

The Return of the Reborn Princess

Chapter 161 Involuntary

"Princess, you're drunk, let's go back!" Ouyang Haonan let Yao Muzixi tear and beat him, but he just hugged her tightly and wanted to give her some warmth. Only at such a time is it suitable.

Yao Muzixi cried silently, her heart ached so much, and she couldn't stop the tears on her face. She never thought that it would be so hard to let go when she really faced this day. She wished she could be with him forever, even if

I don't want anything anymore, but I gave up this opportunity, saying that I don't want to live with him in Longtan Village forever.

Why are you so greedy? Want to get things that don't belong to you so selfishly? Xia Xifeng, I love you! Really, I thought I could deceive myself. It's not true to deceive myself, but at this moment you should be

Spend time with your bride happily! Thinking of this, I feel really distressed and uncomfortable.

Yao Muzixi buried her head in Ouyang Haonan's arms, her clothes wet with tears. The embrace was warm, but she didn't want him to get hurt for her anymore, not to mention that she thought she was someone else's princess. From today on, the

Stop all thoughts, live your own life, and live a life that you have changed.

Ouyang Haonan lowered his head and looked at the person in his arms. His heart was as sharp as a knife. How could he not see her feelings for Xia Xifeng? It was a love that anyone with a discerning eye could see, although he didn't know the relationship between them.

Things, but he could feel that the atmosphere when they were together and the way they looked at each other were so different.

In countless dreams, I have dreamed of you, dreamed of your charming appearance, dreamed of your Ruchen smile, dreamed of embracing you, sharing your joys and sorrows, myself first.

The first time I saw you in front of the palace, I felt an inexplicable sense of familiarity.

It seems that those dreams are not dreams, but real, the past we have experienced together. In the dream, I am willing to live and die for you, and I have never been afraid to brave the dragon's pool and tiger's den for you. But at this moment, I am afraid of your tears,

I'm afraid that you will be sad because of another man, but you can't do anything.

I'm not a stone-hearted person. I can also feel Xixi's delicate emotions and admiring eyes. I can also feel Chu Siling's serious expression and sad emotions. They are all for me, but my heart is all in you.

, since the first time I saw you, I couldn't move an inch away from you.

I know we can't. I know that to you I am just a person who protects you. Maybe I am not a confidant. I will be jealous and sad when you smile at any of them, but I can't do anything.

Can't do anything, can't do anything!

Time passed little by little, and soon Ouyang Haonan returned to the Prince's Mansion with Yao Muzixi in his arms. Xia Mingyu had been waiting in front of the door for a long time. The moment he saw Yao Muzixi, he immediately greeted him and took it from Ouyang Haonan.

Yao Muzixi was already extremely drunk.

Xia Mingyu raised the corner of his mouth, glanced at Ouyang Haonan, and said softly: "Thank you for your hard work, General Ouyang, my beloved concubine really drank too much." After saying that, Xia Mingyu carried Yao Muzixi into Qinghe Palace with a cold look on his face.

Ouyang Haonan just looked at his back holding her, and felt a little hurt. But he was just a human subject, and he did not have the unique ability to get what he wanted or protect the people he wanted to protect. His hands clenched tightly into fists.

Ouyang Haonan was not afraid of the bone-eroding pain, and punched the wall hard. The blood on the back of his hand stained the white wall red, and unprecedented anger burst out.

His eyes were somewhat cold as he looked in the direction of Qinghe Palace.

"I will make sure that those of you who have hurt her will die miserably!"

In the Qinghe Palace, Yao Muzixi's face turned red. He could no longer see clearly who was in front of him, and he didn't know where he was now. His head hurt so much, and all he could see in his eyes was Xia Xifeng in her wedding dress. Standing in front of me with He Lianfeng worshipping at night, my heart ached so much, as if it was bleeding.

"Xia Xifeng, don't, don't get married to her..." Yao Muzixi murmured vaguely, stretched out his hand to grab a big hand, and suddenly felt safer. He stopped talking nonsense. , but grasped that hand tightly.

Xia Mingyu didn't hear what she said clearly, but he felt a little relieved when he saw her holding his hand and reassuring her. He leaned into Yao Muzixi's ear and asked softly: "My dear concubine, what did you just say?"

"Xia Xifeng, don't, don't..." Yao Muzixi closed her eyes tightly, said this hurriedly, and then said softly: "Because I like you, I like you very much..." After saying that, Yao Muzixi said this in a hurry. Mu Zixi grasped the big hand tighter, unwilling to let go, as if holding him would make him feel at ease.

When Xia Mingyu heard Yao Muzixi's words, the look on his face became a little cold, and he wished he could seal this woman's mouth immediately. He never heard her call another man's name in front of him again, even if it was his imperial brother. , and no, my woman, my princess, she can't think of anyone but me, a man.

Xia Mingyu fiercely shook off Yao Muzixi's hand that held his own, and looked indifferently at the woman lying on the bed, smelling of alcohol and drunk. Is it because of my own passion? This is really a big joke, I'm dignified. The crown prince's concubine was thinking about another man. Xia Mingyu could no longer restrain the unknown anger in his heart. He really wanted to conquer her immediately, but he didn't like a drunk woman, and he didn't even bother to take advantage of her. Human danger.

Yao Muzixi had nothing in her hands and became restless. She tossed and turned on the bed. The tears in her eyes suddenly filled her cheeks again. She called out softly: "Xia Xifeng, don't leave me, okay! I like you so much." , I really like it..."

A dangerous aura appeared on Xia Mingyu's face, and he looked at the woman on the bed indifferently. An unknown fire suddenly rose in his heart. He took two steps at a time, stepped to Yao Muzixi's bed, and lifted Yao Muzixi up. He stood up and said with a gloomy face: "I don't allow you to mention other men in front of me."

Yao Muzixi has a peerless face, with a hint of bewitching power, and his face is slightly red, maybe because of drinking. Xia Mingyu's extremely angry heart was slightly shocked, but unexpectedly, Yao Muzixi She reached out and wrapped her arms around his neck, burying her head in his neck and rubbing it gently.

An unknown fire seemed to be burning all over his body. He was secretly surprised. Is this woman tempting him? Damn it! But he was a little hot and unbearable. Xia Mingyu turned away and pushed Yao Muzixi away. Kai. He hurriedly helped her to lie down on the bed, covered her with a quilt, and walked out.

Xia Mingyu was secretly annoyed. He would never be tempted by that woman, but today he almost lost his temper because of this woman. Although he was just using her, he would never allow himself to like her or care about her. But today's reaction seemed a bit... It's so unreasonable. How could I want to pity her and love her so much? Why was I so angry when I heard she called out Xia Xifeng? Didn't I not care?

The Return of the Reborn Princess

Chapter 162 I'm in love with you

Xia Houfu, the drunk of Xia Xifeng, the night of the cave, the moonlight is shallow. He didn't remember how much he drank, he just remembered that Yao Muzi looked at his eyes and pierced it deeply into his heart. Why

She is the wife of her emperor? Why did she make herself fall in love with her?

The big red wedding dress, a candle in the cave room, filled the festive style everywhere. He Lianfeng sat in the new house quietly, covering the big red hijab, covering her joyful smile on her face. The exquisite makeup set her off.

Just like the heavenly daughter, the Spa in her hand was tightly stained by her, and a little sweaty stains.

Squeaking, the door was pushed away, and a strong wine flavor. With the arrival of Xia Xifeng, the entire room was filled.

At a glance, the woman sitting in the bed has not lift her hijab. The contradiction is full of his mind, but this is the end, and this is the end of the world. After worshipping the world, she has become her own woman.

Come and bear it yourself!

Xia Xifeng drank a cup of bartender tea, got up and walked to the front of Helianfeng, and gently removed the hijab covering Her Lianfeng's late head. He Lianfeng looked up at Xia Xifeng's eyes.

In my eyes full of joy, I finally met him.

"Xifeng, can I call you like this?" He Lianfeng's voice was gentle, looking at Xia Xifeng, his face was crimson.

Xia Xifeng held her in her arms, and murmured in her mouth: "Late, I must treat you well." This phrase may only be a promise to her.

Then there is only this promise that can be left to her.

The woman in her arms, smiled happily, without a trace of coquettish work, I just felt that she was the happiest woman in the world. She would take good care of the king. Xia Xifeng patted her back gently.

Ma, he hates the hypocritical self at this moment, hates himself to deceive a woman's life, what should he pay back to all of this? What he is lingering in his mind is every moment with Yao Muxi,

Everything seems to stay yesterday.

One is what he loves in his heart, but the concubine of his emperor, the other is his wife, and what he can give her, does not even know what else she has.

, Or the grievances that she is waiting for. In her lifetime, she is difficult to escape my fate. Some feelings can't help herself, how can she control her feelings?

