

The World 107

Chapter 107: Epilogue 2 - A Month Later (3)

"Ahhhh! Ahhhrrfff! Ahhh!"

Amon's brown hair shook as I thrust into her. The heat and tightness of her pussy had me on the brink of climax. Hers was perhaps the hottest pussy I'd ever been in. Was it because of her race? Different from Gabrielle's and Sandra's? That seemed likely.

I held back from cumming and continued to thrust against her.

"Nnn... haa... mmh..."

As I fucked her, I devoured Sandra's mouth, our tongues dancing together as we exchanged saliva.

Amon moaned softly as she squeezed my shaft with her pussy, matching Sandra's tongue movements. She ground her large butt against me with even more intensity. This demon maid knew exactly how to please me. While I was at it, I grabbed Sandra's tits. They weren't huge, but they were a decent size. Just right.

"Hnnnn! Hnnnngghh~! Hnnngggg~!" Amon whimpered like a dog on the edge of climax.

Breaking away from Sandra's hungry kiss, I thrust harder, determined to synchronize my climax with hers. My desire to spill my seed inside that scorching-hot pussy burned like a raging fire.

After what felt like an eternity, I reached the peak, and my essence erupted within her. Her demonic pussy trembled with ecstasy as it greedily welcomed the thick stream of semen flooding its depths.

"HhhhhhhhhhhhhhhhhngGGGhhhHhhhhhhH~!!!"

As I came, Amon squeezed her pussy, milking every drop of semen from my urethra.

Once I finished, I pulled out of her pussy.

"Ahhhhh, ahhhhhhhhhhhh~!"

Grinning wickedly, I turned to Gabrielle with a gleam in my eye. "Gabrielle, fetch the camera and immortalize this moment. Quickly!"

Gabrielle gracefully dismounted from her position on all fours, snatching my phone with urgency. She then maneuvered herself into the perfect angle to capture the impending spectacle.

"Haaaaaaaaaaaaa~"

In the heat of the moment, Amon unleashed a torrential stream of golden liquid from her pussy, my dick still embedded deep within her. The sight was akin to that of a wild animal, untamed and primal, as the warm stream cascaded onto the floor below. With each click of Gabrielle's camera, the moment was immortalized in all its raw intensity.

As Amon's stream began to wane, I withdrew my throbbing member, still pulsating with desire. Sandra wasted no time, eagerly dropping to her knees to taste the mixture of my and Amon's flavor on my member.

Meanwhile, Gabrielle showed me the picture she had taken. It was flawless. Amon resembled a debauched dog, her leg raised to hip level, her expression twisted with pleasure.

After Sandra finished cleaning me up, I grabbed her and pulled her onto the bed behind me. Releasing Amon's leg, she collapsed to the floor, her butt still trembling with pleasure as her pussy dripped semen onto the floor, mingling with her earlier release.

Afterward, I pulled Gabrielle along with me and pushed her onto the bed too. The two golden-haired beauties, adorned in their dog outfits, now lay side by side on the bed. I hadn't yet satisfied these two, so it was time to remedy that. They exchanged glances before spreading their legs in anticipation.

"Woof!"

"Arf!"

With that, I began fucking them both.

As I entered Gabrielle, she wrapped her arms and legs around me, eager to maximize her enjoyment of my dick. Sandra pressed her chest against us from the side, providing additional support. Then, recovering from her earlier climax, Amon joined in. I wrapped one arm around her shoulders and the other around Sandra.

"Ahhh, ahhh, ahhhhhhnnnn~"

The softness and heat radiating from the three women enveloped me like a cocoon of pleasure. Gabrielle's kiss was fervent, filling my mouth with her saliva as the bed creaked beneath the weight of four bodies. Everywhere my hands roamed, they found soft curves and delicate skin, each touch igniting a new wave of pleasure.

The intoxicating scent of female arousal hung heavy in the air, threatening to overwhelm my senses. It was pure indulgence, the epitome of luxury.

In that moment, with three beautiful women at my command, I felt like a king reigning over his kingdom of lust and desire. And as I unleashed wave after wave of ecstasy upon them, I knew that I truly was a king among men.

"AhhhhhhnnnnnnghhhnnNnNnNnnNN~!!!"

I erupted inside Gabrielle, our lips locked in a fiery embrace, before turning my attention to Sandra. As I plunged into her welcoming depths, the sticky sound of her love nectar mingled with the rhythmic slap of our bodies colliding.

"Ahhhh! Ahhhhn! Ahhhhh~ Ahhhh, yessh! Ahhhh!"

