

The Return of the Reborn Princess

When Mo Jiangli came to the Valley of Ten Thousand Flowers, he saw that the valley was full of purple and red flowers. It was already late autumn, but the Valley of Ten Thousand Flowers was still full of life, and there was no hint of autumn.

The Valley of Ten Thousand Flowers is a beautiful place on earth, located at the border of the three kingdoms of Jiang, Yaolan and Chu. Fortunately, it is relatively close to Chengye City, the capital of the Xia Kingdom, and Mojiang Li can reach the Valley of Ten Thousand Flowers in less than a day.

Mo Jiangli got off his horse and came to the creek. The water was crystal clear, and the fish were swimming happily in the water, looking comfortable. Mo Jiangli washed his face by the creek, then sat on the ground and took out his special

The Xiao that had been prepared started to be played.

The whistling sound was like the sound of nature, and the birds in the woods also sang happily. A breeze came, carrying a strong fragrance of flowers, and rushed straight towards the Mo River.

Mo Jiangli closed his eyes slightly, but his fingers still danced happily on the Xiao. He opened and closed his lips, and the beautiful notes poured out from the Xiao like spring water, shocking the world.

"When the breeze comes, I feel drunk and tired.

The sound of the flute is like the sound of nature.

The fragrance of flowers lasts forever, only at the foot of the green mountains.

Your clothes are flying, and I have been lusting after you for eternity.

Lovesickness is like a spring breeze and I can't understand it.

A happy song, you dance in the wind, I can't understand..."

When Mo Jiangli heard the sound, his face was smiling, but he still kept holding Xiao. There was a faint smile on the corner of his mouth, and the flute sounded cheerfully, matching the beautiful singing.

After the song ended, Mo Jiangli put down the Xiao in his hand and slowly opened his eyes. When he turned around, he saw that bright red ray, which seemed to hurt his eyes.

"Junior Brother Hua, you are here." Mo Jiangli looked at this man with a smile on his face. He seemed to have lost a lot of weight.

"How come Jiang Li has time to come to the Valley of Ten Thousand Flowers to accompany me, a man who has escaped from the world?" The man in red had a pale face, and his complexion was as pale as snow. His silver hair was extremely dazzling in the sun.

"Junior Brother Hua, what are you talking about? We have been studying pharmacology together since we were young, so it is appropriate for me to come and see you, Junior Brother." Mo Jiangli looked at Hua Tianze and felt that he was getting more and more refined!

It's just that he is still as individual and unruly as before.

Hua Tianze just smiled evilly, his eyes looking at Mo Jiangli seemed to be a little sparkling. He turned his head lightly and looked at the sky. The sky was so blue.

"Is it true that the time has come? As the master expected, I, a person who hides from the world, will never be able to enjoy leisure in this valley for the rest of my life." Hua Tianze's voice had a faint hoarse texture, but it was unusually beautiful.

.

Mo Jiangli didn't know whether Hua Tianze was talking to him or to himself, but he felt that there was infinite desolation in these words.

"Junior Brother Hua knows that Jiang Li is here to invite you to come out?" Mo Jiangli looked at Hua Tianze in surprise.

"Even if you don't come, I will still have to go out when the time comes. Some things are destined to be doomed. We can't escape, so we have to face them." Hua Tianze's eyes looked melancholy.

, murmured to himself.

"Why did Junior Brother Hua say this?" Mo Jiangli could not understand the meaning of Hua Tianze's words more and more. He just felt that Junior Brother Hua was not as open-minded as before, and his words were full of depression.

"Jiang Li, let's go back to Ten Thousand Flowers Valley first. I will go with you to Xia Kingdom early tomorrow morning." Hua Tianze looked at Mo Jiangli and said calmly.

"That's very good. I thought that Junior Brother Hua would refuse to go out, but I didn't expect that he would be so happy this time." Mo Jiangli couldn't help but feel a little happy when he learned that his junior brother was willing to go out with him. He thought it would take more time.

Only in the future can I persuade him. This seems to save a lot of trouble.

Hua Tianze just looked at Mo Jiangli and smiled. This smile seemed to make the Valley of Ten Thousand Flowers lose its color. He was really a monster-like man.

Mo Jiangli brought Hua Tianze to Xia Xifeng's residence. Xia Xifeng and Hua Tianze exchanged a few words, but was interrupted by Hua Tianze, who only said: "It's more important to see the patient first.

"

Xia Xifeng did not dare to delay. After all, Xia Liuliang had been weak since childhood, and it was better to get rid of the poison as soon as possible.

Hua Tianze came to Xia Liuliang's room and looked at Xia Liuliang lying on the bed. His face was pale and there was no blood at all.

Hua Tianze took out a small medicine bottle from his sleeve, poured out a small pill, put it into Xia Liuliang's mouth, and said calmly: "Pour a bowl of warm water over here."

After a while, Xia Xifeng brought a bowl of warm water to Hua Tianze. Hua Tianze took the water and bit his middle finger. A drop of blood dripped from Hua Tianze's fingertips into the bowl of warm water.

In just a moment, the water turned bright red.

Xia Xifeng was shocked when she saw Hua Tianze's actions. Using blood as a guide? Can this detoxify?

Hua Tianze fed the bowl of blood water to Xia Liuliang, then stood up and sighed softly. He seemed to feel a lot more relaxed, and said to Xia Xifeng: "If it were a step later, I'm afraid the fourth prince would have to live his whole life.

Spent in the illusion of peaceful sleep."

Xia Xifeng and Mo Jiangli both looked at Hua Tianze in disbelief. How could a small jade lotus be so toxic?

Hua Tianze glanced at them and explained patiently: "The fourth prince is poisoned by the jade lotus flower. This kind of flower is not harmful to ordinary people. It's just that the fourth prince has a special physique and is susceptible to illusions like the jade lotus flower."

He is addicted to drugs and allergic to it. This poison is fatal to the fourth prince."

Xia Xifeng glanced uneasily at Xia Liuliang, who was still lying in bed and hadn't woken up for several days. She blamed herself for being so stupid that she wanted to bring a hookah woman here, and almost killed her most beloved brother.

"Then when will Liuliang wake up?" Xia Xifeng's voice was a little trembling. He was so afraid that he would hurt the people closest to him and care about him because he was so confused. If this was really the case, he didn't think he would ever be able to do it for the rest of his life.

I will forgive myself.

"The fourth prince will wake up in half an hour at most." After Hua Tianze said that, he walked out of Xia Liuliang's room.

Mo Jiangli came to Xia Xifeng and asked softly: "Where is the hookah girl?"

"Shisha, she must have escaped a long time ago! How could I be so stupid that I brought back a woman of unknown origin and almost killed my fourth brother." Xia Xifeng said with great annoyance, her eyes a little bloodshot.

His eyes were bloodshot, and he must have not had a good rest in the past few days.

"Now that we're gone, forget it. Just pay more attention in the future." Mo Jiangli comforted, and then walked out of Xia Liuliang's room.

The Return of the Reborn Princess

Hua Tianze leisurely found a rockery, flew up and sat on it. It had been a long time since he came out to see the outside world. It felt so good, and he could enjoy the changing seasons and the changing of things and the stars.

