

The Return of the Reborn Princess

"Sir, what about me?" Shuiyan said with tears on her face when she saw Ouyang Haonan preparing to take away Yao Muzixi.

"Yes, I gave this hookah girl to Brother Xiaomu. We can't just throw her away like this." Zuo Anchen saw that Ouyang Haonan was planning to take Yao Muzixi away, and he was not planning to take the hookah away.

.Besides, he never thought of leaving the hookah with him. After all, he is also the son of the prime minister. It would be strange if his father did not kick him out of the house if he brought a brothel girl home.

When Ouyang Haonan heard this, he glanced at the hookah and felt that it was just a woman. It would be okay to take her back to the palace and become a maid.

"Then let's go." Ouyang Haonan pulled Yao Muzixi and said calmly. Then he walked out the door. He had to take the princess back to the palace quickly. How could he feel at ease if there was another disappearance or something.

Shisha smiled brightly and followed Ouyang Haonan and the others out. Unexpectedly, the general was unsuspecting.

"Hey... wait a minute. After all, I was the one who brought this little brother back, but General Ouyang didn't even say a word of thanks and just left. I, Xia, will inevitably feel unhappy."

Xifeng looked at Ouyang Haonan with dissatisfaction. No matter how hard it is to say that there is no credit, there is still hard work!

"Huh." Ouyang Haonan didn't take it seriously. If he, Xia Xifeng, hadn't taken the princess away, how could she have been missing for so long and made him worry for so long.

"You can't say that to Mr. Ouyang. If I hadn't taken her away, I don't know who would have taken her away." When Xia Xifeng said this, she looked at the hookah.

He still remembered that when he took Yao Muzixi away, someone had been following him. Fortunately, he was so good at light kung fu that he lost track of him, and the person following them turned out to be Shisha.

Shuiyan was startled when she heard this. She really didn't expect that Xia Xifeng would actually find out that she was following them that day.

"Then I will thank the third prince of Xia Kingdom first." Ouyang Haonan said unceremoniously. Apparently he was still angry, so he directly revealed his identity as the third prince of Xia Kingdom.

Hookah was relieved when Ouyang Haonan said this. Although she had never seen the third prince Xia Xifeng of the Xia Kingdom, she had heard a little bit about it.

No one can match it, and today it seems that it is indeed well-deserved.

"Xia has no other intention. It's just that I, Xia, am not very familiar with Yao Languo. I want to follow you for a few days. I wonder if Mr. Ouyang can reward me and let me go with you." Xia Xifeng smiled lightly and did not care about Ouyang Hao.

Nan said bluntly if he had any prejudice against him.

"I, Ouyang Haonan, am a rough man and I'm afraid I will neglect the Third Prince." Ouyang Haonan said still unhappy.

"I, Xia, will never care." Xia Xifeng said with a smile.

"It's up to you." Ouyang Haonan snorted, and then pulled Yao Muzixi out and walked out. Xixi followed Yao Muzixi closely. She knew that General Ouyang was really angry this time.

"Then let me follow you," Zuo Anchen said shamelessly.

Everyone was silent along the way, each with their own plans. Of course, what Xia Xifeng cared about most was who this hookah was and what their plans were for following them.

Ouyang Haonan just wanted to send the princess back to the palace as soon as possible. The wedding day was not far away, and there must be no more trouble at this juncture.

The Return of the Reborn Princess

After returning to the inn, Yao Muzixi and Xixi went back to their rooms to rest. Ouyang Haonan sneaked into the palace late at night and came to Yao Jingyu's bedroom.

"Haonan, is Zixi back?" Yao Jingyu asked with concern, with reluctance in his eyes, fearing that his daughter would be harmed even a little outside the palace. But he also hoped that his beloved daughter would be able to achieve something.

Experience, only in this way can you be able to stand alone.

"Back to the emperor, the princess is back. It was the third prince of Xia who brought her back." Ouyang Haonan replied.

"Is it him? If it's him, then there's nothing to worry about. Is he still with Zi Xi now?" Yao Jingyu asked thoughtfully.

"Back to the emperor, he is still here, and he took the initiative to stay with us. I wonder what his intentions are?" Ouyang Haonan told the emperor with a confused look on his face.

"It's not him who really has the plot, but someone else who was discovered by him. Haonan, you must protect the princess these days. It seems that the news of Zi Xi leaving the palace has spread like wildfire.

.We must let Zi Xi return to the palace as soon as possible, and do not stay outside the palace for a long time." Yao Jingyu said worriedly, with an uneasy look on his face, but this look made Ouyang Haonan more and more worried.

"I will obey your orders." Ouyang Haonan didn't know what the emperor was worried about, but he also realized that outside the palace was definitely not a place where a princess should stay.

