

Trick Me 1041

Chapter 1041: what do you think of this surprise?

The woman was only wearing a red gauze, which simply wrapped around an important part of her body. Of course, it was the same whether she was covered or not. This half-naked appearance was more likely to arouse people's imagination!

Under the Red Gauze, her snow-white skin was fine and smooth, like fine silk.

Her black hair was even straighter and longer. It was soft and spread over the woman's body and collarbone... ..

Some of it poured onto the ground, stretching and bending, growing in a very ghostly arc.

Just by looking at this, an ordinary man would already be unable to control his nose from bleeding!

Even Xia Jinqi could not help but exclaim in surprise when she saw this... ..

Just as she was thinking about such a beauty, not knowing what kind of beauty she should give birth to, which could topple countries and cities, she suddenly stopped when she raised her eyes!

Xia Jinqi stared in disbelief at the woman who was sleeping soundly in the cage... ..

Then... Wasn't that Wen Qing ? ?

Why was she here And with the identity of being an auctioned item? ! !

Subconsciously, Xia Jinqi turned her head to look at Yan Jun beside her.

In fact, after Yan Jun saw the woman in the cage clearly, his degree of shock was definitely not inferior to Xia Jinqi's!

He knitted his brows tightly, his cold eyes suffused with a bone-chilling coldness!

Now he knew why Lu Yiming said that there was a surprise tonight, but he did not notice Xia Jinqi at all.

It turned out that Lu Yiming did not recognize Xia Jinqi at all. It could even be said that his attention was not on Xia Jinqi from the beginning!

From the beginning to the end, he was just waiting for this finale... ..

Waiting for the moment when Wen Qing was sent to Yan Jun as an auction item!

Xia Jinqi saw the veins on Yan Jun's forehead pop up and the extremely gloomy expression on his face, and her heart suddenly felt very uncomfortable.

As for Lu Yiming, who had single-handedly made all of this happen, he was very satisfied with Yan Jun's expression and reaction at this moment.

"What do you think of this surprise?" He was like a bloodthirsty demon. What he liked to see the most was to see the prey in his control become angry and distorted... ..

He liked these things that could move and scream, such as the woman he beat up last night.

The more she screamed, the more excited he became!

The more she struggled, the harder he hit her!

Yan Jun's face was livid. The ten-thousand-year-old Lake was not as cold as his eyes were now. "What do you want to do?"

"nothing. I just happened to know that Wen Qing and you actually have a story? So I invited her over as a guest. You know, the grand finale of the huayu auction house is not something that anyone can just go to...".

She's going to be auctioned off here, and she's going to go down in history... ..

Of course, it could have been you, or it could have been those hungry wolves back there. You know, there aren't a lot of normal people here, and they're a bit of a pervert.

Especially those rich old men, live only a few years, died of this money can not take away. A few sons and daughters of the family is not a few filial piety, might as well spend some money to buy a beautiful woman back to enjoy enjoy... .. n/)(-v)(e.-l-/B--1(-n

As the saying goes, even if you die under a peony, you will still be a romantic ghost. President Yan should understand."

Lu Yiming said this to imply that Yan Jun. if he did not bid Wen Qing away here, then Wen Qing would be taken away by someone else.

It was possible that the person who took her away was an old man, a pervert. There could be any kind of person.

The main point was that once she was taken away, the torture she would suffer next could be imagined... ..

Chapter 1042: old lover and current wife, have you decided who you want?

You might even be tortured to death.

Regardless of whether Yan Jun and Wen Qing had a relationship back then, they used to be schoolmates and were inseparable good friends. Yan Jun could not just stand by and watch Wen Qing suffer misfortune.

Once Yan Jun started the auction, it was equivalent to taking the initiative to walk into the trap that Lu Yiming had long set for him.

Now, didn't Xia Jinqi run away No one knew where she ran off to.

Lu Yiming tried many ways, but he still couldn't find out where Xia Jinqi was.

After a long time, he suddenly thought of why he had to spend so much effort to find her?

As long as he dug a hole here and waited for Xia Jinqi to jump in, wouldn't it be better?

Thus, today's situation was created.

His beloved husband spent a large sum of money to buy back his ex-girlfriend from the auction?

This... .. was explosive enough to attract attention ? ?

He didn't believe that Xia Jinqi wouldn't obediently come back when she heard the news?

Rather than saying that it was prepared for Yan Jun alone, it was more appropriate to say that it was prepared for the couple.