Hua Tianze leaned on the rockery and lazily basked in the cold autumn sun. It was actually a bit cold to the bone! It seemed that he had really stayed in Wanhua Valley for too long. Wanhua Valley did not have four seasons. It was warm and pleasant all year round.

Whether it's hot or not, all kinds of flowers are blooming.

"Princess, the hookah girl is really gone and is not here in Xiahou Mansion." Mo Jiangli tried to stop Yao Muzixi, the princess of Yaolan Kingdom, and explained patiently.

"Stop bluffing me. Sister Shisha was clearly brought to his house by Xia Xifeng. How could she not be in his house?" Yao Muzixi looked at Mo Jiangli angrily and retorted.

"I told you that the hookah girl ran away on her own, and now you can't find the hookah girl even if you search the Xiahou Mansion." Seeing that the princess couldn't be persuaded, Mo Jiangli said nothing more.

"Xia Xifeng, come out here and give me the hookah sister." Yao Muzixi did not listen to the advice but started making a fuss in Xiahou Mansion.

Ouyang Haonan and Mo Jiangli stood aside with no choice but to let Yao Muzixi do whatever he wanted.

Xia Xifeng heard someone making a noise outside, so she walked out of Xia Liuliang's room and walked to the garden pavilion. She only saw Yao Muzixi sitting on the stone bench with an angry look.

Ouyang Haonan and Mo Jiangli were also nearby.

"What? Why is the princess so excited to come to my house?" Xia Xifeng felt nervous when she saw Yao Muzixi. It relaxed a little and she felt much more at ease.

"Xia Xifeng, you finally came out." Yao Muzixi glanced at Xia Xifeng lightly, maybe she was tired from the quarrel just now.

"If I don't come out, my Xiahou Mansion will be turned upside down by you. How about that?"

I couldn't help but want to touch her hair. Xia Xifeng still retracted the hand she raised, she is my royal sister-in-law!

"Xia Xifeng, I'm here to ask for someone this time." Yao Muzixi squinted at Xia Xifeng and said seriously.

"You want someone?" Xia Xifeng deliberately pretended not to know, and smiled lightly: "How have I ever used the princess's people? Who does the princess want?"

Yao Muzixi saw Xia Xifeng's indifferent expression, as if she didn't want to admit it, so she said rudely: "I want Sister Shisha, I don't trust her in your house."

Xia Xifeng's face turned a little pale when he heard this, and a sudden burst of unknown anger arose in his heart. He even mentioned that woman in front of him. If it weren't for that woman, how could his biological brother be poisoned and still not awake now?

"The person you want is not in my Xiahou Mansion. If the princess is looking for that woman, there is really nothing I can do." Xia Xifeng's face was already ashen as he spoke.

Unexpectedly, Princess Sheng En of Yao Lan Kingdom looked like she would not give up until she saw the hookah. She looked into Xia Xifeng's eyes with contempt: "If you have the ability, let me search. If you can't find it, I won't find it."

You want people."

"Princess, think twice! This is not appropriate." Ouyang Haonan heard this and immediately stood in front of Yao Muzixi, with a bit of anger in his eyes. Ouyang Haonan did not expect that his princess would do such a ridiculous thing.

"Hmph. I know you all don't like Sister Shisha, but I don't think she is a bad person." Yao Muzixi looked at Ouyang Haonan and said with an aggrieved look.

When Xia Xifeng heard what Yao Muzixi said, she felt even more unhappy. She took Yao Muzixi's hand and took her to Xia Liuliang's room.

"Look, this is what your good shisha sister did, are you satisfied?" Xia Xifeng glared at Yao Muzixi, her tone a little helpless, but extremely angry.

"Fourth Prince? What's wrong with him?" Yao Muzixi looked at Xia Liuliang lying on the bed, his face was pale and bloodless, and he couldn't help but be a little shocked.

Xia Xifeng ignored Yao Muzixi, but still sat in front of Xia Liuliang's bed, staring at Xia Liuliang, for fear of missing any movement of Xia Liuliang waking up.

Mo Jiangli glanced at Xia Xifeng and knew that he must be feeling unhappy at this time. He walked up to Yao Muzixi who was still a little shocked and Ouyang Haonan who looked puzzled, and said softly: "Three days ago, the shisha was here

The poison is poisoned in the mansion. This poison is not very harmful to ordinary people, but the fourth prince has a special constitution, and this poison is enough to be fatal."

Yao Muzixi looked at Mo Jiangli in disbelief: "Did Sister Shisha really do it?"

Mo Jiangli glanced at Xia Liuliang on the bed, nodded gently, and said nothing more.

"So how is the fourth prince doing now?" Ouyang Haonan was a little worried about Xia Liuliang after hearing this.

"Fortunately, I went to find a friend of mine in time. He can cure all poisons. Naturally, this is not a problem for him." Mo Jiangli explained to Ouyang Haonan, and then he saw Hua Tianze walking over. He hurriedly

Go to Xia Liuliang's room.

The Return of the Reborn Princess

063 Have We Met Somewhere?

"Junior Brother Hua, where are you going? It's really easy to find me." Mo Jiangli walked to Hua Tianze and said dissatisfiedly.

"I just walked around and thought it was almost time to come, so I came back." Hua Tianze raised the corner of his mouth and said casually, then walked into Xia Liuliang's room.

I saw two more people in the room. Hua Tianze paused, looked at Yao Muzixi and Ouyang Haonan, walked to Xia Liuliang's bed calmly, and asked softly: "The Fourth Prince has not woken up yet

?"

Xia Xifeng said worriedly: "I have been watching here, and my fourth brother has not woken up yet."

Yao Muzixi looked at the man in red and felt a little familiar, as if she had seen him somewhere.

Why is his hair silver-white? He is wearing red clothes? He is really familiar, but why can't he remember it again? Yao Muzixi only felt a headache. She obviously wanted to remember something, but she couldn't think of it no matter how hard she was.

Get up.

Hua Tianze sat on Xia Liuliang's bed, helped Xia Liuliang lying on the bed, closed his eyes, and then used some success power behind Xia Liuliang until silk appeared on Hua Tianze and Xia Liuliang's forehead.

The sweat stopped.

Xia Liuliang was on the bed, and his body leaned forward inertia. A mouthful of blood was spit out from Xia Liuliang's mouth. His face was a little white just now, but it was already much rosy at this time.

When Xia Liuliang woke up, he saw Ouyang Haonan, looking at the room with innocent looks. Xia Xifeng came to him with a panic and patted him.

On the back, his voice was a little hoarse: "Fourth brother, it's okay."

"What's wrong with me?" Xia Liuliang looked puzzled, only remembering that day he told the third emperor that he wanted to learn martial arts, but the emperor refused to rest by himself. Why did he feel that he couldn't wake up after sleeping?

And I had a long dream, and in the dream I and General Ouyang practiced martial arts together and competed.

"It's good to wake up, I'm worried that I'll die of the emperor." Xia Xifeng helped Xia Liuliang get out of bed.

Xia Liuliang only felt his whole body sore and weak, and he had no strength. Ouyang Haonan looked at Xia Liuliang and thought he must be hungry, so he walked to Xia Xifeng to support Xia Liuliang: "I guess the Fourth Prince has never had any of these days.

When eating, the third prince should order people to prepare some things for the fourth prince to eat."

Xia Xifeng looked at Ouyang Haonantou with gratitude and immediately walked out of the room.