Xia Xifeng has always been quite wary of Shisha's involvement, so naturally she is always paying attention to her every move.

Late at night, a piano music suddenly came from the inn, which seemed to be heartbreaking. This beautiful piano music made those who had insomnia all fall asleep. They slept so deeply that Xia Xifeng was almost hypnotized by the music.

But he had long realized something was wrong.

Xia Xifeng saw Ouyang Haonan sneaking out of the inn and understood that he was going to report to Emperor Yao Languo about the princess. At this time, if someone wanted to do something, it would be the best time. Sure enough, he was caught.

With.

Xia Xifeng exerted some power, refreshed herself, smiled slightly and said, this hookah girl underestimated him too much. It was just right for him to go meet her and see what other tricks she had, just use it and let him do it.

If you know yourself and your enemy, you can fight a hundred battles without danger.

Xia Xifeng's Shadowless Kung Fu is a unique secret technique. It allows him to quickly approach the target he is looking for without being noticed. This Shadowless Kung Fu is even more powerful than Lingbo Weibu.

He is the only one in the world who knows this skill, because it is a skill he created and practiced since he was a child. Naturally, others cannot do it.

When Xia Xifeng came to Shisha's room, Shisha did not find him, but was still playing her soul-forgetting song. It was estimated that the time was almost up, and she had to be taken away before Ouyang Haonan came back.

Come on, Shisha already knew that Yao Muzixi was a woman disguised as a man.

In fact, Shuiyan wanted to take Yao Muzixi away before she left the palace, but she had no chance to take action in the palace. There were many people in the palace, and Ouyang Haonan had been secretly guarding Fengxi Palace.

Unexpectedly, Yao Muzixi ran out of the palace by herself, and there were not many powerful people around her. This was her best chance to make a move, and she must not miss it. She wanted to take her back to Jiang Country with her own hands.

Shisha was still in her thoughts and had not come back to her senses. She only felt that someone was tapping her acupuncture points from the back, and she could not move her whole body.

"Girl hookah, why do you want to play this soul-forgetting hypnotic song?" Xia Xifeng walked to the hookah and sat across from her, speaking indifferently with a vague arc at the corner of her mouth.

The Return of the Reborn Princess

023 The Poison of Greed

Hookah was still thinking about who was not hypnotized by her Soul Retention Song. It turned out to be him, Xia Xifeng. She really underestimated him. After all, the Soul Retention Song was famous in the world and made people frightened. This

Xia Xifeng was able to resist such a powerful hypnotic spell from Forgotten Soul Song. It seemed that it was indeed not easy.

"Young Master Xia, you are indeed a dragon and a phoenix among men. Even the Song of Forgotten Souls can't do anything to you." The hookah really made a mistake this time.

"The only successor of the Forgotten Soul Song died seventeen years ago. I don't know where did you learn from, Hookah Girl? You were able to perform the Forgotten Soul Song so beautifully and unparalleled." Xia Xifeng seemed to say.

Said flatteringly.

Shuiyan just smiled slightly when he heard this: "Is there any airtight wall in the world? Since the only successor of Soul Resurrection died seventeen years ago, it is natural that someone will come to take over the former's position. We cannot allow this world to be unique.

If something is really lost, wouldn't it be a pity?"

"What the hookah girl said makes sense." Xia Xifeng looked at the hookah and said word by word. Then he changed the subject and asked coldly: "Tell me, what is your purpose in approaching Princess Yao Languo?"

"

"Haha, I'm just a mentally retarded woman, so how could I get close to Princess Yao Lan?" Shui Yan said in disbelief.

"You don't need to quibble. I've been paying attention to you for a long time. You know very well whether you intend to get close to her, and you don't need me to say more."

From the medicine bottle, he poured out a pill and stuffed it into the mouth of the hookah.

"What did you give me to eat?" Shisha's face was secretly startled, and he shouted in a muffled voice.

Xia Xifeng withdrew her gaze and played with the ring on her hand, and said unceremoniously: "Stop trying to trick her. If you insist on taking a risk, you can try it. What I just fed you was greedy, I think

You must have heard of it! If you want to live a good life, just stay with me."

This greedy poison is secretly made by the Xia Kingdom. People who eat this poison will suffer from heart and lung angina as long as they have the slightest evil intention. It will be like being bitten by thousands of insects. The pain will be unbearable. Naturally, this antidote must be given to them.

Only those who are poisonous can detoxify.

Shisha never thought that he would fall into the hands of the third prince of the Xia Kingdom. The shisha naturally knew how powerful the poison was, otherwise it would not have been secretly made only in the Xia Kingdom for so many years. This shows how much effort the Xia Emperor put into it.

Keep this secret recipe.

