

The Return of the Reborn Princess

It was almost dusk, and a faint ray of sunlight shone into Ouyang Haonan's room. Ouyang Haonan rubbed his sleepy eyes, but he saw that it was getting dark, and he didn't know if anything happened at Yao Languo's side at this moment.

.

"Xixi? Why did you fall asleep here? You'll catch a cold." As soon as Ouyang Haonan left the room, he saw Xixi sitting on the stone bench outside the yard and falling asleep.

Xixi rubbed her eyes and looked at the tall figure under the setting sun, who was looking at her with worry. The man had clear outlines, gentle eyes, and a soft and firm face.

Xixi looked at him and felt that her heart was about to beat. She blushed a little shyly and looked into Ouyang Haonan's eyes sheepishly.

"Well, General Ouyang, I just came here to bring you chicken soup. I saw you were asleep so I didn't bother you." Xixi sat on the stone bench and looked at the chicken soup on the table uneasily, and said embarrassedly.

"Xixi, how is the princess? It's getting dark, and the wedding banquet will probably start soon. Go and urge the princess to take care of her." Ouyang Haonan glanced at Xixi and just asked her to remind the princess, not caring at all.

other.

"But, General Ouyang, you must remember to drink the chicken soup that Xixi brought you while it's hot." Xixi looked at Ouyang Haonan's figure who turned around to walk out, and said softly, and then walked out of Ouyang Haonan's yard.

He walked straight to Yao Muzixi's bedroom.

Ouyang Haonan turned around and looked at the soup can on the stone table. He slowly walked to the stone table and sat down. He gently opened the lid of the soup can with his hands. The hot steam inside the can came out.

Together with the aroma of chicken soup, it drifted into my nose.

Ouyang Haonan picked up the bowl and spoon next to the soup can, scooped a bowl of chicken soup into the bowl, and slowly tasted it. The stewed chicken soup was very delicious, with a pure and sweet taste. Ouyang Haonan

I just felt a warm current passing through my heart.

It has been a long time since I felt any warmth, but today I was moved beyond measure by a bowl of chicken soup.

After drinking the chicken soup, Ouyang Haonan went directly to Yao Muzixi's bedroom. Yao Muzixi was playing with Xixi, with a smile on his face.

"Princess, it's getting late now. I think you should freshen up quickly and get ready to attend the wedding banquet." Ouyang Haonan hid his face and suppressed his smile when he saw the princess looking like this.

"Oh, okay." Yao Muzixi glanced at Ouyang Haonan and replied calmly. Speaking of it, Ouyang Haonan seems to have always been so indifferent to him! He doesn't think so of himself as before.

It's heavy.

Yao Muzixi looked at Ouyang Haonan and felt a little uncomfortable, and then the corners of his mouth raised helplessly. How could he remember the things in his previous life? Moreover, he had not been married in his previous life, but now, he has

To be someone else's wife.

"Xixi, go and make preparations for the princess. The emperor has sent people to hurry up the princess." Ouyang Haonan ordered Xixi.

"Yes, General Ouyang." Xixi glanced at Ouyang Haonan, then walked up to Yao Muzixi and said softly: "Princess, I will go and dress you up, so I can go to the banquet later."

"Okay, let's go Xixi." Yao Muzixi stopped looking at Ouyang Haonan. She was afraid that it would remind her of the sad things in her previous life.

Xia Ruohan sent people to prepare the banquet venue all afternoon and is now sitting at the main seat of the banquet venue.

All civil and military officials have arrived, but the prince and several princes have not yet arrived.

Xia Ruohan looked at his confidant, Prime Minister Wen, and winked secretly.

Prime Minister Wen was a sensible man. When he saw the emperor winking at him, he immediately came to Xia Ruohan and asked respectfully: "What are your orders, the emperor?"

"Prime Minister Wen went to see if the third prince had brought the crown prince and the others back." Xia Ruohan said softly in Prime Minister Wen's ear.

Prime Minister Wen came to the Prince's Qianyang Palace and saw the Prince and several princes sitting there chatting happily. He didn't want to disturb him. He just sent someone to inform him, "Your Majesty asked the Prince and several princes to go to the Henghe Palace immediately." Welcome Princess Yao Lan." Then she waited outside Qianyang Palace.

Xia Mingyu glanced at Xia Xifeng, with a smile on his face, and patted him on the shoulder: "If it is true as the third brother said, then I would like to meet the most noble princess of Yao Lan Kingdom."

"Brother, you should understand that after all, this is a marriage given by your father. I hope that your brother can put the overall situation first. After all, this is a marriage between the two countries and is related to the peace of the two countries." Xia Xifeng said in front of the prince. After saying all the good things about Yao Muzixi, I just wanted the banquet to not embarrass Yao Muzixi so much.

"Of course the emperor understands." Xia Mingyu looked at Xia Xifeng and replied calmly, and then walked out of Qianyang Palace.

The Return of the Reborn Princess

052 Is He the Crown Prince Xia Mingyu?

Xia Xifeng, Xia Chenhao and Xia Liuliang followed Xia Mingyu and walked towards the Hall of Inquiry and Harmony.

Xia Mingyu and his party arrived at the Hall of Inquiry and walked towards Xia Ruohan. At this time, Xia Ruohan looked at Xia Mingyu and Xia Chenhao with a livid face.

"My son, I have met my father." Xia Mingyu, Xia Chenhao, Xia Xifeng and Xia Liuliang saluted Xia Ruohan.

"You are so shameless." Xia Ruohan looked at them with extremely serious eyes.

"Father, brother, they just left the palace to do something, so they came back late." Xia Xifeng saw Xia Ruohan yelling at them so angrily, and quickly tried to smooth things over.

"Feng'er doesn't need to plead for them." Xia Ruohan glanced at Xia Xifeng, then turned to look at Xia Mingyu, and said in a cold voice: "The dignified prince is so ignorant, how can I safely leave the country to you? ."

"Father, it was me who pestered the eldest brother to take me out to play this time..." Xia Liuliang saw that his father blamed his brother so much, and he quickly blamed himself.

"Shut up, you think I won't punish you? You're not young anymore, why are you always thinking about having fun and don't know how to make me worry-free?" Xia Ruohan looked hateful when he saw his youngest son pleading for the prince. He shouted angrily with a look of iron that could not be transformed into steel.

"Father, I know I was wrong." Xia Liuliang pursed his lips and said aggrievedly.

"It really doesn't make people worry..." Xia Ruohan's teeth chattered in anger.

"Your Majesty, Princess Shengen of Yaolan Kingdom has arrived." Prime Minister Wen hurriedly walked to Xia Ruohan and whispered.

"Please come quickly." When Xia Ruohan heard that Princess Sheng En had arrived, all his anger immediately dissipated and he quickly stood up from the dragon chair.

"Yes." After Prime Minister Wen said this, he stepped back.

