

The Return of the Reborn Princess

Xia Xifeng glanced at Mo Mansion, smiled slightly, and walked straight in, but was blocked by a boy.

"Go and tell your master that an old acquaintance wants to see you." Xia Xifeng looked at the young man and said calmly.

As soon as Mo Jiangli walked out of the side room, he saw his servant running towards him and said solemnly: "Master, there is a person outside who claims to be an old acquaintance of the master asking to see him."

"Oh? An old acquaintance?" Mo Jiangli tilted his head and thought for a moment, and then thought that he heard that the third prince of the Xia Kingdom had arrived in Shanghai today to welcome the crown prince. Could it be that the third prince is here? But this master has nothing to do.

Climb the Three Treasures Hall! What do you mean by looking for him today?

Mo Jiangli came to the front door of his house, and as expected, he turned out to be his old acquaintance, the third prince of Xia Kingdom, Xia Xifeng.

"Third Prince? Long time no see! I wonder why the Third Prince is so anxious about his late night visit?" Mo Jiangli glanced at Xia Xifeng and said with a smile on his face. After all, he is an old acquaintance, but this guy is very...

Don't come to his house. The last time you came was five years ago.

"Brother Mo, don't you welcome me?" Xia Xifeng said with a smile on his face, but he didn't mean to be polite at all.

"No, no, the Third Prince is here. It's too late for us, the common people, to feel honored! How could we not welcome him?" Mo Jiangli smiled broadly and looked at Ouyang Haonan, who was next to Xia Xifeng, with a questioning look.

"This is Ouyang Haonan, the general of Yao Lan State. This is Mo Jiangli, the current head of the Mo clan of Xia State." Xia Xifeng smiled knowingly and introduced Ouyang Haonan and Mo Jiangli to each other.

"General Ouyang, I have long admired your name! I, Mo Mou, seem to have heard that you came here with the king and his wife of your country, but I didn't know that the general was so elegant and willing to accompany the third prince to see me, a mere commoner." Mo Jiangli

He expressed his doubts bluntly.

"No, no, the Moh family has a good reputation. It's really extraordinary when I see you today." Ouyang Haonan replied humbly and politely.

Mo Jiangli took Xia Xifeng and Ouyang Haonan to the lobby of Mo Mansion to sit down, served tea, prepared some food and wine, and started eating with great interest.

Ouyang Haonan was always worried about his princess. He didn't know where the princess was at the moment, but she was brought to the Mo family by Xia Xifeng to have wine. I really don't know if Xia Xifeng took the princess's

Keep this in mind, and besides, it was Xia Xifeng who came up with this evil idea.

It's better now. All the assassins are dead. If you still want to ask the mastermind, it seems that it's useless to ask the Lord of Hell. Moreover, the princess is nowhere to be found now. He actually still has the intention to come and drink wine with his old friend.

Ouyang Haonan glanced at Xia Xifeng coldly, but felt extremely depressed in his heart. He was really uncomfortable staying here, and he didn't know where his princess was!

Xia Xifeng felt the message conveyed by Ouyang Haonan's cold eyes, smiled knowingly, and continued drinking with Mo Jiangli, but there was a faint mention of the princess in her words.

He probably told Mo Jiangli about his life these days, and then said: "Tonight, General Ouyang and I were taking the princess to the lantern festival, but we didn't expect that the princess was very active, so she separated us from her.

I found the front door of your house. I wonder if Brother Mo saw anyone suspicious?"

After hearing this, Mo Jiangli thought secretly, thinking that the woman with such beautiful appearance that she looked like a fairy was the princess they were looking for, but they couldn't get this advantage for nothing.

"What a coincidence! Mo Mou saw a beautiful woman fainting on the ground on a remote road today and brought her back. I wonder if she is the person that the Third Prince and General Ouyang are looking for?" Mo Jiangli said.

Then he led Xia Xifeng and Ouyang Haonan to the room where Yao Muzixi rested.

Yao Muzixi had a tired face, but her body lying on the bed looked so thin and haggard, which made people feel distressed.

Ouyang Haonan finally breathed a sigh of relief when he saw Yao Muzixi, and his mood relaxed a lot.

Seeing that Yao Muzixi was still in a coma, the three older men didn't want to stay in the room any longer, so they walked out quietly.

"The princess's pulse is extremely confusing, but there is nothing unusual about it. This is really puzzling!" Mo Jiangli watched Xia Xifeng and Ouyang Haonan tell the story of how he checked Yao Muzixi's pulse.

them.

"Why is this happening? There is nothing unusual about the princess in her daily life!" Ouyang Haonan asked puzzledly.

"I don't know about that. I'm just basing my opinion on my pulse." Mo Jiangli glanced at Ouyang Haonan and said bluntly.

The Return of the Reborn Princess

Yao Muzixi seemed to have entered a dream when she was in coma. In her dream, she came to an extremely cold place. The mountains and fields were covered with silver, and the white snow reflected in front of her eyes. However, it was such a beautiful scene.

She was so mesmerized when she fell asleep that she could not believe that there was such a beautiful scene in the world.

Yao Muzixi was walking in this vast snowy area, but she couldn't feel the cold breath at all. It was so beautiful here, so beautiful that there was only pure white left in the whole world, and this was the only purity left in the world.

Let your soul be cleansed and spotless.

Yao Muzixi walked alone in this snowy area, but she couldn't see the edge. She couldn't get out of the fog, and there was only nothingness left.

"Xi'er, follow me quickly, I will take you to the most beautiful place in the world..." A pure and lovely voice sounded in Yao Muzixi's ears, the voice was sweet and greasy.

Yao Muzixi only saw a little boy and a little girl running towards her in the distance, one after the other. They looked extremely cute, like a bright light in the ice and snow, so dazzling and charming.

"Uncle Akahiko, wait for Xi'er!"

"Xi'er, can Chi Yan hold your hand and walk?" The little boy ran to the little girl, smiling brightly, but his face was a little pale, like a porcelain doll.

"Uncle Akahiko, is it okay if I want you to hold my hand for the rest of my life? I want to be my uncle's good boy for the rest of my life." The little girl said, her eyes smiling like crescent moons, and she stretched out her white and tender little hands.

"Haha... Chiyan likes Xi'er the most. When Chiyan grows up, he will protect Xi'er for the rest of his life. Is Xi'er willing?" The little boy held the girl's hand and ran happily on the snowy field.

