

The Return of the Reborn Princess

071 I want to go to Fengqi City

"Yan'er?" Xia Mingyu was brought back to reality by An Yanyan's roar.

"Brother Yu, are you lying to me? Don't you love Yan'er anymore?" An Yanyan looked straight at Xia Mingyu, and soon she was filled with tears.

"Yan'er, you misunderstood, I..." Xia Mingyu couldn't help but feel nervous when he looked at An Yanyan's delicate tears.

Yao Muzixi looked at the two of them, with a hint of a faint smile on her lips. It disappeared in an instant.

"Brother Yu, I know that you are the prince, and I cannot be the only woman. One day you will become the emperor, and all the women in the world will be yours. What do I care about?" An Yanyan looked at Xia Mingyu with a choked voice. "The beautiful makeup will make your face wet with tears, how can it not make people feel distressed."

After saying that, An Yanyan turned around and ran out of Qinghe Palace. The expression on his face showed a hint of ferocity. He looked back at Yao Muzixi and saw that she had a proud face. She was so unwilling and unwilling.

Xia Mingyu glanced at Yao Muzixi and saw that she was feeling proud, and felt unhappy for a moment, you are such a princess of Yao Lan.

"Humph." Xia Mingyu snorted coldly, looking straight at Yao Muzixi.

Seeing Xia Mingyu's appearance, Yao Muzixi gave him a funny look and acted innocent.

Xia Mingyu was anxious for a moment and didn't know what this silly girl An Yanyan would do. He had been doting on her since she was a child, which was really worrying. Xia Mingyu ignored Yao Muzixi and Xia Ruohan and shook his sleeves. Then he also ran out of Qinghe Palace.

"Yu'er, where are you going?" Xia Ruohan looked at Xia Mingyu's running figure and shouted angrily: "Yu'er, come back!"

Xia Mingyu has long ignored his father's majesty. Anyway, this is not the first time that he has disobeyed his father's wishes.

As soon as Xia Mingyu ran to the entrance of Qinghe Palace, he saw Ouyang Haonan walking towards Qinghe Palace. He then slowed down and said calmly: "Has General Ouyang seen my sister Yan'er?"

Ouyang Haonan looked at Xia Mingyu in surprise when he heard this. Why did the prince take the initiative to talk to him today? Didn't he always treat people around the princess as if they were ghosts and avoid them?

Ouyang Haonan was stunned for only a moment, and then said calmly: "I just saw Princess An going to the west door!"

A trace of helplessness flashed in Xia Mingyu's eyes, and he smiled slightly at Ouyang Haonan and said, "Thank you, General." Then he hurriedly ran towards the west door.

Ouyang Haonan looked at Xia Mingyu's back and was a little confused as to why the Xia Crown Prince was so cold to the princess. The princess had never done anything sorry to him!

In Qinghe Palace, Yao Muzixi pressed her hand on her foot that was wrapped in gauze. The blood had penetrated through the gauze and it was painful.

Xia Ruohan saw the blood soaked through the gauze at a glance. He quickly walked to Yao Muzixi's bed and said anxiously: "Zixi, your foot is seriously injured! The bleeding hasn't stopped yet, I'm going to I'll ask you to get a doctor."

Yao Muzixi just endured the pain and quickly said, "Your Majesty, it's just a minor injury. I..."

Xia Ruohan looked at Yao Muzixi with a distressed expression, feeling full of self-blame. She had not been able to take good care of Zixin before, but now Zixin's daughter was hurt by her own son.

"Zixi, just tell me what you have to say! I've made you feel wronged!" Xia Ruohan looked at Yao Muzixi's hesitant expression and said with a contented look on his face.

"Your Majesty, you are serious! I have not been wronged, but I don't want to stay in Qinghe Palace anymore." Yao Muzixi looked aggrieved, but she barely shed tears.

"This..." Xia Ruohan hesitated for a while, but then he thought about it. Yu'er didn't have any affection for Zi Xi. Maybe he just couldn't accept Zi Xin's daughter for a while. Yu'er was not at fault. The grudges of the previous generation should not be

The children must bear the consequences. Yu'er has been very dependent on his mother since he was a child. I also know that he resents Zi Xin.

"It's up to you! Zixi, where do you want to go?" Xia Ruohan looked at Yao Muzixi and sighed: "Go wherever you want! Just tell me what you want."

"Your Majesty, I want to go and see Fengqi City, which you gave to me as a betrothal gift." Yao Muzixi's eyes revealed a clear light.

"Okay! Go ahead! I won't force you to live in the Prince's Mansion. Just ask someone to inform me when you set off." Xia Ruohan had no intention of forcing.

When Ouyang Haonan walked into Qinghe Palace and saw that the blood on Yao Muzixi's feet had soaked the gauze, he felt panicked. He quickly walked to Yao Muzixi's bed and said anxiously: "Princess, your feet are bleeding a lot.

!"

Xia Ruohan heard this and looked at Yao Muzixi's leg. It was really badly injured! There was not so much blood just now, but now it has stained the bedding on the bed red.

Yao Muzixi looked at Ouyang Haonan with a pale face and said softly: "It doesn't matter! General, there is no need to be so anxious."

"This..." Ouyang Haonan looked worried, but helpless.

"General Ouyang, you don't have to worry, take the princess back to the palace with me first! The palace has Mr. Mo's secret golden sore medicine and the best imperial doctor. The princess's feet will be fine." Xia Ruohan looked at it.

He held Yao Muzixi's legs and gave orders to Ouyang Haonan.

"Okay, Your Majesty, I'll prepare the carriage right now." Ouyang Haonan said and immediately prepared to walk out of Qinghe Palace.

"General Ouyang doesn't need a carriage. Wasn't the carriage waiting outside when I came?" Xia Ruohan saw Ouyang Haonan's move and quickly stopped him.

Ouyang Haonan was startled when he heard this and said: "How is this possible? The Emperor is the Son of Heaven, and he is the most noble person..."

"Okay, don't worry about this. Send the princess to my carriage quickly and follow me into the palace." Xia Ruohan interrupted Ouyang Haonan and said without any doubt.

Ouyang Haonan glanced at Xia Ruohan and felt a little dumbfounded. How could the Emperor of Xia be so good to the princess? In the past, he had heard some rumors about the emperor of Xia and Emperor Yao Lan fighting for Jiang Zixin, the princess of Jiang.

Could it be true?

Ouyang Haonan was stunned for a second, glanced at Yao Muzixi who was pale on the bed, then gently picked her up and followed Xia Ruohan out of the Prince's Mansion.

Yao Muzixi glanced at Ouyang Haonan and glared displeased. The pain in her feet swept through her body, making her seem to faint.

Yao Muzixi's reaction obviously did not escape Ouyang Haonan's eyes, and Ouyang Haonan didn't care. He just walked more slowly to avoid the princess suffering any more sins.

The Return of the Reborn Princess

072 Leaving the Prince's Mansion

Arriving at the Xia Kingdom's palace, Xia Ruohan ordered the imperial doctor to examine Yao Muzixi's wounds, and also took out the only half bottle of the golden sore medicine secretly made by Mr. Mo back then to wipe Yao Muzixi's wounds.

The medicine was very effective. In just two days, Yao Muzixi's foot, which was still bleeding, was almost healed. Not even a scar was left, but it was slightly numb and itchy.

After recuperating in the Xia Kingdom Palace for a few days, Yao Muzixi's injuries were healed, and he couldn't wait to prepare to go to Fengqi City.

After bidding farewell to Xia Ruohan, Yao Muzixi and Ouyang Haonan returned to Qinghe Palace in the Prince's Mansion. Xixi had been waiting outside Qinghe Palace for a long time. Her face was no longer as pink and rosy as before, and she looked a little pale.

The moment Xixi saw Yao Muzixi and Ouyang Haonan, her face immediately filled with a smile, but her tears welled up with crystal clear tears. She shouted in a hoarse voice: "Princess, you are finally back, Xixi is so anxious.

"

Seeing Xixi's haggard face, Yao Muzixi felt distressed in her heart. She hugged Xixi and asked, "I haven't been here these past few days. Concubine Yan hasn't made things difficult for you, right?"

"Princess, no one is trying to make things difficult for us, it's just that everyone and I are worried about you." Xixi cried, with a look of grievance on her face.

Yao Muzixi looked at the people in Qinghe Palace. Those palace maids and guards were all people chosen by his father to protect him. Seeing the concerned looks on their faces, Yao Muzixi only felt a warmth in his heart.

