Section 84

However, because they acted in time, no information was transmitted.

But this time was different.

This time, the person who broke into this place was a disciple of Daosheng Sect.

This forced Hei Mo to be cautious.

Daosheng Sect has a strong communication capability.

As long as they are within the range of Yufantian, they can contact each other at any time.

More importantly, the disciples of Daosheng Sect all leave soul lamps in the sect.

Once they die unexpectedly, the soul lamp will go out.

In that case, Daosheng Sect will naturally know.

The problem now is that he doesn't know whether this disciple of Daosheng Sect has transmitted any information.

If so, what kind of information has been transmitted?

Yinsheng Island is more than 200,000 miles away from here.

And this disciple of Daosheng Sect is only at the Nascent Soul Realm.

Logically speaking, he should not be able to see the situation on Yinsheng Island.

"Did he find anything?"

At this time, Hei Mo was very entangled.

There were only three days left before the time agreed with the Palace Master.

He was not sure whether someone from Daosheng Sect would come to him again within these three days.

Zhao Mingyue, who was standing next to him, saw that Hei Mo was still struggling, and she couldn't help but said anxiously.

"Lord Hei Mo, what are you still hesitating about? Start the Tiangang Breaking Realm Array immediately."

"Otherwise, once the people from Dao Sheng Sect come, all our previous efforts will be in vain."

"But the time we agreed with the Palace Master has not arrived yet."

Hei Mo still has not made up his mind.

The Palace Master of the Demon God Palace, Mo Yuetian, has supreme authority in the Demon Realm.

No one dares to go against Mo Yuetian's will.

If they open the channel in advance, once Mo Yuetian gets angry, he really can't stand it.

Seeing this situation, Zhao Mingyue was very speechless. What time is it now?

Hei Mo is still hesitating.

She took a deep breath and then said slowly.

"Lord Black Demon, we can't think so much now. We must open the passage as soon as possible."

"Even if the disciple just now didn't send out any information, the Dao Sheng Sect will soon send people to investigate if they know that a disciple has died."

"Once we are found here, it will be too late."

"And I believe that the Palace Master will not blame us. As long as we successfully open the passage and bring in the Demon God Palace army, it will be a great achievement."

"Okay, let's go back now and prepare to start the Tiangang Breaking Realm Array immediately."

After Zhao Mingyue's patient persuasion, Black Demon finally made up his mind.

The main risk is failure, which he can't afford.

Compared to being blamed by Mo Yuetian, he is more worried about being discovered by the Dao Sheng Sect.

...

Dao Sheng Sect, Fengming Hall.

Lu Mingfang sat cross-legged on the practice platform.

He suddenly looked moved, and a jade card appeared in his hand.

He stretched out his hand and pointed, and a hurried voice came from the jade card.

"The demon altar was found in Tianxinghai. It was the Tiangang Breaking Realm Array. Several demons were found at the scene, and their auras were very powerful."

"There is another person, who is suspected to be the real Zhao Mingyue, the leader of the Demon God Cult, not the incarnation, ah..."

Hearing the voice from the jade card, Lu Mingfang stood up and quickly flew out of the hall.

After a while, he appeared in another hall.

A disciple saw Lu Mingfang coming and immediately shouted respectfully.

"Hello, Elder Lu."

Lu Mingfang waved his hand and said in a low voice.

"Take me to Changsheng Hall."

"Yes."

The two soon came to a hall in the hall.

On the walls around the hall, there were soul lamps hanging.

Lu Mingfang quickly found Yang Rui's soul lamp.

Found that the soul lamp had been extinguished.

"Sure enough, he is dead."

Lu Mingfang muttered to himself.

The disciple next to him was shocked to see that one of the soul lamps was extinguished.

His duty is to guard these soul lamps.

Once a soul lamp goes out, it is necessary to report it immediately.

But a few minutes ago, he just patrolled it and did not find anything unusual.

The disciple was uneasy, fearing that he would be criticized by the elders.

However, at this time, Lu Mingfang did not care about this disciple at all.

He was considering the seriousness of the matter.

Suddenly, Lu Mingfang turned around and said to the disciple.

"Keep this matter confidential and don't tell anyone for the time being."

After Lu Mingfang finished speaking, he turned into a stream of light and quickly flew out of the hall.

...

Chapter 82 The passage is opened

Lu Mingfang flew out of the Changsheng Hall and flew deep into the sect.

He did not go directly to Tianxinghai.

Because he felt that this matter was not simple.

Maybe the seriousness of the matter would exceed his imagination.

According to the news from Yang Rui.

In addition to discovering the altar and the Tiangang Breaking Realm Array, many demons were also found.

You know.

In the past, when the Demon God Cult arranged the Tiangang Breaking Realm Array, generally only one demon would appear.

After all, there are only a few demons left in Yufantian.

However, this time Yang Rui actually saw many demons, and they were all powerful demons.

This is very unreasonable.

More importantly, Yang Rui seemed to have seen Zhao Mingyue himself.

To be honest, although the Demon God Cult and the Daosheng Sect have been fighting secretly for countless years.

But even Lu Mingfang himself has never seen Zhao Mingyue himself.

He had only killed her incarnation several times.

He believed that Yang Rui would not be wrong.

Although no one had seen Zhao Mingyue in person, they all knew what her incarnation looked like.

As the leader of a sect, and also a person who had reached the Great Perfection of the Combined Body.

Zhao Mingyue, who had an outstanding figure, would definitely be able to distinguish her temperament once her real body appeared.

Lu Mingfang believed that Yang Rui would be able to tell whether he saw her incarnation or her real body.

Even Zhao Mingyue, who had never appeared before, showed up for the first time this time.

Those demons and the Demon God Sect were obviously going to make a shocking move.

It was very likely that it was the one they were worried about before.

The Demon God Sect was trying to open a stable channel between the two worlds.

And the location was in the Tianxing Sea.

Thinking of this, Lu Mingfang could not help but speed up his flight.

This matter was too big, and he had to report to the sect master as soon as possible.

He could not solve it by himself.

He might not be able to handle Zhao Mingyue alone.

Not to mention, there were several powerful demons next to him.
