

## Toxic Ex 556

### Chapter 556: She's Just Prone to Trouble

Actually, when Shi Yi walked out of the compound gate, Ouyang Hao happened to be walking into the compound.

In the moment they brushed past each other, they both saw each other, but they both automatically ignored the other, after all, they both found each other annoying, and there was no need to bring bad luck upon themselves.

Although Ouyang Hao didn't want to pay attention to Shi Yi, the suitcase she was dragging caught his attention. Where was she going? On a business trip? Traveling? Or maybe back to the United States?

Ouyang Hao's gaze lingered on Shi Yi until she got into a taxi. The taxi quickly started, and as it did, another black SUV that was parked by the roadside also started and followed it.

Ouyang Hao frowned slightly, and a strange feeling flashed through his mind. For some reason, he thought that black SUV seemed problematic.

He was about to step forward to investigate, but a sudden ringtone pulled him back, he recollected his thoughts, smiled self-deprecatingly, and thought he must be overthinking. It's broad daylight, what could possibly happen? Moreover, that woman is usually so domineering; what trouble could she possibly get into?

Thinking this, Ouyang Hao took out his phone from his pocket, glanced at the screen, frowned tighter, but still pressed the answer button, "Hello, Mom, what's up?"

"You'll come back for the National Day holiday, right?"

"Of course, I've come back every year, haven't I?"

Mrs. Ouyang couldn't help but be pleased, "Yes, you've become much more sensible over the years. Unlike your brother, who's getting worse with age, all because of a woman... Ah, forget it, it's just annoying to bring him up."

A couple of years ago, Ouyang Che, for some reason, fell for a young girl who wasn't even fully grown, and stubbornly insisted on marrying her regardless of her feelings. The girl was bullied by Ouyang Che to the point of desperation and finally reported it to Old Man Ouyang. The old man was almost infuriated to death when he found out his son had turned into a bandit forcing a good girl, and more importantly, destroying the nation's young seedlings. He personally stepped in to resolve the issue, but Ouyang Che, having hardened his bones, refused to back down, leading to a complete fallout with the old man, and he hasn't been home in years.

Mentioning Ouyang Che made Ouyang Hao's face darken and he fell into silence.

Mrs. Ouyang sensed the tension on the other end of the line and realized she had said the wrong thing, so she asked tentatively, "Hao, are you still holding a grudge against your brother?"

"Of course not," Ouyang Hao denied decisively, "He's my own brother. I can't blame him for anything."

Though Ouyang Hao said this, Mrs. Ouyang could sense a trace of sarcasm in his tone and tried to comfort him, "Your father and I admit we may have gone overboard back then, but we never expected things to turn out that way..."

"It's all in the past, why bring it up now," Ouyang Hao interrupted, shifting the topic, "Didn't you say the Chen Family has a nice girl you wanted to introduce to me? How about I meet her during the holiday?"

Hearing this, Mrs. Ouyang was taken aback. In the past, Ouyang Hao either opposed or dismissed matchmaking attempts, yet now he was proposing to meet the girl himself, which was indeed surprising for her.

"Hao, has something happened recently?" Mrs. Ouyang asked anxiously.

"What could happen? Mom, you're overthinking it. I'm already in my thirties, isn't it time I found a partner? Look at the other people our age in the neighborhood, their kids can already run errands for them."

"That's true, that's true!" Mrs. Ouyang sighed in relief, "Alright, I'll go make the arrangements. The Chen Family girl is indeed good, pretty and well-mannered."

Of course, the most important thing was that she resembled that woman.

After hanging up the phone, Ouyang Hao gave a bitter smile. He used to sneer at his friends who compromised in marriage, thinking they were worse than cowards, but never did he expect that he would eventually walk down the same path.

He wasn't compromising because he lacked the ability to fight against his family, but because he was too tired to fight. The person who once made him want to go against the world was never coming back. In that case, why should he persist?

...

On her way to the airport, Shi Yi's car was blocked by an SUV. Before she and the driver could react, a tall and rough man pulled her out of the car.

Having experienced being kidnapped once before, she immediately sensed that something was wrong. She struggled to call out to the approaching cars, but the next moment a wet cloth covered her mouth.

The cloth probably contained some kind of drug; after breathing it in for a few moments, she lost consciousness and fell into an endless darkness. When she woke up, it was already dark, and her limbs were tightly bound by ropes, preventing any movement. She seemed to be suspended in the air, as her wrists, strained by her body's weight, were burning with pain.