Lu Yiming smiled coldly. "But President Yan, if you pat her, what do you think your wife will do?"

When Yan Jun heard Lu Yiming's words, his eyes were sharp and foreboding. His five fingers clenched tightly!

Sure enough, he had been targeting Xia Jinqi from the start!

Wen Qing was just a chess piece that he used!

However, even though Lu Yiming had calculated everything, he still didn't expect Xia Jinqi to have another hidden identity... ..

Not only that, she was sitting right next to him, perfectly fine.

Thinking of this, Yan Jun curled his lips and turned his head. His deep gaze landed on the side of Xia Jinqi's face.

His woman was brave and resourceful. She knew that there were tigers on the mountain, but she still chose to walk towards the Tiger Mountain... ..

Just based on this point, Lu Yiming was far from her!

However... .. n/)(-v)(e.-l-/B--1(-n

Lu Yiming's calculations were very good. If he took away Wen Qing here, it would undoubtedly be a betrayal to Xia Jinqi.

Yan Jun's gaze was too hot, so much so that Xia Jinqi, who was in the Iron Cage, noticed it.

She turned her head and looked past Lu Yiming to meet his gaze.

They looked at each other across the air, so close that Xia Jinqi could clearly see the determination in Yan Jun's eyes.

She knew that he would definitely take Wen Qing away... ..

Lu Yiming did not know that the youth sitting on his right was Xia Jinqi in disguise. He only saw Yan Jun looking in his direction and thought that Yan Jun was looking at him.

He raised his eyebrows slightly and said mockingly, "how is it, director Yan? Have you thought about what to do? Old Lover and current wife, have you decided who you want?"

These words were like a heavy hammer in Xia Jinqi's ears!

They were obviously two unrelated things, but when Lu Yiming said it like that, it seemed like there really was a choice.

Xia Jinqi's heart also tacitly agreed with this statement at this moment.

Who didn't want a unique love?

Who didn't want to go through fire and water to be willing to die for each other?

Who didn't want to only care about your single-mindedness even if the world was destroyed?

Xia Jinqi sighed softly and no longer looked at Yan Jun. Instead, she looked at Wen Qing who was in the iron cage on the high platform.

She thought that rushing back from a thousand miles away would be a romantic reunion. Little did she know that it was another heart-wrenching beginning.

If she had known earlier, she wouldn't have come to this auction and seen Yan Jun face such a decision.

Chapter 1043: the sky-high Price Beauty

The Moment Yan Jun saw Xia Jinqi turn her head, the twinkling light in his black eyes was completely extinguished.

He understood what she meant... ..

But...

Ah Jin.

I'm sorry.

I have to save her.

The host on stage had already introduced the beauty of Long Zhong, and he shouted excitedly, "tonight's final item, the starting price is 30 million! Raise your paddle for 10 million each time!"

As soon as he finished speaking, there were already people raising their paddles below the stage.

"number 2876,40 million!"

"number 9276,50 million!"

...

Ling Yue could not help but exclaim in surprise as she watched. "I don't know what these people are thinking... if they go to a brothel to buy it, they can buy the night for more than a thousand! They actually asked for such a high price?"

However, Xia Jinqi suddenly had an epiphany. She smiled coldly. "This is the effect of packaging. An auction house is also a money-making business. No matter what items are pushed out from their hands, their value will increase by tens of thousands of times."

In the end, the reason why this huayu auction house was so famous was because of the hype.

Needless to say, the nouveau riche here really liked this kind of hype.

More and more people increased the bid. There were even people who raised their paddles crazily. They raised their paddles as if it was too troublesome and directly called out the bid.

"120 million!"

"150 MILLION!"

It was unknown whether these people had Lu Yiming's support. They kept increasing the bid as if they knew that no matter what the sky-high price was, there would always be people who would buy it.

...

At the end of the shout, Yan Jun finally raised his paddle. His cold voice was filled with majesty, "300 million."

The moment he said that, the audience fell silent!

This price, just to buy a woman, was really a little crazy!

The host on stage was so excited that his blood was boiling. Tears were about to flow out of his eyes. "number 8888,300 million going once! 300 MILLION GOING TWICE!"

Lu Yiming even started to congratulate Yan Jun with a smile. "President Yan is really lucky. This peerless beauty will belong to you tonight..."

The plan was very successful. He was very satisfied!

