

The Return of the Reborn Princess

Chapter 081: Xia Xifeng's Fiancee

"...I'm not following you!" Yao Muzixi gritted his teeth, refusing to admit it even to death.

"Really not? Then why do you, a girl's family, come to a place like a brothel?" Xia Xifeng looked at Yao Muzixi, a trace of helplessness flashed in his eyes, lowered his voice, and whispered in Yao Muzixi's ear. Qing said: "Don't forget your identity. You are the crown princess of my Xia Kingdom. You don't come from anywhere."

"You..." Yao Muzixi felt agitated when he heard what Xia Xifeng said. What the hell is a princess? Did Xia Mingyu ever treat her as a princess?

The man in black vaguely heard the mention of the Crown Princess in Xia Xifeng's words, and glanced at the woman in men's clothing in front of him. She was so charming in men's clothing. If she was dressed as a girl, she would probably enchant all living beings!

"Okay, don't say anything, just let me go." Xia Xifeng gently took Yao Muzixi's hand and walked out.

The man in black and Xixi quickly followed them out of Zuichun Tower. A gorgeous carriage was already waiting outside the door of Zuichun Tower. Xia Xifeng took Yao Muzixi and sent her away in just a few strokes. After arriving in the carriage, Xixi was also put into the carriage by the man in black who was with Xia Xifeng.

"What do you want to do?" Yao Muzixi looked at Xia Xifeng and asked with an innocent look on her face.

"I'll take you to a safe place." Xia Xifeng smiled lightly, then lay down in the carriage, eyes slightly narrowed.

The man in black shouted to the coachman outside: "Go home." The carriage began to bump.

Four people were crowded in the carriage. Yao Muzixi looked at Xia Xifeng and the man in black with great embarrassment, and said displeasedly: "Where are you taking us?"

"Crown Princess, we are taking you to my Helian residence." The man in black glanced at Yao Muzixi and wondered whether it was etiquette to address her like this.

Yao Muzixi glanced at the man and felt a chill in her heart. Why did the Crown Princess sound so awkward? Yao Muzixi coughed on purpose, raised her voice and said, "In the future, please don't call me Crown Princess. I feel disgusted."

The man in black was speechless for a moment and didn't know how to respond to Yao Muzixi's words. He turned his face away in embarrassment and stopped looking at Yao Muzixi. After all, she was also born as a princess. If she said she didn't like us, it would be hard to disobey her.

"Han Yu, don't pay attention to her, just call her Princess." Xia Xifeng closed her eyes slightly and exhaled calmly and said.

Yao Muzixi glanced at Xia Xifeng, rolled her eyes at him, and said: "You, it seems, shouldn't be meddling in my affairs! I am the woman your prince and brother don't want, so you should be secretly happy in your heart!"

Xia Xifeng opened her slightly closed eyes and glanced at Yao Muzixi, feeling mixed emotions in her heart. Is this woman laughing at herself?

After Yao Muzixi said these words, the carriage suddenly became quiet. Only the creaking sound of the carriage could be heard. After an unknown period of time, the carriage finally stopped and stopped jolting.

The man whom Xia Xifeng called Han Yu walked out of the carriage, although Xixi wanted to get out of the carriage. There were only sleeping Yao Muzixi and Xia Xifeng in the car. Xixi wanted to wake up her princess, but But he was stopped by the man in black.

Xia Xifeng opened her eyes and glanced at Yao Muzixi, who was sleeping soundly in the car. She gently stroked her hair with her hands, only to find a dazzling strand of crystal blue.

Xia Xifeng was stunned for a while, and then took back his hand. He didn't dare to think about whether his guess was correct. He just didn't know who gave her the poison, and there shouldn't be anyone in the world who has that ability.

She has such poison in her body.

Yao Muzixi opened her sleepy eyes and saw Xia Xifeng looking at her blankly. Yao Muzixi rolled her eyes and said: "Have you never seen a beautiful woman? Looking at it for so long? And I am your emperor.

Sister-in-law, the Crown Princess. Do you know that this is disrespectful?"

Listening to Yao Muzixi's remarks, Xia Xifeng's eyebrows twitched and twisted into a ball. Who just said she was not allowed to call her Crown Princess?

Xia Xifeng sighed, ignored Yao Muzixi, opened the curtain of the carriage, and got out of the carriage.

Yao Muzixi also got off the carriage, and what appeared in front of Yao Muzixi was a mansion with the words "Helian Mansion" written on it.

"Third Prince, princess, please come in!" The man in black made an invitation gesture, and Xia Xifeng walked inside.

Yao Muzixi just looked at the mansion with a surprised expression. The man in black walked up to Yao Muzixi and asked in confusion: "What's wrong with the princess? Why don't you go in?"

"Um? Where is this Helian Mansion? It looks so impressive!" Yao Muzixi looked at the man in black and said.

"This is my home. Oh, by the way, I forgot to introduce myself. My name is Helian Hanyu. My father is General Helian and is in charge of all the affairs of Fengqi City. Therefore, when the princess comes to Fengqi City, it is natural that we, Helian Mansion, will receive her.

Yes." Helian Hanyu patiently explained to Yao Muzixi.

"Oh, so that's it!" Yao Muzi nodded clearly and walked in.

Helian Hanyu smiled softly, then followed and walked in.

"Brother Imperial, you are finally back. I am bored to death here. Didn't you say you brought me to see the world? Why don't you let me go out with you? Instead, let me stay at home to accompany Sister Fengwan."

When Xia Liuliang saw Xia Xifeng coming back, she immediately pestered him and said dissatisfiedly.

"Isn't it good for Liang'er to stay with sister Fengwan here? Sister Fengwan loves you so much, wouldn't it be good for you to accompany her?" Xia Xifeng just glanced at Xia Liuliang and smiled softly.

"That's not what I meant, it's just that I want to go out and see the world." Xia Liuliang said with an aggrieved look.

"Fourth Prince, Fourth Prince..." A sweet-looking woman, holding a kite in her hand, kept shouting.

Xia Liuliang looked in the direction of the woman, only glanced at it, then turned back and said to Xia Xifeng: "Brother Emperor, Sister Fengwan is here."

"I understand, go and have fun! I'll go see your sister Fengwan." Xia Xifeng said and walked towards the woman.

Xia Liuliang glanced at Xia Xifeng's back, then turned around, only to see Helian Hanyu followed by two men with fine features. Xia Liuliang felt that these two people looked very familiar, as if they had seen him somewhere.

, then he ran to Helian Hanyu and asked: "Brother Hanyu, are you the ones you hired to practice boxing with me?"

Yao Muzixi glanced at Xia Liuliang, feeling secretly happy in her heart. However, the moment she heard his words, she frowned, turned around and said angrily: "Xia Liuliang, please show me who I am.

Who is here to train you?"

Xia Liuliang felt that this person looked familiar, and his voice was also very familiar. Xia Liuliang walked up to Yao Muzixi, took a closer look, and suddenly realized: "You, aren't you the Princess of Yao Lan? Why are you here?"

Here? Also, you are already my eldest brother's crown princess, why do you still come out and show yourself?"

Yao Muzixi rolled her eyes at Xia Liuliang, pinched Xia Liuliang's face, and said with a hint of a ferocious smile: "Why haven't we seen each other for a few days and become less cute at all? Also, children are not allowed to interfere with adults.

It's something."

Xia Liuliang hates people calling him a child. He is already fifteen years old, how does he look like a child anymore?

"I'm not a child." Xia Liuliang opened Yao Muzixi's hand and pinched his face and said angrily.

"No matter how I look at you, you are just a child. Oh, by the way, where is your imperial brother?" Yao Muzixi smiled and put his arm on Xia Liuliang's shoulder.

"Brother Huang went to accompany his future sister-in-law." Xia Liuliang shrugged and said.

Yao Muzixi looked at him in astonishment and asked in confusion: "What sister-in-law?"

"I don't understand this? I just went with my fiancée." Xia Liuliang looked at Yao Muzixi as if he was an idiot.

Yao Muzixi was stunned and didn't react, but he saw Xia Xifeng sitting in a pavilion not far across the way. Next to Xia Xifeng, sat a gentle woman, holding a kite in her hand.

Her face was slightly flushed, and she looked extremely beautiful.

The red maple leaves were blowing down in the wind. Yao Muzixi only felt that the scenery in front of her was so beautiful, and the man and woman in the pavilion were as beautiful as a picture scroll. They looked like a couple of gods and goddesses, with charming smiles and picturesque eyebrows.

"So beautiful." Yao Muzixi said two words inadvertently. "It turns out that Xia Xifeng already has a fiancée!" This tone was not a question, but an affirmation.

Xia Liuliang looked at Yao Muzixi and said calmly: "My father has granted me the marriage a long time ago."

