### Chapter 1 Divorce

"Let's get a divorce!"

When Shen Ning came back from the hospital, Li Zhenting was coming out of the bathroom. The man was dressed in a navy blue bath, with a belt draped casually, and a few strands fell on his forehead, looking a little lazy. Under the bath, he had strong and straight chest muscles, tight waist, and handsome facial features are impeccably perfect.

"Divorce?" Shen Ning's brain went blank with a bang.

Married with Li Zhenting for three years, she never thought of getting a divorce. During these three years, she took care of him wholeheartedly, loved him as much as she could, and managed the Li family in an orderly manner...

"No, I don't want a divorce." She blurted out stubbornly, her face turning pale.

Li Zhenting was silent for a while, and his tone slowed down:

"You can ask for whatever conditions you want, as long as I can give you, I will agree, but you can't push your feet, you will be greedy!"

A sad smile appeared on the corner of Shen Ning's lips!

Recently,

I heard that Shen Mei has returned to China!

"Why? Is it because of Shen Mei?" She pursed her lips, raised her palm-sized face, and asked unwillingly.

Li Zhenting's handsome facial features suddenly became gloomy and cold, and he raised his hand to pinch her chin:

"Shen Ning, it's not your turn to take care of my affairs, remember your identity, with me, you are just a nanny, I never loved you."

Several blue marks immediately appeared on Shen Ning's chin, which hurt like a dislocation, and the man's fingers holding her chin not only did not relax, but even exerted force.

Her lips turned purple from the pain, and her heart, like being whipped, was dripping with blood.

At this time

Li Zhenting's cell phone rang suddenly.

He lowered his head with cold eyes, and shook off Shen Ning's chin. A rare tenderness flashed across his face, and he immediately picked it up.

"Well, don't move, lie down obediently, I'll be right there." Soon, he hurriedly ordered a sentence, hung up the phone, and strode towards the cloakroom.

After a while, he came out in a suit and tie with a tie.

"Zhenting, I have something to say." Seeing that her husband was about to go out, Shen Ning woke up with a start, held back her heartache and ran up quickly, grabbing Li Zhenting's arm firmly.

Today the doctor told her that her mother Shao Meiqi has reached the late stage of uremia and must find a matching kidney source as soon as possible!

She came back to find Li Zhenting to discuss her mother's illness. After all, at present, in the imperial capital, he is still her husband and her only reliance.

"If you have anything to say, wait until I come back!"

Li Zhenting shook her hand impatiently, and directly shook off her hand.

This woman is probably going to play some tricks again! What an annoyance!

He opened the door and walked away like a gust of wind.

Shen Ning was thrown and fell to the ground. When he got up with difficulty, Li Zhenting had long since disappeared.

She collapsed to the ground, tears pouring out uncontrollably.

Shengtian Hotel, in front of the Presidential Suite.

Shen Ning's face was pale, but his eyes were extremely determined.

Li Zhenting's visit lasted three days and three nights.

He has been here with his beloved woman: Shen Mei!

She received a call from the doctor: Mom had passed out.

In the imperial capital, Li Zhenting's power status is unparalleled. Except for him, she really can't find anyone who can quickly find a matching kidney source.

For her mother's illness, she had to come to him to beg, even if she had to kneel down, she was willing.

She raised her hand, picked up the room card and was about to swipe it.

Sudden

The door opened.

A strong and powerful hand stretched out and grabbed her arm and pulled her in, and she was pulled in.

Next second.

She was pushed against the wall heavily.

The man's strong and hot body pressed up hard, lowered his head, his hot lips precisely blocked her lips, his big hands tore at her skirt, and his words were sticky and hot: "Give it to me."

After speaking, he couldn't wait to hug her horizontally and ran towards the soft bed.
