

True God 2071

[Chapter 2071 The Eternal Sun Star Realm Reinforcements Are Coming](#)

"Damn, how can this man have someone like this" Sun Quan cursed, he cursed when he found out Ye Chen had someone like Qing Cheng.

Sun Quan couldn't put up a fight, he could only accept when Qing Cheng dug up information from him.

Qing Cheng already got all the important information Sun Quan had, he gave Ning Xia some of the information she needed.

Ning Xia was quite surprised when she found out about this, not expecting that Sun Quan would be so cruel to the people of the Phoenix Clan.

"he did such a heinous thing" Ning Xia couldn't stand it when she saw this, if only she had the strength, she would definitely stop this fight.

It was a pity that in the past Ning Xia had no strength, this made her unable to stop what was happening to the Phoenix Clan.

"I will make you feel what they feel" Ning Xia said to Sun Quan, it was the first time Ning Xia had done something like this.

He who was now filled with something that no one had ever imagined.

Ning Xia intended to do what Sun Quan had done before, she intended to torture Sun Quan.

Ning Xia intended to use methods that were far more ruthless than she had ever done.

"let's do it" Phoenix Clan fully supported what Ning Xia did, they were very supportive of what Ning Xia did.

When Ning Xia wanted to punish Sun Quan, she stopped, she didn't do that.

"Why did you stop, don't you dare?" Sun Quan asked Ning Xia.

He asked if Ning Xia didn't dare to commit atrocities like him.

"No, I'm not you, so I won't do what you say" Ning Xia said that she wasn't Sun Quan, so she wouldn't do the same thing Sun Quan did.

"I'll just end this right away" Ning Xia didn't want to do what the cruel Sun Quan did, it would be she to be like Sun Quan.

It is better for him to immediately end Sun Quan so that he no longer uses the strength and power he has to destroy and annihilate the stars in the God Realm.

"That was a very good decision." Cold temperament and gentle temperament were very satisfied with Ning Xia's decision, they felt that Ning Xia had made a very good decision.

Ning Xia had made a very good decision, she had matured and could be better at making decisions.

"let's do the same" the two traits in Ning Xia's body began to help, when it happened, Ning Xia's eyes had two shades of red and blue.

Two powers of Ice and fire appeared in each of Ning Xia's hands, this was an extremely destructive power.

"Ice & Flame Phoenix judgment" Ning Xia combined her two Phoenix inheritances, she enveloped Sun Quan's body with Ice and Flame at the same time.

"What is this, argh. . ." Sun Quan screamed, he felt a very excruciating pain, this was truly a pain that Sun Quan could not endure.

Sun Quan's body became hot and cold, he started to go numb as he felt the pain that came and went quickly.

" what's this . ." Sun Quan had never felt anything like this, he had never felt anything like this in his life.

Sun Quan's body began to crumble, several parts of his body began to crack and peel off.

"Huh? . . ." Sun Quan was naturally shocked when he saw this, he didn't expect that Ning Xia's strength would be able to destroy her extremely strong body.

"No, it breaks my soul. . .?" Sun Quan realized that his soul was also starting to crumble, his body and soul starting to crumble.

"Flame Phoenix is capable of destroying a person's body to the soul, while the Ice Phoenix is capable of freezing the body to the soul, when these two powers are combined, you will be crushed to the core" Ning Xia said to Sun Quan.

"Bastard" Sun Quan stretched out his hand, he wanted to attack Ning Xia.

Ning Xia stopped Sun Quan, with Sun Quan already badly injured from the battle with Ye Chen, Ning Xia could easily fend off Ning Xia's attack.

"bitch" Sun Quan roared, he tried his best to grab and crush Ning Xia.

Sun Quan couldn't reach Ning Xia his body began to crumble and turn to dust, even his soul had also turned to dust and disappeared from this world.

"This should be enough" Ning Xia felt that what she was doing was good enough, she had done her best to eliminate Sun Quan from this world.

"Okay Sun Quan has been cleaned up, all problems should be solved" Sun Quan has been successfully resolved, all problems should have been resolved.

"how do you feel ?" Ye Chen asked Ning Xia, he wanted to know the feelings Ning Xia had.

"This is such a relief, to be honest I'm very free, I have no complaints and can live according to my will" Ning Xia told Ye Chen how she was feeling right now.

"Very good, I'm happy" Ye Chen was happy, he was happy when he saw Ning Xia had released the shackles in her heart.

"Husband, the Eternal Sun Star Realm's reinforcements are coming." Nangong Xiang told Ye Chen that the Eternal Sun Star Realm's troops had come to provide assistance.

"How many are there?" Ye Chen asked, wanting to know the number of troops sent by the Eternal Sun Star Realm.

"Probably millions" Nangong Xia said that the number of troops sent was close to millions, that was an enormous amount, the number was capable of starting a great war in the God Realm.

"Looks like they sent a large number of troops to fight us" From the number that Nangong Xiang mentioned, Ye Chen could confirm that the Eternal Sun Star Realm used great strength against Ye Chen.

"we have killed Sun Quan and the great elder beside him, they will definitely not let us go" Nangong Xiang said to Ye Chen

"you are right, let's welcome them" Ye Chen decided to welcome the troops from the Eternal Sun Star Realm.

"Time to use the Divine God Machine Deep Ark." Ye Chen took out the Divine God Machine Deep Ark, intending to use this to fight against the forces of the Eternal Sun Star Realm.

The Divine God Machine Deep Ark appeared, the most powerful profound ark in the God Realm appeared, this was one of the profound arks that made Ye Chen win the war easily.

"Let's go up" Ye Chen invited everyone to go up, they were going to meet the troops from the Eternal Sun Star Realm.

Everyone climbed onto the Divine God Machine Deep Ark, the Divine God Machine Deep Ark could easily accommodate everyone.

After everyone boarded, Ye Chen went straight to the place where the Eternal Sun Star Realm troops were.

The troops from the Eternal Sun Star Realm were already waiting for Ye Chen, they were already waiting for Ye Chen and prepared countless weapons towards the Divine God Machine Deep Ark.

The army from the Eternal Sun Star Realm was enormous they were above the clouds like an army from the heavens.

The Eternal Sun Star Realm's flag fluttered and an immense aura enveloped the armies of the Eternal Sun Star Realm, they were truly ready for battle.

"Where is Emperor Sun?" the troops from the Eternal Sun Star Realm asked Ye Chen, they wanted to know where Sun Quan was.

"He's no longer around, you should just give up and hand over your weapons".

[Chapter 2072 Destroy The Eternal Sun Star Realm Army](#)

Ye Chen told these people to surrender right away and put down their weapons.

"hahahaha" the troops from the Eternal Sun Star Realm laughed as they listened to what said , they all couldn't stop laughing when they listened to what Ye Chen said.

They all laughed when they listened to what what Ye Chen said, for all of them Ye Chen said was impossible.

Who was Sun Quan, there was no way that Sun Quan could be defeated by Ye Chen, it was an impossible thing to happen and almost impossible to happen.

"why?" Ye Chen asked, he asked the people who had laughed at him.

"You have to be smarter, you can't fool us in such a stupid way" the troops from the Eternal Sun Star Realm said that Ye Chen was trying to fool them.

"Hmm. . ., so you don't believe what I say, then you might have to feel the power that I have for yourself" Ye Chen said to

"how can we believe the words of a brat like you" this soldier didn't believe what was said by Ye Chen.

"Alright, maybe I should show you all about the power I have." Ye Chen intended to show the strength he had, he was going to show his true strength to the warriors of the Eternal Sun Star Realm.

"shoot . . ." Ye Chen decided to fire the Divine God Machine Deep Ark, when Ye Chen fired the Divine God Machine Deep Ark, instantly a huge explosion swept away almost of the troops belonging to the Eternal Sun Star Realm.

More than half of the Eternal Sun Star Realm's troops were thrown and scattered everywhere.

The Eternal Sun Star Realm troops were instantly stunned when they saw the might of the Divine God Machine Deep Ark.

Several people immediately shrank when they all saw what was happening, they all couldn't believe that the Divine God Machine Deep Ark would be that powerful.

"Would you like to try again?" Ye Chen asked the troops from the Eternal Sun Star Realm.

"Everyone, hurry up to defend, this is dangerous" the troop commander ordered everyone to immediately make a defense, this was a very dangerous situation for all of them.

troops from the Eternal Sun Star Realm started to panic when they saw Ye Chen's strength, they didn't expect that Ye Chen would have such a thing.

"Are you guys unwilling to give up, you have time to surrender" Ye Chen said to the troops from the Eternal Sun Star Realm.

Ye Chen gave the Eternal Sun Star Realm a second chance, he told the Eternal Sun Star Realm to give up right now.

"We are the strongest army of the Eternal Sun Star Realm, we will not give up so easily" the troops of the Eternal Sun Star Realm refused to surrender, they refused to give up against Ye Chen.

The troops from the Eternal Sun Star Realm were extremely arrogant, they had the same arrogance as Sun Quan, it wasn't strange that they refused to give up when Ye Chen gave them a chance.

"It's useless, they won't listen to you" Nangong Xiang informed that the troops from the Eternal Sun Star Realm wouldn't listen to Ye Chen.