After a while, I saw a group of people walking towards the Xunhe Hall.

Walking at the front was a woman in a red dress. She was extremely coquettish in her red dress. She had a faint smile on her face, and her delicate makeup made people's eyes bright, as if a fairy had descended to earth.

Everyone was attracted by this group of people and stared intently at Yao Muzixi and his party who were walking slowly.

Xia Mingyu looked at the woman walking towards him, and his heart skipped a beat. There was such a stunning beauty in the world!

Xia Xifeng looked at Yao Muzixi and smiled slightly, feeling that she was so gentle and charming at this moment.

"Yao Languo's holy grace meets the emperor."

"The last general Ouyang Haonan meets the emperor."

"Slave, please see your Majesty."

Yao Muzixi and his party saluted Xia Ruohan. Everyone finally recovered from their shock and all looked at Xia Ruohan.

"Haha, Ping Sheng. There is no need to be polite for the Holy Grace. Since you have married into our Xia Kingdom, you will be a member of our Xia Kingdom from now on." Xia Ruohan said happily.

"Thank you, Your Majesty." Yao Muzixi, Ouyang Haonan and others said in unison.

When the banquet began, all the officials walked to their seats one after another. At this time, the palace maids presented delicacies one after another, and the singing and dancing performances were extremely enjoyable.

"Father, since we have welcomed the princess, I think there is nothing left to do. Can I go back first?" Xia Mingyu was really not interested in the singing and dancing, so he walked up to Xia Ruohan and said softly, wanting to slip away.

"Let you go!" Xia Ruohan saw that Xia Mingyu didn't have any resistance at the banquet. Now he was relieved. He looked at Xia Mingyu and said with a smile: "Just take Princess Shengen of Yaolan Kingdom around. "

"This..." Xia Mingyu was obviously a little unhappy and glanced at Yao Muzixi who was standing aside.

Yao Muzixi was sitting very close to Xia Ruohan. She only saw a handsome young man whispering something to Xie Ruohan, and vaguely heard mention of her.

Then he came over and said to Xia Ruohan with a smile: "Your Majesty, I feel unwell today, and the wind is a bit strong at night, which makes me dizzy. Now I want to go back and rest, please. Your Majesty, please don't forgive me."

"What? Are you sick?" When Xia Ruohan heard Yao Muzixi saying that he was feeling unwell, he quickly asked with concern. Then he thought, isn't now a good time for Mingyu and Sheng En to get along, and then looked at Xia Mingyu : "Mingyu, please send Sheng En back to rest quickly, and find an imperial doctor to take a good look at Sheng En's body."

Yao Muzixi looked curiously at the man Xia Ruohan was talking about, and saw that this man was dressed in Tsing Yi, with a good face and sharp eyes. He looked somewhat similar to Xia Ruohan, and naturally showed some maturity. flavor.

Yao Muzixi thought in her heart, could he be Xia Mingyu, the crown prince of Xia Kingdom?

Yao Muzixi smiled slightly, but she felt in her heart that such a man was quite courageous, good-looking, and powerful, but he didn't know what kind of person he was.

The Return of the Reborn Princess

Yao Muzixi walked quietly in the Xia Kingdom Palace, wandering around, but saw Xia Mingyu by a pond.

Yao Muzixi quietly approached Xia Mingyu and looked at him silently. Will I become this man's wife in the future?

"Princess, you are very interested!" Xia Mingyu glanced at Yao Muzixi and said calmly.

"No." Yao Muzixi replied lightly. He glanced at Xia Mingyu and felt that the man's expression was cold and there was no trace of emotion.

"Tomorrow, you will become my crown princess!" Xia Mingyu said with a hint of sarcasm, and there was a slight curve in the corner of his mouth.

Yao Muzixi glanced at Xia Mingyu and seemed to think that his words had a profound meaning.

"Yes. Even a majestic princess of a country cannot change her own destiny. Maybe this is the sorrow of women." Yao Muzixi looked at the sky and said lightly, with a look of helplessness in her eyes.

Xia Mingyu just looked at the woman in front of him and didn't say anything. She was just a woman. She actually said such words, so what if she was a princess?

Yao Muzixi's body was filled with chills as the wind blew. The wind was so strong tonight! Yao Muzixi closed her collar with her hands, but it was still not warm enough, so she turned around and walked towards her Huiyang Palace.

"Leaving now? Let me see you off! Otherwise, I will make my father unhappy again." Xia Mingyu walked to Yao Muzixi and saw a slight look of disappointment on her face.

After hearing this, Yao Muzixi glanced at Xia Mingyu and didn't say much. He could do whatever he liked.

When he arrived at Huiyang Palace, Xia Mingyu looked around, but his face turned cold. He walked up to Yao Muzixi and said lightly: "Just send the princess here! I'll leave first."

"Why don't you go in and sit for a while?" Yao Muzixi glanced at Xia Mingyu in surprise, why are you leaving now that you've already arrived?

"Oh, thank you for your kindness, princess, I really don't want to enter Huiyang Palace." After saying this, Xia Mingyu left without looking back.

Yao Muzixi stared blankly at the man with a cold aura who gradually disappeared from his sight, and couldn't figure out why he said that he really didn't want to enter Huiyang Palace.

The next morning, the sunlight shone faintly through the window into Yao Muzixi's palace. Today, the canonization ceremony should be held! After today, will I be your wife?

After washing up, Yao Muzixi sat on the main seat of Huiyang Palace, looking at the huge palace absently, but feeling infinitely desolate in her heart.

Xixi brought a bowl of bird's nests to Yao Muzixi and put it on the couch, but she didn't see any movement from the princess for a long time. She was shocked in her heart. Why did the princess always like to be in a daze? And it lasted longer every time.

Xixi patted Yao Muzixi's shoulder worriedly and called softly: "Princess."

Yao Muzixi just looked back at Xixi, with a faint smile on her lips: "Xixi, you go down and rest first, I want to stay alone for a while."

Xixi had no choice but to retreat. The princess was not as noisy as before, but Xixi felt sad. She always felt that something was on her mind. Was the princess not used to the life in Xia Kingdom? Or maybe she missed her father?

Xixi walked out of the main hall and saw Ouyang Haonan walking towards her. She bowed to Ouyang Haonan respectfully: "Good morning, General Ouyang."

"Xixi." Ouyang Haonan glanced at Xixi and asked softly: "Can the princess have breakfast?"

"Back to General Ouyang, I just gave the princess a bird's nest, but..." Xixi said helplessly.

"Just what? What happened to the princess?" Ouyang Haonan asked anxiously.

"The princess doesn't seem to be in the mood to have a meal. I wonder if she is homesick." Xixi expressed her thoughts.

Ouyang Haonan felt relieved after hearing what Xixi said, and then said to Xixi with a smile on his face: "Xixi, you go and have a rest first. I'll go see the princess. The princess will have to undergo the canonization ceremony later!"