The picture is truly breathtakingly beautiful.

"Uncle Chiyan, Xi'er wants to stay here all the time. I don't want to go back to Yao Lan Country. Only my father will love me in Yao Lan Country. Everyone else ignores Xi'er. Xi'er is so lonely... Xi'er wants to be with Uncle Chi Yan, grandpa and grandma.

." The little girl said, with a look of reluctance in her eyes. But her eyes were so innocent and beautiful.

"Xi'er, don't be afraid, Chi Yan will always protect you." The boy looked at the girl with determination in his eyes.

"Hehe...hehe...Xi'er believes in Uncle Chiyan..." The little girl changed her smile to a look of happiness and expectation.

Yao Muzixi looked at the two children who were gradually walking away, with tears in her eyes. She had longed for such pure happiness, but she had never had it.

But the girl seemed to be named Xi'er. Yao Muzixi thought for a while and thought, could it be her own childhood? But why couldn't she remember it at all? Who was Uncle Chiyan?

Just when Yao Muzixi's thoughts were still confused, the scene around him seemed to have changed. He only saw that he was in a palace. The palace was majestic and clearly looked like a royal gesture.

There were only three people sitting in the huge palace, and they seemed to be arguing about something.

A middle-aged man was sitting in the main seat, staring at a young man with an ugly expression. Next to the middle-aged man sat a beautiful woman with a graceful posture, but the look on her face was extremely sad.

sad.

"I will never agree to your ideas. Although Chiyan is the future successor of Jiang State, Xi'er is also your granddaughter. She is the only child left to me by Zixin. I will never allow her to suffer

Even if it hurts a little bit." The young man's voice was very familiar, Yao Muzixi heard it in his ears and remembered it in his heart.

That's right, the voice was the voice of her father, Yao Jingyu, the man who loved her like his life. But why did he be here? What happened here? Yao Muxi has only full doubts in his mind. I just feel that it is here.

Strange and familiar.

Yao Muzi wants to approach the past, why is Yao Jingyu, her father and emperor will be here? Where will it be here? But for a moment, just for a moment, the scenery here is like an illusion.

It looks like.

The Return of the Reborn Princess

Yao Muzixi saw a sea of flowers, where thousands of flowers were in full bloom. Each flower exuded a strange fragrance and shone with colorful luster. Butterflies were flying freely in this sea of flowers.

, without stirring up a trace of dust.

There, she saw a woman, very beautiful, breathtakingly beautiful.

Yao Muzixi looked at all this and felt that this place was so familiar. There was an inexplicable sense of intimacy here. It was so kind and familiar, and it felt more familiar to her than the Yao Languo Palace.

Yao Muzixi wanted to get closer to the beautiful woman, but found that no matter how far she walked forward, the beautiful woman always kept a distance that was neither far nor close to her.

"Xi'er, I'm here, are you willing to accompany me for the rest of your life? We are not going anywhere, we will only live here... I am willing to give up the throne of the Jiang Kingdom for you, are you willing to stay here?" A voice from heaven startled me.

Yao Muzixi's voice was beautiful, but it had a hint of hoarseness. Yao Muzixi turned around to look at the man who spoke, and was shocked that there was such a monster-like man in this world.

The man was dressed in red, but his hair was as white as snow, and his face was a little pale. His eyebrows were like ink paintings, his eyes were like peach blossoms, and his lips were like vermilion. The shallow cinnabar mole at the corner of his eye was on that pale and enchanting face.

It is so coquettish. Like a flower blooming from blood, it has a touch of charm.

The man walked straight towards Yao Muzixi, but passed through her body, and resolutely walked towards the woman she had seen before. However, the woman was smiling and looking at the girl in the sea of flowers with extremely innocent eyes.

Butterflies dance gracefully.

The moment the man's voice ended, the woman stopped dancing and just looked at the evil man walking towards her, her eyes smiling like crescent moons.

"Uncle Chiyan, Xi'er has been waiting for you here." The woman's voice seemed a bit ethereal, but it still reached Yao Muzixi's ears.

Uncle Akahiko, is he the little boy she saw before? Then this woman is herself, but what is going on? Why does it all look so vain?

The man ran to the woman's side, picked a flower and put it on the woman's head. They looked very happy.

"Get your dirty hands off, you don't deserve to do anything for her, you don't deserve it." The voice was very familiar. Yao Muzixi looked at the two people over there, and at some point there was a man in white with a long sword beside them.

Man, that man was none other than Xia Xifeng. Yao Muzixi was a little surprised when he saw Xia Xifeng.

Xia Xifeng glared at the man in red with angry eyes, and said angrily: "I will not let you succeed with your despicable methods. Even if Zi Xi loses her memory, I will definitely make her remember me.

Come on, I will always be the only one by her side."

As he said that, Xia Xifeng's long sword stabbed the man in red fiercely.

Yao Muzixi looked at all this with wide eyes, her head hurt very much. She sighed: "No..."

Just when Yao Muzixi sighed, the scene in the dream changed again.

This time it was not a snowy land, nor a sea of flowers, nor a palace, but a very unique wing. The wing was filled with orchids and had a quiet fragrance. Yao Muzixi looked around, and it was very strange.

There is nothing wrong with being quiet.

After a while, I heard someone's voice coming over. It was a woman's voice. Then the door was pushed open, and a woman followed a man. The woman was naturally beautiful, but she was so big.

My belly is a little unsteady when I walk, and I think I'm probably seven or eight months pregnant from the looks of it.

The woman looked at the man lovingly, touched her belly with her hand, and said to the man, her face a little ugly: "Your Majesty, you said you would take me back to Chu State. The child in my belly is

Yours, if Yao Jingyu discovers it, I'm afraid it will be difficult for me to protect myself in Yao Lan Country!"

"Don't be afraid. This is also an accident. Just be prepared. One day I will take my child back to the Chu Kingdom. As long as you don't cause any trouble, the destruction of the Yao Lan Kingdom will be around the corner. I must avenge this.

I want to avenge my shame by destroying Yao Lan's country." The man's eyes were very firm and full of violence.

"But..." The woman looked at the man with pleading eyes.

"Xian'er, don't worry, I will never let you down." The man's eyes looked much gentler when he looked at the woman.

