

The Return of the Reborn Princess

Chapter 004 Objection

The minister sitting in the first seat on the left walked out of his seat calmly, bowed slightly to the emperor and said, "I have something to say."

"Prime Minister Zuo, let's talk." Yao Jingyu said calmly.

"This marriage has a long history. Now the six countries in the Central Plains are evenly matched and have equal strength. No one dares to neglect the other. The marriage policy is really a helpless move. I hope the emperor can relax and do it for me, Yao Lanzi.

Seek welfare for the people and ensure peace." Prime Minister Zuo said calmly.

Yao Muzixi glanced at the Prime Minister. She remembered that the only one who supported the marriage was Prime Minister Zuo, but Prime Minister Zuo's remarks lost their effect because of Concubine Chu Xiang's words.

In her previous life, Yao Muzixi herself was unwilling to get married. Coupled with Yao Jingyu's love for her, she was not willing to let her get married.

"What Aiqing said is true, but no matter which princess she is, she is my heart's content! How can I relax?" Yao Jingyu said with a melancholy look in his eyes.

"What the emperor said is absolutely true. Our country, Yao Lan, is a huge country. Why should we let the royal princess suffer such hardships as marriage?" After hearing what Yao Jingyu said, Concubine Chu Xiang stood up quickly, and then looked at Prime Minister Zuo: "Zuo

Prime Minister, you are just worrying unfoundedly. Prime Minister Zuo, do you think that our country, Yao Lan, can only survive by marrying the princess? It would be too long for others to have ambitions and destroy our own prestige!"

"What Concubine Chu Xiang said is not an exaggeration, I think so too." Yao Jingyu glanced at Concubine Chu Xiang and murmured to himself.

Seeing the emperor's expression of nostalgia and reluctance, all the ministers walked out of their seats one after another, knelt in the middle of the hall, and said in unison: "Please relax, your Majesty, the marriage plan is really a helpless move, but it is related to the prosperity and decline of the country.

It's a big deal! Don't neglect it!"

"Okay, okay, let's all go back to our seats! I understand in my heart." Yao Jingyu said helplessly.

At this time, the Censor of Xia Kingdom had been waiting outside the palace for a long time, waiting for the summons of Emperor Yao Languo.

"The Censor of Xuanxia Kingdom has an audience." The expression on Yao Jingyu's face was dull, without any sense of calmness.

After a while, a group of people walked over from the door of Qionglan Hall. They were the censors sent by the Xia Kingdom.

Yao Muzixi vaguely remembered that this time it was the third prince of the Xia Kingdom who was the most beautiful man in the Six Kingdoms of the Central Plains, Xia Xifeng.

The Emperor of the Xia Kingdom is naturally a beautiful man, and the four princes are of course all outstanding young masters, with a reputation far and wide, and their martial arts skills are also among the best in the world. Although Yao Muzixi has never personally seen these four princes of the Xia Kingdom.

Prince, but there are rumors in the world that the four princes of the Xia Kingdom are all among the best, and must be talented and knowledgeable.

It's a pity that in the previous life, I was young and had nothing to do. I thought everything was too beautiful and was unwilling to leave the palace. In this life, I must not be so ignorant and ignore the country.

Walking at the front of that group of people was a handsome young man who was twenty years old. His crown and hair were erect, he was dressed in white clothes and he was elegant and refined. His eyebrows were as delicate as those carved by a knife. It is far-fetched to describe him with peerless elegance.

.

Yao Muzixi was shocked. The person who had been blurred in her mind appeared in her sight again, but she was so shocked. What a peerless handsome man. Such a man should not appear in this world. I'm afraid

It will arouse the jealousy of the world.

"The Royal Censor of the Xia Kingdom has come here to propose marriage to the Crown Prince of the Xia Kingdom on the order of the King of the Xia Kingdom. See the Lord of the Yao Lan Kingdom." The group of people saluted one after another.

"Please forgive me for the delay in greeting the imperial censor of your country. There is no need to be more polite." Yao Jingyu waved his sleeves and returned the courtesy to the censor of the Xia Kingdom.