However, just before the host dropped the Hammer, Xia Jinqi, who had never auctioned any items, raised her sign.

The host shouted excitedly, "number 9024,310 million!"

Oh my God, he had been a host for so many years, but he had never seen anyone spend so much money to buy a woman!

Yan Jun's hand that was holding the sign suddenly froze.

He turned his eyes to look at Xia Jinqi, and his dark eyes were unpredictable.

The auctioneers below the stage were no longer calm. When they looked at the beauty in the cage again, they suddenly felt that she had become much more beautiful. It was really worth the price!

Xia Jinqi, on the other hand, had a calm expression on her face. It could be said that she did not change her expression at all. She only looked indifferently at the stage with an arrogant and cold expression.

Wen Qing had to be saved. n/.Ov&IbIn

But... She did not wish for Yan Jun to save her ...

Ling Yue was also shocked. "Chairman..."

Lu Yiming also paused and looked at Xia Jinqi. He sized her up carefully for a moment, but he could not see through her. He beckoned for the waiter and asked, "who is this person?"

The waiter whispered in his ear, "Mr. Lu, this is the leader of Lego."

After saying that, the waiter left.

Only then did Lu Yiming remember the legendary Lego group that was richer than the banks.

He wasn't the organizer of this auction, so he didn't know that the auction also invited Lego people.

He originally thought that Yan Jun was sure to win this round, but who knew that such A... .. Little baby would suddenly appear ??

He looked like he was only around 20 or so?

At such a young age, he was crazy about women?

Chapter 1044: had been in a tight spot recently, so he didn't want to steal someone's love anymore

However, no matter what, Lu Yiming wouldn't let this youth who suddenly appeared disrupt his plan.

He turned his head again and looked at Yan Jun. "president Yan won't lose to such a young kid, right?"

It was a very clumsy goading method.

Yan Jun raised his card again and cooperated with Lu Yiming.

"number 8888,320 million!"

He didn't want Xia Jinqi to be in the limelight too much. At that time, he would instead be targeted by Lu Yiming.

However, Xia Jinqi also had her own persistence.

She wasn't afraid of Lu Yiming. She could expose her identity. From the moment she insisted on coming back from Macau, she had already made her decision.

However, she couldn't watch another woman approach her husband.

So, she raised her card without hesitation.

"number 9024,330 million!"

The two didn't give in to each other, which made the audience curious.

In fact, when the price broke 200 million, no one threw money anymore.

They just didn't expect that Lego's leader, Mimi, would appear. Throughout the whole process, she didn't show any interest in any of the items. So, she was just waiting for this last item?

"Is Lego so poor that it only has money left?!"

"Yeah, I heard that the bank's capital turnover chain comes from Lego! If Lego doesn't send money to the bank one day, the bank won't even be able to make a loan!"

"Just relax. If Lego doesn't send money to the National Bank, will the higher-ups allow them to be so unbridled?"

Lu Yiming didn't know that the scheme he had meticulously planned had turned into a tug-of-war in the hearts of Yan Jun and Xia Jinqi.

"President Yan, a few hundred million shouldn't be a problem for you, right?" Lu Yiming spoke again and urged Yan Jun to raise his paddle.

After all, only when Yan Jun raised his paddle could his plan be considered complete.

However, just as Lu Yiming urged him again and again, Yan Jun suddenly changed his mind.

"Speaking of which, recently, the company has been suspended, the company has been investigated, and the capital turnover is also very difficult..."

If he insisted on bidding for Wen Qing, wouldn't he be playing right into Lu Yiming's hands?

Although he had saved Wen Qing, he and Xia Jinqi's hearts would be torn at the same time.

In the whole world, the person he didn't want to hurt the most was her.

Since she had the intention to step forward and save Wen Qing, why did he have to insist on not letting go?

When Lu Yiming heard Yan Jun's words, he had a bad premonition. "What do you mean?"

"Nothing much. I've been short of money recently, so I won't take away someone's love." As he said this, Yan Jun turned to look at Xia Jinqi with a faint smile in his eyes.

However, Xia Jinqi did not say anything. Her expression was still not very good.

Yan Jun did not continue to raise the bid. It was indeed beyond her expectations.

When Yan Jun stopped raising his paddle, the host on the stage began to announce, "number 9024,330 million going once! 330 million going twice! 330 MILLION GOING THRICE! SOLD!"

