

THE VIRGIN'S REVENGE

Chapter 13 The meal

As the day's went by, Bethany's conditioned improved following Larissa's consistent visits.

Stuart decided to prepare a delicious meal for his family so he shopped enormously for it.

"Dad what's the occasion?"asked Lucian.

"Lucian my son we need to celebrate your sister's recent improvement don't you think so."

"Sure she's a little bit back to herself and i'm happy about it though i need her on 100 percent."

Larissa who was back with Bethany wouldn't help but wonder what inspired him to cook that much.

So she asked "Mr. Rivera, what is this all for?"

"Okay enough with all the question's just sit back and wait for the food okay."

"Okay," they chorused and that caused him to chuckle.

It took him a maximum of one hour to be done with all the cooking, Lucian kept lingering the kitchen claiming he was the day's tester.

Stuart would occasionally look back at them and he wouldn't help but wish for his wife's presence but apparently Betina had grown distant from Bethany ever since that unfortunate event, she wouldn't stand being in the same place as her.

Everyday her hate and disgust for Bethany surged the more it was like she was a total stranger to her and it was inexplicable that whenever Stuart brought it up

for discussion, she would immediately change the topic claiming that she was exhausted from all the work at the store.

"Hey guys come help me set up the table."

So they rushed to the dining table the aroma of the food left them yearning for more.

The four had a great time during the simple but delicious meal, Lucian would occasionally tell them his funny adventures at school and all the different times he had saved his friends from bullies.

"Mr. Rivera, your cooking is phenomenal i think in the whole of Las'Ganas," Larissa said with delight spread across her face.

"Yeah dad I'll have to agree with her on this one," added Bethany.

"Well I'm glad you liked it."

"Hey glutton won't you say something," Larissa shoved Lucian who was so concentrated on the food.

"Ouch that hurt and stop calling me a glutton mind you I'm the hottest boy and every girl's crush at school," he said proudly with his mouth still full of food.

"Oh really now how about i show those girls just how i spank you for saying such words," Stuart teased him.

"No dad it was Larissa who made me say them," he pouted his pink lips covered with rice.

His remarks made them laugh harmoniously but it was soon interrupted by a knock on the door.

It was Betina and no sooner had she entered than the temperature dropped by -10 degrees.

Betina didn't bother throwing an eye on them as she just approached her bedroom.

A deep frown formed on Bethany's face, seeing that, Stuart made up an excuse and he left to have a word with her.

He gently knocked on the door, unexpectedly she answered it immediately.

"May i have a word with you,if you don't mind," he politely said.

She silently motioned for him to enter.

"I'll cut to the chase because i know of all your exhaustion."