The Return of the Reborn Princess

Chapter 082: Ouyang Haonan, Stop For Me

Yao Muzixi looked at this scene, but her heart ached. Xia Xifeng already had a fiancée, and she was already married, right! Didn't she already have a husband? Why would she still have feelings for Xia Xifeng?

So caring? Maybe it's just that he kissed her.

It had only been a day since Chu Siling arrived at Yuelan Inn, but the inn seemed to have a completely new look.

Ouyang Haonan sat in front of the counter, leisurely looking at the appearance of the inn after some renovations. It seemed to be pretty good! Much better than expected.

Chu Siling took one look at the inn, walked up to Ouyang Haonan, and slapped him hard on the counter.

Ouyang Haonan just played with the ring in his hand leisurely, and said with a smile: "The girl seems to be recovering well!"

"Hmph, don't worry about it. Just bring my package and I'll leave right away." Chu Siling looked at Ouyang Haonan with obvious anger in her eyes.

"Here." Ouyang Haonan took out the package he found in a room beforehand, put it on the counter, then turned around and ignored Chu Siling.

"Ouyang Haonan, right? Your name is Ouyang Haonan, I remember you." Chu Siling held the package tightly in her hands, her eyes full of anger.

Ouyang Haonan raised his eyebrows, glanced sideways at Chu Siling and said, "That's right."

"you....."

"What's wrong with me?" Ouyang Haonan looked back at Chu Siling and asked proudly.

Chu Siling deliberately looked relaxed, folded her arms across her chest, and said with a clear meaning: "You're fine, I just want to tell you that I'm very interested in you."

When Ouyang Haonan heard such words coming out of this woman's mouth, he was so shocked that he didn't know what to say. He turned around dully and said, "You must be seriously ill! Go find a doctor quickly.

"

Chu Siling just smiled proudly, obviously feeling secretly relieved when he saw Ouyang Haonan's appearance, and said: "I am not sick, and I solemnly tell you, I am not joking, I am serious."

Ouyang Haonan glanced at Chu Siling with strange eyes and said, "I'm not such a casual person."

"I don't care who you are, but I'm interested in you anyway. I will follow you every day from now on, and I will go wherever you go." Chu Siling didn't care what Ouyang Haonan said and said to herself.

Ouyang Haonan ignored her, just shook his head and walked out of the inn. Chu Siling followed behind and shouted: "Ouyang Haonan, stop!"

Ouyang Haonan paused or stopped his steps, and asked in an indifferent voice: "What are you doing?"

"I, I have nowhere to go! Of course I will follow you. I will go wherever you go." Seeing Ouyang Haonan stop, Chu Siling hurriedly ran to Ouyang Haonan, looking pitiful.

He said with a Xi look.

"I don't accept maids." Ouyang Haonan glanced at Chu Siling and said calmly.

"I'm not here to be your maid either." Chu Siling didn't dare to show weakness.

Ouyang Haonan looked at the woman in front of him and sighed, "It's boring." Then he turned sideways and walked past Chu Siling.

Seeing him like this, Chu Siling didn't feel angry. She just wanted to follow him, which was better than running around alone! Although he had been unreasonable to himself before, after thinking about it, he still let it go.

Asking a doctor to treat him and taking her back to live in his house shows that he is not a bad-hearted person. Moreover, he looks pretty good, but he is a bit uncharacteristically charming.

"My name is Chu Siling. I'm very pitiful. I don't have any relatives here, so you just take me in! Do you have the heart to see me, a weak woman wandering around? What if I am captured by bad guys?..." Chu Si

Ling followed Ouyang Haonan, chattering endlessly.

"That's your business." Ouyang Haonan just walked his own way. After saying this, he used Qinggong, flew up, and soon disappeared from Chu Siling's sight.

"Damn it." Seeing Ouyang Haonan avoid her, Chu Siling stamped her feet angrily, so she also used Qinggong to catch up.

After a while, Chu Siling saw Ouyang Haonan walking towards the house where he came out during the day. Chu Siling followed closely and secretly said happily: "Look where you are going? Monk, you are running away."

I can't escape the temple."

Ouyang Haonan returned to Lanzhuang, originally wanting to report that the matter at Yao Muzixi's Inn had been settled, but after searching all over Lanzhuang, he could not find Yao Muzixi and Xixi, and he couldn't help but feel worried.

"Where's the princess?" Ouyang Haonan looked at the maid Xiaorou who was actually cleaning Yao Muzixi's room and asked softly.

Xiaorou quickly put down her work, glanced at Ouyang Haonan, and said timidly: "The princess was still there in the morning. The princess went to see the woman you brought back in the morning, and then I didn't see the princess.

"

Ouyang Haonan glanced at Xiaorou, a girl who usually didn't talk much. She seemed to be well-behaved and sensible. Seeing that she didn't know, Ouyang Haonan just said softly: "Go down!"

Xiaorou glanced at Ouyang Haonan and walked out, not daring to look back.

Ouyang Haonan walked out of Lanzhuang helplessly, only to see Chu Siling sitting in front of the gate, looking at him with a leisurely look.

When Chu Siling saw Ouyang Haonan coming out, she immediately stood up, walked to Ouyang Haonan, and said with a proud smile: "Look, I found you! I tell you, I said I was interested in you.

, you can never escape from my Wuzhishan."

Ouyang Haonan didn't even look at her, and walked straight in front of Chu Siling.

Chu Siling wasn't angry either, she just followed to see what he could do to her.

"I asked, why are you so ignorant of style?" Chu Siling followed for a while, but Ouyang Haonan didn't even look back at her. Chu Siling ran in front of Ouyang Haonan and blocked his way.

"I'm not in the mood to pay attention to you right now." Ouyang Haonan said calmly, his face as cold as ice.

"Hey, you..." Chu Siling glared at him angrily.

Ouyang Haonan casually pushed Chu Siling away gently and walked away on his own. God knows how irritable he was at the moment. The princess was gone, and she didn't know where she went without warning. Without him by her side, she

Will something happen? Will she be caught by those assassins? Where is she?

Ouyang Haonan's heart was in a mess, and all he could think about was Yao Muzixi's unexpected encounter.

Countless scenes replayed in Ouyang Haonan's mind, and he couldn't contain his panic. Why, why couldn't I protect her? Why was I so careless and left her at home? What should I do if something happened? What should I do?

manage?

Dressed in dazzling red, he came to Ouyang Haonan's side gracefully. Hua Tianze patted Ouyang Haonan on the shoulder and said, "Mr. Ouyang, what's wrong with you?"

Ouyang Haonan's eyes were filled with bloodshot eyes. He turned back to look at Hua Tianze, grabbed his shoulders, shook him and shouted loudly: "The princess is gone, gone. I have been looking for her for a long time but I can't find her. Do you know her?"

Where?"

Hua Tianze was a little dizzy from being shaken by Ouyang Haonan, and quickly stopped him: "Master Ouyang, please calm down."

Hua Tianze looked at Ouyang Haonan's haggard expression and was shocked that Ouyang Haonan actually cared about the princess so much.

The Return of the Reborn Princess

083 I'm Worried About You

"It will be fine. I heard that the third prince has come to Fengqi City. Maybe the princess is with him. Master Ouyang, don't worry too much." Hua Tianze remembered what Mo Jiangli had told him before about the third prince.

Having already arrived at Fengqi City, he thought that if the princess was there, it would be okay.

When Ouyang Haonan heard what Hua Tianze said, he immediately became more energetic and asked with a hoarse voice: "Really? Let's go find the princess now."

"Okay, let's go find the princess now. But we should go to Jiang Li first. He has always had a good relationship with the third prince, so he should know where he is." Hua Tianze comforted the emotionally unstable Ouyang Haonan.

I have never seen Ouyang Haonan so emotionally unstable before.

Ouyang Haonan nodded and followed Hua Tianze to a restaurant. On the second floor of the restaurant, in a private room, Mo Jiangli sat at the table and talked to an old man with gray hair and a young woman.

What are you wearing?

The woman's slender and graceful figure is very attractive. There is a lively aura between her eyebrows and eyes, which is natural. She has a light fragrance on her body, which is not like the smell of powder, but like the smell emanating from her own body.

Body scent.

Hua Tianze and Ouyang Haonan walked to the side room, closed the door, and sat down at the table together.

Ouyang Haonan looked at several of them and looked at Hua Tianze in confusion: "Aren't you going to take me to where the third prince is to find the princess?"

"Looking for the princess? What's wrong with that little beauty?" Mo Jiangli became interested when Ouyang Haonan said this.

"The princess is missing. I think she is at the third prince's place. Didn't Jiang Li also say that the third prince came to Fengqi City two days ago? No matter where the princess is, find the third prince first and then we can make plans." Hua Tianze

He looked calm and analyzed patiently.