When the auction hammer smashed down heavily, there was a huge wave of cheers and screams below the stage!

Everyone was shocked that a woman could actually bid such a sky-high price, and was still amazed at Lego's strength!

Amid the sky-shaking cheers, Lu Yiming was so angry that his face turned ashen... ..

The woman who had spent so much effort to send into the auction house not only did not let Yan Jun jump into the trap automatically, but instead let this Lego leader who appeared out of nowhere steal the limelight!

He gritted his teeth and stared at Xia Jinqi with increasingly dark eyes.

However, Xia Jinqi did not have the extra time to waste here with him. She stood up leisurely and left gracefully under Ling Yue's escort.

Lu Yiming, who was so angry that he was about to vomit blood... ..

Chapter 1045: do you think I should enter the men's or women's restroom?

"You actually didn't raise the price? That's your old lover!" Lu Yiming glared at Yan Jun and questioned in a loud voice.

Yan Jun's gaze was still following Xia Jinqi. The reason why he didn't chase after her was because at this time, the more low-key he was, the less attention he would attract.

Because of Lu Yiming's words, he looked back and said in a flat tone, "the Yan Corporation has already been suspended. I have the heart but not the strength."

"You!" Lu Yiming was so angry that the veins on his forehead popped out. "HMPH!" In the end, he could only helplessly flick his sleeves and leave!

In fact, both of them knew very well that with Yan Jun's wealth, even if the Yan Corporation was about to go bankrupt, he would still be the richest man in Rao city.

And at this time, Yan Jun claimed that he had no money, but he just didn't want to Pat Wen Qing!

Lu Yiming was very angry now. Could it be that the news he received was fake?

Wen Qing had never had a relationship with Yan Jun?

Damn it!

Not only did he lose a sum of money, he even made a fool of himself in front of Yan Jun!

After Lu Yiming left, Quan Rui walked over and said with a faint smile, "it was really a pity just now. President Yan almost got the beauty back."

Yan Jun turned around with a smile. "President Quan, you must be joking. I love my wife very much."

"Oh? Then this person just now..." Quan Rui raised his eyebrows and looked back at the high platform. He wanted to say something but hesitated. ~~nOVe-lB~~In

"that was just an old friend." Yan Jun opened his mouth slowly. His black eyes were clear and calm.

"I see." Quan Rui smiled and the two of them walked out together.

After a few steps, Yan Jun stopped in his tracks.

A familiar figure flashed in front of him. His eyes lit up immediately and he couldn't move another step.

"President Quan, I still have some private matters to attend to."

Quan Rui didn't ask anything. He only said, "it's fine." Then, he smiled and left.

Before he left, he also glanced in the direction that Yan Jun was looking in, deep in thought.

"..."

When Xia Jinqi went to collect the auction item, she spent some effort. When she came out, almost everyone in the hall had already left. She wanted to leave but was in a hurry.

She finally found the bathroom. Just as she was about to enter, a woman walked towards her and glared at her fiercely!

That gaze was incomparably ferocious... ..

Xia Jinqi instantly froze on the spot, unable to move an inch.

Thinking of her attire, if she were to enter the female washroom, she would probably be beaten up and thrown onto the street for public display, right?

After hesitating for a moment, she looked at the male washroom... ..

There didn't seem to be anyone inside. Why don't... .. Sneak in ? ?

But no matter how much she had built up in her heart, she couldn't move her feet!

After Ling Yue finished the formalities, she returned and saw her own chairman standing in front of the washroom, thinking about his life.

"Chairman? What's wrong? Is there anything in the WASHROOM?" Ling Yue was very cooperative as she glanced at the washroom twice.

The people who came in and out were all ordinary people, so there was nothing strange about it.

"Ling Yue, do you think I should go to the men's toilet or the women's toilet?" Xia Jinqi finally asked this soul-torturing question.

"Well..." Ling Yue was stunned for a moment, then she said righteously, "the men's toilet!"

"..."it was better not to ASK THAN TO ASK!

Seeing her chairman's troubled look, Ling Yue laughed out loud. "I'm teasing you!"

With that, she went into the women's toilet. After looking around, she didn't find anyone, so she hurriedly pulled Xia Jinqi in. "There's no one inside. I'LL HELP YOU WATCH THE DOOR!"

Only then did Xia Jinqi nod and enter.

She was incomparably nervous the entire time Her movements were also very fast. She was afraid that if she wasn't careful, she would be discovered and then dragged out to parade on the streets!