At this moment, Hua Tianze was sitting cross-legged on the bed, his face was extremely pale, and a little sweat was dripping down his face.

Yao Muzixi looked at Hua Tianze blankly, pulled Mo Jiangli, who was sitting aside, and asked, "Why is his face so pale?"

Mo Jiangli looked at Hua Tianze without any concern. He said in a clear way: "He is born with a pale face."

Yao Muzixi glared at Mo Jiangli speechlessly, and then walked towards Hua Tianze, who was exercising his skills.

Yao Muzixi looked at the man in silver and red clothes curiously, and instinctively reached out to touch his hair.

Mo Jiangli was not careful, and the princess walked to Hua Tianze. Mo Jiangli was shocked: "Princess, danger."

Yao Muzixi's hand happened to touch Hua Tianze's hair. Before she could react to what Mo Jiangli said to her, she was shaken away by a powerful internal force.

Hua Tianze was closing his eyes to exercise his skills, but he only felt someone approaching him, but he didn't expect that this woman would do so when he was exercising his skills. Hua Tianze opened his eyes quickly when he heard Mo Jiangli's words, and his internal strength was restrained.

After a few percent of the time, I didn't expect to bounce the woman away.

Hua Tianze looked at the woman who was bounced away by him, hurriedly flew up and steadily caught her. Yao Muzixi was shocked and thought she was about to fall to the ground, but she did not expect to fall into a warm embrace.

Yao Muzixi opened her eyes and saw an enlarged and extremely handsome face, which seemed to have a trace of demonic temperament.

"Have we seen it somewhere?" Yao Muzixi asked involuntarily, but her eyes were still staring at Hua Tianze blankly.

"Is that true?" Hua Tianze smiled faintly, put Yao Muzixi on the ground and stood firm, touching her small nose with her fingers.

Yao Muzixi looked at Hua Tianze awkwardly and hurriedly turned around.

Hua Tianze looked at Yao Muzixi and just smiled slightly. Then he reached out to Yao Muzixi's head. Her hair gently slid between her fingers. Hua Tianze felt like he was touching electricity.

This woman is so special.

Ouyang Haonan looked at Yao Muzixi and Hua Tianze, and couldn't help feeling depressed. Then he walked to Yao Muzixi's side and pulled Yao Muzixi's hand and walked out.

Yao Muzixi had not yet woken up from Hua Tianze's actions just now, but was dragged away by Ouyang Haonan.

Yao Muzixi came to her senses and glared at Ouyang Haonan: "What are you doing?"

"It's getting late, princess should go back to the palace with me earlier! Tomorrow." Ouyang Haonan turned around, but his eyes looked at Hua Tianze and said lightly: "Tomorrow is your wedding day, princess.

."

A trace of loss flashed through Hua Tianze's heart. Is this woman about to get married? Or is she a princess? But as he knows, the Emperor of Xia has only four sons and no daughter! Where did this princess come from?

Ouyang Haonan's expression was a little unhappy. Why did anyone mess with the princess so ignoring her own safety?

Ouyang Haonan's usual attitude towards people of unknown origin is to ignore them. If he doesn't offend me, I won't offend others. However, the princess repeatedly takes strangers and dangerous people to her side. How can she not get angry? How can she feel at ease?

Yao Muzixi glanced at Ouyang Haonan, then stopped saying anything, just followed Ouyang Haonan quietly. Yes! I am here to marry, tomorrow will be my wedding day.

The Return of the Reborn Princess

064 The Princess is in a coma

Hua Tianze looked at Yao Muzixi's back, and only one thought flashed through his mind, so what if she is a woman, I should let her know who I am, and I also have the right to know who she is!

Hua Tianze just tiptoed lightly and came to the front of Ouyang Haonan and Yao Muzixi.

Ouyang Haonan only felt that the man in red was extremely skilled in martial arts, so he released Yao Muzixi's hand, pushed his palm with his backhand, and slashed towards Hua Tianze. Tianze just turned sideways slightly and avoided Ouyang Hao.

That palm of the south.

When Ouyang Haonan saw that the palm wind he created was actually dodged, he felt even more unhappy. He pulled out his sword, looked at the man in red with sharp eyes, and then fiercely attacked the man.

Stabbed it.

Yao Muzixi looked at Ouyang Haonan and the man in red and felt that this scene was extremely familiar, as if she had seen it somewhere before. But she couldn't remember it no matter how much she thought about it.

Yao Muzixi held her painful head and shouted loudly: "No..."

Ouyang Haonan was frightened by Yao Muzixi's cry and quickly took back the sword in his hand, turned around and flew in the direction of Yao Muzixi.

Hua Tianze and Ouyang Haonan both flew in the direction of Yao Muzixi and stopped fighting.

Ouyang Haonan came to Yao Muzixi and asked worriedly: "Princess, what's wrong with you?"

Yao Muzixi held her head in pain, glanced at Ouyang Haonan and Hua Tianze, and then passed out, muttering the word "No." in her mouth.

Xia Xifeng and Mo Jiangli rushed to the yard immediately after hearing this, only to see Yao Muzixi passed out.

"Brother Ouyang, what's going on?" Xia Xifeng looked at Ouyang Haonan and asked with a puzzled face.

Ouyang Haonan just picked up Yao Muzixi and ran to Xia Liuliang's room. At this time, Xia Liuliang was sitting on a chair, with a faint sickly pale color on his face. Ouyang Haonan looked at Xia Liuliang,

The voice was a little harsh and tense: "Fourth Prince, I can borrow the bed."

Xia Liuliang understood immediately after hearing this, and immediately walked forward and opened the curtain in front of the bed. Ouyang Haonan gently placed Yao Muzixi on the bed, looking at Yao Muzixi anxiously, nervously

Shouted: "Please call the doctor quickly! Call the doctor!"

Xia Xifeng, Mo Jiangli, Hua Tianze and others also came to Xia Liuliang's room. Xia Liuliang looked at Ouyang Haonan uneasily, with an uninformed look on his face: "What's wrong? What's wrong with the princess?"

"Third Prince, call the imperial doctor quickly. Why did the princess faint suddenly?" Ouyang Haonan just looked at Xia Xifeng who walked in and said impatiently.

"What's going on? Wasn't the princess fine just now? Why did she fall unconscious in the blink of an eye?" Xia Xifeng walked to the bed and looked at Yao Muzixi with her eyes closed. She looked at Ouyang Haonan with a puzzled look on her face.

.

"Junior Brother Hua is famous all over the world for studying pharmacology. Let Junior Brother Hua show it to the princess!" Mo Jiangli was always the calmest person and would directly tell the solution in just one sentence.

Ouyang Haonan glanced at Hua Tianze, the anger in his eyes was still there, but he did not dare to joke about the princess's safety.

Hua Tianze glanced at everyone, walked carefully to Yao Muzixi's bed, and gently picked up Yao Muzixi's hand, only to feel that it was cold and scary.

Hua Tianze carefully felt Yao Muzixi's pulse. There was no wave on his face. According to the pulse, there was nothing wrong.

Ouyang Haonan's eyes were fixed on Yao Muzixi, for fear of missing any movement. How could the princess faint for no reason? She seemed to have been having headaches recently. The princess had never had such a situation before.