"I think this will work. As far as I know, the third prince mentioned to me before that the emperor granted him a marriage. The fiancée of this third prince is the daughter of General Helian of Fengqi City. I think it should not be difficult to find the third prince. We

Just go to Helian Mansion and look for it." Mo Jiangli also felt that Hua Tianze's analysis made sense and added.

"I said, who are you talking about, the third prince, the princess, or the fiancée? You all confused me." The woman sitting at the same table with Mo Jiangli interrupted their conversation unhappily.

"Bing'er, this matter is very complicated. I will explain it to you slowly when I get back." Mo Jiangli glanced at the woman and said dotingly.

Hua Tianze glanced at the gray-haired old man and then at the woman whom Mo Jiangli called Bing'er. He stood up and said softly: "By the way, I forgot to introduce you. This is my master.

Hua Guzi." Hua Tianze pointed his finger at the old man, then glanced at the smart woman and said, "This is my little junior sister, my master's daughter Hua Lanbing'er."

Ouyang Haonan hugged the old man and said, "Junior Ouyang Haonan, Senior Hua, Miss Hua, junior, you are rude."

Hua Guzi glanced at Hua Tianze, then at Ouyang Haonan, with a look of admiration on his face and said: "Young Master Ouyang has a spiritual energy coming out of him. He is really a martial arts prodigy. I don't know if Young Master Ouyang can do it."

If you are willing to worship me as your teacher, I will definitely teach you what I have learned throughout my life."

Ouyang Haonan looked at the flower bone in astonishment for a while. He didn't understand why he was so flattering to him, and asked: "Senior, why are you so flattering to me? I'm afraid that I can't live up to my senior's wishes and live up to my senior's wishes."

Mo Jiangli and Hua Tianze just looked at each other and smiled. Anyone who can be favored by the master must have something special. It seems that Ouyang Haonan is indeed a talent. Hua Tianze patted Ouyang Haonan lightly.

Looking over his shoulder, he smiled lightly and said: "Master Ouyang, why should you refuse the master's kindness? There are not many people who can be attracted by the master. The master loves talents, so why don't you fulfill the master's wish? It will not do any harm to you."

"This..." Ouyang Haonan hesitated for a second, then immediately stood aside, knelt on the ground and kowtowed to the flower bones, which was regarded as his apprenticeship: "Master, please bow to me, apprentice."

."

"Okay..." Na Huaguzi looked at Ouyang Haonan and quickly helped him up, his face filled with infinite energy.

"Then I have another senior brother, so that's good. I have one more person to play with." Hua Lan Bing'er glanced at Ouyang Haonan and felt that this man was so lively and charming, with a hint of naturalness in his bones.

Temperament. However, no matter how good the other men are, there is only Hua Tianze in my heart.

"I didn't expect that the master has not accepted outside apprentices for so many years. Today, when I saw Mr. Ouyang, he took the initiative to accept you as his apprentice. It seems that Mr. Ouyang and the master are really destined!" Mo Jiangli smiled softly, joked, and sat down.

We ate food and wine on the table.

"Some people and things are destined." Hua Guzi said meaningfully, and then started to eat his own food.

After dinner, Mo Jiangli took everyone to Helian Mansion. He had been to Helian Mansion before, so it was not difficult to find it.

Mo Jiangli notified the servants in Helian Mansion. After a while, Xia Xifeng came out. She was a little surprised when she saw Mo Jiangli and the others. Ouyang Haonan also came. He must have come to see the princess.

"Brother Mo, General Ouyang, Mr. Hua, you are all here. It seems we are going to celebrate today." Xia Xifeng said happily.

Xia Xifeng came to his senses, and there were two more people following them! Xia Xifeng walked up to Hua Guzi and asked respectfully: "I wonder who these two are?"

"Third Prince, you are so polite. I am Hua Guzi, the old man from Wanhua Valley. This is my daughter, Bing'er." Hua Guzi glanced at Xia Xifeng and replied respectfully.

"I've heard about the reputation of my senior for a long time, and I'm really lucky to meet you today. Please come in and invite me!"

Strange people and strangers all came out this time, and I don't know if it's a good thing or a bad thing.

Xia Xifeng led them into Helian Mansion. Ouyang Haonan walked to Xia Xifeng anxiously and asked: "I wonder if the third prince has seen the princess. The princess is missing. I am really worried."

Xia Xifeng just smiled indifferently and pointed to the pavilion opposite. Ouyang Haonan looked up and saw Yao Muzixi and Xia Liuliang sitting in the pavilion making kites. Ouyang Haonan ran forward and hugged him

Yao Muzixi said with rapid breathing: "Princess, do you know how worried I am when you disappear like this? I am very worried about you."

Yao Muzixi did not react. She only felt her body tightening and she was lifted up by a force and fell into a warm chest. Listening to Ouyang Haonan's voice, Yao Muzixi coughed and said: "Ouyang Haonan

, how did you find here? I'm fine, you don't have to worry. But you'd better let me go first, I can't breathe."

Ouyang Haonan realized that he had forgotten his sense of propriety in his excitement. He quickly retracted his hand and looked at the person in front of him, but he felt indescribably relieved. At least she was safe at the moment, that was all.

"Brother Ouyang, why are you here? I miss you so much!" The moment Xia Liuliang saw Ouyang Haonan, he felt excited. He had dreamed about this man countless times in his dreams. He was so kind and real.

a feeling of.

The Return of the Reborn Princess

"Fourth Prince, are you here too?" Ouyang Haonan turned around and glanced at Xia Liuliang and asked puzzledly. Then, he rubbed his hair with his hand, as if he was doting on him.

.

"That's right! My father and I asked to come to Fengqi City with my brother. I want to see the outside world and don't want to stay in the palace all the time." Xia Liuliang looked at Ouyang Haonan and said seriously.

"Your father is doing everything for your own good. People in the outside world are evil." Ouyang Haonan looked at Xia Liuliang and felt like he wanted to protect him, as if he was his biological brother and he had the responsibility to protect him.

.

"Well, I know, it's just that I don't like the life confined in the palace. I yearn for the world, the world outside. I want to live with the people I like and live the life I want together. That's life...

...." Xia Liuliang said, with a look of longing in his eyes. It was getting late, and the sun was slowly setting behind the horizon.

The cold wind was blowing gently, and there was a bit of biting chill. It was winter now, but it hadn't snowed yet.

Yao Muzixi looked at the sky outside the window and felt a chill in her heart. How many more winters can I survive like this? Maybe many things in my fate have already been decided, but why should I be reborn again? After rebirth, I dare not

No matter if I live my life as casually as before, I will be afraid that maybe one morning when I wake up, everything in front of me will no longer exist.

The moon is very round, it must be the fifteenth day today! I think it has been a month since I came to Xia Kingdom! Yao Muzixi's inner uneasiness filled her whole body, but she didn't know who to talk to, even if others knew about her uneasiness.

So what?

A whistling sound could be heard clearly from not far away. Yao Muzixi twitched the corners of his lips. He was such a leisurely and elegant person. It was already late at night, but he still had such interest in playing the flute.

Yao Muzixi searched for Xiao Sheng and came to a pavilion. The moonlight was clear and light, glowing with vivid silver. It shone on the body of the man in red clothes and white hair, as if it was coated with a layer of silver. Yao Muzi looked at it.

Xi was in a trance.

At the end of the song, Hua Tianze turned around, glanced at Yao Muzixi who was standing not far away, smiled slightly, and walked towards her.

Yao Muzixi hurriedly wanted to escape, but after thinking about it, since she was here, there was no need to escape.

The breeze blew Hua Tianze's silver hair, like a ball of shining ice and snow, which was so touching. Hua Tianze casually took off the cloak on his body, and the fiery red clothes were exposed in the moonlight, alluring and charming.

dust.

"It's windy outside, and the princess is thin, so it's better not to be blown by the cold wind outside." Hua Tianze said as he put his cloak on Yao Muzixi's body.

Yao Muzixi looked at Hua Tianze's delicate face and said with a faint smile: "In the world, information changes all the time. No one knows where someone's next step will be and where the road ahead will go. Once, I thought

Everything I own will never leave me, but I gradually understand that what you own is not really yours, it only belongs to you temporarily. You can't understand people's hearts, and you won't know that some people

I treat you very well, but secretly I want to kill you a thousand times."

Hua Tianze listened to her words blankly, and suddenly felt that this princess was a bit elusive. She seemed innocent and harmless, but she might have a lot of pain and helplessness hidden in her heart that outsiders could not understand.

"I think in life, you don't have to worry too much about gains and losses. There are times in your life that you must have, but there is no time in your life. Don't force it." Hua Tianze looked at the woman in front of him, his voice was charming and hoarse.

Yao Muzixi raised her head to meet his eyes, and saw a pair of eyes as clear as springs looking at her.

"Haha... Young Master is really open-minded. Maybe fate is really not what you imagined. Otherwise, why would it give you a chance to start over again?" Yao Muzixi's eyes were a little misty, and she didn't know what she was looking at.

