Chapter 2091: Ji Yunjing VS Ye Qinghuan 33

Although he always told himself to be strong and brave, he would still be afraid in such a quiet night.

Ye Qinghuan touched the back of his head and smiled apologetically. "I was delayed by something... Look, who came to our house? "

As he said that, he turned to make way for Ji Yunjing who was behind him.

Ye Qingzhou curiously followed his sister's line of sight and saw that the person who came was Ji Yunjing. His eyes immediately widened and he said excitedly, "big brother! It's big brother! "

He almost immediately let go of Ye Qinghuan and ran toward Ji Yunjing!

Ji Yunjing smiled and lifted him up. A ten-year-old boy in his arms was actually not much heavier than the boy from Xia Jinqi's family.

His brows suddenly furrowed. "Why are you so thin? "

"hehe... " Ye Qingzhou hugged Ji Yunjing's neck with both hands, not caring at all whether he was too thin or not. His pair of bright eyes curved into a smile. "Big Brother, it's so good to see you! " n0ve-

Ye Qinghuan explained, "he's not picky about food either. It's just that his appetite is not very good. He's been weak since he was young. "

Although the family conditions were not good, Ye Qinghuan was always close to her younger brother. However, he could not put on weight, so there was nothing he could do.

Ji Yunjing heard him and did not ask any more questions. Instead, he carried Ye Qingzhou and walked into the house.

In the narrow room, there was only a large bed and a desk. In the corner, there was an old wardrobe.

It only took two or three steps to reach the desk under the window.

Ji Yunjing put Ye Qingzhou down, but his eyes fell on a few exercise books.

"You work so hard? " He asked with a smile, his eyes filled with tenderness.

It was amazing. In front of this pair of siblings, he could always feel relaxed and real.

"I also want to get a scholarship, so that sister can work less. " Ye Qingzhou scratched his head and said shyly.

Ji Yunjing's heart softened, moved by this child's kindness.

Coincidentally, Ye Qinghuan's tea was also ready. He brought it to Ji Yunjing and said, "please have some tea, sir. "

Ji Yunjing looked over when he heard the sound. There was boiling water in the glass that had been washed until it was shiny. There were a few pieces of green tea leaves floating up and down in it.

The faint fragrance of the tea instantly assailed his nostrils.

“Biluochun. Although it’s not the best tea, it’s still this year’s new tea.” Ye Qinghuan’s voice sounded very soft and comfortable.

Ji Yunjing took the teacup and asked, “do you like tea?”

Before Ye Qinghuan could answer, Ye Qingzhou answered, “my sister and I don’t like tea, but my sister buys some every month.”

“...” Ji Yunjing’s expression froze.

A year ago, when Xia Jinqi went to Macau for the first time to establish her prestige, he was slashed in the paradise world.

When he was recovering from his injuries, he did not drink alcohol, so he could only rely on tea to satisfy his cravings.

At that time, he drank Biluochun.

Ye Qinghuan did not drink tea, but she prepared it every month... ..

Ji Yunjing lowered his eyes and took a sip of tea.

It was a little hot. It was not particularly fragrant, but it was very refreshing.

He kept feeling that his heart was warmed up.

Ye Qinghuan’s face was slightly red. She was afraid that Ji Yunjing would think of her, so she hurriedly explained, “I just thought that there might be guests at home...”

Before she could finish, Ye Qingzhou said again, “sister, we’ve never had guests at home before. Big Brother is the first one!”

As he spoke, he got a little excited. Ye Qingzhou turned to look at Ji Yunjing and started to expose the news “Big Brother, how did you know we were here? Did Sister Call you? She secretly watches your phone every night when she sleeps!”

Chapter 2092 Ji Yunjing VS Ye Qinghuan 34

Boo!

Ye Qinghuan never thought that her younger brother would say these words in front of Ji Yunjing!

She stood rooted to the spot, feeling a bolt of lightning fall from the sky, a loud bang in her mind crackling... ..

And Ji Yunjing... ..

His hand holding the teacup froze.

Deep eyes with a different kind of emotion and depression, cast on her little face of Crimson.

He was quite concerned that she had not been willing to call him, but now listen to the words of Qingzhou, as if to understand something.

It turned out that she did not care about him at all... ..

His state of mind suddenly became clear.

Ye Qinghuan felt a sense of weakness from his deep gaze. It was almost an instinctive reaction. She jumped up and denied it with all her limbs. "No, Qingzhou, don't talk nonsense. I'm reading a novel on Weibo! "

However, Ye Qinghuan did not know that things had already come to this point. No matter how much she explained, it was useless.

