

True God 2407

Chapter 2407 Invitation From Dongfang Xong

"It's done" Xing Shenyi asked Ye Chen.

"Everything is done" Ye Chen nodded, everything has been settled.

"Very good, fortunately there are no casualties in this matter, there are only a few people injured and the forest is quite destroyed, but we can still repair it" Xing Shenyi said to Ye Chen.

"Bastard. ." The elder elf said to Ye Chen, again Ye Chen destroyed her perfect plan.

"You have done a terrible thing by killing all of us, there is no mercy for you" Xing Shenyi could not allow this, this had gone too far and put everyone's safety at risk.

If only Ye Chen and Xu Leiya weren't around, then Xing Shenyi would have a hard time fighting an enemy that could absorb her attacks.

"bitch, don't talk so much" the elder elf cursed at Xing Shenyi, she looked furious at Xing Shenyi.

"well there is no more mercy for you" Xing Shenyi would not give her mercy anymore, the ground around the elder elf began to descend downwards, her body began to sink into the ground and she completely disappeared from before everyone.

"I hope this never happens again" Xing Shenyi hoped that something like this would never happen again, she disliked it and preferred a quiet and happy life.

"Everyone let's go back, help the wounded and take them to the infirmary" Xing Shenyi gave orders to everyone in this place.

All the elves who fought immediately returned to the city, they were getting treatment to heal the wounds they had.

"We did it, we won, this way the forest will no longer be destroyed" Fan Fumi said to Ye Chen.

"That's great, we should also go back, I need to go to the Demon God Realm right away" Ye Chen said to Fan Fumi.

"Are we coming back tomorrow ?" Fan Fumi asked Ye Chen.

"Of course, tomorrow we go back" Ye Chen said that he would go back.

"Okay, understood" Fan Fumi understood.

Xing Shenyi listened to what Ye Chen said, she knew that Ye Chen had other business in the Demon God Realm.

"Me and Fan Yima will visit you in God Realm often" Xing Shenyi told Ye Chen.

"I look forward to it" Ye Chen said that he would look forward to it.

"Hey, mister. . " The elves around started to approach Ye Chen, they approached Ye Chen and started to tease Ye Chen.

"ahhh they started again" Fan Fumi was helpless, she could not repel those who were approaching Ye Chen.

Ye Chen was overwhelmed with this problem, too many Elves were approaching him, they were all beautiful because they were Elves.

Ye Chen just smiled and looked at all of them that were around this place.

"what are you guys doing" Xing Shenyi wouldn't let them, she decided to drive them away.

"We just want to talk to the savior" the elves in this place said to Xing Shenyi.

They were still respectful to Xing Shenyi, they said that they wanted to thank her for what Ye Chen did.

"Don't trouble him" Xing Shenyi said to everyone, she told them not to trouble Ye Chen.

"Understood" because Xing Shenyi said so, they came and started to bring Ye Chen, they had a party before Ye Chen left.

They celebrated their victory very well, everyone feasted and enjoyed the dishes.

Ye Chen even took out the rare fruit inside the gate away for them, he would not be stingy with this and everyone naturally liked the peach and create immediately that Ye Chen had.

"Have a drink ?" Fan Yima approached, she gave Ye Chen a drink.

"They are very excited" Ye Chen said to Fan Yima.

"Of course, they managed to defeat the ancient Spirit, of course they are enjoying this very well" Fan Yima said.

"Looks like you worked hard" Ye Chen said to Fan Yima.

"I can't help it, I'm the village leader, I have a lot of work to take care of" Fan Yima said to Ye Chen.

"I hope you're okay" Ye Chen said to Fan Yima.

"I'm fine of course, but I'm a little tired, do you want to accompany me" Fan Yima said to Ye Chen, Fan Yima's body leaned towards Ye Chen and she started teasing Ye Chen with her mature body.

"You seem to be very drunk" Ye Chen saw that Fan Yima was drunk, she probably needed a break.

Ye Chen picked up Fan Yima, he carried her away to an empty room that could be used.

Ye Chen laid Fan Yima down on the bed.

"Don't leave me" Fan Yima said to Ye Chen, the beautiful and seductive adult elf wanted Ye Chen.

"Alright" Ye Chen told Fan Yima, he would accompany Fan Yima tonight as tomorrow he had to return.

The two of them spent the night in the same room and they started training on the bed, because Fan Yima was drunk, she did it quite hard and did not hold back, while Ye Chen showed his strength as a man.

Tonight no one bothered Ye Chen and Fan Yima, both of them improved their relationship.

.

.

"uh, I'm tired" Fan Yima was tired, she was quite tired after going through several rounds with Ye Chen, Ye Chen filled her with love and made Fan Yima feel tired and satisfied at the same time.

"I have to go, are you alright" Ye Chen asked Fan Yima.

"I'm fine, I'm going to rest, I hope you can solve your problem" Fan Yima was unable to send Ye Chen off, she could only pray for the best for Ye Chen.

"Thank you very much" Ye Chen thanked Fan Yima, he kissed Fan Yima before leaving.

"So long, what are you doing" Xu Leiya was already waiting for Ye Chen.

"Sorry" Ye Chen told Xu Leiya, he was done.

"We're leaving first" Ye Chen said to Xing Shenyi.

"Be careful" Xing Shenyi said to Ye Chen.

"Okay" Ye Chen understood, he along with Fan Fumi and Xu Leiya returned to God Realm.

They teleported to God Realm, they returned to the previous place.

"I'll be back" Ye Chen said that he wanted to go back.

"I also have to go back to the Clan to see the latest news, see you later, I will see you again" Xu Leiya said to Ye Chen, he said goodbye and returned to Xu Clan.

Fan Fumi returned together with Ye Chen, she was running errands again like before.

"Where have you been ?" Dongfang Xiu asked Ye Chen, she asked where Ye Chen went.

"I went to retrieve the map of the Demon God Realm" Ye Chen answered Dongfang Xiu.

"very good, you come with me, my father wants to talk to you about the matter of Demon God Realm, he might be able to help you get in there" Dongfang Xiu said.

"ehh, your father wants to meet me, will he be angry after everything" Ye Chen asked Dongfang Xiu.

"no need to worry, he shouldn't be angry, I've tried to explain it and he won't dare to get angry at you, I'll handle it if he dares to get angry at my husband" Dongfang Xiu assured Ye Chen.

"okay, I understand" Ye Chen agreed to meet with Dongfang Xong.

"Come with me" Dongfang Xiu took Ye Chen to Sacred Heaven Star Realm.

They quickly went to the Sacred Heaven Star Realm.

"Young lady" the maid welcomed Dongfang Xiu.

"Where is my father" Dongfang Xiu asked the maid.

"He is in his room" the maid told her where Dongfang Xong was.

"Alright, I'll be right there" Dongfang Xiu said that she would be right there.