Ferment slowly.

There are so many people who care about me! They can only rely on her to protect them from now on in Xia Kingdom, and the burden on their shoulders is very heavy!

Xixi wiped her tears, helped Yao Muzixi sit on the couch, poured a cup of tea for Yao Muzixi, and said uneasily: "Princess, in this Prince's Mansion, it seems that we are not living as well as we are. The Prince is like that

To the princess you..."

Yao Muzixi just smiled indifferently, and it was really heartbreaking to see Xixi crying with such a lovely look!

"Xixi, I will not let our people be bullied by others! We will leave the Prince's Mansion tomorrow." Yao Muzixi looked at the door with determination in her eyes.

"Leaving the Prince's Mansion? Princess, where are we going after leaving the Prince's Mansion?" Xixi looked at Yao Muzixi in surprise and asked with a puzzled look on her face.

"Leave the Prince's Mansion and let's go to Fengqi City!" Yao Muzixi stood up with a faint smile and glanced at Xixi, with a hint of mystery in his tone.

Ouyang Haonan came in from the door, glanced at Yao Muzixi, his eyes were erratic, and said, "What are your plans to go to Fengqicheng Princess?"

"Hey, are you planning to leave? My Crown Princess!" I don't know when Xia Mingyu was standing outside the door of Qinghe Palace, arriving before anyone came.

Yao Muzixi raised his head and glanced at Xia Mingyu who was walking towards him. He sneered and said, "Husband, I'm just bored in this house and want to go to a place that belongs to me to get some fresh air. Husband, please don't think wrong."

good."

"My beloved concubine is leaving, and as a husband, I have no choice but to rely on you." There was a trace of regret in Xia Mingyu's words, but to Yao Muzixi's ears, it sounded more contemptuous.

"General Ouyang, pack your things now, we will set off immediately." Yao Muzixi ignored Xia Mingyu, walked up to Ouyang Haonan and ordered, as if he regarded Xia Mingyu as a transparent person.

Ouyang Haonan looked at Xia Mingyu awkwardly at this time, then looked at Yao Muzixi, and replied awkwardly: "Yes, princess, I will do it right away."

After Ouyang Haonan finished speaking, he left Qinghe Palace. When Xia Mingyu saw that Yao Muzixi ignored him and was only busy with his own business, he did not show any displeasure. He just sat on the couch where the host sat and stared at him intently. Look at Yao Muzixi.

Yao Muzixi ordered Ouyang Haonan and turned to look at Xia Mingyu. Unexpectedly, he didn't leave. She couldn't drive him away, so she had to come to Xixi again and said: "Sixi! Look how you serve me. Master, His Highness the Crown Prince has been sitting here for a long time, he must be hungry, why don't you go and cook some bird's nest porridge to warm up His Highness the Crown Prince."

Yao Muzixi glanced at Xixi meaningfully, and Xixi answered clearly: "Yes, what the princess taught me is that I will make bird's nest porridge now."

Yao Muzixi secretly turned around and glanced at Xia Mingyu, but who knew that he was still sitting on the couch indifferently, with no intention of leaving. Yao Muzixi glared at Xia Mingyu angrily, but who knew that he was indifferent to her? A smile and a playful look in his eyes.

It was hard to take back what he said, so Yao Muzixi had to wave his hand to Xixi to make bird's nest porridge. Xixi didn't think too much, so she walked out of Qinghe Palace and walked towards the kitchen.

The Return of the Reborn Princess

At this time, only Yao Muzixi and Xia Mingyu were left in the Qinghe Palace. Yao Muzixi glanced at Xia Mingyu with a headache. Wasn't he usually so indifferent to him? Why was he ready to leave? He was eager to leave. Don't want to leave here? Do you want to save yourself?

Yao Muzixi patted his head and cursed in his heart: I really have eaten too much and have nothing to do! Will he keep me here?!!!

Xia Mingyu looked at Yao Muzixi standing there alone, rubbing her head. He didn't know what she was thinking, but he just felt that this woman seemed a little playful and cute.

"My beloved, does it mean you have a headache?" Xia Mingyu walked up to Yao Muzixi and gently grabbed the hands that Yao Muzixi was slapping on his head with, his tone somewhat ambiguous.

Yao Muzixi was lost for a moment, but when he came back to his senses, he found that Xia Mingyu was actually standing in front of him, holding his hand with both hands. Yao Muzixi hurriedly took out his hand and turned away.

Yao Muzixi felt her heart pounding like a deer, a little embarrassed, and said: "What did His Highness the Prince just say? I didn't hear clearly."

Xia Mingyu looked at Yao Muzixi amusedly, and said with a playful smile: "Are you afraid of me, my dear concubine? We are husband and wife."

The word "husband and wife" sounded a bit harsh to Yao Muzixi's ears, as if he was mocking her!

Yao Muzixi calmed down her anxious heart, turned around, looked into Xia Mingyu's eyes and said confidently: "Husband and wife? Yes! Your Highness the Crown Prince still knows that we are husband and wife? I'm afraid that I, the Crown Princess, will be a thorn in your side. Bar!"

Xia Mingyu shuddered in his heart when he heard this. What did this woman mean by this? Although he hated her mother, he didn't dislike her very much. He was just a bit indifferent to her. How could he be seen as a thorn in his side?

Yao Muzixi's eyes were still staring at Xia Mingyu, without any dodge, and he smiled: "That's right! Your Highness, the fact that you didn't refute my words proves that this is what you have in mind!"

Xia Mingyu looked into Yao Muzixi's eyes. Those eyes seemed to have magic power, as if they were pulling him, straight and fierce, as if sucking his soul in. He wanted to tell her: In fact, I don't hate him that much, and I don't see her as a thorn in his side.

Xia Mingyu's throat squirmed, but he never said anything to refute Yao Muzixi.

Yao Muzixi withdrew her gaze and smiled softly: "How can this Xia Kingdom accommodate a foreign princess like me?"

Xia Mingyu came to his senses, couldn't help but put Yao Muzixi into his arms, hugged her tightly, and whispered: "Stay! Don't leave."

Yao Muzixi was stunned by Xia Mingyu's actions. He came to his senses in just a moment, broke free from Xia Mingyu's grasp, and said angrily: "Your Highness, is it really so fun to play with me? I'm not you. A plaything, I came to Xia Kingdom to have my own mission."

Yao Muzixi glared at Xia Mingyu angrily, with only unquenchable anger in her heart. Even if you treat me like this on the wedding day, I will feel it even if you are a piece of wood. Although you and I are not in love, you and I are a legitimate couple. I originally planned to spend the years after my rebirth peacefully, but I couldn't let myself encounter such a tragedy again.

Xia Mingyu looked at Yao Muzixi's inexplicable anger and was a little upset, Yan'er, I treat you so well, why do you have an affair with your second brother? I have been protecting you for so many years, but you fall into the arms of others so easily What?

Xia Mingyu walked out of Qinghe Palace speechlessly, a little lost. He couldn't reconcile why all the people he loved betrayed him?

Looking at Xia Mingyu's walking back, Yao Muzixi felt a little inexplicably sad. Yao Muzixi pinched herself speechlessly, so wake up!

Xixi took the bird's nest porridge and called out softly: "Princess, the bird's nest porridge is ready, why is the Crown Prince gone?"

Yao Muzixi glanced at the porridge in Xixi's hand, and her stomach growled. Yao Muzixi felt a little dizzy. It was over. Could it be that she was hungry? Then she fainted.

Xixi quickly put the bird's nest in her hand on the desk, ran over to help Yao Muzixi up, placed Yao Muzixi on the couch, and ran anxiously to find Ouyang Haonan.

The things Ouyang Haonan ordered everyone to pack have almost been packed.

Xixi stood behind Ouyang Haonan and said worriedly: "General Ouyang, the princess fainted."

"What? What's wrong with the princess? Why did she faint?" Ouyang Haonan turned around and looked at Xixi with a question on her face. After saying that, Ouyang Haonan immediately turned around and ran to Qinghe Palace.

Ouyang Haonan came to Qinghe Palace with a heavy kick. He originally had a worried look on his face, but relaxed the moment he saw Yao Muzixi.

Yao Muzixi was eating spoonful by spoonful of the bowl of bird's nest porridge that Xixi brought over, with dark eyes and drooping hair. Ouyang Haonan looked a little obsessed, and was stunned, not knowing what to do.

