

Troublemakers 351

Chapter 351 is quite suitable for her

Shen Ning was very embarrassed and struggled.

But Li Zhenting's face was tense, and she didn't allow her to resist at all.

Weak and weak, she opened her mouth obediently.

After drinking the **** syrup, her body instantly warmed up a lot, and her stomach didn't seem to hurt so much.

At this time, Leng Xue brought the medicine package over.

Li Zhenting immediately lifted the blanket from Shen Ning's body, handed her the medicine bag and said, "Put it on your stomach yourself."

"Thank you." With some strength in his hands and feet, Shen Ning put the warm medicine bag on his stomach. After a while, his stomach was warm and he really didn't feel much pain.

"Come on, let's apply some more medicine." Li Zhenting lifted off her blanket again, picked up the ointment to remove her clothes and tried to apply it on her, but Shen Ning clutched his stomach tightly and said, "I'll do it myself. "

Li Zhenting snorted softly: "Do you have the strength yourself?"

"Yes." Shen Ning snatched it up, and in order not to be seen by him, covered the whole body with the quilt, and groped for a little bit of paint.

After a lot of work, the pallor on her face gradually faded, and a slight blush began to appear on her face.

"Strange, how do you know that I have dysmenorrhea? It's still of the cold blood stasis type." After some busy work, Shen Ning asked in puzzlement while stroking the Evodia rutaecarpa on his stomach with his fingers.

I have to say that these drugs are very suitable for her, and she has obvious effects after using them.

Li Zhenting was silent for a while and did not speak.

How could he not know that Xiaofeng had dysmenorrhea, and it was of the cold blood stasis type. Shen Ning had almost the same symptoms as hers. He bought these medicine packs after consulting many medical books. Later, when Shen Mei had dysmenorrhea, He used it on her, but the medicines didn't seem to work for her.

Seeing Shen Ning like this right now, it just happened to be used by her, very good, quite suitable for her.

"She also suffers from dysmenorrhea." He looked at the darkness outside with despairing eyes, muttering in a deep, unpredictable, frustrated and sad way.

she?

Shen Ning was taken aback for a moment, and immediately understood.

Why did I forget, last time in the hospital, when she and Shen Mei met, in the corridor, Shen Mei said that she had dysmenorrhea, and she had to be helped by him even when she walked, and she almost lay in his arms. Yes, very delicate.

But, does Shen Mei suffer from dysmenorrhea? When she was a girl, they were in the same family, which she had never heard of.

"Thank you, President Li." Shen Ning smiled at him, "I'm fine."

She lifted the blanket and stood up and was about to leave.

"Sit down." Li Zhenting frowned, "Where are you going?"

"I'm going back to the kids' room."

"You want to wake them up?"

"Then I'll go to any guest room."

"Are you sure you want to go? Dysmenorrhea still hurts in the middle of the night, and on the first night, the medicine pack needs to be changed in the middle of the night." Li Zhenting asked affirmatively.

"..." Shen Ning was a little dazed, he was able to explain the specific situation so clearly, yes, she would be in more pain in the middle of the night.

How much does this man care about Shen Mei? Before, when they were husband and wife, he never cared about her. At that time, her dysmenorrhea was a pain all night long, and he almost never came home at night, never knowing her. So painful that now he doesn't even know that she has dysmenorrhea.

She sniffed and lowered her head.

Looking at the woman's pitiful appearance, Li Zhenting sneered in his heart. This woman is really stubborn, and she will only know that she is afraid when she feels pain.

"You just stay here. I'll put the medicine bag next to you. I'll go to the study next door. Call me if you need something." He pressed her down on the bed, maybe because he was afraid that she would be embarrassed, and took the quilt to cover her up. Only then did he go out.

Shen Ning lay on the bed, feeling bad all the time, got up after a while, ready to slip away quietly.

Who knows, when he just stood up and was about to go out, the door suddenly opened and Li Zhenting walked in.

Chapter 352 Did you sleep with Daddy last night?

"I knew you would be like this. If you woke up my sons in the past, I would be rude to you." Li Zhenting tensed his face and warned her.

This woman will never sleep alone in a certain guest room. She must be sleeping with the children, so it won't affect the children's sleep. Last time, when she was sick, she woke up Coco by talking nonsense of.

Shen Ning had no choice but to return to the bed obediently.

this time

Li Zhenting sat on the sofa and refused to leave. He took a thick pillow and soft quilt over, leaned against the pillow, sat comfortably, swiped his phone, and glanced at her from time to time.

Shen Ning had no choice but to lie quietly.

