

The Return of the Reborn Princess

Chapter 132: Qilin Appears

Xia Xifeng glanced at Yao Muzixi and felt strange that she didn't know it was obviously her who injured her. Was there something controlling her before?

"It's nothing, Xi'er, what do you think that is?" Xia Xifeng saw the center of the lake, where the icy lake seemed to be melting.

Uncle Zhu looked at the center of the lake, the expression on his face was cold and frightening. He shouted: "Feng'er, Xi'er, quickly use the Supreme Mystic Skill to set up the formation. It will be too late if it is later."

Xia Xifeng and Yao Muzixi looked at each other and immediately took action. Xia Xifeng turned around and flew to the corner of the ice lake, forming a triangular formation with Yao Muzixi and Zhu Bo.

Zhu Bochong winked at Xia Xifeng and Yao Muzixi, and the three of them immediately used the fifth level of the Supreme Mysterious Skill, Tian Luo Di. They saw streaks of light coming from the fingertips of the three of them, weaving together,

It became a series of impenetrable ripples floating in the sky above the entire glacial lake.

As soon as the fifth level of the supreme mysterious skill was launched, the center of the ice lake began to crack, and layers of ice seemed to have been exploded, splashing in all directions.

The earth-shattering roar resounded throughout Longtan Village. Yao Muzixi was frightened when she saw the movement in the middle of the lake. She had never seen such a worldly thing before, and she suddenly felt a little scared.

I saw that the ice lake seemed to melt instantly from the center of the lake. The ice in the ice lake melted in just an instant. The water was no longer water, but like blood, and turned into a dazzling liquid.

red.

After several storms, two unicorns were seen flying out of the blood-red icy lake. One unicorn was red all over, as if it were made of fire. The other unicorn was as blue as water, as if it was made of water.

made.

Several roars were heard, and the situation in the world suddenly changed. The two unicorns seemed to be filled with infinite anger and rushed towards the sky. However, before they could take a few steps, they were ejected back by those rays of light.

When Zhu Bo saw the situation, he swung an invisible sword with his hand and stabbed the Qilin fiercely. The sword flew several times over the ice lake, and with a sharp deflection, the sword's edge

Stabbed that unicorn.

One of the water unicorn's feet was stabbed by the lightsaber, and a pool of blood flowed out. The water unicorn jumped on the ice lake, wailing, and the sound was a bit shrill. Seeing this scene, the fire unicorn quickly flew to

Next to Shui Qilin, Fire Qilin stretched out his tongue and licked the blood flowing from Shui Qilin's feet.

After a while, Huo Qilin turned his head lightly and glanced at Yao Muzixi who was standing aside, with a ferocious look in his eyes. Yao Muzixi felt the anger in the Qilin's eyes, and immediately turned around and rushed towards Yao Muzixi.

.

Yao Muzixi looked at the Qilin coming towards him in astonishment and forgot to dodge for a moment. The Fire Qilin opened its mouth and spit out a fierce flame.

Yao Muzixi hurriedly avoided the flames coming towards her face, but the Tianluodi formation in her hand was unable to continue. Xia Xifeng looked at the Qilin beside Yao Muzixi, and could no longer watch Yao Muzixi bear it alone.

Kirin's damage.

"Xi'er, leave quickly." Xia Xifeng saw the fire unicorn flying toward Yao Muzixi at lightning speed, and with one claw, it was about to slap Yao Muzixi under his palm.

I saw Yao Muzixi raising his hand to resist in front of him, but the Qilin seemed to be frightened by something. I saw a light coming out from Yao Muzixi's neck. Yao Muzixi looked at the fire that was fixed in front of him.

Qilin secretly breathed a sigh of relief.

Xia Xifeng took this opportunity and quickly hugged Yao Muzixi together and flew to the side.

"It was so thrilling just now. There was something on you protecting you." Xia Xifeng put Yao Muzixi down and said seriously.

Yao Muzixi reached out and took out the jade pendant around her neck. It was given to her by her father on the day of her wedding, saying it was a gift from her mother. Yao Muzixi felt a sense of security in her heart when she saw the jade pendant.

Feeling, a trace of happy smile on his face.

"It's the jade pendant my mother left for me. It must be my mother in heaven who protects me." Yao Muzixi's eyes flashed with crystal tears, and he didn't notice at all that Zhu Bo on the side was fighting with the fire unicorn.

Hard to leave.

"This jade pendant seems to be able to control the fire unicorn." Xia Xifeng looked at the jade pendant in Yao Muzixi's hand and said what she was thinking.

"Really?" Yao Muzixi looked at Xia Xifeng in disbelief, with a look of surprise on his face.

"Yes, Xi'er, just now you were almost bitten by the wind from the Qilin's palm, and the jade pendant around your neck suddenly glowed, and the Fire Qilin was fixed in the sky, and I had the chance to rescue you."

Xifeng told what he had just seen.

"No, Uncle Zhu is in danger." Yao Muzixi saw with sharp eyes the confrontation between Uncle Zhu and Huo Qilin. It seemed that Uncle Zhu was no longer able to resist Huo Qilin's ferocious offensive.

Yao Muzixi resolutely pulled off the jade pendant from her neck, looked at Xia Xifeng, and flew towards Uncle Zhu together. Yao Muzixi picked up the jade pendant in his hand and blocked it in front of Uncle Zhu, only to see that

The jade pendant gave off a soft light. The Qilin's eyes suddenly became extremely soft and Qilin stopped in mid-air blankly.

Xia Xifeng smiled slightly, steadied Zhu Bo, glanced at Yao Muzixi, and smiled happily. It turned out that this jade pendant really had a control effect on the unicorn, but he didn't know how to use it.

A flash of light flashed in Zhu Bo's eyes. He was really in danger just now. If the two of them hadn't saved him in time, he would probably be unable to continue fighting with the unicorn. But now is the perfect time to kill the unicorn. If

If the Qilin was not killed, it is estimated that none of them would have a chance to survive.

Uncle Zhu stretched out his hand and wanted to use the ruthless sword, which is the seventh level of the Supreme Mysterious Skill. Yao Muzixi quickly stopped him and said: "Uncle Zhu, I think this unicorn is destined to me, so I must not kill it!"

"Xi'er, if we don't kill Qilin, I'm afraid it will be difficult for us to escape from this disaster." The expression on Zhu Bo's face was a little indifferent. After hesitating for a moment, he still used the seventh level of the supreme mysterious power to stab the fire Qilin.

go.

Yao Muzixi turned around and blocked Zhu Bo's sword. However, it seemed that the sword could not hurt her at all, but bounced Zhu Bo far away.

Yao Muzixi turned to look at Huo Qilin, and saw that Huo Qilin was looking at Yao Muzixi with clear eyes, looking thoughtful.

Yao Muzixi held the jade pendant in her hand, and just looked at the fire unicorn calmly. The fire unicorn looked at Yao Muzixi with a curious expression. Finally, a red light flashed on his body, and he turned into a pet dog.

Big or small, a pair of eyes looked at Yao Muzixi.

Yao Muzixi was a little surprised. The baby Fire Qilin in front of her was so cute. The eyes were transparent and shining. The baby Fire Qilin lay on its paws, walked to Yao Muzixi's feet, and rubbed Yao Muzi with its body.

He lifted Xi's legs, screamed twice, and walked towards the water unicorn lying beside him.

Xia Xifeng and Zhu Bo looked at everything in front of them in surprise, a little unbelievable that this Fire Qilin could actually become so obedient. Fire Qilin came to Shui Qilin's side and licked Shui Qilin's injured leg with his tongue.

Tears seemed to overflow from his eyes.

The Return of the Reborn Princess

Chapter 133 Xuanyuan Jiuling Is Still Alive

Yao Muzixi hurriedly walked to the baby Qilin and hugged the Fire Qilin. He took out the jade pendant and shined it at the Water Qilin. He saw that the Water Qilin's whole body was emitting a strong light blue light.

In an instant, the water unicorn also turned into a baby unicorn. It was the same size as the fire unicorn and was very cute. However, the only difference from the fire unicorn was that the whole body of the water unicorn was light blue, which was the opposite of the fire unicorn.

Yao Muzixi squatted down and looked carefully at the wound on the water unicorn's foot. He gently lifted the baby water unicorn's foot and looked at the small wound. He frowned and tore it off from his own dress.

The next piece of cloth was used to bandage the feet of the baby water unicorn.

When Xia Xifeng and Zhu Bo saw this, a smile overflowed on their faces. They really didn't expect that these two unicorns could turn into obedient pets, and they seemed to be very close to Yao Muzixi.

Shui Qilin blinked and turned over, as if nothing serious had happened, and landed at Yao Muzixi's feet. Yao Muzixi stood up and looked at the two cute unicorns at her feet, with a happy smile on her face.

.

As if sensing something, the two unicorns turned their heads together and looked towards the center of the lake. They saw a stream of light overflowing, which was so piercing that people could not even open their eyes.