They only listen to orders from Sun Quan and Sun Teng, they will never listen to the words of outsiders.

This army was extremely loyal, even if they had to destroy their own family, they would do so to gain the benefits of the Eternal Sun Star Realm.

"Since we can't negotiate, then we have no way but to destroy them" Seeing the troops from the Eternal Sun Star Realm who were unwilling to negotiate with them, Ye Chen had to attack them.

The army of the Eternal Sun Star Realm created an extremely powerful barrier, this barrier was extremely strong and was formed from millions of people.

"we succeeded, attack them" after setting up a strong barrier, they decided to attack Ye Chen, they attacked Ye Chen using multiple attacks that were as hot as a sun.

"shoot . . ." Ye Chen again used the Divine God Machine Deep Ark to shoot at the enemy, when he did this, the enemy defenses made by millions of people were instantly shattered.

"Gah. . ." The troops from the Eternal Sun Star Realm didn't expect that Ye Chen's power would be so destructive, this power was truly extremely dangerous and full of horror.

"That's great, it only takes two shots to defeat that many enemies." The Divine God Machine Deep Ark was so amazing, it only took two shots to finish the battle.

"Divine God Machine Deep Ark is indeed great, we managed to win very easily" Ye Chen said to all the women beside him.

"Then it's time for us to head to the Eternal Sun Star Realm." Ye Chen asked to go to the Eternal Sun Star Realm. It was time for them to destroy the Eternal Sun Star Realm.

"I totally agree" Nangong Xiang agreed, they totally agreed to destroy the Eternal Sun Star Realm.

With the full speed of the Divine God Machine Deep Ark, Ye Chen along with all the passengers headed towards the Eternal Sun Star Realm.

When Ye Chen arrived at the Eternal Sun Star Realm, he found that this place was empty.

"Where is the Eternal Sun Star Realm?" Ye Chen wondered where the Eternal Sun Star Realm was right now.

"Xiang, isn't this the place?" Ye Chen asked Nangong Xiang, he asked if this should be the place of the Eternal Sun Star Realm.

"You are absolutely right, this should be the place of the Eternal Sun Star Realm, but why isn't there anything around this place?" Nangong Xiang saw no sign of life in this place, this place was completely empty.

"Looks like they've moved the Eternal Sun Star Realm to another place." Huang Ying said that the Eternal Sun Star Realm had been moved to another place.

It seemed they knew that the Eternal Sun Star Realm would be in danger and decided to hide.

"I didn't know that the Eternal Sun Star Realm could be transferred so easily, there must be a strong person who could do something like that" Ye Chen said to Huang Ying.

As I recall, the Eternal Sun Star Realm had two ancestors with cultivations far above Sun Quan, with the strength they both possess, they could do something like this" Huang Ying said to Ye Chen.

"I see, then we just need to look for them" Ye Chen said to Huang Ying.

"Looks like it won't be easy" Shui Yixian said to Ye Chen, she told Ye Chen that it wouldn't be easy to do.

"Why do you say that?" Ye Chen asked Shui Yixian.

"They're doing this on purpose to lure you in, so if you try to find them, they'll take this opportunity to ambush you."

"Plus the Eternal Sun Star Realm has a weapon called the Slayer God Cannon, it's a bit risky to search for them" said Shui Yixian at Ye Chen.

Ye Chen listened to what said , if indeed what said came true, then it was a little problematic for Ye Chen and the woman.

"Looks like I have no other choice" Seeing this, Ye Chen had no other choice.

"Alright, let's go back, I will send Clone to find their whereabouts" Ye Chen made a decision, he had to make a quick decision in this situation.

"okay . . ." all the women had agreed, they had all agreed to do what wanted Ye Chen

Ye Chen brought everyone on the profound ark to the Sky Cloud Peak Star Realm.

They had a great win, they wanted to throw a party.

[Chapter 2073 Great Power Started To Panic](#)

"What are you going to do next" Ye Chen asked Ning Xia, he wanted to know what Ning Xia would do next.

"That's a very interesting question, I might as well go and find a good place for them." Ning Xia looked at the members of the Phoenix Clan, now it was time to find a suitable place for them.

"That's a very good idea." Ye Chen quite agreed with Ning Xia's idea, for Ye Chen Ning Xia had a very good idea.

"Thank you, I will go first" Ning Xia said to Ye Chen, she will take the Phoenix Clan to a safer and more comfortable place.

Ye Chen looked at Ning Xia who had left, he was quite happy when he saw Ning Xia who now looked much more alive and looked more peaceful.

"Husband let's have a little fun and celebrate this victory" Zhao Yanyan said to Ye Chen, she took Ye Chen to celebrate the victory.

"Of course" Ye Chen didn't mind, he joined the celebration with all the women he belonged to.

Ye Chen had not enjoyed relaxing days with his woman in a long time.

The Eternal Sun Star Realm might still exist and be hiding, even so Ye Chen firmly believed that he would be able to find them and end it all.

"If what Yixian says is true, they probably won't be appearing anytime soon." Ye Chen felt that the Eternal Sun Star Realm wouldn't be appearing any time soon, so Ye Chen had better start looking for them before they appeared and try to attack Ye Chen.

.

.

News of the Eternal Sun Star Realm's defeat spread so quickly around the God Realm, everyone didn't expect that Sun Quan and the Eternal Sun Star Realm army would be so easily defeated by Ye Chen.

With the destruction of the Eternal Sun Star Realm, all the powers of the three great powers immediately held a meeting at their place, they discussed what to do with this matter.

So many people didn't believe that Sun Quan would lose, they didn't believe that Sun Quan would lose to a very young Ye Chen.

"This is a bad situation, I heard that the Eternal Sun Star Realm has disappeared, if this is true, then we can confirm that the person being the opponent is very strong." Hai Wan said to all the elders and seniors in her place, she informed that the person they were fighting was face very strong.

"We'd better join the Sacred Heaven Star Realm as soon as possible, that way we can be more at ease" the great elder suggested a suggestion.

"I agree. . ." many elders agreed, if they could join hands, then it was certain that they would be able to overcome the threat that was in this place.

"Your words are true too, if we join the Sacred Heaven Star Realm, then our strength will become much stronger" Hai Wan agreed with what the great elder said, this was one of the best means they could use against Ye Chen.

"Then let's hurry, we'll prepare everything." Hai Wan gave orders, he gave orders to everyone around this place.

Everyone immediately left, they all immediately went and prepared everything.

Sacred Heaven Star Realm received news from Hai Wan, hearing this, they immediately prepared everything.

On the other hand, the Five Lord Divine Academy seemed calm, they didn't seem to care much about this matter.

Ye Chen had not previously caused chaos and destruction in the Five Lord Divine Academy, so Khim Jix felt quite calm when he faced this kind of situation.

Khim Jix was sure that Ye Chen wasn't the enemy of the Five Lord Divine Academy, so why should they be afraid of this matter, they didn't need to be too afraid about this matter.

It wasn't just the major powers that were busy, there were countless top-ranked stars who had gotten busy when they heard this news, all of them of course already preparing for the worst that could happen to the God Realm.

.

.

Ye Chen accompanied all the women, he enjoyed everything with all the women he had.

This was an extremely rare thing when Ye Chen's many women gathered, although there were still a few who had not yet come because they were in closed-door training.

"Chen. . ." Shui Yixian came to Ye Chen.

"what's wrong?, do you have any information" Ye Chen asked Shui Yixian, Shui Yixian's information was needed by Ye Chen.

"It's not like that, I just wanted to let you know that the wedding preparations have begun, what are you going to do?" Shui Yixian told Ye Chen about Dongfang Xiu's marriage.

"It's okay, I'll take care of the matter, there's no need to rush" Ye Chen said to Shui Yixian.

"You are so relaxed, do you intend to kidnap the bride" Shui Yixian said to Ye Chen.

"You already know what I'm going to do, so why are you still bothering to ask me" Ye Chen said to Shui Yixian.

Ye Chen was absolutely sure that Shui Yixian already knew what he was going to do.

"I just want to warn you, you better be careful" Shui Yixian said to Ye Chen, Shui Yixian told Ye Chen to be careful.

"I thank you for the warning, I will be careful and not get killed" Ye Chen said to Shui Yixian.

"That's not what I meant" Shui Yixian wasn't talking about Ye Chen, with Ye Chen's strength, he should be fine.

"I'm talking about the worst if you do that," said Shui Yixian.

Shui Yixian told the worst case scenario that when Ye Chen kidnapped the bride from Hai Ming, what Ye Chen did might be to make a big war even bigger than before.

"I know what will happen next, but I promised, there's no way I'll just let it go" Ye Chen said to Shui Yixian.

"If that's your decision, then do it." Shui Yixian said to Ye Chen, she told Ye Chen to do what he had to do.

"Thank you very much" Ye Chen thanked Shui Yixian for understanding, it seems Shui Yixian will not stand in his way.

"By the way where did you go, I haven't seen you in a long time" Ye Chen asked Shui Yixian.

Ye Chen pulled Shui Yixian's body, he pulled Shui Yixian's body into his arms.

Ye Chen was quite brave, he was very brave to tease Goddess Shui Yixian.

"I'm busy doing something" Shui Yixian told Ye Chen that she was busy doing something.

