I don't know if she vomited all of it on Xia Xifeng intentionally or accidentally.

With a snap, a slap hit Xia Xifeng's face hard. Xia Xifeng's eyes, which were still about to get angry, were now shocked by Yao Muzixi's actions.

"I originally thought you were a gentleman, but I didn't expect you were just a stinky man who took advantage of others." Before Xia Xifeng could recover from the scene of being beaten, Yao Muzixi scolded him.

.

"I saved you, otherwise you would have drowned in the water." Xia Xifeng said with a faint smile. It turned out that she was worried about this matter.

"Who wants you to save me? If you can, let me drown. Let's see how you can go back and revive your father." Yao Muzixi said it in a reasonable manner, and Xia Xifeng did not argue with her.

Because it was originally his fault.

"Anyway, you are not the only princess in Yao Lan Kingdom." Xia Xifeng said nonchalantly, making Yao Muzixi almost furious.

"Well, I don't want to go to Xia Kingdom with you to get married. You can find someone else." Yao Muzixi said angrily, and then stood up and started to walk out.

Xia Xifeng grabbed her hand, pulled her into his arms, and said helplessly: "Can't you, woman, be quiet? I will send you back, but not now, the lake is so cold.

Your clothes are not dry yet, you will get sick if you do this. Once your clothes are dry, I will take you back to Ouyang Haonan."

Xia Xifeng's tone when he said those words was extremely gentle, as if he was coaxing his pet.

Yao Muzixi felt very warm when she was held in Xia Xifeng's arms. She didn't know whether it was because her heart was warmed or because Xia Xifeng's body temperature originally made her feel warm. She felt peaceful in his arms.

She didn't struggle or resist, she just let him hold her like that.

It seemed that he had forgotten many things, and he did not feel cold. The feeling was very subtle, as sweet as a piece of sugar. Yao Muzixi shook his head fiercely, and then the scene of Ouyang Haonan being pierced by thousands of arrows appeared in his mind.

, only feeling a splitting headache, he pushed Xia Xifeng away and ran away in a hurry.

Xia Xifeng watched Yao Muzixi push him away so resolutely, and couldn't help but feel a throbbing pain in his heart. He was also shocked by his own actions. He was thinking about why his mind was controlled by a woman so easily.

He used to be such a arrogant person, but today he couldn't help himself because of a woman. And that woman would never be his, she was already destined to be his royal sister-in-law.

"If I could, I would take you away from the hustle and bustle of the world, just for this fleeting dream. Let us grow old together and never complain or regret." Xia Xifeng murmured to herself a little absentmindedly as she looked at Yao Muzixi's back.

Yao Muzixi lay leisurely in the room without thinking about anything. She just wanted to have a good rest, because after all, she was tired enough in the past two days.

"Are you hungry?" Xia Xifeng asked with concern as she sat next to Yao Muzixi.

Yao Muzixi glanced at Xia Xifeng, not wanting to say too much, and just said "hmm" softly.

"Then let's go, I'll take you to eat." Xia Xifeng said with a slight smile.

"But it's getting dark now." Yao Muzixi looked out the window and said calmly: "Don't we have nowhere to go?"

The Return of the Reborn Princess

"How come you have nowhere to go? I'll take you to Ouyang Haonan." Xia Xifeng seemed to have something on her mind, and there was sadness in her eyes when she said this.

"Oh." Yao Muzixi followed Xia Xifeng obediently and quietly. Xia Xifeng took Yao Muzixi out of the lake area and flew towards the most prosperous place in Landu.

"Xia Xifeng, look, it's so lively in front! Let's go eat somewhere." Yao Muzixi looked at the people coming and going, and her mood became particularly comfortable.

"Okay, just do whatever you like." Xia Xifeng glanced at Yao Muzixi and said calmly.

"Okay, let's go, how about staying here at Fulai Winery?" Yao Muzixi still remembers that the first time she was about to be hit by a carriage on this street, it was in front of Fulai Winery. Fortunately, Xia Xifeng took action in time. Only by saving her could she avoid this unexpected disaster.

"As you like." Xia Xifeng still had the same unhurried tone.

When they arrived at Fulai Winery, they went directly to the best private room on the second floor. After asking the waiter to order some of the store's signature dishes, Xia Xifeng and Yao Muzixi sat in the private room chatting boredly.

As they talked, they talked about Xia Mingyu, the crown prince of Xia Kingdom, the future husband-in-law of Yao Muzixi who they had not yet met.

"What kind of person is your imperial brother?" Yao Muzixi asked expectantly. Naturally, she wanted to get to know this person first so that she could prepare for a rainy day.