The baby unicorn turned around and ran towards the center of the lake. Yao Muzixi looked at the pair of unicorn babies and quickly chased after them. Seeing this, Xia Xifeng quickly followed Yao Muzixi, and Zhu Bo naturally followed.

When we came to the bottom of the ice lake, there was no water at the bottom of the lake. It was like an underground palace, with a huge brilliance that was a bit dazzling. The baby Kirin ran forward desperately, as if to clear the way for them. It didn't take long to run.

, then I saw a coffin tomb. The crystal coffin was shining with dazzling brilliance.

Xia Xifeng was a little surprised when he saw everything in front of him. He walked calmly to the coffin and tomb and carefully looked at everything in the underground palace. Zhu Bo was very surprised when he saw everything in front of him. He had stayed here for thirty years.

But I never knew that there was an underground palace at the bottom of the lake. It seemed that the underground palace was where the body of Emperor Xuanyuan was placed.

"I think the crystal coffin must contain the body of Emperor Xuanyuan. I think we should leave here immediately." Zhu Bo said, with a bit of worry in his eyes, wondering if there might be any mystery in this underground palace.

.

"Uncle Zhu, it was the twin unicorns that brought us here. I think there must be some meaning." Yao Muzixi looked at the pair of unicorn babies with soft eyes.

I saw the pair of unicorns, one on the left and one on the right, standing on both sides of the crystal coffin tomb. I saw the coffin tomb emitted a silver light, and a shadow was released in the sky. The shadow was dressed in white and looked like Xia Xifeng.

Xia Xifeng looked at the shadow in the sky that looked very similar to herself with a look of astonishment on her face, not knowing why.

"Anyone who can come to my ice lake underground palace must be a destined person." The shadow said in the air, looking at Yao Muzixi with a glint of joy in his eyes.

Then, the phantom opened his mouth and said: "I am Xuanyuan Jiuling. In my crystal coffin tomb, placed with my body is my Ice Blade. This is the supreme weapon when I conquered Xuanyuan World."

Divine weapon. This sword is only for those who are destined to do it."

After saying that, the phantom disappeared. The two unicorn babies jumped to Yao Muzixi's side, looked at Yao Muzixi with harmless eyes, and turned away to look at Xia Xifeng. After being stunned for a moment,

Then he ran to Xia Xifeng's feet, bit his clothes and pulled him to the side of the crystal coffin tomb.

Xia Xifeng glanced at the coffin and felt a powerful force seeming to draw him in. Countless memories seemed to flood into his mind in an instant, and then disappeared. Xia Xifeng stretched out his hand and struck out with a palm

Open the coffin and tomb.

The crystal coffin tomb cracked in response, and what appeared in front of several people was a young man, dressed in white, who was very eye-catching. There was a faint smile on his face, as if he was still alive. The man was really like Xia Xi

Maple looks exactly the same.

Xia Xifeng looked at the person lying in the coffin with a hint of surprise. Although he was dead, he looked just like a living person.

"Emperor Xuanyuan?!" Upon seeing this, Uncle Zhu immediately knelt in front of Xuanyuan Jiuling's body and kowtowed three times.

After Zhu Bo kowtowed three times, he saw a sword suddenly coming out of Xuanyuan Jiuling's right hand, shining slowly with brilliance.

Yao Muzixi looked at the knife. It was exactly the same as the Bingling knife on the kraft paper. Could it be the Bingling knife? Yao Muzixi looked back at the two unicorns sitting aside quietly, leaning against each other.

"The twin unicorns must be here to protect Emperor Xuanyuan and the Ice Sword. Since we are destined, Xia Xifeng, I think this Ice Sword is perfect for you." Yao Muzixi's eyes flashed with joy.

With all his eyes, he looked at Xuanyuan Jiuling, who was sleeping peacefully, the man who looked exactly like Xia Xifeng.

Xia Xifeng nodded and reached for the ice knife. As soon as his hand touched the ice knife, the knife changed. A thick layer of ice spread rapidly from the blade to the handle. Xia Xifeng

His hands were also frozen by the ice, his brows were slightly twisted, and there was a trace of pain on his face as he looked at Xuanyuan Jiuling who was lying on the crystal coffin tomb.

I saw only one hand, firmly grabbing Xia Xifeng's hand. That hand belonged to no one else, it was Xuanyuan Jiuling.

Xia Xifeng looked at Xuanyuan Jiuling lying next to him in shock, breaking into a cold sweat. Isn't he dead?

Yao Muzixi's eyes widened in horror and he looked at the person lying in the crystal coffin. Xuanyuan Jiuling slowly opened his eyes and glanced at Xia Xifeng. He slowly sat up and glanced at Yao on the side.

Mu Zixi had a strange look in her eyes.

"You're not dead?" Yao Muzixi screamed in fright. Wasn't that Xuanyuan Jiuling a person from three hundred years ago? Why is he still alive?

Zhu Bo looked at everything in front of him and was so frightened that he could not speak. What was going on? Why was Emperor Xuanyuan still talking?

"Who are you?" Xuanyuan Jiuling looked at the people in front of him, put down the hand holding Xia Xifeng, stood up, walked to Yao Muzixi, looked at it carefully, and narrowed his eyes slightly: "We

I seem to have seen it before, in a dream."

Yao Muzixi looked at Xuanyuan Jiuling in astonishment. She had indeed seen him in her dream. He said he was Xuanyuan Jiuling. Yao Muzixi glanced at Xuanyuan Jiuling and felt confused. Could it be that he

Is it a fake corpse? How could a person who has been dead for hundreds of years stand up and talk to himself?

Yao Muzixi quickly ran to Xia Xifeng and grabbed his sleeve, not daring to look at Xuanyuan Jiuling.

"Are you afraid of me?" Xuanyuan Jiuling walked up to Xia Xifeng and Yao Muzixi and looked at them, but his eyes were pointed straight at Yao Muzixi.

"You are a dead person, and you stand up to talk to me. How can I not be afraid?" Yao Muzixi buried his head behind Xia Xifeng, glanced at Xuanyuan Jiuling, and said angrily, but they really look alike.

.

The Return of the Reborn Princess

Chapter 134 The Fate of the Ice Knife

Xuanyuan Jiuling cast his charming eyes and looked at Yao Muzixi with a playful smile in his eyes. He stared at Xia Xifeng for a long time and said, "Is he the Xia Xifeng you mentioned?"

Xia Xifeng raised his head and looked at Xuanyuan Jiuling beside him, with a hint of anger in his eyes, as if he and Yao Muzixi were very familiar.

"Yes, he is Xia Xifeng, the person I like." Yao Muzixi grabbed Xia Xifeng's arm and glared at Xuanyuan Jiuling.

Xuanyuan Jiuling didn't care anymore. He just looked at Yao Muzixi and smiled lightly. He reached out and grabbed Xia Xifeng's arm, and saw that the ice on the ice knife instantly disappeared. Xuanyuan Jiuling smiled and said: "Since

You like my knife so much, so I gave it to you."

Xia Xifeng felt that the stinging pain in her hands suddenly disappeared, but the layer of ice covering her hands completely disappeared. Xia Xifeng held the ice knife in her hand and looked at Xuanyuan Jiuling with a trace of doubt.

"Are you really the Xuanyuan Huangdi three hundred years ago?" Xia Xifeng looked at Xuanyuan Jiuling with confusion.

Xuanyuan Jiuling just smiled and said nothing, looking at the person in front of him, his mind was a little confused. Three hundred years ago? Did he sleep for three hundred years? Isn't it ugly to be old?

"What did you say? Three hundred years ago?" Xuanyuan Jiuling showed a wry smile on his face.

"Three hundred years ago, the Xuanyuan royal family suffered a disaster. Emperor Xuanyuan disappeared in front of the world with the Xuanyuan Five artifacts." Zhu Bo stood up and looked at this man who looked exactly like Xia Xifeng.

"Did I sleep for three hundred years? I remember that I was dead at that time! Why am I still alive?" Xuanyuan Jiuling covered his head, wondering how he could not die!

"Are you dead? Are you a ghost or a human now?" Yao Muzixi was shocked when Xuanyuan Jiuling said this.

"Me?" Xuanyuan Jiuling smiled, glanced at Yao Muzixi, raised his eyebrows, showed a playful smile, and said: "Of course, neither a human nor a ghost."

Yao Muzixi almost vomited blood after hearing what Xuanyuan Jiuling said. What does it mean to be neither human nor ghost?

"I think you should leave here quickly! Don't disturb my sleep anymore." Xuanyuan Jiuling stretched lazily and lay down in the crystal coffin tomb again.

"By the way, I'll give you the pair of unicorns!" Xuanyuan Jiuling blinked at Yao Muzixi, smiled evilly, and fell asleep peacefully.

Xia Xifeng looked at that Xuanyuan Jiuling and felt a little aggrieved. It didn't matter that he looked exactly the same as himself, but he also winked at Yao Muzixi. It was really disgusting.