.

"I don't quite understand what the princess said, but I can see that the princess must have encountered something sad." Hua Tianze looked at Yao Muzixi. Her eyes were full of sadness, which was the same as the feeling he gave her when he saw her during the day.

It really doesn't look like it, it doesn't feel right intuitively, it's like it has been through a lot of weather overnight.

"If I want you to help me, I wonder if Young Master is willing?" Yao Muzixi looked at Hua Tianze, his eyes as deep as a blue pool, seeming to attract her deeply.

"Princess, just tell Hua Tianze if you need me. I will be happy to help you." Hua Tianze glanced at the full moon in the sky and said calmly.

"Really?" Yao Muzixi turned back to look at Hua Tianze, with a bright luster flashing in his eyes.

Hua Tianze just pursed his lips and chuckled: "Of course it's true. It's not for any reason, it's just random. But princess, you can rest assured about my attitude towards doing things. I will never become a deserter halfway."

Yao Muzixi looked at Hua Tianze and felt that this man was surprisingly charming: "I'm tired. Master, please go back and rest early!"

After Yao Muzixi finished speaking, she turned around, left the pavilion, and walked towards her private room. Hua Tianze looked at her back, a little lost in thought. What this woman was hiding in her heart was not just her own private affairs, but something that concerned the world.

She knew that she could not turn things around on her own, so why couldn't I help her?

The sun shines through the window and shines on Yao Muzixi's body through the screen. Her sleeping posture is comfortable and lazy. She rubbed her eyes and took a look, it's getting late! I have to go back to Lanzhuang today.

Yao Muzixi combed her hair into a simple bun, put on her men's clothes, and sighed softly. She was hesitating whether to join forces with Hua Tianze or if she would join forces with him to plan her own plan.

People will know about it, but doing it alone is really helpless.

How to do it? To do it or not to do it? Everything was just in her mind. She knew very well that if she didn't do it, so what if she married into the Xia Kingdom? It still couldn't change the tragic fate of Yao Languo, but from Concubine Chu Xiang

This can be seen from the fact that he sent people to assassinate her several times.

That Sunuo was still placed in Zuichun Tower by himself! The top priority now is to acquire Zuichun Tower and reopen it by himself. Su Nuo is the daughter of Concubine Chu Xiang, and she knows everything about her. Can she be trusted or not?

This is a question. In short, whether she really wants to join forces with her or is fake, we must guard against her. The so-called guarding against others is indispensable.

Xixi came to Yao Muzixi's room and saw that she was already fully dressed, so she went to the kitchen to get a bowl of soup to replenish her body and gave it to Yao Muzixi to drink.

Yao Muzixi came to the main hall. Ouyang Haonan and the others were already waiting here. General Helian had also returned and was talking to Xia Xifeng. When he saw Yao Muzixi coming out, he looked at Xia Xifeng with a puzzled expression and asked

: "Who is this little brother? Why hasn't the Princess Yao Lan you mentioned shown up yet?"

Xia Xifeng glanced at General Helian and whispered softly: "She is the princess of Yao Lan, just pretending to be a good man."

"Oh, that's it!" General Helian seemed to suddenly realize it. He walked in front of Yao Muzixi, bowed and said, "I am the general in charge of Fengqicheng, Heliancheng. The princess condescends to come here, little man."

I feel really ashamed that I have not fulfilled my duty as a landlord."

The Return of the Reborn Princess

Yao Muzixi stepped forward and quickly helped He Liancheng up, saying: "General, you have your heart. There is no need to be so polite."

He Liancheng stood up and retreated to Xia Xifeng.

Yao Muzixi walked up to Xia Xifeng, looked up at him, and said lightly: "I have something to do today, so I will no longer stay at General Helian's Mansion."

Xia Xifeng glanced at Yao Muzixi, then at Hua Tianze and Mo Jiangli, and asked, "If the princess has something to do, don't force her to stay! Jiang Li, what are your plans?"

Mo Jiangli smiled calmly and said: "I haven't been here for a long time! The last time I came was probably three years ago! I won't leave."

Xia Xifeng smiled with satisfaction and said, "Master and Mr. Hua, you can stay together too!"

"I also have something to deal with, and I'm afraid I can't stay here for long." Hua Tianze quickly stepped forward to reject Xia Xifeng's kindness.

Mo Jiangli looked at Hua Tianze with a puzzled look on his face and said, "Junior brother, there are still things to deal with? Why don't I know? How about I go deal with it with you!"

Hua Tianze just smiled and said: "No need, senior brother, just stay here! It's not a big deal, I can handle it myself."

Only Yao Muzixi knew why Hua Tianze was in trouble. His job was just to help her acquire Zuichun Tower.

"I will go wherever the second senior brother goes. Anyway, I just want to be with the second senior brother." When Hua Lan Bing'er saw that Hua Tianze said he had something to leave, she naturally refused to stay here and quickly grabbed Hua Tianze's hand.

Hand said.

Hua Tianze glanced at Bing'er, gently scratched the bridge of her nose with his finger, and said dotingly: "You stay here with senior brother and master, I will come to see you in a few days."

"No, I don't care anyway, I will go wherever you go, otherwise, I want you to never find me again." Hua Lan Bing'er said as if she was angry and coquettishly.

Hua Tianze just smiled lightly and had no other choice. Hua Guzi walked up to Hua Tianze and said, "I'll go with you too! Just let Li'er rest here for a few days before joining us."

"

Mo Jiangli saw that his junior sister was so determined, and the master also spoke, and said helplessly: "Then let them go!"

Ouyang Haonan glanced at everyone, walked to Yao Muzixi, and said softly: "Princess, I'm going to prepare the car."

Coming to a corner, Ouyang Haonan saw Xia Liuliang and a woman making kites. Ouyang Haonan walked over, patted Xia Liuliang's shoulder lightly and said, "Fourth Prince, what are you doing?"

?"

Xia Liuliang was startled, patted her chest and said, "Who? You scared me to death!"

Ouyang Haonan pursed his lips and smiled and said, "It's me! What are you afraid of?"

Seeing Ouyang Haonan's bright smile, Xia Liuliang felt warm in her heart, and she also laughed, her face as bright as the morning sun: "Brother Haonan, will you take me to practice martial arts in the future? I want to practice martial arts, so that I can protect you."

It's someone I want to protect."

Ouyang Haonan touched Xia Liuliang's head and said with a smile: "I promise you whatever you say."

"Really?" Xia Liuliang's eyes were shining like stars, and he excitedly pulled Ouyang Haonan's sleeve and asked.

"I wonder what Mr. Ouyang is planning to do?" A soft voice reached Ouyang Haonan's ears. The woman was none other than Xia Xifeng's fiancée, Helian Fengwan.

Ouyang Haonan glanced at the woman, looked at Xia Liuliang with a puzzled look and asked softly: "Who is this girl?"

"This is Sister Helian Fengwan, my imperial brother's fiancée." Xia Liuliang also whispered in Ouyang Haonan's ear and told him.

"Miss Helian, I originally planned to prepare the carriage. Today I will take the princess back. I still have some things to deal with!" Ouyang Haonan looked at Helian Fengwan and said truthfully.

"You are leaving so soon? Why don't you stay for two more days?" Helian Fengwan's eyes were gleaming with water, and they were so beautiful.

"I will definitely come back to the house to bother you when I have time in the future. It's just that I'm really busy these days and I have some things to deal with." Ouyang Haonan looked at the woman and just took a look at her secretly. She was really a gentle and pleasant woman.

"Then Mr. Ouyang, go and get busy! I can't force you to stay." Helian Fengwan said with a bit of regret in his eyes.

Ouyang Haonan, Xia Liuliang, and Helian Feng said goodbye at night, then went to call a carriage and take care of everything.

Xixi, dressed in men's clothing, glanced at Ouyang Haonan and said, "The princess asked me to see if the general has prepared the carriage. He said he is about to return to Lanzhuang!"

"Okay, go tell the princess! We can set off." Ouyang Haonan looked at Xixi and smiled lightly. That smile was like a beautiful smile, and it penetrated deeply into Xixi's heart.

Xixi looked at Ouyang Haonan in a daze, then her face turned red and she ran away in a confused mood.

A group of six people got on the carriage and drove to Lanzhuang. When they returned to Lanzhuang, Ouyang Haonan saw Chu Siling sitting in front of Lanzhuang from a distance, holding her package.

Ouyang Haonan got off the carriage, walked to Chu Siling, and said lightly: "Why are you still here? Didn't I return your package to you?"

When Chu Siling saw it was Ouyang Haonan, she looked at him with a smile on her face and said, "As I said, I am very interested in you, so I decided to be with you! I will follow you wherever you go.

where."

"Why are you such a difficult woman?" Ouyang Haonan glanced helplessly and asked.