Ji Yunjing looked at her delicate little face with a smile and could not hide the panic on her face. He asked with interest, "oh? Is that so? "

Ye Qinghuan, "..."

Why did it feel like there was no silver in this place?

In the midst of awkwardness, Ye Qingzhou smiled and shook JI YUNJING's arm. "Big Brother, will you come often in the future? Sister and I like you so much! "

"..."Ye Qinghuan really wanted to dig a hole and hide in it! ! !

Even though she tried her best to lower her head, she could still feel a burning gaze on her! n/)o//v/)e--

Ji Yunjing's gaze did not leave ye Qinghuan for a moment. His lips curled into a faint smile, but he said to Ye Qingzhou, "Qingzhou, are you used to living here? "

"It's not bad..." Ye Qingzhou, who was still young, did not understand why his big brother would suddenly ask this He only frowned and counted with his fingers the places he was not used to living here. "It's just that there's no bathroom. It's very noisy downstairs at night and it's also very far from the school..." "

Before he could finish, Ji Yunjing asked, "do you want to move? "

His speed of speech was neither fast nor slow, just right.

Ye Qinghuan frowned when she heard this. Just as she could not guess the meaning behind his words, Ye Qingzhou already nodded heavily. "Yes! "

Children always liked to tell the truth.

"Then let's move. I'll pick you up tomorrow, " Ji Yunjing suddenly said.

"Yes! " Ye Qingzhou immediately cheered.

But almost at the same time, Ye Qinghuan rejected him. “No, we won’t move... “

As soon as she said that, Ji Yunjing and Ye Qingzhou both looked at Ye Qinghuan at the same time.

The two pairs of eyes stared at each other. Ye Qinghuan had no choice but to lower her head and twirl her fingers as she muttered, “sir, it’s fine for us to live here. There’s no need to trouble us... “

She did not have the ability to change into a better house right now. She did not want to owe Ji Yunjing any more.

Before she could finish speaking, there was a knock on the door and an aged voice. “Qinghuan? Are you there? I’m granny Liu from next door. “

Ye Qinghuan hurriedly stood up. “I’m here! “ Then, she walked towards the door.

After she left, Ji Yunjing gently stroked Ye Qingzhou’s head and said gently, “pack up tomorrow and prepare to move. “

“Yes! “ Ye Qingzhou jumped up happily, but he was soon a little dejected. “But where can we move to? It’s already very hard for sister to work two jobs. “

“To my house, “ Ji Yunjing said slowly.

Hearing this, Ye Qingzhou obviously paused for a moment, and then asked timidly, “really, big brother? “

“Yes. “ Ji Yunjing nodded.

Chapter 2093-Ji Yunjing VS Ye Qinghuan 35

But Ye Qingzhou still hesitated. “But sister told me that big brother is usually very busy and said that we can’t disturb you... “

He was very clear about what his sister had said.

Ji Yunjing frowned slightly, and his deep black eyes sparkled with starlight. He asked hesitantly, “your sister often talks about me? “

“Yes. “ Ye Qingzhou laughed again. “sister also said that we can see big brother when we COME TO RAO CITY! Sister really didn’t lie to me. Big Brother, you really came to see us! “

A simple and innocent sentence instantly made JI YUNJING’s heart jump.

He looked at Ye Qinghuan, who was still talking to her neighbors outside the door, in disbelief. Then he turned back to look at Ye Qingzhou, his voice trembling. “You came to Rao city to see me? “

“Yes... didn’t sister tell you? “ Ye Qingzhou blinked and looked at Ji Yunjing curiously ...

Why did he feel that sister didn’t say anything... .. He clearly missed her so much ...

Since his sister did not say anything, then he would say it!

After thinking for a while, Ye Qingzhou said again, "sister also said that we should study hard and live hard so that we can stand in front of you openly in the future and not let down big brother who helped us in the past. "

Hearing this, all the doubts in Ji Yunjing's heart disappeared.

His eyes were deep, but the corners of his mouth could not help but rise.

It was as if something hot broke out of the wall and watered the depths of his dry heart.

He turned his eyes to look outside the door again. He could not help but stand up and walk towards the girl he missed so much.

Outside the door.

Granny Liu had just returned from her son and daughter-in-law's place. She had brought a lot of dried seafood. When she came back, she saw that Ye Qinghuan's house was lit up, so she sent some seafood over.