The night is blurry, only the luminous lamps are on in the luxurious bedroom, warm and comfortable, and there is a unique breath of men in the nostrils.

A handsome man sitting on the sofa.

The two are in such an independent space, quiet and warm, everything is so beautiful.

Six years ago, she wanted to have this moment in her dreams, but she couldn't get it. At this moment, she had it inadvertently, but her heart could never return to the past.

Maybe it was because she was too tired, curled up on the warm bed, the medicine bag on her stomach was warm, her whole body was warmed up, and she gradually fell asleep.

This sleep was really deep.

When I opened my eyes again, I saw bright light coming in through the thick curtains.

She hurriedly got up.

Li Zhenting is no longer on the sofa, so yesterday... where did he sleep?

She hurriedly lowered her head to look at her pajamas, which were intact, and breathed a sigh of relief.

At this time

She felt clear-headed and full of energy, not as weak as before after dysmenorrhea.

I used to be tortured for two or three days each time, especially on the first day, it was so painful that I had to wake up in the middle of the night.

But this time, he fell into a deep sleep all night without even dreaming. Obviously, the medicine had taken effect.

There was a trace of gratitude in her heart, but she was also sore.

One can imagine how attentive and considerate he is to his beloved woman, she only benefited once in a while.

She shook her head, climbed out of bed, and was about to wash up when suddenly, a medicine bag fell from her body.

The surface of the medicine bag is pink, and it is still steaming.

After she glanced, she froze.

No, last night, she remembered that the medicine bag Li Zhenting handed her was blue, how could it turn into pink?

She hurriedly searched beside the bed.

Sure enough

In the left corner of the bed, there is a blue cold medicine bag.

Obviously.

Last night, someone changed her medicine bag.

She put her hands on her stomach.

Who changed the medicine bag for her?

There is only one possibility, and that is Li Zhenting.

Thinking of this, her face became hot, so how did he change her medicine bag last night? At least take off her clothes...

While she was standing in a daze, the door of the room was pushed open.

"Mum, good morning." Ke Ke ran in smiling.

"Ke Ke, have you had breakfast? By the way, are you going to kindergarten? Come on, I'm late." Looking at his son's flushed face, Shen Ning felt warm in his heart, but soon remembered something, and immediately picked up his phone to read Next, no, it's already eight o'clock, the first class of kindergarten has already started, and Ke Ke is still at home.

She hurried to wash up, ready to send her sons to kindergarten.

"Mum, don't worry, today is Saturday, and Ding Ding and I don't have to go to kindergarten." Ke Ke explained behind with a smile.

Shen Ning heaved a sigh of relief.

"Mum, did you sleep with Daddy last night?" Ke Ke looked at the bedroom with wide eyes, but which pot was not opened and which pot was lifted.

Shen Ning blushed when he heard it.

Chapter 353 Daddy is correcting his mistakes

"No." Afraid that her son would misunderstand, she shook her head immediately, "Mummy was a little uncomfortable last night, and she didn't go to sleep with you because she was afraid of disturbing you and Ding Ding, so she had to sleep here, your dad didn't sleep here."

Ke Ke was very anxious when he heard it: "Mum, what's wrong with you? What's wrong?"

"It's okay, it's just a little stomachache." Seeing his son's concern, Shen Ning's heart was really warm, and he replied with a smile.

"Oh, then you have to remember to take your medicine." Ke Ke hurriedly urged with concern, blinking her big eyes: "No, Mommy, when I woke up, I saw Daddy coming out of here in his pajamas. Just sleep here."

"..."

Shen Ning couldn't even make up a lie now.

Did Li Zhenting sleep on the sofa last night, or...

"Mum, it was Daddy who sent you to the hospital when you were sick that night. It seems Daddy is correcting his mistakes. If Daddy really corrects himself, will you forgive him?" asked confidently.

At least now Daddy cares about Mommy, which is great!

Shen Ning was taken aback again when she heard that, that night, she had a high fever after being exposed to the rain, and it was indeed Li Zhenting who sent her to the hospital.

These days, she has always wanted to ask about this matter, but she forgot when she got busy.

"Coco, how did you know that your father sent me to the hospital that night?" She lowered her head and asked.

"Because I woke up Daddy and asked him to take you there." Coco replied earnestly, "That night you had a high fever and talked nonsense, which woke me up. When I saw how seriously ill you were, I cried in fright. I went straight to knock on Daddy's door."

"Oh, it turned out to be like this, thank you Keke, Keke, you are really Mommy's little lucky star, little savior." Shen Ning kissed the little guy's face, suddenly realized.