Xuanyuan Jiuling seemed to have thought of something, opened his eyes, sat up, smiled at Xia Xifeng, and said: "I gave you the ice knife, but you have to remember that this knife is used to protect you.

She is a woman. You have to protect her, otherwise I will get up from the coffin and take her away."

The corner of Xia Xifeng's mouth twitched, wanting to beat that guy up. Yao Muzixi looked at Xia Xifeng with an embarrassed look, what the hell was Xuanyuan Jiuling doing?

"You guys aren't leaving yet? I'm going to bed. If you like something, just take it." After saying that, Xuanyuan Jiuling closed the crystal coffin lid.

Yao Muzixi took one last look at Xuanyuan Jiuling and saw an evil smile on his face, which made her feel a little chilly.

The moment the crystal coffin tomb was closed, the entire underground palace in the center of the lake began to shake. The shaking was so severe that Zhu Bo took the hands of the two of them and flew towards the lake. The two unicorn babies grew bigger instantly. Several people were shaken.

Carrying it on his back, he flew out of the middle of the lake with a few stumbles.

As soon as it touched the ground, several people saw the underground palace in the center of the lake freezing rapidly. If it had been a second later, several people would have been frozen as well.

"Uncle Zhu, what's going on?" Xia Xifeng glanced at Uncle Zhu and asked with confusion in his eyes.

"It should be that Huangdi Xuanyuan used his power to freeze the underground palace in the middle of the lake. It seems that Huangdi Xuanyuan did not die back then, but just hid himself in the underground palace in the middle of the lake in Longtan Village." Zhu Bo's eyes flashed with joy.

Light, boldly guessing.

"But why did Yellow Emperor Xuanyuan survive three hundred years of sleeping in the underground palace?" This was what Xia Xifeng was most puzzled about, and it really puzzled him.

"I don't know why. I was surprised just now when I saw that Emperor Xuanyuan was not dead. Emperor Xuanyuan gave you this pair of unicorns and ice knives. I think he must know something about it. I think we should leave as soon as possible.

It's good here." Zhu Bo said and glanced at the two of them.

The pair of unicorns seemed to be a little uneasy. They walked in front of Yao Muzixi and screamed vigorously. Yao Muzixi looked at the two unicorns inexplicably. The water unicorn raised its claws and threw Yao Muzixi away.

on the back.

Xia Xifeng and Zhu Bo looked at each other and jumped on the Qilin one after another. After a few people sat firmly, the two Qilin took off into the air.

Xia Xifeng hugged Yao Muzixi tightly and looked at Longtan Village below. She saw that Longtan Village, which was intact just a moment ago, was now in ruins.

"The village is destroyed!" Yao Muzixi looked at the destroyed Longtan Village at her feet, and felt a sharp pain in her heart, with a trace of reluctance.

"It seems that all this was arranged by Xuanyuan Jiuling." Xia Xifeng hugged the person tightly in her arms, looked at Longtan Village below, and said calmly.

After flying out of Longtan Village, the twin unicorns flew to high places, and did not stop until they reached the cliff where Yao Muzixi fell. When the few people reached a safe place, they got off the unicorns.

The two unicorns turned into cute and cute unicorn babies again. After watching Yao Muzixi chirp for a while, they both flew up, spinning into a ring in the air and turning into a small red and blue bead.

, flew into the jade pendant around Yao Muzixi's neck.

Yao Muzixi looked at the jade pendant around her neck in surprise, and exclaimed in disbelief: "The unicorn flew to the jade pendant."

Xia Xifeng came to Yao Muzixi and smiled lightly: "This unicorn should be your guardian. You must take good care of the jade pendant."

Yao Muzixi nodded firmly, smiled, and looked at Xia Xifeng. He could come out alive because the old man was smart. He had not avenged his deep hatred, so how could he die like this!

"How about taking me back to Yao Lan Country? I'm worried about my father." Yao Muzixi put away the jade pendant and looked at Xia Xifeng, her eyes full of expectation.

"I'm afraid it's inappropriate, this..." Xia Xifeng said hesitantly.

Zhu Bo walked up to the two of them and heard the meaning of their words. He asked, "Is Xi'er the princess of Yaolan Kingdom?"

"Yes, Uncle Zhu. I am the princess of the Yao Lan Kingdom and the Xia Kingdom, but I am very worried now. I think something will happen to my father." Yao Muzixi looked at Xia Xifeng and Uncle Zhu with a worried look on his face.

"In this case, Feng'er, you will send the princess to Yao Lan Kingdom. In this way, if there is any business that can be solved, if nothing happens, it can also make Xi'er feel at ease." Zhu Bo said and glanced at the two of them.

. There was a trace of depression in his eyes and he said: "The Xuanyuan Five Divine Artifacts are real. I'm afraid there will be chaos in the world. I must find the whereabouts of the Five Divine Artifacts."

The Return of the Reborn Princess

Chapter 135 Returning to Yao Lan

After speaking, Zhu Bo went down the mountain, and gradually disappeared into the sight of Yao Muzi and Xia Xifeng.

"Let's go back to Lanzhuang first, and then we are in the secret meeting Yao Languo." Yao Muxi looked at Xia Xifeng, with a trace of firmness in his eyes.

Back to Lanzhuang, the breath in the house was a bit dull.

Ouyang Haoshan was sitting in the gazebo, looking out of the door, and hurting his gods while drinking. For more than half a month, he found the princess every day, but he couldn't find it anymore. The heart seemed to die in pain.

Chu Siling stayed on his side, looking at him like this, it was useless to say, and it was useless to fight. He only hated himself in his heart.

"Are you drinking like this? You have anesthetized yourself, but have you ever thought about others, and you are working hard, why do you have fallen like this. The princess will not forgive you when they come back."

The wine in his hand was fiercely filled with a few sips, and then threw the altar on the ground, scolding loudly.

Ouyang Haonan ignored Chu Silin, only taking care of his own wine, and glanced at Chu Siling slightly, saying: "Girl Chu, you don't want to worry about it. I will definitely find the princess.

. ""

Chu Siling's slap was thrown on Ouyang Haonan's face, and his eyes were full of resentment, and his tears stayed with tears: "Do you want to find a princess like this? You are a idiot to say dreams."

Ouyang Haonan's face was hot and painful. He looked up at Chu Siling, but saw a familiar figure outside the door. Who wouldn't the princess be the princess? The princess was back!

Ouyang Haonan pushed Chu Siling away, and ran out regardless of everything. He only saw Yao Muzi and Xia Xifeng walk in.

"Princess? Is it you?" Ouyang Haonan looked at the woman in front of him. He missed the princess for more than half a month. He was worried about the princess who had been in half a month and finally returned safely.

"Ouyang Haonan! What's wrong with you?" Yao Muxi walked in front of Ouyang Haonan, looking at his bloodshot, tired of his face, and a little distressed in his heart. When he first saw him, how did he be handsome and handsome

The good son of Jia, but now he has become so tired and embarrassed, can he be destined only to hurt him? In the past life, did you still have to treat him like this in this life?

Ouyang Hao's face started a smile on his face, holding Yao Muzi in his arms, and said excitedly: "Princess, you are really good, I am about to die, I can't sleep well, I can't sleep well.

You are all your figures in your head, but why can't I find you? Do you know that feeling? It's better to die, so sad, I'm so sad. "

"It's okay, Ouyang Haonan, I'm back, I am back safely." Yao Muxi listened to Ouyang Haonan's words, almost crying, why would he always make him worry!

At the moment Chu Siling saw Yao Muzi a little faint pain, he cared about him so much, but Ouyang Haonan never had herself in his eyes. Only she had her Yao Muzi.

Will it not be so degenerate, will it not be so uncomfortable, if so, she should be happy.

Xia Xifeng looked at the two, walked to the gazebo on the side, made it, and a table of wine hasn't been drinking for a long time! Pick up a altar wine and drink it.

Yao Muxi and Ouyang Haonan.

At night, some cool, Yao Muxi came to Hua Tianze's room, and saw that she was almost good, and her silver hair was open and enchanting.

"The princess is back." Hua Tianze stood in front of the window, looking at the moonlight outside the window, and a touch of light flashed in his eyes. Then he pulled out his flute and played.

Yao Muzi looked at Xiao Sheng, slowly approaching Hua Tianze, and his eyes were attracted by the flute in the hands of Hua Tianze.

Isn't that flute, isn't the gathering soul flute you saw in Longtan Village?

"Hua Tianze, where do you come from this flute?" Yao Muzi walked in front of Hua Tianze, looking at the flute carefully.

Hua Tianze just smiled slightly, and there was a trace of arc in the corner of his mouth. He said: "This flute was found on a tree in Wanhua Valley. At that time, I was very small and small. I like this very much.

Xiao, I stayed until now. "

"On the tree?" Yao Muzi flashed a doubt in his eyes, looked at Tianze, and looked at the flute in his hand: "Do you know what the flute is used?"