"Just stay here, your acupuncture points will untie themselves at dawn. You can do it on your own!" Xia Xifeng gave the hookah a cold look, dropped these words and walked out.

Ouyang Haonan happened to be coming back from the palace at this time. When he saw Xia Xifeng coming out of the hookah room, he couldn't help but wonder. Could it be that the hookah girl had some shady dealings with Xia Xifeng? Otherwise, what happened?

Sneaking together in the middle of the night?

Early the next morning, Ouyang Haonan woke up early, asked the waiter to prepare some food, and then went to call Yao Muzixi and Zuo Anchen. Zuo Anchen was sleeping soundly, and it took Ouyang Haonan a long time to wake him up.

Naturally, this is the effect of the water pipe's piano sound.

After dinner, Yao Muzixi looked at the rain outside the window. She felt a little absent-minded, as if she had returned to the days when Chu Tianhong massacred Landu. Such a deep imprint was engraved in her mind and she could not erase it no matter what.

"Princess!" Ouyang Haonan looked at Yao Muzixi and reminded in a low voice: "The princess's wedding day is coming soon. Please return to the palace with the general."

The Return of the Reborn Princess

024 Princess, we should go back to the palace

Ouyang Haonan's words were overheard by Zuo Anchen, who happened to be passing by, and stared at Yao Muzixi and Ouyang Haonan in great surprise.

"Princess?..." Zuo Anchen stammered with his mouth wide open. Well, this time it was really Zuo Anchen who was too blind to recognize Taishan.

"Ouyang, why didn't you tell me that Xiaomu Xiandi is a princess?" Zuo Anchen pulled Ouyang Haonan aside and whispered, with a very troubled expression on his face.

"Humph, it's not because of your temper that if I tell you, it might cause a bigger trouble." Ouyang Haonan glanced at Zuo Anchen and said angrily.

"Hey, let me tell you, you kid, that's not what you said." Zuo Anchen said frustratedly. It seemed that he was disliked again.

"Princess, come back to the palace with me today! After playing for a while, the emperor is worried!" Ouyang Haonan didn't know what the relationship was between Xia Xifeng and the hookah that suddenly broke in, so the princess stayed outside the palace.

Definitely not a wise move.

"Okay Ouyang Haonan, let's go back to the palace!" Yao Muzixi looked at the gloomy sky, with a hint of sadness in her voice.

Ouyang Haonan had someone prepare a carriage in advance, and it was waiting outside the door of the inn. Ouyang Haonan took Yao Muzixi and Xixi onto the carriage and went straight to the palace.

The day of marriage is approaching, October 15th is the day of the princess's marriage. Today is already the fifth day of October, and the princess will get married in ten days.

After Yao Muzixi and Ouyang Haonan parted ways with Zuo Anchen, Xia Xifeng and Shisha, Zuo Anchen also said goodbye to Xia Xifeng and the others because he came back this time to help his father handle some business matters.

Before, I was just having fun with Ouyang Haonan and the others and didn't do anything serious. Now it's naturally time to go back and do things.

After Zuo Anchen left, Xia Xifeng glanced at the hookah and said calmly: "Your plan has been disrupted again. Are you still looking for an opportunity to implement your unknown plan?"

"Of course I have my own reasons for what I do. Can't you see that I don't actually have any ill intentions towards the princess?" Shuiyan smiled lightly when she heard this. It seemed that she had someone who was calm and steady in trouble. She was so careful.

Be wary of her.

"I don't care if you have any malicious intentions, but if you want to block my way, I will naturally take the first step." Xia Xifeng said casually.

"Before Mr. Xia detoxifies me, I naturally know how to behave and will not act rashly. I will stay by your side obediently." Shuiyan couldn't help but feel annoyed when she saw Xia Xifeng's casual look. Since you won't make it easy for me,

I can't let you live too comfortably, let's see.

"Oh? You want to follow me? You are such a smart woman. Since the beauty is so proactive in throwing herself into her arms, how can I not accept it?" Xia Xifeng looked at the hookah and smiled. This woman is really interesting!

But he is also very smart, so there is no harm in just staying around and playing.

Seeing Xia Xifeng's cynical look, Shisha felt very bored, but now she was the fish on his chopping board, and could only be slaughtered by him, so she couldn't feel unhappy in her heart. Anyway, Qingshan was still there, so she was still afraid.

Can't make a fire without firewood? This time she endured it.

Xia Xifeng walked leisurely and returned to the inn, and Shisha had no choice but to follow.

It was almost dark when Ouyang Haonan and Yao Muzixi returned to the palace. Yao Muzixi suddenly felt that the palace seemed to have lost the bustle of the past, making people feel very depressed. He didn't know whether it was because of his heart or his intuition.