"Princess, are you okay?" When Xixi rushed over, she only saw Ouyang Haonan standing outside the door without even stepping through the gate of Qinghe Palace. However, he saw the princess eating bird's nest and it seemed that there was nothing serious.

Hearing this, Yao Muzixi raised his head and glanced at the two people outside the door. He opened his red lips and smiled softly: "I was just very sleepy just now, so I took a nap."

Xixi sighed and said: "Princess, I thought you fainted! I even called General Ouyang!"

"It's good that the princess is fine, I was scared to death." Ouyang Haonan saw Yao Muzixi's scene, breathed a sigh of relief, walked to Yao Muzixi's side, and said softly: "Princess, what are your plans to go to Fengqi City?"

Yao Muzixi paused after hearing this, glanced at Ouyang Haonan, smiled slightly and said: "I will make arrangements for this myself. Ouyang Haonan, I have some important arrangements for you when you go to Fengqi City!"

"Oh? I wonder what the princess wants me to do?" Ouyang Haonan looked puzzled, but he didn't say anything. He just smiled lightly and looked understanding.

The Return of the Reborn Princess

074 The Mysterious Village

After eating the bird's nest, Yao Muzixi sat on the couch, feeling that her body's strength seemed to have returned a little, and she was no longer so exhausted.

Yao Muzixi thought about Xia Mingyu's words and attitude, and it seemed that the words involved An Yanyan and the second prince. Yao Muzixi just thought that there seemed to be a good show! Aren't the second prince and the prince very close? Is it true? Will he fall out with a woman?

At noon, Yao Muzixi left the Prince's Mansion with her married maids and escorts, heading for Fengqi City. Ouyang Haonan arranged everything properly, and Yao Muzixi didn't have any worries.

Fengqi City is not far from Yecheng, the capital of the Xia Kingdom, and one day's journey is enough. Yao Muzixi and his party set out at noon and would not arrive until the next morning at the earliest.

When Yao Muzixi left the Prince's Mansion, he didn't touch any of the plants or trees in the Prince's Mansion. Everything he brought with him was the things he brought from Yao Lan Country, including the carriage, grain, silver, and people, all of which were his own.

Five carriages were heading out of Yecheng City one after another. No one knew which dignitaries they belonged to. The carriages and horses used were all of the highest quality.

As the sky gradually darkened, Ouyang Haonan walked to Yao Muzixi's carriage, opened the curtain on the carriage, and saw Yao Muzixi lying in the carriage with a sleepy look on his face.

Ouyang Haonan didn't want to let the princess rest, so he gently lowered the curtain, then mounted his horse Nanfeng and galloped forward quickly.

After walking one thousand meters, Ouyang Haonan saw a village with bright lights. Ouyang Haonan felt happy. It seemed that he had to find a place to rest today. The princess seemed tired.

Ouyang Haonan looked at the situation here. The village was surrounded by woods. If Ouyang Haonan didn't have extraordinary eyesight, he might not have discovered that there was a village in this wilderness.

Ouyang Haonan led the horse to a house. The house looked very big and seemed to be quite wealthy. Ouyang Haonan knocked on the door, and a middle-aged man with a rich face opened the door and looked at him with a puzzled look. He asked Ouyang Haonan, "What do you want me to do, sir?"

Ouyang Haonan looked at the man up and down. He was dressed in gorgeous clothes and had a shiny face. Ouyang Haonan just said calmly: "Is this the master of this house?"

"I am not the owner of this family. My master does not live in this manor. I am the housekeeper of this family. I wonder what the princess is doing?" The man glanced at Ouyang Haonan and said calmly.

"I'm coming from Yecheng. I'm passing by your place. It's getting late. I'm looking for a place to rest. Is there a place where I can stay overnight?" Ouyang Haonan said with a humble expression.

The middle-aged man looked hesitant. Seeing this scene, Ouyang Haonan quickly said: "Of course, we will settle the expenses on your house to your master, and we will never let you suffer any loss."

When the man saw what Ouyang Haonan said, he didn't say much. He just invited Ouyang Haonan into the house and asked Ouyang Haonan to look at the environment. Ouyang Haonan looked at the side room. The furnishings inside were all brand new. It looks like a newly built house.

Ouyang Haonan asked the man to prepare a guest room, paid the deposit and rushed back.

Returning to Yao Muzixi, Ouyang Haonan opened the curtain of the car and took a look. Xixi was really giving Yao Muzixi something to drink! Ouyang Haonan glanced at Xixi, and Xixi was looked at by Ouyang Haonan's eyes. He was a little shy, just lowered his head and his face turned red.

After Yao Muzixi drank the ginger soup cooked by Xixi, she felt that her body was no longer so cold, and a warm current suddenly hit her whole body. Yao Muzixi felt Ouyang Haonan's eyes, and quickly turned around to look at her opponent Ouyang Haonan's eyes.

"General Ouyang? Where did you go just now?"

When Ouyang Haonan was asked by Yao Muzixi, he remembered that he was going to tell the princess that he was going to rest in the village ahead, and said: "I went to explore the road ahead and found a small village. That's where we will go tonight."

Let's rest for a night and then start our journey tomorrow!"

"Is there a village ahead? Well, let's stay overnight and leave tomorrow! Anyway, we're not in a hurry to go anywhere." After hearing what Ouyang Haonan said, Yao Muzixi thought it was a good suggestion and readily agreed.

.

Ouyang Haonan was about to lower the car curtain, but was stopped by Yao Muzixi.

"Wait a minute, Ouyang Haonan, Xixi just made some ginger soup. It's cold today, so you should have a bowl before you go on your way!" Yao Muzixi's voice had a hint of laziness, and her face was a little flushed.

Ouyang Haonan was stunned when he heard this, and felt a warm current going straight into his heart, and said: "Thank you for your concern, Princess."

Yao Muzixi pursed her lips and smiled: "What are you talking about? General Ouyang is so loyal to me, so I should treat the general well."

When Ouyang Haonan heard what Yao Muzixi said, he felt a moment of astonishment. The princess's words today were so strange, and it seemed a lot strange to her.

"Okay, then I'll drink the ginger soup and then leave."

Yao Muzixi glanced at Ouyang Haonan and smiled. This smile seemed a bit strange.

Xixi got off the carriage and went directly to the two carriages behind. She brought a bowl of ginger soup and delivered it to Ouyang Haonan. The ginger soup was steaming. Ouyang Haonan glanced at Xixi and took it from Xixi.

With the bowl in his hand, he drank the steaming bowl of ginger soup in one breath.

After drinking the ginger soup, Ouyang Haonan led everyone in the direction of the village.

When Ouyang Haonan arrived at the house of the family he had booked before, he led a group of people in and arranged for a private room. Ouyang Haonan then came to Yao Muzixi's room. Ouyang Haonan only felt a strange smell, unusual.

Pungent.

The Return of the Reborn Princess

075 Ouyang Haonan Save Me

Ouyang Haonan covered his nose and knocked on Yao Muzixi's door. Yao Muzixi's voice came from inside: "Who?"

Ouyang Haonan just listened to the movement inside and said softly: "Princess, it's me, Ouyang Haonan."

"Is something wrong?" Yao Muzixi's cold voice came from inside the room.

"No, it's just..." Ouyang Haonan was about to say that he came here because he smelled a strange smell. But he didn't expect to be interrupted by Yao Muzixi.

"I'm sleeping. General Ouyang, please come back!"

"Ouyang Haonan save me..."

When Ouyang Haonan was about to turn around, he heard Yao Muzixi's cry for help. He was stunned for a second and rushed directly into Yao Muzixi's room. Unexpectedly, there was nothing in the room, not even a single figure.

.

"Princess? What happened?" Ouyang Haonan secretly screamed. It seemed that the princess was being held hostage. No wonder the princess looked strange. He must find the princess immediately.

A figure climbed out of the window of the inner compartment. Ouyang Haonan glanced sideways and saw that it was a woman, then rushed out and chased the figure.

The sky was very dark, and Ouyang Haonan chased the figure to a small forest outside the village. Ouyang Haonan sped up his Qinggong, turned around a few times, and came to the front of the woman, blocking her way.

Ouyang Haonan stood in front of the woman and saw clearly that the woman looked exactly like the princess. She was really good at disguising herself, but it was a pity that she couldn't escape Ouyang Haonan's eyes.