"Huh, if you say I'm difficult, that's your fault. Anyway, I won't give up on my own ideas and pursuits just because of your words." Chu Siling glared at Ouyang Haonan and said stubbornly.

"Miss Chu? Are you still there? I thought you had left! Why don't you stay with me?" Yao Muzixi got off the carriage and saw Ouyang Haonan talking to a woman. Taking a closer look,

It turned out to be Chu Siling.

"Okay! I'm worried that I have nowhere to go! Thank you for taking me in!" Upon hearing this, Chu Siling hurriedly walked up to Yao Muzixi, held her arm and said with a smile, and glanced at her with great pride.

Ouyang Haonan.

Hua Tianze got out of the carriage and watched this scene and felt it was secretly funny. He felt that Mr. Ouyang seemed to be deflated!

Hua Tianze, Hua Lan Bing'er and Hua Guzi lived in Lanzhuang together. Hua Lan Bing'er asked curiously: "Didn't the second senior brother say that he had something to deal with? Why did he come to this princess's house?"

Hua Tianze smiled lightly, glanced at Hua Lan Bing'er and said, "We have food and accommodation here and we don't have to stay overnight, so why not?"

"Is that so?" Hua Lan Bing'er asked with a puzzled look on her face. She always felt that something was wrong.

It was late at night, Yao Muzixi secretly took a pill, put on a brocade robe and walked out.

The Return of the Reborn Princess

Yao Muzixi gathered the brocade robe that was draped around her body with her hands. The wind was really strong tonight!

After turning through several circular arches, we came to a lotus pond. Even in winter, this lotus pond had lost all life, and the water surface was calm and without any ripples.

Dressed in red and with silver hair, Yao Muzixi's eyes hurt deeply. Yao Muzixi looked at the man lying lazily by the pool, lightly opened her red lips, and said slowly: "I thought you wouldn't come.

Woolen cloth!"

"How could I go back on what I promised?" Hua Tianze looked at the woman under the moonlight, smiled calmly, and said frankly.

"But why are you willing to help me? Don't you have any worries?" Yao Muzixi looked at him and asked cautiously.

Hua Tianze just narrowed his charming eyes slightly, still lazy, but with a playful smile: "Then why are you willing to believe me? Why are you willing to ask me to help you instead of others?"

Yao Muzixi listened to Hua Tianze's words, lowered his head, smiled, and said: "This is an intuition, an intuition that you are the one who can help me."

"I'm the same as you! It's also an intuition. I have to help you." Hua Tianze seemed to be teasing unintentionally, but with a bit of sincerity.

"In this case, we will comply with destiny. I want to acquire Zuichun Tower in your name." Yao Muzixi looked at Hua Tianze and said calmly, without a trace of emotion in his eyes.

Hua Tianze lazily stood up, stood behind Yao Muzixi, gently lifted up Yao Muzixi's somewhat loose brocade robe with his hands, and said: "It's windy now, go back!"

I know what to do!"

Yao Muzixi looked at Hua Tianze blankly and asked quickly: "Don't you ask me why I did this?"

"I don't want to ask these questions, because one day I will know what you want to do, so why rush it?" Hua Tianze's tone was as calm as a cloud.

Yao Muzixi glanced at him and said, "You should rest early! It's windy outside."

After saying that, Yao Muzixi turned around and returned to his room.

Hua Tianze looked at Yao Muzixi's back and felt that there were many unknown sides to this woman. He suddenly became very interested and wanted to know more about her. Her usual disguises were really just to deceive others.

, making others think that she is just a princess who doesn't care about the world, but they don't know that she actually has to bear a lot. Her heart seems to want to change something, and she is working hard to do so.

In Zuichun Tower, a woman with unparalleled beauty was sitting in an elegant wing. She put on her rouge lightly and looked out the window with a pair of loving eyes. She seemed to be uneasy. She was afraid of something. Maybe she was

I regret nothing, but in just a moment, all the expressions disappeared.

"Su'er, you said you've been here in Zuichun Tower for a while! It's really a waste of time to show off your pretty face by staying in this room without going out to let everyone see your talents.

Already." The madam's voice contained a hint of ridicule and flattery.

The woman didn't know how many times she had heard such words. It had nothing to do with her! Was it the wrong choice for me to come here to Zuichunlou or the right one?

"Mom, Mom, there is a man outside looking for you." A boy's voice sounded outside the door, urging.

The madam twisted her lips and complained angrily: "It's coming, it's coming, why are you so anxious!"

The madam rolled her eyes at the beautiful woman inside, turned around, opened the door, and walked out.

The young man led the madam to an excellent private room and left.

The old bustard glanced at the person sitting inside, and saw that the man was dressed in red, with flowing silver hair. He looked like an immortal above the nine heavens. The old bustard looked at him dumbfounded, and then his mind started to move flexibly, and he laughed and said:

"This young master is really the best in the world! You have come to the right place when you come to our Zuichun Tower. Just tell me what kind of girl you want. I will definitely find the best girl to serve you."

Hua Tianze smiled indifferently, stretched out his hand to pour a cup of tea, started to drink it, and said leisurely: "I'm not here for sex, I'm here for this Zuichun Tower."

The old bustard was surprised when he heard this, and then he immediately regained his composure and smiled secretly: "Young master, do you mean that you are interested in this Zui Chun Tower?"

"Mom is indeed a smart person, otherwise she wouldn't have made Zuichunlou's business so prosperous." Hua Tianze praised the madam with a smile.

"How should I put it? Zuichunlou has been open in Fengqi City for several years. Let's talk about the money! I have also made a lot, and I have no intention of freeing up my hands now, but it is not impossible.

." The madam smiled cunningly, her face was full of spring light, as if she had seen a lot of treasures, and her eyes were shining brightly.

"Mom, if you have any requests, just tell me." Hua Tianze smiled as if he was determined to win.

The madam was considered a smart woman and knew how to seize the opportunity. She glanced at Hua Tianze and had other plans in mind: "I can rent Zuichun Building to you, but if I want to buy it, I'm afraid that the young master doesn't have the financial resources.

"

"Mom, you are too worried. Money is a trivial matter. If mom is willing to buy this brothel to me, I guarantee that mom will not only get the money, but also take care of Zuichun House as always. Mom is just earning a share, absolutely not.

It will be a loss." Hua Tianze said nonchalantly.

"Is there such a good thing?" After hearing what Hua Tianze said, the old bustard's eyes immediately shone with color changing at the sight of wealth.

Hua Tianze looked at the old bustard proudly and said: "Of course it's for your mother's sake. Mom is willing to make it convenient for me, so I should give you some benefits."

"This..." The madam looked hesitant.

Hua Tianze took out a stack of silver notes from his sleeve, put it directly on the table, knocked on the table lightly and said: "This is 20,000 taels of silver notes. After the matter is completed, there will be another 20,000 taels, and mom, you can continue to take care of it.

The only requirement of this Zuichun Tower is that you follow my instructions."

The old bustard looked at the banknotes on the table, and without saying a word, he took the banknotes in his hand and thought to himself: Although Zuichunlou's business is pretty good, and he won't lose his capital, how much money can he make?

I really can't make any money, because I spent a lot of money on the makeup and makeup on the girl, and other expenses, I can't make any money at all. If I don't do this kind of business now, I'd be really sorry for myself.

"Okay, okay, everything is in accordance with the young master's opinion. Now I will go and bring you the house deed and the girls' deeds of sale." As he said this, the madam walked out happily with 20,000 taels of silver notes.

It didn't take long for the madam to hand over the house deed and the girls' deeds of sale to Hua Tianze. Hua Tianze just smiled softly, took the house deed and the things and prepared to walk out. For a moment, he turned around and faced Hua Tianze.

The madam who was counting the money said, "Then I'll leave first. Mom's activities will continue as usual."

"Okay, don't worry, I will definitely help you keep this Zuichun Tower in order." After counting the money, the madam came to Hua Tianze and said respectfully.

"That's good, I'll leave first and come back tomorrow to see what's going on here." Hua Tianze said, got up and walked out of Zuichun Building, returning to his room in Lanzhuang.

The Return of the Reborn Princess

Chapter 087: Mufeng Pavilion

Hua Tianze packed up the house deed of Zuichun Building and the deeds of prostitution of the girls, and walked out of the room.

Hua Lan Bing'er was practicing martial arts in the garden. As soon as she saw Hua Tianze, she swung the sword in her hand at Hua Tianze. After several moves in a row, Hua Tianze received all the moves without any risk. No wonder this girl has been outside alone for so long.

If she doesn't go back to Ten Thousand Flowers Valley, few people can bully her with her martial arts skills!

Just in a daze, Hua Lan Bing'er quickly flew towards Hua Tianze with her sword. The sword was about to stab Hua Tianze's throat. Hua Tianze glanced sideways at Bing'er and quickly raised his hand.

The sword was clamped by him forcefully.