The Return of the Reborn Princess

Chapter 025: Exactly the Same as Your Mother Back then

When Xixi returned to the palace, she got up early and got busy with the other maids. Now, the princess was getting married, so naturally some of them were busy.

This phoenix crown harem has been made. Xixi is going to give it to the princess to try on today. If the size is not right, she should change it in time, but she can't make people laugh on her wedding day. Yao Muzixi finished her breakfast.

When he was about to go for a walk in the Imperial Garden, he saw Ouyang Haonan standing guard outside Fengxi Palace. He smiled and said, "Ouyang Haonan, you must be tired these days! There is no need to come to Fengxi Palace early in the morning.

Come on, why don't you go back and have a rest?"

"I'm not tired. I have to protect the princess. This is my duty." Ouyang Haonan looked at Yao Muzixi with a bit of surprise in his eyes. Does the princess care about him?

Yao Muzixi walked past Ouyang Haonan indifferently and walked around the imperial garden. She felt that everything was lifeless, so she went back to her Fengxi Palace.

"Princess, how about I try on your wedding dress today? This wedding dress will look the best on the bride." When Xixi saw Yao Muzixi coming back, she went to bring the Fengguan Xiapei over.

The bright red wedding dress is a very festive color, and the phoenix crown and harem are exquisitely crafted and really beautiful.

"Princess, let me try it on for you." After saying that, Xixi asked the other two palace maids to unfold the clothes, then took off the gauze skirt on Yao Muzixi's body, and carefully put on the phoenix crown and harem for her.

The phoenix crown swayed on Yao Muzixi's beautiful hair accessories. The light pink rouge applied to her face made Yao Muzixi look extremely enchanting.

"Does it look good?" Yao Muzixi was dressed in a rich dress and looked very noble. She was worthy of being a princess.

"Princess is the most beautiful woman I have ever seen in the world." Xixi praised sincerely, and she couldn't help but think that one day she could wear a phoenix crown and harem like this to marry her beloved man.

"Zixin..." Yao Jingyu stood outside the door of Fengxi Palace and looked at Yao Muzixi dressed in red. He almost mistaken her for Zixin. He thought back then, when Jiang Zixin and Yao Jingyu got married.

Also wearing a red outfit is breathtaking.

When Yao Muzixi heard the reputation, it turned out to be her father whom she had not seen for more than half a month. She hurried to Yao Jingyu's side and pulled him to sit on the soft couch in Fengxi Palace, dancing with her skirt seductively.

He stood up and asked in a sweet voice: "Father, does your daughter look good in this wedding dress?"

"It's beautiful, of course it's beautiful. It's exactly the same as your mother's back then!" Yao Jingyu praised, and his thoughts drifted back to the time when he and Zixin were together.

Xia Xifeng packed up her things and was about to leave the inn when she saw Shisha standing in front of her calmly. She looked Xia Xifeng up and down, with a rather meaningful look in her eyes.

"Today, I am going to the palace. Do you want to go with me?" Xia Xifeng looked at the hookah and thought that she would not miss this good opportunity.

Shisha just looked at Xia Xifeng, looking nonchalant, and said calmly: "I'm not a relative of the emperor, so I don't want to go to the palace. Your dignified third prince of Xia Kingdom brings a brothel girl to the palace, which will inevitably make people uncomfortable.

What a joke."

"Since the hookah girl doesn't want to go, I can't force myself, Xia. You can leave on your own, and you don't have to follow me." Xia Xifeng actually miscalculated. What was the hookah girl's plan?

"I'll be waiting for you at the inn. Sir, please don't forget to come over and pick up the little girl and take us back to Xia Kingdom!" Shuiyan said with a faint smile and glanced at Xia Xifeng.

The Return of the Reborn Princess

Chapter 026: Xia Xifeng's Visit

"That girl, you're here to wait. On the day when Xia welcomes the princess, I'll take you away." Xia Xifeng said leisurely, but he was thinking in his heart that it was really a trouble that he couldn't get rid of. I'd like to see

What other tricks can you do when you arrive in my Xia Kingdom?

"Young master, please leave. The little girl is waiting for you in this inn." Shuiyan still looked calm.

Xia Xifeng didn't think much about it, and walked out of the inn leisurely, called a carriage, got on the carriage and rushed towards the palace leisurely.

When he arrived at the palace, Xia Xifeng successfully entered the Yaolan Kingdom Palace.

After Ouyang Haonan finished patrol, he saw Xia Xifeng walking slowly outside Fengxi Palace. He couldn't help but sigh: "The Third Prince of Xia Kingdom? Why is he here?"

"It's so fast!" Ouyang Haonan walked to Xia Xifeng and said bluntly.

