

True God 2419

Chapter 2419 One Punch Defeats A Great Elder

"No way, no way" the great elder could not believe what was happening, he could not believe what had just happened, he could not believe that such a powerful attack could be withstood by Ye Chen.

"This can't be the case, I don't accept this" the great elder continued to attack Ye Chen, multiple punches were thrown towards Ye Chen, these punches were so numerous that it was difficult for the human eye to see.

"No way, no way, this can't be happening" Those who were shocked when they saw what happened, they still couldn't see who would win, the attack from a big elder couldn't even make Ye Chen retreat, Ye Chen was like a huge wall and couldn't be moved.

"One hundred, two hundred, five hundred, one thousand . . ." numerous punches were thrown, all of them hitting Ye Chen's body, strangely Ye Chen could still stand up and seemed unaffected by the attack just now.

"Looks like it's time to end this battle" Ye Chen said to the great elder.

He launched a powerful punch attack towards the big elder's abdomen.

"Bam. . . ." Ye Chen's punch hit the belly of the great elder.

"Uhuk. . ." the great elder's body began to retreat and he vomited quite a lot of blood, the punch that Ye Chen had just launched was too powerful.

The great elder fell down, Ye Chen's attack instantly suffocated him.

"Ehhh. . . , one punch . . ." everyone cried out when they saw Ye Chen finish the battle with just one strike.

"No way, this can't be happening" in the audience, the elders were the most shocked by this result, they could hardly believe what happened, how could a powerful great elder lose in just one strike.

Obviously this was beyond the expectations of everyone, even the results that came out were clearly not the expectations of everyone who was in this place, the results that occurred were beyond the expectations and results of everyone who was in this place.

"He's really too good, who exactly is he?" everyone wanted to know who Ye Chen was, they wanted to know who Ye Chen was, his strength was beyond everyone's expectations.

"Damn it, who are you" the great elder said to Ye Chen, before he lost his consciousness.

Ye Chen's attack was quite powerful and made a severe wound once on the great elder.

It was obvious that he would no longer be able to stand against Ye Chen, it was enough to make him lie down for some time.

"I didn't expect that there would be people who can create chaos in my place" this time another man appeared, he said to Ye Chen in an annoyed tone.

Ye Chen's battle was really great, he defeated a big elder with just one attack, and not everyone could do what Ye Chen did.

"he finally appeared too" the Sect patriarch finally appeared and showed himself in public.

"finally the final boss appears too" the person in front of him is the final boss, it should be that if Ye Chen defeats him, then everything is done.

"So you are thinking of fighting me, just throw away your thoughts because you won't have a chance to win" the Sect Patriarch said to Ye Chen, he told Ye Chen that Ye Chen would not be able to win in this battle.

"Who dares to say I can't win" Ye Chen asked the Sect Patriarch.

"It's obvious, I said so, if I say no, then it's an absolute order" the Sect patriarch told Ye Chen.

An arrogant aura came out, he was the leader of hundreds of thousands of people living inside the Sect, naturally the orders from a Sect patriarch were absolute and could not be refuted by Sect members.

"hahahaha" Ye Chen laughed when listening to this.

"These people are stupid" Ye Chen saw that they were very stupid, it seemed like they were a group of fools in a shell.

"They must think that they are strong, it's because this is their domain" Chu Yuechan said to Ye Chen.

"No matter the domain or whatever, they are still a bunch of fools who don't know the height of this world" Ye Chen said.

"so what are you going to do now" Chu Yuechan asked Ye Chen.

"Let's settle everything" Ye Chen said that he wanted to settle everything.

It's time to settle everything that happened.

"Then I will support you" Chu Yuechan said that she would support Ye Chen.

"I am giving you a chance to surrender right now" Ye Chen said that he was giving the Sect Patriarch a chance to surrender.

"Hahahaha, are you stupid, if I give the order, everyone in this place will become your enemy" the Sect Patriarch said to Ye Chen.

"I am not afraid of that, if that happens I will fight them all" Ye Chen said to the Sect Patriarch.

"What an arrogant boy" the Sect patriarch said to Ye Chen.

Arrogance has its limits, it had crossed the line and made the Sect patriarch furious at Ye Chen.

"My command, quickly catch that person right now" the Sect patriarch gave the order, he told everyone to go and catch Ye Chen.

When the order came out, everyone seemed silent and motionless.

It wasn't that they didn't want to obey the order, but they were afraid of the order given.

After seeing Ye Chen's strength, not many people had the big guts to fight against Ye Chen.

"what happened to all of you ?" the Sect patriarch said to everyone, he gave an absolute order to everyone.

"Hahahahaha, very funny, it seems like they don't want to do what you say, they don't want to be ordered by a fool man" Ye Chen said to the Sect patriarch.

"Damn it" the Sect Patriarch cursed harder at Ye Chen, he cursed Ye Chen very loudly.

"This is my order, if you don't move, you will be punished" seeing that no one wanted to move, the Sect patriarch decided to give punishment to people who disobeyed.

The Sect's punishment was very cruel, there was no way they could survive such a cruel punishment.

"Let's go" they had no choice, the choice now was just to go forward and fight Ye Chen using the full strength they had.

Ye Chen unleashed God Domination Pressure, he made everyone fall down with one powerful stomp of pressure.

"What happened" the Sect patriarch was shocked when he saw everyone fall down and unconscious, he was clueless and didn't understand what had just happened.

"Wake up quickly, what are you doing" the Sect Patriarch said to everyone, he told them all to wake up quickly and help him fight Ye Chen.

"It's useless, you won't be able to wake them up" Ye Chen said that the Sect Patriarch wouldn't be able to wake them up, he wouldn't be able to wake up those who had been knocked unconscious by his powerful pressure.

"Come on, this is your battle and mine" Ye Chen said that this was their battle.

"I'll just say this, I won't lose to you" Ye Chen said that he wouldn't lose.

"I won't lose either, you will see the power of the Demon Beast Sect patriarch" the Sect patriarch roared.

"A red colored aura enveloped his body, a force swept through this place and destroyed the floors and buildings around this place.

This is the power possessed by the Sect patriarch, it can be said that this is the peak power in this place.

"Do you have any last words before I eliminate you?" the Sect Patriarch said to Ye Chen, he gave Ye Chen a chance.