Hua Tianze smiled indifferently, put the flute on his mouth, and a kind of enchanting smile appeared on his face, and he blown it up. After a song, he smiled and said, "This is the purpose of this flute."

Yao Muzi smiled indifferently, and did not point out that this flute was one of Xuanyuan's five artifacts, and then turned around, prepared to leave, before leaving, looked back at Tiaize, smiled:

"Flower Tianze, protect your flute, you must not fall into the hands of others."

Flower Tianze watched Yao Muzi told: "My thing, naturally it will not fall into the hands of others."

Yao Muzi was not ready to say more, so she walked out of the room of Hua Tianze, went out, and saw Hua Lan Binger looked at himself with a grudge.

"Binger, the flower Tianze is inside! I just come to see if he has recovered, this will leave." Yao Muxi looked at this clean and clear woman through the moonlight, and felt sour in her heart. I only felt this girl.

Nice live innocent.

“公主,这么晚也早些回去休息吧!师兄我会好好照顾的。”花澜冰儿听姚木子汐这么一说,淡淡笑了笑.只是心里有些不是滋味,师兄好像喜欢她,可是自己

I really like my brother, I like it very much. I like it very much.

"Binger, I want you to help me help me, can I talk about it?" Yao Muxi walked in front of Hua Lan Bing'er and pulled her hand.

"I?" Hua Lan Bing'er looked at Yao Muxi a little unexpected.

Yao Muxi nodded just, and pulled Hua Lanbing'er aside, whispering.

After listening to Hua Lan Bing'er, she smiled lightly and whispered: "In this case, I will help my sister."

Yao Muzi smiled lightly and pulled Hua Lan Bing'er to his room.

In the middle of the night, Yao Muzi turned over the window and changed into a men's clothing, flying out of the wall. At this time, Xia Xifeng had already waited here. Yao Muxi glanced at Xia Xifeng proudly, saying: "How?

Yes! "

Xia Xifeng just smiled, and opened the carriage curtain. Yao Muzi got up and entered the carriage. Xia Xifeng sat outside the carriage and drove the horse.

The carriage was a bit bumpy, shaking, all the way, raising the dust.

After a few days of day and night, I finally returned to Yao Lan Guo Lan's capital. Yao Muxi stood in front of the city gate, and her eyes were sour. I went there for half a year. Lan was still not changed. Everything was still.

"Xi'er, when we arrived at Landu, we had to find a place to rest first, and then plan to make plans at night." Xia Xifeng went to Yao Muxi's ear, whispering gently.

Yao Muzi nodded, looking at the capital of Yao Languo, some memories have been reproduced in front of him.

The Return of the Reborn Princess

Chapter 136 Night visits to the palace

Xia Xifeng took Yao Muzixi to the hut in the middle of the lake where they had lived together. They looked at the faint moonlight in the sky together, never expecting to return here.

"How about we go to the palace when it gets dark." Xia Xifeng looked at the moonlight in the sky and said calmly.

"Well, okay, I just want to meet my father." Yao Muzixi's eyes seemed to flash with tears. She hadn't seen her father for a long time, and she didn't know if he was doing well at the moment.

It was late at night, and outside the imperial city gate, there were heavy soldiers everywhere. There were also not a few soldiers patrolling the city. Xia Xifeng and Yao Muzixi quickly passed through several secret doors. Fortunately, they were very hungry, but these soldiers were

Nothing was found.

It didn't take long for the two of them to enter the palace smoothly. Everything in this palace was so familiar to Yao Muzixi, but the palace seemed to be less lively than before and now it was particularly clean.

Yao Muzixi and Xia Xifeng were wearing night clothes and hiding in the dark. They saw patrolling guards everywhere in the palace. Yao Muzixi looked at these guards and felt that they were unfamiliar. Speaking of this palace, she was not the best.

It couldn't be more familiar. After all, in this palace, I am confused about life and death, and I have tasted all kinds of things.

Yao Muzixi and Xia Xifeng were hiding on the roof, and saw a woman walking into Yao Jingyu's palace in a panic. Yao Muzixi secretly thought, her father must be asleep at this time. Why is that woman going to his father's palace?

?

Yao Muzixi turned over, jumped to Yao Jingyu's bedroom, and hid behind a curtain. Xia Xifeng had no time to stop her, so she had to follow them to Yao Jingyu's bedroom.

I saw the woman dressed in red, holding a bowl in her hand and coming to Yao Jingyu's bed. She put the bowl on the table beside her and helped Yao Jingyu sit up. I heard Yao Jingyu's fierce words.

He coughed a few times, looked up at the woman in front of him, showed a wry smile and said, "The medicine that Concubine Chu Xiang ordered you to bring?"

"Yes, Your Majesty, the Queen said that you are not in good health and you must take medicine three times a day." The woman glanced at Yao Jingyu, with a bright smile flashing in her eyes.

"Okay, I understand, please step back first!" Yao Jingyu looked at the woman with a tired look on his face.

The woman looked at Yao Jingyu in embarrassment, her tone became a little unhappy and said: "My Majesty said, I have to personally see that the Emperor has taken the medicine before he can leave."

Yao Muzixi looked at her father like this and felt really bad in her heart. Her father was sick and she drank some unknown medicine. It must be Concubine Chu Xiang's fault. Her father had always been in good health before.

, it's impossible to fall ill after not seeing him for a few months.

With a sharp turn, Yao Muzixi quickly dodged behind the woman, put a sword on the woman's neck, and snorted coldly: "If you want to live, just stay here."

The woman let out a frightened "Ah" and quickly closed her mouth when she heard Yao Muzixi's cold shout.

Yao Jingyu looked at Yao Muzixi in front of him in disbelief. Although he was dressed in men's clothing, he still recognized his most precious daughter at a glance. But when did his Xier learn good martial arts?

"Xi'er, is that you?" Yao Jingyu stood up quickly and dropped the bowl of medicine on the ground. With a bang, the bowl broke into half, and the medicine in the bowl spread all over the floor.

"What's going on?" Perhaps it was the sound of the bowl hitting the floor that attracted the attention of the guards outside, and someone outside could be heard asking loudly.

Yao Muzixi brought the sword in his hand closer to the woman's neck and winked at her. The woman was also a smart woman, and she quickly said: "It's nothing. I was careless when delivering the medicine and broke it."

Bowl, I'll pack it up and come out right away."

"Take it easy and be careful when doing things." The guard outside scolded him and left after saying that.

When Yao Muzixi saw that everyone was gone, he glanced at Xia Xifeng and put away his sword. Xia Xifeng walked up behind the woman in red and knocked the woman unconscious with a single force.

"Xi'er? Is that you?" Yao Jingyu looked at Yao Muzixi with a look of joy in his eyes.

Yao Muzixi took off the black cloth from his mask smoothly, and tears fell from his eyes. Yao Muzixi dropped the sword in his hand, threw himself into Yao Jingyu's arms, and cried in pain: "Father, what are you doing?"

Are you sick? You look so haggard!"

Yao Jingyu showed a look of relief on his face, patted Yao Muzixi's back, and said sadly: "Xi'er, I've been so worried about you recently! I overheard your Aunt Chu's conversation with someone, saying

I want to buy you now. But now the palace is full of people belonging to the prince and your concubine Chu. My father is like a puppet now and I can't do anything to them."

"Father, what kind of medicine did they give you? I know. I have always known that Aunt Chu wanted to kill me. Assassins started to assassinate me wherever I was in Landu. Fortunately, I had the Third Prince and Ouyang Haonan with me.

." Yao Muzixi said and glanced at Xia Xifeng.

Xia Xifeng also took off the black scarf on his face. Yao Jingyu felt a lot more relieved when he saw Xia Xifeng, but he never thought that his daughter, who had been protected by him, would now learn martial arts well, which really made him

Very surprised: "Xi'er, what's going on with your martial arts?"

"Father, this matter is indeed strange. I will talk to you slowly in the future. The most important thing now is to rescue you from the palace. I really don't worry about you staying in this wolf's den anymore." Yao

Mu Zixi glanced in the direction of the door, with a sharp expression in her eyes.

"Leave? I'm afraid I won't survive within three days." Yao Jingyu looked at his distressed daughter and sighed softly.

Yao Muzixi frowned and looked at his father in disbelief, saying, "Why can't I leave? Is it because my father doesn't want to leave the palace with his daughter?"

"It was your Aunt Chu who poisoned me." Yao Jingyu glanced at Yao Muzixi lightly, with a lifeless expression on his face.

Yao Muzixi gritted her teeth, wishing to kill Concubine Chu Xiang for pleasure. It was in vain that her father was so kind to her, and she was a spy of Chu State.

"Your Majesty, Princess, I have a plan." Xia Xifeng smiled lightly, leaned into the ears of Yao Muzixi and Yao Jingyu, and whispered something.