The elegant rhythm, floating to Yao Muxi's ear, she thought she was an illusion, opened her eyes fiercely, and she was a little dazzling. It's a new day! The pain of the eyes, but the thought of it was yesterday.

It seems to drink too much. Xia Xifeng has kissed and married Miss Helian, who is a virtuous and virtuous. She should be very satisfied with such an ending! Will it be happy? Xia Xifeng, I wish you bless you!

Looking at myself in the mirror, my eyes are swollen, who is like a peach. Yao Muzi sighed softly, was crying? The eyes were really painful. But last night, I remember not to remember

Great is true, just remember that Xia Xifeng alienated his eyes, his heart was a little painful.

Xia Mingyu walked into Qinghe Palace, holding a beautiful winter plum in his hand, inserted her in a vase. He walked to Yao Muxi's side, and looked at her tenderly: "The concubine wakes up?"

The red is powerful, help you blow it for your husband. "Said, Xia Mingyu made up in front of Yao Muxi, his mouth facing her eyes, and blowing it gently.

Yao Muxi only felt a warm air flow, and her eyes were very comfortable, like a gentle touching. She was a little bit stunned, and she didn't remember when she started. It was not so embarrassing to be with the man in front of her.

"What do you look at me like this? What is there on my face?" Xia Mingyu avoided Yao Muxi's gaze, and he was a little panicked. For the first time, he became so nervous in front of a woman.

"I don't." Yao Muzi was under his head, and his heart was lost.

"I know, you are uncomfortable in your heart. You and my emperor's business, I know, but you are my prince, he already has his own wife. Prince, I will give you everything you want. "Xia Mingyu's corner of his mouth talked lightly, and he still said what he wanted to say. He took Yao Muzi in his arms, and the heart seemed to melt She had long forgotten her dissatisfaction and alert to her.

After leaving the prince's house, she had no peace of mind for a day, and she could hear the news about her every time. I do n't know when she started, she seemed to have no original hatred and indifference to her, but just wanted to pity her to protect her.

Yao Muzi stunned in Xia Mingyu's move, and the Prince Xia Guo, who has always been so cold, has been inexplicably good for himself these days. Why is this? It is a bit puzzled.

When An Yanyan appeared in front of Yao Muzi again, she had no arrogance and willful domineering in the past. She saw her a gift and called the prince.

Yao Muzi quickly pushed Xia Mingyu, as if he was afraid of An Yanyan to see it. Xia Mingyu frowned. Things, prepare for the New Year! "

An Yanyan laughed: "I go here." Then he turned and left Qinghe Palace, without the sharpness of the past. Xia Mingyu looked at An Yanyan's back, smiled slightly, and his heart had already given her heart to her. Now he is only he. I want to spoil this woman in her arms, at least she is a real herself, and she will not deceive herself. It takes a lot of time to Yan'er, but she doesn't care about herself, and even doesn't care.

Yao Muzi looked up and looked into Xia Mingyu's eyes. She couldn't see his expression at the moment, but she was puzzled. I couldn't understand him too much about herself.

Can I love you? I am willing to protect you well. You are willing to forget the unhappiness of the past and start the code with me? Xia Mingyu wanted to ask the woman in her arms like this, but I was swallowed back if I came to my mouth. Love love. Love What a luxury for yourself, what else do you have to talk about love?

"I fell in love with you!" Xia Mingyu looked at Yao Muxi's eyes, only felt clear and transparent, and never saw such a dusty woman.

"What are you talking about?" Yao Muzi stopped and couldn't believe his ears. Such a confession was too sudden. Always made himself deeply uneasy. Then, then

Xia Mingyu smiled lightly, which responded to Yao Muzi's reply. Gently let go of Yao Muzi Xi, and took off a beautiful snow lotus, worn on Yao Muzi's head, and slowly came to: "From the future, you should dress up well and don't let yourself lose your belief.

The Return of the Reborn Princess

Chapter 163 Yuqing Country

Yao Muzixi smelled the elegant fragrance of snow lotus, and felt in a trance. The smell was so familiar. It seemed like she had smelled it somewhere before, and it made her feel at ease.

An Yanyan smiled faintly, sneered at the loving look of the two of them, and thought to herself: Since brother Yu can't give me what I want, then don't blame me for not remembering our past friendship and betraying you!

An Yanyan looked at their figures from a distance, gritted her teeth, flicked her sleeves and left. Xia Mingyu had long noticed An Yanyan who was hiding aside and watching them secretly, but after that incident, he really didn't want to Don't trust that woman anymore. What he hates most in his life is betrayal. You don't have to love me, but I will never allow my people to betray me in the slightest. No matter what shameful hookup you have with the second emperor brother, don't do it again. Let me find out.

An Yanyan returned to her room, closed the door, opened the window, and a homing pigeon flew in and landed on An Yanyan's hand. An Yanyan gently stroked the pigeon's feathers, and a sinister smile appeared on the corner of her mouth.

Yuqing Country is an island country far away from the Central Plains. It has always been known as the Fairy Island and is also the only maritime power. The wind is blowing on the sea, and the gorgeous ship is swaying forward with the wind.

Su Nuo looked at the continent that was getting further and further away from him, and felt a little guilty in his heart. He didn't know if his decision was right or not. And that Xixi was just a slave. Ye Qianyu and Ye Qiannuo were going to capture her. Why did he take them to Yuqing Country? I really knew nothing about the Ye family brothers. But I had no choice now. I just wanted Ye Qianyu to treat me well and not let down my sincerity.

"What's wrong? It seems like something is bothering me!" Ye Qianyu walked out of the cabin and came to the bow of the ship, where Suno was standing, and looked at her quietly.

Sunuo turned around, looked into Ye Qianyu's eyes, smiled lightly and said, "It's nothing! It's just that I've been spending these days on the boat, which is a bit boring."

Ye Qianyu chuckled, held Sunuo in his arms, and pointed to the island country on the other side of the sea: "Look, we will be able to go home soon. That is my hometown, very soon." It's a beautiful place, you will definitely like it there, believe me!"

Su Nuo raised his eyes and looked at Ye Qianyu's handsome face, nodded and said: "I believe you, but there is something I still don't understand."

Ye Qianyu glanced at Sunuo, who was about to speak, but did not stop her from asking her questions. He just hugged her tighter. Sunuo asked uneasily, looking towards the direction of the cabin: "That Yao Muzixi next to me What is the identity of this girl? Why did you bring her to Yuqing Country?"

"Now is not the time to talk about this matter. As soon as I get to Yuqing Country, I will tell you everything, okay? I will never hide anything from you. As soon as I get to Yuqing Country, I will marry you. From now on, you There is no need to be afraid of anything anymore." There was a trace of hesitation in Ye Qianyu's eyes, but he still promised Suno.

Seeing that Ye Qianyu was so difficult to explain, Sunuo didn't ask any more questions. He just looked forward to arriving at Yuqing Country as soon as possible. Wherever he arrived, he hoped that everything would be as he said.

Xixi was tied up on the boat. Ye Qianyu and Ye Qiannuo were extremely kind to her, serving her with delicious food and drinks. They tied her up because she had to do this because she wanted to escape several times.

Ye Qiannuo looked at Xixi in the cabin, but this girl was very stubborn. No matter what she said, she would not cooperate with her, so she would no longer be tied to the ship. Xixi glared at Ye Qiannuo fiercely, and looked at him with gritted teeth.

Ye Qiannuo just tilted his neck and smiled, looking at her staring at him without getting angry.

"I'm hungry, bring me something to eat!" Xixi glared at Ye Qiannuo. Seeing his leisurely look, she felt a little angry. She really didn't know what the three of them were kidnapping her for!

Ye Qiannuo smiled faintly, with a hint of a sinister smile on his lips, then turned around and walked out of the cabin. Xixi glanced outside the cabin, not knowing where they were going to tie her. But after a while, Ye Qiannuo

Yu then brought a grilled fish and stood in front of Xixi. He put the grilled fish in front of Xixi and said, "Eat it!"

Xixi rolled her eyes at Ye Qiannuo and said angrily: "I'm tired of eating these fish every day, can I have some?"

Seeing Xixi turn her head away, Ye Qiannuo took back the jade fish and put it in front of his nose and sniffed: "It smells so good! You don't want to eat it?"

"I won't eat!" Xixi tugged her head, snorted coldly, turned away, and ignored Ye Qiannuo.

"You really don't want to eat? Then I'll eat it!" Ye Qiannuo smiled faintly, sat next to Xixi, looked at her, pulled Xixi's head over, and took a bite of the fish, eating it with gusto.

Xixi stared, seeing Ye Qianyu eating with gusto in front of her, her eyes almost rolled out with anger. Ye Qiannuo looked at Xixi with a faint smile and said: "Why, you still don't want to eat? If you don't eat, I will

It's time to finish eating!"

