Chapter 2416 I Will Kill You

"Damn it, how dare you withstand my attack" Zhou Tong was furious when he saw Ye Chen withstand his attack.

"What's wrong, does trash like you only have that kind of strength" Ye Chen said to Zhou Tong.

"What are you saying, how dare you say that" Zhou Tong was furious when he listened to what Ye Chen said.

Zhou Tong himself was already at the fifth level of the Divine Preceptor Realm, he was already one of the best talents in the Sect.

And until now no one had ever dared to call him trash.

"It's over, Zhou Tong will definitely kill that person" Zhou Tong will definitely kill Ye Chen, he will not let Ye Chen go.

"how dare you, I will kill you right now" Zhou Tong said to Ye Chen, he will directly kill Ye Chen.

A strong darkness and killing aura came out from Zhou Tong's body, he really had completely angered towards Ye Chen and could kill Ye Chen easily.

"I will make sure that there is no trace of your body in this world" Zhou Tong said to Ye Chen, he told Ye Chen that he would not let go of Ye Chen and would crush him to nothing.

"Don't just talk and brag in front of me, if you are capable you can do it" Ye Chen said to Zhou Tong.

He told Zhou Tong to show it, if it is Zhou Tong then he can show it to everyone in this place.

"This sister is so bad, that person will definitely die" the women said to Xun Zhilin.

Xun Zhilin was silent and took no action to protect Ye Chen, somehow she felt that Ye Chen could overcome Zhou Tong.

"Sister?" The women finally couldn't stand it and shook Xun Zhilin's body.

"Zhou Tong stop it right now" Xun Zhilin finally came to her senses and helped Ye Chen.

He stopped Zhou Tong who was trying to hurt Ye Chen.

"Don't stop me, this is my problem with him" Zhou Tong told Xun Zhilin to be quiet, he wanted to end this problem with Ye Chen.

"I will make sure that he is destroyed, no one can call me trash" Zhou Tong said.

Zhou Tong made a blood red ball with a huge size.

"Die" Zhou Tong said to Ye Chen, he told Ye Chen to die as soon as possible, he didn't like it when he saw Ye Chen.

"Boom. ." a huge explosion occurred, this explosion blew everything away, even Xun Zhilin and the others had to retreat due to this explosion.

"This lunatic" Xun Zhilin was annoyed as hell, he was the laziest to deal directly with a lunatic like Zhou Tong.

"Hahahaha" Zhou Tong laughed out loud, he was really too happy because he could defeat Ye Chen easily.

"already destroyed, Zhou Tong is too domineering" people looked at Ye Chen who was destroyed quickly by Zhou Tong.

Zhou Tong was too domineering and too strong, he was still the top Tier in this Sect.

"Wosh. . ." when everyone thought that the battle was over, Ye Chen flicked his arm, he flicked his arm and the dust around disappeared.

When Ye Chen appeared, everyone fell silent, they glared at Ye Chen and couldn't believe what they saw.

They saw Ye Chen who stood up and was unharmed by the attack from Zhou Tong.

"how come" after a long silence, some people started shouting, they couldn't believe it when they saw Ye Chen managed to survive against such a powerful attack launched by Zhou Tong.

"Why, why did you survive" Zhou Tong couldn't believe that Ye Chen was able to block his attack.

"Your attacks are too weak, nothing good to destroy me, as expected from a trash" Ye Chen said to.

"Bastard, this bastard, I will kill you" Zhou Tong continued to curse Ye Chen, he cursed Ye Chen quite loudly and quite horribly.

The killing aura released by Zhou Tong was getting more and more terrifying, just from this alone could make someone become very afraid once.

"I told you to stop talking like that, you trash" Ye Chen kicked Zhou Tong, Zhou Tong's body flew several miles away with just one small kick by Ye Chen.

"No way, he hit Zhou Tong backwards, and that movement seems very normal, what is really going on here" people became confused, they didn't know what was going on here, what Ye Chen did made them look confused.

Everything Ye Chen did didn't make sense, he was doing things that couldn't be explained in words.

"uhuk. . ." Zhou Tong coughed up blood, the attack from Ye Chen was able to make serious injuries on his body.

"Damn it, what exactly happened, I got injured just from such a weak attack" Zhou Tong roared and hit the floor below him, using his strength, he smashed the floor with ease.

"Who is that guy, he is making Zhou Tong trouble" The women around looked towards Ye Chen, they seemed curious about Ye Chen making someone like Zhou Tong injured.

"This doesn't make sense, how did he do it, plus, his strength is far below Zhou Tong's" Xun Zhilin watched Ye Chen, she saw and observed Ye Chen's change in strength, it was obvious Ye Chen's strength and cultivation were very low and there was almost no chance of winning.

It was fortunate that Ye Chen had an artifact to completely hide his strength, so no one could be aware of Ye Chen's true strength.

Ye Chen stepped towards Zhou Tong, he stood in front of Zhou Tong.

"how does it feel, are you satisfied with the kick just now" Ye Chen said to Zhou Tong.

"Damn it" Zhou Tong attacked Ye Chen, he used his hand to hit Ye Chen.

Ye Chen caught the attack launched by Zhou Tong, he caught the enemy's attack with one hand.

"No way, why, why is this happening" Zhou Tong couldn't hurt Ye Chen, somehow Ye Chen was able to win with cultivation in the Divine Tribulation Realm.

"Pah. . ." Ye Chen gave a punch to Zhou Tong, he gave a punch that was enough to smash Zhou Tong's face.

"Arghhhh. . ." Zhou Tong roared, he felt too much pain, even his teeth fell out when Ye Chen gave a decent blow.

"He really did it, he got Zhou Tong hurt, it looks like this will be a harder thing for him" with the background that Zhou Tong had, he definitely wouldn't let Ye Chen go.

"You trash servant, you dare so much" Zhou Tong was angry at Ye Chen, how dare trash like Ye Chen make him hurt like this now.

"Pah. . ." Ye Chen slapped Zhou Tong again, he slapped Zhou Tong several times until his face was swollen and unrecognizable.

"Bastard" Zhou Tong was furious, he was completely destroyed in Ye Chen's hands.

The people around were silent, they glared as Ye Chen slapped him almost half to death.

"this guy's methods are horrible, he made the arrogant Zhou Tong become like that" everyone was horrified, the methods used by Ye Chen were too horrible.

"stop there right now" Ye Chen's action was immediately stopped by someone, he didn't let Ye Chen do more to Zhou Tong.

Ye Chen looked at the person who stopped him, it seemed like these people were quite powerful and influential, it could be seen when everyone.