Ye Qinghuan could not refuse, so she could only accept it.

Just as she was sending Granny Liu back, Ji Yunjing suddenly walked out.

"You're leaving? " Ye Qinghuan asked hurriedly. Even she did not realize that her tone at that moment sounded so regretful, as if she wanted to keep him.

Ji Yunjing smiled slightly. "It's getting late. "

She could not help but feel a little disappointed, but ye qinghuan still said, "then wait for a while. I'll send you off in a while. "

Ji Yunjing had yet to answer when Granny Liu looked at the two people in front of her and could not help but laugh. She quickly asked, "Qinghuan, is this... Your partner? "

"No... "

"Yes. "

The two people gave different answers at the same time. n)-o)/v(/e/)L/.b/-l)-n

The atmosphere suddenly became a little awkward.

Granny Liu was a sensible person. She looked at Ji Yunjing, patted ye Qinghuan's hand, and said with a smile, "the young man is not bad. You should cherish him! "

"Isn't he... " Ye Qinghuan wanted to explain, but granny Liu had already left with a smile.

She stared blankly at Granny Liu's back. Suddenly, Ji Yunjing's question came from behind her. "Isn't he what? "

Ye Qinghuan turned around and met his deep black eyes.

A powerful aura poured out from his body. Ye Qinghuan was enveloped in it and could not break free.

“Are you... leaving?” She did not answer the question she was asking ...

Some questions were too sensitive.

Once she said it out loud and was rejected, the last thought in her heart would be extinguished.

Rather than such a tragic loss, it was better to bury it in the bottom of her heart forever.

Ji Yunjing fixed his gaze on her face bathed in the faint moonlight. She was not considered beautiful, but her features were delicate and pretty, sweet and charming.

Especially that pair of clear black and white eyes, which had a natural purity.

It was hard to imagine that under such a family background, she could still remain untainted.

That kind of reclusive tenacity and pride was exactly what he admired.

“Pack Up. I’ll come and pick you and Qingzhou up tomorrow,” he suddenly said in a tone that could not be rejected.

Chapter 2094, Ji Yunjing VS Ye Qinghuan 36

He hadn’t thought about how to get in touch with her.

But since he had bumped into her tonight and learned that she didn’t mean what she said to him unintentionally, Ji Yunjing felt that there was no need to wait any longer.

In fact, the so-called opportunity was just another name of fate.

Ye Qinghuan frowned and said hesitantly, “It’s good that we live here. We just paid three months’ rent. It’s a pity to leave. “

“You know the security here too. Just take it as a change of environment for Qingzhou. It’s close to the school.” Ji Yunjing knew that she loved Ye Qingzhou the most, so she started from here.

“But... ” Ye Qinghuan still wanted to refuse, but she couldn’t think of a better excuse.

Ji Yunjing guessed her thoughts and said directly, “listen to me. “

These three simple words were full of dignity.

Ye Qinghuan’s beautiful little face was in a trance for a moment, and there was some mist in her eyes. She choked and couldn’t say anything, so she could only nod slightly.

His tone was as natural as if they were a family... ..

Everything was fine as long as she listened to him.

This feeling of being unconditionally protected was really very good.

The misfortune of being born into a family caused not only did Ye Qinghuan not enjoy the love of a father and mother, but she also had to take care of her younger brother when she was still young. She had always been a lonely person, but now she suddenly had this kind of warmth.

Anyone would be greedy and reluctant... ..

Seeing that she agreed, the corners of Ji Yunjing's brows raised slightly, and his handsome face softened a little.

"Rest early. I'm leaving first. "

With that, he walked around her and headed downstairs.

After taking two steps, the person behind him caught up. "Sir, I'll send you off! "

Ji Yunjing looked back at her and did not refuse. He just slowed down unconsciously.

Two figures were walking in the dim corridor, one after the other.

Although Ji Yunjing did not say anything, the softness in his eyes betrayed him.

The news that he had just learned from Ye Qingzhou made him feel very good... ..

In this world, there was nothing more exciting than knowing that the person he liked was secretly in love with him?

Ye Qinghuan walked behind. She could not see Ji Yunjing's expression at this moment. She secretly raised her head and could only see his towering back.

At that moment, she suddenly felt that the first half of her life was not so miserable anymore.

All the hardships and hardships turned into sweetness the moment she met him.