It was quickly resolved. She rushed out of the female toilet as if she was fleeing.

Chapter 1046: ah Jin, I miss you.

Xia Jinqi ran all the way out, but she didn't see anyone enter. She let out a sigh of relief. Fortunately, she wasn't discovered.

However, before she could feel completely at ease, as soon as she stepped out of the ladies' room, her wrist was grabbed by a force and she was forcefully dragged away!

"Ah!" Xia Jinqi screamed in fright. She hurriedly raised her head, only to see the side of Yan Jun's face.

Why was he here?

"What are you doing? Let go of me!"

Xia Jinqi struggled with all her might.

She was still a little angry at this moment. Moreover, she was wearing a male disguise. If people saw Yan Jun holding her like this, they would think that they were gay... ..

Unfortunately, her strength was never a match for Yan Jun..

He continued to walk forward indifferently.

Xia Jinqi anxiously looked at Ling Yue again and signaled her with her eyes, "save me! "

Ling Yue was also stunned. Who knew that Yan Jun would suddenly appear?

After receiving Xia Jinqi's gaze, she hurriedly caught up with him. However, after taking two steps, she was stopped by a deep voice in front of her. "Don't come over! "

" ... " Ling Yue immediately stopped in her tracks and watched Xia Jinqi leave. "Chairman, there's nothing I can do to help... after all, this is also your family. "

The two of them had left each other for the better. If she continued to follow them, wouldn't it seem a little unreasonable?

Moreover, looking at Yan Jun's boldness, he had directly taken her away. His boyfriend's strength was at its peak!

Xia Jinqi didn't know how far she had been dragged away, nor did she know where Yan Jun was pulling her to. All she knew was that when he called her a bastard for the umpteenth time, he suddenly turned around and pressed her against the wall!

He propped his hands against the wall and trapped her between the heaven and earth.

He bent down to look at her. He was especially close to her, so close that his warm breath blew onto her face.

Xia Jinqi didn't look at him. Instead, she sized up the place where they were.

There was a narrow stairwell with a chandelier at the top that just happened to light up the two of them.

Other than that, the surroundings were pitch black.

It should be an emergency corridor... ..

After waiting for a long time without her speaking, Yan Jun became anxious.

“Aren’t you going to explain it to me?” His voice was very hoarse and deep, as if he was suppressing something.

Xia Jinqi still lowered her eyes and muttered, “you can film a beauty, but can’t I film it?”

Hearing this, Yan Jun’s expression froze slightly.

He asked why she suddenly ran back, but her answer was about Wen Qing.

“Look at me,” he said domineeringly.

However, Xia Jinqi bit her lower lip and did not raise her eyes.

She was jealous.

Because she saw how nervous he was towards Wen Qing.

She was still unwilling to look him in the eye. Yan Jun’s heart inexplicably became anxious. He did not ask her again, but used his actual actions to tell her his heart.

He lowered his head and bit her lip. He sucked repeatedly with great force!

“Yan...” Xia Jinqi instinctively resisted. She clenched her fists and hit him, but he still did not take half a step back!

He only let go of her when she was kissed until she lost all her strength and turned into a puddle of water. She was soft in his arms.

“YOU BASTARD!” Xia Jinqi stared at him with her almond-shaped Eyes Wide Open.

She used this trick every time And every time, she was powerless to defend herself... ..

Yan Jun was not angry at all when he heard her scolding him. Instead, he smiled faintly and used his large warm palm to support her small face. He enjoyed the time when she looked at him wholeheartedly.

“Ah Jin, I missed you.” He sighed and leaned over again. He gently pecked her lips, which were slightly red and swollen from the rampage.

Chapter 1047: B * Stard... .. Why did you abandon me ? ?

Xia Jinqi paused for a moment. All the resentment and jealousy she had had vanished into thin air because of his words.

Her eyes were red as she threw herself into his arms!

“B * Stard... why did you abandon me?” She sobbed as she accused him of his crimes. The emotions that she had suppressed for a long time suddenly erupted ! !

Her accusation instantly turned into thousands of sharp knives that stabbed into his heart.

Seeing her cry, his heart was bleeding as well.

“I didn’t abandon you.” His tone also changed a little. His thumb wiped away the tears by her cheek and comforted her gently, “I just...”

