

《The Mysterious CEO》

Chapter 287 - Wedding(Part-1)

"Urgh..." Dr. Frederick entered the room and was stunned to see the scene in front of him.

The Europeans were quite modern and were not felt shame or awkward seeing public displays of affection of any couple anymore, after seen many scenes like this, so Dr. Frederick wasn't affected much but he saw a hurt look in Zhou Xuiye's eyes. He sighed helplessly. If this lass hadn't held onto her past, then she would have not been alone now.

However, what could he do?

Dr. Frederick made a sound by clearing his throat to let the couple know of his presence.

And the couple reluctantly parted their lips. Liu Juan's black eyes were moist like a shining ocean under the full moonlight night and her soft lips parted alluringly to catch a breath. Her b.r.e.a.s.t.s were bouncing up and down in an attempt to catch up to the air deficiency in her lungs.

Immediately, Mo Jiang felt tightness down below seeing her. He had been living like a monk since he got together with Liu Juan.

He kissed her in the spur of emotions but now that he had tasted her rosy lips, his body tasted every part of her.

Luckily, Mo Jiang didn't disregard Dr. Frederick's presence like he did Zhou Xuiye's. He promptly moved away from Liu Juan as Dr. Frederick walked towards her.

"Mr. Mo, please don't mind but she is still a patient. If you could control yourself, I would be glad." Dr. Frederick said with a smirk and patted his shoulders in understanding. After all, he was a man too.

"Sure." Mo Jiang replied as if nothing had happened.

But Liu Juan wasn't so thick skinned like Mo Jiang. Her face turned red like a tomato and she was so embarrassed that she didn't hear Dr. Frederick's first few questions.

"Miss Liu, can you hear me?" Dr. Frederick asked, noticing that Liu Juan didn't respond to him.

"Huh?" Liu Juan looked at him confusingly and felt more embarrassed, thinking that her mind was still messed up with a kiss.

"Miss Liu, how are you feeling now?" Dr. Frederick asked again.

"Fine." Liu Juan replied but she was feeling awesome. Mo Jiang's confession was still echoing in her mind.

Was it a reality?

Did Mo Jiang really love her?

The answer was definitely 'Yes' but Liu Juan was having a hard time believing it. Perhaps, it was the first thing that she desperately wanted and she got it without putting any effort.

She looked at Mo Jiang, and she found that his gaze was already fixated on her and only her.

Liu Juan looked into his eyes and got lost in them but soon she was brought back by Dr. Frederick's questions.

After a while, Dr. Frederick's questions ended up which Liu Juan replied with great difficulty. She had a hard time concentrating on Dr. Frederick's questions and not on Mo Jiang.

Dr. Frederick also understood that he came at the wrong time so he ended his questions quickly and left with Zhou Xuiye after briefing Mo Jiang about Liu Juan's condition.

"Miss Liu is alright now but still, she should live here a few more days so that we can monitor her condition."

"Sure. We will do as you say."

...

Few days had passed and Mo Jiang continued to stay with Liu Juan during this period. He new that Liu Juan must be doubting his love. Thus, he didn't resist showing his

love for her.

An hour didn't pass without him saying 'I love you.'

And Liu Juan blushed upon hearing his confession every time. Slowly, she realized that it wasn't a dream.

But a beautiful reality.

Her life was finally turning into a blissful life.

Meanwhile, Liu Juan's nightmare didn't come. Perhaps, Mo Jiang had been with her all the time.

Dr. Frederick and Zhou Xuiye wanted to have another session with Liu Juan to know the exact state of her mind but Mo Jiang strongly opposed it. He didn't want Liu Juan to go into a coma for the third time. Moreover, what would be a guarantee that she would wake up again?

Mo Jiang didn't want to take this risk.

As a result, Dr. Frederick and Zhou Xuiye dropped their plan for the session and began looking for other options.

However, Liu Juan got to know about this matter and she decided to talk to him.

"I think I can go for another session." Liu Juan said in between the sip when Mo Jiang was feeding her soup.

Initially, Liu Juan felt embarrassed as she was completely alright so she could eat but Mo Jiang didn't listen to her and continued to do what he thought fit.

In the end, Liu Juan got used to it and didn't feel embarrassed anymore.

Mo Jiang frowned upon hearing her and asked. "Where did you hear about the session? Did Zhou Xuiye tell you?"

Liu Juan rolled her eyes at him and complained. "When did you even leave my side that she would get the chance to talk to me? She came to me the other day but you sent her off. After that, she doesn't come to talk to me other than my regular check."

"So it is good that way. After all, because of her, you almost died. And what is so interesting that she would tell you that I can't? Tell me."

"Zhou Xuiye is my only friend and there are many things which we can share only with friends. So don't stop her from talking to me!"

"First tell me, what are the things which you want to share only with her?"

"Don't change the topic now. I am telling you, I can go for another session and I want to do it." Liu Juan said when she noticed that Mo Jiang had smartly changed the topic to Zhou Xuiye.

"No! You are not going to any session and that's final!"