Even if it was destined that she could not have someone in her lifetime, as long as she could get so close to him and sneak a look, she would be satisfied.

The two of them walked downstairs.

Ji Yunjing got into the car and quickly started the engine.

When he was holding the steering wheel, he looked out the window.

In the night, the girl wearing a simple white t-shirt was waving at him.

It was only one night, but for some reason, he was reluctant to part with her.

Forget it, after tonight, he would tie her tightly to his side and never separate.

Late at night

After sending Ye Qinghuan off, it was already late at night.

Ji Yunjing did not return to his own villa, but went to the Yan family instead.

His cousin and two older nephews had also fallen asleep. Only Yan Jun was still in the study room, reading thick documents.

Every shining person had endured one dark night after another that no one knew about.

Even someone as noble and outstanding as Yan Jun was the same.

Ji Yunjing knocked on the door, and Yan Jun looked up from the pile of documents.

Seeing that it was him, he put down the MONTBLANC pen in his hand, stood up, and walked to the Guest Sofa at the side to sit down.

Chapter 2095: Ji Yunjing VS Ye Qinghuan 37

“Come and sit. ” He opened his mouth slowly, his voice low and gentle.

Ji Yunjing walked over and sat down. He saw Yan Jun use tweezers to pick up a Purple Sand Cup from the Sea of tea on the coffee table and place it in front of him.

“It’s already so late, you still want to drink tea? ” He raised his eyebrows and asked.

Yan Jun’s hands did not stop moving. He picked up another Purple Sand Cup, but there was a hint of a smile in his tone. “The good wine has been put into the cellar by Ah Jin. ”

Ji Yunjing was stunned for a moment, but then he smiled. “drinking less is good for your health. ”

Even though he said that, he still drank as much wine as usual.

But this time, he suddenly felt a little envious of Yan Jun..

It might be good to have a woman by his side to take care of him.

Suddenly, he really wanted to get married.

He was used to living a cold and lonely life, and he also wanted to know how warm it was to have someone to eat with.

With this thought in mind, Ji Yunjing saw Yan Jun put the other Purple Sand Cup beside him. He was about to ask if there were still people coming when he heard Fang Shaoan’s voice from outside the door. “Yo, you’re here first! ”

Fang Shaoan first glanced at Ji Yunjing, then walked over and sat down beside him.

Yan Jun also looked up, but he didn’t say anything at the first moment. Instead, he poured tea for both of them.

Fang Shaoan didn’t stand on ceremony and took a SIP. He sighed. “people who are fathers are really different. Now, they don’t even drink alcohol anymore. They’re starting to study Kung Fu tea. ”

Eight out of ten times he came to Yan Jun’s place, he had been drinking tea. He really drank less and less alcohol.

Yan Jun also held the teacup and said flatly, “it’s time for you to stop. ”

Fang Shaoan choked for a moment and immediately felt that something was wrong. Sure enough, the next second, Yan Jun’s tone turned cold. “I heard that the two of you have been dealing with a few Southeast Asians recently? ”

Hearing this, Ji Yunjing and Fang Shaoan's hearts skipped a beat at the same time.

On the way here, the two of them were still puzzled. Why did Yan Jun suddenly want to see them so late at night.

So, it was because of this matter... ..

Both of them knew that the situation had been delicate recently, so they had been extra careful in doing things. They didn't expect Yan Jun to find out so soon.

Indeed, nothing could be hidden from him. n)(O--v/.E--l/)\b/(l-/n

Fang Shaoan turned his head to look at Ji Yunjing. In silence, Ji Yunjing was the first to speak. "They came to my place to cause trouble. I tied them up and threw them to Nanshan Hill. The rest, I didn't do anything. "

Fortunately, he had been thinking about Ye Qinghuan recently. Otherwise, based on his character, he would have started to make a move the moment he came out of the security department.

Hearing Ji Yunjing's words, Fang Shaoan quickly continued, "yes, I only checked their background. They don't have any powerful forces... "

The information the security department had found was basically correct.

Fang Shaoan started to wonder. Yan Jun took this matter so seriously. Could it be that those people had some powerful backers?

Yan Jun quietly took in the expressions of the two people in front of him. Yan Jun held the teacup and took a sip of hot tea at a moderate pace. There was a calm and collected look between his picturesque brows.

After he became the president, the power in his hands became more concentrated, and he had more things to take care of.

But no matter what, he never forgot to protect Lego.