Shi Yi shook her head vigorously, clearing her mind. She slowly raised her head and saw that one end of the rope was tightly binding her wrists, while the other end was tied to something resembling a diving board.

Indeed, it was a diving board, because three or four meters below her was a large swimming pool. Even from a distance, she could hear the sound of the water.

She guessed she was in a place similar to a swimming pool, but had no idea who had tied her up here or why. However, she vaguely suspected it had something to do with Feng Chengyu.

Yet, the next moment she dismissed this idea, because not far from her, under another diving board, was another woman tied up, who was none other than Leng Yixiu's new wife, Gu Yilin.

As far as she knew, Gu Yilin had no connection with Feng Chengyu. If that was the case, the person who had abducted them here should be someone with a grudge against Leng Yixiu.

Was it because of Leng Yixiu?

If so, it was even more ridiculous. There was no longer any relationship between her and Leng Yixiu. Kidnapping Gu Yilin made sense, but what was the point of kidnapping her? Was it because of the old rumors about her and Leng Yixiu?

Heh... Seems like she got dragged into it for no reason!

Shi Yi laughed at herself. Her luck truly had run out lately; if she weren't taking the blame for someone, she was inexplicably getting caught up in trouble. It seemed she needed to visit the temple to light some incense and ward off the bad luck.

Shi Yi admired her own calmness, even in such a situation she still had the mind to think about these things. Her heart was quite at ease. At that moment, the vast swimming hall echoed with the sound of footsteps.

Shi Yi frowned a little, looking in the direction of the footsteps, and saw a tall, familiar figure at the swimming hall's door.

The man looked up at her and Gu Yilin, then focused his gaze on a spot between them and shouted, "Zheng Hao, come out!"

## Chapter 557: She Is Destined to Be the One Abandoned

The echo of Leng Yixiu's voice reverberated through the large swimming pool hall. After a few seconds, the hall returned to silence, only to be broken by the sound of approaching footsteps.

At some point, the man addressed as "Zheng Hao" appeared on the diving platform. Looking down at Leng Yixiu, he smirked, "I just made a phone call and provided an address, and you actually came, alone no less. You surprise me. Aren't you afraid I set a trap here to ensure you meet your demise?"

"It's me you hate, and it's me you want to deal with. Now that I'm here as you wanted, can you release them?"

"What's the rush? Both your new and old loves are here. I'm waiting to enjoy the show."

Hearing this, Leng Yixiu's eyes narrowed dangerously, his voice cold, "Zheng Hao, it's best to know when to stop. You've fought with me for years, you should understand my temper."

"Of course I know. Everyone knows you're decisive and ruthless, never showing mercy to your opponents or enemies. But, since I've dared to oppose you all these years, naturally I don't fear you." At some point, a sharp knife appeared in Zheng Hao's hand. Casually playing with it, he spoke slowly, "Leng Yixiu, I know you're a busy man and I don't want to waste your time. Why don't we cut to the chase, what do you think?"

"What do you want?"

"What do I want? That's an interesting question." Zheng Hao suddenly laughed loudly. After a long while, he stopped and coldly looked at Leng Yixiu, "Leng Yixiu, do you know why I've opposed you all these years?"

"Because of Ying'er?"

Though it was a question, Leng Yixiu's tone was very certain. Five years ago, he didn't know Cheng Ying and Zheng Hao had any ties, but these years Zheng Hao had doggedly opposed him like a mad dog. If he still didn't know the reason, then he'd be a fool.

"Hahaha, it seems you're not so dumb!" Speaking of Cheng Ying, a deep-seated hatred filled Zheng Hao's eyes, "Leng Yixiu, if it weren't for you, how could Ying'er have died? It's you, all because of you! You made me lose the woman I loved most, now I want you to taste that heart-wrenching pain!"

As he spoke, Zheng Hao suddenly approached the edge of the diving platform, crouching down slowly. Glancing at the suspended Shi Yi and Gu Yilin, his gaze then wandered to Leng Yixiu, an eerie smile appearing on his face.

"New love, old love, tsk tsk... you're quite lucky with women. But, one can't be too greedy. You can't have it both ways. Only one of these women can live. Leng Yixiu, choose one."

Though Zheng Hao's voice wasn't too loud or too low, every word fell into the ears of the other three present.

