

The World 93

Chapter 93: To The Black Market (5)

The bench creaked with each thrust as I pounded into Maika, her moans filling the air as desire clouded her eyes and her tongue lolled from her mouth.

"Ahhh~! Ahhh, ahhh, AhhhhHHGGNNNN~! Ahhh, this is the best! I've never felt anything like this before~! It's hitting me right in my womb! It's stretching me out so good with its thickness~!"

"AhhhHHHHHNGGGGG~! Ahhh, this dick is the best!" she cried out as I relentlessly attacked her womb with rapid thrusts.

The well-worn pussy, having been thoroughly ravaged by countless men due to her profession as a prostitute, slowly yielded to the contours of my throbbing member. It seemed inevitable that this once-tight pussy would remain permanently stretched, forever longing for the sensation of my dick.

"M-Maika..." Silka, finally recovered from her earlier orgasms, gazed intensely at the woman beneath her. With a deft touch, I inserted three of my fingers into her still-quivering pussy, eliciting a guttural moan of pleasure from her lips. "Hnggg~!"

"S-Silkaa~...! Ahhh~! Ah, ahhh, ahnnng, ahh~! Th-This dick is the best~!"

"I-I know! I also think so!"

As I continued to pound Maika, my fingers worked Silka's pussy with skilled precision. Despite sensing several presences behind me, I paid them no mind, focused solely on pleasing the two women. It seemed Maika and Silka had informed them of my wealth, and they intended to capitalize on the opportunity to exploit me. However, I had a capable ally by my side.

'Now, Artemis, do your job and deal with them,' I silently commanded, maintaining my rhythm as I continued fucking the two women without interruption. Artemis who had been observing us finally abandoned her voyeuristic gaze to address the newcomers.

As I fucked them, the two women exchanged heated glances, their moans merging with each other as my relentless thrusts drove them closer together. With each passing moment, their desire intensified, drawing them inexorably nearer until their lips met in a passionate embrace.

"Mmm~! Mhhngg~! slurp... suck... chu... MmmMmmnnN~!"

"Nggh, nnnnn! Chu... MmmmmMMmhnnN~!"

Locked in a fervent kiss, their moans mingled together, punctuated by the wet sounds of their lips meeting. Their grips on each other tightened, and their bodies began to contort and arch as pleasure surged through them. It was clear they were on the brink of orgasm.

"MmmmmmmmmmmhhhmMMMMMMNNN~!!!"

"NmmmmmmmmmmmmmmHhnnn~!!!"

After a fervent exchange, both women reached their climax simultaneously, their pussies clenching tightly around my dick and fingers as a deluge of lewd fluids erupted forth. It poured down like a torrential cascade, saturating the concrete beneath us with their combined arousal.

With a primal surge of desire, I withdrew my throbbing member from Maika's quivering pussy and thrust it back into Silka with unrestrained force.

"NgggghaaaaAAaahhhnnnnN~!!!"

Silka's lips broke apart from Maika's as she arched her back, her eyes rolling back until only the whites were visible, her tongue lolling out in ecstasy.

"Ahhh~! This dick is the best~!" she cried out in ecstasy, her voice reverberating with unrestrained pleasure, echoing through the alley like a symphony of desire.

"Is it, now?" I replied, a sly grin spreading across my lips, my eyes smoldering with primal lust.

Silka twisted her body, casting a heated glance back at me, her eyes blazing with raw passion. "Yes~! Your dick is the best~! It's delving into depths no man would dare to explore. Ahhh, aAhhh! Ahhh, I-I love it, AhhhhnnggHHHn~!!"

As I relentlessly pounded her, Maika, finally emerging from her orgasmic stupor, watched Silka with a mixture of envy and longing. "No fair, Maika. I want it too..." she murmured, her voice tinged with a hint of jealousy, her gaze fixated on the erotic spectacle before her.

Silka's hand, once gripping Maika's elbow, now trailed down to Maika's throbbing pussy. "Make do with this for... nghhh~! Ahh, ahhh... Make do with this for now, Maika. I want to cum again with this dick~!" she panted, her words punctuated by moans and gasps of ecstasy.

Silka's finger slipped into Maika's honey pot, plunging deep as she began to finger her while I fucked Silka relentlessly.

"Nhhhgg~ Ahhh, ahhh, ahhngggghHHHnnNNN~!"

"Ahhh, fuwaahhh, nnhhhh~!"

It felt like I was fucking them both simultaneously. It was a shame they hadn't brought a two-sided dildo with them; that would have taken the heat to another level. But for now, this would suffice.

After a while, Silka withdrew her fingers from Maika's pussy and instead began to grind her hips up and down. Maika followed suit, their movements causing their clits to rub against each other. It was as if they were fucking each other, the wet sounds echoing through the alley.

The rhythmic clapping of two pussies meeting, combined with the sound of my hips pounding Silka's ass, filled the air with erotic intensity.