Because of this, he often invited Fang Shaoan and Ji Yunjing to have dinner together. After a long time, the two of them gradually became familiar with each other.

This time, he was very pleased to know that they worked together to solve the problem.

But... ..

Fang Shaoan saw that Yan Jun was frowning and silent, so he immediately asked anxiously, "could it be that those few are all famous people? "

Chapter 2096-ji Yunjing VS Ye Qinghuan 38

Yan Jun continued to drink his tea and did not answer.

Seeing this, Fang Shaoan's face darkened.

Even the security department could not find out his identity. It was probably not simple.

But... ..

Fang Shaoan glanced sideways at Ji Yunjing and his tone was even colder. "But something happened to those people and they want Yunjing's life. We can't just sit by and do nothing. "

What he meant was that no matter what the other party's identity was, since he had Ji Yunjing in his heart, he could not expect to have an easy time.

Ji Yunjing, who was also silent, heard this and turned to look at Fang Shaoan with a profound meaning.

Opposite him, Yan Jun had already put down the teacup. His eyes rolled, and he took in the reactions of the two people in front of him.

"I'll handle this matter, " he said indifferently.

Ji Yunjing frowned when he heard this and immediately said, "I heard from Xiao Qi that you've been very busy recently. Since it happened on my turf, I should be the one to solve it. "

Ji Yunjing knew very well that there were many things that were inconvenient to do with Yan Jun's identity, but he was different. He was a person who lived in the dark, and some things were as simple as ordinary meals to him.

Before Yan Jun could speak, Fang Shaoan patted him on the shoulder. "Why don't you take a break for the time being? It just so happens that you have a crush on a girl, right? Why don't you work hard and directly hold the wedding! "

Speaking of understanding, Fang Shaoan knew Yan Jun better than Ji Yunjing.

Since Yan Jun said that he would handle this matter, it meant that the identities of those Southeast Asians were really not simple. Although Ji Yunjing was not afraid of them, it was still a problem.

Moreover, sometimes Yan Jun's methods were not inferior to Ji Yunjing's at all.

Otherwise, he would not have such a status and influence in the Middle East.

Ji Yunjing was stunned by his words. Before he could recover, Yan Jun raised his eyebrows with interest and asked, "do you have someone you like? "

"..." Ji Yunjing glared at Fang Shaoan, who was gloating.

"exactly! That day when he went to my place and saw a girl on the big screen, he chased after her as if he had lost his mind! I think her name was... Qing Huan, am I right? " Fang Shaoan actually asked Ji Yunjing with a smile ... n)(Ove**l**In

It seemed that digging up gossip about others was quite enjoyable!

In the past, he was always the one who was poached. Now that he had poached someone else, it felt pretty good!

When Yan Jun heard the word 'Qing Huan' , he immediately recalled the young lady Xia Jinqi had asked for two years ago when she went to Macau. It seemed that she was called this name.

“The one in Macau?” Yan Jun looked at Ji Yunjing with a smile that was not a smile.

Now that things had come to this, Ji Yunjing could only nod. “Yes.”

“bring her home tomorrow and let GRANDPA Ji take a look.” Yan Jun nodded as well. He rarely stayed at home during the day, but he roughly knew what Ji Heng’s last worry was.

After saying that, he looked up at Fang Shaoan. “Ah Jin said that he wants you and ran to bring Yuan Bao over for dinner tomorrow.”

“Sure!” Fang Shaoan was not polite at all and immediately agreed. “My son keeps saying that he wants to look for your son. Sigh, I seem to see their future...”

At the mention of this, Fang Shaoan could only rub his temples helplessly.

Yuan Bao could walk and talk now. If you asked him who his favorite person was, his answer would be neither father nor mother. He kept calling him brother Han, brother Han... ..

He reckoned that this kid would follow his father’s path when he grew up, following Yu Han around.

Yan Jun, who had always been calm and composed, was actually amused and teased, “why don’t you give birth to another daughter?”

Chapter 2097: Ji Yunjing VS Ye Qinghuan

“I wish!” Fang Shaoan hugged his head, his face full of heartache. “Xiao ran just gave birth to Yuan Bao not long ago. I can’t bear to let her suffer again.”

“...”Yan Jun..

“...”Ji Yunjing.

This display of affection was too sudden.

After chatting for a while, Fang Shaoan saw that it was getting late. He looked at his watch and got up first. “I have to go back. My wife and child are still waiting at home.”

Yan Jun nodded slightly. “Go.”