Only hearing Xixi's hungry growl, Xixi frowned and rolled her eyes at Ye Qiannuo, watching him eat, but she was really hungry and couldn't bear it. Ye Qiannuo gave the grilled fish to Xixi with a faint smile.

In her mouth, Xixi bit the grilled fish fiercely and ate it hungrily.

"Eat slowly, I'm afraid it's stuck in my throat!" Ye Qiannuo smiled faintly and saw that she was eating deliciously. But this time when she returned to Yuqing Country to meet the Lord, she was afraid that she would never have the chance to go to the Central Plains again. That Hua Lan

Bing'er, for some reason, missed that savage girl.

After drifting on the sea for several days, they finally landed on the coast of Yuqing Kingdom. Once they returned to Yuqing Kingdom, Ye Qianyu and Ye Qiannuo took Suno and Xixi to Yulian Mountain. Yulian Mountain is located in Yuqing Kingdom.

Behind the palace, there is an extremely hidden place. It is mostly a place where the royal family and nobles have secret conversations, and few people know about it.

They only saw a secret hill lying in front of a few people. Ye Qiannuo opened the secret door of the hill with familiarity. Xixi was blindfolded and did not know where she was taken.

Ye Qiannuo led a few people through several secret passages and came to a bright secret room. Ye Qiannuo took off the black cloth from Xixi's face. Xixi only felt that her eyes were hurt by the light.

He gently rubbed his eyes with his hands, looking at everything in the secret room, he couldn't help but open his mouth.

"Lord, the person you want has been brought here!" Ye Qiannuo and Ye Qianyu respectfully knelt down to the man in black with his back to them.

Xixi looked at that figure and felt a trance in front of her eyes. That figure was so dazzling. Her vision went dark, and Xixi fainted. When she woke up, she was sleeping on a gorgeous big bed, which was extremely comfortable.

It's like a bed in a palace, so warm and fragrant.

In front of you is the dazzling palace, resplendent with gold and jade, and a delicious fragrance, which seems to bring you into a dream. The smell and feeling here are really familiar, as if you have smelled it somewhere before, so

"Where is this place? It feels so familiar!" Xixi sat up and looked at everything here, a little unimaginable.

The Return of the Reborn Princess

Chapter 164 Entering the Palace

Yao Muzixi has been a little worried these days, firstly because he is worried about Xixi's affairs, and secondly because he is upset about Xia Xifeng's marriage. Although Xia Mingyu has taken good care of herself these days, it always makes Yao Muzixi a little uneasy. After all, he is not a person that he trusts 100% in his heart, and he doesn't know what he says or thinks.

Qinghe Palace was very quiet, and there were not many people on weekdays. Only Ouyang Haonan was always by his side. In fact, Yao Muzixi also asked Ouyang Haonan to do more of his own things, but Ouyang Haonan refused. He said that he just wanted to protect the princess, so Yao Muzixi didn't say much. It was his duty to protect himself, so his request obviously made things difficult for him.

The weather has gradually become warmer these days, which seems to be a little different from previous years. This late winter is as warm as spring, which is not bad after all.

In the Prince's Mansion, Xia Mingyu looked at a few people, smiled faintly, and walked to Yao Muzixi's Qinghe Palace, ready to tell a few people to go on the road, but he was a little unsure. His father's health was getting worse day by day. Just be afraid. Unable to survive this winter, Xia Xifeng and Xia Liuliang have no nostalgia for the throne. It's just their second emperor brother, Xia Chenhao, who is unknown.

Looking at the sky, it was getting late. Xia Mingyu looked at Yao Muzixi who was dressing up in the room, and glanced at the room. Several maids combed Yao Muzixi's hair and put on a beautiful flowing skirt. Fairy dress, the makeup on the face is exquisite and beautiful.

Xia Mingyu walked to Yao Muzixi's side and looked at her, with some unspeakable meaning in his heart. He was becoming more and more partial to her, which he really didn't expect. Yao Muzixi turned his head and met Xia Mingyu's eyes. , smiled faintly. This smile was like the spring breeze in March, bathing Xia Mingyu's heart, making him feel for a moment that he seemed to have sunk and could no longer extricate himself.

"You are beautiful, but you have been wronged these days!" Xia Mingyu raised his hand and gently touched Yao Muzixi's forehead, and said with a faint smile, as if there was a glimmer of hope in his eyes.

Yao Muzixi lowered her head in embarrassment and said calmly: "It's getting late, let's go into the palace early! It would be bad if we are late and make our father wait for a long time." He held his fingers tightly together, He was looking at the ground a little absent-mindedly. When he entered the palace, he would definitely see Xia Xifeng and her imperial concubine! Thinking of this, Yao Muzixi's eyes felt a little sour.

Xia Mingyu had a clear view of Yao Muzixi's every move, and he understood it in his heart. However, he couldn't blame her at this time. He only hoped that with the passage of time, she could forget Xia Xifeng and focus on being his own woman.

"Let's go, the carriage is ready, just waiting for you!" Xia Mingyu held Yao Muzixi tightly. Yao Muzixi did not resist, but just walked with him, leaving Qinghe Palace and the Prince's Mansion. , got into the carriage.

When they arrived at the palace, it was still early. Xia Mingyu took Yao Muzixi to the emperor's palace. This was actually what the emperor had ordered a long time ago, but he had delayed it until now.

Xia Ruohan was lying on the bed in the palace, with a sad face, looking at the roof with dull eyes. Xia Mingyu came in with Yao Muzixi, knelt respectfully in front of Xia Ruohan's bed, and said in a choked voice: "My son, I have come to pay homage to my father."

Yao Muzixi also knelt down and lowered his head, not knowing what to say. Xia Ruohan looked at the two people kneeling on the ground, sat up lightly, walked to them, and helped them up. .

"You all get up! Stop kneeling, my body is getting worse every day." Xia Ruohan looked at the two of them, feeling a little uncomfortable in his heart. He knew everything, but he had no choice but to deal with his body, which was really powerless. Manage state affairs again.

"It's Father." Xia Mingyu and Yao Muzixi responded in unison. Xia Mingyu stood up, helped Yao Muzixi up, and then went over to support Xia Ruohan.

Xia Ruohan pulled the two of them in front of him, looked at them, his eyes full of sadness, and said: "You two husband and wife must cooperate well and not cause any more trouble. Now the domestic situation is critical, and our Xia country can only I'm afraid the morale will be weak when the ownership changes."

"What does the father seem to want to tell his son?" Xia Mingyu saw Xia Ruohan and asked tentatively. Yao Muzixi just listened to their conversation indifferently and didn't say much. But this time she did It felt like Xia Mingyu no longer concealed many things from him.

"Actually, I know all of my four sons. Mingyu, you have been careful and cautious in dealing with people since you were a child. I have had high hopes for you since you were a child. I have always known that after your mother passed away, You resent me, but you have to understand my father's painstaking efforts. My father does feel guilty for your mother, and he failed her. I just hope to get your forgiveness." Xia Ruohan said, coughing violently, Looking at Xia Mingyu's face, he looked guilty.

Xia Mingyu's eyes were a little dim, and he smiled faintly, with a light smile, as if he was mocking, and said: "Father, please stop worrying about this matter. I no longer resent you."

Listening to the conversation between the two, Yao Muzixi didn't know what they meant. She just heard a few things about Xia Mingyu's biological mother. But she suddenly became more curious about Xia Mingyu's biological mother, Yao Muzixi.

After walking around the palace for a few times, Yao Muzixi walked aimlessly in the palace, but his heart was in chaos. He was not very familiar with the Xia Kingdom Palace. After walking for an unknown amount of time, he came to a remote courtyard. , there is no one there, only a dilapidated house, there.

Yao Muzixi looked at everything here curiously, feeling a little surprised. Logically speaking, such a huge palace would not have such a dilapidated place. He saw an old dog standing outside the house, lying on the ground, staring motionless. Looking at Yao Muzixi in front of him.

Yao Muzixi squatted there, stroking the dog, stood up and pushed open the door of the broken house. Hearing a creak, the door opened. Yao Muzixi walked in and looked at the dust inside. . Looking at everything inside curiously, he gently stepped in, and suddenly an unknown object fell from the roof.

Yao Muzixi was startled and ran out quickly. After a while, he saw a figure coming out. When Yao Muzixi saw it, his heart calmed down. It turned out that it was Xia Mingyu who was inside.

"Is that you?" Yao Muzixi asked when she saw Xia Mingyu walking over slowly.

Xia Mingyu smiled lightly, hugged Yao Muzixi in his arms, and said with a sad look in his eyes: "Don't leave me again. Apart from you, there is no one else worthy of my cherishment."

Yao Muzixi looked at Xia Mingyu blankly, feeling that he couldn't see through him at this time, and the sadness in his eyes was overwhelming.

