

The Return of the Reborn Princess

Chapter 006: One Hundred Thousand Elite Soldiers

Yao Muzixi smiled slightly and signaled Yao Jingyu to put the overall situation first. Then Shi Shiran walked down the hall and came to Xia Xifeng.

"Since Xia Guo is here to propose marriage, the betrothal gift is naturally indispensable. I wonder what Xia Guo's betrothal gift is? In addition, I also said before that I want to decide the date of marriage. I don't know. Prince Xia Guo

What do you think?" Yao Muzixi looked at the beautiful man in front of him, and he exuded the aura of a king.

"As for the betrothal gift, I think you might as well put forward what the princess wants. Our Xia Kingdom will definitely not be shabby. As for the marriage period... I'm afraid it won't be easy! The marriage period is within one month. You must see the Holy Grace.

The princess marries into our Xia Kingdom." Of course, this request was made by Xia Ruohan, the Emperor of Xia Kingdom, to Xia Xifeng.

"One month?" Yao Muzixi said thoughtfully: "Then let's take one month as the deadline! But what! The betrothal gift I want is a bit heavy!"

"What kind of betrothal gift does the princess want? I, the Xia Kingdom, can't afford it!"

"The betrothal gift I want is..." Yao Muzixi paused when he said this, and looked at Xia Xifeng, who looked calm and composed beside him: "One hundred thousand elite soldiers and a city."

Everyone in the Qionglan Hall was stunned when they heard such a request. They really couldn't believe that a princess actually proposed that the betrothal gift be a hundred thousand elite soldiers and a city.

When Xia Xifeng heard this, there was an imperceptible change in her indifferent expression, and then she returned to normal: "Since the princess likes it, what does a mere hundred thousand elite soldiers and a city mean?"

A smile appeared at the corner of Yao Muzixi's lips: "Xia Guo is indeed true to his word. I think it's worth it for me and my dear Xia Guo." After saying that, he turned around and returned to his seat to sit down.

Yao Jingyu just opened his eyes and looked at him in disbelief. How could his inexperienced daughter suddenly want a city with elite soldiers? But it was hard to say anything. Maybe Xi'er was afraid of being bullied in the future, and she had nothing to do with military power.

Fear is a beautiful thing.

Yao Jingmeng, who was sitting next to Concubine Yan, seemed a little proud. Now it was good. That annoying Yao Muzixi was finally leaving, and no one would compete with her for her father's favor.

"Fifth Emperor Sister, you have done a good deed that benefits all people." The fourth princess Yao Jingmeng looked at Yao Muzixi and said proudly.

Yao Muzixi glanced at Yao Jingmeng. I am afraid that this girl wants her to leave early. But although the fourth emperor sister has looked down upon her since childhood, blood is thicker than water after all. Yao Muzixi does not want to care about anything, after all, she

The fate of the fourth emperor sister is not better than hers.

"Sister Four Emperors, don't you want to entrust me with this matter that will benefit all people? Then Sister Four Emperors, just take it, I don't care." Yao Muzixi smiled, as if he was deliberately provoking.

"Of course I won't steal this beautiful job from you." Yao Jingmeng said angrily.

Yao Muzixi ignored her, just smiled softly and looked away.

Xia Xifeng glanced at the two daughters beside the emperor, but there was something unclear in her eyes. It seemed that Princess Yao Lan was not a mistress who was easy to mess with. Fortunately, she was not the one who wanted to marry them.

"Okay, can't you sisters get along well with each other? Zi Xi is about to get married and get married, can't you, sister, be more tolerant?" Yao Jingyu looked at Yao Jingmeng and said sternly.

"I, I didn't." Yao Jingmeng said angrily, childishly.

"Father, I promise to marry into the Xia Kingdom in one month." Yao Muzixi looked at Yao Jingyu and said calmly.

"Then it's settled! Leave this month to yourself and try to fulfill your unfulfilled wishes. I'm afraid you won't have this opportunity in the future." Yao Jingyu looked at Yao Muzixi with heartache.

said.

"Since the emperor and the princess have agreed, we will wait for the good news. I will stay in Landu until the time comes to receive the princess to my Xia Kingdom." Xia Xifeng said calmly with a smile.

"The people of Yao Lan will be happy that your prince wants to stay in Landu. I have sent people to arrange a mansion for you to stay. This will save you a lot of trouble." Yao Jingyu said politely.

"Your Majesty, you're welcome. We have already arranged a place to stay in Landu, so we won't disturb you any more. Besides, Yao Lan Country has always been praised for its beautiful mountains and rivers. How could I miss such a great opportunity?" Xia Xifeng said politely.

Rejected Yao Jingyu's kindness.

"In this case, I can't make more demands." Yao Jingyu said calmly.

"Then I will retreat without disturbing the ministers who are going to court." Xia Xifeng and the group of censors he brought bowed to Yao Jingyu and then retreated.