After hearing this, Yao Jingyu nodded, glanced at Yao Muzixi, and watched with some uneasiness as Yao Muzixi and Xia Xifeng hid in the darkness.

In the Taiyi Palace, there were huge lanterns, as if they were entertaining someone. Yao Muzixi and Xia Xifeng dressed up in disguise and sneaked into the Taiyi Palace.

Concubine Chu Xiang was seen sitting on the main seat, looking leisurely and indifferent. Prince Yao Ruolie walked to Concubine Chu Xiang, leaned over and saluted, and then sat beside Concubine Chu Xiang.

"I don't know why my mother summoned these people to the Prince's Mansion for this purpose?" Yao Ruolie looked at Concubine Chu Xiang who was sitting upright, with a hint of unhappiness in his eyes.

"Your father is not in good health, so you naturally have to worry more about state affairs, and it saves your father from worrying, right? These ministers were promoted by your father to assist you, so you should give them a

Wake up, you are the future leader of our Yao Lan Kingdom." Concubine Chu Xiang's eyes were bright.

"Then why doesn't the Queen Mother let me go and see my father? My father is sick. How can I, a son, be so unfilial?" A trace of dissatisfaction flashed in Yao Ruolie's eyes. He only heard the Queen Mother say that his father was sick, but

It is really puzzling to prevent the courtiers from going to see their father, and always find some unfounded reasons to stop him. Now he is trying so hard to win over the courtiers, which is really strange when he thinks about it.

The Return of the Reborn Princess

Chapter 137 Secret Chamber

Yao Muzixi looked at the mother and son and only hated that she was born a woman. If she were a man and a prince, how could she see them treating their country like this?

Yao Muzixi listened to their conversation very clearly. Although the royal brother Yao Ruolie was pretty good to her, he should not be that woman's son.

"I will kill their mother and son tonight." Yao Muzixi's eyes flashed with ruthlessness, and he looked at Concubine Chu Xiang and Yao Ruolie with anger in his eyes.

"Don't act rashly. We just need to get the antidote back this time." Xia Xifeng quickly stopped Yao Muzixi's next move, feeling a little worried. Since Concubine Chu Xiang can poison the emperor, it seems that this

If there is no one available to the emperor in the palace, they must all belong to Concubine Chu Xiang.

There was one thing that Xia Xifeng couldn't figure out. Why did his second brother put Xi'er to death? If he was doing things for Concubine Chu Xiang, what was the reason? It was really puzzling.

Yao Muzixi then thought about it, her father was more important, and their lives could be taken away in the future.

Halfway through the banquet, the moonlight was thick and the chill was a bit overwhelming. Xia Xifeng looked at the movements in the palace and smiled with satisfaction. Most of the drunk people were unconscious. Even Concubine Chu Xiang and the prince

He was also drunk at the scene.

Yao Muzixi proudly came down from the roof, came to Concubine Chu Xiang, and slapped her hard, which made her own hand hurt!

She wished she could kill this hypocritical woman with a knife. In her previous life, she was stupid and didn't realize that you, a woman with a human face and a beastly heart, could really see it in this life.

"Okay Xi'er, we have to hurry up and get the antidote." Xia Xifeng took Yao Muzixi's hand and said seriously.

Yao Muzixi nodded and left without looking back. If my father hadn't missed your companionship over the years, he would have killed her with one blow.

Arriving at the palace of the Queen, Yao Muzixi searched the place, but couldn't find what his father needed. He also couldn't find the antidote. He didn't know where the woman hid the things.

Yao Muzixi turned around and found a mural on the wall, depicting mountains and flowing water. He secretly said to his father that this must be the right place.

"Xia Xifeng, come with me to see if there is any mystery in this painting?" Yao Muzixi stared at the painting on the wall for a long time.

Xia Xifeng looked at this picture of mountains and flowing water, and felt as if he had seen it somewhere before. After thinking for a while, Xia Xifeng suddenly remembered that he had been to the Imperial Palace of the State of Chu, and there was a rockery fountain built similar to this picture of mountains and flowing water.

Very similar.

Xia Xifeng took down the painting and studied it carefully, but found nothing. Yao Muzixi saw with sharp eyes that there seemed to be a dark hole in the wall. He gently opened the dark hole and saw a

Office.

"Xia Xifeng, look quickly, this must be a good place." Yao Muzixi had a happy look in his eyes.

Xia Xifeng gently stretched out her hand to activate the mechanism, and saw a secret door open by itself.

As soon as the secret room suddenly appeared in Yao Muzixi's sight, Yao Muzixi looked in with curiosity. He saw that the secret room was a little dark, and it was dark now. Xia Xifeng took a lamp and took Yao Muzixi with him.

Went in.

When he walked into the secret room, he saw that the inside instantly became as bright as day. Yao Muzixi was no longer surprised, it was the light emitted by the night pearl.

"What a concubine Chu Xiang. She really hid a lot of treasures here." Yao Muzixi looked at the precious treasures in the secret room and gritted her teeth with hatred.

"It doesn't matter. We are here to find secrets. Don't worry about these things." Xia Xifeng was indifferent and walked to a table and sat down.

Yao Muzixi rolled her eyes. If Concubine Chu Xiang were in front of her, she would really want to kill her right now.

Xia Xifeng sat in the secret room, looking around, and was attracted by a painting.

There was a woman in that painting, like a goddess in the sky. He looked at Yao Muzixi and then he looked at the painting, pulled Yao Muzixi to the painting, and said with a faint smile: "Look, this

The woman in the painting looks exactly like you!"

Yao Muzixi pushed Xia Xifeng away, glanced at Xia Xifeng with disdain, and said, "That's not me, that's my mother."

"Your mother? She looks so much like you. Your mother is the princess of the Jiang Kingdom, right? You are the granddaughter of the King of the Jiang Kingdom! It's just that your uncle is really puzzling. Why did he try every possible means to kidnap you?"

Xia Xifeng said to himself, glanced at Yao Muzixi and asked curiously.

"My mother is Princess Jiang? Why don't I remember it at all? What other uncles are there?" Yao Muzixi asked Xia Xifeng while looking at the painting with a depressed expression.

"You don't know?" Xia Xifeng looked at Yao Muzixi playfully, with a surprised expression on his face.

"I don't know. I don't have any impression of my mother's family background in my mind. I only know that my mother and I look exactly the same." Yao Muzixi glanced at Xia Xifeng indifferently and took down Jiang Zixin's portrait on the wall.

.

After putting away the painting, Yao Muzixi raised his head and glanced at Xia Xifeng, and said: "We'd better get the evidence quickly! If we find the evidence, we'll take Father out of here."

Xia Xifeng nodded lightly, and the two began to search around in the secret room for the private letters between Concubine Chu Xiang and the Emperor of Chu. However, they searched everywhere, but still could not find what the father said.

The secret correspondence between Concubine Chu Xiang and the State of Chu.

"It's strange, where did she hide the secret letter?" Yao Muzixi walked to the table with a depressed look and sat up irritably.

Xia Xifeng found nothing, but he was much calmer than Yao Muzixi. He walked to the table, picked up the teapot and started pouring tea. The teapot was an exquisite gold teapot. Xia Xifeng only felt the weight in his hand.

I felt something was wrong, so I took it in my hand and shook it. There seemed to be something inside.

"There is something inside." Xia Xifeng uttered these words and quickly put the teapot on the table.

Yao Muzixi stared at the teapot with wide eyes. Wasn't the teapot sent by Chu State? This Concubine Chu Xiang is really treacherous. She hid the letter in it and made it difficult for me to find it.

Xia Xifeng carefully opened the lid of the teapot, fearing that there would be some hidden weapon hidden inside, but fortunately it was just a false alarm. When he opened the lid of the teapot, there was indeed a thick stack of letters hidden inside. Xia Xifeng

Take out those letters.

Xia Xifeng opened the letter, read the contents, nodded and said, "This is the letter your father asked us to take."

"What's written in it?" Yao Muzixi approached Xia Xifeng and snatched the letter. Then he read it carefully. The more he read, the worse his face became. Finally, his eyes seemed to be filled with a thick layer of fire.

.

The Return of the Reborn Princess

Chapter 138 Do You Have Poison?

"One by one, you should kill, the dog thief who sells the country for glory." Yao Muzi's face showed a hint of anger, and the letter was stunned in his hand, and his hands were stunned.

Xia Xifeng took the letter in the hand of Yao Muzi, and glanced at her indifferently, and said, "Leave here first! Let's take the antidote."

"Hum, one day, I want you to give me a guilty of guilty of Yao Lanuo's hoe." Yao Muzi snorted, and when he threw his sleeves, he walked out of the secret room.

Xia Xifeng followed all the way. It was not until the two came to a palace that they stopped. The palace was extremely gorgeous. There were Jinshi Jinyu everywhere inside. Yao Muxi's eyes could not adapt.

"This Chu Xiangfei will enjoy it. We all occupy all the good things in Yao Languo." Yao Muxi looked at the palace with a grievant.