The Return of the Reborn Princess

Yao Muzixi sniffed the faint fragrance of Xia Mingyu and felt a little restless. She was indeed curious about Xia Mingyu's biological mother, but she found it difficult to talk about it, for fear of saying something that would make him unhappy.

Xia Mingyu looked at Yao Muzixi in his arms and thought that Xia Xifeng would be coming to the palace soon! My father always valued family reunions on New Year's Eve. Those who should come will come, and those who shouldn't will come. But there are many I am also very helpless about things.

"Do you want to know about my mother?" Xia Mingyu let go of Yao Muzixi, with a hint of indifference in his eyes, and looked straight into Yao Muzixi's eyes. If she said yes, he would definitely give him to her without any reservation. Tell her everything, because now he really just wants to care about the woman in front of him.

Yao Muzixi turned around and no longer looked into Xia Mingyu's eyes, looked at the sky in the distance, and said in a daze: "I don't want to know, because those things are already in the past, and people can't always be addicted to the past and can't extricate themselves. See clearly the road in front of you and how to take it. I think if it is something I should know, I will know it one day anyway."

Xia Mingyu was a little surprised when he heard Yao Muzixi's words. She didn't want to know, but judging from the curious look on her face, he should really want to know. Forget it, as she said, she will know what she should know, Isn't everything like this? Paper can't stop the fire, the truth will be revealed one day. But she suddenly feels a little unsure in her heart. When the truth comes out, will she hate herself?

In the evening, Xia Xifeng and Helian Fengwan also arrived at the palace. Xia Ruohan's four sons were all waiting in Yixuan Hall. Xia Mingyu only brought Yao Muzixi with him, but he did not expect that An Aiyun would also follow him. Come here, she is also the emperor's niece and Xia Mingyu's cousin, so naturally no one will say anything.

Xia Chenhao glanced at An Yanyan, with a smile on his face. He actually thought that this dinner would be very interesting. Last year, his four brothers accompanied his father, but now there are three more women. It is said that three women make a drama, and with An Yanyan's jealousy, there might be some good drama going on.

Xia Xifeng and Helian were together in the evening, while Xia Liuliang stood aside and said nothing. Although Xia Xifeng was young, he was very sensible and obeyed Xia Xifeng in everything. In the palace, he didn't even look at Yao Muzixi, just because he knew in his heart that his feelings were not what he should have. She was his sister-in-law and the crown prince. He could only keep a distance from her and slowly let her go. It was her most correct choice to forget herself.

Xia Liuliang saw Yao Muzixi sitting next to Xia Mingyu with his belly up. It seemed that Ouyang Haonan didn't come with him today. It would be great if he were here, then he could go and play with him. The atmosphere now is so exciting. It's a bit uncomfortable for people to hold back.

Yao Muzixi raised his eyes and glanced at Xia Xifeng and Na Helian Fengwan, but he really met Xia Xifeng's eyes and quickly looked away. He picked up the tea on the table and drank it. In a panic, Yao Muzixi drank the tea in one gulp, and felt a burning pain on the tip of her tongue, so she quickly spit out the tea in her mouth.

Xia Mingyu frowned slightly, stood up quickly, stroked Yao Muzixi's back, and said gently: "Is my concubine okay? Why are you so worried?" Yao Muzixi looked up at Xia Mingyu, and just shook his head, his mouth hot. was speechless.

Yao Muzixi's eyes seemed to be overflowing with tears. The tea was really hot and she was extremely uncomfortable. Xia Mingyu pulled Yao Muzixi into his arms, helped him to the chair, and quickly ordered his servants to call the imperial doctor. Yao Muzixi couldn't resist, so she had no choice but to let the imperial doctor take a look at the injury.

Xia Xifeng was a little worried about Yao Muzixi at first, but seeing how carefully Xia Mingyu cared for her made her feel at ease. She shouldn't get close to her if she could, to avoid unnecessary trouble.

Yao Muzixi glanced at Xia Xifeng, and the tears in her eyes couldn't help but fall. Only she knew that she was actually feeling uncomfortable. Yan actually stayed aside so quietly, watching Xia Mingyu care and love Yao Muzixi so much, but remained indifferent.

The dull atmosphere inside Yixuan Hall was somewhat relieved because of Yao Muzixi's burn. Everyone began to circle around Yao Muzixi. A eunuch came in and shouted in a high voice: "The emperor has arrived."

Several people in the Yixuan Hall quickly turned around, knelt on the ground and said: "Welcome Father." Yao Muzixi also endured the pain in his mouth and said vaguely. Although his mouth was injured, it should be. Etiquette is still required.

Xia Ruohan's face was full of smiles. Looking at a few people, he seemed to be in much better spirits and looking good. Xia Ruohan just said softly: "Everyone is free of charge! The dinner can start soon." Xia Mingyu will Yao Mu Zixi helped him up, and several other people also stood up and sat in their own seats. But by chance, Xia Xifeng was sitting opposite Yao Muzixi, and Xia Mingyu was sitting next to Yao Muzixi. around.

Although it was a family banquet, it was a royal family after all. The scene was naturally grand, and the dishes on the table were all delicacies from the mountains and seas. Wherever Yao Muzixi sat, he did not even move his chopsticks. He just lowered his head lightly and did not dare to raise his head. If she looked up, she would see Xia Xifeng. She was afraid of such embarrassment.

Yao Muzixi had no intention of listening to what they were talking about, and was silent in his own world, at a loss. Xia Ruohan saw Yao Muzixi's expression and asked inexplicably: "Zixi, why don't you eat? Is that right? The food of my country, Xia, is not to your liking."

Listening to Xia Ruohan's words, Yao Muzixi almost shed tears in his eyes. The emperor is just like his father, he cares about him so much. I don't know if his father is living well alone in the palace. He used to have it every year. He was with him, but now, he was the only one left alone.

Yao Muzixi opened his mouth, only to feel the severe pain, and he couldn't hold a single word out of his mouth. Seeing this, Xia Mingyu immediately answered on Yao Muzixi's behalf: "Just now, Xi'er burned her mouth while drinking tea. I'm afraid I can't eat these anymore." Xia Mingyu glanced at Yao Muzixi, turned around, and said to Xia Ruohan.

"Why are you so careless? If something happens to you, I'm really sorry for your mother." Xia Ruohan's eyes were a little dim and he said sadly.

Yao Muzixi was a little surprised. Xia Ruohan actually said that she was sorry for her mother. What is the relationship between him and my mother? However, she was injured in the mouth and could not speak. She really wanted to ask something about her mother. Dear things.

Xia Ruohan's eyes were a little deep, as if she was reminiscing, and then she returned to her usual indifferent look. She still cared about Jiang Zixin so much in her heart! It's just that she didn't have the blessing to protect her. Even though she died, she still lived with him. heart.

The Return of the Reborn Princess

Chapter 166 The first meeting after the newlyweds

"Father, don't be too anxious. I've already asked the imperial doctor to examine Xi'er. He said it's nothing serious. As long as he recovers for two days, he'll be fine." Xia Mingyu looked at Xia Xifeng opposite him with a faint smile, and then He glanced at Helian Fengwan who was silent next to Xia Xifeng. The newlyweds were very reserved. Could it be that they are not on good terms? It's just me and Yao Muzixi. Is there really love between us? ?

"That's good." Xia Ruohan nodded lightly, a smile overflowing on his face, and said with a faint smile.

Xia Xifeng raised his eyes and glanced at Yao Muzixi, turned his head, smiled at Helian Fengwan, then reached out to pick up the vegetables, put the vegetables into Helian Fengwan's bowl, and smiled softly: "Eat! It won't taste good when it's cold."

Helian Fengwan's eyes were lowered, with ripples of light flowing, and his eyes were full of happiness. He looked at Xia Xifeng and smiled lightly: "Yes."

Xia Chenhao looked at the actions of Xia Xifeng and Helian Fengwan, and a faint smile overflowed from the corner of his mouth. He had long heard that the failure of Yao Languo's plan was because of his Third Emperor brother Xia Xifeng and Crown Princess Yao Muzi. It was caused by Xi's return to Yao Lan. If it hadn't been for them, he would have been the leader of a country now.

Yao Muzixi raised his eyes and glanced at Xia Xifeng and Helian Fengwan, feeling something indescribable in his heart. His eyes were a little sour, and he couldn't help but shed tears. Yao Muzixi quickly turned around and ran out. Xia Mingyu He was stunned for a second. Looking at Yao Muzixi's figure, he turned around and said, "Maybe she is tired. It would be good to let her go out for some air."

Xia Xifeng turned to look at Yao Muzixi's figure, feeling a little unbearable. She must be feeling very uncomfortable now even if she said that she loved her too! But what can be done? One is a princess by marriage, and the other is a gift from the emperor himself. When you get married, you are in a dilemma, so you can only focus on the overall situation.