After saying that, Ouyang Haonan turned around and walked into the main hall.

Ouyang Haonan saw Yao Muzixi eating bird's nest, and it was very delicious. He must be hungry.

Yao Muzixi looked up and saw that it was Ouyang Haonan, then walked up to Ouyang Haonan with a bowl and smiled: "Ouyang Haonan, why are you so free? Do you still have time to see me?"

Ouyang Haonan smiled and reached out to touch Yao Muzixi's hair: "I, Ouyang Haonan, have always been very idle. It's all thanks to the princess who gave me this wonderful job!"

"Where is the beautiful job I gave you? It was obviously given by my father." Yao Muzixi sneered at Ouyang Haonan's statement.

"It's all the same. After all, I just want to protect you, the princess! If I, a seven-foot tall man, can't even protect a woman, then I'm going to make a fool of myself." Ouyang Haonan looked at Yao Muzixi's cute look and said softly.

smiled.

The Return of the Reborn Princess

"Hmph, by the way, Ouyang Haonan, I haven't eaten enough yet." Yao Muzixi touched her belly and said with a sad face.

"Then I'll take the princess to the kitchen to find something to eat." Ouyang Haonan said, taking Yao Muzixi's hand, and ran out of the main hall to the kitchen.

"Hey, Ouyang Haonan, what are you doing? Hey, you, run slower! I, I, I... I'm going to be kicked to death." Yao Muzixi was dragged by Ouyang Haonan and ran all the way, mouthing loudly.

He kicked and yelled loudly.

Ouyang Haonan ignored Yao Muzixi and just pulled Yao Muzixi to the kitchen. When she arrived in the kitchen, Yao Muzixi found that there was no one there. Who was she looking for to eat?

"Ouyang Haonan, why is there no one? What should I eat?" Yao Muzixi looked at Ouyang Haonan and asked harmlessly.

"It's easy! Just do it yourself!" Ouyang Haonan looked at Yao Muzixi with a smile on his face.

"Ah? Okay!" Yao Muzixi rolled his eyes at Ouyang Haonan: "I still won't eat it."

"How can you not eat? The princess has lost a lot of weight on the road these days. She needs to eat well to make up for it." Ouyang Haonan said seriously. Then he looked around in the kitchen and found a stew.

I put some chicken, ginseng and other tonic things in the jar, and put the jar on the stove to cook.

Yao Muzixi looked at Ouyang Haonan with a surprised expression on her face. She really didn't expect that Ouyang Haonan, a handsome general, could tinker with these things in the kitchen and be so precise.

"Wow, Ouyang Haonan, you are so awesome!" Yao Muzixi looked at Ouyang Haonan with wide eyes and said in surprise.

"This is just a trivial matter, what's so surprising?" Ouyang Haonan said proudly.

"That's right." Yao Muzixi scratched his head, as if he had actually tasted the soup stewed by Ouyang Haonan, and it tasted pretty good.

Ouyang Haonan added firewood to the stove and fanned it with a cattail leaf fan. After a while, the fire was burning brightly. Yao Muzixi looked at where Ouyang Haonan was busy and couldn't help feeling warm in his heart. He was stunned.

Looking at Ouyang Haonan.

Ouyang Haonan felt uncomfortable being stared at by Yao Muzixi. He turned around, picked up the cattail leaf fan and knocked Yao Muzixi on the head: "Have you seen enough, princess?"

"Ah? Hahaha..." Yao Muzixi rubbed his head in embarrassment and quickly looked away: "I wasn't looking at you!"

Ouyang Haonan smiled and said nothing, looking at Yao Muzixi's appearance, it was a bit endearing.

About an hour later, Ouyang Haonan's chicken soup was finally cooked, and the aroma was overflowing. Yao Muzixi's stomach protested even more when he smelled the aroma. Ouyang Haonan saw that Yao Muzixi was so greedy, but

I mean to say it's not yet cooked.

Ouyang Haonan smiled calmly and said he was going out for convenience, and walked out of the kitchen. Seeing Ouyang Haonan leave, Yao Muzixi couldn't wait to run to the chicken soup can, thinking only about drinking the fragrant chicken soup, and then used his hands to

Go take the lid off that chicken soup can.

"Ah...it's burned to death." Yao Muzixi yelled and threw away the cover on his hand. The fingers on his left hand were all hot and red, and Yao Muzixi's painful tears fell straight down.

When Ouyang Haonan heard Yao Muzixi's scream, he rushed into the kitchen immediately, but saw Yao Muzixi squatting on the ground, looking at his hands, and kept complaining about pain.

"Princess, what's wrong with you?" Ouyang Haonan came to Yao Muzixi and asked nervously.

"Ouyang Haonan, my hand hurts so much!" When Yao Muzixi saw Ouyang Haonan, it was as if he had seen a savior. He quickly stretched out his burned hand to Ouyang Haonan's eyes, looking pitiful.

.

Ouyang Haonan glanced at Yao Muzixi's hand and the steaming lid on the ground, and he understood. He sighed helplessly and said: "Princess is too anxious to eat hot tofu. Look at it now.

You must have hurt yourself!"

"Who told you to keep denying me food? The stew is so fragrant, you just want to be greedy for me on purpose." Yao Muzixi said angrily.

"Okay, okay, I'll put some medicine on you and bandage it and you'll be fine." Ouyang Haonan looked at Yao Muzixi and said with a heartbroken look on his face.

Ouyang Haonan brought Yao Muzixi to sit on a stone bench in the courtyard, then ordered the palace maid to get some medicine, while he went to the kitchen and brought the can of chicken soup to Yao Muzixi.

Ouyang Haonan carefully bandaged Yao Muzixi's finger, then picked up the bowl and filled a bowl of chicken soup. He glanced at Yao Muzixi's hand, then picked up the spoon and fed it to Yao Muzixi one by one.

Yao Muzixi drank the chicken soup fed by Ouyang Haonan with satisfaction, and looked at Ouyang Haonan with blinking eyes. Ouyang Haonan was really beautiful! He was careful and gentle, and he was so kind to her. Yao Muzixi looked at her.

Ouyang Haonan was a little lost. We were so close in our previous life!

Ouyang Haonan accidentally met Yao Muzixi's eyes, but saw her looking at him blankly, and coughed slightly in embarrassment: "Princess?"

"Ah?" Yao Muzixi came to his senses, only to find that he and Ouyang Haonan were eye to eye, and he quickly looked down in embarrassment and stopped looking at Ouyang Haonan.

"Why did the princess look at me like that just now?" Ouyang Haonan asked deliberately, regardless of Yao Muzixi's embarrassment and embarrassment.

"I...I'm not looking at you." Yao Muzixi looked up at Ouyang Haonan, but saw that he was smiling at the corner of his mouth, and suddenly roared in annoyance: "Who do you think you are? Why should I do this?"