Xia Xifeng also had no intention of arguing: "Of course."

Ouyang Haonan didn't want to say anything more to Xia Xifeng, but just wandered around the Imperial Garden with him.

"Where is that girl from Shuishi?" Ouyang Haonan suddenly thought that Shuishi seemed to have some unclear relationship with Xia Xifeng, so he asked tentatively.

"Shuishi?" Xia Xifeng said thoughtfully: "Do you think Shuishishi should be with me?"

"Oh? Shouldn't she be with you? So what happened when you came out of Shuishi's room that night?" Ouyang Haonan asked back.

Xia Xifeng looked at Ouyang Haonan with clarity and said with a smile: "That thing, haha, you should really thank me, instead of questioning me like now."

Ouyang Haonan no longer wants to worry about this with Xia Xifeng. Anyway, he will be more careful in protecting the princess in the future.

When Yao Jingyu came to the Imperial Garden, he saw Ouyang Haonan and Xia Xifeng talking about something. In fact, he felt that Ouyang Haonan and Xia Xifeng were both people he appreciated, talented and had strategy in doing things. If Xia

Xi Feng is not the third prince of Xia Kingdom, so he thinks he must be willing to take him for himself.

When Ouyang Haonan saw Yao Jingyu coming to the Imperial Garden, he immediately led Xia Xifeng to Yao Jingyu. Xia Xifeng smiled and bowed to Yao Jingyu. Yao Jingyu naturally returned the gift politely. Xia

Xi Feng here represents the king of Xia, and Yao Jingyu should naturally give him a gift.

"Xifeng! How are you having fun in my Yao Languo?" Yao Jingyu looked at Xia Xifeng and asked kindly.

"I am worried about it by the emperor. I have naturally lived a good life in Yaolanguo these days." Xia Xifeng replied.

"I don't know what Xi Feng is coming this time? It's still some time before the date of marriage." Yao Jingyu said calmly.

"The emperor is worried too much. I am not here for the marriage. I just want to come to the Yaolan Kingdom Palace for a walk." Xia Xifeng smiled and said helplessly: "I have had enough fun outside, so I haven't had it yet.

The place is available."

"Hahaha... what are you saying, how come you have no place to go? You just go wherever you like to go to the Yao Languo Palace. Can anyone dare to stop it?" Yao Jingyu laughed loudly and laughed loudly.

road.

Xia Xifeng smiled proudly, but looked at Ouyang Haonan. The emperor obviously understood what he meant. Ouyang Haonan didn't seem to be optimistic about Xia Xifeng, as if they were still fighting a little! But this young man

It may not be a good thing to be a little competitive among people.

"Then I thank the emperor here. I think I have lived in the palace these few days. I wonder if the emperor can agree to my small request." Xia Xifeng looked at Yao Jingyu and said with an innocent look on his face.

The Return of the Reborn Princess

027 Xia Xifeng Why Are You Here?

"Of course there is no problem, Xifeng! I will let someone arrange it where you want to live." Yao Jingyu smiled and looked at Xia Xifeng, but he liked it very much.

"I want to live in... the princess's Phoenix Palace, I wonder if that's possible?" Xia Xifeng glanced at Ouyang Haonan with a smile, but saw that Ouyang Haonan's expression was a little angry, and she was secretly happy in her heart.

"Your Majesty, this Fengxi Palace has always been a place for princesses. How can there be any reason for outsiders to move in?" Ouyang Haonan stopped her.

"That's right! Actually, it doesn't matter. Zi Xi's Feng Xi Palace also has a lot of spare rooms anyway. If Xifeng moves in, the Feng Xi Palace will be more lively, and Zi Xi will be happy too." Yao Jingyu didn't object.

mean.

"Then Xifeng thanked the emperor here." Xia Xifeng was even more proud.

Yao Jingyu sent someone to prepare a wing for Xia Xifeng, and then went to do his own business, leaving only Ouyang Haonan and Xia Xifeng in Fengxi Palace.

In the evening, Xia Xifeng's room was also tidied up. Xia Xifeng sat on the stone bench outside the door very comfortably and admired the moonlight. However, when she saw Ouyang Haonan walking in, she laughed and said: "Ouyang

Brother, don't you have anything to do and want to come and catch up with me?"

"You are thinking too much! I just want to see what the third prince of Xia needs." Ouyang Haonan said expressionlessly.

"I don't need anything!" Xia Xifeng smiled lightly.

"Princess, where are you going so late?" Xixi's voice came from a long way away.

"I just want to walk around." Yao Muzixi looked at the west wing where Xia Xifeng lived, and said with confusion: "Xixi! Isn't this west wing always unoccupied? Why are the lights on?

Woolen cloth?"

