

"I tried to get the concert tickets once I got home yesterday, but they're all sold out! I'm so p\*ssed, argh!" Wang Meina shrieked like a madwoman.

Right then, Wang Kang came to work.

Compared to Wang Meina, Wang Kang looked pretty happy.

"Assistant Team Leader Wang, did you queue for the concert tickets? How did it go? Did you manage to get them?" A group of colleagues asked.

"Hehe, my luck was pretty good! I managed to get two tickets, but they're both in the back row!" Wang Kang smiled smugly.

"Huh? Really? Let me see! Wow, they're real! Assistant Team Leader Wang, you're so clever!" The girls said admirably.

Some of them even purposely grazed their chests against Wang Kang's arm.

If Wang Kang was happy, he might even give a ticket to them!

“Wang Kang, since you got two tickets, can you sell one to me? I really want to go!” Wang Meina said, her eyes lighting up.

Despite this being an event by Dreamer Investment Group, not many workers managed to get a ticket.

This kind of event wasn't organized for the workers, after all. Instead, they expected many rich businessmen from Jin Ling to be there.

“Sorry, Wang Meina! I need to give one to Yang Minxue so that the two of us can go together!” Wang Kang shook his head.

“Hmph! Yang Minxue didn't even accept you, so why are you so dedicated to her?” Wang Meina's impatient personality came to the forefront and she yelled at Wang Kang.

“What do you mean, dedicated? What do you even know?!” Both of them were at loggerheads, and it looked like they were about to start arguing.

Liu Yanan came over to stop the fight.

One party really wanted it and the other party would not give it away. With their short tempers, if the two of them really started fighting, they would disrupt the harmonious environment in the office.

Right then, Yang Minxue walked into the office with her bag.

The tension diffused.

When Yang Minxue saw that everyone was staring at her, she felt rather embarrassed.

Her gaze shifted to Chen Hao.

She walked over to him.

“Chen Hao, you said you wanted to give me a surprise today, right? Hehe, what is it?” Yang Min asked softly.

Since she felt like Chen Hao wasn't exactly accepted by most of their colleagues, she went to Chen Hao's side in an attempt to direct their attention away from her.

When she approached Chen Hao to chat with him yesterday night, he had said he

had a surprise for her.

That was why she took the opportunity to talk to Chen Hao.

Whereas Wang Kang looked at the scene unfolding in front of him with jealousy burning in his eyes.

“You want it now?” Chen Hao asked, feeling a little helpless.

He clearly knew why Wang Kang and Wang Meina were arguing.

“Yeah, haha! You weren’t lying to me, right? Hmph, someone was bragging about how they had concert tickets yesterday!” Yang Minxue said jokingly.

To be fair, she was clear that Chen Hao was just kidding.

But right now, it was better to chat awkwardly with Chen Hao than to face their stares.

“Hmph, him? Getting his hands on concert tickets? If he can get a ticket, then I’ll do

whatever he asks me to!" Wang Kang said angrily. "Yang Minxue, stop caring about him! Come over here and see what I got you!"

Wang Kang took out his tickets.

Chen Hao, however, was enraged when he heard that.

He didn't want to take it out before because he didn't want to brag about it.

But now? Wang Kang, you asked for it!

"Assistant Team Leader Wang, you said this yourself! If I have the tickets, then will you really do whatever I tell you to do? There are plenty of people here who can be witnesses!"

"Hahaha! Game on, you punk. You want to fight me? What if you don't have the tickets? I can't be the only one taking part in this bet. If you don't have the tickets, then you have to walk one round in the company without wearing your pants!" Wang Kang said coldly.

“Okay!”

Chen Hao smiled and took out ten or so tickets from his pocket, choosing one to pass to Yang Minxue.

“Damn!”

Everyone in the office was stunned.

“Are they real or fake?!”

“It can’t be. Chen Hao actually managed to get tickets?”

“No way! I need to see if they are real!”

Some girls immediately surrounded Chen Hao.

“Damn, this is a center seat! It’s at the end of the T platform. That’s where all the idols go to greet fans! You can actually interact with them up close there!”

When the girls saw the tickets, they instantly shouted in surprise.

“These tickets are real!”

Wang Meina was watching from the side, and her whole heart felt like it had been dipped into ice.

It felt as if one of your enemies who you had always looked down upon had suddenly become super powerful.

It felt very uncomfortable, like a thorn in your heart.

“Chen Hao, tell us, quickly! How did you manage to get so many tickets? There are more than ten here!” The crowd of girls asked Chen Hao suspiciously.

“You don’t need to care about that. Either way, I have the tickets. Assistant Team Leader Wang, I want to know if you are going to keep your promise?” Chen Hao asked, looking at Wang Kang.

Wang Kang’s face turned pale.

“Huh? What did I say before?”