Yao Muzixi looked at the two people and was shocked. They wanted to destroy Yao Languo? But why? That woman looked more and more like... Concubine Chu Xiang. Yao Muzixi suddenly realized that Yao Languo was in danger.

The figures of the man and woman gradually faded away. Yao Muzixi only felt a glare. When he opened his eyes, he only saw a dark, empty feeling. The boundless darkness made his heart feel breathless.

Come.

Yao Muzixi looked at all this and was very panicked. This feeling was exactly the same as the moment she came back from rebirth, and the scene was exactly the same.

"They want to destroy the Yao Lan Kingdom, they want to destroy the Yao Lan Kingdom..." Yao Muzixi closed her eyes tightly, but she shouted such words that made people confused.

The Return of the Reborn Princess

"Princess, princess... Princess, wake up..." Ouyang Haonan saw Yao Muzixi becoming conscious, so he walked to Yao Muzixi's bed and shouted nervously.

But there was no sign of Yao Muzixi waking up. Ouyang Haonan looked at Mo Jiangli with a pale face, and his eyes were extremely cold: "What on earth is going on with the princess? Why doesn't she wake up yet?"

"General Ouyang, the princess had already fainted on the ground when I rescued her. I don't know what happened to her." Mo Jiangli looked at Yao Muzixi with an innocent face and replied to Ouyang Haonan.

"Humph, if something happens to the princess, your Xia country will inevitably be involved." Ouyang Haonan snorted coldly and said unhappily.

"Princess, do you know you are being hunted?" Mo Jiangli glanced at Ouyang Haonan and Xia Xifeng and said calmly.

"Being hunted?" Ouyang Haonan and Xia Xifeng exclaimed almost at the same time. They were just accomplices who wanted to use the princess to lure the hookah, but they never expected that someone was actually going to hunt the princess. Could it be that they

The group of people I saw on the way here were the ones who were chasing the princess and were poisoned by Mo Jiangli?

It seems that this matter is really no small matter. There are so many people who are pursuing the princess, but what is their purpose in pursuing the princess? Could it be that the princess has some ulterior secret?

"Brother Mo, did you find any suspicious people on the way back?" Xia Xifeng looked around. The hookah should be nearby. They followed the hookah to find their way here.

Suddenly, a burst of melodious piano music floated over the entire Mo family. Gradually, everyone in the Mo family fell asleep, leaving only a dead silence.

A man in black opened the door and was about to lift Yao Muzixi's quilt. Unexpectedly, before he could succeed, someone tapped his acupoints, sending a chill down his back.

The man in black stretched out his hand that was frozen in mid-air with some difficulty. It seemed that he was carrying it again this time.

"Who are you? Why are you so persistent with my princess?" Ouyang Haonan sat up from the quilt, stared at the man in black, and said fiercely.

The man in black wore a silver-white mask on his face, but his face looked like that of a woman.

"Third Prince, I have discovered this person a long time ago. He originally wanted to save the princess from those killers, but I was one step ahead, so I brought the princess back, but she followed me to Mo Mansion.

"Mo Jiangli's voice was somewhat mocking.

"Haha, then you deliberately lured the wolf into the house." Xia Xifeng looked at Mo Jiangli, but she felt proud in her heart. Mo Jiangli was not a good man, and if you want to do anything to him, you are really asking for trouble.

"Haha, the third prince can understand it this way." Mo Jiangli smiled and said to the man in black.

"Hmph, you have been following me from Landu to now. I want to see who you are." Ouyang Haonan became a little angry. After saying that, he walked up to the masked man in black and opened the mask.

His mask.

"Is it you? Huh! Why are you always following the princess?" Ouyang Haonan glanced at the man, his eyes were scary and cold. That man was a hookah. It seemed that the mastermind behind the scenes had no intention of showing up. He also

He had expected that it would be her, and he must not let her stay with the princess this time. He would not agree to anything.

"A girl?!" Mo Jiangli glanced at the hookah, and his eyes suddenly lit up. What a stunning beauty. It's interesting that such a beautiful woman actually ran out to live in the world.

"Shisha? Why don't you listen to my advice?" Xia Xifeng glanced at shisha with some disappointment. Xia Xifeng didn't hate shisha, and even admired her, but she was too infatuated and refused to listen to anyone's persuasion.

Is it worth it for a man?

Shisha glanced at Xia Xifeng, but the expression on her face was indifferent.

"Let's go back to the inn and talk about it." Xia Xifeng was a little worried. He didn't know why this woman gave him such a headache. Maybe there was some connection somewhere, or maybe he didn't know what it was.

"Well, let's go! I'll take the princess and leave first. Keep that woman under my watch. I don't want anything to happen to the princess again." Ouyang Haonan glanced at the hookah, his eyes full of anger. His voice

He became a bit sinister, which shows that the status of the princess in his heart is indeed evident.

Xia Xifeng said nothing, just glanced at the shisha and Mo Jiangli. She sighed helplessly, and then followed Ouyang Haonan out of the room.

When Mo Jiangli followed him out, he saw that all the servants in the mansion were fast asleep, and he couldn't help but become more curious about the hookah. With such an excellent piano skill, this woman was not an ordinary person.

Mo Jiangli took Ouyang Haonan and the others to the stable. He led a horse out of the stable and walked up to Ouyang Haonan, with a bit of worry in his eyes: "General Ouyang should take the princess back first! Princess

In this situation, you should see a doctor, as I only know poisoning techniques and not medical skills."

Ouyang Haonan immediately carried Yao Muzixi onto the horse and helped Yao Muzixi sit firmly. Ouyang Haonan jumped on the horse himself, clasping Yao Muzixi tightly to his chest, trying to keep her under him

Sitting in my arms is more stable and comfortable.

"Then I'll send the princess back to the inn first and ask the doctor to take a look. It's rare for the third prince and Brother Mo to get together, so I won't disturb you anymore. Ouyang said goodbye." Ouyang Haonan immediately asked Xia Xifeng and Mo Jiangli

After saying goodbye, he whipped up his whip and left.

Ouyang Haonan rode his horse all the way and arrived at the inn soon. When he returned to the inn, Xixi was already waiting at the inn.