Yao Muzixi obviously did not expect that Xia Xifeng would actually come to the palace and live in her Fengxi Palace.

"I don't know! It seems that the emperor sent someone to clean it up for a distinguished guest today." Xixi didn't quite understand what was going on, so she just told Yao Muzixi what she heard.

"Then let's go and see who it is!" Yao Muzi smiled.

Yao Muzixi and Xixi jogged and arrived at the door of the west wing. After entering a stone archway, she saw Ouyang Haonan sitting in front of a stone bench and seemed to be talking to someone.

"Ouyang Haonan, what are you doing here?" Yao Muzixi did not see Xia Xifeng, only Ouyang Haonan.

"Princess, you are in such a good mood. It's already dark today, but you still didn't forget to come to see me!" The person who said this was naturally Xia Xifeng.

Ouyang Haonan glanced at Yao Muzixi helplessly and said nothing more.

"Xia Xifeng?" Yao Muzixi never expected that Xia Xifeng would actually come to her Fengxi Palace, and couldn't help but said in surprise.

"What? The princess doesn't welcome me?" Xia Xifeng said with a mischievous smile.

"Xia Xifeng, why are you here?" Yao Muzixi asked blankly, obviously not recovering from the shock just now.

"Of course I'm here to play with the princess, so that you won't be bored by yourself facing such a humorless general!" Xia Xifeng turned the topic to Ouyang Haonan, and said that he didn't

There is a sense of humor.

Ouyang Haonan's face turned livid when he heard this, and he said unhappily: "Since I have no sense of humor, I'll just leave." After saying that, Ouyang Haonan snorted and glared at Xia Xifeng.

He left without looking back.

"Haha, I'm angry..." Xia Xifeng laughed so proudly.

The Return of the Reborn Princess

Chapter 028 The Mysterious Man

"Xia Xifeng, tell me, what are your intentions when you come to the imperial palace and live in my Fengxi Palace? Do you have some intention against me?" Yao Muzixi looked at Xia Xifeng so embarrassed.

, couldn't help but joke.

"What other plans can I have for you? Even if I really have any plans for you, it's just asking for trouble. You, the princess of Yao Lan Kingdom, will become my brother's concubine in a few days.

I have a sister-in-law. What else can I do?" Xia Xifeng felt bitter in her heart when she said this.

"Xia Xifeng, I agree that there are difficulties in getting married. If I hadn't gone through that, how could I have left the good princess alone and gone to your Xia country to get married?" Yao Muzixi was surprised when she heard what Xia Xifeng said.

I felt very uncomfortable for no reason, and my eyes looked a little desolate.

"What have you experienced?" Xia Xifeng was a little curious when she heard what Yao Muzixi said. She looked in disbelief. What could a princess have experienced? To make her look like this.

"Xixi, let's go." After saying that, Yao Muzixi took Xixi's hand and walked towards his bedroom.

Xia Xifeng looked at Yao Muzixi's back, sighed softly towards the sky, and then turned around and returned to her room.

The night was getting deeper, but Xia Xifeng couldn't fall asleep, and was tossing and turning on the bed. Xia Xifeng suddenly remembered that the hookah girl was still in the inn, and wondered what she was doing now. Then she got up and left the west wing.

Fly towards the outside of the palace.

A white shadow flew quickly over the Fengxi Palace. It was difficult for ordinary people to spot it, but it did not escape Ouyang Haonan's eyes. Ouyang Haonan raised his head and glanced at the white shadow, and then became even more unhappy. He was too lazy to say anything else.

Never mind him, after all, his mission is to protect the princess, and he doesn't care about anything else. That Xia Xifeng can do whatever he likes.

Xia Xifeng arrived at the inn and sneaked into the hookah room. However, the hookah was not in the room, but her things and the piano were still there, so they probably wouldn't have gone anywhere.

As expected, the sound of footsteps came over after a while. Xia Xifeng listened intently and heard the footsteps of not just one person, but two people.

Xia Xifeng thought for a while and hid in the dark. He wanted to see what the hookah girl was up to.

"Shisha, how are things going?" A male voice came from outside the door. The voice was extremely pleasant and had a bit of a hoarse charm.

"Back to Your Highness, I... failed, and was poisoned by greed by the third prince of Xia Kingdom." Shuiyan said in a low voice.

"The third prince of Xia Kingdom?" The man looked confused, and then he seemed to remember something and asked: "But that Xia Xifeng who stole the ten thousand-year-old snow lotus from our snowy land?"

"Yes, Your Highness the Prince." Shuiyan said softly.

"He? Haha... He is not a simple person. You should pay more attention to yourself." The man slowly approached, but he could not see the man's face clearly.