But she was like a child abandoned by her parents, crying helplessly and hesitantly, “you said that we would go through life and death together, but every time we encountered danger, you were the first to push me away!”

“...”Yan Jun was so heartbroken that he didn’t know what to say. He could only pull her into his arms and hug her tightly.

Tightly... ..

He was actually a little angry when he pulled her away so angrily just now.

He was angry that she had run back without a word and even showed off in front of Lu Yiming. He was angry that she was not afraid of tigers when she was just born. He was angry that she... ..

However, when he saw her eyes and held her in his arms, he threw everything to the back of his mind.

Forget it.

It was good that she was back.

It was good that she was back.

He sighed, kissed her forehead, and hugged her tightly.

For a moment, the stairs were so quiet that only Xia Jinqi’s sobbing could be heard.

After an unknown amount of time, she finally stopped crying. When she came back to her senses, she pushed Yan Jun away forcefully. “Why are you looking for your little beauty? Why are you looking for me?”

Yan Jun raised his eyebrows. He was surprised by the woman’s brain circuits.

Was she here to settle the score after crying?

Her eyelashes were still wet, and her eyes were still as red as a rabbit’s... ..

What exactly were the women thinking about?

He didn’t know whether to laugh or cry as he approached her. He bent the knuckles of his index finger and gently rubbed the tip of her small nose. “There’s only one little beauty here.”

Xia Jinqi didn’t appreciate his kindness. She turned to the side and was about to leave.

However, he pulled her back.

“Ah Jin. ”

He called her name, leaned over, and hugged her from behind.

“I regret it. ”

He was like a child, his chin resting on her shoulder as he muttered.

Xia Jinqi was unable to move for a moment, so she asked, “regret what? ”

“regret sending you to Macau. ” He hugged her and closed his eyes as he sighed.

For the past half a month after she left, he had been living in extreme loneliness every day.

In the past, he had never felt that there was anything wrong with being alone, but ever since he had a family, he had become greedy.

He had wanted to bring her back countless times, but he still held it in.

“I cut off my connection with you because I was afraid that I would go back on my word. ”

Xia Jinqi had managed to hold back her tears with great difficulty, but because of his few words, they were about to burst again.

She knew everything that she knew.

He did this because he was afraid that she would be hurt.

He was doing this to protect her.

How could she be angry at someone who was always thinking of her?

“then you must promise me that no matter what happens in the future, no matter if you are dead or alive, you can never abandon me again. ” She turned around and met his gaze solemnly.

Yan Jun’s dark eyes were deep, only imprinting her fair little face. n/.OvEItIn

“okay, I promise you. ” His lips curled into a smile, and his reply was very straightforward.

Actually, he knew in his heart that if the situation really came to a crisis, he would still make such a choice.

No one would watch their lover go to his death.

Chapter 1048: I want to be with you

Xia Jinqi listened to his promise and smiled with satisfaction.

After reminiscing about the past, Xia Jinqi remembered what happened at the auction tonight. She frowned and asked, “then Wen Qing... was specially arranged by Lu Yiming? ”

“Yes. ” Yan Jun nodded. Although he didn’t know if Lu Yiming had some special relationship with huayu auction house, Wen Qing was indeed arranged by him this time.

Look, in order to mess with Yan Jun, Lu Yiming even brought Wen Qing, who was far away in Nevada, to the auction.

If he knew that Xia Jinqi was currently in Rao city, he really didn't know what he would do... ..

This was what Yan Jun had been most worried about.

"where are you living now?" Yan Jun asked her.

"At Xiao Ran's house," Xia Jinqi replied. Suddenly, Yan Jun's face tensed up, so she asked, "what's wrong?"

"You're going back to Lego tonight. You can't go to Xiao ran's house anymore."

Xia Jinqi was stunned. "Why?"

"Lu Yiming will target you. If you go back to Lego, he won't dare to touch you for the time being." Yan Jun's eyes darkened, and his expression became serious.

Lu Yiming was a suspicious person. He had paid a lot of attention to Xia Jinqi during the auction just now.

If it weren't for Yan Jun trying to change the topic, Lu Yiming might have seen through Xia Jinqi's identity.

Now that he had left in anger, it was hard to guarantee that he wouldn't come back to his senses at some point.

When the time came, he would definitely send someone to investigate Lego and investigate Xia Jinqi.

However, Xia Jinqi flatly refused. "No, I want to be with you."

"..."Yan Jun was slightly shocked. He didn't expect Xia Jinqi to say such a thing.