The Return of the Reborn Princess

"Princess, the princess is back..." When Xixi saw Ouyang Haonan carrying the princess back, she ran directly to the princess. Seeing Yao Muzixi fainting in Ouyang Haonan's arms, she asked anxiously: "

General Ouyang, what's wrong with the princess?"

Xixi was so anxious that she almost burst into tears. She hurriedly asked Ouyang Haonan to carry Yao Muzixi to the bed and lie down.

"Xixi, go and tell someone to find a doctor for the princess, go quickly!" Ouyang Haonan didn't know why the princess fainted, because he was not around when the princess fainted, and he didn't know what happened to the princess.

"Oh, I know..." Xixi heard what Ouyang Haonan said. She quickly wiped away her tears and ran out.

"Princess, princess..." Ouyang Haonan gently shook Yao Muzixi's body, hoping that she would react. But Yao Muzixi remained motionless, still lying there without any color on her face.

Before Xixi walked out of the inn, she saw Xia Xifeng hurriedly walked in with a young man wearing black clothes and a hookah. Behind them was a middle-aged man who looked like a doctor.

"Xixi, how is your princess?" Xia Xifeng saw a somewhat nervous look in Xixi's eyes.

"Third prince, what's wrong with the princess? Why doesn't the princess wake up? When General Ouyang brought the princess back, the princess was unconscious. General Ouyang asked me to ask the doctor to come and take a look at the princess." Xixi sobbed when she saw that it was Xia Xifeng.

He said.

"Xixi, I've already invited the doctor. Please take us to the princess's place to have a look." Xia Xifeng ordered Xixi without much thought.

"Oh, Third Prince, doctor, please come with me." After hearing this, Xixi hurriedly led Xia Xifeng and the others to Yao Muzixi's room.

"Creak..." With a sound, Yao Muzixi's door was pushed open. Ouyang Haonan looked towards the door and saw Xixi and Xia Xifeng. They didn't say anything. They just got up and walked to Xixi and asked anxiously.

He shouted: "Doctor come here?"

"The third prince has invited the doctor." Xixi glanced at Ouyang Haonan and invited the doctor to Yao Muzixi's bed.

"Doctor, please see what's going on with our princess. Why is she still unconscious?" Ouyang Haonan stepped back and let the doctor sit on the chair in front of Yao Muzixi's bed.

"I'll know what the reason is when I take a look." The doctor didn't refuse, sat down and took out the medical equipment from the medicine box.

The doctor placed something like a light gray cloth bag on the edge of the bed, and put Yao Muzixi's hand on the bag with a serious expression on his face.

The third prince was well-known in the Xia Kingdom, and even the doctor knew him. Naturally, he knew that Xia Xifeng had brought the princess to Shanghai to rest, so he did not dare to neglect and devoted himself to treating Yao Muzixi's illness.

The doctor took his time and gently touched Yao Muzixi's wrist with his hand, feeling for her pulse. After checking her pulse, the doctor's expression became more relaxed and no longer as serious as before.

"Princess, there is nothing serious. It is just accumulation and fright that makes you unconscious. I will prescribe a refreshing soup for the princess to drink for the time being. I think everything will be fine." The doctor stood up and walked aside.

He put a pen on the table and wrote the prescription on the paper.

The doctor finished writing the prescription and handed it to Xixi: "Girl, please follow me to my apothecary to fetch these medicines, boil them and bring them to the princess to drink, and the princess will wake up."

"Hey, okay, Xixi will go with the doctor right now." Xixi quickly agreed after hearing what the doctor said.

The doctor packed up his things and said goodbye to Xia Xifeng: "Third Prince, rest assured, the princess is fine. I will go and get medicine for the princess right now."

"Thank you, doctor, for your trouble. Then go and get some medicine for the princess." Xia Xifeng said to the doctor in a humble and polite manner.

Ouyang Haonan and Mo Jiangli breathed a sigh of relief when they heard that the princess was just accumulated and frightened. Xia Xifeng didn't know whether the princess was poisoned or what happened, so she brought Mo Jiangli with her.

He understands poison, and if he is really poisoned, he will have a way to detoxify it. After all, the Mohist poison technique is still famous in the world.

Xixi took some money and walked out of the inn with the doctor.

The wind was a bit strong along the way, and the dust was blowing all over the sky. It was a little unclear about the direction. Fortunately, the doctor was with Xixi along the way, otherwise Xixi would not dare to go out alone. After all, it was already late at night.

The bustling scene during the lantern festival has long since disappeared on the street, and every household has closed its doors and windows to rest. The doctor was kind enough to come out to treat people so late at night.

"Girl, it's windy this night. Be careful and follow me so you don't get lost." The doctor walked in front and turned around to block the oncoming wind with his hands.

"I understand, doctor, just lead the way." Xixi shouted loudly, gesturing to the doctor, and walked quickly behind him.

Soon I arrived at the doctor's medicine shop, grabbed the medicine, Xixi paid the money and rushed to the inn. It was very quiet along the way. Xixi walked on the street, the night wind blew, which made people feel a little scared.

The Return of the Reborn Princess | Chapter 046

Walking to a high-rise building, Xixi only saw a touch of red that was extremely dazzling under the deserted moonlight. He looked at her from above, with long black hair fluttering in the wind, a silver-white mask on his face, and the corners of his mouth

Curved in a weird arc.

Xixi looked at the figure in a daze, with a monster-like face, but he smiled at her. The sky was spinning, and Xixi felt like she was in a dream. She was picked up by the man in red and flew to the high roof.

"Go, send me the medicine and take good care of her." The man's voice was pleasant, with a hint of hoarseness.

"Yes." Xixi looked at the man in red with empty eyes, as if she had lost her soul.

The smile of the man in red became even weirder. He nodded lightly and sent Xixi back to the ground. As soon as Xixi's feet touched the ground, her body lay softly on the ground. The man in red looked at Xixi.

, turned around and flew away, leaving only a flash of red swaying in Xixi's mind.

"Ah? My head hurts so much!" When Xixi woke up, it was already early the next morning. "Am I not getting medicine for the princess? Why is it dawn?"

Ouyang Haonan looked at Xixi with a somewhat complicated expression. If he hadn't noticed that Xixi had been out for so long last night and then went to look for her, she would still be lying on the street!

"General Ouyang, why are you looking at me like that?" Xixi looked at Ouyang Haonan in confusion.