"I'll go take a look. My father and some of his younger brothers are eating first." Xia Mingyu stood up, said to Xia Ruohan, turned around and walked out.

Yao Muzixi walked out of Yixuan Hall. The moonlight outside was a bit cold, and the cold wind was blowing. It seemed that it was not as warm as during the day. Yao Muzixi looked at the moonlight in the sky, feeling a little worried.

"What's wrong? You seem unhappy!" Xia Mingyu came to Yao Muzixi's side, put the brocade robe in his hand on Yao Muzixi's body, and said with a slight smile.

Yao Muzixi was stunned for a moment, then turned around and saw Xia Mingyu looking at him with a smile. Under the moonlight, his face was extremely handsome, showing a sense of coldness and arrogance. If he hadn't met Xia Xifeng first, he would have If you share life and death with him, maybe you will fall in love with him, but now, in your heart, you can't tolerate anyone except Xia Xifeng.

Yao Muzixi reached out and pushed Xia Mingyu, pushed him back a few steps, and looked up at Xia Mingyu. Yao Muzixi burst into tears. He looked at Xia Mingyu with an indifferent expression. He reached out and took Xia Mingyu's hand, and stroked his hand one by one. The words "Go back quickly" were written on it. A drop of tear fell on Xia Mingyu's palm, and a faint coolness pierced Xia Mingyu's heart. He knew that her tears were for his third emperor brother Xia Xifeng, not for his brother Xia Xifeng. For yourself.

A hint of sadness flashed across Xia Mingyu's eyes. He stretched out his hand to wipe away the tears in Yao Muzixi's eyes, then turned around indifferently and walked towards Yixuan Hall. In fact, his mood at the moment was not as calm as it seemed on the surface. The storm was surging,

and my heart ached a little. I couldn't control my heart. Her every smile made me happy and worried for her.

After the dinner, Xia Xifeng walked out of Yixuan Hall and walked to a courtyard inadvertently. She saw Yao Muzixi sitting there, looking at the moon in the sky in trance. Xia Xifeng looked at her back and felt a little distressed.

There seems to be a strong sadness in her back. Is this because of me? She used to be so lively and cute, with a smile like a flower, but now she seems to be a different person.

Yao Muzixi turned around indifferently, and her heart suddenly heated up when she saw Xia Xifeng. He cared about her, right? Otherwise, why would he come to see her? It must be like this! Yao Muzixi looked at him, with a trace of emotion on his face.

With a smile on her face, she stood up and ran towards Xia Xifeng. The distance between them was so close, she really wanted to be with him, even if it was only for a second.

Xia Xifeng looked at Yao Muzixi, standing there motionless. He wanted to run away, but he couldn't move away, as if he was frozen. He looked at Yao Muzixi running towards him, and felt in his heart

It was a mixture of joy and sorrow. Yao Muzixi ran over, hugged Xia Xifeng, and buried her head in Xia Xifeng's chest.

Xia Xifeng's heart felt warm. The moment she fell into his arms, his heart felt so warm. He really wanted to hold her in his arms forever and never separate. Xia Xifeng stretched out her hand to hold Yao Muzixi in her arms.

, a happy smile overflowed from the corner of her mouth. Xia Xifeng said: "Xi'er, I..."

Yao Muzixi reached out and covered Xia Xifeng's mouth, signaling Xia Xifeng not to say anything. Yao Muzixi looked at Xia Xifeng, and her heart felt warm, as sweet as eating honey. Yao Muzixi stood up gently on tiptoe.

On tiptoes, he raised his head and gently kissed Xia Xifeng's lips.

Xia Xifeng looked at Yao Muzixi blankly, with a hint of expectation in his eyes, and the warmth at the corner of his mouth made him startled. This feeling was so familiar, and everything he had with Yao Muzixi flashed through his mind. In the Yao Languo Palace

The first time they met, the unexpected encounter with Landu, the first time he kissed her in the lake.

Yao Muzixi kissed Xia Xifeng's lips, lowered his head, and smiled faintly. Xia Xifeng held Yao Muzixi in her arms, unable to say anything, but felt some severe pain in her heart. There was a flash in her eyes.

A tear fell from the corner of Xia Xifeng's eyes to his mouth. This was the first time he shed tears for a woman. These tears were so salty.

"Xi'er, I love you!" Xia Xifeng closed her eyes slightly and whispered in Yao Muzixi's ear. Her voice was so low that only Yao Muzixi who was beside him could barely hear it.

Yao Muzixi was stunned, but she heard these words clearly. He was saying that he loved her, and he still loved himself! When he raised his head, he saw Xia Xifeng had turned around and walked away.

Yao Muzixi was left standing there blankly, looking at his back. Her heart ached so much, so what about love, she could only end up with him in the end.

The white figure gradually disappeared in front of Yao Muzixi's eyes, getting further and further away, and finally only a blurry shadow remained. Xia Mingyu looked at Yao Muzixi's figure, a little distracted. His heart seemed to be bleeding, but he didn't want to

What kind of trouble would he cause with her at this juncture, and she had him first in her heart.

An evil smile crossed the corner of Xia Chenhao's mouth. This thing seemed to be getting more and more interesting. What kind of entanglement would the three of them have? I was really looking forward to it!

Xia Mingyu patted Yao Muzixi's shoulder from behind. Yao Muzixi turned around and glanced at Xia Mingyu, then turned and left. Xia Mingyu glanced at the direction Xia Xifeng was walking away, gritted his teeth, and there was a trace of evil in his eyes.

. He flicked his sleeves and quickly followed Yao Muzixi's footsteps, reaching out to hold Yao Muzixi's hand.

The Return of the Reborn Princess

Chapter 167 Hualan Binger's Love

Returning to the Prince's Mansion, Yao Muzixi only felt exhausted physically and mentally. She didn't know what her plans should be in the future. Staying in the Prince's Mansion was really boring. She wanted to leave here, and her thoughts became stronger and stronger.

Tonight is New Year's Eve, and it seems that I can't take my heart back. Xia Xifeng, I want to stay with you forever, but you don't want to. Ouyang Haonan walked behind Yao Muzixi, looked at her backup,

A little bit of sadness, I can actually protect you, I really can, as long as you are willing, I am willing to protect you.

Yao Muzixi turned around, and the moment she saw Ouyang Haonan, she felt calmer. He had been protecting her in her past and present lives, and she was really the happiest person.

"Ouyang Haonan, is there any news about Xixi?" Yao Muzixi glanced at Ouyang Haonan, with no expression on his face.

"Princess, there is no news about Xixi when she arrives at Yuqing Kingdom, as if she has disappeared from the world." Ouyang Haonan told everything he knew, his heart ached a little, and he didn't want to see her disappointed eyes, but he couldn't see anything.

Can't do it.

Hua Tianze was sitting in the pavilion in the back garden of Lanzhuang, drinking wine. Hua Lan Bing'er sat beside him, looking at him clearly and saying nothing. Hua Tianze poured a glass of wine and handed it to Hua Lan Bing'er.

In front of him, he smiled and said: "Let's have a drink! This is our first time celebrating the New Year outside."

"Senior brother, actually I don't want you to come out because of Bing'er's fault. If Bing'er didn't run out of Wanhua Valley out of anger, I think we would still be living the happy days in Wanhua Valley where we used to have no worries about food and clothing. But now, in your heart

The princess who came out will not be able to let anyone go." Hua Lan Bing'er's eyes flashed with bitterness, she looked into his eyes and drank the wine that Hua Tianze handed her in one gulp.

"Bing'er, I know what you're thinking, but I'm not the one who can give you happiness. I don't want you to get hurt because of me." Hua Tianze looked at Hua Lan Bing'er's face and reached out to wipe away the tears on her face.

.

"I said, I won't give up on you. I definitely won't. I love you and it will never change in my life." Hua Lan Bing'er grabbed Hua Tianze's hand and looked at him and said firmly.

"But I..." Before Hua Tianze could finish his words, Hua Lan Bing'er reached out and blocked his mouth.

The tears on Hua Lan Bing'er's face flowed endlessly, and Hua Tianze couldn't bear to see it, but what can I do? Hua Tianze picked up his flute and played it, playing a sweet song

The sound of his voice resounded throughout Lanzhuang. Hua Lan Bing'er stared at him quietly, he looked so good, she must have been attracted by this skin!

After the song ended, Hua Tianze put away his flute, looked at Hua Lan Bing'er, and planned to turn around and leave. Hua Lan Bing'er felt a pain in her heart, got up and ran over, hugging Hua Tianze tightly from behind.

.

"Senior brother, don't leave, spend the New Year's Eve with me! I really love you, don't abandon Bing'er." Hua Lan Bing'er said, letting go of the hand tightly holding his waist, turning around and looking at him

.Stood on tiptoes, raised his head slightly, and put his arms around Hua Tianze's neck.