Hua Lan Bing'er was startled, thinking that she had stabbed her favorite person. When she was a child, she often hurt him because of her naughtiness. When will she be able to change her problems and stop being rough?

"Second Senior Brother, are you not hurt?" Hua Lan Bing'er asked nervously. The sword in her hand no longer had the strength to hold it, and it fell straight to the ground with a clang.

There was a trace of blood between Hua Tianze's index finger and middle finger, and there was a slight sting. He gently took his hand back into his sleeve, looked into Hua Lan Bing'er's eyes, and smiled softly: "Senior brother, when did you...

Have you been hurt?"

"But..." Hua Lanbing'er wanted to say something else but was interrupted by Hua Tianze.

Hua Tianze picked up the sword from the ground with his other hand and said: "Girls are not suitable for wielding swords and guns. It is better not to dance with swords in the future."

Hua Lan Bing'er just nodded and stared at Hua Tianze. Hua Tianze raised his eyes and glanced at Hua Lan Bing'er, only to see her looking at him without blinking.

"Is there something on my face?" Hua Tianze felt a little embarrassed, so he asked bravely.

"No, I just haven't looked at you seriously for a long time. You are still so beautiful! It is really unforgettable, but why don't you like me? I have liked you since I was a child, and I have liked you for so long, why do you...

Indifferent?" Hua Lan Bing'er was calm at first, then became more and more excited, and finally burst into tears.

Hua Tianze looked at Bing'er like this and sighed helplessly: "Some things cannot be forced. It is destined that we can only be brothers and sisters in this life, and we will always be just brothers and sisters. There will be no other relationship."

."

Hua Lan Bing'er listened to Hua Tianze's merciless rejection and could only wipe away her tears and looked at him pitifully. She knew that he might never like her in this life, but she really liked him.

Really like.

Hua Tianze knelt down gently, patted her back, and comforted her softly: "Don't cry, don't get angry, I have always loved you as my sister, and if you are sad, I will be heartbroken too."

."

It was the first time that Hua Lan Bing'er heard Hua Tianze say that he would also feel sorry for her, even if she just regarded her as a sister, what would it matter?

"Really?" Hua Lan Bing'er raised her head and glanced at Hua Tianze. His frown was also very beautiful!

"Senior brother will never lie to you!" Hua Tianze said softly.

Hua Lan Bing'er burst into laughter and stood up: "In this case, it doesn't matter if you lie to me. Is it so difficult for you to lie to me and say you like me?"

"Silly girl, I still have something to do, you should go do your own thing first!" Hua Tianze smiled faintly, brushed her hair with his hand, turned around, and left.

Yao Muzixi witnessed all this in the pavilion. It turned out that his junior sister liked him so much, but such a desperate confession could not move him. Is his heart made of stone?

Yao Muzixi wondered why Hua Tianze's master accepted Ouyang Haonan as his disciple and even took the initiative to teach him Kung Fu. This Hua Guzi was indeed an extraordinary person.

Ouyang Haonan is busy practicing martial arts. Who will take care of the Yuelan Inn? Yao Muzixi thought about it and thought of Xixi. This girl is smart and sincere to herself. She should not help me take care of the Yuelan Inn for the time being.

What's the problem!

Xixi happened to pass by the pavilion and saw her princess, so she took a brocade robe and put it on Yao Muzixi, and said with concern: "Princess, it's windy outside. Let's go inside!"

Yao Muzixi smiled at Xixi, tightened her brocade robe with her hands, and walked into her room.

Before Yao Muzixi came to her room, she saw Hua Tianze standing outside the door from a distance, walking around.

"Princess, it seems that Playboy is here to find you." Xixi smiled at the side.

Yao Muzixi came to Hua Tianze, looked at Hua Tianze with a smile, smiled softly and said: "I didn't expect Mr. Hua to be so leisurely and elegant that he would come to me."

Hua Tianze smiled. He understood that she just said that because she didn't want others to misunderstand their relationship.

"I just stopped by to thank the princess for taking her in." Hua Tianze glanced at Yao Muzixi meaningfully and smiled lightly.

"Oh? So that's it?" Yao Muzixi also smiled back.

"Xixi, go prepare tea. I have something to talk to Mr. Hua." Yao Muzixi turned his head slightly and looked at Xixi.

Xixi stepped back knowingly, and Yao Muzixi invited Hua Tianze into the room. Hua Tianze smiled lightly, glanced at Yao Muzixi, and said lightly: "You are completely different from when you were in Xia Kingdom. I

I don't know why a woman like you has changed so quickly in such a short period of time."

Yao Muzixi looked back at Hua Tianze and sighed: "Why do you think so?"

"I just felt that maybe you were just pretending to be who you were before. Something big must have happened to you, so you changed so quickly." Hua Tianze had a trace of doubt in his eyes.

relieved.

"Actually, all you see is me. What happened to me is beyond your imagination. I can only change this fact at all costs. I must change this fate." Yao Muzixi's words revealed determination and intolerance.

Doubtful.

"The things you asked me to do have been completed. I'm just waiting for you to arrange the next step." Hua Tianze changed the topic. He didn't want to know about this woman. Although he had an inexplicable liking for her, he was just willing to help.

She doesn't want to break into her life.

Yao Muzixi pursed her lips and smiled: "Actually, I can tell you, but maybe you won't believe it."

"You don't have to tell me anything. I don't want to know. I've already taken care of your purchase of Zuichun Building. Just tell me what you want to do next." Hua Tianze looked at Yao Muzixi seriously.

He couldn't guess what he was thinking, and he didn't want to guess.

"Starting tomorrow, we will rename 'Zuichun Tower' to 'Mufeng Pavilion'. Zuichun Tower is no longer a brothel, and those women don't have to perform as entertainers." Yao Muzixi said calmly, without any change in her voice.

"There is no problem in changing the name of Zuichunlou. If it does not become a brothel, those women who make a living by performing arts will have nowhere to go." Hua Tianze chose his powerful connections and said calmly.

"Tomorrow I'll give those brothel girls a chance. If they want to stay, they can stay and become geishas. If they don't want to, they can just redeem their deeds and get free." Yao Muzixi said calmly, but she solved the matter.

The method is explained in an orderly manner.

"Okay, I'll do as you say." After hearing Yao Muzixi's words, Hua Tianze felt that there was nothing wrong with it, so he nodded in agreement.

"Mufeng Pavilion is not a simple brothel. I want you to build Mufeng Pavilion into a powerful intelligence collection office. As for how to do it, it all depends on your ideas and strength. In addition, monitor the size of Yao Languo for me.

Affairs and every move in the palace." Yao Muzixi's words blurted out, like a conspiracy that had been planned for a long time.

Hua Tianze was secretly surprised and didn't understand what her purpose was!

The Return of the Reborn Princess

Hua Tianze was a little distracted when he thought about Zui Chun Lou. He didn't understand what she was doing. Isn't she the princess of Yao Lan Kingdom? Why did she monitor every move in Yao Lan Kingdom's palace?

The night was getting darker and the weather was getting colder. Yao Muzixi only felt a little pain in her head, which made her fall asleep. It has been like this a lot lately, and she wants to sleep. She doesn't know what's going on. Is it because she is too worried?

Yao Muzixi stretched out her delicate hand and scratched her hair. She couldn't calm down! Why did she always feel like something big was about to happen? It was so uneasy.

Yao Muzixi picked up her clothes and walked out of the room. The wind outside was a bit cold and stung her face with pain. She unconsciously walked towards the lotus pond. Will he be waiting for me somewhere tonight? Yao

Mu Zixi quickened her pace when she thought of this.

The lotus pond was so clean and quiet, there was no sound at all, only the faint night wind rustling the leaves. The wind made her calm down all of a sudden, and the feeling of falling asleep was gone.

"What should I do?" Yao Muzixi whispered lightly.

"Do what you want." A tall and strong figure gradually approached her. It felt so intimate and familiar. His hair was like ink, his eyes were like the moon, and he looked straight at her with a handsome yet resolute face.

she.

"Why are you here? Aren't you practicing martial arts with your seniors? You work so hard during the day, so you should have a good rest at night!" As she said that, Yao Muzixi dragged her body back with a tired look.

"Princess, are you hiding something from me? I know you asked Senior Brother Hua to do things for you, but I don't understand why you do this. Why do you, a princess respected by thousands of people, do this? You

Why do you want to build an intelligence organization? Why do you pay attention to every move of Yao Languo?" Ouyang Haonan blocked Yao Muzixi's path and asked all his questions.

"Do you know? I have experienced far more than what you know. I have died once. I must work hard to protect myself." Yao Muzixi's eyes were dull when he said this, as if he was warning himself.

, instead of answering Ouyang Haonan's question.

Ouyang Haonan was startled. What she meant was: she was just trying to protect herself.