Ouyang Haonan could still clearly see a slight strangeness.

Ouyang Haonan looked into the woman's eyes, gently pulled out the sword from the scabbard, and pointed it at the woman's neck: "Tell me, who are you?"

"General Ouyang, are you so bold that you don't even know this princess?" the woman said with a proud look on her face, her mouth still full of smiles.

"You're not." Ouyang Haonan glanced at the woman and said sternly, then he waved the sword in his hand and stabbed the woman straight.

With a few smart turns, the woman dodged Ouyang Haonan's sword. Looking at the woman's figure, Ouyang Haonan felt a little familiar, as if he had seen it somewhere, and she knew him.

The woman turned around and ran away. Ouyang Haonan snorted coldly: "Damn it, you want to run away?"

When Ouyang Haonan caught up with the woman again, Ouyang Haonan no longer had the courtesy and tolerance before, and attacked the woman with all his might. Ouyang Haonan just smiled coldly, and kept swinging the sword in his hand, and the woman

At first, he could handle a few moves, but after several fights, he just couldn't stand it anymore. Without paying attention, Ouyang Haonan stabbed the woman's shoulder with his sword, and a mouthful of blood spurted out from the woman's mouth.

The woman groaned in pain: "Ah..."

Ouyang Haonan saw that the woman was injured and knew that it would be difficult for someone injured by his sword to stand up and escape, so he took back the sword in his hand.

"Tell me, where did you take the princess?" Ouyang Haonan's voice was frighteningly cold, with a hint of chill in it.

"Hahahaha... Thank you for being smart. How could I bring the princess with me?" The woman looked at Ouyang Haonan and laughed wantonly without caring about her own injuries.

Ouyang Haonan felt really uncomfortable when he saw the woman wearing the princess's disguise mask. He felt like he had hurt the princess. Seeing that the woman was so reckless, Ouyang Haonan knelt down and stretched his hand towards the woman's neck.

at.

The woman didn't see what Ouyang Haonan wanted to do, so she panicked and shouted, "What do you want to do?"

Ouyang Haonan snorted coldly: "I just want to see the true face behind your mask. I have no interest in women like you."

"You are shameless..." Before the woman could say a word, she felt a tearing pain on her face.

Ouyang Haonan used his little finger to gently smack, and a small gap leaked out of the human skin mask from the woman's neck. Ouyang Haonan followed the gap and used both hands to tear off the woman's skin.

Leather mask.

"You'd better tell me honestly who you are and why you want to kidnap the princess?" Ouyang Haonan held the human skin mask in his hand and stared at the woman in front of him.

The woman raised her head and looked directly at Ouyang Haonan's face, with a somewhat painful expression on her face.

Ouyang Haonan looked at the woman and felt that she was familiar. The woman looked like the maid named Su Nuo next to Concubine Chu Xiang. He did not expect to be so hidden.

"Are you from Concubine Chu Xiang?" Seeing that the woman was silent and had no intention of dealing with her, Ouyang Haonan warned bluntly: "If Concubine Chu Xiang does anything unfavorable to the princess again, my Ouyang family's army will not

Vegetarian."

After hearing the words Concubine Chu Xiang, the woman became a little nervous and uneasy: "I don't know Concubine Chu Xiang."

Ouyang Haonan tapped the woman's acupuncture point with a light finger. The woman couldn't move and just stared at Ouyang Haonan, shouting: "Kill me! Why don't you kill me."

"Kill you? I'm afraid of getting my hands dirty."

Ouyang Haonan picked up the woman and flew towards the small village. Logically speaking, the third prince of Xia Kingdom had already caught up with our team, and nothing would happen to the princess even in that village.

When Ouyang Haonan returned to the middle-aged man's home, he saw bright lights everywhere inside and outside the house. Walking further inside, he saw Xia Xifeng sitting among everyone, and there were about ten people tied up under the lobby.

A man in black.

Look at the person sitting next to Xia Xifeng. It is none other than Yao Muzixi.

"Tell me, who are you?" Xia Xifeng glanced at the tied people in the hall and said softly.

Those people looked at each other, and the man in the lead gritted his teeth and said with a fierce look in his eyes: "Use people's money to eliminate disasters for others. The most important thing in our profession is credibility. If you want to kill, you must cut into pieces."

It's up to you."

Ouyang Haonan walked in, threw the woman in the middle of the crowd, and walked to Yao Muzixi's side.

"Only one woman was killed? I killed a whole bunch of people! Brother Ouyang, this seems a bit too hard to stand!" Xia Xifeng looked at the woman on the ground, then at Ouyang Haonan, with

Said with a bit of ridicule.

"Huh." When Ouyang Haonan heard what Xia Xifeng said, he just snorted and didn't want to pay attention to him.

The woman glanced at the men in black around her, and cursed in her mind: A bunch of idiots, I even lured that Ouyang Haonan away, but they couldn't even take away a woman.

Yao Muzixi looked at the woman and felt that the figure was somewhat familiar, so she walked up to her, raised the woman's face, took a closer look and said, "So it's you, Sunuo."

The woman raised her head in dissatisfaction and turned her head away from Yao Muzixi. Yao Muzixi knew in her heart that this woman was not the one sent by Concubine Chu Xiang to kill her and replace her?

"What does the princess want to do with these people?" Xia Xifeng looked playfully at Yao Muzixi and the group of men in black, as well as the woman Ouyang Haonan captured.

"Let him go!" Yao Muzixi heard Xia Xifeng ask him, so he stood up and said unhurriedly: "How can I be willing to kill these people who are all my fellow citizens of Yao Lan Kingdom?"

"Really let go?" Xia Xifeng was a little surprised when Yao Muzixi said this, and then looked at Ouyang Haonan.

Ouyang Haonan felt Xia Xifeng's gaze and stared straight at him. He looked up at the people in black and Yao Muzixi in the hall and said, "Let him go if the princess asks!"

The Return of the Reborn Princess

Chapter 076: Fengqi City

Xia Xifeng waved his hand to his subordinates and said, "Let them go!"

Xia Xifeng's men on the side walked over and untied the ropes for those people.

Those people glanced at Yao Muzixi, and only the woman named Sunuo just sat on the ground in a daze, saying nothing.

Yao Muzixi glanced at Sunuo, and said with a hint of ruthlessness: "Su Nuo, don't think that I don't know about Concubine Chu Xiang's conspiracy. Tell her that you will not survive if you do it yourself."

"She? She has nothing to do with me. I haven't thought about returning to the palace since I came out this time." Su Nuo sneered after listening to Yao Muzixi's words.

After Su Nuo said those words, he stood up and walked out of the room. Yao Muzixi did not stop him or say anything more. He just looked at Su Nuo's back in a daze.

Ouyang Haonan looked at the woman named Su Nuo, wondering what she meant by her words.

"Why don't you get out? Your princess doesn't care about the faults of others. She is willing to forgive even those of you who want to kill her. If you don't leave, I don't have such a good temper." Xia Xifeng's tone was indifferent and lazy.

He looked at the group of men in black below and said.

After listening to Xia Xifeng's words, Yao Muzixi smiled lightly at the group of men in black and said, "Juniors in the Jianghu are supposed to eliminate harm for the people, rob the rich and give to the poor. It's a pity that you have insulted the word righteous."

"Thank you for not killing the princess. If given the chance, the people under my sect will definitely go through fire and water for the princess, even to death. I will never do such evil things again." A rough-looking man stood in front of Yao Muzixi.

, Baoquando.

This man looked like the leader of this group of people, with determination and sincerity in his eyes.

Yao Muzixi was a little surprised, but only for a moment he regained his calm expression and said with a smile: "I only hope that you will use your martial arts skills to defend the territory instead of doing something harmful to nature."

"Princess, we are determined not to do this kind of thing again. This is the last time. Of course, our Guanyun Tan has always put integrity first. Please forgive us for not being able to tell you who the master is this time." The man asked Yao.

Mu Zixi bowed, took out a token from his sleeve, and handed it to Yao Mu Zixi's hand.

Yao Muzixi glanced at the man and had no intention of taking the token.

"I am Qiu Zishen, the deputy master of Guanyun Tan. This token represents the supreme authority of our Guanyun Tan. It is only worthy of the master of Guanyun Tan. Princess, please accept it." Qiu Zishen said.

After kneeling in front of Yao Muzixi, the group of men in black also knelt down when they saw Qiu Zishen kneeling down.