No wonder Li Zhenting said nothing to let her go out last night. It turned out that she was worried that she would affect the children's sleep, and it would be like last time.

It is not difficult to explain why he is so kind to her, everything he does is for the sake of the children.

"Don't worry, Mommy will thank you Daddy, go down and have breakfast, I'll be down right away." She touched Coco's little head and said kindly.

"Okay, Mommy, then I'll wait for you downstairs." Coco turned and left contentedly.

After Ke Ke left, Shen Ning was stunned, and immediately went to wash up.

"Mr. Li, thank you for taking me to the hospital that night, and thank you for the medicine pack last night. The medicine pack is very effective, and I am already much better." As soon as Shen Ning walked out of the bathroom, the door opened, and a tall man came from outside. Walking in, Li Zhenting came back from morning exercise, with a fresh morning breath on her body, she immediately thanked him.

Li Zhenting glanced at her indifferently, walked over her and walked in, taking off his hands as he walked, and the pajamas were peeled off from his body, revealing the muscular abdominal muscles and skin whiter than a woman.

"Ah." Shen Ning immediately covered his face with his hands and ran out.

This **** man took off his clothes in front of her, without concealing it, disgusting.

She ran out.

Looking at the back of her running away in panic, Li Zhenting raised the corners of his lips.

This woman is a mother-in-law early in the morning, so annoying!

After breakfast, Shen Ning hurriedly walked towards the company.

The autumn exhibition entered the venue yesterday and officially started today.

She has to attend in person, which is very important to the development of the company, and it is also related to the prospect of cooperation with Jing's Group, she cannot implicate Jing's Group.

Chapter 354 I will never ruin her hard work

Shen Ning has been busy in the exhibition hall for a whole day, and as expected, it has achieved good results.

She was very happy.

For three consecutive days, she was busy selling in the exhibition hall.

On the last day, a middle-aged and elderly man in a black suit came to her exhibition hall.

"Miss, what's your last name?" Unlike others, he first asked her name as soon as he came to the exhibition hall.

Shen Ning has seen all kinds of customers, so he is not surprised. He handed him his business card with both hands, and said politely with a smile: "Sir, this is my business card. Do you need perfume?"

The man took the business card, looked at it, and asked, "Is this Gucci of yours the original Gucci Perfume Group in the imperial capital?"

"Yes. It is guaranteed to be fake." Shen Ning smiled, "The original Gucci was created by my mother, and the current Gucci 1 was created by me on the basis of the original, and it belongs to the same company."

"Oh." The man nodded and looked up at Shen Ning.

Shen Ning also looked at him.

Seeing this, she was secretly startled. This man is over half a century old, with a strong body and exquisite facial features.

"Are you the legal representative of the company?" The man looked at her with unconcealable admiration in his eyes.

"Yes, it's just the person in charge of a small company." Shen Ning said embarrassedly, and made a gesture of invitation, "Sir, please come in and have a cup of tea first. If you need any products, just tell me Said, I will be satisfied one by one."

The man did not refuse, walked in and sat down at the round table.

Shen Ning immediately poured him a cup of tea and handed him the introduction book of the perfume series.

The man took it and looked at it seriously.

He was very involved and focused.

Shen Ning was too embarrassed to disturb him, and didn't see him close the picture book introduction book until after she received two guests.

"Sir, have you finished watching?" Shen Ning added some tea for him and asked with a smile.

"Yeah." He nodded, his eyes were deep, "Do you have the Huayue series? It's scented with jasmine flowers."

Huayue series?

Shen Ning was startled, she seemed to have heard someone mention it before that, it was a product her mother had always wanted to develop, but then she stopped for unknown reasons.

"I'm also researching this series, but it won't be launched so soon." Shen Ning replied after thinking for a while.

"How about this, you launch it as soon as possible, and I want as much as you produce."

Shen Ning looked at him suspiciously: "Do you want to open a branch if you want so much?"

"That's right. To tell you the truth, I am going to export to North America. I really want to develop this brand. I will import some temporarily for advertising purposes. In the future, the brand will grow bigger. I plan to sell it in Europe and the United States." Set up a branch factory over there, then we can sign a contract and develop together." The man's tone was very solemn, as if he had thought it over for a long time.

Shen Ning was a little excited.

She didn't expect that her mother's products would be so powerful. Time has passed, and she could still sell the brand.

"Yes, I am happy to cooperate with you. May I ask your surname, sir, and which company is the person in charge?" She asked happily.