See you in a daze? Do you think this princess is a nymphomaniac? Huh!"

Ouyang Haonan was startled by Yao Muzixi's sudden change, and he laughed helplessly: "The princess is indeed not crazy about me, it's just me who thinks it's right."

After saying that, Ouyang Haonan left angrily, leaving Yao Muzixi sitting there alone, staring at Ouyang Haonan's back in a daze. Yao Muzixi scratched his head. Could it be that Ouyang Haonan was angry?

.

The Return of the Reborn Princess

055 I'm the Crown Princess

Soon, at noon, Xixi ran to Yao Muzixi's bedroom, but saw that Yao Muzixi was still there in a daze, not knowing what he was thinking.

"Princess, the canonization ceremony is about to be held, and we should go to the Hall of Inquiry and Harmony. I'm afraid it will be bad if we go late!" Xixi reminded softly, standing in front of Yao Muzixi's couch.

Yao Muzixi glanced at Xixi and stood up: "Then let's go now."

"It's the princess." Xixi stood respectfully behind Yao Muzixi, with a hint of helplessness in her eyes. The princess seems to have been very lethargic recently! She is always alone in a daze, and she is not as close to her as before in the Yao Languo Palace.

.

Yao Muzixi walked out of the palace and came to the main hall, where Ouyang Haonan was already waiting.

The palace servant sent by Xia Ruohan to invite people stood aside and said something to Ouyang Haonan. Seeing that the princess had come out, Ouyang Haonan quickly saluted Yao Muzixi with everyone.

"General Ouyang, let's set off now!" Yao Muzixi looked at Ouyang Haonan with a hint of indifference in his eyes.

It was the first time that Ouyang Haonan heard the princess call him "General Ouyang", and he only felt a hint of alienation. In the past, it was Ouyang Haonan who called him "General Ouyang", but it felt very friendly, but today it suddenly happened.

This really makes Ouyang Haonan a little confused, but it's not easy for him to ask why. That's the freedom of the princess, isn't it?

Ouyang Haonan turned around and walked to the palace man: "Please lead the way, sir! Our princess is new here and is not very familiar with this place."

"Well, please Princess Sheng'en and General Ouyang come with me." The palace man walked up to Yao Muzixi and said respectfully.

The palace man retreated to the upper left corner of Yao Muzixi, letting Yao Muzixi walk in the middle, and the group walked towards the Hall of Inquiry and Harmony.

When they arrived at the Xunhe Hall, they were already filled with many people waiting there. Yao Muzixi looked at the formation, it was really grand!

Xia Ruohan saw that Yao Muzixi and his party had arrived, so he gave him a seat. Yao Muzixi and his party sat on the right side of Xia Ruohan, and sitting on the left side of Xia Ruohan were Xia Ruohan's four sons.

And those concubines.

Xia Ruohan waved his hand gently, and the palace attendants shouted loudly: "The canonization ceremony has begun. All the princes, concubines, and dignitaries, please take your seats."

Those who were a bit noisy at first were sitting in their seats obediently, listening quietly, not daring to make any noise.

Xia Ruohan looked at Yao Muzixi with a smile on her face: "Princess Sheng'en, today you will marry into our Xia Kingdom, marry the prince, and be named the Crown Princess of our Xia Kingdom."

"Your Majesty, your Majesty, today's concubine has brought peace to our Xia Kingdom, and we have become relatives, which is a blessing to our Xia Kingdom." After hearing what Xia Ruohan said, the ministers all stood up one after another and knelt down to Xia Ruohan.

"Hahahaha..." Xia Ruohan was extremely satisfied with everyone's reaction and laughed out loud.

"Let's settle Yu'er's marriage today. It's better to choose a different date than to hit it. Do you have any objections?" Xia Ruohan looked at the ministers below with a smile.

"Your Majesty, please think twice." A soft and gentle voice came in from outside the Xunhe Hall.

Everyone looked at the door of the Hexing Hall with surprised expressions. They saw a woman in luxurious clothes, with a cloudy appearance and a graceful figure.

The woman ran to the Xunhe Hall, knelt down on the ground, and said with a cry: "Uncle Huang, you have betrothed me to His Highness the Crown Prince, and you also said that you would make me the Crown Princess, and I am the Crown Princess.

, but why do you want to register the position of Crown Princess to someone else today? Moreover, the Emperor's uncle has always known that His Highness and I have been in love since we were childhood sweethearts. Why do you want to separate us? "

When Xia Ruohan saw the sudden appearance of An Yanyan, she glanced at Yao Muzixi with some embarrassment, and then looked at An Yanyan who was kneeling on the ground angrily: "Nonsense, how can a little daughter's family talk such nonsense. "

"Uncle Huang, I'm not talking nonsense. Yan'er truly loves brother Mingyu. Why can't Uncle Huang help us? Instead, he wants to break us up?" An Yanyan, who was kneeling on the ground, had tears streaming down her face as she spoke. He looked around, and when his eyes drifted to Yao Muzixi, he gritted his teeth unwillingly and looked at her hard.

"Yan'er, how can you be such a fool?" The person who said this was none other than Xia Mingyu. Xia Mingyu's tone was gentle, without a trace of anger or blame. He walked up to the woman and gently helped her up: "I'll take her with you. You should go back and rest first! We will discuss this matter with my father another day."

"No, I don't want it, brother Mingyu, I don't want it." An Yanyan's eyes turned pitiful towards Xia Mingyu.

The Return of the Reborn Princess

"Father, Yan'er was just confused for a moment. Please don't blame her. I will send her back to rest." Xia Mingyu supported the woman and said to Xia Ruohan.

"You guys really want to make me mad? Yu'er, just stay here and Yan'er can just ask Liang'er to send him back." Xia Ruohan saw Xia Mingyu getting furious and scolded loudly.

Yao Muzixi just sat there quietly, watching Xia Mingyu and the woman named An Yanyan flirting with each other, with deep affection. She felt nothing in her heart, just as if she was watching a show, not caring, just helpless, I have just arrived in Xia Kingdom and I haven't even had a day! I have made enemies with others without knowing it, and I can't help but feel a little melancholy.

"I'd better send this girl off!" Yao Muzixi said calmly, making everyone present a little surprised.

Ouyang Haonan looked at Yao Muzixi blankly, unable to figure out which song the princess was singing.

"Princess..." Ouyang Haonan wanted to stop her out of instinct. However, she saw Yao Muzixi making a gesture to her, indicating that he should be silent.

Yao Muzixi walked to Xia Mingyu, glanced at Xia Mingyu and An Yanyan, and smiled faintly: "Your Majesty, this is just a joke I was playing on you. You don't have to be so angry. When I saw Miss Yan'er yesterday, I was all I feel a little bored during the weekdays, so I decided to perform a play today to relieve everyone's boredom. I did go a bit too far. It's all my fault. I came up with such a bad idea and surprised you."