When Xia Xifeng saw this scene, he only felt that it was ridiculous. What was going on with this Guanyun altar? He actually wanted to recognize a woman as the altar owner. Could it be that he wanted to use her status as a princess to pave the way for himself?

Yao Muzixi pushed back Qiu Zishen's hand and said, "Since it is such a precious thing, how can I accept it?"

"This..." Qiu Zishen still looked like he was unwilling to give up, holding the token and said: "I closed the Yuntan altar because the altar master is no longer around and I can't find a suitable candidate. If the young master can return to the closed altar as soon as possible,

Yun Tan, I won't worry so much anymore."

"Since you have a young master, you should not take advantage of your master's hard work." Yao Muzixi looked at them and said kindly.

"It's just...my young master has not returned to Guanyun Tan for ten years." Qiu Zishen said with a bitter look on his face.

Ouyang Haonan saw them entangled so much, with a hint of anger on his face, and said: "Who is the princess? How can she be the master of a small sect like you..."

"Forget it. Ouyang Haonan, just let them go." Yao Muzixi looked at Ouyang Haonan and interrupted him.

"In this case, we will not force the princess. However, if the princess is in trouble in the future, we will give her a helping hand." After Qiu Zishen finished speaking, he stood up and led his men away.

When Ouyang Haonan saw that those people had left, he saw Xia Xifeng sitting in the lobby looking at him and Yao Muzixi leisurely. He coughed lightly and said, "The princess is not injured, right? What happened to that woman?"

thing?"

Yao Muzixi naturally knew that Ouyang Haonan was talking about Suno, and replied unhurriedly: "I'm fine, I was just drugged and knocked unconscious by Su Nuo. When I woke up, I was in this room."

"So that's it." Ouyang Haonan said thoughtfully.

"If I hadn't come by chance, I'm afraid something big would have happened here now." Xia Xifeng leaned on the large carved sandalwood chair and raised his eyebrows.

"Thank you, Third Prince, for reaching out to save me in time." Seeing Xia Xifeng say this, Ouyang Haonan just smiled and saluted Xia Xifeng with cupped fists.

"It's okay." Xia Xifeng said, then stood up and walked out of the lobby, shouting: "Butler Li, clean up the room for me."

A somewhat fat man immediately ran to Xia Xifeng and replied: "Yes, young master."

Ouyang Haonan glanced at the middle-aged man, isn't he the housekeeper of this family? Why do you call him Master Xia Xifeng? Is this Xia Xifeng's manor?

Early the next morning, Yao Muzixi and Ouyang Haonan took their troops to Fengqi City. Xia Xifeng excused himself from having something to do and would go to Fengqi City a few days later. In fact, he stayed here just to wait for Xia Liu.

cold.

When Yao Muzixi arrived in Fengqi City, he asked Ouyang Haonan to buy a manor. He thought that he would have many days in Fengqi City! Naturally, he had to solve the problem of housing.

Ouyang Haonan looked at Fengqi City. It seemed to be very rich and luxurious. It would be good to build a few shops here and do some business.

The manor Yao Muzixi bought was considered a big family in Fengqi City, and it was located in a downtown area, so it was naturally considered a respectable family.

Yao Muzixi visited Fengqi City for a few days. It has good mountains and rivers, and it is a place that does not lose its nobility. It is really good.

Yao Muzixi named his manor "Lanzhuang", which means nostalgic for his hometown, Landu.

It's just that although the location of Lanzhuang is good, there is a brothel opposite.

Every night there would be noises coming from the brothel "Zui Chun Lou" opposite.

Yao Muzixi looked at the Zuichun Building opposite, which was brightly lit and looked very comfortable, with a smile on her lips.

"Ouyang Haonan, are you there?" Yao Muzixi came to Ouyang Haonan's room, knocked on the door, and asked softly.

"I'm here." Ouyang Haonan's voice came from behind Yao Muzixi. Yao Muzixi turned around and bumped into Ouyang Haonan's arms.

Seeing that Yao Muzixi had lost his balance, Ouyang Haonan quickly stretched out his hand, and Yao Muzixi leaned straight against his chest.

"Princess, are you okay?" Ouyang Haonan hugged Yao Muzixi tightly and asked with concern.

Every moment between her and Ouyang Haonan in her previous life flashed in Yao Muzixi's mind. These days, she had worked so hard to restrain herself just to make herself forget those painful memories. But at this moment, she actually felt that she had feelings for Ouyang Haonan.

Nan still has a little dependence on her. This road is one she has never walked in her previous life, and she doesn't know whether it will be dangerous or not.

"Ouyang Haonan..." Yao Muzixi called softly, then stretched out his hand to push away Ouyang Haonan's grip.

Ouyang Haonan lost his mind for a moment. The woman in front of him was so beautiful and carefree, and she should not have to suffer such a fate. Only by protecting her well and protecting her thoroughly can I not leave any regrets for myself.

The Return of the Reborn Princess

Yao Muzixi has been in Fengqi City for a while and has played around. Now she is bored and at home. Thinking of her feelings for Ouyang Haonan last night, she felt a little sad. What did you do in the previous life?

What I have given cannot be repaid in this life. In this life, I hope I will no longer love you.

Ouyang Haonan came to Yao Muzixi's room with a bowl of stewed chicken soup. Xixi was combing Yao Muzixi's hair. Seeing Ouyang Haonan coming over, she quickly put down her work and patted Yao Muzixi gently.

shoulders.

"Princess, drink the chicken soup I just stewed!" Ouyang Haonan handed the chicken soup to Yao Muzixi's mouth and said softly.

Yao Muzixi glanced at Ouyang Haonan, and felt warm in her heart. In my previous life, I never knew that Ouyang Haonan's cooking skills were so good.

Yao Muzixi took the chicken soup from Ouyang Haonan, sat on the exquisite sandalwood carved table, and tasted it carefully. The taste was very delicious. She hadn't had a good meal in a long time.

"Is there more?" Yao Muzixi finished drinking, turned to look at Ouyang Haonan, and asked expectantly.

"There's more! The princess still wants to drink. I'll go and get it for the princess." After saying that, Ouyang Haonan left Yao Muzixi's boudoir and quickly brought over the stewed chicken soup.

Yao Muzixi looked at the big jar in front of her and was almost stunned. She spat and said: "Ouyang Haonan, Xixi, you can eat with me! If there is so much, it will overwhelm me to death."

Ouyang Haonan didn't refuse, so he scooped up three bowls of chicken soup and ate them together.

After Yao Muzixi ate chicken soup, she felt a lot more comfortable, her mind became more open, and her whole body was full of energy.

"Ouyang Haonan, I want to open an inn in Fengqi City, what do you think?" Yao Muzixi, Ouyang Haonan, and Xixi were walking on the street, and Yao Muzixi suddenly said.

"Open an inn?" Ouyang Haonan asked with a puzzled look.

"Yes, you go and help me prepare to buy a better place, and we can open an inn together." Yao Muzixi said to Ouyang Haonan confidently.

"Princess really wants to do this?" Ouyang Haonan didn't understand why Yao Muzixi suddenly wanted to open an inn, but he just felt that this inn was not so easy to open.

"Yes!" Yao Muzixi looked at Ouyang Haonan and smiled proudly. Then he walked into an inn and went to the best room inside.

Ouyang Haonan didn't understand what Yao Muzixi meant. He sat on the table and kept looking at the table with his right hand, as if thinking about something.

"By the way, Ouyang Haonan, I asked you to send me Feige a letter home. Do you have any news?" Yao Muzixi sat opposite Ouyang Haonan and suddenly asked.

"The emperor once sent a message and simply said a few words, 'Everything is fine, don't worry about it,' and he didn't say anything else." Ouyang Haonan replied.

Yao Muzixi sighed softly, glanced at Xixi, and said, "Xixi, go and call the boss of this store."

When Xixi saw the princess's instructions, she immediately replied: "Okay, princess."

Xixi walked out of the wing, and Yao Muzixi immediately locked the door, whispered into Ouyang Haonan's ear: "I want to raise troops and build a powerful mysterious army in Fengqi City."

Ouyang Haonan was at a loss when he heard Yao Muzixi's remarks. When would the princess be interested in the military?

"I hope as few people know about this as possible." Yao Muzixi looked at Ouyang Haonan with a determined look in his eyes.

"Since it is what the princess wants, no matter what I do, I will support the princess and stand on the princess's side." Ouyang Haonan drank a cup of tea and smiled softly at Yao Muzixi.