Hua Tianze glanced at Ouyang Haonan and said calmly: "There is nothing wrong with the princess."

Ouyang Haonan looked thoughtful and said nothing more. He just asked Xia Xifeng to prepare a carriage and left Xiahou Mansion with Yao Muzixi.

Hua Tianze looked innocent and helpless. He just wanted to tell the princess his name, but he never expected that the man would hit him so violently.

Mo Jiangli walked up to Hua Tianze with a puzzled look on his face: "What did Junior Brother Hua do to the princess? Otherwise, how could he have fought with General Ouyang?"

Hua Tianze looked at Mo Jiangli and said helplessly: "Jiang Li, based on your understanding of me, do you think I will be a troublemaker?"

Mo Jiangli laughed sarcastically: "From what I understand, Junior Brother Hua is naturally a self-proclaimed person, but I don't know how he will react when facing such a stunning beauty."

Hua Tianze smiled knowingly and walked leisurely out the door, ignoring Mo Jiangli.

"Hey, Junior Brother Hua, you haven't answered my question yet! How did you get into a fight with General Ouyang?" Mo Jiangli saw that Hua Tianze ignored him and just walked out the door first, but he quickly followed

He came up and asked nonstop.

"I just wanted to tell the princess my name, but unexpectedly I was struck by the general's palm." After Hua Tianze said this, he took out his Xiao, flew up to the rockery, and started playing leisurely.

Mo Jiangli looked at Hua Tianze's flying figure, shook his head, and went to his private room.

I no longer want to pay attention to this junior brother, I am really more and more unsure of his actions.

At that time, the master's daughter Hua Lan Bing'er liked him so much that she wanted the master to match them up, but Hua Tianze refused without mercy. Due to Hua Tianze's life experience, the master couldn't force him. In the end, he let him

His little junior sister, who was as beautiful as a fairy, ran out of the Valley of Ten Thousand Flowers in anger. Finally, even the master left the Valley of Ten Thousand Flowers in order to find his daughter.

Ouyang Haonan brought Yao Muzixi back to Huiyang Palace and placed Yao Muzixi on his soft couch. Xixi looked at Yao Muzixi with a melancholy look and asked worriedly: "General Ouyang, princess, what is this?"

What's wrong?"

Ouyang Haonan ordered someone to boil some medicine for Yao Muzixi, glanced at Xixi, and asked, "Does the princess have a headache?"

Xixi looked puzzled, thought for a while, and said: "Since the princess fell into coma in Shanghai that day, she has had headaches every now and then. I don't know the specific reason."

Ouyang Haonan felt that it was very strange. The princess had always been safe and sound under his protection. Could it be that she was poisoned?

Ouyang Haonan then thought about it, the princess was surrounded by people brought by Yao Languo, and since he was so well protected, how could anyone be able to poison her.

Could it be hookah? Ouyang Haonan thought about it but it was wrong. The hookah was no longer with the princess long ago, so it couldn't be hookah.

The Return of the Reborn Princess

065 Red Hijab Blue Flower Wine

Yao Muzixi drank the medicine and woke up after a while. Xixi was waiting quietly at the side. Seeing that the princess woke up, she hurriedly came forward and said, "The princess is awake, what do you want to eat?"

Yao Muzixi only felt that her eyes were a little dry and blurry, and her head no longer hurt. She looked at Xixi listlessly and said, "Xixi, I'm not hungry. I just feel that I'm suffocated."

Xixi looked a little worried in her eyes and tucked Yao Muzixi into a quilt: "Princess, are you worried about getting married tomorrow?"

Yao Muzixi was reminded by Xixi's words that tomorrow, she will get married to the prince Xia Mingyu! Time flies so fast! It has been half a month since I came to Xia Kingdom in the blink of an eye. I wonder if my father is okay now.

"I miss my father. I don't know when I will see him again." Yao Muzixi's eyes were a little hollow, and there were some tears in the corners of his eyes.

"Princess, am I still with you? And General Ouyang will always protect you!" Xixi didn't know how to comfort her princess, so her words were a bit pale.

"Xixi, you are tired too, go back and rest first! Call me early tomorrow." Yao Muzixi looked at the sky and it seemed to be getting late, so she asked Xixi.

Xixi stood up and exited Yao Muzixi's bedroom. The sky was getting dark, and now it was getting colder.

The next day.

The bright red wedding dress stung Yao Muzixi's eyes.

In the sedan chair, a woman in a red wedding dress has exquisite makeup on her face, her skin is like snow, and her eyebrows are like ink paintings.

In Huiyang Palace, Ouyang Haonan was drinking wine and was a little drunk. The woman he had protected for so many years, even after experiencing life, separation and death, she still did not belong to him! From today on, she is someone else's concubine and someone else's wife.

The sedan chair went from Huiyang Palace to the Prince's Mansion, and all the hustle and bustle was just like the scenery in the ears, galloping away quickly.

All the etiquette required for getting married were carried out step by step. The huge Prince's Mansion was a bit crowded with people coming and going.

Yao Muzixi sat on the big bed, her flaming red hijab covering her peerless face. A drop of clear tears fell from the corner of her eyes. What was supposed to come was still coming! There was no way to hide it!

Fortunately, on this day, except for that flash of red, everything else was not in front of her eyes. She didn't need to worry about it or listen to it. She had to go on the path she chose no matter how unsatisfactory it was.

Xixi stood guard outside the door and secretly glanced at Yao Muzixi sitting in the room. She felt the wind was blowing a little cold, so she walked into the room and took a cloak and put it on Yao Muzixi.

"Princess, it's cold, please keep warm. His Royal Highness is still greeting guests in the front hall and has no time to take care of the princess. The princess must take care of herself." Xixi's words reached Yao Muzixi's ears, and Yao Muzixi reached out and held Xixi's hand. hand.

"It's cold, don't stay outside, come in and get warmer." Yao Muzixi's voice sounded a bit crying.

"Princess...what's wrong with you?" Xixi held Yao Muzixi's hand, clearly hearing Yao Muzixi's choking tone, and asked with concern.

"Red hijab, blue and white wine. I looked at Yi silently, only tears flowed.

The cold wind doesn't understand my lovesickness, I sit alone in the pavilion, the weather is late and autumn is here."

A pleasant male voice sounded outside the house, composing a poem enthusiastically. But the tone was actually sad.

"Xixi, go and see who is composing poetry outside." Yao Muzixi felt that the voice sounded familiar, so she asked Xixi to go and have a look.

Xixi walked outside the house and saw a man in red sitting in the pavilion outside drinking, seemingly a little drunk.

The man glanced at Xixi lukewarmly, then stood up and walked to the front of the hall.

Xixi looked unhappy. The prince was marrying a concubine, so an outsider ran into the inner hall and was still drinking and talking nonsense.

Xixi walked up to Yao Muzixi and said with a look of disdain: "He's just a drunk young man. Princess, don't worry about him."

After hearing what Xixi said, Yao Muzixi had no intention of thinking about anything else.

The night was getting deeper, and the guests of the Prince's Mansion had almost left. But Yao Muzixi waited all night, but did not see her husband. It seems that the Prince did not care about him. She was just a princess who was getting married, and he

He is a prince, so how can he really care about himself?

Yao Muzixi was tired from wearing a heavy headdress, so she asked Xixi to take it off for her.