"Why did you faint on the street last night?" Ouyang Haonan's tone was not reproachful, but more concerned.

"I don't know, I just remember that it was very big last night...I don't remember anything else. I guess I'm too tired these days!" Xixi rubbed her sore shoulders.

"Then it's better to have a rest. You are really tired from taking care of the princess these days." Ouyang Haonan's concern was obvious, but Xixi felt warm in her heart. She didn't expect that someone else was caring about her. General Ouyang was like this.

The iron-blooded man has such a careful and tender side.

"Is the princess feeling better? Have you taken medicine?" Xixi noticed that the princess seemed to have been unconscious yesterday, and she didn't know how she was doing now. She blamed herself for not being able to take good care of the princess.

"Princess is fine. I made some medicine for the princess to drink last night. The princess woke up last night and is still resting now! You should also rest for a while." After Ouyang Haonan said this, he looked at the medicine on the table.

After finishing the porridge, he turned around and walked to the table, picked up the bowl of porridge and brought it to Xixi: "You must be very hungry, right? It's better for your health to eat a bowl of porridge and then rest."

"Ah?" Xixi never thought that the majestic General Ouyang of Yao Lan would actually serve her porridge to a little maid, and stared at Ouyang Haonan with wide eyes in disbelief.

"Haha...eat it, or you'll get cold." Ouyang Haonan looked at Xixi's look and said a little embarrassed.

"Oh...is this for me?" Xixi finally regained her composure, looked at Ouyang Haonan and then at the bowl of porridge, and asked innocently.

"Yeah." Ouyang Haonan responded softly with a smile on his lips.

Xixi was stunned by Ouyang Haonan's smile, but her heartbeat accelerated a little, and her face turned red. When she realized her gaffe, Xixi embarrassedly took the porridge that Ouyang Haonan held in front of her, blushing

Face said: "Thank you, General Ouyang."

Ouyang Haonan felt a little embarrassed when he saw Xixi looking like this, and then walked out of Xixi's room.

Xixi drank porridge and secretly glanced at Ouyang Haonan's figure walking out of the room, but her heart felt like a deer was jumping around, hitting her heart. It felt wonderful, a little warm, a little sweet, and a little longing.

"The weather is so nice today! But I'm so depressed..." After Yao Muzixi woke up, she sat in the lobby of the inn and thought about the strange dream she had. The scene in the dream was very messy, with everything, but let

She's a little confused.

"Princess?" Mo Jiangli got up very early in the morning. He went back to the Mo family to explain the affairs in the house, and then returned to the inn. He was going to go to the palace with Xia Xifeng and the others, but as soon as he entered the inn, he saw

Yao Muzixi sat there in a daze, feeling curious.

Yao Muzixi didn't hear anyone calling her, nor did she notice that the person calling her was actually the man she met at the lantern festival last night who said he wanted to be friends with her. She had been struggling with her strange dream.

The Return of the Reborn Princess

When Mo Jiangli saw no one responded, he walked directly to Yao Muzixi, sat opposite her, and patted Yao Muzixi's head dissatisfiedly: "Your Highness, what are you doing here?"

"

Yao Muzixi came back to her senses and was startled by Mo Jiangli. She looked at him in disbelief: "You? Are you the pervert last night?"

After Yao Muzixi finished speaking, Mo Jiangli looked at her innocently, with a wronged expression on his face: "I am obviously very personable, but how come I have become a pervert in the eyes of the princess?"

"Huh, I look like a pervert." Yao Muzixi snorted, and then felt strange: "I said you! Are you following me on purpose? Otherwise, why are you here? And you also know that I am

Princess? Recruit her from the truth."

"Haha, princess, you are joking." Mo Jiangli was not angry at Yao Muzixi's neglect of him: "I saved the princess last night. Could it be that the princess still regards her benefactor as a bad person?"

"Did you save me?" Yao Muzixi thought for a while, as if she was chased by bad guys last night, but she really didn't know if he saved her. Forget it, just believe him for once.

"Don't you believe it, princess? Then you can ask the third prince." Mo Jiangli said but mentioned Xia Xifeng.

"Since you mentioned Xia Xifeng, can I still not believe it? I just believe it." Yao Muzixi believed it after hearing what he said. But why would someone want to kill her? And that strange thing

What does dream mean?

"I really don't understand. A dignified princess could actually be hunted down." Mo Jiangli noticed Yao Muzixi's confusion, and then said with a hint of ridicule.

"That's right? Why would someone want to kill someone? Have I offended someone before? Do they have any deep grudge against me?" Yao Muzixi said to himself with a helpless look.

Mo Jiangli looked at Yao Muzixi and wondered why her pulse was so messed up but there was nothing unusual about her. What was the reason?

"Princess, General Ouyang said he was ready to leave." Xixi packed up Yao Muzixi's things and ran downstairs to the lobby and said to Yao Muzixi.

"Oh, are you going to Yecheng?" Yao Muzixi asked casually, but she felt helpless in her heart. Is the palace about to be the place where she will live her whole life? But why is there no joy and expectation?

"Well, yes. I heard General Ouyang said that he would go directly to the Xia Kingdom Palace and would not stay outside the palace." Xixi said that Ouyang Haonan's face turned a little red, but Yao Muzixi was too careless to notice it.

"Can't we play outside? But I always feel that everything happened too suddenly. As the saying goes, once you enter the palace, you are as deep as the sea!" Yao Muzixi looked at Xixi and said melancholy.

"Ah? As soon as you enter the palace, everyone is as deep as the sea? Hasn't the princess grown up in the palace since she was a child? Is she still afraid of being bullied in the palace? Besides, who dares to bully the princess?" Xixi asked confused.

Mo Jiangli almost burst out laughing after listening to the conversation between Yao Muzixi and Xixi. The majestic princess would actually say such words, and she was as deep as the sea as soon as she entered the palace. Why did it sound so awkward to him?

"Haha, Xixi, let's go! Otherwise, the trip will be delayed." Yao Muzixi reluctantly cheered up, took Xixi's hand and ran outside the inn.

As soon as Yao Muzixi left the inn, she saw Ouyang Haonan preparing the carriage. There were so many things that Ouyang Haonan could direct and organize.

When Ouyang Haonan saw Yao Muzixi coming out, he stopped what he was doing and just told the people accompanying him to get ready. Ouyang Haonan walked up to Yao Muzixi and patted his clothes, but there was sweat on his face.

He dropped the drops, and then wiped the sweat with his hand: "Princess, wait for the third prince for a while. When he comes, we will set off to the Xia Kingdom Palace immediately."

After hearing what Ouyang Haonan said, Yao Muzixi realized that she had not seen Xia Xifeng since she woke up last night, so she asked casually: "Where did Xia Xifeng go?"

"The Third Prince went back to his residence last night and will probably be back soon." Ouyang Haonan glanced at Yao Muzixi and said lightly.

"Oh, why did he sneak back in the middle of the night? Aren't we going to the palace together today?" Yao Muzixi asked after thinking about it, but there was a puzzled look on his face.

"He sent the hookah girl to his house first. The hookah is an unknown person, so it is inconvenient to bring her into the palace." Ouyang Haonan told Yao Muzixi bluntly.

"Did he send the hookah sister to his house?" After hearing what Ouyang Haonan said, Yao Muzixi remembered that besides Xia Xifeng, someone else was missing, namely the hookah sister, and then said with gritted teeth: "This

Xia Xifeng, I already told you that I want Sister Shisha to accompany me, how could he make the decision without authorization and send Sister Shisha to his house?"

"Third Prince, this is for the princess's own good. Don't think about the hookah anymore. It's not a good thing to keep the hookah with the princess." Ouyang Haonan got a little angry when he heard that Yao Muzixi cared so much about the hookah.

"Did Sister Shisha offend you? Why did you treat Sister Shisha like this?" Yao Muzixi asked in displeasure when Ouyang Haonan got angry for no reason.

"She didn't offend us, but she was bad for you, princess. I will not allow anyone who threatens the princess to stay with her." Ouyang Haonan patiently explained to Yao Muzixi.

"Sister Shisha did not harm me! Sister Shisha is not a threat to me either." Yao Muzixi defended Shisha angrily.

The Return of the Reborn Princess

"Forget it, the princess won't believe it anyway." Ouyang Haonan looked at Yao Muzixi helplessly and sighed.

"You, Ouyang Haonan..." Yao Muzixi's mouth was bulging with anger, but he had no way to vent it.

"Princess, isn't Xixi always accompanying you? When the hookah girl came back with the third prince and the others last night, she was wearing clothes that would only be worn by assassins. I think the hookah girl might really be harmful to the princess.
General Ouyang

You would say that." Xixi saw that her princess looked wronged, but she also felt that Ouyang Haonan's words were very reasonable, so she spoke for Ouyang Haonan.

"Xixi, do you also think Sister Shisha is a threat to me?" Yao Muzixi glanced at Xixi helplessly.

"Oh, princess, don't think so much. You can rest assured when the shisha girl goes to the third prince's place." Xixi comforted Yao Muzixi.

Yao Muzixi didn't want to say anything more, and Ouyang Haonan was indeed thinking about her.

"Drive... drive... drive..."

Xia Xifeng rode back on horseback, but she saw Yao Muzixi looking angry. Then she got off the horse and came to Yao Muzixi's side, smiling and looking at Yao Muzixi.

"I'm telling you! What's so funny about you? I haven't settled the score with you yet! You still dare to laugh." Yao Muzixi was completely angered by Xia Xifeng's smile.

Xia Xifeng wanted to laugh even more when she saw Yao Muzixi's angry look. Then she lifted Yao Muzixi's chin with one hand, and the distance between them suddenly became longer.

Yao Muzixi was shocked and froze. She looked straight at Xia Xifeng's unparalleled face. The anger she had felt before dissipated all of a sudden. She could only feel Xia Xifeng's breath hitting her.

On his face, the atmosphere became ambiguous in an instant.

Ouyang Haonan was a little surprised when he saw Xia Xifeng's behavior. He stared blankly at the two people looking at each other, but his mind was blank.

Xixi looked at Xia Xifeng and her princess, and her mouth formed an o-shape. It was broad daylight, and there were so many people watching around. How could she be so bold? Xixi thought about it, but she thought of Ouyang Hao.

When Nan served her porridge in the morning, his face immediately turned red.

Mo Jiangli happened to walk out of the inn at this time, but when he saw such an ambiguous scene, he just pursed his lips and smiled, and then he couldn't help but find it interesting. No matter how confused he was, he knew that the princess of Yao Languo had come to the Xia Kingdom for marriage and was marrying them.

It belongs to the Xia Kingdom Crown Prince Xia Mingyu, not the third prince Xia Xifeng. It seems that there is something good to watch now.

Xia Xifeng seemed to feel that something was wrong with the atmosphere around him, but the moment he looked at Yao Muzixi, he felt like he was falling. He had to admit that at that moment he really wanted to kiss her.

With her small lips, he had to give up because the scene was too embarrassing. The fact he had to admit was that she would soon become his royal sister-in-law.

When Yao Muzixi came back to her senses, she saw Xia Xifeng's enlarged face, and her face immediately turned red. Yao Muzixi did not dare to move randomly, because she found that her and Xia Xifeng's faces were almost touching.

They are together, and if they move around again, they may bump into each other all of a sudden.

Xia Xifeng glanced at Yao Muzixi awkwardly. This atmosphere was indeed a bit strange, especially since he felt that the strange eyes around him were all looking at them. Xia Xifeng coughed dryly, breaking the awkward mood at this time.

Looking at the atmosphere, I took a look at Yao Muzixi's blushing little face and couldn't help but laugh.

"Haha... the princess is shy!" Xia Xifeng removed her hand from Yao Muzixi's chin with great pride.

"You! Xia Xifeng... what are you talking about! I... won't be shy because of you!" Yao Muzixi turned around in embarrassment, playing with her hair in her hands with her fingers, and mouthing

Don't forget to argue.

"Princess, since the third prince is back, let's set off immediately!" Ouyang Haonan walked up to Yao Muzixi and said seriously.

"Uh. Okay, Xixi, let's go." Yao Muzixi immediately agreed to Ouyang Haonan's proposal. He also forgot about the hookah being taken away by Xia Xifeng. He took Xixi's hand and got on the carriage.

I no longer paid attention to this Xia Xifeng.

Mo Jiangli looked at Xia Xifeng and smiled playfully: "Third Prince, that's interesting!"