Her lips connected with his, and she felt a warm touch, like an electric shock, which shocked her heart. She only felt that she was happy at this moment.

"I love you, senior brother." Hua Lan Bing'er let go of her hand on Hua Tianze's neck, her eyes sparkling, and she said softly.

Hua Tianze just looked at her indifferently, turned around and left without saying a word. The bright red color stung her eyes, why did she want to do this to herself? People don't want or care about themselves at all.

"Why are you so cruel? What's wrong with me? What's wrong with me!" Tears poured down from her eyes like rain. Hua Lan Bing'er's heart felt as if it had been cut out by a knife, and blood flowed like a river.

Hua Tianze walked to his window, opened it, and looked at the moonlight outside. It was so clear and light. What was she doing? She was a princess, so why did she think so much.

Mo Jiangli knocked on Hua Tianze's door. Hua Tianze got up and went to open the door and invited Mo Jiangli in. Mo Jiangli looked at Hua Tianze and smiled lightly: "Junior brother, are you okay?"

"Senior brother, I'm fine." Hua Tianze said with a faint smile, then poured a cup of tea and brought it to Mo Jiangli. The affection in his eyes was as cold as ice, and there was no expression at all.

"Senior brother, you and Bing'er..." Mo Jiangli just didn't know what to say. He looked at him indifferently and then continued: "I have seen what happened just now. Bing'er, you have been sincere to you for many years. I have always seen it.

In your eyes, I know you don't have her in your heart, but she is the little junior sister we have always loved and protected, our most beloved junior sister. Seeing her heartbroken look, I, an outsider, can't bear to see her."

"Senior brother, I know everything you said, but this emotional matter cannot be forced. If I lie to Bing'er to accept her, it will only bring more harm to her. The long-term pain is not as good as the short-term pain. I just hope

If she can see clearly, she won't regret it or harm her for the rest of her life." Hua Tianze looked at Mo Jiangli with a sad look on his face, and spoke word by word with an indifferent expression on his face.

"I know what junior brother is thinking, but junior sister may not be able to understand it. Seeing her sad and sad, as a senior brother, I can't stand it anymore." Mo Jiangli said, looking up at Hua Tianze, and patted her.

He looked over his shoulder and sighed: "Actually, you should also see clearly that Princess Yao Lan is the Crown Princess of Xia, and it is impossible for her to be with you."

Hua Tianze naturally understood the intention of Mo Jiangli's words, which was just to make him give up his modest feelings for Yao Muzixi. He had warned himself many times, but sometimes he really couldn't help it.

, the more you want to forget, the harder it is to forget.

"Okay, don't think about this. I'm leaving first. I just hope you won't be so indifferent to Bing'er and treat her better." Mo Jiangli stood up, said this casually and walked to the door.

Turned around and walked out.

Hua Tianze looked at the moonlight outside the window and looked up at the window. She must be very happy at this moment! I will also start to do my own thing. Regarding my life experience, since the master is not willing to tell me, then I will find it myself.

Answer. As Hua Tianze thought about it, he felt that his eyes were unusually dim and he felt a little dazed.

The sky was white as a fish belly. Hua Tianze sat on a chair and slept stiffly all night. Feeling a little tired, he turned around, took off his clothes, and went to bed.

Mo Jiangli walked to Hua Lan Bing'er's room and knocked lightly on the door. No one opened the door. Mo Jiangli got a little anxious and pushed the door open fiercely.

The door was pushed open, and Mo Jiangli hurriedly walked to the bed and saw Hua Lan Bing'er sleeping peacefully on the bed. Mo Jiangli stretched his hand to Hua Lan Bing'er's forehead and gently explored it. A hot touch made Mo Jiangli

You were frightened, this girl has a fever, it burned you so badly. Mo Jiangli shook Hua Lan Bing'er's shoulders hard and shouted quickly: "Bing'er, wake up, wake up."

The Return of the Reborn Princess

Chapter 168 Don't Hurt Her

"Senior Brother, I feel so dizzy!" Hua Lan Bing'er opened her eyes and looked at Mo Jiangli, with a tear falling from the corner of her eye. The expression on her face was so painful that she stretched out her hand to rub her eyes.

Mo Jiangli helped Hua Lan Bing'er up and poured a glass of water to her mouth. Hua Lan Bing'er turned to look at him, lowered her head and drank the water in his hand. She looked up at Mo Jiangli and reluctantly

He twitched the corner of his mouth and said with a smile: "Elder brother, I'm fine, you can go and do your work!"

"Silly girl, you are so sick and you still say you are fine. Senior brother feels really sorry to see you like this! Forget about your second senior brother, you will only hurt yourself." Mo Jiangli looked at Hua Lan Bing'er's kind advice.

Admonition.

Hua Lan Bing'er buried her head on Mo Jiangli's shoulder and stared at the door with dull eyes. A stream of tears flowed down involuntarily. She couldn't help but whimper in a low voice: "Senior Brother, why do you think Second Senior Brother treated me like this?"

What's wrong with me? Why can't he see me? Why, why?"

Mo Jiangli's heart suddenly tightened when he heard Hua Lan Bing'er's words. The little junior sister has been dependent on the second junior brother since she was a child and has been very fond of her. Now she is in love and can't help herself. It really makes him feel bad to see her!

"Little junior sister, don't think like this. You are very good. It's your second senior brother who is not worthy of you. It's all his fault. Don't cry. There are better men than him everywhere in the world. Silly girl, don't settle for something that's not worth it.

He doesn't deserve to be sad!" Mo Jiangli gently stroked Hua Lan Bing'er's back to comfort her.

When Hua Lan Bing'er heard what Mo Jiangli said, not only did she not calm down, but she became even more excited. She raised her head, shook Mo Jiangli's arm and said, "Senior Brother, you are talking nonsense. Second Senior Brother deserves it, but I don't deserve it. I don't deserve it."

I don't deserve his love..."

Mo Jiangli helplessly looked at Hua Lan Bing'er with tears streaming down her face, and looked at him with excitement. Mo Jiangli pulled the emotional Hua Lan Bing'er into his arms, hugged her tightly, and her heart suddenly ached.

I have loved this little junior sister so much for so many years. Looking at her appearance, I really can't bear it. Hua Tianze, how could he bear to hurt her like this!

After a while, Hua Lan Bing'er's cries became weaker and weaker. Mo Jiangli quickly helped Hua Lan Bing'er upright, only to see that she had fallen asleep, and the tears on her face were not yet dry. He helped Hua Lan Bing'er to her feet.

Lie down on the bed, Mojiang

Li hurriedly ran out and saw Hua Guzi walking this way. Mo Jiangli hurriedly walked up to Hua Guzi and said with a heavy kick: "Master, master, go and see the little junior sister, she seems to be..."

Sick."

"What? Bing'er is sick?" Hua Guzi looked at Mo Jiangli with a worried look and asked excitedly. Then he turned around and ran to Hua Lan Bing'er's room. Mo Jiangli followed Hua Guzi and went to Hua Lan Bing'er together.

Lan Bing'er's room.

Hua Guzi walked to Hua Lan Bing'er's bed, sat down, took Hua Lan Bing'er's pulse, frowned, then turned to Mo Jiangli and said, "Get a pen and paper."

"Yes, Master." Mo Jiangli turned around, found a pen and paper and put it on the table. Hua Guzi frowned, turned around, picked up the pen and wrote down the prescription on the paper, and ordered Mo Jiangli to go to the drug store to get the medicine. Mo Jiangli took the prescription.

After walking out of Lanzhuang, he saw Hua Tianze walking out of Mufeng Pavilion opposite. He was furious. His junior sister had become so sick because of him. He still had the time to care about that broken brothel.

Mo Jiangli walked up to Hua Tianze and punched Hua Tianze in the face. Hua Tianze was planning to greet Mo Jiangli, but Mo Jiangli unexpectedly punched him in the face.

Face, Hua Tianze tried his best to stand still, looked up at Mo Jiangli, looked at him with a puzzled expression, and stretched out his hand to wipe the blood from the corner of his mouth.

"Do you want to ask me why I hit you? You'd better go back and see Bing'er. She's so sick that she's bedridden because of you." Mo Jiangli looked at Hua Tianze with anger in his eyes, and turned around with a flick of his sleeves.

Gone.

After hearing this, Hua Tianze's eyes turned gloomy. He deserved a beating, but he and his junior sister were really not suitable to be together. Reluctant love would not lead to happiness, and he could not harm her.

Returning to Lanzhuang, Hua Tianze walked to Hua Lan Bing'er's room and saw Hua Guzi taking good care of Hua Lan Bing'er, looking at the father and daughter with guilt in their eyes. Hua Guzi turned around,

He glanced at Hua Tianze and said nothing, just sighed softly.