The man was dressed in red, but his entire body was covered by a large black cloak. His head was also covered, and he wore a silver-white half-face mask. Xia Xifeng could not see clearly at all.

The person's appearance only confirms that this person's identity is unusual.

"I know." Shisha whispered.

"Since you are with Xia Xifeng now, it is best to go to Xia Kingdom with him. I will make arrangements for the rest." The man said softly and glanced at the hookah.

"Shisha knows what to do. Your Highness, must you be tired? How about sitting down and having a cup of tea before leaving?" Shisha said as if begging.

"Shisha, your poison, I will have someone develop an antidote for you as soon as possible. When you go to Xia Kingdom, just don't cut off contact with me." The man looked at the water smoke and said calmly.

"Shisha understands." Shisha said, pouring a cup of tea and bringing it in front of the man: "Your Highness, would you like a cup of tea?"

"I won't drink this tea. Just be careful!" the man said softly and prepared to walk out the door.

"Your Highness, don't leave, okay? Stay with Shisha, Shisha misses you so much." Shisha's eyes were full of reluctance, and she ran behind the man and hugged him from behind.

"Shisha... now is not the time for children to have an affair..." The man's tone was a little cold.

"Your Highness..." Shuiyan's eyes were filled with tears.

"I'm going back first." The man said and gently held the hookah in his hand, walked out of the hookah room, and disappeared into the night.

But at this moment, Shisha was lying sadly on the table, sobbing sadly.

The Return of the Reborn Princess

029 Suspicious Person

Xia Xifeng didn't know that this shisha Jun was such an infatuated woman, that she could ignore herself and put herself in danger for a man without any regrets.

Xia Xifeng felt a little sorry for this silly woman in her heart.

Xia Xifeng waited until Shisha fell asleep, then tiptoed out and returned to his west wing in Fengxi Palace.

Xia Xifeng walked to the door of the west wing and felt something bad. It turned out that Ouyang Haonan had been waiting for him there for a long time. Ouyang Haonan glanced at him, his eyes a little cold.

"Why didn't Mr. Ouyang go to bed so early, but he ran to my door and stood in front of my room? Why?" Xia Xifeng smiled at Ouyang Haonan, why did Ouyang Haonan always give him a look every time?

?

"I should be asking the third prince of the Xia Kingdom what he was doing so late at night?" Ouyang Haonan said bluntly. A shining sword was extremely dazzling under the moonlight.

Xia Xifeng looked at Ouyang Haonan's sword on her neck and felt nothing. She just looked at him with a smile on her face. She gently held the sword between her fingers and moved it to the side without looking back.

After walking to the room, he fell asleep.

Ouyang Haonan knew that doing so would not help. This Xia Xifeng was a prince after all, and he could not do anything to him.

Early the next morning, Xia Xifeng got up early and wandered around. When she walked to a bamboo forest, she saw Ouyang Haonan practicing sword there.

Ouyang Haonan's sword moves were surprisingly fast. The bamboo leaves were lifted up by Ouyang Haonan's sword energy and turned into a circular circle of bamboo leaves. As Ouyang Haonan swung his sword, the bamboo leaves flew towards Xia Xifeng.

Xifeng flew over. Xia Xifeng dodged several times, avoiding the attacks of those bamboo leaves with sword energy one by one, and flew to the side.

Xia Xifeng clapped his hands and smiled brightly. He laughed loudly and said: "Yes, yes, Mr. Ouyang's swordsmanship is really amazing! Fortunately, he can dodge quickly, otherwise his life would have been lost long ago.

"

"I don't dare to take it seriously. Of course my little trick can't hurt you, the Third Prince." Ouyang Haonan replied rudely, his attitude towards Xia Xifeng still hasn't improved at all. Fortunately, Xia Xifeng is thick-skinned enough.

No matter what you say or how you treat him, he doesn't care.

"Do you want to ask me about last night? Mr. Ouyang, you don't have to be so guarded against me. I have no enmity with the princess, so I won't harm her. What you should really pay attention to is that the other person is not me." Xia Xifeng reminded.

Ouyang Haonan said, because, although he didn't care about Ouyang Haonan's attitude towards him, he still felt that Ouyang Haonan was a talent and a friend rather than an enemy.

"You mean you discovered something last night, and it was bad news for the princess?" Ouyang Haonan's expression changed slightly, and he looked at Xia Xifeng with complicated emotions in his eyes.

"You can go and observe by yourself! You won't believe me even if I say it, and I don't want to ask for trouble. I'll leave now. Master Ouyang, you can practice your sword well, and I won't disturb you."

Xifeng said calmly, then turned around and walked out of the bamboo forest, heading towards Yao Muzixi's palace.