Shi Yi found it utterly ridiculous. She never imagined she'd be dragged into the enmity between Leng Yixiu and this man named Zheng Hao because she had simply gone out. What frustrated her even more was that Zheng Hao's choice was not challenging at all. Even without Leng Yixiu speaking, she already knew the answer.

Shi Yi bowed her head, looking at Leng Yixiu by the pool, a sarcastic smile playing at the corners of her lips. However, she said nothing, because she knew clearly that in such a moment, even if she begged Leng Yixiu, this man probably wouldn't save her.

She had always been a proud person, disdaining to ask for others' help, to beg for mercy.

Leng Yixiu seemed to sense her gaze and slowly lifted his eyes. In the instant their eyes met, for some reason, his heart trembled violently.

Though she was clearly in a perilous situation, the woman before him wore a composed smile. Her eyes looking at him were filled with helplessness and despair, too familiar, taking his thoughts back to five years ago. Back then, that person had the same look when they fell off the Seaside cliff.

Leng Yixiu stared fixedly at Shi Yi's face. Something deep within him seemed ready to burst, but just then, Gu Yilin's mournful voice interrupted everything.

"Yixiu, save me! Save our child!"

Child?!

Leng Yixiu suddenly snapped back to reality, quickly shifting his gaze from Shi Yi's face.

What was he doing just now?

Gu Yilin was the one he had always been waiting for, and now she was carrying their child. That child was not only their flesh and blood but also the last straw to save Lin Yixun.

Even if Shi Yi was brought here by Zheng Hao because of him, even if he owed her, it couldn't compare to the lives of Gu Yilin and her unborn child.

"Yilin, don't be afraid! I won't let him hurt you or the child!"

When Shi Yi heard the man's gentle reassurances, she knew the answer. Indeed, he chose Gu Yilin and her baby, deciding to sacrifice her.

But, if Gu Yilin and her baby's lives were lives, did that mean Lin Yixun and her unborn child's lives were not?

Though she had long known the outcome, Shi Yi's heart still wrenched. She didn't know whether she was pained because Leng Yixiu abandoned her or their child.

"So, you've chosen your fiancée?" Zheng Hao raised an eyebrow. Seeing Leng Yixiu's pursed lips without a denial, he laughed, "Hahaha, how true it is, 'out with the old, in with the new.' Leng Yixiu, you truly are heartless."

Zheng Hao got up, walking towards the diving board where Shi Yi was. Slowly crouching, he placed the sharp knife on the rope tied to the board. Glancing down at Shi Yi, he sneered, "Miss Shi, this is Leng Yixiu's choice, not mine. Actually, I quite admired you initially. But who knew Leng Yixiu has no discernment, ignoring genuine gold for cheap gilded goods. So, if you must resent someone, resent Leng Yixiu."

There was a hidden meaning in Zheng Hao's words, and among the four present, apart from him, only Gu Yilin understood. Leng Yixiu, though sensing something amiss, couldn't pinpoint it.

Thus, when Zheng Hao cut the rope, Leng Yixiu didn't stop him.

With the rope cut, her body instantly lost balance. Before Shi Yi could react, she was submerged in cold water.

Since falling into the sea, Shi Yi had developed a primal fear of water. Over the years, she exercised sporadically but always avoided water.

Afraid of water, she never learned to swim. Now, with her hands and feet tightly bound, even if she could swim, she couldn't free herself from the binds.

#### Chapter 558: The Cruel Truth

Cold liquid poured into her nose, the air in her lungs being consumed bit by bit. Shi Yi opened her mouth, wanting to breathe, only to realize it was like drinking poison to quench her thirst. Instead of feeling better, the air left in her lungs was squeezed out by the water.

The feeling of suffocation attacked instantly. Shi Yi instinctively wanted to struggle, but found her body tightly bound by ropes, making even struggling a luxury.

With difficulty, she opened her eyes and looked towards the cold water surface. Through the turbulent water, she could vaguely see Gu Yilin's figure. She saw her body rising bit by bit, finally being pulled onto the diving board by someone. Evidently, she was temporarily out of danger.

Shi Yi's lips curled bitterly. Indeed, different people have different fates. Gu Yilin was treasured by Leng Yixiu, while she herself had always been abandoned.

Ha... how ridiculous!

With the air in her body depleted, Shi Yi closed her eyes powerlessly, only feeling her body suddenly becoming light, as if stepping onto a cloud.

In a dream or a hallucination, familiar yet unfamiliar faces and scenes suddenly flashed in her mind.

