

The Return of the Reborn Princess

Chapter 005 Marriage Proposal

"The country of Yao Lan has always treated people with great courtesy, so why should we be negligent? This time, on the order of the king, I accompanied the prince of the Xia Kingdom to your country to propose marriage, so there was a lot of disturbance." A middle-aged censor said firmly.

"My country, Yao Lan, has already made preparations for this marriage. Now, my country, Yao Lan, has two princesses who can get married, but I don't know which princess your country wants to marry and we will be married to your country for a hundred years?" Yao Jingyu said this.

At that time, my face obviously didn't look good.

"Of course she is the most noble princess of your country, Princess Sheng En." The one who said this was the third prince of the Xia Kingdom, Xia Xifeng, who was elegantly dressed in white.

Yao Muzixi looked around at Xia Xifeng. Unexpectedly, Xia Xifeng was also looking at her with a leisurely and contented expression, with a faint smile on her lips. Yao Muzixi seemed to be panicking.

God, I turned my head awkwardly.

"This must be Ruohan's third son, Xifeng! We haven't seen him for a few years, but he looks so handsome." Yao Jingyu had a satisfied smile on his face.

"Exactly." Xia Xifeng replied calmly.

"Hahaha, it's true that a hero comes from a young age." Yao Jingyu laughed loudly, with a hint of appreciation on his face.

"No, no, Your Majesty, you've done me a favor. You must also know that I'm here for the purpose of getting married!" Xia Xifeng said with a playful look on his face and a faint smile.

"Hahaha... about this, I think..." Yao Jingyu laughed dryly, as if he didn't want to face this topic.

"This..." Xia Xifeng looked at Yao Jingyu who was sitting on the dragon chair in embarrassment.

"Although the marriage is a big deal, it still depends on whether Zi Xi is willing to do it!" Yao Jingyu looked at Yao Muzixi and said helplessly.

Yao Muzixi smiled calmly and said: "Since your country values me, the princess of Yao Lan Kingdom, so much, I naturally can't refute your wishes. I agree to the marriage, but the wedding day will be decided by me. I wonder if your country can agree?"

"

In the previous life, it was because of me that I missed such a good opportunity to borrow troops, and I must not miss it again this time.

"Xi'er, do you know that getting married is a hard job! You absolutely can't go!" After hearing what Yao Muzixi said, Concubine Chu Xiang immediately stood up with a slight reproach in her tone.

Yao Muzixi sneered and thought to herself, Concubine Chu Xiang, if it was in the previous life, I might have thought you loved me, but now how could I still believe in such a vicious woman like you?

"Aunt Concubine Chu Xiang, Xi'er, thank you for your kindness. As the princess of Yao Lan Kingdom, I should do something for my country and people. I am willing to marry the Xia Kingdom." Yao Muzixi said firmly, maybe this is how to start a new relationship.

With a long journey, Yao Languo's fate would not have been so tragic.

"Xi'er, getting married is not a joke!" Yao Jingyu quickly stood up, trying to stop Yao Muzi Xi.

"Father, I am willing to get married. I think this is my destiny." Yao Muzixi looked at Yao Jingyu with a hint of sadness in his eyes.

The ministers in the main hall never expected that the princess would have such a big heart. They all knelt on the ground and shouted in unison: "It is a blessing for the people of our Yaolan country to have such a princess who serves the country and the people. The princess will live a thousand years.

Chitose."

Xia Xifeng raised his eyebrows. He didn't expect that this mission was completed so smoothly. He got it done with almost no effort. On the way here, he was still feeling embarrassed. Father

He asked him to propose marriage to the royal brother and named Princess Sheng En.

He also knew that the emperor of Yaolan Kingdom loved his fifth daughter Yao Muzixi the most, who was now canonized as Princess Shengen, the most noble princess of Yaolan Kingdom. How could he do this to kiss a daughter he loved so much?

Agree easily? But I didn't expect that the princess would actually agree to the marriage. It's really interesting, so interesting.