"Don't think too much. It's just that she is too noisy. Besides, she is going to be my royal sister-in-law soon. Naturally, I won't have any interest in her." Xia Xifeng saw Mo Jiangli looking at her with such an expression.

I felt awkward and started to defend myself.

Mo Jiangli didn't refute his words, but looked at him with some unfinished thoughts: "Let's go! It's time to go back to your palace."

Xia Xifeng walked to his horse and jumped on it. Ouyang Haonan and Mo Jiangli also got on their horses and walked to both sides of Yao Muzixi's carriage.

A large group of troops marched towards the Xia Kingdom Palace in Yecheng. More and more people gathered on the road to watch the excitement. However, no one blocked the way. They just watched the excitement on the street. Most of the men just wanted to catch a glimpse of Yao Languo.

She looked like a princess, but those young women came here for Xia Xifeng, the third prince of the Xia Kingdom, and they were all whispering and having their own concerns.

The Return of the Reborn Princess

It was already noon when we arrived at Yecheng. Yecheng was very lively and prosperous, and there were a lot of people everywhere. Compared with Yecheng, the capital of Xia State, and Landu, the capital of Yaolan State, it really has a different charm.

Yecheng in the Xia Kingdom is prosperous and prosperous, with merchants coming and going, and it is very lively; but Landu in the Yaolan Kingdom has beautiful scenery, fresh and pleasant scenery, and a refined style everywhere you go.

Arriving at the main entrance of the Xia Kingdom Palace, Xia Xifeng led everyone towards the palace. The Xia Kingdom Palace was also very lively at this time. This time, Xia Xifeng was very surprised that his father was actually there.

When he personally came to receive Yao Muzixi into the palace, he really underestimated the status of the princess of Yao Lan! How could they make the Emperor of Xia take her so seriously?

All the civil and military officials who received the reception had been waiting in the palace for a long time. Seeing that their emperor paid so much attention to it, they officials could not afford to neglect it, so they had no choice but to wait with the emperor for the arrival of Princess Yao Lan.

"Your Majesty, the Third Prince has escorted Princess Yao Lan back. Now she has arrived at Zhengtianmen and will soon pass through the Hall of Inquiry and Harmony." An official reported the news he had just received from Zhengtianmen to Xia Ruohan's ears.

Whispered.

"Then prepare to take the ministers to greet him!" Xia Ruohan glanced at the official who reported to him, said calmly, and then stood up and walked out of the Henghe Hall.

"Everyone, please follow the emperor to greet Princess Yao Lan." The official who had just whispered in Xia Ruohan's ear saw Xia Ruohan walking out and said bossily to the group of officials above the main hall.

The officials didn't care who the man looked like, they just followed Xia Ruohan and walked slowly.

Xia Ruohan glanced at the group of officials, and then said to an official beside him: "Go and call the crown prince, the second prince, and the fourth prince to meet Princess Yao Lan."

"As ordered, I'll go right away." The official replied respectfully, bowed and went to the palace of His Royal Highness.

When Xia Xifeng arrived at the palace, she led everyone towards the Hall of Inquiry and Harmony.

Xia Xifeng and Ouyang Haonan were walking in the front. Behind them was Yao Muzixi in the middle. Behind Yao Muzixi was Mo Jiangli and Xixi. Walking side by side behind Yao Muzixi, behind them was Yao Muzi.

Xi's maids and some guards.

When Yao Muzixi's men came to the door of the Xunhe Hall, they met the civil and military officials led by Xia Ruohan outside the Xunhe Hall.

Xia Xifeng was a little surprised when she saw her father and the ministers accompanying him. She did not expect that Yao Muzixi had such a great reputation.

"I bow to my father." Xia Xifeng saw Xia Ruohan and instinctively saluted. The people behind Xia Xifeng also followed suit, but were stopped by Xia Ruohan.

"Everyone has been tired from the journey, so you don't have to be so formal. Is this Princess Shengen of Yaolan Kingdom?" Xia Ruohan said to everyone. The moment he saw Yao Muzixi, he was shocked.

Xia Ruohan looked at Yao Muzixi, who was dressed in red, and was startled. He was amazed in his heart that Zixin's daughter looked exactly like her. He almost mistakenly thought she was Zixin.

"Father, this is Princess Shengen of Yao Lan Kingdom." Xia Xifeng looked at Xia Ruohan and replied softly.

When Yao Muzixi heard someone calling her, she raised her eyes and glanced at Xia Ruohan. Is this the Emperor of Xia? He is handsome and handsome. Although he is a bit older, he must have been a handsome man when he was young.

Looking at Xia Xifeng again, their father and son are really quite similar.

It seems that a handsome father can really give birth to an even more handsome son. People still need to have good skin, so that their children will be so lucky to inherit this peerless appearance and be honored by the world.

"Okay, let's all go to the Hall of Inquiry and Harmony! I have put in a lot of effort for the arrival of Holy Grace today. There will be a wedding banquet tonight and the canonization ceremony at noon tomorrow." Xia Ruohan looked back at Yao Muzixi and looked at her.

Everyone present said.

Xia Ruohan walked in the front, followed by Xia Xifeng and Yao Muzixi, and finally Manchao Wenwu walked into the Xunhe Hall one by one. This Xunhe Hall has always been a place to receive friends from all over the world. Today, the Xunhe Hall

The reception of Princess Yao Languo in He Palace also gave Yao Languo a lot of face.

This Hall of Inquiry and Harmony can be compared with the Qionglan Hall of Yao Languo. It is luxurious, noble and extravagant.

Xia Ruohan sat on the main seat, looked at the civil and military officials and Yao Muzixi and his party below, and nodded with satisfaction. However, seeing that the prince and others had not come over yet, he felt a little uneasy. He knew that the prince was not

He was willing to have this marriage, but since he was the future king of a country, he could only rest assured if Zixin's daughter was handed over to him, and besides, the status matched her.

"Why haven't the Crown Prince, the Second Prince, and the Fourth Prince come yet? Didn't I say I had to show up today?" Xia Ruohan said, looking at the official who didn't want him to call him with a livid face.

"Back to the emperor, the prince and the two princes are not in the palace, and I don't know where to find the prince and the two princes." The official said softly and respectfully beside Xia Ruohan.

"This is nonsense." Xia Ruohan's face turned red when the minister said it, and he slapped his hand hard on the throne.