“Hmph, you were the one who said that if Chen Hao had the tickets, then you would do anything he asks! We all heard you, so

don't even try to deny it!" The crowd of girls didn't care who was the higher-up now. All of them were speaking for Chen Hao instead.

"Yeah, Wang Kang! Are you even a man? You don't even admit to the things you've said before, how embarrassing!" Wang Meina butted in as well.

Everyone was attacking Wang Kang.

"Fine, tell me. What do you want me to do?" Wang Kang looked at Chen Hao with a warning stare.

"What do I want you to do? You wanted me to take my pants off and walk one round in the company, right? I wouldn't do that to you, since I'm not that evil!" Chen Hao said.

"Hmph! Of course a punk like you wouldn't dare!" Wang Kang laughed coldly.

"So, take off your pants and walk one round in our marketing department offices instead!" Chen Hao said.

“Pfft! Hahaha! Yes, yes! Take them off and walk!” The girls cheered.

Wang Kang’s face turned purple.

He stood there stiffly, not willing to take his pants off.

“Huh? Assistant Team Leader Wang, you aren’t going commando, are you? Is that why you don’t dare to take it off?”

“Exactly, I bet he doesn’t have underwear on! What a dirty guy! And he even wants to go after Yang Minxue!”

“Yeah! He doesn’t even live up to his words. Is he even a man?”

People’s words were dangerous.

This onslaught of insults was unbearable for Wang Kang.

“Fine! I’ll take them off! What do you mean, not a man? And who said I didn’t have underwear on? I’ll take it off right now!” Wang Kang, in a fit of anger, pulled his pants halfway down his legs.

“All of you, look! Am I wearing underwear or not?” Wang Kang yelled angrily.

“Wang Kang! What are you doing?!”

Right then and there, an enraged shout came from behind Wang Kang.

The group of hollering girls quietly returned to their seats after seeing who it was.

“Ch-Chief Zhang!”

This man so happened to be the chief of their department.

“Put your pants back on and come to my office! You’re our assistant team leader, so how can you behave like that? What an embarrassment!” Chief Zhang shouted before turning to go back to his office.

After Wang Kang put his pants back on, he shot daggers at the snickering Chen Hao before running to the chief’s office bitterly.

“Chen Hao!”

## Chapter 271 Regret

They hadn't left for long before Wang Meina came in front of Chen Hao, her face red.

“Chen Hao, I’m sorry! Please accept my apology!”

Wang Meina faced Chen Hao, her expression full of regret.

Then, she bowed deeply to Chen Hao.

This wasn’t just shocking to Chen Hao, but also to the coworkers in the whole marketing department.

“I really, really want a ticket. Chen Hao, can you please sell one to me?” Wang Meina looked at Chen Hao.

Who knew that Wang Meina loved her idol to this extent?

If she hadn’t done this, Chen Hao would still have been rather angry at her, so he wouldn’t have given her the time of day.

But now, she was actually bowing and apologizing to him.

If he didn’t give her a ticket, he would not be able to get over it.

“Alright, I’ll give you one. I have plenty here, anyway.” Chen Hao gave a ticket to Wang Meina.

Wang Meina looked at Chen Hao with immense gratitude, and she nodded heavily before taking it.

“Ah! Chen Hao, Chen Hao! I want one too!”

“Chen Hao, me too!”

“Chen Hao, since we’re colleagues, can you sell one to me?”

There were still quite a few fangirls other than Wang Meina in the company, and they all rushed toward Chen Hao with sparkling eyes at this moment.

There were many female colleagues in the company, and adding up everyone in all four groups, there had to be around thirty.

He could give tickets to some of them, but he wouldn’t be able to give everyone a ticket.

So Chen Hao just left the remaining tickets

on the table.

“I don’t need that many anyway. Whoever wants to go, just take one!” Chen Hao said.

“Wow!” The girls ran over to snatch the tickets.

As for Liu Yanan, she was staring at Chen Hao with a complicated expression.

Just looking at those tickets, putting aside the matter of how Chen Hao got them, one ticket would already have cost a pretty penny.

How much money did all of this cost?

Chen Hao seemed very careless about it.

Could he have become rich?

Liu Yanan was feeling horrible right now.

Yesterday, when Wang Kang said he wanted to get Chen Hao off of the name list for the welcoming party, she had agreed without thinking.

Of course she knew that Wang Kang wanted people to boycott Chen Hao, then eventually get rid of him.

But today? Everyone had started to stand on Chen Hao's side.

Liu Yanan wanted a ticket for the concert, too. But after thinking about it, she decided against it.

She really couldn't open her mouth to ask for something from someone she had always looked down upon.

As for Wang Kang, he had the worst luck today.

Other than not getting the girl, he was demoted from an assistant team leader to a regular worker.

It was Chief Zhang's decision, and Wang Kang was also put on probation.

Then, it was time for lunch at noon.

The third and fourth floor were the cafeteria for workers.

All of the pretty girls from the Marketing Department sat together for their meal.