Hearing that, Fang Shaoan looked at Ji Yunjing. “Shall we go together?”

“Yes.” Ji Yunjing nodded and got up as well. He picked up his coat and looked at Yan Jun. “about those Southeast Asians...”

Before he could finish, Fang Shaoan interrupted him again. “Alright, don’t worry about this. Let’s go!”

Ji Yunjing did not mention it again and left with Fang Shaoan.

After the two of them left, Yan Jun did not return to the desk quickly. Instead, he poured himself a cup of tea and watched the liquid slowly lose its heat without moving.

He did not tell Ji Yunjing and Fang Shaoan that one of the Southeast Asians was the illegitimate son of another country's president.

It would have been fine if it had been an ordinary person, but this matter had already developed to the level of diplomacy.

He did not let Ji Yunjing handle it, not because he felt that he was not capable enough, but because there were some matters that involved the diplomatic relations between the two countries.

If there was any mistake, it was very likely to cause a war between the two countries.

While he was deep in thought, a tender voice broke the silence that was like a dead silence.

"Daddy? You're not asleep yet..." Yan Yuhan rubbed his sleepy eyes and stood at the door of the study, looking at Yan Jun who was sitting on the sofa.

Yan Jun heard him and looked up. Seeing that it was Yu Han, he asked, "why are you awake?"

Yan Yuhan walked towards him and glanced at the teacup that was no longer steaming on the coffee table. His small brows furrowed. "I think I woke up when I heard the thunder."

His tone and manner of speaking did not look like a five-year-old child at all. The maturity and steadiness in his voice made him look more like Yan Jun..

Only then did Yan Jun hear the soft sound of rain outside the window. He was too engrossed in his thoughts just now and did not notice the sound of thunder and rain at all.

He waved his hand and Yu Han sat down beside him.

He poured a cup of warm water for his son and asked, "Han 'er, what do you think of Uncle Yun-san?"

"uncle is very good." Yu Han drank the hot water obediently and nodded honestly.

Ever since he remembered, in Yu Han's impression, his uncle would bring gifts for him and his sister every two or three days. When he was free, he would also bring him and his sister out to play.

"If someone bullied uncle, what should you do?" Yan Jun asked casually.

"Han 'er naturally has to protect uncle." Yu Han's tone did not have the slightest hesitation or hesitation.

Yan Jun nodded slightly and asked again, "if this person has an extremely special identity, what should you do?"

"..."This time, Yu Han was silent.

He turned his small head and looked at his father very seriously.

Although he was still young, he had already seen quite a lot of the world with Yan Jun..

To be able to get his father to say that his identity was special and that he had to pull out all the strings, he should be an extremely troublesome person, right?

But... Even if that was the case, so what ??

Yu Han frowned and was very serious. He said firmly, one word at a time, “Mommy said that only with a family can there be a country. If you can’t even protect your own family, it’s meaningless no matter how much you have. “

Chapter 2098: Ji Yunjing VS Ye Qinghuan 40

“Well said. ” Yan Jun’s eyes were full of praise. His big hand gently stroked the back of Yu Han’s head and lectured him, “Han ‘er, there’s one more thing you need to remember. Only a country can have a home. “

These words were not something a five-year-old child could understand.

However, Yan Jun had to teach his son, the future heir of the Ji family of the Yan family. He could not take a wrong step.

Yan Yuhuan nodded as if he understood something. After a moment of silence, he turned his head to look at Yan Jun. “Daddy, did something happen to uncle? “

“It’s nothing. ” Yan Jun did not hide it from him, nor did he say anything specific. He only said roughly, “daddy will take care of it. Don’t worry. “

Hearing that, Yan Yuhuan did not continue to ask any more questions.

His personality was exactly the same as Yan Jun’s. Sometimes, father and son did not need to say much to be able to guess each other’s thoughts.

Listening to the sound of the rain outside the window gradually becoming softer, Yan Jun said, “it’s late. Go back and sleep. “

“Daddy, rest early too. ” After Yan Yuhuan said that, he went back obediently.

The room fell into silence once again.

Yan Jun stood up and walked out of the window. He looked at the hazy night before turning around and returning to the bedroom.

After washing up, he put his hands and feet very lightly. He had just lifted the blanket and laid down when the person on the other side of the bed moved. She did not even open her eyes before she subconsciously groped towards him.

In the darkness, his thin lips curled slightly. He reached out with his large hand and pulled her into his embrace. He carefully pinched the corner of the blanket for her before he hugged her to sleep together.