After hearing what Xia Xifeng said, Ouyang Haonan somewhat believed his words, and his wariness against him was immediately reduced by most, so even when he watched Xia Xifeng go to Yao Muzixi, he did not stop him.

Ouyang Haonan thought of the hookah. This hookah was indeed a suspicious person, but he knew nothing about the hookah. It would be difficult to know for a while what the hookah's purpose was in approaching the princess.

On the day of the marriage, the palace of Yao Lan Kingdom was extremely busy. All the civil and military officials from the DPRK and the Chinese government gathered at the palace. You must know that the princess's marriage is a big event. Over the years, this marriage has been the focus of attention of all countries. It is not only a marriage, but also a

This infers the development trend of the power of various countries in the future.

Yao Muzixi slept in Fengxi Palace until very late before getting up. Xixi didn't rush her, she just wanted the princess to have a good rest. The Xia Kingdom has a long journey, and the road to marriage must be very difficult, so let the princess sleep again.

There will be no such opportunity in the future.

When Xia Xifeng walked to Yao Muzixi's palace, she saw that Yao Muzixi had not gotten up yet, so she stepped back embarrassedly and wandered leisurely in Fengxi Palace.

"Xia Xifeng, you are so leisurely! You still have the leisure to hang out." Ouyang Haonan saw Xia Xifeng jokingly said, but he showed a rare smile to Xia Xifeng.

"General Ouyang is absolutely right. I am an idler, so naturally I am leisurely! The Yaolan Palace is very busy. Who said that our Xia Palace is not very busy to welcome the arrival of the princess?" Xia Xifeng looked at it.

He glanced at Ouyang Haonan and said calmly.

The Return of the Reborn Princess

"Well, I know this is a major event between the two countries. No country will neglect it." Ouyang Haonan looked at Xia Xifeng and said. Suddenly thinking of hookah, he asked: "Where is the hookah girl?"

"She? How do I know where she is! I have nothing to do with her." Xia Xifeng had no intention of discussing the hookah with Ouyang Haonan. After all, the hookah followed them for a purpose.

After Xia Xifeng finished speaking, she walked out of Fengxi Palace without having too much entanglement with Ouyang Haonan. Speaking of which, she hadn't seen this hookah for several days. I wonder what that silly woman is doing now?

Come to think of it, Xia Xifeng couldn't help much in the palace, so he went to the inn. When he came to the shisha's room, the shisha was playing the piano there without any distraction.

Xia Xifeng glanced at the hookah, then walked into the hookah room, came to her, and looked at her with a smile: "How are you doing, hookah girl these days?"

"I miss you, Mr. Meng. Shuiyan has been having a good time these days." Shuiyan didn't look at Xia Xifeng and just said calmly, but he didn't mean to stop playing the piano in his hand.

"The hookah girl is not happy to see me, Xia?"

How could she treat the person she was going to ask for with such a cold attitude?

"No shisha, shisha is very happy. Mr. Xia still remembers shisha waiting for you here." shisha glanced at Xia Xifeng, without any emotion in his eyes.

"No matter how I look at you, you don't look happy. You are a woman, why are you so stupid? Is it worth taking risks for a man who doesn't cherish you?" Xia Xifeng, however, bluntly revealed the pain in her heart.

"How do you know about me?" Shuiyan glared at Xia Xifeng fiercely upon hearing this.

"It doesn't matter how I know, I'm just not worth it for you." Xia Xifeng also looked straight at the hookah, his eyes full of helplessness.

"I don't need you to take care of me. If you don't want to take me to Xia Country, I will go by myself." Shuiyan said with a somewhat excited look. He, Xia Xifeng, was just an irrelevant person. He

Why shouldn't it be worth it for her?

Who she pays for is her business. Who she wants to live and die for is also her business. She doesn't need others to give her anything. She doesn't need a trace of warmth or sympathy. She only needs it.

It would be worthwhile for His Royal Highness to take one more look at her and spend a few more words with her.

"What a stubborn woman..." Xia Xifeng glanced at the hookah helplessly and said angrily.

However, the hookah was mentioned in a sad way, and a tear fell involuntarily, but she was stubborn and refused to bow her head.

Xia Xifeng looked at the hookah like this, but she could only sigh. This hookah was also a miserable woman, and she couldn't help herself in everything.

"You come with me to the palace. Today I will lead Princess Yao Lan back to our Xia Kingdom." Xia Xifeng said helplessly, and then pulled the hookah out of the inn.

Shisha also followed Xia Xifeng obediently and went to the palace with him.

Returning to Fengxi Palace, Ouyang Haonan saw Xia Xifeng holding Shisha's hand towards the west wing, and then his eyes couldn't help but become extremely cold.

This Xia Xifeng had just told him that he had nothing to do with hookah, and now he was bringing people to the palace. What was his intention?