After everyone listened to Yao Muzixi's words, they exhaled and their anxious hearts calmed down a little. When Xia Ruohan heard what Yao Muzixi said, half of his anger subsided and his mood calmed down a lot.

Xia Mingyu and An Yanyan stood there in a daze, not knowing which song the Princess Yao Languo was singing. But thinking about it, she helped them out of trouble, so Xia Mingyu laughed twice and agreed: "Yes, Father, this It's just a joke we played on you."

Xia Xifeng looked at the three people standing in the hall and was a little puzzled by Yao Muzixi's behavior.

"Is that so?" Xia Ruohan looked at His Highness's people, touched his chin and asked with a blank look on his face.

"Yes! Father, this is just a joke." Xia Xifeng also stood up and testified.

"Since that's the case, let's all go back to our seats! The canonization ceremony will continue." Xia Ruohan said with a smile.

"Uncle Huang, no..." Seeing that what she said was taken as a joke, An Yanyan glared at Yao Muzixi and wanted to defend herself, but Xia Xifeng covered her mouth.

"Yan'er, don't mess around, just let me go." Xia Xifeng's voice was very gentle, with a hint of ambiguity.

Yao Muzixi could tell at a glance what Xia Xifeng was thinking. He just wanted everyone to think that he was the one who had an affair with An Yaoyan. What a Xia Xifeng, how to save face for his brother. The brotherhood is deep.

Xia Xifeng hugged An Yanyan's waist and took An Yanyan out of the Henhe Hall with a smile. Xia Mingyu cast a grateful look at Xia Xifeng and then returned to his seat.

Yao Muzixi immediately returned to his seat and glanced at Xia Mingyu, only to see the man next to Xia Mingyu looking at him with an unknown meaning in his eyes.

Yao Muzixi looked away and played with the wine glass in her hand. She felt a little interesting in her heart. It seemed that her life in Xia Kingdom would be exciting! Why not have someone play with her?

The canonization ceremony was in full swing, and Yao Muzixi stole the show, making all officials of the Xia Kingdom realize her majesty as Princess Yao Lan.

When Xia Xifeng returned to the Hall of Inquiry and Harmony, the canonization ceremony was coming to an end. After the ceremony, the officials slowly dispersed, and Xia Xifeng saw that Yao Muzixi and Ouyang Haonan were also preparing to leave.

"Princess, wait a minute, I have something to tell you." Xia Xifeng saw Yao Muzixi preparing to leave and shouted hurriedly.

Hearing this, Yao Muzixi turned around and said with a slight smile: "Xia Xifeng? What do you want?"

Xia Xifeng walked up to Yao Muzixi, looked at her curiously, and said with a smile: "I haven't seen you for two days, I think she is a lot more thoughtful!"

"Humph, of course. Do you think this princess is so easy to bully?" Yao Muzixi replied disdainfully, giving Xia Xifeng a roll of his eyes.

When Xia Mingyu, Xia Chenhao and Xia Liuliang heard what Yao Muzixi said, they stopped about to go out and looked back at Yao Muzixi. They felt that Princess Yao Languo was not helping Yan'er, but showing her authority.

"Brother, it seems that Princess Yao Lan is not a good person! In the future, you..." Xia Chenhao looked at Yao Muzixi and said with a hint of ridicule to Xia Mingyu.

"It doesn't matter, I don't care. Whether she is good or evil has nothing to do with me." Xia Mingyu said expressionlessly to Xia Chenhao.

After saying that, Xia Mingyu walked up to Yao Muzixi and Xia Xifeng and smiled lightly: "The prince will remember the favor from the princess, and I will definitely repay the favor to you for sister Yan'er in the future."

Xia Xifeng glanced at Xia Mingyu and said nothing more.

"His Royal Highness, your words are serious. What I did was just a simple matter, so why would I ask you to return any favors?" Yao Muzixi did not understand the meaning of Xia Mingyu's words and only regarded them as polite words.

"No, no, no, this favor must be repaid." Xia Mingyu looked at Yao Muzixi with a strange look, which made Yao Muzixi confused for a moment.

"Oh!" Yao Muzixi didn't know what to say and looked at Xia Mingyu blankly, feeling that he was a little cruel.

The Return of the Reborn Princess

Chapter 057: The Cute Boy Xia Liuliang

Xia Mingyu seemed very satisfied with Yao Muzixi's appearance, then smiled slightly, turned around and said to Xia Chenhao and Xia Liuliang: "Second brother, fourth brother, let's go!"

Xia Mingyu and Xia Chenhao walked out of the Hall of Inquiry, but Xia Liuliang ran up to Yao Muzixi, with a proud smile on his face, and patted the head of Yao Muzixi who was still stunned: "Princess, you seem to have offended someone!"

Yao Muzixi came back to her senses and saw Xia Liuliang smiling with a pure face. This Xia Liuliang looked similar to Xia Xifeng! But she didn't look as mature as Xia Xifeng, with a little childish air and eyes. There is a pure brilliance inside, which makes people dare not look directly.

"What? What did you say?" Yao Muzixi looked into his eyes and asked.

"I said, you have offended someone!" Xia Liuliang walked behind Xia Xifeng and shouted to Yao Muzixi in a loud voice, as if he was afraid that Ouyang Haonan next to Yao Muzixi would hit him.

From the moment he patted Yao Muzi Xi's head, he saw the handsome man who had been following Yao Muzi Xi, staring at him with anger in his eyes, as if he wanted to eat him.

"Humph! I'm so scared," Yao Muzixi looked at Xia Liuliang with a cute look on her face and said indifferently.

"Then just wait and see!" Xia Liuliang couldn't help but feel a little unhappy when he saw that his advice was ignored by that woman so indifferently.

Yao Muzixi walked up to Xia Liuliang and looked at him curiously. She poked Xia Liuliang's white and tender face with her hand. She felt it felt so good that she couldn't help but squeeze it. Then she laughed with pride. Said: "Wow, the skin is soft and smooth, and feels great! He is so cute. He will definitely be a handsome man when he grows up."

"You damn woman, what are you doing? You're hurting me! Wuwu, take your claws away..." Xia Liuliang looked dissatisfied at the stunning and beautiful woman in front of him, but he didn't expect that she was a lecher and actually ate him. .

"I'll take it away if you ask me to? What do you mean by that? Call me sister and beg for mercy and I'll let you go. Hum, otherwise, I'll turn your handsome little face into a big pig's head!" Yao Muzixi said a little more He had no intention of giving up and continued to forcefully squeeze Xia Liuliang's pink and handsome face.

"How dare you, you woman, are too presumptuous! Third brother, help me quickly and take this woman's claws away." Xia Liuliang looked at Xia Xifeng who was watching the fun with a sad face. , Really, how could the third brother be like this, not helping me when he saw me being bullied.