"What are you looking for?" Ye Chen asked Shui Yixian, Ye Chen wanted to know what Shui Yixian was looking for.

Ye Chen whispered in Shui Yixian's ear, it could be said that Ye Chen was currently teasing Shui Yixian.

"Um. . ." Shui Yixian shuddered when she felt what Ye Chen had done, she honestly couldn't stand Ye Chen's temptation.

"Don't tease me" Shui Yixian said to Ye Chen, Shui Yixian told Ye Chen not to tease her.

Ye Chen's other women seemed indifferent about the matter, they instead enjoyed the sight when Ye Chen tried to tease Shui Yixian.

"Don't you like it, then why don't you fight back?" Ye Chen asked Shui Yixian.

Shui Yixian should have put up a fight against Ye Chen.

"I can't fight you are too strong" Shui Yixian said to Ye Chen.

Shui Yixian looked for a reasonable reason why she didn't fight Ye Chen.

[Chapter 2074 Ye Chen & Shui Yixian \(1\)](#)

,m "Are you trying to lie, with the strength you have, you should be able to break free, you are a strong woman" Ye Chen said to Shui Yixian.

Shui Yixian's face turned red, she seemed embarrassed when she listened to what Ye Chen just said, to be honest what Ye Chen made her embarrassed.

Shui Yixian was indeed capable of doing that, but somehow he didn't want to do this, he was more comfortable not fighting Ye Chen.

"So what are you doing, I want to know" Ye Chen asked Shui Yixian, himself asking about what Shui Yixian was trying to do.

"I'm investigating a matter, it's about a place trying to gain power in a bad way" Shui Yixian said to Ye Chen.

"Can you explain, are they an evil sect and follow heretical teachings?" Ye Chen was quite curious when he heard this, he wanted to know more clearly about what Ye Chen was talking about.

"No it's not like that, this is an ancient method that can increase the strength of a tribe or clan very quickly, and it requires the Heavenly Seven Constellations." Shui Yixian said to Ye Chen.

"Heavenly seven constellations?, I think I have an acquaintance with such a special body, I don't know where she is now." Ye Chen remembered Xing Mei, he remembered that Xing Mei had Heavenly seven constellations.

it perfectly matched what Shui Yixian had said.

"If that was true, there would probably be a lot of people who would target her" Shui Yixian said to Ye Chen.

"She's quite good at escaping, she should be fine, maybe I'll start looking for her" Ye Chen said that he might send Zhao Yanyan or Chi Shui to find Xing Mei's whereabouts.

"You better look for her, if she falls into the hands of irresponsible people, it will be a problem" Shui Yixian said to Ye Chen.

"I will look for it" Ye Chen said to Shui Yixian.

"I'm currently investigating this matter, I hope I find out the truth soon." Shui Yixian would continue to explore this matter, to be honest he could only vaguely see what was going on in this matter.

"Um. . ." Ye Chen nodded, he agreed with what Shui Yixian said, he quite believed it when he heard this from Shui Yixian.

"So, how long are you going to hold me like this?" Shui Yixian asked Ye Chen, she asked when Ye Chen would let herself go.

"Why should I let you go?" Ye Chen asked Shui Yixian.

"Why, you should let me go, this is embarrassing" Shui Yixian said to Ye Chen.

Shui Yixian was embarrassed, she was embarrassed when she was with Ye Chen.

"why should you be ashamed, you don't have to be ashamed when you are with me, it seems you have forgotten what we have been through" Ye Chen whispered to Shui Yixian, he reminded Shui Yixian of what they had been through in this life.

Ye Chen and Shui Yixian had experienced so many embarrassing things, up until now Ye Chen had still not been able to get Shui Yixian.

"Don't remind me of such embarrassing things." Shui Yixian told Ye Chen not to mention such embarrassing things.

"Are you embarrassed, didn't I tell you to be more honest with yourself?" Ye Chen said to Shui Yixian.

Ye Chen told Shui Yixian to be more honest, if only Shui Yixian had been more honest then she might have accepted what happened.

Shui Yixian was starting to look confused, she wasn't quite ready to do anything more intimate with Ye Chen yet.

"If you can't decide, then maybe I will make you decide." Ye Chen carried Shui Yixian, he carried Shui Yixian and carried her inside manor.

"Looks like he's about to start" Yue Ya saw that Ye Chen was about to start the action, it was obvious that Ye Chen was going to eat Shui Yixian.

"No need to be so jealous, let's see if he can get it or not" Zhao Yanyan said to Yue Ya, she told Yue Ya not to be jealous of what happened.

"You're probably absolutely right, there's no point in being jealous, the more the better" Yue Ya agreed with Zhao Yanyan.

If it was Yue Ya before, she probably wouldn't agree with what Zhao Yanyan said.

Now that she didn't think like that, Yue Ya had already experienced spring together with Ye Chen, so she already didn't think like an innocent woman.

Yue Ya knew that she wouldn't win against Ye Chen, so she couldn't help but ask the sisters around this place for help.

Ye Chen's strength in that field was extremely strong, Yue Ya could guarantee that even a well-trained and experienced person would not be able to fight Ye Chen.

Yue Ya and all of Ye Chen's ladies enjoyed the party they all enjoyed their time happily without any more burdens.

.

.

Ye Chen carried Shui Yixian onto the bed, this was his room, so there was no one in this place.

"aren't you too bold and too direct" Shui Yixian said to Ye Chen.

"Who told you to be so beautiful. ." Ye Chen said to Shui Yixian.

Shui Yixian was too beautiful, so Ye Chen couldn't stand it.

Men love beauty, he likes a beauty goddess like Shui Yixian.

If Ye Chen didn't get Shui Yixian now he felt that he might go crazy.

"I have a question for you." Shui Yixian informed that she had a question for Ye Chen.

"Just say it, I'll answer it" Ye Chen said to Shui Yixian, she would answer the question that came from Shui Yixian.

"When we first met, did you think bad thoughts like now?" Shui Yixian asked Ye Chen.

"Yes, I do have it, do you know that the first time I met you, I honestly feel that you are a woman who is very difficult to reach because you have the most unique power in this world"

"I didn't think that you would be an obedient woman, and don't fight back" Ye Chen said to Shui Yixian.

Ye Chen told Shui Yixian about how he felt when he first met Shui Yixian, to be honest at that time Ye Chen thought that Shui Yixian was a very difficult woman for Ye Chen to reach.

"I knew." Shui Yixian had expected this, he had already expected that this would happen to Ye Chen.

"I have something a little odd about you." Ye Chen said that he had something odd about Shui Yixian.

" what's that ?" asked Shui Yixian.

"Since the first time we met, why don't you put up a fight, it feels really weird, it's as if you accept everything" Ye Chen said to Shui Yixian.

Ye Chen saw that Shui Yixian accepted everything Ye Chen did, he accepted everything Ye Chen did without fighting back.

"Should I answer that question, you should already know what the answer is," said Shui Yixian.

Shui Yixian caressed Ye Chen's face, she was like a goddess stroking her lover.

"Of course, I want to know from you" Ye Chen said that he wanted to know this from Shui Yixian himself.

"I already thought that you would be my man in the future." Shui Yixian finally told Ye Chen why she didn't reject Ye Chen and help Zhao Yanyan and the others.

[Chapter 2075 Ye Chen & Shui Yixian \(2\)](#)

"I see, it's not strange that you're so kind." Ye Chen finally understood why Shui Yixian was so kind, apparently this was the reason.

Ye Chen understood that Shui Yixian already knew that this would happen, so he accepted everything.

Shui Yixian smiled as she looked at Ye Chen.

"The ability to see the future is great, if only I had it" Ye Chen said to Shui Yixian.

"It's not as easy as you think, I have to be very careful in using it, otherwise it will cause trouble for myself, and it could even reduce my own lifespan" Shui Yixian said to Ye Chen.

Shui Yixian told what the consequences of looking into the future were, it was a dangerous thing and full of enormous risks.

"Is that so" Ye Chen understood, he started to understand what Shui Yixian had to deal with.

"Then I hope you don't use it often, I don't want to lose you" Ye Chen said to Shui Yixian, he didn't want to lose Shui Yixian.

"Um. . ." Shui Yixian nodded, she was touched by what Ye Chen said.

Ye Chen was worried about her state, Shui Yixian's heart was happy when she heard this from Ye Chen.

The atmosphere started to get very good, Ye Chen started to take off the clothes that Shui Yixian had.

Shui Yixian started helping Ye Chen as well, she seemed to already know what she had to do to please Ye Chen.

Ye Chen looked at Shui Yixian, he saw that Shui Yixian already knew what he had to do.

"That's interesting, it looks like it won't be boring." Ye Chen saw that the battle wouldn't be boring, this would probably be a very interesting thing to do.

Ye Chen managed to strip off all the clothes that Shui Yixian had, now Shui Yixian's perfect body appeared in front of Ye Chen.

Ye Chen felt his blood boil when he saw Shui Yixian's well developed body.

"This is perfect, the person who can get you is the luckiest person in the world" Ye Chen Said to Shui Yixian

"Aren't you the lucky one, why are you trying to praise yourself" Shui Yixian answer Ye Chen.

"hehehehe" Ye Chen chuckled when he heard this, he had indeed become a lucky person in this world.