"Okay, Xi'er, let's go to her palace first to find out, otherwise if someone comes in a while, it is not about to shock the snake." Xia Xifeng glanced at Yao Muxi and quickly pulled her into that.

The palace.

After entering the palace, Yao Muxi saw a jade porcelain pillow he liked very much at a glance, and placed it on the bed of Chu Xiangfei.

Yao Muxi stepped forward, hugged the porcelain pillow, and looked like a reluctant.

"Do you have poison?" Yao Muzi flashed a dangerous light in his eyes.

Xia Xifeng glanced at the palace lightly, looking at Yao Muzi with a fun face, saying: "What do you want to do?"

"Do you still ask? That woman dares to use poison to harm my father, and I have to let her taste the taste of poison." Yao Muxi smiled proudly, and a bright smile flashed in the corner of her mouth.

Xia Xifeng didn't say much, took a bottle of medicine from the cuffs, took the jade pillow in Yao Muzi's arms, opened the bottle of medicine, and poured it on the jade pillow.

, The medicine powder disappeared without a trace of no trace.

Yao Muxi opened her eyes widely and looked at Xia Xifeng's move, and asked in a doubt: "Xia Xifeng, what are you doing?"

"This is the secret poison that is only available in Xia Guo. Didn't you want her to taste the suffering? This should be satisfied! As long as she sleeps, the poison will return to his mouth, nose, eyes and ears, so, she

It was Da Luo Shenxian who couldn't escape the robbery. "Xia Xifeng said, looking at Yao Muzi proudly, Yao Muxi was said by Xia Xifeng, scared and frightened.

Xia Xifeng put the jade pillow back to the original place, glanced at Yao Muzi, and told: "Don't touch the jade pillow, otherwise the poisoning is you."

"So powerful? What will happen to the poisoning?" Yao Muxi looked at Xia Xifeng with a vigilance, far from the jade pillow.

"Thousands of arrows are as painful as heart, and finally died of unbearable torture." Xia Xifeng smiled slightly, but said that the clouds were light and light.

"Are you so poisonous? It's even worse than me?" Yao Muxi stared at Xia Xifeng in surprise.

Xia Xifeng was stared at a little uncomfortable by Yao Muxi, holding Yao Muxi's hand, and said: "Princess, my princess, you should find a antidote for your father!"

"Oh." Yao Muzi rolled his eyes in Xia Xifeng, and began to move around in this palace, looking at it from the east.

Yao Muxi looked at the palace and found all the places to find, but I couldn't find the so -called solution.

A bottle of jade plum blossom in front of the window attracted the attention of Yao Muxi. She remembered that Chu Xiangfei seemed to never like the jade plum blossom. How could this jade plum blossom be placed in front of the window, there must be weird inside.

Yao Muzi walked next to the jade plum blossom, only smelling a unpleasant strange smell stabbing his nostrils. Yao Muxi squeezed his nose, covered his nose, and hugged your jade plum blossoms to the table.

Then, then

Xia Xifeng watched Yao Muzi holding a bottle of jade plum blossom on the table, and quickly walked to Yao Muzi's next. As soon as he approached, he was disgusted by the unpleasant taste.

"How can this flower be so bad?" Xia Xifeng glanced at Yao Muzi.

Yao Muxi didn't care about it, and said to herself: "This flower is weird. In the past, the woman never liked this jade plum blossom. The jade plum blossoms should be very fragrant, but this pot of jade plum blossoms taste

So weird. Don't you think it's strange, what secrets must be in this flower. "

Xia Xifeng nodded lightly, and did not expect that this woman who looked reckless now became so clever now.

Yao Muxi stretched out his hand and was ready to pull up the jade plum blossom. Xia Xifeng quickly reached out and grabbed Yao Muzi's hand, and smiled: "You are not afraid of this flower toxic? Dare to touch it with your hand!"

Yao Muzi was quickly retracted back to her hand by Xia Xifeng and glanced at Xia Xifeng, saying: "You are right, then you pull this flower, I think there is something in it,

There must be something. "

Xia Xifeng pulled out a sword from his waist and reached out, and stabbed the sword to the pot of jade plums. For only a moment, the sword was covered with a light layer of black solution, which looked a little disgusting.

As soon as Xia Xifeng waved his sword, he pulled up the jade plum, and saw the black cloth bag wrapped in the whisker. Those unpleasant monsters seemed to be emitted from this.

Xia Xifeng covered her nose, chopped the roots of the jade plum with a sword, and the black cloth bag wrapped.

"Sure enough, there is something." Yao Muzi glanced at the potted plant, a touch of indifference flashed in his eyes.

"I know what this is." Xia Xifeng laughed a little proudly, wrapped the cloth bag and stuffed it in the waist.

With such a pack of Xia Xifeng, the smell seemed to be isolated, and she couldn't smell the unpleasant smell. Xia Xifeng patted her hands, put the jade plum blossom into the pot, put it in the window

In front of me, I vomited a sigh of relief, I knew it was like this, and I still spent any effort to find a solution. How much do I want this kind of stuff?

Yao Muxi looked at Xia Xifeng unknown. How could he hold the ghost things without having a strange smell? Xia Xifeng glanced at Yao Muzi Xi, and pulled her away.

After a while, he came to Yao Jingyu's palace. Yao Muxi was sitting in front of the bed and looked out of the window restlessly.

Yao Muzi and Xia Xifeng turned in from the window, and saw Yao Jingyu sitting in front of the bed, and immediately came over.

"Did you find a letter?" Yao Jingyu saw Yao Muzi and Xia Xifeng, and quickly walked to them and asked anxiously.

Yao Muzi took the letter and handed it to Yao Jingyu quickly, saying: "Father emperor, the letter got it, we now leave the palace immediately!"

Yao Jingyu nodded, and he was also a blood -martial arts, but he was prescribed by the concubine of Chu Xiang. He couldn't try any martial arts.

Xia Xifeng smiled, took out the bag in the waist, opened it, put it in front of Yao Jingyu, and let him smell it. Yao Jingyu smelled the bag for a few minutes.

It is no longer weak and weak. The martial arts on the body seems to be back, and the bones are moving.

Yao Jingyu's face overflowed with a little smile, gently gently got to Yao Muzi and Xia Xifeng's ear: "Now Yao Lan Guo Palace is the people of Chu. We must leave the palace immediately.

Yao Muxi nodded, and the three sneaked out from the roof. Most of the soldiers outside were tired, and they didn't look at the night.

The Return of the Reborn Princess

Chapter 139 Dangerous

Yao Jingyu and Xia Xifeng looked at the appearance of the imperial city outside and looked at each other. Xia Xifeng took out a packet of medicinal powder from his sleeve and scattered it in the wind.

"Your Majesty, you and Xi'er should take these pills first!" Xia Xifeng took out a medicine bottle from his sleeve, poured out two pills in his hand, and handed them to Yao Jingyu and Yao Muzixi.

Yao Jingyu glanced at Xia Xifeng, then picked up a pill and swallowed it without hesitation. When Yao Muzixi saw this, he didn't say much, took the pill and watched the next action.

After a while, the patrolling guards fell down one after another. A smile escaped from the corner of Xia Xifeng's mouth. He looked at the fallen guards and smiled calmly and said, "We can leave the palace."

"Oh, it turns out that you were the one who drugged me. No wonder you gave me and my father the medicine." Yao Muzixi said as she glanced at Xia Xifeng and jumped down indifferently.

Xia Xifeng shook his head and followed. They left the palace safely and went directly to General Ouyang's Mansion.

Arriving at Old General Ouyang's house, Yao Jingyu quickly knocked on Old General Ouyang's door. The door was opened, and Old General Ouyang's eyes flashed with surprise, and he quickly welcomed Yao Jingyu and others in.

After sending Scary away, Old General Ouyang quickly closed the door, walked up to Yao Jingyu, knelt on the ground with the courtesy of a king and a minister, and said: "I will join the Emperor."

"Please get up quickly. You don't need to be polite, my dear." Yao Jingyu quickly moved Old General Ouyang to his residence.

"Why did the emperor come to visit late at night? Didn't he say that the emperor was ill?" Old General Ouyang asked with a puzzled look on his face.

Yao Jingyu had an unspeakable look on his face and said, "It's hard to explain this matter!"

Xia Xifeng and Yao Muzixi took off their face scarves. Yao Muzixi walked up to Yao Jingyu, looked at Old General Ouyang, and said angrily: "Old General Ouyang, Concubine Chu Xiang and the Chu State want to attack me.

My father was unlucky and even tried to assassinate me several times."

Old General Ouyang looked at Yao Muzixi with a look of disbelief. Isn't this the princess who got married? Old General Ouyang looked at Yao Muzixi with a puzzled look and said, "Princess, are you telling the truth?"