"Princess, please don't be rude to the fourth prince. After all, this is still the Xia Kingdom."

Xia Liuliang looked at the owner of the voice and saw that the man was extremely handsome. He was truly the best in the world. I heard he was also a general!

Xia Liuliang looked at Ouyang Haonan blankly, his face instantly turned red, and he quickly lowered his head, not daring to look at the man who was so outstanding and handsome in his eyes.

"Oh. Hum, let me tell you, this time I am not as knowledgeable as you just for Ouyang Haonan's sake. Next time, you won't be so lucky!" Yao Muzixi let go of Xia Liuliang's squeeze. With his hands on his face, he glanced at Xia Liuliang proudly. Such a cute man is so cute!

"What a femme fatale. She's so good-looking, but has such a vicious heart." Xia Liuliang said not to be outdone, and quickly hid behind Xia Xifeng, but intentionally or unintentionally glanced at Ouyang Haonan on the side.

"You! Who are you calling a femme fatale? Who is vicious?" After hearing what Xia Liuliang said about herself, Yao Muzixi angrily chased Xia Liuliang around Xia Xifeng and beat her.

"It's you! Femme fatale!" Xia Liuliang ran in circles beside Xia Xifeng, mumbling something.

Xia Xifeng looked at the noisy two people and was unusually speechless. She shook her head helplessly: "Fourth brother, please stop making trouble."

"ah....."

An exclamation made everyone stunned. Xia Liuliang turned sideways and was about to fall to the ground. Ouyang Haonan turned around, flew up, and caught Xia Liuliang who was about to fall.

Xia Liuliang opened his eyes in shock, and what he saw was a very quiet and handsome face. Xia Liuliang was stunned when he looked at Ouyang Haonan, his face was suppressed and flushed, but for a moment he was not.

It's good to know what to say.

Yao Muzixi looked at that scene and couldn't help laughing loudly. Yao Muzixi walked up to Ouyang Haonan and looked at the two stupid people. Their postures and looks were really ambiguous. What kind of trouble were they going to have?

?

"Ouyang Haonan...how long are you going to hug me?" Yao Muzixi walked up to Ouyang Haonan and said jokingly.

Xia Xifeng also laughed softly next to him. There was only one person, and his face was obviously a little ugly. Xixi looked at Ouyang Haonan, her eyes full of sadness, bit her lip, and turned her head away from them.

When Ouyang Haonan heard what Yao Muzixi said, he quickly retracted his hand, but Xia Liuliang did not expect that Ouyang Haonan would let go, and fell to the ground abruptly, rubbing his eyes with tears.

Xia Xifeng looked at the people in front of him, smiled helplessly, helped Xia Liuliang who was sitting on the ground, patted the dust on Xia Liuliang's body, and said dotingly: "Fourth brother, please stop making trouble. Not now.

It's getting late, let's go back first."

The Return of the Reborn Princess

058 Brother Huang Will Make You Wish

Xia Liuliang glanced at Yao Muzixi and rolled her eyes. When she met Ouyang Haonan's gaze, she was unusually shy and looked away in embarrassment.

"Princess, then I will take my fourth brother and leave first. General Ouyang bids farewell!" After Xia Xifeng said that, she took Xia Liuliang and walked out of the Hall of Inquiry and Harmony.

Unexpectedly, Xia Liuliang shook off Xia Xifeng's hand, ran to Ouyang Haonan, and took out a token from his sleeve: "General Ouyang, this is for you. If the general has time, you can come to me."

Sit in the third brother's house, and if you hold this token, no one will dare to stop you."

Ouyang Haonan looked at Xia Liuliang with a confused look on his face, but he still reluctantly accepted the token handed over by Xia Liuliang under Yao Muzixi's coercion and inducement.

Yao Muzixi glanced at Xia Liuliang proudly, "Haha, with this token, I will kill you if I don't find time."

"General Ouyang had better not bring anyone else here, because I just want to play with you alone, General." Xia Liuliang added.

Yao Muzixi was furious. Isn't it obvious that she was not allowed to go? Humph! Do you think I care about going to your poor place? If you don't want to go, I won't go. I'm too lazy to go!

After Xia Liuliang said that, she happily followed Xia Xifeng out of the Hall of Inquiry and Harmony.

Yao Muzixi stared at Ouyang Haonan with a cold look in her eyes: "Ouyang Haonan, bring it."

"What does the princess want?" Ouyang Haonan said with a faint smile, pretending to be stupid.

"What do you think I want? Bring it to me quickly." Yao Muzixi puffed out his cheeks with an unhappy look on his face.

"Is this what the princess is talking about?" Ouyang Haonan took the token that Xia Liuliang had just handed to him in his hand and presented it to Yao Muzixi.

Yao Muzixi looked at Ouyang Haonan and smiled proudly, then reached out to take it. However, when Ouyang Haonan saw her reaching out to take it, he quickly took back the token in his hand.

"This was given to me by the fourth prince. If the princess took it, wouldn't it be a betrayal of the fourth prince's feelings?" Ouyang Haonan smiled softly, but there was a hint of pride in the corner of his mouth.

"Ouyang Haonan, you..." Yao Muzixi yelled a little crazy, and walked out of the Henhe Hall angrily: "Xixi, let's go."

When Xixi heard Yao Muzixi shouting, she immediately walked up to Yao Muzixi and said, "Princess, don't be angry."

"Who is angry? I won't be angry with him!" Yao Muzixi said stiffly.

Ouyang Haonan looked at Yao Muzixi and Xixi's walking away, smiled faintly, and then carefully picked up the token that Xia Liuliang gave him.

This token is made entirely of gold, with an extremely bright luster. It is engraved with the shape of plum blossoms, which is lifelike. There are two words "Yiling" engraved on it. Ouyang Haonan looked at the token in confusion, "Yiling"

What does the word mean? It seems to be the name of a place, but why is it on this token? And this token is Xia Liuliang's personal token, so why is the word "Yiling" engraved on it?

Ouyang Haonan put the token away and put it in his sleeve. Then he walked out of the Henhe Hall, catching up with Yao Muzixi and Xixi along the way.

When Ouyang Haonan returned to Huiyang Palace, he went directly to his room. It stands to reason that he has been away from Yao Languo for some time now. I don't know what the situation is in Yaolanguo Palace now.

Ouyang Haonan took out a pen and paper and wrote a letter, which could be considered as a way to report to the emperor that he was safe.

Xia Xifeng returned to her mansion. She had forgotten all about Mo Jiangli in the past two days and had no good hospitality. She didn't know what Brother Mo liked about that stubborn woman in the hookah?

As soon as Xia Xifeng and Xia Liuliang walked to the door of the hall, they were stopped by Mo Jiangli: "Third Prince, you are finally back. That woman..." Mo Jiangli glanced at Mo Jiangli and stopped immediately.

