

## TOO LATE TO RETURN Chapter 1 - Raped -

### C1 Raped

The Sunlight shone upon her tired face. She opened her eyes wearily and felt weak and tired. The sun rays poured into those eyes, and she shut them quickly.

Gradually she opened the eyes gently and allowed it to adjust to the light in her surroundings. Where is she?

She raised herself to a sitting position and tried remembering what happened. She lifted the quilt and was surprised when she found herself naked. What happened to her? Why is she here? When did she pull off her dress?

She remembered vaguely that Tiana had helped her into a room last night. She didn't remember anything else besides...

Ah! Someone had taken advantage of her, she'd been raped! She lifted the quilt again and checked herself.

The hickey, the blood stain and the pain of being torn only proved that she had been taken.

She is married and there is no way she can excuse herself or explain to Lu Jingli that she had lost her first time to someone else.

Hardly had Theresa Mo left when Pascal Lee got into the room. He checked through and didn't see anyone.

"Hello boss, the woman is gone. But I will show you the proof of her innocence" Pascal Lee said and took photos of the blood stain on the bed.

Theresa Mo has always been a strong woman. She had married Lu Jingli out of an arranged marriage.

They were only four months old in marriage. Though they didn't love each other, they agreed to nurture their feelings for each other first before going intimate.

But despite the fact that she hadn't gone intimate with him, it doesn't make her less his wife. But she can't imagine that Tiana would set her up so as to be with her husband.

Theresa Mo arrived home in a taxi and went into the house:
