

## Toxic Ex 576

Chapter 576: It's All Mom's Fault

Lin Yixun got down from the car and walked towards the two people.

Seeing Lin Yixun, Sister Yi felt a bit complicated. She could never have imagined that Shi Yi was actually Lin Yixun. No wonder Mr. Leng treated her differently back then, and no wonder Xiao Yi Xun liked her so much.

"Shi Xia..." Sister Yi paused and then said, "Miss Lin, what brings you here?"

"I came to see Xiao Yi Xun." Lin Yixun smiled at her, then lowered her eyes to look at the little one beside her, "Hey little one, long time no see! Have you missed me?"

When Xiao Yi Xun saw Lin Yixun, a bright smile bloomed on her small face, and the next moment, her tiny body rushed into Lin Yixun's arms.

At the moment her legs were tightly hugged by those little arms, Lin Yixun felt her heart soften completely, with strands of happiness slowly spreading from the bottom of her heart.

She bent down, looking at her from above, only to see Xiao Yi Xun blinking her big eyes, staring straight at her, and then slowly letting go and passing a small white bunny plush toy to her.

Lin Yixun was a little surprised and couldn't help but ask with a smile, "Is this little bunny for me?"

Xiao Yi Xun nodded vigorously, hesitated for a moment, and said, "Mommy, I'm giving you my favorite bunny, can you come see me often in the future?"

Her voice was sweet and soft, very pleasant to hear, but it made Lin Yixun's nose sting.

At this moment, Sister Yi suddenly spoke, "These days, every time after school, the little miss always looks around at the school gate. When she doesn't see you, she always asks me why you didn't come to

pick her up. I told her you were busy with work and couldn't come. She didn't ask further, but the next day, she still looked for your figure at the school gate."

Hearing this, Lin Yixun's heart twisted hard. She reached out and hugged the little one tightly, struggling to speak, "It's all Mommy's fault. Mommy won't do that anymore. From now on, I will come to pick you up every day after school."

"Really?" Xiao Yi Xun's eyes were filled with sparkles.

"Truer than pearls. If I lie to you, I'll be a puppy." Lin Yixun said with a smile, her eyes falling on Xiao Yi Xun's medical mask, she frowned and asked Sister Yi, "Did she catch a cold?"

Hearing this, a hint of pain flashed in Sister Yi's eyes. She looked at Lin Yixun deeply and then spoke with difficulty, "Miss Lin, there's something I have to tell you. Actually, the little miss she..."

"Sister Yi!" Before Sister Yi could finish, an icy voice interrupted.

Lin Yixun followed the voice and saw Leng Yixiu standing there.

In fact, it was not surprising to see Leng Yixiu here, after all, Xiao Yi Xun went to school here.

Lin Yixun didn't want to pay any attention to him. Seeing that Sister Yi hadn't finished her words, she asked, "Sister Yi, what were you about to say to me?"

Sister Yi suddenly smiled stiffly, "Nothing... Nothing."

Lin Yixun thought Sister Yi's reaction was a bit odd, feeling that something was wrong, but with Leng Yixiu present, she didn't ask further.

She squatted down, took Xiao Yi Xun's small hand, and asked with a smile, "Yi Xun, do you want to live with Mommy?"

Xiao Yi Xun nodded with a smile, she wanted to, she wanted to see Mommy every day.

Receiving the answer, Lin Yixun's heart couldn't help but be overjoyed, "Alright, from now on, we will never be apart."

Saying this, she ignored Leng Yixiu, took Xiao Yi Xun's hand, and walked straight to the black car not far away.

However, just as she took a step, a clear, cold voice rang out from behind her, "Wait!"

Chapter 577: Leng Yixiu, This is What You Owe Me!

Lin Yixun didn't pay any attention to him and didn't stop walking but was still stopped by Old He.

"Miss Lin, please wait a moment!" Old He saw that Lin Yixun looked displeased and spoke up with a stiff demeanor, "Sir wants to talk to you."

"I have nothing to talk about with him."

"Sir said, if you don't want to talk to him, then leave the little miss behind."

Upon hearing this, Lin Yixun looked coldly at the man in the distance, "What if I insist on taking the little miss with me today?"

"Miss Lin, please don't make things difficult for me." As Old He finished speaking, two burly bodyguards appeared behind him.