He blurted out the words.

Xia Xifeng understood and pulled Mo Jiangli aside, and the two continued their conversation. Xia Liuliang stared blankly at his brother-in-law, mumbling something with Mo Jiangli but trying to avoid him.

He said displeasedly: "Brother Emperor, why do you have to avoid me?"

Xia Xifeng quickly walked up to Xia Liuliang and said with a chuckle: "Fourth brother, Brother Mo and I have something to do, so you go and have fun first!"

"I'm not a child anymore, I can do a lot of things. I don't like to play, I like to find things to do." Xia Liuliang looked at Xia Xifeng and said unconvinced.

"Ah! This..." Xia Xifeng didn't know where to start for a moment: "Fourth brother, there are some things you are not old enough for. I will teach you when you are old enough."

"Really? But my father and you royal brothers have not allowed me to do anything since I was a child. Besides, I haven't had an illness for so many years, so I will be fine. My dear brother, I want to learn martial arts, and I want to be like you.

, I want to go out into the world, I don't want to stay in the palace forever." Xia Liuliang said this, his eyes dimmed.

Xia Xifeng looked at his biological brother and couldn't help but feel a little heartbroken. But as an elder brother, he had already done a good job. Three years ago, Xia Liuliang became ill.

Now that Xia Liuliang's condition was under control, how could he rest assured that he would continue to practice martial arts?

Xia Xifeng gently patted Xia Liuliang's shoulder and whispered: "Brother Huang will definitely make your wish come true."

Xia Liuliang glanced at Xia Xifeng and lowered his head silently. He knew that Xia Xifeng had done a lot for him, and he knew that Xia Xifeng loved him.

Xia Liuliang walked back to his room angrily, not intending to say anything else. He understood that he could only blame himself for being in poor health.

The Return of the Reborn Princess

Chapter 059: Xia Liuliang Poisoned

When Mo Jiangli saw the fourth prince leaving, he walked directly to Xia Xifeng and said, "Third prince, go check out the hookah! This woman is really..."

Xia Xifeng looked at Mo Jiangli and smiled softly: "There are still women that Brother Mo can't handle?"

Mo Jiangli rolled his eyes and said extremely depressed: "I have never seen such a boring woman before."

"Let's go and see her before we talk." Xia Xifeng said and walked towards the other courtyard.

When I came to the other courtyard, I could only hear the sound of the piano coming from the pavilion, which lingered in my ears and made me addicted to it.

Xia Xifeng and Mo Jiangli walked to the center of the courtyard, quietly staring at the shisha and playing the piano without saying anything. Xia Xifeng poured a cup of tea and tasted it by himself.

Mo Jiangli looked at the hookah. The hookah had been good these past two days. She only focused on playing the piano and sent people to bring soup and water, but she only sent them back. She didn't talk to anyone and ignored any questions. It was really

It makes people a little speechless.

After the song was finished, Shisha put away the piano, ignored Xia Xifeng and Mo Jiangli, and just walked to the side room.

Xia Xifeng walked to the shisha and blocked her way: "Shisha, what are you doing?"

Shuiyan smiled faintly, looked at the clouds on the horizon, and then her face returned to the cold expression: "Is it possible that the third prince is worried about me, a little brothel girl..."

"That's not true. I just want you to understand that you will not take away the princess from our Xia Kingdom. Tell your master that he can't either." Xia Xifeng said this with a hint of firmness and intolerance.

doubt.

"Thank you, Third Prince, for your advice, but we will definitely do what we have to do, even if we pay all the costs." Shuisha's eyes were a little blurry as she looked into the distance. That direction should be the direction of home!

"Brother Mo, let's go." Xia Xifeng didn't want to say anything more to this woman. He just wanted to leave immediately. He really didn't know what was going on with that woman. He knew clearly that he couldn't complete the task, but he was still so stubborn.

What to do.

If she is willing to stay, he will definitely take her in and protect her. But today, it seems that there is no need to persuade that woman.

Mo Jiangli looked at the hookah and felt that the woman in front of him was so calm that it was incomprehensible.

Shisha glanced at Mo Jiangli, who was really looking at her, with a hint of disdain flashing in his eyes. Mo Jiangli was stunned for a moment. He quickly moved his gaze back, no longer looking at this calm and scary person.

woman.

Xia Xifeng walked past the hookah and asked about a faint scent. He remembered that the scent was definitely the smell of spices that he did not have in his house, and it was not the scent of the hookah before. It seemed that the hookah and her master

We met!

Xia Xifeng lowered his head and secretly evaluated the mysterious owner of the hookah. It seemed that he could come and go freely in his mansion. Keeping the hookah behind might not be a wise choice.

Mo Jiangli walked slowly behind Xia Xifeng, who looked worried, and suddenly seemed to think of something: "Did the Third Prince ask about a scent?"

Xia Xifeng glanced at Mo Jiangli and smiled faintly: "You said hookah!"

Mo Jiangli smiled understandingly, said nothing more, and walked out of the shisha courtyard with Xia Xifeng.

After Xia Xifeng and Mo Jiangli left, Shisha returned to his private room. He closed the door and extinguished the burning jade lotus.

Xia Xifeng and Mo Jiangli came to Xia Liuliang's room and saw that Xia Liuliang was resting on the couch with his eyes closed. This kind of thing was obviously not what Xia Liuliang would do on weekdays, but today it was so abnormal. What happened?

thing?

Xia Xifeng looked at Xia Liuliang quietly and patted Xia Liuliang, but saw that Xia Liuliang was stiff and motionless, falling to one side.

Seeing that Xia Liuliang was about to fall, Xia Xifeng immediately supported him. She panicked and immediately said to Mo Jiangli: "Brother Mo, what's wrong with my fourth brother?"

Upon seeing this, Mo Jiangli immediately picked up Xia Liuliang's right hand and felt his pulse. There was a serious look in his eyes: "The fourth prince has been poisoned."

"How could he be poisoned? He has been with me all the time, how could he be poisoned?" Xia Xifeng asked puzzledly, his tone was a little irritable, and the expression on his face was serious and scary.

"The fourth prince's poison is very strange. It is looming, sometimes disappearing, and is irritable and slow at times. It seems to control his mind and make him do things in his imagination, but reality does not exist. This poison seriously damages the four princes.

The prince's brain." Mo Jiangli continued to tell what he knew.

According to Mo Jiangli's speculation, this poison should be released after burning a flower. Ordinary people will not be poisoned by the fragrance of this flower at all. Only people with special physiques will experience this phenomenon.

The real function of the fragrance of this flower is to cover up the special smell. It can cover up all other abnormal smells, leaving only a faint fragrance, thereby ignoring those unique smells. It is also a hallucinogenic thing.

Xia Xifeng frowned, and without saying a word, he stood up and prepared to go to the palace: "Brother Mo, please help me take care of my fourth brother first, and don't leave him even half a step before I come back."

