

The Return of the Reborn Princess

Chapter 192

"Today, do you think I can still turn back? None of you can stop me." Dugu Zhong's eyes turned cold, and he did not stop the movement of his hand. The palm hit Yubi's heart directly.

Yubi groaned, and the blood stains at the corner of her mouth gushed out uncontrollably. But with her last bit of strength, she didn't want to let him continue to make mistakes. Sister Xixian would never come back.

Yu Bi put her arms around Dugu Zhongning's neck and refused to let go. She knew her time was running out. She turned back and glanced at Xia Xifeng and Yao Muzixi behind her, and said hysterically: "Why don't you leave quickly?"

This snowy area will be destroyed soon, hurry up and get out of here."