"Junior Brother Hua, just wait for me! Master said that we have plenty of time to meet in Fengqi City in the future, so don't be in such a hurry!"

A familiar voice reached the ears of Yao Muzixi and Ouyang Haonan from outside the door. Yao Muzixi looked at Ouyang Haonan blankly and said: "It's such a familiar voice, let's go and have a look."

"Okay." Ouyang Haonan nodded, picked up the sword in his hand, opened the door, and walked outside. He said to the backs of the two people: "Please stay."

Hua Tianze and Mo Jiangli turned around quickly when they heard someone calling them.

"Hey, isn't this the Crown Princess? What a coincidence!" The moment Mo Jiangli saw Yao Muzixi, he was also stunned, and then he suppressed these words.

"Mo Jiangli?" Yao Muzixi came to Mo Jiangli and looked at it carefully.

"Princess, we are so destined! We can meet here." Mo Jiangli couldn't help but joked when he saw Yao Muzixi's appearance.

Hua Tianze glanced at Ouyang Haonan, then at Yao Muzixi, smiled and said, "General Ouyang, long time no see!"

Ouyang Haonan glanced at the man in red clothes and silver hair, smiled slightly and said, "Nice to meet you."

Yao Muzixi glanced at Hua Tianze and felt embarrassed about what happened last time. At this time, Xixi had already invited the shopkeeper and was waiting behind them.

Xixi walked to Yao Muzixi, touched Yao Muzixi's sleeve, and whispered: "The boss is here."

Yao Muzixi turned around and glanced at the shopkeeper, then said to Hua Tianze and Mo Jiangli: "Since you are so destined, and you two are coming to Fengqicheng to find a master, why don't you go stay in my house first and then make any plans?"

?”

Hua Tianze just looked at Yao Muzixi with a smile and said nothing, but Mo Jiangli replied rudely: "Since the princess is so sincere, how can we refuse."

"We have already booked a private room here, how about we go sit together?" Yao Muzixi smiled lightly, then turned and walked towards his own private room.

Ouyang Haonan glanced at Hua Tianze and Mo Jiangli, smiled lightly and said, "Please!"

Hua Tianze just nodded and followed Yao Muzixi. They entered the side room together. Xixi poured tea for them and sat aside without saying anything.

Yao Muzixi looked at the shopkeeper who was standing aside, and touched Ouyang Haonan's arm. Ouyang Haonan walked over knowingly, invited the shopkeeper over and said, "Boss, why don't you come and sit with us? I think

I have a business matter with you, what do you think the boss would like?"

The boss glanced at Ouyang Haonan and felt that he was the head of a wealthy family. He nodded and bowed and said, "Young master, you can say whatever you want to me. As long as I can satisfy you, this business will be fine."

Of course I am happy to do it."

"Boss is serious, please sit down and talk first." Ouyang Haonan showed the shopkeeper where to sit and said with a humble smile.

"Okay, let's sit down and relax." The shop owner was quite happy, with a smile on his face.

Ouyang Haonan held the tea cup in his hand, took a careful sip, put down the cup, tapped his right hand on the table naturally, and said with a calm smile on his face: "I came here all the way and observed this place.

The situation of the surrounding inns is much worse than that of the main commercial street in Fengqi City. Moreover, there is more than one inn on this street, and the passenger flow is not very large. It seems difficult for the inn to continue operating for a long time. I don't know the boss.

Do you think my analysis is correct?"

When the innkeeper heard what Ouyang Haonan said, there was a trace of embarrassment on his face, and he said: "Young master's analysis is absolutely correct! I have also been worrying about this matter for a long time. In fact, I plan to sell this inn and go to another place in Yecheng.

The way to make a living is because no one has taken a fancy to this inn, so it has been postponed until now, and I am still doing business half-heartedly."

"That's very good. I want to buy this inn, and I would like to ask the boss to help me tell the truth when I can sell this inn." Ouyang Haonan followed the owner's words and explained his purpose.

The Return of the Reborn Princess

Chapter 078: Chu Siling

The shopkeeper took a look at the costumes of several people, and thought to himself that he seemed to be a wealthy customer. If he missed the opportunity again this time, he was afraid that it would be difficult to sell the inn in the future. He quickly agreed: "Only if the young master is sincere

If you want to do this business with me, it's better to choose a different day than today, what do you think?"

Ouyang Haonan glanced at Yao Muzixi, smiled lightly and said: "The boss is really refreshing. As for the rent, I will not let you suffer, boss."

Seeing how cheerful Ouyang Haonan was, the boss said cheerfully, "Why don't we calculate the price now?"

"Okay." Ouyang Haonan agreed immediately.

Yao Muzixi was secretly happy on the sidelines, thinking about her own wishful thinking.

The innkeeper wanted to sell out the inn, so he brought Yao Muzixi and a group of people to the counter to settle the bill.

Ouyang Haonan spent 500 taels of silver to buy a not-so-good inn, and he didn't feel that he was losing anything. As long as he managed it properly, it would not be a trivial matter to earn back the money.

Mo Jiangli really didn't understand why Ouyang Haonan wanted to buy this shabby inn, but he didn't want to ask any questions.

After packing up the house deeds, Yao Muzixi ordered Ouyang Haonan to send the servants away and return to his manor. Hua Tianze looked at the sky and it seemed a little late! This is how he spent today with them in this inn.

Already.

Arriving at Yao Muzixi's Lanzhuang, Hua Tianze and Mo Jiangli were sitting in the pavilion, planning tomorrow's schedule.

"Junior Brother Hua, why hasn't the master shown up yet? I don't know what urgent matter the old man has for us." Mo Jiangli looked at the moonlight and said absently.

"Maybe it's because of Bing'er." Hua Tianze glanced at the moon in the sky and sighed helplessly.

"You mean Bing'er is in Fengqi City." After hearing what Hua Tianze said, Mo Jiangli turned around and glanced at Hua Tianze.

Hua Tianze, however, concentrated on looking at the moon in the sky without moving his eyes, and said calmly: "Master has not given us any news since he went out to find Bing'er. If he contacted us this time, he must have found Bing'er.

Son."

"That's right, who is the master? Only that girl can cure him." After Mo Jiangli said this, a smile appeared on the corner of his mouth. It really has been a long time since he saw Bing'er!

Outside the door of Yuelan Inn.

Yuelan Inn is the inn that Ouyang Haonan bought. A woman with a beautiful and refined face knocked hard on the door of Yuelan Inn, but it was dark inside and there was no one there.

"Is there anyone? Open the door, shopkeeper, I am the girl who stayed here this morning. Please open the door for me quickly?" The woman knocked hard on the door but there was no response at all.

Half an hour passed, and the woman's voice was almost hoarse from shouting, but no one came to open the door for her.

"Does this girl want to stay?" A man's voice, with a strong aura of obscenity, sounded behind the woman.

The woman turned around and saw a fat middle-aged man standing behind her, his smiling eyes narrowed into a thin line.

"I've already stayed at this inn, but I don't know why. The inn was still running smoothly during the day, but at night, there seemed to be no one there. All my packages were left at the inn." The woman looked at her.

I glanced at the man, and although I felt a little disgusted in my heart, it would be much better if I could find a place to stay than sleeping on the street.

"Girl, you don't know something. This inn has been sold out during the day. The owner and waiter have all gone home. Why don't you, girl, stay at my inn?" The fat middle-aged man's face turned into a smile.

, like a meat ball.

"But, I have no money, and all my expenses are in my package." The woman looked at the man and said with an aggrieved look.

"It doesn't matter if you don't have money. I'll let you stay one night for free, girl. It's so dangerous for a girl to be out there in the middle of the night." The man's smile became more and more disgusting.

"My name is Chu Siling. Thank you for being so kind-hearted. I will definitely repay you in the future." The woman replied with a sweet smile. As long as she has a place to live, she would be grateful. What else could she choose?

When the man heard that Chu Siling seemed to agree to him, he smiled and led the way, about two hundred meters ahead, when a small inn appeared in front of him.

The man took Chu Siling into the inn, arranged a room, and walked out.

Chu Siling's body felt a little soft from exhaustion. After taking a bath, she lay on the bed and fell asleep.

In the middle of the night, Chu Siling only felt a dark shadow dangling in front of her eyes. She woke up with a start and saw two men all dressed in black approaching her bed.