"Ahhhhh, ahhhHHHnggg! Ahhh, ahhh~! Ahhhhh, ahhh... S-Silkaaaa~!!!"

"M-Maikaaaa~!"

Watching them like this put me in the best mood, so I decided to fuck them both simultaneously by switching between their pussies.

I took it one thrust at a time, savoring the sensation of each slick entrance.

With each switch, my ears were treated to a symphony of lustful voices and indecent sloppy sounds.

Their moans crescendoed into a chorus of ecstasy, echoing off the walls of the alley, punctuated by the rhythmic slap of skin against skin.

"Ahhhh, mas...ter! No more... I'm at my limit!"

"Ahhhh, please master, have mercy!"

Silka and Maika's pleas reverberated in the air, adding fuel to the fire of my arousal.

Despite plunging into them, I pulled out in just one thrust, denying them release. It was the ultimate test of sexual endurance and patience.

Unable to hold back any longer, they shook their asses and spread their petals, beckoning me to release myself into them.

With a wicked grin, I declared, "As you both wish. Here goes!"

It may have sounded like I was the prostitute and they were my customers here, but in this moment, roles didn't matter.

I aimed my throbbing member toward the spot where I intended to leave them trembling. Then, I slid my meaty spear between their overlapping pussies, like their soft folds were a delectable sandwich and my cock the savory filling. It was a feast for the senses.

"Ahh!"

"Nggh?!"

Their gasps of surprise and pleasure echoed in the narrow alleyway as they felt my thick shaft wedge between their slick entrances. I seized Silka's firm ass, guiding her closer as I began to pound her relentlessly, grinding both their pussies with the force of my thrusts. The rhythmic collision of flesh filled the air, punctuated by their moans and cries of pleasure.

"Ahhhh, ahhh, ahh, w-what's this...? He's not putting it in, but I feel so good..."

"Annnng~ Ahhh, ahhh, M-Master's dick and our pussies are touching and rubbing..."

Feeling the tantalizing friction between our heated bodies, I intensified my movements, my dick teasing their sensitive petals with each thrust.

"Ahhh, ahhh, aaaa, ahhh, AaaaaaaaaaaaaaaaaaaaaaaaaaaaaAAAHHHHHHHHHHHHHHH!!!"

"Ahn, aaaaah, haaaaaaaaaaaaaaaaaaaaAAA!!!"

Unable to withstand the overwhelming pleasure, the two prostitutes clung to each other desperately. In that electrifying moment, I plunged into Silka with primal fervor, unleashing my torrent of cum into her depths.

"FUUUUUUUUUUUAAAAAAAAAAAAAAHHHHHHHHHHHHH!!!"

After a few heart-pounding seconds, I withdrew from Silka's quivering form, only to flood Maika's eager womb with another surge of my seed.

"HAAAAAAAAAAAAAAAAAAAAAAA!!!!"

Maika's primal scream tore through the alley, matching Ellen's earlier fervor.

After filling them to the brim, I withdrew my throbbing dick. With a wicked grin, I slid my member back in between their slick, swollen pussies, releasing the third surge of my essence onto their trembling stomachs.

As the last drops of my cum spilled onto their quivering flesh, I watched with satisfaction as they remained entwined, their bodies still trembling from the intense pleasure. The reason for depositing my load inside both of them was to absorb their skills; without this crucial step, mere fucking would not suffice.

As I watched them, two metallic sounds reverberated in my mind. It was the first time I heard two at once, likely indicating two notifications arriving simultaneously.

I focused my attention on Silka first.

You had sex with Silka. Now you can copy her skill.

Hair Growing (Original) - A skill that enables the user to accelerate hair growth.

Warning: Silka hasn't been fully dominated yet.

Copying it now will result in a weaker version. Are you sure you want to copy it?

[Yes] / [No]

--

I wasted no time in selecting "yes."

--

Congratulations! You've acquired a new skill.

Hair Growing (Copied) - A skill that uses mana to accelerate hair growth.

--

The copied version wasn't significantly weaker than the original. I tested the skill by manipulating my mana to grow my hair slightly past shoulder length. Surprisingly, it only required a minimal amount of mana, equivalent to what I'd use for conjuring a fireball.

After briefly admiring my enhanced locks, I turned my attention to Maika's.

--

You had sex with Maika. Now you can copy her skill.

Dash (Original) - A blink skill that allows the user to dash for only five meters.

Warning: Maika hasn't been fully dominated yet.

Copying it now will result in a weaker version. Are you sure you want to copy it?

[Yes] / [No]

--

Hmm... Only about five meters... That's a pretty weak dash skill. Even my wind magic-enhanced dash is stronger than that. And if I copied it now, the range would likely be even shorter. So, I decided to decline.

I wasn't disappointed that I didn't acquire Maika's skill despite having sex with her. After all, sex isn't something to be disappointed about.