In the past two years, Xia Jinqi had taken care of his parents and a pair of children for him. She had managed the Yan family in an orderly manner. She even stopped managing many of Ye Qinghuan’s matters.

He also remembered the people’s hearts that she had donated to collect for him.

Ji Yunjing had done so many things for her. Now that something had happened to Ji Yunjing, he naturally would not sit idly by.

It was not entirely impossible to touch the illegitimate son of another country's president.

The rain stopped at midnight.

However, the sudden drop in temperature was gone for good.

When Ye Qinghuan woke up in the morning, she found that the room was bone-chilling cold.

Rubbing her arms, she quickly covered Qingzhou with more blankets.

When she first rented this House, it was still summer, so she would not feel cold. It was just a little stuffy and hot, but she did not know that it would be this cold in winter.

She suddenly remembered that Ji Yunjing had asked her and her brother to move last night, and she could not help but feel touched.

Moreover, Qingzhou had grown up. Although they were siblings, it was not good for them to live together all the time.

It seemed that she had to think of a way to get another job and find a better place for her brother.

Just as she was thinking, Ji Yunjing's call came in.

"Sir? " Ye Qinghuan tried hard to hide the excitement in her heart and answered the phone.

Ji Yunjing's voice soon reached her ear. "YOU'RE UP? "

"Yes. " Ye Qinghuan nodded and subconsciously looked at the time. It was only past seven o'clock.

Today was Saturday. Qingzhou didn't have to go to school. She didn't have classes in the morning, so she slept a little more.

But she didn't expect Ji Yunjing to wake up so early too?

"I'll be there in ten minutes. You guys pack up. "

"... okay."Ye Qinghuan answered in a daze. Then she heard the sound of the phone hanging up ...

She put down the phone and quickly woke up her brother. Ji Yunjing had just finished washing up when he arrived.

Fortunately, the siblings did not have much luggage. They had already packed up last night, so they were not in a hurry now.

Chapter 2099-Ji Yunjing VS Ye Qinghuan 41

Ji Yunjing picked up the siblings and asked the landlord to check out. Only then did he say goodbye to this place.

When he left, Ye Qinghuan was still a little absent-minded. They moved just like that... ...

But when she turned around and saw the seriousness in Ji Yunjing's eyes, she was secretly filled with anticipation.

But what Ye Qinghuan did not expect was that Ji Yunjing had arranged a place for her and her brother not somewhere else, but his home.

The luxurious car stopped in the huge courtyard. Immediately, a servant came forward to open the car door and take the luggage.

Ye Qinghuan held his brother's hand and stood uneasily on the verdant lawn. "Sir, we... We can't live here. "

Even though she was concerned about Ji Yunjing, why did he move in with his whole family out of the blue?

Ji Yunjing seemed to see through her thoughts. He frowned slightly and explained, "the environment here is not bad. It just so happens that I want to eat Portuguese cuisine recently. The chef at home doesn't know how to cook, so you can teach him. The salary will be paid accordingly. "

Actually, with Ji Yunjing's current status, he could find anything he wanted to eat?

It was just a random excuse to keep her.

Seeing that Ye Qinghuan was still in a daze, Ji Yunjing's eyes darkened. "Didn't you say you wanted to repay me? "

" ... " Ye Qinghuan's throat choked up. He could not refuse her at all, so he could only nod. "Then I'll have to bother you. "

Ye Qingzhou also looked at Ji Yunjing with a smile. "Thank you, Big Brother! Big Brother likes to eat sister's dishes, so do I! "

Hearing that, Ji Yunjing lowered his eyes and patted his head, his lips curling into a meaningful smile.

Last night, he had told Qingzhou that he was going to move into his house, but now that he saw ye Qinghuan's dazed look, he thought that this kid had not told his sister about this.

Ye Qingzhou also chuckled. He really liked this big brother very much.

Ye Qinghuan looked at the big and small pair in front of her and smiled. She suddenly felt that they might be hiding something from her?

Before she could think about it carefully, Ji Yunjing had already asked someone to move their luggage into the villa.

After instructing the Butler to arrange for them to stay, Ji Yunjing took a call and left in a hurry.

Knowing that Ji Yunjing was usually very busy, Ye Qingzhou obediently followed his sister to the new room.