"You've got almost all the goddesses in this God Realm, maybe after me only that woman is left" Shui Yixian said to Ye Chen.

Among all the goddesses that existed, only Dongfang Xiu was the one Ye Chen might still not be able to get.

"We shouldn't talk about it, I want us to enjoy this alone" Ye Chen said to Shui Yixian, he told Shui Yixian not to say that, honestly right now Ye Chen only wants to be with Shui Yixian.

"You're so honest, I like that. . ." Shui Yixian said to Ye Chen.

"Ah. . ." Ye Chen squeezed Shui Yixian's double peak, when Ye Chen did that, Shui Yixian felt a very comfortable feeling.

"Don't be too loud, it's too comfortable." Shui Yixian couldn't stand it, Ye Chen's touch could instantly make a dignified Saintess scream.

"This is great, I haven't felt this in a long time." Ye Chen became aggressive, he was quite aggressive when he touched Shui Yixian.

Shui Yixian's double peaks were very soft and firm, touching them felt extremely good to Ye Chen.

On the other hand, Shui Yixian felt her body start to tingle, it was obvious that Ye Chen's touch made her body feel very strange, an itching and hot feeling spread rapidly through Shui Yixian's body.

Ye Chen was getting dissatisfied with just touching, he had to appreciate Shui Yixian even more.

He started kissing and sucking Shui Yixian's bud.

"Kyah. . ." Shui Yixian let out a very strange voice, it was quite surprising when she let out a voice that was soft and full of temptation to those who heard it.

Who would believe what happened it was honestly quite hard to believe what happened to Shui Yixian.

"This is really very strange, something is going to come out." Shui Yixian couldn't stand it, she couldn't stand Ye Chen's attacks and temptations.

In just a short time Shui Yixian had already reached the peak, she was already made to feel the beauty of reaching the peak by Ye Chen.

"How, I try to do my best" Ye Chen whispered to Shui Yixian, he said that he would do his best.

"This is too convenient." Shui Yixian said that it was too convenient, she couldn't stand what Ye Chen was doing.

"Then why don't you start as well, are you just going to stand still or are you going to attack?" Ye Chen asked Shui Yixian.

Shui Yixian was embarrassed to answer Ye Chen, Shui Yixian didn't want to be too aggressive.

"It would be nice if you put up a little resistance" Ye Chen said to Shui Yixian.

"You, it seems you are trying to instill bad things in me" Ye Chen said to Shui Yixian.

"hehehe, that's exactly what I wanted to do" Ye Chen wanted to see this, it would definitely be fun to see the Saintess being such an aggressive figure.

"I see." Shui Yixian pushed Ye Chen, she pushed Ye Chen and was now on top.

"I just so happen to want to try it." Shui Yixian said that she wanted to try it too, she wanted to try when dominating Ye Chen.

Ye Chen was quite curious when he saw this, to be honest Ye Chen wanted to see what Shui Yixian would do.

Shui Yixian took off all the clothes that Ye Chen was wearing, she took them off and left only the pants.

"Let's see what you keep here." Shui Yixian wanted to see Ye Chen's, Shui Yixian wanted to see Ye Chen's items that women could not stand.

Shui Yixian freed younger brother Ye Chen, when Shui Yixian did that, younger brother Ye Chen bounced in front of Shui Yixian.

"this . . ." Shui Yixian seemed to be surprised when she saw this, it was much bigger than what she image.

Shui Yixian started to hold it, she didn't seem afraid when he held Ye Chen's big thing.

"Isn't this too big, one hand is not enough to hold it" Shui Yixian said to Ye Chen.

"This is a gift" Ye Chen said to Shui Yixian, Ye Chen told that this was a gift given to him.

"Then let me see." Shui Yixian wanted to feel it too, she wanted to feel like a real woman.

"Of course I will make you a real woman" Ye Chen said to Shui Yixian.

"Okay. . ." Shui Yixian started to use her hands to help Ye Chen, she used her hands to help Ye Chen's big thing.

"This is very comfortable." Ye Chen felt very happy, Shui Yixian's hand was very good when it touched his object.

It was like Shui Yixian was already very skilled at doing this.

Ye Chen thought that Shui Yixian would be an easy opponent to deal with, but it turned out that his abilities were quite good.

And made Ye Chen start to experience a very comfortable feeling.

Although it seemed innocent, Shui Yixian already knew some techniques he was a good learner learning Dual Cultivation techniques was not a difficult thing to do.

Although this might be considered an impossible thing to do, to be honest, who would believe that an innocent and graceful woman would learn something like this, even Ye Chen himself still couldn't believe it.

[Chapter 2076 Ye Chen & Shui Yixian \(3\)](#)

"This is very convenient, how can you learn something like this?" Ye Chen asked Shui Yixian, he was curious how Shui Yixian learned something like this.

"This is all your fault, since what you did back then, I couldn't sleep well and instead became interested in things like this, you are indeed a bad influence on me" Shui Yixian said to Ye Chen.

"Really, isn't this because of you?" Ye Chen said to Shui Yixian.

"not like that . . ." Shui Yixian gripped Ye Chen's little brother more firmly.

"Hey, it could ruin it" Ye Chen said to Shui Yixian, what Shui Yixian was trying to do could ruin Ye Chen's future.

"Sorry, I seem to be overreacting" Shui Yixian apologized to Ye Chen, he really didn't mean to gripping just now.

"You should treat him gently" Ye Chen told Shui Yixian to treat himself gently.

"Okay, I'll give it a try, if it feels uncomfortable, then you can say it" Shui Yixian said to Ye Chen.

Shui Yixian would try to do her best, she would try to please Ye Chen by using her hands.

Shui Yixian started to move more actively, her fingers and palms worked really hard to make Ye Chen feel comfortable.

Ye Chen felt comfortable, what Shui Yixian was doing was very comfortable.

"This is great" Ye Chen didn't believe that Shui Yixian would have this kind of ability, he honestly couldn't imagine that Shui Yixian would have such amazing strength.

Even though Shui Yixian's abilities were far from that of an experienced woman, her gentleness and the way she treated Ye Chen was very kind, to be honest Shui Yixian was probably the most gentle and compassionate towards Ye Chen.

"Thank you very much" Shui Yixian thanked Ye Chen, she thanked Ye Chen for what he did.

"Husband, you know, I didn't expect that one day I would do this" Shui Yixian said to Ye Chen.

Shui Yixian really didn't expect that one day he would do something like this with Ye Chen.

"I didn't expect it either" Ye Chen said to Shui Yixian.

Ye Chen started to touch Shui Yixian, he teased and played Shui Yixian's body to his heart's content.

Shui Yixian didn't resist anymore, so Ye Chen no longer held back when he was with Shui Yixian.

The two of them comforted each other, they both made each party feel a pleasant feeling.

Shui Yixian's ability was already good, it just needed to be polished a bit to get better than it is now.

Ye Chen was going to train Shui Yixian, he had a lot of things to do with Shui Yixian.

"Husband, why is this so difficult, should it be easy?" Shui Yixian asked Ye Chen, her technique should have made Ye Chen feel comfortable, but Ye Chen still looked difficult.

"Don't you know that I am different from the others" Ye Chen told Shui Yixian that he was different from the others, he was different from all the men in this world.

Where Ye Chen had much stronger strength and stamina than most people.

"Then what should I do?" Shui Yixian asked Ye Chen.

Shui Yixian needed a little help from Ye Chen, to be honest her experience wasn't strong enough to match Ye Chen's ability and experience.

"You don't need my help, just do what you like, take care of yourself" Ye Chen told Shui Yixian not to hold back.

Shui Yixian understood what Ye Chen said, it seemed that Ye Chen was very confident in Shui Yixian's abilities.

Shui Yixian had her own technique compared to other women, so Ye Chen wanted Shui Yixian to show what she could to Ye Chen.

"okay I will try" Shui Yixian will try to do what Ye Chen says, she will start doing what Ye Chen says.

Shui Yixian tried to do as Ye Chen said, she tried her best to do as Ye Chen said.

Shui Yixian held the big thing that belonged to Ye Chen and with all her heart, she opened Cherry's mouth and started to eat the big thing that belonged to Ye Chen.

"Oh. . ." Ye Chen looked so happy, Shui Yixian's mouth felt so warm, he was actually capable of doing very well.

"Um. ." Shui Yixian needed time, she needed time to adapt to Ye Chen's.

"This is huge, my jaw hurts." Shui Yixian felt pain, she felt pain when she tried Ye Chen's big object.

Even though it hurt Shui Yixian didn't give up, she chose to continue and started to please Ye Chen using the techniques she had.

Shui Yixian's technique was quite excellent, she had become even more aggressive than before.

When Shui Yixian opened the shackles she had, she noble became very aggressive, every move and every lick made Ye Chen enjoy this.

"This is great" Ye Chen held Shui Yixian's head, to be honest this was the most beautiful thing that Ye Chen felt.

"Slurp. . . , Slurp . . . , Slurp . . . , Slurp" Shui Yixian started to make a very lewd sound, this voice made Ye Chen's property grow bigger and bigger.

"Why is it getting bigger?" Shui Yixian asked Ye Chen, to be honest Ye Chen's is getting more and more terrible.