Chu Yan saw that Lin Yixun was stopped by the two bodyguards and, worried that she was in trouble, said to the front-row driver, "Could you go and help Shi Yi?"

"I just drive the car, I don't handle other things," the driver said expressionlessly.

"You!" Chu Yan was furious but helpless, and said angrily, "If you won't go, I will! When we get back, I'm definitely going to tell Shi Yi to report you to the boss."

"Do as you please, but let me remind you, this is a private family matter, you'd better stay out of it."

Although annoyed, Chu Yan knew the driver had a point, so she had to give up and decided to observe a while longer.

Lin Yixun was blocked by the two bodyguards and couldn't leave. She bent down, gave a few words to Xiao Yi Xun, and handed her back to Sister Yi, then walked up to Leng Yixiu.

"What's the matter? Speak," Lin Yixun said expressionlessly.

"I can stay out of your sight, but you can't take Yixun away right now."

"She is my daughter, why can't I take her away?"

"But she is also my daughter! Lin Yixun, you can't be so heartless."

"Heartless?" Lin Yixun let out a cold laugh, "When it comes to being heartless, I can't compare to you by a long shot, right? Leng Yixiu, don't you remember what you did to me? Even if you forgot, I never will. Yixun's custody must go to me, it's what you owe me!"

"Yixun's custody can be yours, but not now."

"Oh? Then tell me, when?"

The man looked troubled, "I'm not sure either, but when the time is right, I will naturally agree."

"What do you mean by 'when the time is right'? Should I wait until I'm old and gray? Leng Yixiu, why must you keep Yixun by your side? With your status and position, if you want children, there are plenty

of women who would bear them for you. But Yixun is my only child. I will never have another child apart from her." Lin Yixun grew more and more furious as she spoke. She just didn't understand why Leng Yixiu always took away the people she loved one by one.

The man saw Lin Yixun's reddened eyes and felt a pang of reluctance but had to harden his heart and said coldly, "Lin Yixun, she is your child and my child. My love for her is no less than yours. If you must urgently reclaim her guardianship, then we will have to meet in court. I know you now have Feng Chengyu to back you up, but don't forget, you haven't fulfilled your duties as a mother all these years. Your chances of winning aren't high."

"Leng Yixiu!" Lin Yixun stared at him with such hatred that her eyes seemed to blaze with fire.

"Ha! Finally willing to look me in the eye?" The man turned his gaze towards Sister Yi in the distance and said in a deep voice, "Take Yixun home first."

"But sir, Miss Lin..."

The man's eyes turned cold, his voice icy, "Do I need to repeat myself?"

Chapter 578: I Don't Want Her to Suffer

Leng Yixiu's aura was somewhat frightening, and Sister Yi hastily nodded, "Yes, sir."

As she spoke, she glanced apologetically at Lin Yixun, then picked up Xiao Yi Xun and walked briskly towards the car not far away.

Xiao Yi Xun was picked up by Sister Yi, and seeing Lin Yixun still standing in place without following her, she was momentarily confused about what was happening, but her little hands reached out forcefully towards Lin Yixun, "Mom, Mom! I want mom!"

"Mom and Dad have something to discuss. She will come over soon. Let's get in the car first, be good."

"Really?"

Sister Yi deeply glanced at Xiao Yi Xun's innocent and naive little face, feeling unwilling, but still lied, "Yes."

Seeing Sister Yi holding Xiao Yi Xun and about to get in the car, Lin Yixun quickly stepped forward to stop her, but was grabbed by the arm by the man. She staggered and unexpectedly fell into his arms.

This scene happened to fall into Xiao Yi Xun's eyes. She remembered her kindergarten friends saying that their parents would often hug and then...

Xiao Yi Xun turned her little face towards Sister Yi and blinked her eyes, asking, "Will mom and dad kiss?"

Sister Yi was stunned by Xiao Yi Xun's sudden question, then awkwardly coughed twice and nodded.

"Then will I have a little brother soon?" Xiao Yi Xun continued to ask persistently.

"This... how did you know?"

"Abu told me. Abu said after his mom and dad hugged and kissed, they had a little brother."

Sister Yi found it both funny and annoying. The saying goes that children speak without fear, and it truly is the case.

The familiar scent filled his nostrils, making the man a little dazed. In the next instant, he was forcefully pushed away by Lin Yixun.