"Come out and talk to me!" Hua Guzi covered Hua Lan Bing'er with the quilt, turned around, and motioned for Hua Tianze to follow him out.

The two of them went out and Hua Guzi closed the door of Hua Lan Bing'er. The two of them walked all the way to the pavilion in the back garden before stopping. Hua Guzi sat on the stone bench and glanced at Hua Tianze.

Seeing the apology on his face, as his master and the person who rescued him from hell, he really put too much effort into him and regarded him as more important than his own daughter.

"Sit down! Let's talk!" Hua Guzi looked at Hua Tianze with a worried look.

"It's Master." Hua Tianze sat opposite Hua Guzi and looked at him without saying a single glance.

"Ze'er, master knows that you have always been curious about your life experience. I think you probably know something about your relationship with Jiang Guo!" Hua Guzi looked at Hua Tianze with a look of helplessness.

"Master, do you want to tell me my life experience?" Hua Tianze never thought that the master was going to talk to him not about the matter between him and Bing'er, but about his own life experience.

"I think it would be better if you went to Jiang Country by yourself rather than me telling you. I have already seen what is on your mind, but you never mentioned it because you didn't want to make my teacher sad. I can't be so selfish and keep you here all the time.

By your side, you have finally grown up and have the right to know your own life experience." Hua Guzi lowered his head, feeling extremely unhappy. He had treated Hua Tianze as his own son since he was a child, but his identity was

, one day he will know.

"Master, you want me to go to Jiang Country?" Hua Tianze looked surprised. Jiang Country is indeed related to his life experience.

"Yes, go to the Jiang Kingdom Palace. Take this with you!" Hua Guzi took out a token from his sleeve and handed it to Hua Tianze. He said: "When you go to the Jiang Kingdom, just take it with you.

With this token, someone will take you to see the leader of the Jiang Kingdom. As long as you find the leader of the Jiang Kingdom, the truth about your life experience will be revealed."

Hua Tianze took the token handed over by Hua Guzi and took a look at it. He saw "ginger" written on it. He remembered that Yao Muzixi once told him that he looked very similar to a person. That person would

Who is it? Is it related to his life experience? A series of question marks hovered in Hua Tianze's mind.

"Good master, then I will set off to Jiang Country on a certain day." Hua Tianze's eyes flashed with hope, but then he became more uneasy. He always felt very sorry for Bing'er. He glanced at Hua Guzi and said,

Said: "Master, I'm sorry for Bing'er. I really don't want to hurt her, but there are some things that I really can't control."

"Ze'er, you don't have to say anything about Bing'er. I know it well, and it's for her own good to let you go. I've always been very clear about her feelings for you, but I can't force these things, and I won't interfere." Hua.

Bones looked at the sky calmly and expressed the true thoughts in his heart.

The Return of the Reborn Princess

Chapter 169 Tears Are Salty

"Thank you, Master. I will come back and join you as soon as I find out the truth." Hua Tianze knelt down in front of Hua Guzi, kowtowed three times, then stood up and left the back garden.

Mo Jiangli was about to come back after arresting him, so he ordered his servants to prepare medicine. He thought it was time to talk to his second junior brother. If this continued, the junior sister might really worry him to death. He walked to Hua Tianze

In front of the door of the room, Mo Jiangli knocked gently. Hua Tianze looked towards the door, quickly put down the package in his hand, walked to the door and invited Mo Jiangli in.

Mo Jiangli looked at the package on the bed and asked confusedly: "Are you going out?"

"Yes, senior brother, I am going to Jiang Country to find out my life experience. I will be back soon. Please help me take good care of my master and junior sister!" Hua Tianze stood up and patted Mo Jiangli on the shoulder, with a look in his eyes.

The look of guilt was beyond words.

Mo Jiangli smiled faintly, that's fine, the junior sister can calm down now that he is gone and not put all her thoughts on him, then she won't be so sad!

"You don't need to tell me, I will take good care of Master and Junior Sister. When will you set off?" Mo Jiangli walked to the table and started working.

Hua Tianze packed up his salutes, turned around, and said with a faint smile: "I originally planned to leave tomorrow, but I'm afraid that Bing'er will be sad when she wakes up and sees me leaving, so I plan to leave after packing my things."

Mo Jiangli poured a cup of tea, took a sip and said with a smile, "This is good, lest Bing'er will be sad again."

A bitter smile appeared at the corner of Hua Tianze's mouth, he lowered his head to pay his respects, glanced at Mo Jiangli secretly, raised his head and said: "Brother, I want you to help Bing'er forget about me! I think you are more suitable than me.

The people who take care of her don't want to see her look so sad anymore, but I hurt her invisibly!"

Mo Jiangli understood what Hua Tianze meant, but although he still liked Bing'er, he was afraid that she would not accept him. Mo Jiangli put down the water glass in his hand, pursed his lips and said: "Just do your best! After all, feelings are not child's play.

, I can't change it alone!"

Hua Tianze tied up the baggage, walked to the table, sat across from Mo Jiangli, held his hand, smiled even more, and said, "My good brother, I'll leave everything to you!"

"Don't worry! I will definitely take good care of them! Take care of them!" Mo Jiangli said as he stood up, took a firm step, and signaled to Hua Tianze: "Brothers for life, there is no need to say anything."

"I will support you in whatever you do!" After saying this, Mo Jiangli walked out of Hua Tianze's room, went to the kitchen, took out the freshly fried medicine, and poured it into a bowl.

Mo Jiangli took the medicine and walked to Hua Lan Bing'er's room. He saw Hua Tianze tucking Bing'er into bed. Mo Jiangli put the medicine bowl on the table and walked to the bed. He smiled lightly and said, "If

She will be very happy to know that you visited her before leaving!"

Hua Tianze stood up, his eyes still on Hua Lan Bing'er lying on the bed. Looking at her frown, it always reminded her of the moments when they were together when they were children. At that time, she loved to cling to him so much.

What will happen to her now that I leave suddenly?

"Okay, I'm leaving!" Hua Tianze turned around and said these words softly as he walked past Mo Jiangli. After carrying his baggage, he immediately walked out of Hua Lan Bing'er's room.

Mo Jiangli looked at Hua Tianze's walking away figure and smiled faintly, with a look of relief in his eyes. It wasn't until Hua Tianze's back disappeared that Mo Jiangli walked to Hua Lan Bing'er's bed and delivered the medicine.

He went to Hua Lan Bing'er's mouth and fed the medicine spoon by spoon.

Just after taking two sips of the medicine, Hua Lan Bing'er coughed, then woke up, with a sad look on her face, and cried: "Senior Brother, I dreamed that my second senior brother would leave me and never come back.

"I'm so scared, I'm afraid I'll never see him again." Hua Lan Bing'er said that the tears in her eyes couldn't help but flow down, and she looked at Mo Jiangli with a sad look on her face.

"No, he will definitely come back." Mo Jiangli put the medicine bowl aside, helped Hua Lan Bing'er sit up, and comforted softly: "He just went to Jiang Country and will be back soon!"

"

This news was like a thunderbolt to Hua Lan Bing'er, which made her heart explode. Her senior brother, her favorite second senior brother, is going to Jiang Country. I can't see him anymore. I don't want it. I absolutely don't want it.

In this way, I must chase him back. Hua Lan Bing'er glanced at Mo Jiangli and said, "Elder brother, take me to get him back. I don't want him to leave. I don't want..."

Seeing Hua Lan Bing'er's face full of tears and begging for herself really made him feel distressed, but he understood that she would never be able to find her second senior brother again. He didn't want her to be sad again, so he Hua Tianze

Now that you choose to leave, no one can take you back!

"Wake up! You can't chase him back!" Mo Jiangli hugged Hua Lan Bing'er tighter, feeling that his heart hurt terribly, as if it was about to break.

"No, senior brother, you must be lying to me. I don't believe it. I must chase the second senior brother back. I don't want him to leave." Hua Lan Bing'er cried hoarsely and tried her best to break free from Mo Jiangli's embrace.

The tears inside flowed freely into a river.

Mo Jiangli grabbed Hua Lan Bing'er's flailing hands, held her tightly in his arms, lowered his head and kissed her lips, sucking up all the tears from the corner of her mouth. The tears were so salty, although they were not

He shed his blood for himself, but he could feel her distress and helplessness. He just wanted to protect her and prevent her from even the slightest harm.

Hua Lan Bing'er was kissed by Mo Jiangli, and she reached out and started beating his chest. Mo Jiangli didn't hide away, he just let her beat him. But he refused to let go of her lips. It was the first time he knew her taste.

It's so sweet that I am so obsessed with it that I can't bear to let it go.

There was a pain in his mouth, and a strong smell of blood spread from Mo Jiangli's mouth. She was biting him, biting his tongue, and blood immediately filled his mouth. He ate it.

It hurts to bear the pain she gave me. If this can alleviate some of your pain, then I am willing to accompany you in pain.