"I will help you at all costs. I will do anything for you." After Ouyang Haonan said that, he pulled Yao Muzixi into his arms. Holding him tightly, everything was so quiet and quiet at this moment.

It's like time has stopped.

Yao Muzixi moved. Seeing that the resistance was ineffective, he gave up the struggle. He was telling himself in his heart that you cannot love this man. You used to like him so much, but now you should see clearly that all you can bring to him is disaster.

"I am already the Crown Princess of Xia. General Ouyang, you should not treat me like this." Yao Muzixi's tone was so heavy that it seemed to break Ouyang Haonan's heart. It was so indifferent and indifferent.

Ouyang Haonan let go of Yao Muzixi and walked away without looking back. As fast as a hurricane.

In the darkness, a trace of silver hair released its brilliance under the moonlight, and the red clothes floated by. He was stunned. He never thought that Ouyang Haonan had been hiding in the dark watching all this. Hua Tianze smiled casually, and

He quickly turned around and ran away. He didn't want to see that woman's lonely figure again, which would make his heart feel depressed.

In Zuichun Tower, the door is closed, and there is no bustle and noise in the past.

A man in red was sitting lazily at the table, his eyes slightly closed.

"Sir, boss, my big boss, according to your order, we have closed the door today and not accepted customers for the whole day. We have also called out all the girls in my Zui Chun Building for you. Look, all these girls are standing here.

!" The madam said with a bit of flattery.

"Hey, what's going on today?" A charming woman in red said with a sweet voice.

"That's right. Why are you so good that you just close the door and don't accept customers?"

"That's right, that's right!"

Several women were coaxing and complaining softly.

"Hey, I told you to stop talking. This will be your new boss in the future. You should have a better memory." The old madam rolled her eyes at the girls.

"It's okay, Mom, it's today! I want to announce something to everyone. From today on, Zuichun Tower has changed its name to Mufeng Pavilion, and it is not a brothel." Hua Tianze walked to the pile of people calmly.

The girl stood in front and said.

"How can that happen? How can we live without opening a brothel? If we leave Zuichun Tower, we will have nowhere to go."

"Yes, yes! I don't want to leave Zuichunlou. I have been here for two or three years. If I were to leave, I would really not be able to leave my sisters."

"That's right! I'm not leaving either."

...

When the women heard that Hua Tianze said that he would no longer open a brothel, they all protested.

"Don't be anxious, girls. I don't want to drive you away. On the contrary, if you are willing to stay, I will naturally welcome you, but this Mufeng Pavilion only accepts geishas. Of course, girls who don't want to stay here anymore can redeem themselves.

I won't force it." Hua Tianze said with a smile on his face.

"Boss is so considerate to us, so naturally we accept your wishes. But I don't want to leave here, and I don't have any skills. What should I do?" The charming woman in red said still delicately.

Hua Tianze glanced at the woman, smiled and said: "Girls, are you willing to learn? If the girls are willing to stay, I am willing to pay for you to learn some basic skills, such as piano, chess, calligraphy, painting, poetry, wine, tea, swordsmanship, and martial arts.

You can ask someone to teach you."

"Is there such a good thing? We can stay here and live here without having to serve those stinky men, and we can also learn something?" The woman in red was immediately happy when Hua Tianze said this.

"This statement is absolutely true." Hua Tianze looked determined.

In the end, most of the girls chose to stay, and only a few chose to redeem their deeds.

The woman in red fell in love with Hua Tianze at first sight. She has never met such a handsome and charming man before!

"My name is Xiang Ziwei, and I am the oiran of Zui Chun House. I have never been an entertainer but not a prostitute. I don't know how the boss is going to teach us sisters! I want to learn martial arts! I wonder if you can teach me personally?" Xiang Ziwei

Wei Jiao said, looking at Hua Tianze with an aggressive attitude.

"If you want to learn martial arts, of course someone will teach you, but it's not me." Hua Tianze glanced at the woman and said calmly.

"Oh? Is that so? Let someone else teach you. I wonder if the boss will come to check our homework every day?" Xiang Ziwei asked still unyieldingly.

"Of course I'm coming." Hua Tianze replied in an understatement, then walked up to the old bastard and told him: "Mom is going to change the place tomorrow and clean it up. Mufeng Pavilion will open for business tomorrow."

"Okay! Don't worry, sir, I'm here to make sure everything is clean." The madam replied with a smile on her face.

Hua Tianze walked out of Zuichun Tower leisurely and returned to Lanzhuang opposite.

The Return of the Reborn Princess

Yao Muzixi saw Hua Tianze's face full of spring breeze, a smile overflowing from the corner of his mouth, walked up to Hua Tianze and said: "It seems that something happy has happened to him! He is smiling so happily."

Hua Tianze looked up at Yao Muzixi, and his smile became even stronger: "Of course I'm happy, everything I need to do is done."

"Princess."

When Yao Muzixi heard someone calling him, he turned around and took a look. It turned out to be Ouyang Haonan. Yao Muzixi glanced at Hua Tianze, lowered his head, played with his hair, and walked towards Ouyang Haonan.

"Xixi is gone." Ouyang Haonan said calmly.

Yao Muzixi just smiled lightly: "Ouyang Haonan, it seems that you care about Xixi quite a lot. I just asked Xixi to go to Yuelan Inn for you and you noticed that Xixi was missing."

"That's it! It seems that I'm too worried. Princess, don't have those inappropriate misunderstandings. I'm just doing my duty." Ouyang Haonan looked clear, but the words "inappropriate misunderstanding" seemed

I said it in a harsh tone on purpose.

"Oh, is that so? I also plan to marry Xixi to you if you like her!" Yao Muzixi said casually, looking at Ouyang Haonan as if he didn't know anything.

When Ouyang Haonan heard Yao Muzixi's words, his face suddenly turned livid, he frowned, his eyes were cold, and he stared at Yao Muzixi closely and said: "Princess is making such nonsense, I will never accompany you."

After saying that, Ouyang Haonan left without looking back. God knows that he really wanted to block her mouth at this moment. How could he treat him like this? She was a princess and she couldn't just ask him to marry anyone.

Yao Muzixi looked at Ouyang Haonan's walking back inexplicably, feeling a little surprised in his heart. Why did Ouyang Haonan react so strongly? It was just a joke on him.

Ouyang Haonan walked past Hua Tianze, glanced at him lightly, hummed softly, and walked over.

Hua Tianze also knew in his heart that he was helping the princess. He already knew about it. Besides, he beat him up when he saw him for the first time, and all of this was just because he wanted to protect the princess.

Hua Tianze walked up to Yao Muzixi and said with a faint smile: "Did the princess say something that shouldn't be said to the junior brother? Otherwise, why would he look so angry?"

Yao Muzixi laughed twice and said: "I didn't say anything! I just told him that if he likes Xixi, I will betroth Xixi to him."

After hearing this, Hua Tianze laughed loudly and said: "No wonder, no wonder, since the facts are like this, then I have nothing to doubt."

Yao Muzixi looked at Hua Tianze in confusion, looking innocent, and said unwillingly: "Did I do something wrong? I can see that Xixi is very considerate of him! Every time he sees Ouyang

Haonan's face turned as red as an apple."

"You only know that Xixi likes junior brother, have you ever thought about whether junior brother likes Xixi? You, a woman, can't see a man's heart?" Hua Tianze gave Yao Muzixi some advice and put away his clothes.

Hold up your sleeves and walk away.

"A man's heart?" Yao Muzixi thought about Hua Tianze's words and felt that there was something more in them. Did he mean that Ouyang Haonan liked me? Yao Muzixi patted his head hard and whispered softly.

He scolded himself: "You are the Crown Princess, why are you thinking so wildly?"

Chu Siling walked up to Yao Muzixi with cheerful steps and patted Yao Muzixi's shoulder gently. Yao Muzixi was startled, turned around and looked at Chu Siling and said: "Chu Siling

Girl, you scared me to death."

"Haha... Princess, don't blame me! I have such a carefree personality. I want to ask you, have you seen Ouyang Haonan?" Chu Siling's face was full of smiles, as bright as a meter of sunshine.

"He just left here and went over there." Yao Muzixi said, pointing in the direction of Ouyang Haonan's room.

"Thank you, I'll go find him first." Chu Siling looked over there hard, said this and left.

Yao Muzixi looked at Chu Siling's back and said to herself: "Miss Chu must like Ouyang Haonan! Otherwise, why would she follow Ouyang Haonan in everything?"

In the past few days, Chu Siling followed Ouyang Haonan all the time. Only when Hua Guzi taught Ouyang Haonan internal skills and mental methods, she waited quietly outside the door without disturbing him. At other times, she almost pestered Ouyang Haonan.

.

The sky was getting dark and it started to rain. Yao Muzixi hurriedly ran back to his room, took off his wet shoes and ran to the compartment inside. He found some dry clothes and started to take off his clothes.