...

"75, 60, 80, with that figure? Don't you know that the women around me must meet one condition?"

"?"

"If the measurements aren't 82, 61, 87, I won't want them. So you're fired."

...

"What, surprised to see me? After all, we're old friends. Leaving without a greeting, isn't that a bit rude?"

"Is this how you treat your sponsor?"

...

"I was once indulgent and reckless, but Lin Yixun's appearance changed me. He taught me how to respect a person, how to love a person, how to be a responsible and accountable man.

She showed me that a woman could be so stubborn, so resilient. Although her past was full of hardships, and her beauty had faded, to me, she is the most wonderful, the most unique in this world."

...

"I can help you convince the patient's family. But I have one condition."

"What condition?"

"Come back to me."

"You dream?"

"Don't you want to save your mother?"

...

"Leng Yixiu, I am already tired, I don't want to continue any longer. Leng Yixiu, let go."

"Lin Yixun, don't say foolish things! If you are tired, after I pull you up, you shall rest more."

"But what if I miss my mom and dad? Without me, they must be very bored down there. And Xing Yi, he's alone down there, he must be lonely. I owe him too much in this life, I must repay him. Leng Yixiu, I already know that the Leng's crisis back then was caused by me and my dad. But later, we paid the price for it too. The grievances between you and me are settled. Take good care of the child, treat her doubly well for my sake."

...

Like a film, numerous scenes flashed through Shi Yi's mind. She discovered, to her sorrow, that she was actually that utterly pathetic ex-wife of Leng Yixiu!

Ha... how ridiculous!

Shi Yi mocked herself with a curl of her lips. This way, she could take this secret to her eternal rest underground, avoiding the torment that burns her to the bone!

However, for Zheng Hao, the show had just begun. He had his men pull Gu Yilin up from under the diving board as agreed and safely delivered her to Leng Yixiu.

Gu Yilin seemed to have been greatly frightened. Upon seeing Leng Yixiu, she rushed into his arms and began to cry, "Xiu, I thought I'd never see you again! I thought the baby and I... sob, sob..."

"It's okay, everything is okay now." Leng Yixiu lightly patted her back, but his eyes remained fixed on the sparkling water surface of the swimming pool.

From a distance, he couldn't see what lay underwater. It had already been at least two or three minutes since Shi Yi fell into the water, and he thought that she probably had little chance of survival.

He slowly withdrew his gaze, suppressing the guilt and inexplicable unease in his heart. In this matter, he did owe Shi Yi immensely, but he had people to protect—this woman in his arms, the child in her womb, the daughter whose condition was worsening bit by bit.

These factors didn't allow for his soft-heartedness.

"Leng Yixiu, I, Zheng Hao, keep my promises. I said I would leave one behind, and I did. Since you chose Miss Gu, I naturally wouldn't harm a hair on her head. You can go now, but don't fall into my hands next time."

Leng Yixiu's gaze slowly withdrew from the sparkling pool surface, suspiciously eyeing the man opposite him. This result was somewhat surprising to him.

Zheng Hao's reputation in the circle wasn't good. He was ruthless and not kind-hearted. Because of Cheng Ying's death, he hated him to the bone. How could he so easily let him go after finally having the chance to deal with him this time?

As expected, in the next moment, Leng Yixiu saw Zheng Hao's lips curl into a strange smile, "Hmm... there's something I forgot to tell you. Not sure if you're interested?"

Leng Yixiu's eyes darkened, and he coldly said, "Sorry, I'm not interested."

"Not interested?" Zheng Hao wasn't in a hurry to close the net since his prey had nowhere to escape, "Don't you want to know the identity of the woman who fell into the pool?"

What identity?

Upon hearing this, Gu Yilin's heart skipped a beat. She quickly grabbed Leng Yixiu's shoulder and whispered, "Xiu, let's go quickly!"

Leng Yixiu nodded to her. Given his understanding of Zheng Hao, whatever Zheng Hao said next would definitely not be pleasant.

However, the right to speak was in Zheng Hao's hands, not his.

"Ha ha ha... how ridiculous and pitiful. The person you've been missing so dearly died right in front of you, and you didn't even know it. Leng Yixiu, you really are smart all your life, confused just once."

Zheng Hao's words were neither light nor heavy, but like a bomb exploded in Leng Yixiu's mind. He suddenly stopped, turned around, and looked at the man behind him, asking word-by-word, "What did you just say?"