He was silent for a moment before telling her, "Lu Yiming, this person, his methods..."

"I don't care what his methods are. Yan Jun, I want to be with you." Xia Jinqi grabbed his hand She stubbornly refused to let go "You want me to go to Lego to hide. What's the difference from you asking me to go to Macau "If Lu Yiming is really as terrifying as you say, he won't let me go no matter where I hide. "I don't know what will happen in the future, but at this moment, at this second, I want to be with you. "Yan Jun, can you stop pushing me away "Don't tell me that in your heart, I'm such a cowardly woman? "!"

Yan Jun,"..."

He was stunned by Xia Jinqi's words.

He lowered his eyes and looked at her large, watery eyes that were filled with determination and sincerity.

After a long time, he finally came to a realization.

That's right.

She was different from ordinary women.

She had experienced so many human emotions at such a young age, and she was also the leader of Lego. She was so strong, and she had overcome one pain after another.

Perhaps, he shouldn't have hidden her like a canary.

"silly woman." He wiped the tears from the corner of her eyes and pulled her into his arms. He sighed softly. "We're together. No matter what happens, we're always together."

She was always like this.

No matter when, she would always be able to move him in a unique way.

There wouldn't be any more... ..

Such a silly woman who was devoted to him, there wouldn't be any more in this world.

She was the only one, irreplaceable.

She was so good that he wanted to hide her and protect her.

Xia Jinqi hugged him back and nodded heavily while choking with sobs. "You promised me. A GENTLEMAN'S WORD CAN NOT BE KEPT!" n--☺)(V--e//L.-b(-l.)n

"Okay." He nodded gently and inhaled deeply.

She was right about one thing.

Lu Yiming was ruthless. If he could find Wen Qing, it was only a matter of time before he found Xia Jinqi.

Chapter 1049: "going home" was such a beautiful word

Rather than waiting for death and running for his life, it was better to take the initiative to attack!

For her sake, he would not endure it any longer.

Xia Jinqi lay in Yan Jun's arms and closed her eyes to enjoy the warmth of being late for a long time.

However, when her heart calmed down, an even more serious question suddenly came to her mind.

"Then what should we do next? I heard that Huo Ting is also under house arrest. Is he alright?"

Only then did Yan Jun release her and laugh at her. "He didn't plan anything and just ran back so rashly?"

"... " Xia Jinqi lowered her head and coughed lightly. She stuttered, "I missed you... "

The moment she heard about Rao city's situation, she immediately ran back without stopping. How could she still care so much?

When Yan Jun heard this, his heart warmed again. He took her hand and held it carefully in his palm. "Huo Ting is fine. He's just under house arrest in the military district. He's not allowed to go out without orders from the higher-ups."

"Lu Yiming already has so much power in his hands? He can simply put the head chief under house arrest?"

"It's not Lu Yiming. It's your father," Yan Jun replied indifferently, his brows slightly furrowed.

This news was undoubtedly a bolt from the blue for Xia Jinqi!

With a loud rumble, the explosion made her dizzy.

"What's going on? Aren't the two of you on the same side as my father?" Xia Jinqi asked anxiously. Had so many things already happened after she left?

"He..." Yan Jun was about to speak when the sound of footsteps came from upstairs, as well as the sound of someone carrying a bucket stumbling.

From the looks of it, the cleaner who was in charge of cleaning had come down.

Yan Jun and Xia Jinqi looked at each other. Then, the two of them quietly walked back through the emergency passageway.

Yan Jun had led Xia Jinqi out the entire way.

Fortunately, they did not meet anyone along the way. When they reached the exit, they saw Ling Yue waiting anxiously at the door.

Ling Yue had waited for a long time. Just as she was getting anxious, she saw her chairman being led out like a good child. He was even blushing. She instantly understood something and went up to greet him with a smile. "Chairman, why is your face so red?"

Xia Jinqi, "..."

She hurriedly let go of Yan Jun's hand and touched her face. It was boiling hot. *no\ve)lB.1n*

"It's hot!" Xia Jinqi couldn't explain it clearly for a moment. She could only cough lightly and forcibly change the topic. "Have you settled the matters at the auction house?"

Ling Yue looked at the chairman's evasive gaze and no longer made things difficult for her. Instead, she got down to business. "Yes, they said that they will send the auction items to the place we specified tonight."