"Of course he is the best among men, he is handsome, charming, and possesses both ability and political integrity." Xia Xifeng said in an unhappy tone. Does this little woman really want to see his imperial brother? With such a peerless beauty like him. She actually still thinks about other men when she is with him.

"Looking at how reluctant you are to say it, it's okay not to say it." Yao Muzixi looked at Xia Xifeng and said indifferently.

Xia Xifeng smiled faintly. Even if it was for nothing else but the peace of the two countries, he, the royal brother, would love this woman! The more Xia Xifeng thought about it, the more depressed he became, and the more he thought about it, the more nervous he became.

Suddenly, the sound of a piano came from not far away. The music was melodious and comfortable, and could be called the sound of nature. This reminded Yao Muzixi of the hookah girl in Zuichun Tower. Her piano music was also so sweet and beautiful.

The more Yao Muzixi listened, the more she thought it was like the sound of hookah, but why didn't this hookah girl stay in her Zuichunlou and come here?

Yao Muzixi listened carefully, and it seemed that the voice came from the next room. Xia Xifeng was about to ask her what was wrong, but Yao Muzixi first gestured to him to signal him to be silent.

Xia Xifeng was quite sensible and didn't say much. He just listened quietly. The sound was so familiar, but he couldn't remember when he had heard it.

"I'm sure this tune must have been played by that hookah girl." Yao Muzixi looked at Xia Xifeng and said firmly.

"Which hookah girl? When did you meet some unrelated people?" Xia Xifeng was obviously very unhappy. You know how dangerous this world is, and not everyone can be trusted easily.

"We met Zuo Anchen that time when he took me to Zuichunlou for a drink. She is a geisha and her piano skills are very good. I paid more attention to it... So it can be said to be a kind of fate. Today, I met her again Of course I'm very happy to meet you here." After saying that, Yao Muzixi took Xia Xifeng to meet the hookah girl.

The Return of the Reborn Princess

Chapter 019 Give You A Hookah Girl

"Um? Isn't this brother Xiaomu Xian? I finally found you, where have you been these two days? It's hard to find Brother Ouyang and I!"

As soon as Yao Muzixi and Xia Xifeng left the wing, they were stopped by someone. By coincidence, this person was Zuo Anchen. Seeing Zuo Anchen's face with black lines, Yao Muzixi rolled his eyes and secretly yelled that something was wrong.

, it seems that I will be entangled with this guy again. In short, nothing good will happen every time I meet him.

"Brother Zuo? Why are you here? Could it be that you haven't had enough of this romance yet, so you're invited to the restaurant alone today?" Xia Xifeng said hello to Zuo Anchen, glanced at the side room where she was playing hookah and playing the piano, and joked

, and at this time, the enchanting sound of the piano is circulating inside, making people intoxicated.

"Brother Xia, what you said is wrong. I didn't prepare this for myself, but for our shy brother Xiaomu...ahem...for him." Zuo Anchen smiled and looked at Yao Muzixi.

I couldn't stop laughing.

Hearing this, Xia Xifeng looked at Yao Muzixi who was beside him in a funny way, raised his eyebrows and said, "I bet you still have this hobby?"

"Uh?" A big question mark appeared in her mind. Why does this have anything to do with her again?

"Let's go, Brother Xiaomu, I have a gift for you." Zuo Anchen smiled with a cunning look on his face, and pulled Yao Muzixi towards the side room where the music came from.

Xia Xifeng and Yao Muzixi had no choice but to follow him into the wing.

A woman in white clothes was concentrating on sitting at a desk playing the piano. There was no impurity in her eyes. The sound of the piano was naturally crisp and clean, like running water in the mountains, and was unparalleled in beauty.

Needless to say, this woman was naturally a hookah. When the hookah saw Zuo Anchen leading two people in, he stopped and stopped playing the piano. Instead, he walked towards Zuo Anchen, Xia Xifeng and Yao Muzixi, saluted and said

: "The little girl has met several young men while smoking hookah."

Xia Xifeng is a martial arts practitioner and he can tell upon hearing that this woman must be a person with profound skills. No matter how good the piano player is, it will be difficult for him to control the sound of the piano so well without any impurities. The only possibility is

It is through turning internal force into power, touching without touching, and gently urging the strings, that it can produce such a clear sound.

"Excuse me, hookah girl, you are extremely talented, and my wise brother likes you very much!" Zuo Anchen raised his head and laughed.

"Young Master, I'm sorry. The little girl only knows a little bit about it. Thanks to the Young Master, I fell in love with you by mistake." Shuiyan said humbly, but her face was unusually calm, without any ripples.

"Why is the shisha girl here?" Yao Muzixi still looked confused.