Yao Muzixi's face turned cold and said: "Is there any lie? This Concubine Chu Xiang is really capable. The entire palace is controlled by her. Even my father dares to put her under house arrest. It is really unreasonable."

Old General Ouyang looked at the anger on Yao Muzixi's face and said in disbelief: "There is such a thing. It seems that the palace is really dangerous. But does the Lord of the Xia Kingdom know that the princess is coming back this time?"

"The three princes of Xia Kingdom are all here!" Yao Muzixi looked proud and patted Xia Xifeng on the shoulder.

Old General Ouyang looked at Xia Xifeng in disbelief and said, "Is this the third prince of Xia Kingdom?"

"Yes, old general, he is indeed the third prince of the Xia Kingdom. I was able to come out this time, thanks to Xi'er and Xia Xifeng." Yao Jingyu glanced at Xia Xifeng and said with a serious face.

"It turns out that he is the third prince of the Xia Kingdom. The old minister is too blind to recognize Mount Tai." After speaking, Old General Ouyang prepared to salute Xia Xifeng. Xia Xifeng quickly helped Old General Ouyang up.

The next day, early morning.

Yao Muzixi and Xia Xifeng walked out of Ouyang Mansion and wandered in the streets of Landu. Actually, they were observing whether any spies from Chu State had sneaked into Landu. It is conceivable that even the palace was full of Chu people.

The country's spies, let alone Landu.

Yao Muzixi looked at the streets of Landu and felt that something was wrong. It seemed that the people here were acting strangely. A group of people stood on an attic and seemed to be sizing them up.

Yao Muzixi touched Xia Xifeng uneasily and lowered her voice: "I think someone is watching us."

"I knew it a long time ago." Xia Xifeng said nonchalantly, with an indifferent expression on his face.

Yao Muzixi glared at Xia Xifeng and said, "You know why you are still so leisurely?"

"Let's avoid their sight first and then make other plans." Xia Xifeng said as she pulled Yao Muzixi and quickly brought Yao Muzixi to an inn.

There were not many guests in the inn, so Xia Xifeng directly found a place by the window on the second floor and sat down.

After ordering a few dishes, Xia Xifeng poured a cup of tea and drank it leisurely, staring straight at the restaurant opposite the window. A sinister smile flashed across the corner of his mouth, and he said: "Let's see what other tricks you are planning to play."

!"

"Hey, I'm talking about you, what are you talking to yourself about?" Yao Muzixi looked at Xia Xifeng in confusion, followed his eyes and looked out the window, and was suddenly startled. He saw the other side

There were a few people fighting in the restaurant, the same people she noticed staring at them before.

"Did you see that? You can see their every move here, but they can't see us. Let's take a closer look to see who they are and why they are targeting us." Xia Xifeng drank the tea in the glass and put it in

The cup was placed gently on the table, and his fingers accidentally tapped on the table, making a clicking sound.

Yao Muzixi stared at the situation in the restaurant opposite the window. He saw those people no longer fighting, but sitting at a table in harmony and talking about something, but there seemed to be an extra blue

The handsome man in the clothes. Yao Muzixi rubbed his eyes and took a closer look. He looked at the man in disbelief and his eyes widened in shock: "That man, isn't he the second prince?"

Yao Muzixi shook Xia Xifeng's arm, but Xia Xifeng pushed her hand away slowly and said: "I guessed it a long time ago. From the moment I saw Jing Xiaotian on the edge of the cliff that day, I

I know, this matter must be related to my second emperor brother."

"You mean the person who pushed us off the cliff that time was sent by the second prince?" Yao Muzixi looked at Xia Xifeng in disbelief and asked with a surprised look on his face.

"Yes. Jing Xiaotian has followed my second emperor brother since he was a child and obeyed my second emperor brother's orders in everything. He did push us off the cliff that time. Maybe he thought we were dead." Xia Xifeng's face was calm.

A hint of calmness flashed across his face, he really knew his second emperor brother too well.

"Why does he want to deal with us?" Yao Muzixi asked in confusion. This second prince is really a strange person. What conspiracy does he have?

"No more words, we must disguise ourselves immediately. The people in the restaurant across the street must be from Xia. If they notice us, we will be exposed. After all, no one knows whether we came back alive. There is Miss Bing'er in Lanzhuang.

As a substitute, no information should be exposed." After saying that, Xia Xifeng walked to the window, closed the window, and walked into a guest room with Yao Muzixi.

Yao Muzixi pouted and said impatiently: "What are you doing?"

"I'll give you a disguise." After Xia Xifeng said these words decisively, she pulled Yao Muzixi to the dressing table and gently pulled Yao Muzixi's hair into a man's bun.

The Return of the Reborn Princess

Chapter 140 Waiting and Watching

Yao Muzi looked at the man who was out of the mirror for himself, and suddenly he felt like a little deer hit. Xia Xifeng's handsome face flashed a dazzling light in the mirror, stabbing Yao straight into Yao.

In Mu Zixi's eyes, she panicked for a moment.

Xia Xifeng looked at Yao Muzi's appearance, and was surprised for a moment. I don't know what this little woman was thinking.

"You are really a careful person." Yao Muzi said somehow, but said such a word, but when she reacted, she was a little surprised.

Xia Xifeng paused, stopped the movement in his hand, and glanced at Yao Muzi a faint look: "What are you thinking?"

"Ah? What? I didn't think about it!" Yao Muzi smiled embarrassedly, and quickly sat upright with a serious face.

Xia Xifeng glanced at Yao Muzi faintly, took out some things from his belt, and tinked himself. But for a long time, he made a human skin mask.

Xia Xifeng spread out the man's skin mask in his hand, glanced at it, smiled with satisfaction, walked in front of Yao Muxi, and said, "Come, apply this person's skin mask."

Yao Muzi glanced at the human skin mask in Xia Xifeng's hand, and smiled: "I don't know yet, you will actually like this, really like it!"

"Well, sit down, don't move." Xia Xifeng said with a soft word, and a smile overflowed with the corner of his mouth. Then he gently applied the man's skin mask and pasted it on Yao Muxi's face.

Yao Muzi only felt a somewhat spicy pain on his face, and his face was a little uncomfortable.

Uncomfortable. "

"Okay, don't complain about it." Xia Xifeng glanced at Yao Muxi, who brought the human skin mask, turned around, put another human skin mask on his face, and turned around.

Glanced at Yao Muzi Xi, smiled slightly.

Yao Muxi saw Xia Xifeng who turned around and turned into another look, and couldn't help laughing loudly, saying, "Is Xia Xifeng you? You look so strange."

After speaking, Yao Muzi also picked up his own paw, stretched to Xia Xifeng's face, pinched, and felt very cute. Although this human skin mask was also very beautiful, it was only very different from Xia Xifeng's true appearance.

Far.

Xia Xifeng's mouth twitched fiercely, his eyebrows were picking, avoiding Yao Muzi's poisonous claws, and said, "You are now a man, don't be big, not small."

"What? You say I'm not big or small? I ..." Yao Muxi heard Xia Xifeng a little angry when he said, walking in front of Xia Xifeng and stopping his way to go.

"Don't make trouble." Xia Xifeng suddenly listened to the voice outside, and quickly covered Yao Muzi's mouth, pulled her in front of herself.

Yao Muzi also listened to the movement outside carefully, and only heard a mess in the restaurant. It seemed that some officers and soldiers were searching for.

"It seems that there are officers and soldiers." Yao Muxi's face was a bit gloomy, and gently opened the door to open a gap, and looked out.

I saw a few officers and soldiers outside the door searched around, a person who looked like the head of the soldier, a arrogant look.

Yao Muzi gritted her teeth, and then rushed out. She taught those officers and soldiers for a meal. Xia Xifeng saw this, and quickly grabbed Yao Muxi, closed the door, and pushed her in the house.

"The princess was not stubborn at this time. They must be searched everywhere because of the emperor's disappearance, but if I guess it is right, they dare not expose the wind.

Said, after a while, the footsteps of those officers and men were approaching.

Xia Xifeng and Yao Muzi sat in the house, drinking tea indifferently, several officials, forcibly broke the door, and those shops were weak, but they just stood aside and looked at it.

"May I ask how many officials, what's the case, do you have to break into the door?" Xia Xifeng stood up, walked in front of an officer and soldiers, and smiled indifferently.

The officers and soldiers did not look at Xia Xifeng at a glance. A proud gesture waved to the officers and soldiers behind him, and said, "Search for me carefully, not allowed to let a little clues."

Xia Xifeng saw those officers and soldiers ignored themselves and was not angry. Instead, she looked at the officers and soldiers in a calm look.

After searching for a long while, the officers and soldiers didn't find anything. The leading officers and soldiers glanced at Xia Xifeng and Yao Muzi, and spread out the paintings in her hand.

: "Do you two, have you seen the person in this portrait?"

Xia Xifeng glanced at the portrait, only to see the portrait of the emperor Yao Languo Yao Jingyu on it. There was a touch of sharpness in her eyes. I didn't expect that those people were so bold, and even today the emperor dare to search.