The man smiled: "My surname is Lin, and I also run a perfume company. I have a negligible reputation, but I am not short of money. You only need to research and develop products, and I will be responsible for the funds. But, you have to promise me that the quality of the perfume must pass the test and be worthy of the old man." Qi brand."

Shen Ning's blood boiled with excitement, and his eyes were red: "Mr. Lin, don't worry, I can't guarantee anything else, but the quality of the perfume will never be a problem. It must pass the test. I always advocate honesty first. Besides, Gu Qi It was originally my mother's company, and I will never destroy her hard work."

Chapter 355 There is also a man with fierce eyes

The man looked at her with deep and unpredictable eyes, and his eyes flashed with excitement: "Well, I can sign a contract with you immediately and pay most of the deposit first."

"Mr. Lin, this...you should think about it first. After all, the contract will have legal effect after signing. We are all businessmen, so it's better to make full preparations first." Shen Ning hesitated, feeling that this man appeared too It was too sudden, and the decision was too hasty, not in line with the characteristics of a businessman. Once the contract is signed, everything is a foregone conclusion. She still hopes that he can think carefully, especially when he mentioned the Zhizihuahuayue series, she Feel a little weird.

"Alright, I'll come to you in three days." The man thought for a while, took her business card and hurried away.

Secretary Li was pleasantly surprised by the side: "Mr. Shen, I have a hunch that Gu Qi will explode soon."

Shen Ning didn't speak, nor objected, and stood thoughtfully.

Chunhui Community.

"Grandma Dong, will my mommy be back today?" Xiaoxiao hasn't seen her mommy for several days, and she is very unhappy. At home, she misses Mommy and Coco, and is very unhappy.

"Yes." Aunt Dong smiled: "Your mommy is busy with the exhibition hall these days, have you forgotten what your mommy said to you? She wants you to be the happiest princess in the world, she You have to work hard to make money so that you can live a happy life, and you have to understand Mommy's hard work."

"Well, yes, I will, I am very sensible." Xiaoxiao pecked his little head and took a selfie rainbow fart.

Aunt Dong smiled, holding the vegetables she bought in one hand, and walking towards the elevator with the sensible little guy in the other.

The old and the young were only talking, and they didn't see a woman on crutches coming behind her. Beside her, there was a man with fierce eyes.

Shen Ning almost went back to Li's old house humming a song. Today's exhibition went very smoothly, and there were many surprises, which made her feel like she would soon become a rich woman.

As long as Gu Qi sells well and gets better and better, then she will have the opportunity to become a serf and sing, and she will have more bargaining chips to compete with Li Zhenting. In the future, she can fight with him to get back the custody of Coco. If that is the case, she will be happy After death, of course, it would be perfect if he could get back Ding Ding's custody right at the same time.

Ke Ke and Ding Ding didn't go to school today, and when they saw Mommy came back, they were so happy, they walked around her.

As soon as Shen Ning led the two little guys into the living room, the butler over there said that the courier from the Vegetable Supermarket had delivered the food.

It turned out that Shen Ning had already ordered dishes on her mobile phone on the way here. Today she was going to make beef hot pot, kebabs, and grilled oysters for the children.

The two little ones cheered after hearing this, especially Ding Ding. He usually eats nutritious meals, and rarely eats kebabs and grilled oysters.

Beside the open-air railing, Shen Ning was adding charcoal to the oven. The oven was glowing red, and the two little ones were running around.

Shen Ning moved swiftly and skillfully, not long after, the aroma of cumin and mutton wafted in the air.

The two little ones ate with gusto.

After being busy for a while, Shen Ning handed over the barbecue to the servant, and she went into the living room to go to the toilet. When she came out, she passed the lobby and saw Li Zhenting coming back from the swimming pool wearing a bath.

The man's hair was wet, and the black hair clinging to his forehead was still dripping with water. He had handsome and three-dimensional facial features, deep eyes, slippers on his feet, and his muscular chest was faintly visible under the bath bubble.

Her heart skipped a beat, she didn't dare to look at him, she deliberately lowered her head and walked over.

Chapter 356 I wish you all the best

"Pour me a glass of red wine." Li Zhenting said suddenly.

"Me?" Shen Ning stopped, looking at her suspiciously.

"Can't you?" Li Zhenting raised his eyebrows, "I gave you the medicine bag last night and took care of you."

"Oh, okay, okay, I'll go right away." Shen Ning understood, and nodded immediately.

If doing these things for him can offset his taking care of her illness twice, she will certainly enjoy it.

"President Li, please." Soon, she went to the freezer to pour a glass of ice red wine, and handed it to him respectfully with both hands.