Lin Yixun glared at him hatefully, "Leng Yixiu, don't think that just by doing this you can keep Yixun by your side. I'm telling you, sooner or later, I will regain custody of my daughter."

"Fine, I'll be waiting for it."

Not able to take back Xiao Yi Xun, Lin Yixun left unhappily.

Seeing Lin Yixun get into another car, Xiao Yi Xun finally realized and started crying loudly, "I want mom, I want mom! Wuwuwu..."

Sister Yi coaxed Yixun for a long time before calming her down.

She looked down at Leng Yixiu beside her and said softly, "Sir, shouldn't we ask Miss Lin to come back..."

The man stared blankly out the car window, smiling bitterly, "Do you think I don't want her back by my side?"

"Why don't you tell Miss Lin about the young lady's condition? Maybe if Miss Lin knew the 'truth,' she wouldn't blame you and would be willing to come back to your side."

"Letting her know would only add another person to the pain. Why bother?"

Afterward, Leng Yixiu made a call to Fei Yichen. Since learning about Xiao Yi Xun's condition, Leng Yixiu had been asking him to find matching bone marrow for her. Since he couldn't save his daughter's life through formal channels, he could only hope for the black market.

"Xiu, you might need to wait a little longer. The black market currently doesn't have bone marrow that matches Yixun."

Leng Yixiu's fingers tightened around the phone. After a long silence, he slowly said, "Alright, I understand."

Hanging up the phone, the man dejectedly lowered his arm. If even the black market didn't have it, then...

Leng Yixiu suddenly thought of the child in Lin Yixun's belly that was tragically lost. If... if it were still here, would things be different?

### Chapter 579: Heart Demon

Feng Chengyu is a man of action. The very next day, he started arranging their wedding.

"Actually, it doesn't have to be so complicated. Just getting the certificate at the civil affairs bureau will do."

Feng Chengyu put down the financial magazine in his hand, raised his eyes and glanced at her coldly, "My wedding, Feng Chengyu's wedding, can't be treated carelessly."

"But you're marrying me just to appease your grandmother. There's no need to make such a big deal out of it, right?"

"Are you concerned about making a big deal out of it, or are you worried that the grand wedding will let too many people know? Lin Yixun, at this point, do you still want to stay out of it?"

Feng Chengyu is someone who easily saw through Lin Yixun's thoughts. Lin Yixun wanted the wedding to be simple, or even not held at all, only to avoid getting too entangled with him, making an easy retreat when the time comes.

This marriage was of incredible importance to him, but Lin Yixun treated it as a joke. This disparity in understanding infuriated and frustrated him.

Lin Yixun was rendered speechless by his question. For a moment, she fell into silence. Having known Feng Chengyu for so long, she did have some understanding of this man. Once he decides on something, it won't be easily swayed by others, so why make a futile struggle?

After a long while, Lin Yixun slowly spoke, "If you insist on this, so be it. It's just that your grandmother is still abroad. This wedding can't be rushed, it has to wait until she returns, right?"

"You don't need to worry about that. You just need to be a good bride."

Feng Chengyu has always done things low-key. Yet, for once, he did something unprecedented.

The next day, the news of his upcoming marriage to Lin Yixun was being reported by major media outlets. To avoid unnecessary trouble, the bride's name was listed as Shi Yi. Even so, it still sparked quite a bit of discussion.

"Isn't this Shi Yi the former CEO of Lei Man? I heard she was very close to the CEO of Leng Group not long ago. Now she's with the head of the Feng Family?"

"How can we common folk keep up with high society affairs? Just from this, we can tell this woman isn't an easy one."

"Hmm, this elite circle is really messy."

...

People buzzed with gossip. Of course, Lin Yixun heard some rumors too. When she saw the news of her upcoming marriage to Feng Chengyu on TV, she couldn't help but feel shocked. The impending marriage date surprised her even more.

Even if they're going to get married, there's no need to rush it, right? Didn't Feng Chengyu say he was going to host a wedding? Can a month's preparation time be enough?

What she didn't know was that, with Feng Chengyu's financial power, even if the wedding were to take place tomorrow, it would pose no problem at all.

The media's widespread coverage of their wedding news naturally reached Leng Yixiu's ears as well.