Hua Lan Bing'er's eyes were a little blurry, but she could feel his love for her. His blood tasted so strong and sweet. She knew that if she continued to bite like this, he would die, so she loosened her grip.

His tongue and teeth pushed Mo Jiangli aside, and she looked at him with tears in her eyes.

"Are you feeling better?" Mo Jiangli said with blood dripping from the corner of his mouth, looking at Hua Lan Bing'er in front of him, and smiled.

"Why is this? I only have Second Senior Brother in my heart, and I can't forget him. Why doesn't he even want me to be nice to him? He doesn't want me. No matter how I lower myself, he can't even see me. He doesn't even want me.

Are you willing to give me a little response..." Hua Lan Bing'er looked up at Mo Jiangli with tearful eyes, feeling so painful that she was about to die.

"He doesn't want me to, I love you. I won't let you get hurt any more, I love you, do you know Bing'er?" Mo Jiangli stretched out his hand and took her into his arms, feeling terrible pain in his heart.

.

Hua Lan Bing'er twitched in Mo Jiangli's arms, her voice gradually became quieter, and finally there was no sound at all, and she had fainted from crying. Mo Jiangli lovingly helped her to lie down on the bed, and covered her with the quilt.

He stretched out his hand to wipe the blood on the corner of his mouth, but the pain on the tip of his tongue was still so strong.

The Return of the Reborn Princess

Chapter 170 Encounter in Yecheng

Hua Tianze left Fengqi City and ran straight to Yecheng without stopping. It was already early the next morning when he arrived at Yecheng. Yecheng is the capital of Xia Kingdom, and Yecheng is the only way to reach Jiang Kingdom.

Road. Come to think of it, I haven't seen Yao Muzixi for some days. It shouldn't be difficult for Ye Cheng to find the Crown Princess, but what reason should he use to see her?

The streets of Yecheng were very lively. Hua Tianze found a nearby inn and settled down. Looking at the lively streets through the window, a familiar figure came into view. They were Yao Muzixi and Ouyang Haonan.

.

Yao Muzixi was wearing a lavender dress and walked carelessly on the street. Ouyang Haonan followed Yao Muzixi with an indifferent expression on his face.

Hua Tianze hurriedly ran down and walked to the street, but couldn't find Yao Muzixi and Ouyang Haonan anymore. He wandered around in the street and didn't see Yao Muzixi and Ouyang Haonan again.

Looking at Nan's figure, Hua Tianze rubbed his eyes. Could it be that his eyes were dazzled.

Hua Tianze walked around and returned to the inn. He sighed and walked back to the inn. Just as he walked to the door, Hua Tianze saw Yao Muzixi wearing a lavender dress sitting on a table.

, and sitting opposite her was Ouyang Haonan. The moment he saw Yao Muzixi, Yao Muzixi also happened to see him and smiled slightly at him.

"Are you really here?" Hua Tianze walked up to the two of them and looked at Yao Muzixi's face with a hint of joy.

"Hua Tianze, why are you here in Yecheng? I just told Ouyang Haonan that I saw you, and he also said that I was dreaming. It turns out that I was right, you are really here." Yao Muzi

Xi looked at Hua Tianze with a hint of joy in his eyes. He stood up, pulled Hua Tianze to the table and sat down.

Hua Tianze sat down and watched Yao Muzixi and Ouyang Haonan pick up a cup of tea and drink it. Ouyang Haonan raised his eyes and glanced at Hua Tianze, saying nothing, but looking at Yao Muzixi lightly.

.

"Well, I was going to Jiang Country, but I just passed through Yecheng." Hua Tianze looked at Yao Muzixi and smiled.

"What are you going to Jiang Guo for?" Yao Muzixi asked curiously, saying that Jiang Guo's second thought reminded her of Jiang Chiyan, who always made her feel that there must be something between Hua Tianze and Jiang Chiyan.

Some kind of connection.

Hua Tianze raised his eyes and looked at Yao Muzixi and said, "For my life experience." With just a few words, Yao Muzixi understood.

After hearing this, Ouyang Haonan raised his head and glanced at Hua Tianze, put down the tea cup in his hand, and said: "The terrain of Jiang Country is dangerous. It is difficult for non-residents to enter the country. Moreover, Jiang Country is famous for its witchcraft.

It seems a little inappropriate for you to act rashly like this!"

After listening to Ouyang Haonan's words, Hua Tianze knew very little about Jiang Guo, but the token given to him by the master should be able to solve various problems. Since the master asked him to go to Jiang Guo, Xiang must go to Jiang Guo himself.

There is no problem!

"It's okay. I have the token given to me by the master. The master told me to take out the token when I get to Jiang State and enter the imperial city." Hua Tianze took out the token and spread it out between Yao Muzixi and Ouyang.

In front of Haonan.

Ouyang Haonan looked at the token carefully, reached out and took out the Yiling Order from his waist, and placed it in the center of the table next to Hua Tianze's token. It was not difficult to find that the two tokens were indeed

There are many similarities, such as size, material, and appearance. The only difference is that the Yiling token has the word Yiling written on it, while the token of Hua Tianze has the word "ginger" written on it.

"I think the Yiling Order must come from the Jiang Kingdom. You look at the two tokens. They are surprisingly similar. There seems to be no difference at all except for the different characters." Ouyang Haonan said and put the two tokens together.

The cards were turned over, and the drawings behind the two tokens were exactly the same. What did this pattern indicate?

"Yes, this is strange. What is the connection between the Xuanyuan Five artifacts and the Jiang Kingdom?" Hua Tianze looked at the two tokens with some confusion.

Speaking of the Xuanyuan Five Divine Artifacts, Yao Muzixi felt a little helpless. She remembered what her father said to her when she returned to Yao Lan Country. What kind of savior, and the Xuanyuan Five Divine Artifacts must be gathered together. Now she knows

Xuanyuan Five Gods

The weapons include the Yiling Order in Ouyang Haonan's hand, Hua Tianze's Soul Gathering Flute, Xia Xifeng's Ice Ling Knife, and the Moon-Zhancing Sword that Ye Qianyu snatched back. As for the last artifact that has not yet been released, I don't know.

Where is it? What will happen after the five artifacts are assembled?

"Anyway, Hua Tianze, I think you have a close relationship with Jiang Guo. People from Jiang Guo will not be unfavorable to you. You go to Jiang Guo first to find out your life experience. I will also go to Jiang Guo in the future.

I want to go to the country, but I have been watched too closely by Xia Mingyu in the Prince's Mansion recently, and it is difficult to escape. When I have the opportunity, I will go to the Jiang Kingdom, and I want to find out what happened to Yiling Ling." Yao Muzixi looked at Hua Tian.

Ze, tell what is in your heart.

After hearing this, Ouyang Haonan was a little surprised and said: "Princess wants to leave the Prince's Mansion and go to Jiang State? This is absolutely impossible!"

"Ouyang Haonan, don't worry, I'm not messing around." Yao Muzixi looked at Ouyang Haonan and said with a serious face.

"Princess, I'm just worried that this will affect the friendship between the two countries. After all, you are the princess who came to Jiang State with her bride. If you escape from the prince's residence privately, you may make the prince and the emperor uncomfortable." Ouyang Haonan analyzed worriedly,

I really can't keep up with the princess' thoughts anymore.

"It's okay, don't worry too much, I will make the emperor let me go willingly." Yao Muzixi said and winked at Ouyang Haonan.

Hua Tianze looked at Yao Muzixi and Ouyang Haonan without saying anything, just thinking about what he should do after going to Jiang State. Yao Muzixi glanced at Hua Tianze lightly and said: "Hua Tianze, you go first

Go to Jiang Country and wait for me there, and we will meet up there then."

"Okay, everything will go according to plan. If Jiang Guo is defeated, I will pass a message to you Feige." Hua Tianze stood up as he spoke, played his flute, and glanced at Yao Muzixi with a faint smile.

There was a hint of joy in his eyes. He walked around the street before and bought a Buyao, thinking that Yao Muzixi would wear it tightly.

"Princess, come out with me, I have something to give you." Hua Tianze looked at Yao Muzixi with some embarrassment.

Yao Muzixi was stunned for a moment and didn't react, and said: "You mean me?"

"Yes!" After saying that, Hua Tianze turned around and walked out of the inn. Seeing this, Yao Muzixi raised his head and glanced at Ouyang Haonan, then stood up and followed Hua Tianze out of the inn.

When he walked to the door, Yao Muzixi saw Hua Tianze waiting for him, and quickly followed him, only to see Hua Tianze looking at him with a smile on his face.

"What are you doing? Looking at me like that? Have you never seen a beautiful woman?" Yao Muzixi felt a little uncomfortable when Hua Tianze looked at her. She rolled her eyes at Hua Tianze and made a face with a smile.