Xixi quickly stopped her, but Yao Muzixi no longer cared. It was her choice, and she had no choice but to accept whatever treatment she should receive.

Xixi had no choice but to let Yao Muzixi take care of her, and then took care of her and fell asleep.

Yao Muzixi never thought that she would also suffer such cold treatment, but she didn't care about it anymore. If this marriage could save the situation in Yao Languo, then any treatment she would receive would be worth it.

When Ouyang Haonan arrived at the Prince's Mansion early the next morning, he had no idea that the princess he was sworn to protect would receive such a cold reception.

When Xixi walked out of Yao Muzixi's bedroom in the Prince's Mansion, she happened to meet Ouyang Haonan.

Xixi looked at Ouyang Haonan with a look of grievance and said, "General Ouyang, where did you go yesterday? The princess didn't even see the prince last night. I'm really pissed off, because the princess acted like nothing happened.

"

Ouyang Haonan couldn't believe his ears, with a look of surprise on his face. After all, the princess' marriage was a major event between the two countries. Did the Crown Prince of Xia not take Yao Languo seriously?

Yao Muzixi walked out of the dormitory with no expression on her face. She just looked at Ouyang Haonan and Xixi and said, "Xixi, don't talk nonsense."

Xixi looked at Yao Muzixi with an aggrieved look and said, "I'm just angry for the princess."

Yao Muzixi walked to Xixi and Ouyang Haonan calmly. Except for the difference in hair and hair, there was no difference.

Ouyang Haonan stared at Yao Muzixi quietly, feeling that she seemed to have all kinds of worries and melancholy today, but she buried them deeply and refused to show them in front of others.

Yao Muzixi looked at Ouyang Haonan and said lightly: "General Ouyang, secretly send a letter for me back to Yao Lan Kingdom and give it to my father."

Ouyang Haonan didn't know what the princess was going to do. He had to obey her orders. He just felt that she seemed to be different, but he couldn't tell what the difference was.

Ouyang Haonan followed Yao Muzixi to the study room, and a letter was quickly written. Yao Muzixi handed the letter into Ouyang Haonan's hand and told Ouyang Haonan to ask his close associates to deliver this letter to his father.

in hand.

Ouyang Haonan didn't think too much and just followed Yao Muzixi's request.

The Return of the Reborn Princess

Yao Muzixi and Xixi sat in the yard and looked at the autumn scenery. The red maples were fluttering down, as if they were going to pave the courtyard in red.

"Look! That's the princess we don't want to see."

"Ah, she is so beautiful! It's just that she can't catch the eye of our Crown Prince, so it won't be a big deal."

"What if she has another status? What if she is beautiful? As a crown princess, she didn't even know that the prince went to Yihe Palace on the wedding night."

"Yes! I heard that His Royal Highness went straight to Yihe Palace after the banquet yesterday! I heard that he had a heated fight with Concubine Yan!"

...

Several girls from the Prince's Mansion saw Yao Muzixi and Xixi from a distance, and they kept talking about it, each one talking more energetically than the other.

Xixi rolled her eyes angrily after hearing this, but she saw that her princess was still acting as if nothing had happened, neither angry nor annoyed.

"Princess, I'm going to shut up those girls." Xixi said with an unhappy look on her face as she looked at the girls who were still making irresponsible remarks.

"Forget it, Xixi let them go. After all, this place is no better than the palace." Yao Muzixi just glanced at the girls lightly, then turned to Xixi and whispered to Xixi.

Xixi turned around helplessly and had no choice but to listen to her master's words.

"What are you guys doing here making irresponsible remarks?" A sharp female voice came into Yao Muzixi's ears.

"Master Yanfei, we don't dare, not anymore." When the girls heard the woman's scolding, they immediately knelt down on the ground and buried their heads low, with a look of fear on their faces.

"Don't you dare? I think you are being lawless. This is the Prince's Mansion, and it is no better than those small families. How can you be allowed to discuss the affairs of the masters? Pull me down and beat you. Each person will have fifty big blows." The woman's voice said

He is full of anger, which is really inconsistent with his beautiful appearance.

"Master Yanfei, please spare your life! Please spare your life!" After hearing what the woman said, the girls all burst into tears.

Several servants picked up the girls and retreated.

The woman twisted her waist and walked towards Yao Muzixi.

Yao Muzixi looked at the woman carefully. When she got close enough, Yao Muzixi felt that the woman looked familiar, and then she remembered, isn't that An Yanyan?

I even went to Huiyang Palace to trouble her! But I didn't expect that she and the prince had already been deeply in love in the palace. They were called concubines before they got married.

An Yanyan came to Yao Muzixi and smiled proudly, with a charming look. She walked to Yao Muzixi unhurriedly and sat down: "Crown Princess, long time no see!"

"Sister Yan, how are you doing lately?" Yao Muzixi followed An Yanyan's words.

An Yanyan felt a little unhappy when she heard Yao Muzixi calling her sister, but she had no choice but to say with a smile: "I heard that my sister got married yesterday, and brother Yu didn't even look at her! This woman

Well! Aren't you just marrying to find a lover? It's a pity that Brother Yu is the Crown Prince of the Xia Kingdom, so naturally there will be no shortage of women."

Yao Muzixi was not angry after hearing this, but just smiled calmly and said: "Of course I know! Even if His Highness the Crown Prince doesn't favor me, I am still a legitimate Crown Princess. I am still noble, unlike some people who come from a humble background and still want to do it.

Princess."

An Yanyan's proud expression turned pale when she heard Yao Muzixi's words, and she snorted coldly: "What about the princess? We don't want to get married."

When Xixi heard this, she felt aggrieved only for her princess. Nowhere in Yao Lan Kingdom had the princess ever been so angry.

Yao Muzixi didn't want to argue with An Yanyan, so she just took Xixi's hand and walked out of the courtyard towards her bedroom.

An Yanyan looked at Yao Muzixi's walking figure with fire in her eyes, "Bah! What a bitch. Let's see if I don't torture you to death."

An Yanyan turned her head and went back to her room. She was thinking about which flower petals she should use to take a bath to make it more fragrant! Brother Yu seems to like the scent of roses the most!

After Ouyang Haonan finished the things Yao Muzixi told him, he returned to Yao Muzixi.

"Is the princess worried?" Ouyang Haonan stood outside the door for a long time, watching Yao Muzixi stand in front of the window all afternoon. He just watched quietly without saying anything.

"General Ouyang, why did you see that I was worried?" Yao Muzixi looked at Ouyang Haonan, with a trace of depression in his eyes.

"Princess, I see that you have lost a lot of weight recently!" Ouyang Haonan walked to Yao Muzixi's side, with a somewhat distressed look in his eyes.

Yao Muzixi returned to her soft couch and sat there, looking intently at Ouyang Haonan.

This man was really good to her, but it was his bad luck that he encountered such a useless master like her. He had sacrificed a lot for her. In this life, she no longer wanted to touch this man.

She touched it because she was afraid that the gain would outweigh the loss.

Ouyang Haonan stood there awkwardly, feeling uncomfortable being stared at by Yao Muzixi.

The Return of the Reborn Princess

"General Ouyang, where is the betrothal gift promised by Xia Guo?" Yao Muzixi seemed to mention it accidentally.