Wet clothes.

Yao Muzixi used her delicate hands to gently untie the soaked gauze outside, took it off, and then began to take off the gown and skirt underneath. A sound of footsteps came from outside. When Yao Muzixi heard this, she was so excited.

Oh, I just came back in a hurry. I was just changing my clothes and forgot to close the door. It seemed like someone came in.

Yao Muzixi held her breath, and immediately stretched out her hand to pull out a piece of clothing and was about to put it on her body. Unexpectedly, she accidentally pushed down the partition screen. When she looked around, she saw an eye-catching red color appear on her face.

Opposite him, Hua Tianze, who was dressed in red and had silver hair, was looking at him blankly.

Yao Muzixi screamed in fright, quickly covered her body with clothes, and shouted loudly: "You, get out of here quickly."

Hua Tianze was so frightened by Yao Muzixi's scream that he immediately looked away. His face suddenly turned crimson, and the rainwater on his hair was sliding down his silver hair. He quickly turned around and explained: "

I didn't see anything, princess, you'd better put on your clothes first! I'm leaving." After saying that, Hua Tianze rushed out immediately, his head was a little dizzy, and he closed the door of Yao Muzixi's room.

Yao Muzixi was also frightened. It was not until she heard the sound of the door closing that she came to her senses, with a look on her face that was about to cry: "Oh no, I was seen."

Yao Muzixi was really depressed. She quickly put on her clothes and wrapped herself tightly in the quilt. Her body was shivering from the cold, but her face was hot. She kept thinking in her heart.

Seeing what Hua Tianze had just seen, she was so ashamed that she buried her head deeply in the quilt.

Hua Tianze ran out of Yao Muzixi's room and ran to his own room. He let the rain water on his body and refused to stay one more step. He only felt that his heart was beating so hard that even he

You can clearly hear the rhythm of your heartbeat.

He was watching the rain, but he remembered that Yao Muzixi was in the pavilion in front of him before. When it started to rain, he just ran to look for him. There was no one in the pavilion, so he went to Yao Muzixi's room, but saw her room.

The door was open, so he walked in alone. He only saw a pair of wet shoes but no trace of Yao Muzixi.

In the blink of an eye, I heard the sound of something falling to the ground. When I turned around, I saw Yao Muzixi hurriedly covering her body with a piece of clothing...

...

Hua Tianze rushed into his room, poured himself a basin of cold water, and changed his clothes. However, the scene he just saw was still lingering in his mind for a long time.

The Return of the Reborn Princess

Outside, the rain was pouring with no intention of stopping.

Yao Muzixi's hanging heart was restless with the rustling of the rain outside. Fatigue swept through his body, and his eyes ached. Yao Muzixi lazily twisted his body on the bed a few times and fell asleep.

past.

Hua Tianze was sitting in his room, sitting at the table, drinking cup after cup of tea. He wanted to calm his mind, but no matter how much he wanted to ignore it, he couldn't ignore it.

It was getting late, and the rain outside was gradually getting lighter. After a rain, it became extremely cold. The wind was blowing hard outside, blowing off the leaves and blowing up dust.

The night was quiet and peaceful, everyone in Lanzhuang had fallen asleep, and there was no movement at all. At this time, two figures appeared in the twilight. On the high city wall, one was wrapped in a black cloak, with a silvery white color.

The man in the mask had a sinister curve in his mouth and looked at Chengdu, which was already silent in the dark night. He was too quiet.

"Go, bring her to me, let me protect her, no one can possess her, only me." It was a man's voice, with a touch of hoarseness, as sweet as the sound of nature. Under the silver-white mask

It was something strange that couldn't be seen through. His eyes were empty but had a hint of depth.

The woman in plain clothes beside him just looked at him affectionately, nodded gently, and flew down.

The man followed the woman in silence until he arrived at Lanzhuang. The woman glanced at him, flew over the outer wall, entered easily, and headed straight in a determined direction.

Coming to a courtyard full of crabapple flowers, a woman stood there with a stiff face and dull eyes. She looked at the two people dully and said lightly: "Follow me." The woman's voice sounded like

It was lifeless, without the slightest trace of life.

The woman walked resolutely towards a main house, and the two people behind her followed closely without saying a word.

Until the woman opened the door of the room, and the two people walked in, what they saw was a bed. A woman was sleeping soundly on the bed, breathing evenly and rhythmically. The masked

The man looked at the woman on the bed, his expression did not change, he just whispered to the woman in plain clothes beside him: "Give her acupuncture points and take her away!"

The woman skillfully tapped the woman's acupuncture points on the bed. The man on the bed opened his eyes in pain, took a look, and then fell asleep.

The woman in plain clothes put on the clothes for the woman on the bed and helped her up. The man with the mask just smiled at the corner of his mouth and walked up directly, patted the woman in plain clothes on the shoulder and said softly.

:"Let me do it."

The woman in plain clothes was stunned for a moment, but she still stepped aside, and the man gently picked up the woman on the bed. She walked out of the door, and the woman in plain clothes followed closely. When she came to the door, she saw the woman just now.

Where he was still standing, he slapped her with a palm, causing the woman to fall to the ground.

The masked man in black hugged Yao Muzixi, floated up, and flew quickly outside Fengqi City.

Yao Muzixi slowly opened her sleepy eyes, feeling like her body was bound by something and unable to move. The sight in front of her made her jump. Where is this place? Why are there so many flowers? And

This house is so special. It's all made of water curtains. Where is this place? Why are you here?

Yao Muzixi opened his mouth and wanted to say something, but no sound came out. Yao Muzixi was secretly frightened. Could it be that he had been kidnapped? Otherwise, why would he be in such a strange place?

Yao Muzixi seemed to hear footsteps approaching her, getting closer and closer. Yao Muzixi closed her eyes nervously and pretended to sleep.

The masked man in black held a tray in his hand with various medicines in it. He walked to Yao Muzixi's bed, sat down, and began to take off his clothes. The black outer robe of the clothes took off, and a

A red dress was clearly revealed, but the red dress was stained with inexplicable blood stains.

The smell of blood was a bit pungent. Yao Muzixi wanted to open her eyes to find out, but she felt that she couldn't open her eyes and her eyes were dark. She could only smell a smell, a tangy fragrance, and the smell made her only feel

It feels like I want to suffocate.

The mask on the man's face was not taken off. After wiping the wounds on his body, he picked up a new piece of clothing and put it on. He threw the bright red robe into the air and pulled it out with his hand.

The sword in his hand shook a few times, and the clothes turned into pieces, flying in the air.

Putting away the sword in his hand, he took out a small and exquisite crystal bottle from his sleeve, and gently pointed the mouth of the bottle at Yao Muzixi's nose. A small pink transparent insect crawled towards her nostril,

In just a moment, it disappeared.

The man took back the bottle, threw it aside, and stared straight at the woman on the bed in front of him.

Yao Muzixi only felt that her body seemed to be a lot more relaxed, without the previous sense of depression and restraint. Her eyes slowly opened, and what came into view was an enlarged face with a mask, and she saw a trace of trace on the corner of the man's mouth.

An evil smile.

Yao Muzixi stared straight at him, kissed her lips and said, "Who are you? Where are you?"

The man looked at her motionless, with a smile on his lips, and exhaled like this: "We have met before."

Yao Muzixi stood up and stretched out her hand to push the man away. She saw that the man was staring at her motionless, his face was a little ugly, and the pair of stunning eyes in the mask revealed a trace of confusion.

The look on his face made Yao Muzixi unpredictable.

Yao Muzixi looked at his twitching face and felt a little familiar. She took her hands back and saw that they were covered in blood. Yao Muzixi looked at her hands in shock, and then at the chest of the masked man.

, large areas of blood stained his elegant clothes red.

Yao Muzixi quickly raised his head and asked cautiously: "Are you...injured?"

The man ignored her words, but continued to twitch, his face extremely ugly.

Yao Muzixi looked at his painful appearance and instinctively reached out to touch his wounds, wanting to see how badly he had been injured to bleed so much.

"Don't move." The man gently grabbed her hand and said tremblingly.

Yao Muzixi was so frightened by his words that she didn't dare to act rashly, so she could only timidly take back her hand. The moment she was stunned, the man pulled her gently, and she fell towards him.

's arms.

The masked man smiled lightly, and his lips connected with hers, tightly glued together.

Yao Muzixi didn't react for a moment, she was kissed by the strange man. Yao Muzixi waved her hands, trying to push the man away, but unexpectedly he bit her lip and gently pried it open.

Her teeth pushed her tongue into Yao Muzixi's mouth.

Yao Muzixi only felt a cold touch in her mouth, stimulating her brain like lightning. When the man saw that she no longer resisted, a smile overflowed from the corner of his mouth, and he kissed her tongue more deeply, biting it, as if he was enjoying the world.

Out of this world delicious food.