Mo Jiangli looked at Xia Liuliang and asked quickly: "Where is the third prince going?"

"I'll go to the palace to ask for the imperial doctor first. I can't delay any more." After Xia Xifeng finished speaking, she glanced at Xia Liuliang, feeling a little aching in her heart.

"Third Prince, don't be anxious. You don't have to go to the palace to find an imperial doctor. I know there is someone who can definitely cure this poison." Mo Jiangli quickly stopped him.

"Who is that person? If Brother Mo can invite this person to detoxify my fourth brother, I can pay any price." Xia Xifeng felt a little excited after hearing what Mo Jiangli said.

"That man is a gardener, a bedmate of mine when I was studying under him many years ago." Mo Jiangli said with a relaxed look on his face.

"Gardener? How can a mere gardener detoxify my fourth brother?" Xia Xifeng was never as calm as Mo Jiangli.

"Third Prince, please don't underestimate the gardener. People in the world call him Hua Gui Burial. I think you have heard of it! Besides, the Fourth Prince is poisoned by flowers. Besides Hua Gui Burial, there will be better people."

Can you treat the Fourth Prince?" Mo Jiangli smiled proudly.

Xia Xifeng glanced at Mo Jiangli in shock, and naturally understood in her heart that Hua Tianze, the world's number one flower god, who was known as the "Flower Burial", was a body invulnerable to all poisons, and fed on flowers.

Prolong life. Use flowers to cure all poisons.

"But, Hua Tianze never leaves the mountain, will he help us save our fourth brother?" Xia Xifeng said worriedly.

"With me, Mo Jiangli, here, the third prince doesn't have to worry. Everything is taken care of by me." Mo Jiangli said with confidence.

Xia Xifeng glanced at Xia Liuliang lying on the bed, her face was pale and a little transparent, and she sighed softly: "Brother Mo, I'll help you."

Mo Jiangli nodded lightly, walked out of Xia Xifeng's mansion, and rode away with a whip.

The Return of the Reborn Princess

Chapter 60 The Arrogant Woman

Yao Muzixi squatted on the couch, looking out the window, feeling a bit lazy.

Yao Muzixi looked at the painting that she found accidentally from the palace and was now hanging on the wall of her bedroom.

The woman in the painting has a smile on her lips, a face like a peach blossom, and fair hair on her temples, which makes her look like a goddess descending from the mortal world.

The woman in the painting looks exactly the same as Yao Muzixi, but her temperament is slightly different. The woman in the painting is more feminine, while Yao Muzixi is more pure.

"Call me your master to come out." A woman's ferocious voice reached Yao Muzixi's ears, disrupting her thoughts.

"Our princess is resting. If anything happens to you, I'll let you know first." It was Xixi who said this.

"Get out of my way and let your princess from Yao Lan Kingdom come out..."

...

Yao Muzixi felt a little unhappy when she heard the noise outside, so she picked up her clothes and walked out of the palace.

Yao Muzixi came to the corridor outside the palace and saw a very gorgeously dressed woman, followed by a group of palace maids, who were making things difficult for Xixi and the others in every possible way.

Yao Muzixi recognized that the woman was An Yanyan whom she saw in the Hall of Inquiry and Harmony today, and couldn't help but feel annoyed. This woman had nothing to do and was deliberately looking for trouble!

"Xixi, please step back!" Yao Muzixi looked at the chaotic group of people calmly, and the words in his mouth had a cold air.

When Xixi and others saw Yao Muzixi, they quickly retreated behind Yao Muzixi.

Xixi glanced at her princess: "Princess, she insists on seeing you, no matter how she tries to persuade her, it will be ineffective."

"I understand." Yao Muzixi glanced at Xixi and said with a smile: "They are just a few dogs with no eyes, let's just ignore them."

Xixi suppressed her laughter: "What the princess taught us is that we all remember it."

An Yanyan was furious when she heard what Yao Muzixi said. If you, a woman, hadn't ruined my good deeds today, how could I have made a fool of myself in public and not benefited from it? She then angrily said: "You princess of Yao Languo, you are just a

How dare a married princess dare to be so unruly in my country of Xia."

Yao Muzixi glanced at An Yanyan and said calmly: "But no matter what, I am still a princess. You are not even a princess, so what qualifications do you have to act wild with me."

An Yanyan looked at Yao Muzixi angrily, walked forward unceremoniously, stretched out her right hand and struck Yao Muzixi in the face.

"Ah... you're hurting me!" An Yanyan's hand was grabbed hard in mid-air, as if her bones were being crushed. She cried out in pain: "Hurry up and let go."

Drive me..."

Ouyang Haonan looked at An Yanyan and snorted coldly: "Don't blame me if I see you coming to the princess's Huiyang Palace to cause trouble again."

After Ouyang Haonan finished speaking, he waved his hand, and An Yanyan was also thrown out, and was thrown to the ground hard.

An Yanyan looked at Ouyang Haonan fiercely, her eyes full of anger. Upon seeing this, the maids immediately ran to An Yanyan and helped An Yanyan up.

"You are just a little general, how dare you be so rude!" An Yanyan yelled angrily, completely losing her mind.

Yao Muzixi glanced at An Yanyan and said helplessly: "General Ouyang, see the guests off!" After saying that, he turned around and left, ignoring this unreasonable woman.

"You..." Seeing that Yao Muzixi was about to leave, An Yanyan immediately ran in front of Yao Muzixi and blocked her way: "If I don't give you some clues, do you really think that Xia country is your Yao Lan country?"

"

"What do you want to do?" Yao Muzixi looked at An Yanyan calmly, the expression on his face was unusually calm.

"Princess, I'll drive her away." Ouyang Haonan said displeasedly and walked directly to An Yanyan.

"You dare?" An Yanyan obviously felt guilty when she spoke.

Yao Muzixi gave An Yanyan a funny look: "It's not that we dare or not, it's that we don't even bother to fight with you."

"General Ouyang, let's see the guest off! Don't hurt her, after all, she is also a relative of the emperor." After Yao Muzixi finished speaking, she walked directly back to her palace, having no time to argue with this woman.

"It's the princess." Ouyang Haonan said respectfully, and bowed slightly. He raised his head and glanced at the woman, and couldn't help but sneer: "I didn't expect that there would be such a lack of education in the Xia Kingdom Palace."

"Who are you saying lacks education?" An Yanyan said in an unconvinced voice. When An Yanyan turned around and looked at Ouyang Haonan seriously, she was dumbfounded. This general was really a sign of good health.

"You." Ouyang Haonan said this word coolly and turned around to leave, no longer paying attention to this unreasonable woman.

Seeing that she was so unwelcome, An Yanyan had no choice but to leave angrily. She originally wanted to trouble Princess Yao Lan, but she didn't expect that she would be defeated instead.