Li Zhenting took a sip, shaking the red wine glass with his slender fingers, and asked, "Is the exhibition going well today?"

"It's okay." Shen Ning's lips curled into a smile, it's not bad, it's pretty good.

Li Zhenting took a few steps with his wine glass in his hand, and asked casually, "I heard that you have signed a contract with the Jing Group and plan to cooperate for a long time."

"Yes, Jing's Group is a perfume tycoon, and Gu Qi is in the business of perfume. They need each other, and the combination of strong and powerful is a perfect combination." Shen Ning did not shy away.

Her mother wanted to cooperate with the Jing family when she was alive, but for some reason it didn't work out. It's a good thing that she can succeed.

A very thin cold light flashed across Li Zhenting's eyes, but his face was indifferent.

"I wish you all the best." He said lightly and walked towards the bathroom inside.

Shen Ning turned around and walked outside.

But before taking a few steps, the phone rang suddenly.

She looked at it and found that it was an unfamiliar number. She hesitated for a while, but still picked it up. After all, there are a lot of business calls these days.

"Shen Ning, if you want your daughter to live, you can exchange Sleeping Beauty with me." A cold and sharp female voice sounded on the phone, making her eardrums ache.

Shen Ning froze in place as if being shocked by an electric shock.

"In an hour, if I don't see Sleeping Beauty, you will only see your daughter's tiny corpse." The woman added more coldly and hung up the phone.

It wasn't until the sound of the phone hanging up that Shen Ning came to his senses, and began to call back numbers like crazy.

The number was finally connected, but no one spoke.

"Wu Lili, what have you done to my daughter? If something happens to her, I will kill you." She yelled angrily, and her voice of despair filled the hall like a dark cloud.

She knew Wu Lili must be listening there!

After a long time, there was indeed a woman's gloomy and terrifying laughter:

"Shen Ning, if you procrastinate any longer, you will kill your daughter's life. You left me with nothing, and I will also bring someone back."

The words fell, and there was a heavy beating sound from inside.

"It hurts, bad woman don't hit me." A little frightened cry followed, "Mommy... come and save me... I'm so scared."

"Wu Lili, stop it." Shen Ning yelled angrily with pain in his heart, while comforting Xiao Xiao, "Xiao Xiao, Mommy's good daughter, don't be afraid, Mommy will come to save you right away, you have to wait Mommy come here."

"Mummy..." Xiaoxiao heard Mummy's voice crying louder. When Shen Ning wanted to comfort her, the phone was hung up suddenly.

Shen Ning suddenly ran outside as if his heart had been plucked.

But while running, she suddenly remembered something, and ran back desperately.

Sleeping Beauty is still in Li's Castle, she didn't get it, that is to say, it is still in Li Zhenting's hands.

"Mommy, what's wrong with Xiaoxiao?" Shen Ning just ran back when he saw Ke Ke running in and asked loudly.

"Xiaoxiao is fine, you go to eat first, Mommy has something to go back." Shen Ning didn't want Keke to be worried after knowing, shook his head and ran directly upstairs.

Chapter 357 Are you pregnant with two children at the same time in a year?

Sitting in the bathtub, Li Zhenting comfortably took a sip from a red wine glass from time to time. The bubbles filled the bathtub and surrounded his snow-like skin. There was a slight mist in the air.

Light music was playing softly, and he was relaxed and extremely comfortable.

But soon, this state of self-relaxation was disturbed.

The door of the bathroom was suddenly pushed open, and someone came straight in.

"Presumptuous." The man shouted in a low voice, with a hint of deep anger mixed in his voice.

Someone dared to barge in and disturb him at this time, don't they know his habits?

"Get out." His voice was horrifying, as if he was going to eat someone.

But not only did the visitor not get out, he even spoke to him.

"President Li, I'm sorry to bother you." It was a woman's voice.

Li Zhenting raised his eyes.

Shen Ning was standing in front of him, his face full of anxiety.

"Shen Ning, do you know what I'm doing?" He sat up and narrowed his eyes dangerously.

"President Li, I'm sorry, I know." Shen Ning focused all his attention on his eyes without distracting thoughts, "But I have something urgent, my daughter was taken away by that bad woman Wu Lili, I want Sleeping Beauty That jewelry set."

"Hmph, you have so many things to do. After a while, your son was kidnapped, and now your daughter has an accident. Will you disappear someday?" He sneered.

Shen Ning was in a hurry: "Mr. Li, I really regret that I shouldn't go back to the imperial capital, but now that things have come to this, I have nothing to do. Please save my daughter, she is still young, only five years old."