Chu Siling tried her best to hold her breath, not daring to breathe. She was just secretly thinking of a way to escape. The two men in black were already moving to Chu Siling's bed, and a man in black tried to cover Chu Siling.

Ling's mouth and nose, another man in black tried to hold down his legs.

Chu Siling used all her strength to kick her feet at the man in black. She sat up, turned around, and kicked the two men to the ground. Chu Siling secretly felt lucky that she had learned some self-defense skills and immediately raised her feet.

He was about to run out the door, but at this time, the two men in black on the ground had already stood up and chased Chu Siling. Chu Siling opened the door regardless of the way, but his arms were held down.

The two men in black laughed loudly and said, "Young lady, you still want to run away. I have to catch you today and send you to a brothel to buy you a good price."

Chu Siling pressed hard on her back and felt a numbness in her hands. Then she kicked the two men in black with her feet. The two men in black only felt a heartbreaking pain in their lower bodies.

, he quickly let go of the woman's hand and covered the source of the pain. He whimpered, "Damn, you stinky bitch, it hurts so much."

Chu Siling said that when the two of them were lying on the ground in pain, she opened the door bolt and walked down, only to see the fat man who brought her here running towards her.

Chu Siling hesitated for a moment, then ran to the left. There was a window and there was nothing there. Chu Siling gritted his teeth and jumped down. Fortunately, there were many linen bags underneath. Chu Siling got up and jumped down.

He fled towards the inn where he was before, and the people chasing him gradually fell behind without a trace.

Chu Siling was exhausted and sat in a small corner next to the side door of Yuelan Inn. This place seemed to be very suitable for Tibetans. The curtain in the corner just covered her whole body. Chu Siling kicked hard, feeling exhausted both physically and mentally.

, and fell asleep.

Early the next morning, Chu Siling woke up and sat directly at the door of Yuelan Inn, waiting there. The anger in her heart made Chu Siling forget the feeling of hunger.

You are such a good shopkeeper, if you let me see you again, I will definitely blow your head off and make your aunt almost end up in a brothel.

The Return of the Reborn Princess

Chapter 079 Are you the owner?

Early in the morning, Ouyang Haonan got up and went to do the things Yao Muzixi asked him.

It was time to give this inn a good rest today. Ouyang Haonan found a dozen craftsmen and took them to Yuelan Inn.

Ouyang Haonan walked in front and came to the door of the inn. He saw a woman sitting by the door sleeping soundly. Ouyang Haonan patted the woman's shoulder and said softly: "Girl, please get up and make way."

."

Chu Siling was awakened by Ouyang Haonan, stretched out, rubbed her eyes, looked at Ouyang Haonan with sleepy eyes, stood up, and yelled at Ouyang Haonan angrily: "You belong to this inn

New shopkeeper? How did you become a shopkeeper? You actually locked out the customers, causing me to sleep outside last night and almost being bought into a brothel."

Ouyang Haonan looked at the angry woman in front of him with an innocent face and said, "What did this girl say? Why didn't I understand?"

Chu Si Lingqi was startled. He poked Ouyang Haonan's chest with his finger and said: "I said, I came to this inn to stay. When I returned to the inn last night, I found that there was no one in the inn. My package

But leave them all in the inn."

Ouyang Haonan finally understood the reason for Chu Siling's anger. He looked at her sympathetically and said with a smile: "Girl, don't be angry. I just took over this inn and sent the guys away because I thought there was no one around."

, I didn't know you were staying here, girl. I'm really sorry."

The more Chu Siling thought about it, the more annoyed she became. When she looked at Ouyang Haonan, her eyes were filled with a chilling air.

Ouyang Haonan felt strange when he saw Chu Siling, and looked away in embarrassment: "Girl, as the innkeeper, I will give you a reasonable compensation for your loss this time."

Chu Siling looked at Ouyang Haonan, feeling unhappy for a while, and wanted to spend some money to send me away? No way, the grievances this young lady has suffered cannot be settled with money.

"I don't want money." Chu Siling glanced at Ouyang Haonan with an angry look and said.

Ouyang Haonan looked funny and said lightly: "What do you want, girl?"

"I, I want you to be my current person, otherwise it will be difficult to relieve my unhappiness." Chu Siling said with the corners of her mouth raised. I haven't asked anyone for a long time. This feeling is really good!

Ouyang Haonan rolled his eyes at Chu Siling, shook his head, and ignored her. Then he went directly to open the door of the inn and walked in with the group of craftsmen.

Chu Siling had not recovered from the feeling of superiority just now. She only felt countless strange eyes looking at her. But she was standing motionless in front of the door of Yuelan Inn. Only then did Chu Siling react.

, I seemed to have been given acupuncture by the new shop owner just now.

All the passers-by on the street looked at the woman with strange eyes. Chu Siling cursed: "Please untie the acupuncture points for me quickly, or I will send someone to kill you."

"Damn bastard, stinky bastard..."

Ouyang Haonan sat on the counter and looked at the woman outside, who was scolding her vigorously. He just looked at her as if she were laughing and ignored her.

Chu Siling stood there motionless, feeling that her feet were getting more and more numb, her head became dizzy, and she fainted after a moment of dizziness.

Ouyang Haonan saw that the woman seemed unable to hold on. He walked quickly and quickly, and in a few steps he came to the woman. The woman suddenly fainted into his arms.

"Hey, girl, are you okay?" Ouyang Haonan patted the woman's face and asked loudly, but the little person in his arms remained motionless and his eyes were closed tightly.

Ouyang Haonan took her back to the house and ordered a craftsman to call a doctor.

Ouyang Haonan looked at the woman, smiled slightly and said, this is the first time he has seen such a fierce woman!

It was getting late, Ouyang Haonan gave instructions to the craftsmen, and then walked out holding the woman who was unconscious today.

Back at Lanzhuang, Yao Muzixi and Xixi were making a fuss when they saw Ouyang Haonan walking toward them with a woman in his arms.

"Ouyang Haonan? Who is this girl?" Yao Muzixi came to Ouyang Haonan, glanced at the sleeping woman in Ouyang Haonan's arms, and asked softly.

Ouyang Haonan just shook his head and said: "I don't know who she is. She said she stayed at the Yuelan Inn yesterday and was almost sold to a brothel."

Yao Muzixi covered her mouth and said with surprise: "Yuelan Inn? Isn't it the inn we bought? Then wasn't she last night..."

Ouyang Haonan nodded and said: "Today she was misbehaving in the inn. I tapped her acupuncture points, but unexpectedly she fainted. I had no choice but to bring her back. Where should she be put now?"

When Yao Muzixi heard what Ouyang Haonan said, she felt a little sorry for this woman. She glanced at Lanzhuang, pulled Ouyang Haonan's sleeve and walked towards her own wing.

"Princess, this is your room, why did you drag me here?" Ouyang Haonan paused at the door of Yao Muzixi's room and asked in confusion.

"Oh, okay. Let's go over there." Yao Muzixi thought about it and it was right. It seemed a bit inappropriate for a strange woman to live with him! Besides, Lanzhuang is so big.

Chu Siling was arranged into the room next to Ouyang Haonan. Ouyang Haonan and Yao Muzixi closed the doors and windows and went out.

Early the next morning, Yao Muzixi came to Chu Siling's room and asked Xixi to bring a bowl of porridge. Then he sat by the bed and stared at the sleeping woman on the bed, dazed.

Xixi brought the bird's nest porridge and walked up to Yao Muzixi and asked softly: "Princess, why don't you think she's awake yet? General Ouyang said she's been talking all day."

"Shh." Yao Muzixi gestured to Xixi, telling her not to make any noise.

Xixi stood aside obediently, wondering why the princess took such careful care of her.

When Chu Siling woke up, she only felt that her eyes hurt terribly and her body was numb and painful.

"Where is this?" Chu Siling looked at everything in front of her and asked blankly, unable to recover.

"This is Lanzhuang! Yao Muzixi felt happy when she saw the woman on the bed finally woke up. She looked at Xixi and said excitedly: "Xixi, hurry up and bring the bird's nest porridge."

Xixi handed the bird's nest porridge to Yao Muzixi. Yao Muzixi took the porridge and handed it to Chu Siling with enthusiasm: "Girl, you must be very hungry! Come and eat something."

Chu Siling looked at the porridge in Yao Muzixi's hand, and her stomach growled unsatisfactorily. Chu Siling smiled awkwardly and said, "I'm really hungry!"