"Oh, we have never seen people in the portrait. I don't know what happened to the people in this painting? Several officials want to hunt up so hard." Xia Xifeng talked to the official grandfather.

"This, you just care about it, we just ordered to act, but if you are willing to cooperate together to hunt the assassin, I can tell you one or two." The official grandpa's face showed a trace of smile, looking at Xia, looking at Xia

Xifeng, laughed indifferently.

"Since this is the case, we are naturally willing to help the officials pay more attention." Xia Xifeng smiled lightly and took the portrait in the hands of the official grandfather.

The Guanye glanced at Xia Xifeng and sighed, and sat opposite Yao Muxi, poured a cup of tea, drank, and said in trouble: "This morning, my master received the order above,

It was said that it was a bad stabbing of the palace last night and hurt the emperor.

"Find an assassin?" Xia Xifeng made a surprise look and stunned with that official.

"Isn't it! There are so many things about our every day. This is good. So many guards in Xuanwumen do not send it to search, but give us a small door to do it."

The official grandfather said that it seemed a little angry.

Xia Xifeng took the painting in his hand and looked at it, and said, "I will keep this portrait, and I will help Guanye more attention."

The Guanye glanced at Xia Xifeng and said, "Just take it, what we have, since you have not found people here, we will go." After that, the official grandpa got up and left

Go out, and the small catcher will follow.

Xia Xifeng sent them away, and quickly closed the door. Walk to Yao Muxi, sit at the table, spread the portrait, push to Yao Muxi, and knock on the desktop gently.

: "Look, it's your father's portrait."

Yao Muxi quickly took the portrait in front of him and glanced at it. Sure enough, the father emperor, this Chu Xiangfei, so bold, even the emperor today dares to catch it.

"So a princess Chu Xiang, dare to catch my father emperor." Yao Muzi's teeth trembled straight, and he couldn't wait to swallow the concubine of Chu Xiang.

The Return of the Reborn Princess

Chapter 141 No. Lin Yu

Xia Xifeng reached out and gently touched Yao Muzixi's lips, signaling Yao Muzixi not to be so excited.

Yao Muzixi secretly suppressed the anger in her heart, with a bright smile on her lips, looking at the portrait of her father.

"Let's go back to General Ouyang's Mansion first! It's not suitable to stay here for a long time." Xia Xifeng said, then put the portrait away and put it in his sleeve.

Yao Muzixi followed Xia Xifeng to the front desk of the restaurant, paid the silver, then strode out of the restaurant and walked to Landu Street.

The restaurant waiter looked at the two of them and felt a little strange. They seemed to be strangers. When did these two people enter the restaurant?

Landu Street is unusually lively.

A group of people seemed to be watching something lively. Yao Muzixi glanced at it and followed closely behind Xia Xifeng. At some point, two people suddenly jumped out of the crowd. They were fighting fiercely.

The people on the street were so frightened that they started to move with swords and guns and fled in all directions.

I saw only one man, stabbing another man fiercely with this sword. Most of the people on the street fled away, except for Xia Xifeng and Yao Muzixi, who were wearing human skin masks and were calm and calm.

Busy walking on this street.

Neither of them looked at the two fighting men. Xia Xifeng grabbed Yao Muzixi's hand fiercely to stop her from acting rashly.

A man in green stretched out his sword and fought fiercely with the man in blue, seemingly inseparable. The smell of gunpowder was strong between the lightning and flint.

Yao Muzixi frowned, stretched out his fingers slightly, and used the first level of the Supreme Mysterious Art. During the fight between the two of them, the two good swords broke and fell to the ground with a bang.

Two crisp sounds.

The two of them were stunned for a moment, looking at the two people passing by leisurely, with a sharp look in their eyes, they flew in front of Xia Xifeng and blocked their way.

Xia Xifeng stopped, raised his head, looked at each other with the two men, and with an imperceptible smile on his lips, Yun Danfeng said softly: "You two gentlemen, please give way."

The man in Tsing Yi cupped his hands with a smile on his face and said very politely: "We two brothers were just competing in martial arts. We just disturbed you two. It's really our fault. I just want to make friends with you two gentlemen.

Friends, I have no other intention."

Yao Muzixi raised her eyes to meet the gaze of the man in Tsing Yi, raised her eyebrows, and saw the man opposite, dressed in Tsing Yi, with a handsome face, clear outlines, and a faint bookish scent.

"Don't you think it's inappropriate for your Excellency to compete in martial arts in the market for hundreds of days in broad daylight?" Yao Muzixi spoke sharply, with a hint of contempt in his eyes, looking at the man in green, and said coldly.

"The two of us really shouldn't act so rashly, but I think since we all know each other today, why don't we make friends." The man in green clothes still said unyieldingly.

Xia Xifeng looked at the two people, and felt that the two did look somewhat similar, and they seemed to be brothers. Xia Xifeng thought to himself, without saying anything, just glanced at Yao Muzixi, and whispered

He said: "I am loved by the two young masters, but the two of us still have important things to do. If there is a fate in the future, wouldn't it be better to have a good discussion."

"In this case, I don't want to press too hard. You two gentlemen, please come!" The man in green made way and said politely.

Xia Xifeng took Yao Muzixi and left. She just wanted to return to General Ouyang's mansion quickly. She told Yao Jingyu not to go out at this critical moment.

The man in blue glanced at the two people's retreating backs, looked at Nangong Jue in Tsing Yi with a leisurely expression, slightly raised the corner of his mouth with a mocking smile and said: "I don't accept my brother's kindness!"

Nangong Jue glanced at Nangong Che, smiled softly, and said: "That's not necessarily true. Che, do you think this Linyu is really in the Yao Languo Palace?"

"There is no lie in this matter, but even if we get that Qilin jade, how can we find the place where Qilin is sealed?" Nangong Che glanced at Nangong Jue thoughtfully.

"I believe we will meet again, my intuition is very accurate." Nangong Jue said to himself with a smile on his face.

Xia Xifeng took Yao Muzixi back to General Ouyang's Mansion. As soon as they entered the door, Yao Jingyu and Old General Ouyang were stunned for a moment, seeing two unfamiliar people barging into the General's Mansion wantonly.

"Who are you?" Old General Ouyang looked sternly, looking at the two people after the disguise with confusion on his face.

Yao Muzixi was anxious for a moment and quickly reached out to tear off the human skin mask on his face. He spent most of the day but found nothing. The human skin mask was still firmly attached to his face.

"Princess, you can't tear off the human skin mask like this, you have to wash it with potion." Xia Xifeng looked at Yao Muzixi's behavior, which was a bit funny, and said with a smile.

"Old General Ouyang, let's go into the room and talk." Xia Xifeng walked up to Ouyang Hechen and pulled him into the back room.

When Yao Muzixi heard what Xia Xifeng said, he immediately stopped his hand. It turns out that this thing needs to be washed off with potion, which made all my efforts in vain.

"Where are you going? Wait for me!" Yao Muzixi shouted displeased as she watched Xia Xifeng dragging Ouyang Hechen towards the back room and quickly followed him.

Entering the back room, Xia Xifeng pulled Yao Muzixi aside, mixed some medicinal powder with the water in the basin, stirred them together, then covered the towel with water, and wiped Yao Muzixi carefully. After a while,

The human skin mask on Yao Muzixi's face was gradually faded by Xia Xifeng's wipes, and finally disappeared. Yao Muzixi felt that her face instantly became more transparent.

Ouyang Hechen looked at the man who was a stranger before, and when he was wiped by the water, the face of the princess was revealed, and then he suddenly realized that it was the princess and the third prince.

"Princess, are you two disguised?" Ouyang Hechen sighed softly.

"Yes, Old General Ouyang, we discovered something big this time when we went out."

.

Ouyang Hechen looked deep in thought as he slowly took the portrait from Xia Xifeng's hand and opened it gently. He saw that the portrait was the portrait of the current emperor Yao Jingyu. Ouyang Hechen felt an indescribable surprise in his heart.

, it seems that Concubine Chu Xiang and the prince are planning to murder the emperor, and they are blatantly starting to hunt for the emperor.

"This painting is of the Emperor!" Ouyang Hechen sighed deeply and put the painting away.

"Old General Ouyang, where is my father? You must not go out at this critical moment." Yao Muzixi seemed to have thought of something and asked quickly.

"The emperor is here! I know how to protect the emperor, so the princess doesn't have to worry. It seems that I must go back to the military camp immediately, and maybe I should let the emperor go with me.

Over the years, there are still many generals who are on the side of the emperor, but they rarely return to the capital, and it is not easy to see the emperor for three to five years. Naturally, they do not know the situation in the palace at this time, plus the people in the palace.

The news is sealed, so we people naturally don't know what happened in the palace."

As Ouyang Hechen said that, he led Xia Xifeng and Yao Muzixi to a dark room, where Yao Jingyu was sitting, studying something.