Five?

Li Zhenting's eyes flickered.

Her daughter is the same age as his son?

"Are you pregnant with two children at the same time?" He asked back.

Shen Ning broke out in a cold sweat, God, she was so anxious that she didn't expect this.

"No, to be precise, it is four years old. I was dizzy just now and said it was the false age."

Li Zhenting didn't intend to delve into it, but just glanced at her:

"Wu Lili arrested your daughter just for Sleeping Beauty?"

"Yes, she asked me to exchange Sleeping Beauty for my daughter, Mr. Li, last time you took a photo of Sleeping Beauty and gave it to me, right? You won't regret it? Please give me Sleeping Beauty, I'm going to save my daughter." She asked flatteringly.

Li Zhenting snorted from his nose. If this woman hadn't been kidnapped by her daughter, she wouldn't remember the jewelry of Sleeping Beauty.

After photographing her in Shaw's meeting room last time, he asked Leng Xue to bring Sleeping Beauty back, but she never mentioned it after returning to Li's Castle, and completely forgot about this jewel, he thought She didn't want it anymore. Unexpectedly, at this time, something happened to her daughter, and she remembered it.

"Mr. Li, please hurry up, please? Wu Lili said, only give me an hour, otherwise I will only see a small corpse." Shen Ning was so anxious that he burst into tears, begging while crying.

With a gloomy face, Li Zhenting suddenly stood up from the bathtub.

"Boss Li, where is Sleeping Beauty?" Shen Ning rushed forward to grab his arm and begged regardless.

"What's the hurry, I have to rush to get dressed and go out." He said lightly, a little lightly, "Could it be that you let me go out like this?"

Shen Ning was taken aback for a moment, and glanced casually, oh my god, this man was standing in front of her naked, without any clothes on!

And she didn't notice it because she was in a hurry, and now her face was flushed red, and her eyes were so hot!

This **** hooligan!

She closed her eyes.

Chapter 358 What do you give me in return?

"You broke into my bathroom yourself. I didn't blame you for molesting me. I already took advantage of you. You're still pretending. Get out." Li Zhenting shouted.

Shen Ning hurriedly ran out, apologizing repeatedly: "I'm sorry, I'm sorry."

The corners of Li Zhenting's lips twitched slightly. As soon as she ran out, he picked up his mobile phone and made a call, then he dressed slowly and walked out.

"President Li, please hurry up, please?" Shen Ning stood outside and saw that he was still not coming out, and was about to die of anxiety. Finally saw him come out, so he immediately begged.

She understands the man's mind. The last time Ke Ke was kidnapped by the bad guys, he thought that Ke Ke was not his son, so he just ignored the matter. Heart.

This time it is Xiaoxiao, he also thinks that it is not his daughter, and his mentality will not be much better.

"What's the rush? Do you think Wu Lili will die if she doesn't take Sleeping Beauty? She won't do that. Now she has nothing, and your daughter is everything to her. Before she got the jewelry, what would she do? I can't do it either." Li Zhenting went to the cloakroom to change into a suit.

"President Li, even if Wu Lili won't kill Xiaoxiao, but Xiaoxiao is still so young, staying in that environment for one minute longer will be a great harm to her." Shen Ning stepped forward and grabbed his arm. Want to go crazy, this man doesn't feel pity for Xiaoxiao at all, but she is also his own daughter, and even if she doesn't die in the hands of that vicious woman, she will have to peel off her skin.

She was so distressed that she shed tears.

"You can't just let me go in my pajamas. It's not my fault. How would I know that something unexpected happened." Li Zhenting pushed her hand away, turned and went in.

After a while, when he came out, he was startled.

I saw in the bedroom.

The two, one big and one small, lined up in a row, all glaring at him with big eyes.

Uh, why!

"Daddy, you must go and save Xiaoxiao immediately. If something happens to Xiaoxiao, I will die." Coco was the first to threaten.

"Yes, I'm not alive anymore." Ding Ding followed closely behind.

"The children are dead, so what am I doing alive?" Shen Ning burst into tears, "Even if I die, I will drag you to be my back, who will let you die."

She knew that he didn't love her and wouldn't care about her life, so she simply took his life into the mix.

Li Zhenting suddenly felt that he must have done something evil in his previous life to meet this troublesome Shen Ning. Since she came back, there have been accidents. If Ke Ke is his son, he should take it for granted, then this time, Why should he save the daughter she had with that wild man?

"Get out of here." He shouted angrily.