"Young Master specifically instructed that this room facing south has plenty of sunlight and is warm in winter. It is the most suitable for reading and writing. " The Butler led Ye Qingzhou into the room and pointed to a huge desk under the window as he said slowly.

When Ye Qingzhou saw the desk, he was extremely fond of it and immediately ran over. His tender fingers caressed the lines on the table as his eyes shone. "Wow, what a huge desk... can I really use it? "

"Of course. " The Butler bowed politely.

He had taken care of the young master here for so many years, but he had never seen the young master bring any outsiders back.

Ye Qinghuan and his sister were the first.

Moreover, it was the young master who personally ordered them. It showed how important they were to the young master.

He would naturally not neglect the people the young master cared about.

Ye Qinghuan also smiled and looked at the entire room. It was not particularly big, but it was very bright. Compared to the previous residence, it was like heaven.

She walked to Ye Qingzhou's side and touched the edge of the desk. She smiled and said, "now you can read, paint, and paint well. "

"Yes! " Ye Qingzhou nodded heavily. Children were always so easily satisfied.

Seeing this, the housekeeper said again, "Miss Ye's room is on the second floor. "

Ye Qinghuan did not find it strange. She nodded and said politely, "please take me to see it. "

"You're too kind, Miss Ye. " The Butler smiled and turned around to walk upstairs.

Ye Qingzhou did not have time to admire his new room. He happily followed Ye Qinghuan to the second floor.

The circular staircase was very luxurious. After walking upstairs, there was a long corridor. At a glance, there were three or four doors.

The Butler walked to the second door and introduced, "Miss Ye, this is the room young master arranged for you. "

As he spoke, he pushed the door open.

The Butler did not enter first. From the looks of it, he was waiting for Ye Qinghuan to enter first.

Ye Qinghuan smiled a little embarrassedly and took the lead to enter.

This room was not much bigger than ye QINGZHOU's room downstairs. There was no huge desk, but there was an additional wardrobe and dressing table.

Even the quilt on the bed was a thoughtful pink color.

Ye Qinghuan suddenly felt overwhelmed by the favor. She had never lived in such a house since she was young.

“sister, this place is so nice! ” Ye Qingzhou spoke before her, his small face full of surprise.

“Yes. ” Ye Qinghuan nodded, feeling a myriad of emotions in her heart.

The housekeeper saw the joy in Ye Qinghuan’s eyes and knew that she liked this arrangement, so he was relieved. “In that case, Miss Ye, please tidy up first. Young Master said that he will come back for lunch. ”

Only then did ye Qinghuan come back to her senses and quickly thanked, “I understand. Thank you, housekeeper. ”

The housekeeper did not say anything more and turned around to leave with a smile.

When he walked out of the door, he suddenly stopped in his tracks and turned his head to look at the two doors at the end of the corridor. There was a deep meaning in his eyes.

The young master’s study and bedroom were both there, and he had purposely arranged for ye Qinghuan to be on the second floor. This meant... ..

As he thought about it, the housekeeper laughed.

For so many years, the young master had been alone. It was time for someone to take good care of him.

After the housekeeper left, Ye Qingzhou finally dared to completely relax. He held ye Qinghuan’s hand and said excitedly, “sister, big brother is really good to us! I’ve never seen such a beautiful house! ”

Seeing his pure smile, Ye Qinghuan reached out to stroke the short hair on the top of his head and warned, “yes, big brother is really good to us, so we must repay him well! ”

“Okay! ” Ye Qingzhou nodded very seriously.

He had been used to a hard life since he was young. If someone suddenly treated him and his sister so well, he would definitely keep this kindness in his heart for the rest of his life.

After the siblings looked at the room, they each tidied up their luggage.

Ye Qinghuan really did not have many things. After tidying up her things, she went downstairs to the kitchen.

She didn’t know much, and there were very few things she could do to repay Ji Yunjing. But since he said he wanted to eat Portuguese food and that he would come back for lunch, she had to put on a good show.

The chef’s housekeeper had also given instructions, so the few people in the kitchen were very polite to her.

When Ji Yunjing finished his business and returned home in the afternoon, there was already a table full of steaming dishes and a pair of smiling siblings waiting for him.

“Big Brother! ” Ye Qingzhou was always so excited when he saw Ji Yunjing.

Ji Yunjing listened to this cheerful voice, and a smile naturally appeared on his lips.

Touching ye Qingzhou's little head, Ji Yunjing's gaze fell on ye Qinghuan's face, which was standing at the side with a smile. "Is Everything Ready? "