"Isn't this because of you, it's too much fun I can't stand it" Ye Chen said to Shui Yixian.

Ye Chen said that this was a lot of fun, so it wasn't strange that he couldn't stand what Shui Yixian was doing.

"Geez . . ." Shui Yixian complained, although Shui Yixian complained, in fact he continued to serve Ye Chen.

Shui Yixian was starting to like doing this, it felt really good.

"What is this, why do I feel good just from doing this?" Shui Yixian felt strange, why was she so happy when she did this for Ye Chen.

Shui Yixian's kung fu is getting better, every second she is getting better and better.

"This is bad, she is too strong" Ye Chen started to acknowledge Shui Yixian's strength and ability, to be honest Shui Yixian's abilities became stronger when he fought together with Ye Chen.

"I will let go of everything and enjoy this" Ye Chen decided to give up everything and enjoy everything.

Shui Yixian sped up her movements, she started to try out a new technique by teasing Ye Chen's ball sack and started using her double crest.

The combination of attacks carried out by Shui Yixian, began to corner Ye Chen.

Ye Chen did not expect that he would be cornered by Shui Yixian.

Honestly he didn't expect that Shui Yixian would become this strong in just 30 minutes.

"how. . ." Shui Yixian asked Ye Chen.

Shui Yixian smiled, she was overjoyed when serving Ye Chen with all her heart.

This might be a little embarrassing for a woman in the God Realm like her, but when Shui Yixian tried it, she liked it.

"Too great, then I will give my beautiful goddess a gift." Ye Chen held Shui Yixian, he started to speed up the possession movement.

"ummm. . ." Shui Yixian was starting to have a hard time, she seemed to have a hard time holding back Ye Chen's complaints.

Shui Yixian tried to pat Ye Chen, unfortunately Ye Chen didn't listen to her and continued on.

[Chapter 2077 Husband, You Are Too Rude To Sister Yixian](#)

Shui Yixian had already done her best, what she could do, unfortunately she was still having a hard time fully accepting the great thing that was in Ye Chen's possession.

Ye Chen had good capital, Shui Yixian herself had a hard time accepting this.

Ye Chen was indeed a little harsh towards Shui Yixian, although a little rude, Shui Yixian was still able to enjoy everything well.

"This is great, I can't stand it" Ye Chen said to Shui Yixian, Ye Chen took everything out to Shui Yixian, he gave Shui Yixian pure and abundant Yang Qi Essence.

"Um. . ." Shui Yixian was naturally surprised, she was shocked when she received Ye Chen's Yang Qi Essence.

"Glup. . ., Glup. . ., Glup. . ., Glup. . ., Glup. . . ." Shui Yixian tried her best to swallow it all, she did her best to swallow it all.

"It's so thick and so delicious, how can it be like this" Shui Yixian showed an addiction and liking reaction, she seemed to really enjoy Ye Chen's Yang Qi Essence.

"slurp. . ." Shui Yixian continued to suck, she didn't let a single drop slip away.

Shui Yixian made a very seductive face.

This naturally made Ye Chen feel excited, he was excited again when he saw the seductive Shui Yixian.

"Looks like it's getting excited again, haven't you had enough?" Shui Yixian asked Ye Chen.

"There's no way I'll be easy enough, I'll make you feel what the most comfortable feeling in this world, feels like Before I can do that, I won't be satisfied with what happened." Ye Chen said to Shui Yixian.

"fufufufufu, you are very energetic, then be a man and make me your woman" Shui Yixian said to Ye Chen, she said with dedication.

Shui Yixian was ready, she was ready to become Ye Chen's woman.

"Oh. . ." Ye Chen couldn't stand the way Shui Yixian was teasing him, he started to hug Shui Yixian and started to push Shui Yixian onto the bed.

Right now Ye Chen's position was at the top, while Shui Yixian was at the bottom of Ye Chen.

With this position, Ye Chen should be able to dominate Shui Yixian.

"Kyah. . ." when Ye Chen lightly touched Shui Yixian, Shui Yixian let out a soft moan, it seemed that she was very sensitive when he received a touch from Ye Chen.

"she has become very sensitive." Ye Chen saw that Shui Yixian had become very sensitive.

Ye Chen used his fingers to explore the secret place that belonged to Shui Yixian.

"no . . . , don't be there." Shui Yixian could only groan and scream as Ye Chen treated herself.

"Below is like a river flowing, it seems that you have turned into a pervert" Ye Chen whispered to Shui Yixian.

"It's comfortable. ." Shui Yixian couldn't stand it, this felt very comfortable.

Ye Chen took good care of Shui Yixian's, he appreciated what Shui Yixian had.

"It's so beautiful, I can't wait" Ye Chen could see Shui Yixian's, what Shui Yixian had was very beautiful.

"Don't say things like that, it's embarrassing." Shui Yixian said to Ye Chen, she said that what Ye Chen did was very embarrassing.

"Hehehehe" Ye Chen chuckled when he heard this.

"Let's get started, are you ready?" Ye Chen asked Shui Yixian whether Shui Yixian was ready or not.

"Um. . ." Shui Yixian nodded lightly, she telling Ye Chen that she was ready.

Ye Chen showed Shui Yixian his big thing, when he pointed this out, Shui Yixian gulped.

"This is huge, will it fit?" Shui Yixian wanted to know if he could match Ye Chen's big thing.

"Slow down please" Shui Yixian said to Ye Chen.

"I will give it a try" Ye Chen said to Shui Yixian.

Ye Chen used his large object to enter Shui Yixian's honey cave.

He used his majestic army to barge in.

"Emmmmm, ah. . ." Shui Yixian shouted, she seemed to feel excruciating pain.

"It won't take long" Ye Chen said to Shui Yixian, he told Shui Yixian that it wouldn't be long.

"Um. .." Shui Yixian nodded, she seemed to be very obedient to what Ye Chen said.

Shui Yixian got used to Ye Chen's thing, after getting used to it, she started to feel something itchy and tingling moving all over her body.

"How?" Ye Chen asked Shui Yixian.

"I think I'm getting better, let's do it" Shui Yixian said to Ye Chen, Shui Yixian invited Ye Chen to start.

"Okay, get ready" Ye Chen said to Shui Yixian, he told Shui Yixian to get ready.

Ye Chen started things slowly, he let Shui Yixian get used to it first before continuing to play a much rougher game from now on.

"Ah. . . , this is great. . . , amazing." Shui Yixian got pleasure, she liked what Ye Chen was doing.

Every time Ye Chen made a move, he would make Shui Yixian feel an incredible feeling.

"This is tight and very deep, I like this" Ye Chen likes what Shui Yixian has, he likes the honey cave owned by Shui Yixian.

Ye Chen started to speed up his movements, he became very fast and started to become aggressive.

"Geez, why are you being so rude" Shui Yixian said to Ye Chen, she saw that Ye Chen was being so rude.

"You have a good artifact below, I will not waste this thing" Ye Chen said to Shui Yixian.

Ye Chen became aggressive, he made moves that were much faster compared to before.

"no . . ." Shui Yixian couldn't stand it, she was easily made to reach the top by Ye Chen.

Shui Yixian's body started convulsing, it seemed that she couldn't stand what Ye Chen was doing.

"Looks like you're done." Ye Chen saw that Shui Yixian had already reached the peak.

"This is great" Shui Yixian told Ye Chen that what happened was great.

"It's still early, let's start over" Ye Chen said to Shui Yixian, he started fighting again with Shui Yixian.

"Wait, let me take a breath for a while" Shui Yixian said to Ye Chen, he wanted to rest for a while.

"no . . ." Ye Chen was uncomfortable, so he didn't let Shui Yixian rest.

Shui Yixian was starting to experience Ye Chen's strength, to be honest she had a hard time fighting Ye Chen.

"So this is his strength, he's really great." Shui Yixian finally realized that Ye Chen had very great strength.

It could be said that Shui Yixian was not Ye Chen's opponent.

Shui Yixian was passive, she could only accept what Ye Chen was doing.

Ye Chen took Shui Yixian to try various poses, Shui Yixian followed what Ye Chen said, she tried everything Ye Chen ordered.

At first Shui Yixian was embarrassed to do that, but after a while, she finally liked it and started doing what Ye Chen said.

In a short period of time Shui Yixian had been transformed by Ye Chen, she had been turned into a pervert by Ye Chen.

"Pah. . . , pah. . . , pah. . . , pah. . . , pah. . . ." Ye Chen and Shui Yixian fought intensely, both of them doing everything with feelings of happiness.

"I think I've reached the limit." Ye Chen felt that he had reached the limit.

"Give it to me" Shui Yixian said to Ye Chen, she told Ye Chen to give it all.

"as you asked" Ye Chen gave his all, he gave his Yang Qi to Shui Yixian.

"Byur. . . ." Shui Yixian felt a very warm feeling, she felt a very warm feeling from Ye Chen.

"You make me full" Shui Yixian said to Ye Chen, Ye Chen has made her feel full.

"You are great too" Ye Chen told that Shui Yixian too, was great, she had made Ye Chen feel good.

Shui Yixian lay on Ye Chen's chest, she enjoyed being with Ye Chen.

When Shui Yixian lay down, she felt that something below was pushing against her stomach again.