Ouyang Haonan calmed down and remembered that the betrothal gift mentioned by the princess was a city and 100,000 elite soldiers promised by the third prince of Xia Kingdom.

"Princess, what you said was that when you proposed the marriage, you asked for Xia's 100,000 elite soldiers and a city?"

"Yes!" Yao Muzixi looked at Ouyang Haonan with a faint smile, sitting lazily on the soft couch, but this look was very charming to Ouyang Haonan.

"Fengqi City has long been included in the territory of Yao Lan Kingdom by the emperor, and the 100,000 elite soldiers are also training day and night in Fengqi City to recuperate and thrive." Ouyang Haonan told Yao Muzixi truthfully.

"Fengqicheng?" Yao Muzixi muttered to himself, looking at Ouyang Haonan's questioning tone.

"Princess, it is Fengqicheng."

"General Ouyang, I'm really bored staying here in the Prince's Mansion. Why don't we ask the Emperor for orders to go to Fengqi City to have a look?" A smile flashed across Yao Muzixi's face, and her fingers caressed the button on her head intentionally or unintentionally.

A glass bead.

"Princess wants to leave the palace?" Ouyang Haonan looked at Yao Muzixi with a confused look on his face, and his face became a little ugly.

"Yes." Yao Muzixi just focused all his eyes on the glass bead and did not look at Ouyang Haonan.

"I'm afraid it's not right!" Ouyang Haonan looked at Yao Muzixi who was as if nothing had happened with a worried look, not knowing that she was buying into the above at the moment.

Yao Muzixi raised his head and looked at Ouyang Haonan, his eyes a little cold: "There is nothing wrong, we will go to ask for help tomorrow. I want to find out who wants to harm me, and actually sent someone so blatantly on the road.

come kill me."

Ouyang Haonan looked at Yao Muzixi and felt that the princess seemed to have become more rational now. She was always concerned about her own safety and paid attention to everything. Ouyang Haonan seemed to see a glimmer of hope and said with a smile in the corner of his eyes: "Princess

Just tell me what arrangements you have."

"Ouyang Haonan, it seems that you agree with me leaving the palace." Yao Muzixi cleverly got off the couch and came to Ouyang Haonan with a proud smile.

"I believe that the princess is free to decide what she wants to do. I am only responsible for protecting and assisting the princess." Ouyang Haonan smiled softly and said to Yao Muzixi's proud eyes.

"Ouyang Haonan, come here." Yao Muzixi looked at Ouyang Haonan with a sweet smile and winked.

Ouyang Haonan approached Yao Muzixi with a puzzled look.

Yao Muzixi put her mouth next to Ouyang Haonan's ear and whispered softly for a while. Ouyang Haonan was startled when he heard this.

"Princess, is this okay? I'm afraid..." After Yao Muzixi finished speaking, Ouyang Haonan asked with a questioning look on his face.

"Just go, I guarantee that we can leave the palace properly tomorrow." Yao Muzixi said with a proud look on his face, winking at Ouyang Haonan. He looked extremely cute, and Ouyang Haonan couldn't help but feel a smile on his face.

I felt a flush.

Yao Muzixi gently patted Ouyang Haonan on the shoulder and said: "Ouyang Haonan, go quickly!"

"Okay!" Ouyang Haonan agreed with an aggrieved look, and walked out of Yao Muzixi's bedroom.

Ouyang Haonan walked out of Yao Muzixi's palace and saw a few maids not far away discussing something. When he went over to listen, he realized that it was the four princes who were having a banquet at the Prince's Mansion tonight. It seemed that the princess was

The strategy is still feasible. But I am afraid that my innocence will be ruined.

The sunset gradually slipped below the horizon, and the night was somewhat quiet.

Yao Muzixi asked Xixi to make a bowl of porridge for herself, and then took it to the courtyard to eat.

"Humph, didn't you say that? His Royal Highness the Prince is not short of women, and I want him to be not short of you." Yao Muzixi's eyes sparkled, she smiled, and continued to eat her porridge.

When Xixi heard this, she felt something different. Could it be that her princess wanted to compete with that woman for favor?!

The Return of the Reborn Princess

Ouyang Haonan looked at the moon in the sky, which was round and bright, but the wind was a bit strong. Guessing that the time had come, he picked up the wine he had brought with him, took a sip, and then put the wine back where it was.

Ouyang Haonan touched the medicine bag in his sleeve, took it out, opened the medicine bag and poured the medicine into the remaining wine.

Hearing a voice coming from not far away, Ouyang Haonan immediately jumped into the lake in front of the hospital. The water in the lake was so cold that he shivered all over.

An Aiyang heard something sound in the bamboo forest in the front yard. Besides, wasn't the bamboo forest her own place? How could there be anyone there?

An Yanyan took a lantern from a palace maid and ordered: "You stay here first, I'll go take a look."

After saying that, An Yanyan walked towards the bamboo forest and saw a pot of wine on the table where she usually sat.

An Yanyan smelled it and secretly said happily: "This wine is really mellow and sweet. I haven't had such a good wine in a long time."

An Yanyan looked around and saw that there weren't many people around. It shouldn't be a problem to drink a little! She has been drinking since she was a child and has a special liking for wine. It's just that her brother Yu won't let her drink, so she drinks it easily.

Less, she never drank when brother Yu was around.

An Yanyan looked at the clear lake and saw only a man taking a bath, with his back to her, his wet hair hanging around his shoulders, seeming to reveal a bewitching beauty.

"Who are you? You actually sneaked into Cuizhu Residence to take a bath, how brave you are." An Yanyan opened her eyes and looked at the man on the lake curiously, and shouted in a loud voice.

"Girl, I... have been poisoned. Now my whole body feels as if it's on fire. I'm afraid I won't be able to control myself if I don't go into the lake." Ouyang Haonan deliberately lowered his voice and whispered softly, his face already changed.

"What's so poisonous? Then just soak in it! I'll take your wine." An Yanyan glanced at the man in the lake, then picked up the wine on the table and drank it all.

Ouyang Haonan turned his head to look in the direction of An Yanyan, only to see that An Yanyan had drank all the wine, and then immediately flew up from the cold lake. If he had known it would be so easy for that woman to drink the wine

After drinking it, why did he go to the lake to take a cold bath? He was really torturing himself.

The princess who was at a loss could think of using a beauty trick to lure her into drinking. She drank the wine herself just by leaving it there. What else could she do to seduce her? She might as well run away!

After An Yanyan drank the wine, she felt hot and irritable all over her body. Her face suddenly turned red. She only saw Ouyang Haonan coming up from the lake. She looked at him and said sadly: "Master, what kind of wine is this? Why?

Is it so strong? I have drank so much since I was a child, and I have never felt so uncomfortable and hot."

Ouyang Haonan stood there awkwardly, not knowing what to do. After thinking about it, she still couldn't do it here. She had to take her to a conspicuous place.

Ouyang Haonan walked up to An Yanyan, lowered his head, and said softly: "Young lady may have drunk too much, I'll take you back to rest!"

When An Yanyan saw a handsome man appearing in her sight, she was even more grateful that her whole body was so hot that she hugged the man's neck and shouted with a hint of hoarseness: "Master, I

It feels so uncomfortable! It's so hot, please help me."

Ouyang Haonan looked at the woman in front of him and couldn't laugh or cry. It was a bad idea, so he had no choice but to hug An Yanyan.