"I said the person in the pool is the one you've been missing all these years—Lin Yixun."

Zheng Hao's words were like heavy hammers, beating on the man's heart one by one. Leng Yixiu felt a loud "boom" in his head, as if something was collapsing bit by bit.

"No, you're lying. How could Shi Yi, how could she be Lin Yixun? Lin Yixun is clearly..."

"You think it's her?" Zheng Hao pointed in Gu Yilin's direction, with a sarcastic smile on his lips, "You think Gu Yilin is Lin Yixun? Ha ha... why don't you ask her yourself, ask what kind of person she really is?"

#### Chapter 559: Who Are You Really?

Leng Yixiu turned his gaze to Gu Yilin beside him and narrowed his eyes, asking, "Who exactly are you?"

Gu Yilin avoided the man's scrutinizing gaze and clutched his arm tightly, "Yixiu, don't listen to him. He's just trying to sow discord between us. Don't fall for it!"

Leng Yixiu saw Gu Yilin's flickering eyes and grew suspicious. But now he had no time to dwell on it, as Shi Yi was still in the swimming pool, perilously close to death. He needed to rescue her immediately.

The man forcefully pulled away Gu Yilin's hands and took a few quick steps to the poolside before diving in without hesitation. Leng Yixiu searched the water diligently, and soon found Shi Yi's figure in the center of the pool.

He swam towards her vigorously. As soon as his hands touched Shi Yi's body, he felt his heart tremble.

She had completely lost consciousness.

Leng Yixiu, who was skilled in swimming, managed to rescue Shi Yi without much effort. However, this did not give him any sense of accomplishment. He looked down at the unconscious woman, noticing her pale face devoid of any color.

The air around her was thick with the scent of death, making Leng Yixiu's heart tighten with fear. He was terrified that Shi Yi might die, and even more afraid of the imminent answer.

If, if she was really Lin Yixun, if...

Leng Yixiu dared not even think about the outcome.

"Shi Yi! Shi Yi?!"

The man slapped Shi Yi's cheeks forcefully. Seeing no reaction from her, his heart sank bit by bit. He laid her down on the ground, blowing air into her mouth and pressing her chest heavily.

"Shi Yi! Shi Yi! Wake up!"

Leng Yixiu performed CPR on Shi Yi while calling her name, hoping to awaken her consciousness and save her. However, Shi Yi did not respond at all.

Zheng Hao watched the scene coldly and let out a mocking voice that echoed in the vast swimming pool, "Leng Yixiu, there's one more thing I forgot to tell you. Do you know why I'm certain Shi Yi is Lin Yixun?"

Seeing Leng Yixiu pause, a deeper smile appeared in Zheng Hao's eyes, "Do you remember you did two DNA tests? Well, I got bored during that time, you know, people always do things to entertain themselves when they're bored. So, I swapped Shi Yi's DNA with Gu Yilin's DNA."

"What did you say?" Leng Yixiu jerked his head up, his eyes widening in disbelief.

"I said I swapped Shi Yi's DNA with Gu Yilin's. Haha..... Initially, I was quite surprised. Despite having a different face, how could Shi Yi be Lin Yixun? However, DNA doesn't lie, I had to believe it."

"How do I know you're not lying to me?"

"If you don't believe me, you can check again. The truth cannot be falsified, the false cannot become the truth." Zheng Hao glanced indifferently at Gu Yilin not far away, "Even without those two reports, haven't you felt it? The person you hold dear is right in front of you, don't you feel anything?"

Upon hearing this, Leng Yixiu's heart sank deeply. Zheng Hao was right, some people's aura cannot change even with a different face.

He belatedly realized that the aura around Shi Yi was incredibly similar to Lin Yixun's. How had he never noticed this before?

Leng Yixiu suddenly recalled that ever since he met Shi Yi, she often had a faint perfume smell. Though the scent was subtle, it masked her true aura, which is why he hadn't noticed.

Leng Yixiu stared at the unconscious Shi Yi beneath him, fear spreading wildly in his heart like vines. No, it shouldn't be this way, things shouldn't have turned out this way!

He pressed down on Shi Yi's chest with force, continuously blowing air into her mouth, but she remained unconscious.

Zheng Hao saw this and felt elated, "Haha... Leng Yixiu, how does it feel to watch the person you love die in your arms? You finally know, right? This is all your fault! You made me lose Ying'er, and now you'll pay in blood for blood!"