"No, you have to go to rescue, Xiaoxiao must come back safely, otherwise, I won't get lost." Coco stiffened his neck, and was so anxious that the veins on his forehead burst out. Who can compare.

"Yes, you must go to rescue, otherwise, I will commit suicide again." Ding Ding once again issued a suicide threat, looking at death as if he were dead, Xiaoxiao is his own sister, he can't just sit idly by.

"Mr. Li, please give me the Sleeping Beauty. Time is urgent and there is no further delay." Shen Ning begged bitterly, thinking about the scene of Xiaoxiao being abused by Wu Lili, her heart was twisted like a knife.

Li Zhenting groaned and ordered to the two little guys:

"You two little ones stay at home well, and then, you, come with me."

He glanced at Shen Ning, and strode outside.

Shen Ning was overjoyed and hurriedly followed.

The night is dark, and you can't see your fingers.

Li's Castle.

"Shen Ning, I can help you save Xiaoxiao, but I am a businessman and I never like to do meaningless things. If I help you rescue Xiaoxiao tonight, may I ask what you will give me in return?" On the desert off-road vehicle, Li Zhenting supported the Sleeping Beauty with his fingers and looked at Shen Ning.

Shen Ning wiped away his tears: "President Li, as long as I can save my daughter, I can promise you whatever you want in return, as long as I have it."

"Okay, you said it yourself." Li Zhenting gave her a meaningful look, probably thinking that the deal was a good deal, and started the car with satisfaction.

Shen Ning's heart is hanging high. Wu Lili is a vicious woman who has no conscience and moral bottom line. She will definitely not treat Xiao Xiao kindly.

She was distraught.

Chapter 359 She has to be supervised to be at ease

Chunhui Garden.

Shen Ning hurried over with Li Zhenting.

"Aunt Dong, Aunt Dong, wake up quickly." When Shen Ning ran into the door of the house, she saw that the door was open and it was quiet inside. When the blood was bleeding, she immediately lifted her up and shouted loudly.

Li Zhenting looked at the house with sharp eyes, and walked around inside, Xiao Xiao was no longer at home.

"Miss, hurry up, go save Xiaoxiao." After a while, Aunt Dong exhaled and woke up, crying to Shen Ning.

"Aunt Dong, tell me quickly, what is going on?" Shen Ning was in a hurry.

Aunt Dong spoke concisely with tears in her eyes.

It turned out that Aunt Dong brought Xiao Xiaogang into the house. Before the door could be closed, the door was pushed open from the outside.

She turned her head and saw a young man with fierce eyes staring at Xiao Xiao viciously. She immediately realized that something was wrong, but it was too late. Before she could call for help, the man punched her on the head. On the ground, she was beaten to the ground.

Xiaoxiao burst into tears in fright.

The woman on crutches immediately ordered the man to take Xiao Xiao away.

The man picked up Xiaoxiao, who cried and made a fuss. The man punched the little guy on the head, and Xiaoxiao passed out.

Aunt Dong was furious, struggling to get up, the man sneered, kicked her, and kicked her down again, Aunt Dong hit her forehead on the door frame and passed out.

"Miss, I'm in trouble this time, hurry up and save her." Aunt Dong cried bitterly.

Shen Ning's eyes turned black for a while, his body shook a few times before he supported the sofa to stand firm, took out his mobile phone and dialed Wu Lili's mobile phone again.

But the phone is still in flight.

After thinking about it, she suppressed her grief and anger and sent her a message: "I've brought Sleeping Beauty, where are you going to send it? I warn you, if something happens to Xiaoxiao, I will definitely beat you up." gray."

After the message was sent, it was like a stone sinking into the sea, and there was no more news.

Shen Ning was anxious.

At this time

Li Zhenting's cell phone rang.

He picked it up.

"Okay, I'll be right over." He hung up the phone after saying a few words lightly, and said to Shen Ning: "You stay at home, I'll go save Xiaoxiao."

Shen Ning's eyes lit up: "President Li, do you know where Wu Lili is?"

But Li Zhenting just glanced at her, turned around and walked out.

Shen Ning followed immediately.

This guy may not be willing to save Xiaoxiao, she has to follow and supervise to be at ease.

"Are you sure you want to follow?" Before Li Zhenting got into the cab, Shen Ning rushed up from behind his buttocks, opened the rear door and sat in first. He was stunned for a moment and then asked.

"Of course, my daughter is gone, of course I have to follow." Shen Ning looked as if he must go.

Li Zhenting stopped talking and started the car.

"President Li, where is Wu Lili now?" Shen Ning asked from time to time along the way, feeling extremely anxious.