"Yes." Xia Jinqi nodded. She thought for a moment and met Yan Jun's half-smiling Gaze. "Why are you looking at me?"

"It's nothing." The smile on Yan Jun's lips did not diminish. He turned around and took the lead to walk outside. "Let's go."

"..." Xia Jinqi followed behind with a puzzled expression. She did not know what he was up to.

Ling Yue followed beside Xia Jinqi in small steps. "Chairman, where are we going?"

“home. ” When she said these two words, Xia Jinqi’s lips also curled up into a smile.

What beautiful words.

Just thinking about it could make people feel happy.

—

The night was already very dark.

A black car was speeding along the road.

As the driver drove, he carefully watched Mr. Lu from the rear-view Mirror.

Ever since the auction, Mr. Lu’s face had been very pale.

It was as if someone owed him millions and would not pay back.

Chapter 1050: Stay further away. Don’t be discovered

Lu Yiming was gloomy. Ever since he came out of the auction, he had been thinking about that Lego kid who had suddenly appeared.

“Why do I feel like I’ve seen that kid somewhere before?” Lu Yiming murmured, his brows tightly knitted together.

Moreover, according to Yan Jun’s personality, he wouldn’t see his old lover in trouble and not save him, right?

But he had given Wen Qing to Xia Tian so readily?

Could it be... .. He and Xia Tian had known each other for a long time and had colluded with each other a long time ago, so he didn’t dare to let anyone take Wen Qing away. It didn’t matter ? ?

Thinking of this, Lu Yiming’s face turned even uglier. He clenched his teeth and suddenly let go. He shouted, “TURN AROUND AND GO BACK! ”

The driver, who had been so nervous that he didn’t dare to relax, was still shocked. He immediately turned around and said, “yes, Mr. Lu. ”

They sped all the way back to the Royal Hotel.

Coincidentally, Lu Yiming just happened to see Yan Jun coming out of the hotel with a Lego teenager behind him.

“They are really in cahoots! ”

Lu Yiming gritted his teeth and punched the car door. His eyes were red.

The driver tactfully parked the car at a secluded spot on the street and turned off the lights in the car.

From Afar, Lu Yiming saw Yan Jun and the youth not only talking and laughing, but also getting into the same car together.

“follow them.” Lu Yiming had already forced himself to calm down.

The driver didn't say anything. He stepped on the gas and followed Yan Jun's car.

Lu Yiming stared at Yan Jun's car in front of him and suddenly said, “follow further away. Don't be discovered.”

The driver let go of the gas and drove more carefully.

He still knew his boss's personality. If something went wrong and his boss got angry, he could rip his head off.

Cherish your life and drive carefully.

However, no matter how careful Lu Yiming was, he would never have thought that the moment he followed Yan Jun's car, there was also a small black car following behind him.

Fang Shaoan did not leave.

When he came, he also drove the car. He sat in the third row during the auction and did not speak to Yan Jun..

He had wanted to say that he would wait for him at the door to go back together, but who knew that he would take a nap while waiting.

When he woke up again, he just happened to see Yan Jun coming out of the hotel with a young man. Just as he was about to start the car to follow, he noticed that Lu Yiming's car had also followed him.

Lu Yiming would never have thought that a mantis stalks a cicada while an oriole follows behind, right?

Fang Shaoan carefully followed behind Lu Yiming and conveniently dialed Yan Jun's number.

“Second Young Master, Lu Yiming's car is following behind you.”

When he received the call, Yan Jun's expression darkened slightly. He subconsciously looked at Xia Jinqi beside him. “I got it.”

He did not turn around to see if there was a car following behind him. Since Fang Shaoan said so, he did not have to doubt it.

Xia Jinqi instinctively felt that something was wrong. “What's wrong?”

“Shao'an called. He said that Lu Yiming is following us.” Yan Jun frowned.

If he had known that Lu Yiming would suspect Xia Jinqi sooner or later, he would not have thought that his comeback would come so quickly.

Xia Jinqi's body froze, but she didn't turn around.

If she turned around now, it was very likely that the people behind her would know that they had discovered his existence.

The best way was to pretend that she hadn't seen anything.

“What do you plan to do?” Xia Jinqi asked again.

“What do you think?” Yan Jun didn’t answer, but instead asked for her opinion.

Xia Jinqi pondered for a moment, then suddenly smiled. “Let him follow us. We’re above board, and we’re not afraid of anything.”