Ouyang Haonan did not expect that as soon as An Yanyan fell into his arms, she began to restlessly touch her body everywhere.

Ouyang Haonan endured An Yanyan's various teasing, picked her up by the waist, and flew towards the Qionghua Palace. During the flight, An Yanyan kept restlessly touching Ouyang Haonan's body.

Strawberries were spread on Ouyang Haonan's face.

Ouyang Haonan endured the discomfort in his heart and felt a little nauseous. How could he have imagined that this woman was so coquettish.

Taking An Yanyan to the courtyard of Qionghua Palace, Ouyang Haonan immediately broke away from An Yanyan's clutches, patted his clothes and immediately retreated, returned to his room, and changed out of the clothes worn by that woman.

The clothes that had been entangled and the face that had been kissed by that woman were torn off. Ouyang Haonan threw them into my fire and burned them clean.

Cold sweat was still breaking out on his forehead, and Ouyang Haonan looked angry. He should have known better than to listen to the princess's words. How could he be so confused that he actually believed that the princess's evil idea would work? He was really kicked in the head.

.

Seeing Ouyang Haonan hurried back, Yao Muzixi slipped into Ouyang Haonan's room and couldn't help laughing when she saw Ouyang Haonan's appearance.

Ouyang Haonan rolled his eyes at Yao Muzixi, then ignored Yao Muzixi, turned over and fell on the bed and started to sleep.

Yao Muzixi walked to Ouyang Haonan's bed with a smile and asked: "How is Ouyang Haonan? Was it successful?"

Ouyang Haonan turned his head and ignored Yao Muzixi, looking angry.

"What's going on?" Yao Muzixi asked, shaking Ouyang Haonan's shoulders without giving up.

Ouyang Haonan sighed, sat up, and said slowly: "She has already drank."

"So powerful? Let's go now! You follow me and I'll talk to her. If she touches me, you can take the opportunity to hurt me. If I get hurt, the emperor will naturally agree to let us leave the palace.

." Yao Muzixi said with a proud smile.

"What kind of medicine did the princess give me? Didn't it say it was a drug? Why did she look like a lioness in heat?" Ouyang Haonan looked at Yao Muzixi and his face turned pale with anger.

Yao Muzixi secretly looked at Ouyang Haonan and said: "It's a drug! I just added a little bit of charm medicine in it."

"Let's go." Ouyang Haonan thought for a while, and after spending so much effort, it was not worth it if he just let it go. After saying that, he took Yao Muzixi and Xixi to the outside of the courtyard of Qionghua Palace.

The Return of the Reborn Princess

Chapter 069: The Princess Is Injured

An Yanyan was seen sitting on the ground, panting and taking off her own clothes, while the maids around her kept putting back on the clothes that An Yanyan had just taken off.

Xixi looked at An Yanyan's appearance with a funny look on her face, and quickly said to Yao Muzixi: "Princess, look at her appearance? She is so embarrassed!"

Yao Muzixi managed to hold back her laughter, which hurt her internally, so she walked towards An Yaoyan. When the maids around An Yaoyan saw Yao Muzixi, they all saluted and said in unison: "Crown Princess Wan Fu Jinan."

"

Yao Muzixi smiled slightly and said, "You're all exempt from the gift! What's wrong with Sister Yan?"

"Reporting to the Crown Princess, I think Concubine Yan has been drinking. Concubine Yan also liked to drink in the past. It's just that His Highness the Crown Prince doesn't like Concubine Yan to drink, so Concubine Yan doesn't drink too much. I don't know what happened today, but she drank too much again."

The palace maid immediately replied softly.

Yao Muzixi suppressed her laughter and stepped forward to help An Yaoyan. When An Yaoyan saw that it was Yao Muzixi, she felt unhappy and pushed Yao Muzixi away. Yao Muzixi fell to the side.

As he went, his left leg hit the stone next to him. The sharp stone pierced Yao Muzixi's left leg, and blood suddenly spurled out like a fountain.

As soon as Xia Mingyu, Xia Chenhao, Xia Xifeng and Xia Liuliang came out of Qionghua Palace, they saw An Yanyan, disheveled, pushing Yao Muzixi who came to help her. Yao Muzixi was pushed and cut her leg.

The blood just comes out.

When Xixi saw the blood pouring out of her princess's leg, she immediately started crying in fear. Ouyang Haonan looked at Yao Muzixi's leg blankly, why was there so much blood? He didn't do anything! Princess!

What happened?

Xia Mingyu looked at everything in front of him, looked at An Yanyan on the ground with a livid face, and pulled An Yanyan into his arms. What was it like? In front of everyone, hadn't he told her not to drink?

"Brother Yu, why are you here? Yan'er feels so uncomfortable! Brother Yu." An Yanyan looked at the man hugging her with a blushing face, shouted sweetly, and immediately put her hands around Xia Mingyu's neck.

"Yan'er, why are you drinking again? What a joke!" Xia Mingyu whispered close to An Yanyan's ear and said dotingly, without seeming to be angry at all.

Yao Muzixi looked at Xia Mingyu and An Yanyan with only contempt in his eyes. Is this a show for her? Why bother to show affection? I, Yao Muzixi, will not be jealous. After all, I don't love you Xia.

Crown Prince.

Xia Mingyu held An Yan'er in his arms and turned around to look at Xia Chenhao. Xia Xifeng and Xia Liuliang said coldly, "Brother, the emperor is sending Yan'er back to her room first. You can do as you please."

"The Crown Princess seems to be injured!" Xia Liuliang looked at Ouyang Haonan and Yao Muzixi and said with a puzzled face: "Brother, why don't you find an imperial doctor to look at the Crown Princess?"

Xia Chenhao just looked at Yao Muzixi with a playful expression and didn't say much. It seemed that the emperor really didn't have a good impression of the princess!

"Steward Li, go ask the imperial doctor to check the princess's injuries." Xia Mingyu turned around and glanced at Xia Liuliang.

A middle-aged man immediately appeared in front of everyone, bowed humbly and said, "Yes, His Royal Highness." After saying that, Butler Li hurriedly walked out of Qionghua Palace.

Seeing that Butler Li had left, An Yanyan in Xia Mingyu's arms was indeed unusually restless. Xia Mingyu hugged An Yanyan tightly and walked out of Qionghua Palace.

Xia Xifeng came to Yao Muzixi and took a look at Yao Muzixi's leg. It was seriously injured!

Yao Muzixi did not expect that the woman was so strong. She pushed him down in one fell swoop and was injured so badly. He didn't know what was going on with Ouyang Haonan and didn't even know how to help him.

"Why are you so careless? The bleeding must be stopped first." Xia Xifeng's eyes showed warm concern and he carefully inspected Yao Muzixi's wounds.

Yao Muzixi looked at Xia Xifeng, her painful eyes seemed to hold back tears, and she said angrily: "I just wanted to help her up, who knew she was so strong."

Xia Xifeng looked at Yao Muzixi's leg and tried to bandage Yao Muzixi's wound.

"Leave the princess's injury to me! It's because I didn't protect myself well that the princess was injured." Ouyang Haonan pushed away Xia Xifeng's hand that was about to bandage Yao Muzixi's wound, and hugged Yao Muzixi directly.

, then walked towards Yao Muzixi's bedroom.