A girl asked excitedly, "I say, do you all think Chen Hao is a rich second generation? Like, a covert one who came to experience life in our company?" She looked at the ticket in her hand.

"Huh? What do you mean?" The girls leaned closer together, enjoying the chance to gossip.

Liu Yanan, who was eating, heard them and raised her head. She frowned as she heard them speak.

The girl continued, "Just think about it! You all know how much these tickets cost. The most important thing is, Chen Hao managed to get close to twenty tickets even when getting one ticket for the last row was very hard! And he doesn't even care much about giving them away, which means that Chen Hao must have more than just those tickets! He has to have a really good background, and he surely isn't as simple as he looks. What do you all think?"

“Yeah, that’s true. Chen Hao is surely an interesting one, definitely not a poor idiot like how someone described him yesterday at the gathering! Hehe!” One of the girls glanced at Liu Yanan, whose expression was souring.

“Exactly. During the gathering yesterday, half of the meal was just spent telling us about Chen Hao’s embarrassing stories. How regretful that must be!” Wang Meina said.

It was obvious who they were mocking.

Clearly, it was Liu Yanan.

“What kind of sh\*tty rich second generation heir is he? Who knows how he got these tickets? What’s so good about that, anyway? I’m not eating anymore!”

Liu Yanan was agitated and threw her cutlery down before leaving in a huff.

The girls didn’t care about her. All of them just continued discussing how they would treat Chen Hao better from now on.

That was why when the afternoon rolled around, Chen Hao's desk was filled with milk tea and fruits.

"Everyone, I'm back!"

Suddenly, a handsome man walked into the Marketing Department.

Once he walked in, he was shouting happily.

He even opened his arms, ready to give hugs.

However...

"Chen Hao, Chen Hao! Tell us how you got these tickets, don't just keep us in the dark!"

These girls' attention were all directed to Chen Hao.

No one even cared about the other man.

"Huh? Junsheng, you're back from your business trip!"

However, one girl stood up excitedly and looked at Wang Junsheng.

Of course, it was Liu Yanan.

And who was Wang Junsheng?

He was the team leader of Group 2, and he had gone for training at Jin Ling City. He had also gone to take a look at the business operations of the Group in town.

Just like his name, he was a handsome person.

He was only older than Chen Hao by one year.

When Liu Yanan first joined the company, Wang Junsheng was the one who mentored her.

Also, Liu Yanan had always had a crush on Wang Junsheng.

This was an open secret in the company.

But Wang Junsheng was someone rather aloof and wild, so the last few times Liu

Yanan had tried to confess to him, he hadn't made much of it.

But either way, he treated Liu Yanan and his friend, Wang Kang, pretty well.

"Yanan, who is this? I've never seen him before!"

Wan Junsheng saw that his thunder had been stolen by someone else, and he immediately looked discouraged.

"Hmph! His name is Chen Hao. He's a classmate from high school. But, Junsheng, don't worry! I never pay attention to him, ever!" Liu Yanan said.

"Chen Hao? As a newbie, he's not taking his work seriously but chatting with coworkers during working hours. What bad behavior!" Wang Junsheng said.

He looked at Chen Hao and nodded coldly.

When it was almost time for them to get off work, Chen Hao finally got some peace and quiet.

Slam!

A mug was put down with a thud on Chen Hao's desk.

"You, later when the water boils, get me a cup of hot water!"

This person was of course, Wang Junsheng.

"Get you a cup of water? This isn't in my job description, is it?"

Chen Hao didn't take the person in front of him seriously, not caring about him much.

"You're just a newcomer, yet you're pretty stuck up, huh?" Wang Junsheng said coldly.

"Chen Hao, Wang Junsheng asked you to go get him water because he's giving you face, so go and get the water! Stop your nonsense! Do you really think you're some kind of rich second generation heir?"

Liu Yanan walked over at this moment. When she saw Chen Hao talking back to

Wang Junsheng, she was even angrier than Junsheng was.

“Why should I? Give me a reason.” Chen Hao sat there, unmoving.

“Wang Junsheng is the top in sales for our department! Hehe, you probably didn’t know, right? Sixty percent of the investments made in Ping An County’s projects were only successful because of Wang Junsheng. Tell me, is that a good enough reason? Also, do you even know what Wang Junsheng’s background is? Hmph, don’t make such a fuss over such a simple order!” Liu Yanan looked at Chen Hao contemptuously as she spoke.

When she talked about Wang Junsheng, Liu Yanan’s face was full of pride.

Wang Meina and the others couldn’t stand how Liu Yanan and Wang Junsheng were bullying Chen Hao. But right as they were about to speak up for him, Wang Junsheng’s phone started to ring.

Wang Junsheng picked up the call.

## Chapter 272 Another Problem Arises

“Yes, yes, it’s me—Huh? What did you just say?! How can that be? Explain yourself!”

Wang Junsheng suddenly roared, and in the next second, his face was white...