"husband. . . ?" Shui Yixian said to Ye Chen, she could feel that Ye Chen's younger brother was resurrecting.

"The night is still long, why don't we start a new round" Ye Chen said to Shui Yixian.

"impossible" Shui Yixian said to Ye Chen, to be honest Shui Yixian wasn't ready to start the next round with Ye Chen.

"You have no right to complain" Ye Chen said to Shui Yixian.

Ye Chen told Shui Yixian that there was no need to complain, he would make Shui Yixian feel the feeling of being in heaven.

"Ah. . .,nooo. . ., stop . . ." Shui Yixian shouted, she couldn't stand what Ye Chen was doing.

Shui Yixian tried to defend herself when she fought Ye Chen, despite doing her best to defend herself, in fact Shui Yixian fainted several times.

"husband, sister Yixian is still the first time, why are you so rude" Zhao Yanyan and all the Ye Chen women walked in, they saw how Shui Yixian was messed with by Ye Chen.

"You all want to join" Ye Chen said to all the women, he invited all of them to join.

"Of course" Zhao Yanyan and all of Ye Chen's women immediately agreed to join, they all immediately moved to the Dual Cultivation Room for more enjoyment.

Ye Chen brought Shui Yixian, he would not leave Shui Yixian in this place.

Ye Chen began to do fierce battles with all the women he had.

Honestly 1 against dozens of beauties was a difficult thing to do, whether Ye Chen was able to endure or not against all of his women.

Ye Chen was a man and was the head of the household, he had to be able to make all the women he belonged to happy, otherwise he would not be satisfied.

"I hope we can all win, with our current numbers, we should be able to win" Zhao Yanyan discussed with all the women, they should be able to win against Ye Chen.

[Chapter 2078 Eternal Sun Star Realm Ancestor Is Angry](#)

With their current numbers, they should be able to win against Ye Chen.

"we can definitely win" all the women agreed with what Zhao Yanyan said, they would work together to beat Ye Chen.

All the women took off their clothes and dress, it seemed that they were ready to fight Ye Chen.

"Come forward" Ye Chen told all his wives to come forward.

"You will regret saying that" Zhao Yanyan and Liu Yue said to Ye Chen.

"We'll see who will regret it" Ye Chen replied to Zhao Yanyan and Liu Yue.

"Our numbers are already several times higher than before, so we can definitely win." Zhao Yanyan didn't want to lose, she wanted to win against Ye Chen.

"Then let's get started" Ye Chen pulled all the women he had, he started to treat them well.

Ye Chen was swarmed by dozens of stunning beauties, it was a man's dream to be able to get a beauty like this.

"I didn't expect that I would be able to enjoy this." Ye Chen still couldn't believe that he could enjoy this.

"You should enjoy this, don't hold back" Chu Yuechan said to Ye Chen, she told Ye Chen not to hold back.

"You're absolutely right, I won't hold back" Ye Chen wouldn't hold back, he used the full strength he had.

Ye Chen's thing was at 100% resurrected, this naturally made all the women a little scared.

"Husband, it seems you are too strong" Seeing Ye Chen's property, which is probably over 16 inches, all the women are of course scared, they are naturally afraid when they see this.

The last time they saw that Ye Chen was not this strong, it seemed that Ye Chen had also developed and it could still be even bigger.

"why, don't you guys want to fight" Ye Chen asked, Ye Chen was able to easily use his possessions, he was able to determine the size of his possessions at will.

"why should we be afraid" all the women came forward, they all advanced towards Ye Chen.

All the women started fighting over Ye Chen, they all wanted to be the first to get Ye Chen.

"The day is still long, let's relax more" Ye Chen said to all the women he belonged to.

Ye Chen would enjoy them all, he would do them one by one.

"Ah. . . ." Inside the Dual Cultivation Room there were many sounds, these sounds changed every few minutes.

The battle seemed to be extremely fierce, this was the fiercest battle Ye Chen had ever fought.

Ye Chen enjoyed this, he was like a king served by Queen and concubines, this was the dream of him and every man in this world.

It seemed that Ye Chen would not be leaving the Dual Cultivation room for a while.

.

.

In an extremely dark and desolate place far out of reach of humans, the Eternal Sun Star Realm orbited around this place.

"Damn it, we were forced to take the Eternal Sun Star Realm away, the rest of the Eternal Sun Star Realm people were angry, they were all upset that they were forced to hide in a cold and secluded place.

The Eternal Sun Star Realm became extremely dark, there was no longer any luster and splendor, the whole place was dark and like a ghost town.

There are only a few small lights used to illuminate this place.

All the remaining members of the Eternal Sun Star Realm sat down, they seemed to be pondering about what had happened to the Eternal Sun Star Realm.

"I didn't think that one day the Eternal Sun Star Realm would be forced into such a state." The mighty Eternal Sun Star Realm was forced into such a state, everyone in this place couldn't believe what was happening.

"Sun Quan, Sun Teng and many of our elders have died, it is the greatest loss we have ever received." The death of Sun Quan and many elders caused the Eternal Sun Star Realm's strength to decline considerably, their current strength decreased by almost of full strength.

"You all stand up" two great ancestors appeared, when these two great ancestors appeared, everyone immediately fell silent.

They all did not dare to say any more, they all stood up and immediately listened to what the two great ancestors said.

"Do you know the current situation?" the two great ancestors asked everyone in this place.

"we all know of course" everyone of course knows about this matter, they all know what is going on.

"We have been forced into the current situation by a young man, this is a very shameful thing" said the ancestor to everyone.

"Ancestor, where did this young man come from, he has strength and is also a comrade with terrifying strength, plus he has ties to Shui Yixian and Yue Ya" the elders asked, they wanted to know where this man came from.

"This person's background is still very mysterious, so I don't know where he came from, for sure he has a terrible weapon and is quite threatening" Ancestor told that Ye Chen had a weapon that could threaten them.

They were afraid of the Divine God Machine Deep Ark, it was one of the most terrifying weapons capable of destroying their army in a matter of seconds.

"We have the Slayer God Cannon, so what are we afraid of?" said the elder to the ancestor, the Eternal Sun Star Realm still had Slayer God Cannon, so why would they be afraid of Ye Chen.

"I know what you're thinking, but the Slayer God Cannon can't be used continuously, it takes time to recharge, plus the enemy has an equally powerful profound ark, it's not profitable for us" the ancestor said to everyone in the area. this place.

"We will all find out that person's weakness, all of you go and find information about that person, I firmly believe that he has a weakness" The ancestor said to all the elders, they should all go and find information about Ye Chen.

"Okay, you will" everyone immediately nodded, they all didn't dare to stay in this place any longer.

The ancestors seemed to be in a bad mood, so it wasn't strange that they all couldn't stand the pressure and aura of the ancestors.

"I didn't expect that our situation would turn out like this" the first ancestor said to the second ancestor.

"I also don't believe that we are forced into this situation . " The second ancestor also didn't expect that the Eternal Sun Star Realm would be forced into the dark path.

"I've given orders to God Realm Illumination, they should now start moving to keep an eye on the boy" said the first ancestor.

"If the power of the God Realm Illumination is not strong enough, then it might become a very big problem for us," said the second ancestor.

"Impossible, God Realm Illumination is a very powerful force, if they move, they can shake the entire God Realm"

"I heard that two members of the 12 Guardian Gods have been killed, it seems that they are also facing a problem" Two members of the 12 Guardians God had been killed by Ye Chen, this naturally caused trouble for the 12 Guardian Gods.

Plus Hang Sayu is still being held by Ye Chen, currently there are only 9 Guardian Gods that are still active.

"God Realm has not received a shock like this for a long time, it looks like a bigger storm is about to form, we must prepare for the worst." The two ancestors had already determined what would happen in the future.

.

.

Return to the Dual Cultivation room.

Right now there were countless beauties lying helplessly on the bed, they all seemed to be exhausted from having a long battle against Ye Chen.

It's been almost 10 days, Ye Chen really did all his women, in these 10 days Ye Chen almost never rested, he enjoyed and was happy when doing all his women.

Zhao Yanyan and all the women belonging to Ye Chen were very happy, they got a feeling of satisfaction from Ye Chen.

They had no more complaints against Ye Chen.

"This is very refreshing" Ye Chen felt very refreshed, to be honest it was very refreshing when Ye Chen woke up from sleep.

Ye Chen felt very light, this was probably because his Yang Qi had been greatly reduced and was being sucked in by all of his women.

Ye Chen was indeed different from normal men, if normal men faced the same situation as Ye Chen's, then they might have dried up when sucked in by dozens of beauties like Zhao Yanyan, Liu Yue, Nangong Xiang, Yue Ya, Huang Ying, Mu Xueying, Qing Cheng, Chi Shui, and many more beauties were trying to suck up to Ye Chen.

They were really excited, they could get even more stunning beauty when they sucked in Ye Chen's pure Yang Qi.

All the women had done their best to work together to help each other, they did their best to work together to defeat Ye Chen.

Even though they had done their best to defeat Ye Chen, in reality they were unable to beat Ye Chen.

Ye Chen was still too strong for them to deal with, until now Zhao Yanyan and the others had yet to gain an absolute victory against Ye Chen.

All of Ye Chen's women were still sleeping, they were quite tired when fighting Ye Chen with a high libido.