Yao Muzixi looked at Ouyang Haonan with a surprised look on his face. He couldn't figure out his clue for a long time.

Xia Xifeng looked at the backs of Ouyang Haonan and Yao Muzixi, and felt a little cold in her heart. She came here to suffer, so how could he feel at ease? If he had known that the prince would treat her like this, he might as well not have proposed marriage at all.

success.

"What's wrong? Third brother." Xia Chenhao looked at Xia Xifeng who was stunned, patted his shoulder and asked softly.

"No! I just didn't know that the emperor was so disgusted with her." Xia Xifeng looked at Xia Chenhao lightly and said, with a hint of evasive emotion in her eyes.

"This is the result. I knew that the imperial brother would not comply with the father's arrangement. Now I can only look at Princess Sheng'en." Xia Chenhao said in a comforting tone.

The Return of the Reborn Princess

"Second brother, I think the Crown Princess is too pitiful. It was obviously Sister Yan'er who pushed her down and injured her, but the Prince Brother ignored her and only looked after Sister Yan'er." Xia Liuliang pulled Xia Chenhao's sleeves.

, said dissatisfied.

"Liang'er, don't talk anymore. It's the imperial brother's family matter. As brothers, it's better for us not to talk too much." Xia Xifeng sadly walked in front of Xia Chenhao and Xia Liuliang, reminding Xia Liuliang.

"Oh, okay." Xia Liuliang replied with great frustration, silently walking behind Xia Xifeng.

The next day, noon.

Xixi was applying medicine to Yao Muzixi when a girl from the Prince's Mansion ran into Yao Muzixi's palace respectfully, knelt in front of Yao Muzixi and said: "Prince Princess, the Emperor will come to Qinghe Palace to see you soon."

You are welcome."

"Your Majesty? Come to see me?" Yao Muzixi raised his head and glanced at the little maid, with a puzzled look on his face. Then Yao Muzixi waved to the maid and motioned her to go down.

Yao Muzixi secretly thought in her heart that she didn't expect that the emperor's news would be so well-informed, and it would reach his old man's ears. He just took this opportunity to ask for leaving the palace.

Not long after, Xia Ruohan came to Yao Muzixi's palace, which was the Qinghe Palace in the Prince's Mansion.

Yao Muzixi's feet were tied with thick gauze, and she was a little nervous when she saw Xia Ruohan. She immediately said to Xixi who was standing aside: "Xixi, help me get out of bed quickly."

Xia Ruohan quickly walked to Yao Muzixi's bedroom and saw Yao Muzixi walking towards him with difficulty. Xia Ruohan suddenly felt distressed because she failed to take good care of Zixin's daughter and made her suffer.

"Zixi, your foot is still injured. What are you doing when you get out of bed?" Xia Ruohan quickly walked up to Yao Muzixi in three steps and two steps at a time, supported Yao Muzixi and said with concern.

When Yao Muzixi saw Xia Ruohan, she immediately surrendered and said, "I am going to pay your respects to your Majesty, but my leg is injured..."

"You don't have to be so formal, Zi Xi! I'm really sorry that you got hurt not long after you arrived. I feel so ashamed!" Xia Ruohan said with a worried look on his face and glanced at Xia Mingyu who was following him.

.

Xia Mingyu felt Xia Ruohan's gaze, so he quickly walked to Yao Muzixi and said with a doting look: "Xi'er, why are you so careless that you hurt your legs and feet? I'm going to take you to our Xia country."

The most beautiful place to visit!"

After saying that, Xia Mingyu picked up Yao Muzixi who was standing on the ground. Yao Muzixi looked at Xia Mingyu blankly, since you want me to accompany you in a show, well, you are the prince and I can't refute your face, so you just

Just wait, I definitely want to leave this Ghost Prince's Mansion.

Xia Mingyu gently placed Yao Muzixi on the soft couch, and sat on the side. He picked up the bowl of bird's nests that Yao Muzixi had not finished eating, and gently fed it to Yao Muzixi's mouth.

Seeing Xia Mingyu's appearance, Yao Muzixi felt a chill in her heart. What a scheming man. Do you think I won't leave the Prince's Mansion? Delusion!

Xia Ruohan looked at the two people who seemed to be in love, and murmured in her heart, could it be that her intelligence was wrong? It didn't look like Ming Yu had any dislike for Zi Xi.

Xia Ruohan walked up to the two of them, smiled with satisfaction, and said, "It seems that Yu'er is still very interested in you, Zi Xi! If Zi Xi has any grievances in the future, just tell me." After Xia Ruohan said

Han also put their hands together, looking relieved.

An Yanyan sobered up, but she didn't see her brother Yu. She didn't expect that the emperor's uncle took him to see the princess of Yao Lan. The emperor's uncle was also really, why was he so nice to that woman? Forget it, wait until the emperor's uncle left.

It's not too late for me to teach her a lesson.

An Yanyan freshened up and went for a walk in the back garden. Unexpectedly, she saw a strange man. The man was dressed in red and had silver hair. He was standing in the sun with his back to her.

The silver hair is a bit dazzling and has an unusual luster.

An Yanyan looked at the man with confusion on her face and shouted, "Who are you? Is this the Prince's Mansion a place where low-class people like you can come?"

Upon hearing this, the man in red just turned his head slightly, glanced sideways at An Yayan, and then quickly disappeared into the back garden.

An Yanyan thought it was because she was dazzled. Why was there a man just now but now he was gone?

An Yanyan had no intention of admiring the flowers anymore. She just wanted to find her brother Yu immediately. Without him to accompany her, she felt really uneasy!

When An Yanyan came outside the Qinghe Palace, she saw her brother Yu holding the princess of Yao Languo in an affectionate manner and feeding her bird's nests. An Yanyan gritted her teeth secretly, her face clouded

.

Yao Muzixi's sharp eyes saw that there seemed to be someone outside the door. She was wearing a pink and green dress, and she seemed to be An Yanyan.

Yao Muzixi looked at Xia Mingyu, glanced at the bowl of bird's nests on the table that Xia Mingyu had just pretended to feed to himself, and deliberately smiled sweetly and said: "Husband, I'm hungry, you feed me this bowl of bird's nests."

Bar!"

Xia Mingyu murmured in his heart, what kind of trick is this woman trying to pull?

Xia Mingyu turned around and glanced at Xia Ruohan, then turned around with a smile on his face, picked up the bird's nest on the table, and fed it to Yao Muzixi one by one.

Yao Muzixi looked at Xia Mingyu lovingly with her eyes, opened her red lips lightly, and opened and closed her mouth to eat the bird's nest that Xia Mingyu fed her, as if she was tasting the most delicious food in the world.

Xia Mingyu looked at Yao Muzixi and felt that this woman's eyes seemed to have magic power, as if she was trying to attract him deeply, and he was a little panicked.

Xia Ruohan couldn't hide his smile when he saw the two people who were so affectionate, and planned to leave Qinghe Palace.

"Brother Yu, have you been lying to me? You said you would only be good to me and love me. But now you are treating this woman..."

An Yanyan looked at Xia Mingyu and Yao Muzixi in the room, and felt her heart twisting like a knife, heartbreaking pain. She didn't care at all that Xia Ruohan was still in the Prince's Mansion, and only focused on questioning the person she loved so much.

man.