While I was pounding Sandra, the other two beauties surrounded me, their lips and tongues exploring every inch of my body. They lavished attention on my nipples, occasionally stealing kisses from my lips. My arms were draped around their shoulders, my hands wandering over their chests in a frenzy of desire.

After I emptied myself inside Sandra, a hunger still burned within me. I commanded Amon to straddle Gabrielle, positioning herself above her. With a wicked grin, I slid my dick between their eager pussies.

"You two look so damn lewd..." I remarked with a smirk. "Feels like I'm fucking both of you at once. Now, I'm gonna switch back and forth."

I began thrusting alternately into Amon and Gabrielle, relishing the sensation of their warm, tight pussies enveloping me. As I indulged in this erotic dance, Sandra recovered from her earlier climax and joined in, teasing my nipples with her tongue and fingers.

"It's so damn easy to slide in and out of each one. Being able to enjoy two pussies at once... I wanna cum inside both at the same time," I groaned. "Here it comes!"

I exploded my sticky load inside Amon, and she arched her back in pleasure. After emptying myself into her, I pulled out and shifted over to Gabrielle, shooting the rest of my load into her waiting pussy.

Next, I took Sandra in the cowgirl position, relishing the sensation of her tight pussy riding me. Then, I switched back and forth between thrusting into Gabrielle and Amon. We kept at it for hours, fucking until they were practically begging for a break. But I didn't give it to them. Even with all three of them, they couldn't satisfy my insatiable appetite for sex.

It seemed like they were on the verge of passing out from exhaustion, so I decided to finish this foursome by cumming all over their faces.

I slid my cock between Gabrielle's tits and squeezed her soft mounds around it. Before long, my cum shot out, splattering onto her flushed face. Standing up, I pushed out my erection while Sandra and Amon stuck out their tongues, eagerly catching my semen in their mouths.

After that, I took a good long look at the masterpiece I'd created. The three of them had faces contorted in pleasure, their bodies covered in white semen, with it dripping from their holes. The sheet beneath them was soaked to the point of not being able to absorb any more fluid. I grabbed my phone and snapped a picture of this masterpiece.

"Now then..." I began, addressing the voyeur outside the door. "How long do you plan on watching us?"

"Hiii?!" came a startled shriek from the other side of the door. I'd sensed someone lingering there since the beginning of our foursome, but I didn't bother to chase her away because she'd started masturbating while spying on us.

"Enter," I commanded.

The woman outside finally revealed herself. It was Erica, the leader of the idol group. I glanced behind her to where she'd been sitting moments before. There was now a puddle of water there.

"Uh, um..." she stammered, her voice trembling as she bowed her head in shame. "I-I'm sorry for peeping on you again!"

I offered her a reassuring smile, my eyes twinkling with mischief. "Don't fret, darling. I'm not angry about it."

Slowly, she raised her head to meet my gaze, her eyes wide with apprehension.

"Did you... enjoy what you saw?" I inquired, my tone laced with curiosity.

"I..." she hesitated, her fingers nervously gripping the wet fabric of her skirt, "I did..."

"If that's the case," I began, a mischievous glint in my eye, "why didn't you join us instead of simply satisfying yourself from afar?"

"Y-You want me to join...?" she asked, her voice barely above a whisper, disbelief evident in her expression.

"Absolutely," I affirmed with a smirk. "Why miss out on all the fun? As they say, the more, the merrier. But I suppose you've missed the initial excitement. However, there's still a way for you to indulge in the pleasure. Why don't you strip down, come inside, and let me fuck you?"

I'm still not satisfied, after all."

Erica's eyes widened in shock, understandably so, considering I'd just been with three different women at once and still wasn't satisfied. Even a seasoned prostitute would probably be taken aback. "...You're still not satisfied?" she asked, disbelief evident in her tone.

"Yeah," I replied, my dick nodding along with my response. "Still hungry for more."

Erica gulped nervously. Then, she took a tentative step towards me and closed the door behind her. Soon enough, moans of pleasure echoed from the room.

This month had flown by so fast it felt like just a day had passed, and everything was falling into place. Leonamon's company was growing, and my skill set was expanding. In time, the world would be mine.

Just as I thought I'd covered everything that happened in the past month...

"Why didn't you invite me too?!" a golden-haired loli shouted at me. "You know I wanted to be fucked too, right? You promised me!" She stomped her feet on the floor in frustration like a little child.

Oh, right. I had forgotten about her. Allow me to introduce her. This is Marie. And she's a loli-hag. A legal loli, at that.

She's 98 years old. Well, her birthday was yesterday, so that makes her age 99.