"Ummm. . ." Shui Yixian was the first to wake up, when Shui Yixian woke up, she saw countless women sleeping around her.

"this . . ." Shui Yixian had just woken up, he was trying to gather information on what happened.

When Shui Yixian had fully regained his senses, she finally knew what had happened, Shui Yixian hurriedly looked at Ye Chen.

Ye Chen knew that Shui Yixian was awake, so he immediately looked at Shui Yixian.

Shui Yixian immediately covered her body with her hands.

"why are you looking me" Shui Yixian said to Ye Chen, it seemed that Shui Yixian was still a little embarrassed by Ye Chen's gaze headed towards her.

[Chapter 2079 Sun Xuanyin Came For Negotiations](#)

"I just want to see my beautiful goddess who is in the most beautiful appearance" Ye Chen said that Shui Yixian was currently in the most beautiful appearance.

Shui Yixian blushed when she heard this, she became even more sensitive when she listened to what Ye Chen had to say about her.

"This is embarrassing" Shui Yixian said to Ye Chen, she told Ye Chen that it was embarrassing.

"I've seen everything, why should I be ashamed" Ye Chen said to Shui Yixian.

"stupid, why do you keep saying such embarrassing things" Shui Yixian walked up to Ye Chen, she hit Ye Chen's head with her fist.

"ouch" Ye Chen shouted, holding his head which was just hit by Shui Yixian.

"wife, are you still shy, so cute" Ye Chen said to Shui Yixian.

"I didn't mean to" said Shui Yixian averting her gaze, she turned his gaze away from Ye Chen.

"hehehe" Ye Chen chuckled, he looked happy when teasing Shui Yixian.

Ye Chen hugged Shui Yixian again, he hugged Shui Yixian and started to touch the beautiful goddess in his arms.

"husband, what are you doing?" Shui Yixian asked Ye Chen, Ye Chen teased her again, this made Shui Yixian couldn't stand it.

"I can't stand it when I see you" Ye Chen said to Shui Yixian, Ye Chen replied that he couldn't stand to see Shui Yixian.

As a man, Ye Chen could not bear to see how Shui Yixian and the way Shui Yixian treated Ye Chen, she was a very gentle figure like the ideal woman of all men in this world.

"No way, I won't hold on, you have to let me go." Shui Yixian pleaded with Ye Chen, she couldn't possibly be able to fight Ye Chen anymore.

Shui Yixian was quite surprised by the strength that Ye Chen had, even after the long battle that ensued, Ye Chen still had the ability to fight.

"It's not strange that Yanyan is looking for many allies, if I were her I would do the same thing" Shui Yixian knew why Zhao Yanyan wanted to look for many sisters, apparently this was the reason.

Shui Yixian naturally agreed with what Zhao Yanyan did, now he also supported what Zhao Yanyan did.

He might have to come up with a plan to find people to help him fight VS Ye Chen.

Ye Chen looked at Shui Yixian, it seemed Shui Yixian was telling the truth, he probably couldn't take it anymore.

"Too bad, then I will find the time to make you completely fall" Ye Chen whispered to Shui Yixian.

Shui Yixian blushed, it seemed that she would no longer be able to run away from Ye Chen, Ye Chen had already locked herself up.

Shui Yixian hastily grabbed her clothes, she took her own clothes and started putting them on.

"Wife, can you tell me where the Eternal Sun Star Realm is hiding?" Ye Chen said to Shui Yixian.

"The Eternal Sun Star Realm is hiding in the dark, it's quite difficult to know the exact location" Shui Yixian told Ye Chen, he told Ye Chen about the existence of the Eternal Sun Star Realm which was covered in darkness.

"They hide really well" Ye Chen didn't expect that the Eternal Sun Star Realm would be able to hide so well.

"More than 85% of the God Realm area is shrouded in darkness, searching for them would be extremely difficult" Shui Yixian said to Ye Chen.

"Plus they have very experienced ancestors, they knew that you had me so they decided to extinguish the Eternal Sun Star Realm and hide in the dark." Shui Yixian told that the Eternal Sun Star Realm ancestor was very smart and very genius.

"Looks like they are much smarter than Sun Quan." Ye Chen saw that the ancestor of the Eternal Sun Star Realm was far superior to Sun Quan.

"Of course they are much greater and stronger if you compare them to Sun Quan, they are one of the peak cultivators who control the God Realm behind the scenes" Shui Yixian said to Ye Chen.

"Um. . ." Ye Chen nodded, he understood everything Shui Yixian said, he would do his best to find the whereabouts of the Eternal Sun Star Realm.

"I will double the search, I hope I can find the whereabouts of the Eternal Sun Star Realm" Ye Chen will increase the search by 2 times, he hopes to find the hiding place of the Eternal Sun Star Realm.

"I will try to help you" Shui Yixian will try to help Ye Chen, she will try to help Ye Chen find the Eternal Sun Star Realm.

"I'll go first" Shui Yixian left, she wanted to go and clean herself up.

Ye Chen let Shui Yixian go, he couldn't help but leave Shui Yixian, after all Ye Chen had already got Shui Yixian, there would be plenty of time to get Shui Yixian.

Ye Chen looked at his women, it seemed that they were still sleeping, Ye Chen couldn't possibly wake them up, so he had to let them rest.

Ye Chen left the Dual Cultivation chamber, after which Ye Chen walked out of the fairy gate.

Inside the fairy gate, Ye Chen had already spent many days, but in fact, in the original world it had passed less than 1 day.

"Young master" Qi Yunzhi came over and greeted Ye Chen, she was quite enthusiastic when greeting Ye Chen.

" what is it?" Ye Chen asked Qi Yunzhi, it seemed that Qi Yunzhi had something to say to Ye Chen.

"A beautiful and charming woman is looking for you." Qi Yunzhi told Ye Chen that a beautiful and charming woman was looking for Ye Chen.

"huh? . . ., who is it." Ye Chen asked Qi Yunzhi, he wanted to know who it was.

"I don't know myself either, it's your first time seeing it, young master you see for yourself" Qi Yunzhi said to Ye Chen, Qi Yunzhi told Ye Chen to see for himself.

"Okay, let me see" Ye Chen was curious, he was quite curious about who Qi Yunzhi was doing, Ye Chen himself would go and meet the woman Qi Yunzhi said.

Ye Chen and Qi Yunzhi went towards the living room, in the living room there was a beautiful and super Sexy woman, this beautiful woman was none other than Sun Xuanyin.

"Why is she here?" Ye Chen wanted to know why Sun Xuanyin was in this place, what this woman needed in his place.

"Why did you come to my place?" Ye Chen asked Sun Xuanyin directly, he wanted to know why Sun Xuanyin had come to his place.

"You are cold enough to me, is this how you treat a beautiful woman like me?" Sun Xuanyin said to Ye Chen.

"don't beat around the bush, just say what you want." Ye Chen said to Sun Xuanyin, Ye Chen didn't let Sun Xuanyin confuse his mind.

"I came to meet you and start a business" Sun Xuanyin said to Ye Chen, she wanted to start a business with Ye Chen.

"What kind of business do you have?" Ye Chen wanted to know about the business that Sun Xuanyin had, roughly what kind of business did Sun Xuanyin have.

"I know that you are currently looking for the Eternal Sun Star Realm's hideout," said Sun Xuanyin to Ye Chen.

"That's right, you seem to know, do you know about the place where the Eternal Sun Star Realm is hiding?" Ye Chen asked Sun Xuanyin.

"I can faintly sense the Eternal Sun Star Realm, if you want to do business, I can help you find the Eternal Sun Star Realm." Sun Xuanyin said to Ye Chen.

Sun Xuanyin could help Ye Chen, she could help Ye Chen find the Eternal Sun Star Realm.

"Then what do you ask for in return?" Ye Chen said to Sun Xuanyin.

Ye Chen knew that Sun Xuanyin wouldn't do this for free, this woman must be demanding something from Ye Chen.

"I'll say it, I need shelter, it seems the Eternal Sun Star Realm is also starting to come after me" Sun Xuanyin said to Ye Chen.

After the previous incident, Sun Xuanyin became a fugitive, she seemed to be hunted by the Eternal Sun Star Realm, if until Sun Xuanyin was caught, then it would be a very big problem for Sun Xuanyin.

Sun Xuanyin was currently alone, she had nothing to protect herself, which meant that she was extremely vulnerable to being captured and ambushed by the Eternal Sun Star Realm.

"I didn't expect that you would be afraid" Ye Chen said to Sun Xuanyin, Ye Chen did not expect that Sun Xuanyin would be afraid of this matter.

"I am not afraid of people from the Eternal Sun Star Realm, I am more afraid of the 12 Guardian Gods of the God Realm Illumination, they are more terrifying than the Eternal Sun Star Realm." Sun Xuanyin said to Ye Chen, she told Ye Chen that she was afraid of the 12 Guardian God of the God Realm Illumination.

For Sun Xuanyin, the Eternal Sun Star Realm was not a problem, the elders of the Eternal Sun Star Realm would not be easy to deal with, unless the ancestor of the Eternal Sun Star Realm was terrible, so Sun Xuanyin was confident that she could escape.