In Zheng Hao's view, Shi Yi's death was certain, having been underwater for so long, the chances of survival were slim, and this was the result he wanted.

He thought that a business competition wouldn't affect Leng Yixiu much. Even if he managed to degrade Leng's, it would not cause the man unbearable pain, but Lin Yixun was different. He knew well her place in Leng Yixiu's heart.

Just as Zheng Hao was reveling in his triumph, an abrupt coughing sound echoed through the large swimming pool. Zheng Hao's eyes widened in disbelief, staring at the woman who lay motionless moments ago, as the smile on his face gradually disappeared.

"How... how is this possible?" Zheng Hao could not believe that Shi Yi had come back to life at the last moment.

In stark contrast to Zheng Hao's reaction, Leng Yixiu was ecstatic that Shi Yi survived. The smile on his face deeply wounded Gu Yilin beside him.

"Yixiu, listen to me, she is not Lin Yixun, Zheng Hao is lying to you!"

"Is she now?" Leng Yixiu's gaze fell coldly on Gu Yilin, his lips pressed thinly, "I know very well what the truth is."

Love can make one clear-headed, but sometimes it can also blind one.

Looking back now, Leng Yixiu suddenly realized the answer had always been clear. He trusted his eyes too much, trusted scientific data too much, and ignored his instincts.

No wonder the longer he was with Gu Yilin, the more estranged he felt, no wonder his daughter refused to acknowledge Gu Yilin as her mother, no wonder from their first meeting, Yixun clung to Shi Yi.

His instincts had told him long ago that something was amiss, yet he ignored them and made a wrong judgment. He had already made one mistake and would not allow himself to make a second.

Leng Yixiu withdrew his gaze coldly, and as he lowered his eyes, they had become much softer. "I'll take you to the hospital," he said to Shi Yi, his lips moving gently.

But as soon as he reached out, Shi Yi slapped his hand away with all her might. Though she used all her strength, due to her weakened body, it did not hurt Leng Yixiu.

Seeing Shi Yi glaring at him coldly, her eyes devoid of any warmth, Leng Yixiu thought she was still angry because he had given up on her earlier. He said, "Earlier... it was my mistake. I will make it up to you in the future."

Chapter 560: When did my girlfriend become your woman?

Leng Yixiu gently picked Shi Yi up from the ground, step by step moving towards the entrance of the swimming hall, but he heard Zheng Hao's furious voice coming from behind.

"Stop them for me!"

As soon as Zheng Hao's words were out, a few tall and sturdy men blocked the entrance of the swimming hall firmly.

Leng Yixiu coldly raised his eyes, his gaze sweeping coldly across the faces of those men, and he said word by word, "Make way!"

Although Leng Yixiu came here alone without a single bodyguard by his side, his intimidating aura made those men shiver with fear.

Seeing his subordinates wavering and even some moving their feet aside, Zheng Hao couldn't help but shout angrily, "You are such a large group, are you still afraid of him? Stop them for me, don't let them take a single step out of here!"

Upon hearing this, none of the men dared to hesitate, they gathered their courage and surrounded Leng Yixiu and Shi Yi, waiting for Zheng Hao's orders.

Zheng Hao slowly stepped down from the platform, approaching them, his cold gaze falling on Leng Yixiu's face, "Leng Yixiu, do you really think you can leave?"

"Zheng Hao, some things are better left alone."

"Left alone?" Zheng Hao suddenly laughed out loud, "Do you think I have a way out? Leng Yixiu, with your personality, if I let you leave here today, will you spare me?"

"No."

"That's right, since that's the case, why should I spare you?" Zheng Hao glanced at Leng Yixiu and Shi Yi, finally fixing his gaze on Gu Yilin, "None of you three should expect to leave here alive today."

"That depends on if you have the ability."

"Heh heh... Even now, you still dare to boast in front of me. Leng Yixiu, you think too highly of yourself." No matter how capable Leng Yixiu was, he couldn't possibly fight so many people. He suddenly smiled evilly, "Leng Yixiu, if you kneel and call me grandpa three times, maybe I would spare your whole body."

"No need!"

"Is that so? Then don't blame me for being ruthless!" Saying this, Zheng Hao pulled out a gun from his waist, pointing it directly at Leng Yixiu's forehead.

Seeing this, Gu Yilin stumbled forward, grabbing Zheng Hao's arm, "Zheng Hao, don't!"