Li Zhenting kept a straight face and ignored her.

A stupid woman who is greedy for money like Wu Lili, can it be difficult to defeat him.

While still in the bathroom, he called Leng Xue, and Leng Xue had already led someone out.

Wu Lili is an insatiable greedy woman. Two days before she left Shao Wenbo, Shao Wenbo had an unused mobile phone account with more than 100,000 yuan in it. She was reluctant to use it all to buy luxury goods.

Lengxue had already found her hiding place based on the courier information of her mobile phone account.

This woman is dying.

But he didn't bother to tell Shen Ning that it was very annoying to see her crying because of the child she had with another man.

Chapter 360 All he cares about is Lan Lan

Beside a fairly gorgeous building on the outskirts of the city.

Li Zhenting's car stopped.

just stopped.

Cold-blooded came over.

"President Li, Wu Lili, that young man and Xiao Xiao are here."

Li Zhenting looked downstairs and nodded: "How is the situation now?"

"Wu Lili is drinking with that young man, flirting."

Shen Ning let out a sigh of relief.

This woman really knows how to enjoy herself. Even if she does bad things and escapes, she still lives in a mansion and flirts with men.

"Cold-blooded, how is my little one? Is she injured?" She asked anxiously.

"Miss Shen, don't worry, she won't do anything to Xiaoxiao before she gets Sleeping Beauty. Now she is relying on Sleeping Beauty to redeem the money, and then fled abroad." Cold-blooded politely and calmly replied.

"I have already called the police, let's wait for the time." At this moment, Li Zhenting glanced at the men and women who were having fun inside, and ordered lightly.

Shen Ning's heart skipped a beat when he heard this, and he became anxious, and immediately objected: "Mr. Li, you can't call the police at this time. If Wu Lili knows that she can't escape the law, she will definitely hurt my daughter by jumping over the wall."

In this case, she was not worried at all that Wu Lili would run away, but she was worried that after being threatened, she would use Xiao Xiao to achieve her goal in desperation, and Xiao Xiao would be hurt in the end.

As a mother, she must never see her daughter hurt.

Obviously, calling the police is not the best choice at this time.

She stared at Li Zhenting angrily.

Li Zhenting frowned, and ordered: "You get in the car first."

"No, I want to save my daughter." Shen Ning stood in the dark with a firm tone.

She no longer counts on Li Zhenting, and he has helped her a lot by bringing her here.

He won't really help Xiaoxiao. In his perception, Xiaoxiao is just a child she had with another man, and he won't care about it. Otherwise, he won't call the police if he is sure of winning.

All he cares about is Lan Lan.

"Shen Ning..." Li Zhenting's tone became severe.

"Mr. Li, thank you for bringing me here. Please go back first. I can save the child myself." Shen Ning looked at the dark building, thinking about how frightened her terrified and desperate daughter was at this moment. My heart is broken.

Holding Sleeping Beauty in her hand, she turned around and walked resolutely towards the building.

"Damn..." Li Zhenting looked at her stubborn back and wanted to swear.

This woman really came to do something bad!

"President Li, in the end, I would like to beg you. If I die tonight, please treat Keke and Ding Ding kindly and raise them up." After walking a few steps, Shen Ning remembered something, and turned around to solemnly ask him again. exhorted.

After giving the instructions, he turned around and ran inside.

Li Zhenting wanted to rush over to grab her, but the noise outside might have disturbed the men and women who were drinking and having fun inside, and a strong light shot towards her.

In order not to startle the snake, Li Zhenting had to give up.

Shen Ning quietly came to the leftmost small door.

She has actually observed it just now, this small door is hidden on the far left, now Wu Lili and that man are drinking in the front guest room, flirting, they will not notice this side.

She can sneak in here, and if she can find Xiao Xiao, she will be rescued directly. If Shen Mei finds out, she will give Sleeping Beauty to her in exchange for Xiao Xiao.

This is a risky move, and the only one.

At worst, she dies, as long as she can save her little life, time is life at this time, and she can't delay it any longer.

Li Zhenting was furious while sitting in the car.

originally

Wu Lili is such a foolhardy and foolish woman, they only need to sit in the car and wait for them to drink and flirt to a certain extent, and when they both go to bed, they can suppress them in cold blood and rescue Xiao Xiao.

The purpose of his calling the police was to let the police come and take away the couple.

But this woman ran to save Xiaoxiao on her own initiative.

As a result, the situation instantly became complicated.

Damn woman, I really shouldn't have brought her here!

Li Zhenting was so angry that he wanted to go over and beat her up!