Chu Siling took the porridge and wolfed it down. He finished the porridge in the bowl in a few times. But he still felt hungry, so he looked at Yao Muzixi again and asked sheepishly: "Is there any more? I haven't had any for a long time.

Such delicious food."

Yao Muzixi took the bowl from Chu Siling's hand, smiled slightly and said: "Yes, there are many more, you can eat as much as you want."

Xixi took the bowl knowingly and went to the kitchen to bring over a large pot of bird's nest porridge that had been cooked in advance."

Chu Siling ate five bowls in a row and stopped when she couldn't hold it any longer.

Yao Muzixi smiled sweetly and said, "Are you full?"

Chu Siling looked at the peerless woman in front of her and was a little stunned. This woman was so beautiful.

When she came back to her senses, Yao Muzixi was looking at her with a confused expression. She smiled awkwardly and said, "Why am I here?"

"You were brought back by Ouyang Haonan, so you stayed here first. We were the first to blame for what happened at the inn." Yao Muzixi only felt sorry for the woman.

"Don't tell me, I get angry when you talk about the inn." Chu Siling finally forgot about the Yuelan Inn for the time being, but when Yao Muzixi reminded her, she suddenly became furious again.

"I bought that inn, so..." Yao Muzixi looked at the angry woman and said angrily.

"Are you the shop owner?" Chu Siling looked at Yao Muzixi in disbelief and asked blankly.

"Yes!" Yao Muzixi replied decisively.

"Then who was that man yesterday? I must ask him to tell me why he tapped my acupuncture points." Chu Siling said with great determination.

"I still don't know what the girl's name is!" Yao Muzixi asked, blinking.

Chu Siling looked at the beauty in front of her and was embarrassed not to speak. She just hated the man who touched her acupuncture points in her heart, gritted her teeth and said, "My name is Chu Siling."

Yao Muzi smiled faintly and said, "Miss Chu, we will definitely make up for your losses in this matter."

Chu Siling glanced at Yao Muzixi and said: "Since you are the owner, let's forget about it! I have to leave now. I want to go to the inn to pick up my package. I wonder if it can be convenient for you.

Take me to get my things and I'll leave."

Yao Muzixi looked at Chu Siling and did not refuse her request: "Ouyang Haonan is at the inn! I will arrange for someone to take you there now."

Yao Muzixi arranged a carriage to send Chu Siling away, and then went back to her room to rest. For some reason, she felt dizzy these past few days, so she didn't go anywhere.

Hua Tianze and Mo Jiangli went to various corners of Fengqi City to find their master during the day, and returned to Lanzhuang at night. Yao Muzixi was at ease during the broad daylight.

Yao Muzixi was taking a nap, and bursts of noise woke her up. Yao Muzixi walked outside the palace and saw a large group of people passing by her Lanzhuang door. The reason for the excitement outside was Lanzhuang.

The Zuichun Tower opposite.

Yao Muzixi ran outside the door, took a glance, and happened to see a man in white clothes getting off the carriage, followed by a man in black clothes, and entered Zuichun Tower together.

The man in white smiled brightly, shining like a lily in the sun.

Yao Muzixi walked to the room, took Xixidu's hand and walked out. She pointed at Zuichun Tower and said to Xixi: "Xixi, I just saw a person. He is at Zuichun Tower."

Xixi looked at Yao Muzixi with a blank expression, and asked in confusion: "Princess, who did you see?"

"Xia Xifeng." Yao Muzixi said with contempt.

"Uh." Xixi looked at Yao Muzixi in astonishment. What's so strange about the third prince of the Xia Kingdom going to a brothel? Why did the princess react so badly?

"Xixi, think about it, how can you sneak into Zuichun Tower? I want to see what Xia Xifeng is doing in a place like that." Yao Muzixi pulled Xixi into the house.

"Well, that's not good! We are all from my daughter's family. It's probably not good to go to a place like a brothel!" Xixi looked at Yao Muzixi with a troubled face.

"What's the point? Let's go pretend as men!" Yao Muzixi looked at Xixi with a wicked smile and said.

"Princess, are you dressing up as a man again?" Xixi said with an aggrieved look.

"Anyway, we are new here. Who knew we were women? What are we afraid of? I just want to see what Xia Xifeng is up to?" Yao Muzixi looked expectant, as if he was going to catch a rapist.

.

"Okay, princess, I will listen to you." Xixi said and went to find clothes. Fortunately, she brought the two sets of men's clothes with her when she left the palace, otherwise she would have spent a lot of effort.

Yao Muzixi and Xixi changed their clothes and sneaked out of Lanzhuang. Even the servants of Lanzhuang did not notice their outfits.

"Look, let's go in from the outside!" Yao Muzixi took Xixi's hand and started to walk inside.

"I don't dare, princess..." Xixi stood outside the Zui Chun Building with a blushing face, feeling hot in her heart. She said that this brothel was a place for men looking for pleasure. How could she be so embarrassed to go in.

Yao Muzixi rolled her eyes at Xixi and said, "Why don't you dare? No one will eat you, and I'm blocking you in front!" Yao Muzixi was dragged to a brothel by Zuo Anchen when he was in Landu.

, so I didn't have anything special to say about this brothel. Several women outside Zuichun House saw Yao Muzixi and Xixi pushing each other there, looking indecisive, so they immediately came over and said, "You two gentlemen,

The long number is unique! Why don't you go in and sit down at Zuichunlou when you're here?"

Yao Muzixi smiled lightly and pulled Xixi inside, saying, "My younger brother is very afraid of strangers. It's his first time in a place like this, so he's a little shy."

After hearing what Yao Muzixi said, the women moved out of the way, said nothing, and continued to entertain their guests.

Xixi looked at the people in Zuichun Tower with a blushing face. Seeing several men pulling a woman to make love, Xixi was so angry that she didn't even dare to say anything.

Yao Muzixi took Xixi to the second floor and looked around. He happened to see Xia Xifeng and the man in black sitting not far away from him, talking about something. Yao Muzixi was about to walk over, but...

The way was blocked by a woman.

"Hey, these two gentlemen, who of our girls do you like?" The woman, with brightly colored rouge on her face, asked with a lively look on her face.

Yao Muzixi looked at this woman and knew that she was the Madam of Zuichunlou. With a smile on her face, Yao Muzixi took out a stack of banknotes from her sleeves and stuffed them into the woman's hand, saying

: "Mom is interested, I'm just here to sit and sit, you can go do your work yourself!"

"Okay! You two gentlemen, please do me a favor." The woman took the money, twisted her hips and left happily, no longer hindering Yao Muzixi and Xixi.

Xixi pulled Yao Muzixi's sleeve and said softly: "Princess, look, the third prince has come out."

"Ah?" Yao Muzixi was stunned for a moment, then came to his senses, quickly took Xixi's hand and went into a room next to her.

"Fortunately, Xia Xifeng didn't see me!" Yao Muzixi calmed down and patted his chest with his hand.

"Sir..." Xixi looked at the man and woman on the bed with an aggrieved expression. They were naked and making out, completely unaware that someone had sneaked in.

Yao Muzixi came back to her senses, glanced at Xixi, and then glanced at the direction Xixi was looking at. Her face suddenly turned crimson, and she heard the woman on the bed screaming softly and coquettishly. Hearing that voice, Yao Muzixi was stunned.

Mu Zixi felt her ears burning badly.

"Let's go!" Yao Muzixi couldn't bear the sight of a man and a woman on the bed, so she pulled Xixi's sleeves and said in a low voice, then opened the door and slipped out.

"Princess, the third prince..." Xixi's sharp eyes saw Xia Xifeng standing next to her, pulling Yao Muzixi's sleeve and whispering.

When Yao Muzixi heard this, he looked towards Xixi. He only looked at Xia Xifeng, who was wearing white clothes and standing next to Xixi. He felt nervous for a while, and Yao Muzixi took Xixi's hand and walked to the other side.

Unexpectedly, when he turned around, Yao Muzixi ran into the arms of a man dressed in black. Yao Muzixi didn't realize that there was someone standing next to him. He raised his head and took a look, uh, it was a man. uh, he seemed to be a handsome man.

Um, isn't he the man in black who was with Xia Xifeng just now?

"You're blocking my way." Yao Muzixi looked at the man in black and said word by word.

"You are the one following me!" Xia Xifeng came to Yao Muzixi, a trace of lazy ridicule flashed across her face.