"Bitch, get lost!" Zheng Hao pushed her away with a slap, glaring at her fiercely, "Gu Yilin, we'll settle our accounts after I deal with them!"

Leng Yixiu turned his gaze to Gu Yilin, narrowing his eyes, "You know Zheng Hao?"

Seeing Gu Yilin shake her head without thinking, Leng Yixiu became even more certain.

At this point, Zheng Hao had no intention of hiding anything, he smiled at Leng Yixiu, "Leng Yixiu, before I send you to see King Yanluo, I might as well let you be a wise ghost. Let me tell you the truth, Gu Yilin was arranged by me to stay by your side. If not, how could her DNA match with Lin Yixun's? And you still don't know, the software newly developed by Leng's and Lei Man, it was also leaked to me by her. I must thank her for that, since this caused quite a loss to Leng's."

With the truth revealed, Gu Yilin felt like she was stripped naked, nowhere to hide, she started crying, "Yixiu, I didn't do it on purpose, I really didn't. He forced me to do it, if I didn't follow his orders, he would throw my mother into the sea to feed the fish. I was forced!"

Although Shi Yi's body was still weak, her mind was clear. Hearing their conversation, she finally understood the truth, it wasn't Lei Man's fault, but someone around Leng Yixiu had a problem.

Her grievances washed away, Shi Yi remained indifferent. To her now, none of this was important anymore.

However, for Leng Yixiu, Gu Yilin's words were another heavy blow. He bitterly curled his lips; Shi Yi had explained to him, she had nothing to do with it, she was wronged, but he didn't believe her and indirectly led her into being dismissed by the shareholders of Lei Man Company's headquarters. He was truly foolish!

Leng Yixiu lowered his eyes, looking at Shi Yi's pale face in his arms, he opened his mouth, and after a long while, he heard his own strained voice, "I'm sorry!"

Shi Yi only felt it was extremely ironic, sorry? This man owed her too much, could a simple sorry erase all the grudges?

She slowly closed her eyes, not wanting to face this man before her. If possible, she even wanted to stay away from him, but now she was too weak to do so.

"Alright, the truth is out, it's time for me to send you on your way. Although you and she had many ups and downs in life, at least you can die together. When you arrive underground, you probably won't have any regrets."

Saying this, Zheng Hao moved his finger to unlock the safety, his long eyes flashing with a hint of cruelty. But just as he was about to pull the trigger, a tall figure suddenly appeared at the entrance of the swimming hall.

Zheng Hao's hand paused, just as he was about to order his men to stop the person, the man didn't give him a chance to react, directly blowing his head off with a shot.

Zheng Hao widened his eyes in disbelief, staring at the man at the entrance, pointing at him, "You! You! Feng Chengyu, how could you..."

Zheng Hao never expected Feng Chengyu to intervene in his and Leng Yixiu's grudge, and even more, the man would be so ruthless, not giving him any chance to breathe, and directly killing him.

Feng Chengyu walked closer step by step, looking down at the barely breathing Zheng Hao, his cold voice came like a death knell, "You and I had no grudges, blame yourself for meddling with the wrong person."

Zheng Hao finally realized the problem, it turned out Feng Chengyu got involved not because of any friendship with Leng Yixiu, but because...

He struggled to lift his head, his gaze falling on the woman in Leng Yixiu's arms. What kind of magic did this woman possess to make not only Leng Yixiu but also Feng Chengyu so devoted to her?

He would never have the chance to know.

Feng Chengyu's marksmanship was always accurate, once he made a move, there was no chance of survival for the other side. Zheng Hao was no exception. With Zheng Hao dead, his lackeys were quickly disposed of by Feng Chengyu's men.

Feng Chengyu stepped over the scattered corpses on the ground, walking towards Leng Yixiu, looking down at Shi Yi, he couldn't help but frown, "Why are you in such a mess again?"

Seeing Feng Chengyu, Shi Yi reached out weakly like clutching at a life-saving straw, "Take me away!"

"Alright, I'll take you away now."

Feng Chengyu reached out, intending to take Shi Yi from Leng Yixiu's arms, but how would Leng Yixiu be willing to hand Shi Yi over to another man?

"She's my woman, I'll take care of her myself, no need to trouble Young Master Feng."

"Your woman?" Feng Chengyu curled his lips mockingly, "Mr. Leng really knows how to joke, since when did my girlfriend become your woman?"