"Why are you so angry, father???" Xia Xifeng saw Xia Ruohan's sudden tantrum, but she didn't know why.

"Hey, don't tell me, it's not your imperial brother..." Xia Ruohan couldn't say much when seeing so many people present, and then his tone became calmer.

The Return of the Reborn Princess

"Brother Imperial?" Xia Xifeng thought for a while. Naturally, the prince was unwilling to come out to see Princess Sheng'en of Yao Lan Kingdom. Moreover, his father said that he was going to Yao Lan Kingdom to propose marriage and to register Princess Sheng En of Yao Lan Kingdom as the crown princess. He was the first to object. It was the prince. As for why Xia Mingyu was so resistant to Princess Sheng En of Yao Lan Kingdom, Xia Xifeng really didn't know.

Yao Muzixi and Ouyang Haonan were sitting in the seat closest to Xia Ruohan. Naturally, they heard what the official said to the Emperor of Xia. Yao Muzixi didn't care, as if all this had nothing to do with her. .

"Father, I think it's better to arrange for the princess and her entourage to rest first! I'll just go check on the emperor's affairs." Xia Xifeng glanced at Yao Muzixi and Ouyang Haonan. They were really tired from the journey. , let them rest first so that they can attend the wedding banquet at night.

Yao Muzixi suddenly became interested after hearing what Xia Xifeng said. This was her first time coming to the Xia Kingdom Palace, so she had to take a good look around. Sitting here was boring to death anyway, and she was also very tired. Find a place for her to rest. It couldn't be more to her liking, and then Yao Muzixi looked at Xia Xifeng with thanks.

"Yeah, that's fine." Xia Ruohan glanced at Yao Muzixi and sighed softly. She really didn't know whether her decision was right or wrong. Although she wanted to protect Zixin's daughter, if she didn't live well here, If he is happy, then he will really feel sorry for Zi Xin and Yao Jingyu.

"Your Majesty, I'm a little tired and want to rest first." Yao Muzixi immediately became energetic after hearing what Xia Ruohan said. She walked to the middle of the hall to bless her body and looked at Xia Ruohan and whispered. .

The emperor himself allowed her to rest first, so there shouldn't be anything against the rules. Yao Muzixi thought to herself.

"Haha, then princess, please go down and rest first. I will take you to the palace I have prepared for you." Xia Ruohan felt very happy when she saw Yao Muzixi's cute appearance.

"The emperor wants to personally lead the way for me?" Yao Muzixi looked at Xia Ruohan in surprise. Did he value her? Or did he deliberately prevent her from having a good rest?

"What? Why not?" Xia Ruohan looked at Yao Muzixi's cute appearance and all the worries in his heart disappeared.

"Uh, thank you, Your Majesty." Yao Muzixi looked at Xia Ruohan and was stunned, not knowing what to say.

"Haha, let's all leave. Just come to the wedding banquet on time in the evening." Xia Ruohan happily said to everyone, then walked up to Xia Xifeng and said softly:

"Feng'er, you go outside the palace. Come on! Go and find Ming Yu, Chen Hao and Liang'er for me."

"Yes, Father, I will leave the palace right now." After Xia Xifeng said that, she turned around and walked out of the Hall of Inquiry and Harmony.

Yao Muzixi saw what Xia Ruohan said to Xia Xifeng and then Xia Xifeng left, and looked curiously at the direction Xia Xifeng went away.

"Ouyang Haonan, where do you think Xia Xifeng is going?" Yao Muzixi walked up to Ouyang Haonan and asked stupidly.

"Ouyang doesn't know, you can ask the emperor yourself." Ouyang Haonan rolled his eyes at Yao Muzixi and said unhappily.

"Oh, this time it's Ouyang Haonan, General Ouyang of Yaolan Kingdom, who is sending you the bride?" Xia Ruohan looked at Yao Muzixi and Ouyang Haonan.

In Xia Ruohan's eyes, the Ouyang family is a rare loyal family, and they are talented soldiers. Naturally, they have heard about Ouyang Haonan for a long time, but they did not expect that Ouyang Haonan is so young, energetic and handsome.

"Your Majesty, I am none other than Ouyang Haonan." Ouyang Haonan walked up to Xia Ruohan and saluted.

"General Ouyang, there is no need to be polite. I have long heard that General Ouyang is a talented young man from Yao Lan Kingdom. When I see him today, he is indeed extraordinary!" Xia Ruohan praised sincerely.

"The emperor has given you a reward, but Ouyang doesn't dare to accept it."

"Haha, please invite Princess and General Ouyang to follow me to the palace I have prepared for you!" Xia Ruohan looked at Yao Muzixi with a kind face and said loudly.

Yao Muzixi and his entourage followed Xia Ruohan to the Huiyang Palace. The Huiyang Palace was very large, rivaling Yao Muzixi's palace in Yaolan Kingdom, Fengxi Palace.

The location of Huiyang Palace is very good. It is surrounded by water, the air is fresh, and it is very quiet. There are rockeries everywhere as a foil. The entire Huiyang Palace is surrounded by large and small rivers. It seems that this building of Xia Kingdom

The structure has a unique style. There are naturally bridges along the river, and each bridge adds a bit of elegance to the Huiyang Palace.

Yao Muzixi looked around while accompanied by Xia Ruohan, and was in a good mood. She thought that it would be good to live in such a quiet and elegant place in the future.

"Do you like Zixi here?" Xia Ruohan became familiar with her when he and Yao Muzixi visited the Huiyang Palace, so they called her Zixi.

"Your Majesty, I really like this place. Thank you for choosing such a good place for me." Yao Muzixi said with a happy face.

Ouyang Haonan was too tired so he did not accompany Yao Muzixi. In this Xia Kingdom palace, which was heavily guarded, no one would harm the princess, so he was happy to have some leisure time.

Xia Ruohan looked at Yao Mu Zixi as if she saw Zi Xin, because they looked so much alike. Since Jiang Zixin chose Yao Jingyu in the end, Xia Ruohan had no choice but to let her go. Maybe it would also be a success for her.

own.

Now, Zixin has passed away for so many years. Yao Languo is now in danger, and only he can protect her daughter. Because he loves her, he is willing to let her be happy, and because he loves her, he is willing to worry about everything about her. As long as he can,

He is willing to do everything for her.