"Haha... Brother Xiaomu, you really don't know how to thank me this time!" Zuo Anchen deliberately cleared his throat: "I bought this shisha girl at a high price from Mother Hua at Zuichunlou and prepared it.

It's given to you. I saw how much you admired the hookah girl that day, so I guess you must have fallen in love with her hookah girl. No, because of my adult beauty, I did you a little favor and gave you a hookah girl."

"This...Brother Zuo, you misunderstood..." Yao Muzixi was really speechless, but there was nothing he could do about it.

"Brother Xiaomu, don't be embarrassed or refuse. Don't let me down." Zuo Anchen only thought that Yao Muzixi was embarrassed, but Yao Muzixi was half-dead depressed.

.

Xia Xifeng was naturally here to watch the show, but he really admired Zuo Anchen and Yao Muzixi. How did they look like a man? They didn't look like him at all! It's a shame he had to think of it and gave a woman as a gift.

To this woman.

The Return of the Reborn Princess

Chapter 020: I really want to slap him a few times

"Is it possible that the young master dislikes hookah?" Hookah looked at Yao Muzixi's aggrieved look and asked deliberately pretending to be aggrieved.

"No, no hookah girl, I really haven't thought about it that way." Yao Muzixi quickly denied it, but she was too embarrassed to say it.

"In this case, let's take you away today! I will notify Brother Ouyang to pick you up later. Haha... It seems that I, Zuo, have achieved a wonderful marriage today!" Zuo Anchen was still proud of this.

Yao Muzixi was going to be pissed off by him.

Xia Xifeng always feels that this hookah is not simple. He doesn't know what his intention is to approach Yao Muzixi. It seems that he will have to guard against her in the future. As the saying goes, it is easy to avoid open guns, but hard to guard against hidden arrows! What's more, this hookah is a

People with profound skills cannot take it lightly.

Originally, he had planned to send Yao Muzixi back to Ouyang Haonan so that he could have some fun, but now there is such a person who he has to guard against. How can he leave this woman with peace of mind.

"Shisha thank you, sir." Shuishan said and gave Xia Xifeng a meaningful look. It was obvious that she also noticed that Xia Xifeng looked at her differently, as if he was very wary of her.

Only two people who didn't understand martial arts, Yao Muzixi and Zuo Anchen, didn't notice anything.

"I'm very hungry. If you're not hungry, I'm hungry." Yao Muzixi said dissatisfiedly, and ran back to his side room. The waiter had already served the food, but when he saw that the person had disappeared, he had to keep going.

Where are you waiting? Until you see Yao Muzixi coming, followed by Xia Xifeng, Zuo Anchen and the hookah girl.

After Yao Muzixi filled her stomach unceremoniously, she sat there in a daze, playing the hookah and concentrating on her piano.

"Brother Ouyang, you are here, I have found Brother Xiaomu Xian. Please stop blaming me!"

It was already dark when Ouyang Haonan and Xixi arrived at Fulai Restaurant. Ouyang Haonan looked much haggard, his eyes were lifeless, and his long hair was spread over his shoulders in a wanton and messy manner.

"Sir, I'm worried to death, you know?" Xixi ran over and cried as soon as she saw Yao Muzixi, hugging Yao Muzixi tightly.

"Silly girl, am I not doing well?" Yao Muzixi comforted her, but she didn't notice that she had already spilled the beans.

"Girl?" Zuo Anchen accidentally heard Yao Muzixi calling Xixi, but he noticed that this little book boy who had been following Ouyang Haonan for two days really looked like a woman, no, uh

, she is just a beautiful woman, no wonder she loves to cry so much.

Ever since that day when he sobered up, she has been asking where her young master is? Qingqing, Xiaomu Xiandi has always brought a beautiful woman with him. No wonder he has to be willing to go to a brothel, but he doesn't like the girl from Zuichunlou! It turns out that this boy has been there for a long time

The beautiful woman is hugging her.

"Haha, she is my maid. I was afraid that it would be inconvenient for her daughter to go out, so I asked her to change into men's clothes." Yao Muzixi was afraid that Zuo Anchen would see that she was a woman, so she hurriedly answered.

"Haha... It turns out that Brother Xiaomu has already been hugged by the beautiful woman!" Zuo Anchen said with a vulgar smile. Yao Muzixi really wanted to slap him a few times to see if he would still laugh.

"I..." Yao Muzixi felt aggrieved as to why she had met Zuo Anchen.

"Since Young Master... is fine, I will take him away. Mr. Xia, Brother Zuo, you have your own business to be busy with, so I won't bother you anymore." Ouyang Haonan almost let it slip.

, fortunately, he said that he was the master in time. After saying that, he was ready to take the princess away from these places of right and wrong.