The ancestor of the Eternal Sun Star Realm could not have come out alone, the two of them would not be foolish to leave the Eternal Sun Star Realm just to capture Sun Xuanyin.

This was different from the 12 Guardian Gods, they were existences that could appear anywhere, plus they were abnormal cultivators, if Sun Xuanyin encountered them, then Sun Xuanyin's chance of escaping was less than 1%.

[Chapter 2080 Member Of 12 Guardian Gods Observe Ye Chen](#)

"12 Guardian Gods, so the ancestor of the Eternal Sun Star Realm decided to use them" Ye Chen said as he touched his chin, if what Sun Xuanyin said was true, then the 12 Guardian Gods would immediately come to fight Ye Chen.

"How do you agree?" Sun Xuanyin asked Ye Chen, Sun Xuanyin wanted to know Ye Chen's opinion, whether he would agree or not.

"I think it's still lacking." Ye Chen said that what Sun Xuanyin had to offer was still lacking.

"what ! ! !" Sun Xuanyin did not expect that she would be rejected by Ye Chen, even though she brought a very good offer.

"What do you want?" Sun Xuanyin asked Ye Chen, she asked what wanted , to be honest Sun Xuanyin didn't understand Ye Chen's line of thinking.

"Let's see what you have." Ye Chen looked at Sun Xuanyin, he looked Sun Xuanyin up and down.

Sun Xuanyin immediately covered her body, she was embarrassed when she was seen in that way by Ye Chen, to be honest it felt really embarrassing.

Somehow Sun Xuanyin felt embarrassed when she was seen by Ye Chen, to be honest should n't be embarrassed when Ye Chen saw her, after all she had done it before.

"What do you really want?" Sun Xuanyin said to Ye Chen, she asked Ye Chen again.

"You must know what I want" Ye Chen said to Sun Xuanyin, Sun Xuanyin should know what wants .

"do you want me" Sun Xuanyin said to Ye Chen, she wanted to know if Ye Chen wanted her.

"wrong" Ye Chen said to Sun Xuanyin, he told that what Sun Xuanyin said was wrong.

"Then what do you want?" Sun Xuanyin bit her lip, she looked stupid in front of Ye Chen, in front of this man, Sun Xuanyin couldn't do anything.

"I want you to be my servant" Ye Chen told Sun Xuanyin about what he wanted, Ye Chen wanted Sun Xuanyin to be his servant and serve him for life.

"Huh? . . ." Sun Xuanyin did not expect that Ye Chen would put such a condition, how could Sun Xuanyin be Ye Chen's servant, Sun Xuanyin was still unwilling to do that.

"I knew you wouldn't agree" Ye Chen knew that Sun Xuanyin wouldn't agree, he knew that Sun Xuanyin couldn't possibly want to do this, Sun Xuanyin had pride, so she wouldn't want to do what Ye just told her to do. Chen.

Sun Xuanyin was silent for a while, she seemed to be contemplating what Ye Chen had said, it was true that Sun Xuanyin had a hard time accepting this, but with her current state, she seemed to have no other choice.

"Alright, I'll take it" Sun Xuanyin said to Ye Chen.

"Uh. . ., you want to accept it." Ye Chen did not expect that Sun Xuanyin would accept, he did not expect that Sun Xuanyin would accept Ye Chen's request.

Ye Chen originally wanted to politely refuse Sun Xuanyin, to think Xuanyin would agree to what he asked for, this was really beyond expectation.

"why did you change your mind" Sun Xuanyin said to Ye Chen, Sun Xuanyin said whether Ye Chen changed his mind or not.

"How could I change my mind, I'll make you my servant, you said that when we did, you wouldn't be able to escape from me" Ye Chen said to Sun Xuanyin.

Ye Chen had already gotten everything from Sun Xuanyin, sooner or later this woman would belong to Ye Chen and obey what said .

Sun Xuanyin was terrified when she saw this, she felt that she had just made a pretty big mistake.

Ye Chen gave Sun Xuanyin a contract, he made Sun Xuanyin his servant.

"A contract, you don't just use the slave seal right away." Sun Xuanyin said to Ye Chen.

"That's not necessary" Ye Chen said to Sun Xuanyin, Ye Chen didn't need to do that, he already made Sun Xuanyin unable to leave him anymore.

"I don't know how you think" Sun Xuanyin was confused by Ye Chen's way of thinking, to be honest she couldn't think of Ye Chen's way of thinking .

"Just do it, don't ask too many questions" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin not to ask too many questions, he told him to immediately agree to the contract.

Sun Xuanyin agreed, she used her blood to sign a contract with Ye Chen.

"Very good, you made a very quick decision." Ye Chen was satisfied with decision , he made a very quick decision.

"So what is my first task?" Sun Xuanyin asked Ye Chen, Sun Xuanyin wanted to know what Ye Chen's first task would be .

"Your job is to lure people from the Eternal Sun Star Realm out." Ye Chen told that Sun Xuanyin's job was to lure people from the Eternal Sun Star Realm to come out and show themselves.

"That's all." Sun Xuanyin hoped for more, she hoped that her first assignment would be much better than the current one.

"What, are you dissatisfied with this order?" Ye Chen said to Sun Xuanyin, Ye Chen looked dissatisfied when he listened to Sun Xuanyin's lack of enthusiasm.

"No, this is good. ." Sun Xuanyin hastily changed her tone, being satisfied with what said and did Ye Chen

"Very good, let's go out" Ye Chen said to Sun Xuanyin, Ye Chen invited Sun Xuanyin to come out, they will try to lure the enemy out.

"Yunzhi, you take care of the house, I will go for a while" Ye Chen said to Qi Yunzhi.

"Good" Qi Yunzhi nodded, she would guard the house when Ye Chen left this place.

Ye Chen and Sun Xuanyin left the Ye Chen residence.

"your taste is good, you have a maid who has such a strong charm, it's strange to see her still pure" Sun Xuanyin said to Ye Chen.

Sun Xuanyin did not expect that Ye Chen would allow such a fine prey as Qi Yunzhi.

"Stop saying weird things, I'm not too rude" Ye Chen replied to Sun Xuanyin.

"Is that so" Sun Xuanyin couldn't believe what said , after having had a night with Ye Chen, Sun Xuanyin had already started to know about Ye Chen, she knew that this man was not an ordinary, innocent man, he was a far more veteran veteran experienced and stronger than her.

"Where do you want to go?" Ye Chen said to Sun Xuanyin, he asked where Sun Xuanyin wanted to go.

"Why are you suddenly asking like that?" Sun Xuanyin asked Ye Chen, why did Ye Chen suddenly ask such a question.

"I just want to know where you want to go" Ye Chen said that he just wanted to know where Sun Xuanyin was going.

"I intend to head to my birthplace, I want to find out if there is anything left in this place" said Sun Xuanyin to Ye Chen.

"Then let's go." Ye Chen said to Sun Xuanyin, he invited Sun Xuanyin to go.

"This is a very good time, I can lure people from the Eternal Sun Star Realm to come out." Ye Chen intended to lure people from the Eternal Sun Star Realm with the bait he gave.

"Come on" Sun Xuanyin was happy, she was happy to see Ye Chen willing to go with her, if you think about it, Ye Chen was a good man, he was good enough for a man and better than all the men met Sun Xuanyin

Ye Chen and Sun Xuanyin left, they left the Sky Cloud Peak Star Realm and headed to Sun Xuanyin's birthplace.

"Where are you from?" Ye Chen asked Sun Xuanyin, he wanted to know where Sun Xuanyin came from.

"If I'm not mistaken, the place where I come from is called the Noble flame star Realm." Sun Xuanyin told Ye Chen, she told Ye Chen about her origin star.

"That sounds very good." Ye Chen said to Sun Xuanyin, from the name alone Ye Chen could tell that it was a very good star.

"You can put it like that, it should be uninhabited, Sun Quan has already killed everyone in this place," said Sun Xuanyin to Ye Chen.

Sun Xuanyin looked sad when she said that, she said that the Noble Flame Star Realm had already become a dead star.

"Don't jump to conclusions, let's see if there's still anyone in this place," Ye Chen said to Sun Xuanyin.

Ye Chen tried to comfort Sun Xuanyin, he tried to make sure that there might still be people living in the Noble flame star Realm.

"It's possible, let's see." Sun Xuanyin agreed with what said , she agreed to believe that there were still people living in the Noble Flame Star Realm.

Ye Chen and Sun Xuanyin rushed towards the Noble flame star Realm, both of them flying at full speed towards the Noble flame star Realm.

.

.

When Ye Chen and Sun Xuanyin left, there were two people watching them from a very far distance, these two people were watching Sun Xuanyin and Ye Chen from a distance to avoid being discovered by Ye Chen.

These two were members of the 12 Guardian Gods, one was Da Tenry, the other was Chan Simba.

"they're gone, we have to follow them" Da Tenry, invites Chan Simba to chase after Ye Chen, they must follow and watch Ye Chen's every move.

"Do we have to keep our distance this far, it's really inconvenient to keep an eye on someone from such a distance" Chan Simba looked displeased when he had to watch Ye Chen from this distance.

"Don't protest too much, our opponent is very strong, he was able to kill Sun Quan, so we must keep our distance from him" Da Tenry said in a high tone.