All morning, Sister Yi cautiously observed Leng Yixiu's reaction, only to see him lazily leaning on the living room sofa, browsing through documents casually, without showing the slightest abnormality.

Seeing this, Sister Yi couldn't help but let out a long sigh of relief,

What she didn't know was that sometimes, calmness does not mean indifference, compared to fury.

Leng Yixiu found that he ultimately couldn't let go of Lin Yixun, nor could he accept her marrying another man.

For a moment, a terrifying thought arose in Leng Yixiu's mind: using Yixun as leverage to bring her back to his side, whether by forcing or binding her, never letting Lin Yixun leave him again.

Chapter 580: If your heart aches, then snatch her back!

That night, Fei Yichen was called out by Leng Yixiu in the middle of the night, still the old place, still drowning his sorrows in alcohol.

When Fei Yichen arrived at the bar, the counter was already filled with empty bottles of various sizes.

"Why have you drunk so much?" Fei Yichen frowned.

Old He glanced worriedly at Leng Yixiu, who was still drinking alone, and said in a deep voice, "From the moment he came in, sir has been continuously drinking. I couldn't stop him no matter how hard I tried. Mr. Fei, you have a good relationship with sir, please try to persuade him!"

Fei Yichen pressed his lips together, stepped towards Leng Yixiu, and looked down at him.

Seeing Leng Yixiu holding a glass of red liquid about to take a sip, Fei Yichen reached out and tightly held Leng Yixiu's hand that was holding the glass.

"Stop drinking!"

Leng Yixiu's hand was held firmly, he paused, then mechanically looked up. His bewildered eyes cleared a bit upon seeing Fei Yichen, and he suddenly smiled, "You're here? Come, have a drink with me."

As he spoke, Leng Yixiu tried to break free forcefully, but due to the excessive force, most of the drink in the glass spilled out, leaving Leng Yixiu annoyed, "What a waste, but it's okay."

With that, he simply picked up the bottle and gulped it down.

Seeing Leng Yixiu so dejected, Fei Yichen couldn't help but feel very angry. He snatched the bottle from Leng Yixiu's hand, swung his arm, and the sound of glass shattering followed.

"Leng Yixiu, I didn't come here today to drink with you! If you're feeling upset, go and get Lin Yixun back instead of hiding here alone like a coward!"

Leng Yixiu paused, then bitterly curled his lips, "Get her back?"

It's not that he can't, he's just afraid of becoming a demon.

.....

In the internet era, news spreads quickly. Old Madam Feng learned about Feng Chengyu and Lin Yixun's wedding announcement the same day, and despite her second daughter's attempts to dissuade her, she rushed back from abroad the next day.

When Old Madam Feng returned to the villa, Feng Chengyu was in the living room watching financial news. So, Old Madam Feng, leaning on her cane, quickly approached him.

Feng Chengyu was somewhat surprised to see Old Madam Feng, "Grandma, why did you come back?"

"If I didn't return, I might not even be able to attend your wedding banquet with my granddaughter-in-law."

"Of course not," Feng Chengyu said calmly, "Grandma, I was just about to call and inform you."

"Really?" Old Madam Feng squinted suspiciously.

"Absolutely."

"That's more like it." Old Madam Feng's expression softened a bit, and she smiled, "Finally, you've come to your senses. Well done, well done. You finally have a bit of your grandfather's style. I remember back in the day, your grandfather and I..."

Old Madam Feng began reminiscing about her glorious past with Grandpa Feng.

Feng Chengyu had heard their love story at least ten times, and seeing Old Madam Feng about to repeat it once more, he rubbed his forehead and said, "Grandma, I have some things to handle upstairs, I'll go up first."

"Alright, alright, go ahead. You're just tired of my nagging." Old Madam Feng said discontentedly, "If you don't chat with me, I'll chat with my granddaughter-in-law. Where is she? Where's my granddaughter-in-law?"

Seeing Old Madam Feng eager to meet her granddaughter-in-law, Chu Yan couldn't help but smile and said softly, "Old Madam, Miss Shi went out."

Before Old Madam Feng returned, Feng Chengyu had specifically instructed everyone to call Lin Yixun "Miss Shi" in front of others. Chu Yan naturally knew Feng Chengyu did this to save Lin Yixun from unnecessary trouble.

Old Madam Feng was a bit disappointed, "Why did she go out? When will she return?"

"I'm not sure about that."
