

True God 2422

Chapter 2422 I Want To Know More About You

"I will do my best" Xun Zhilin will do the best she can.

Meanwhile in Mo Xi's hideout, he was currently sitting while receiving the report.

"He's probably already arrived at this place, then we should finalize our plan as soon as possible" Mo Xi wouldn't be able to stay idle, he had to finalize his plan as soon as possible.

"We will speed up the plan we have" Mo Xi said that they can only speed up the action they have to destroy the indestructible wall.

Mo Xi's group had decided, they had all decided to speed up their movements.

They decided to speed up the movement and start the plan to stop Ye Chen, they will use everything they can use to stop Ye Chen.

Inside the God Realm.

Shen Niang had just returned, when she had just returned she found that Ye Chen was no longer in the God Realm.

"Where did he go?" Shen Niang asked Shui Yixian, she asked where Ye Chen went.

"That, he is currently in the Demon God Realm" Shui Yixian said.

Shui Yixian looked very nervous as she faced Shen Niang.

To Shui Yixian, Shen Niang was something, she was something else.

She was the embodiment of pure light, so it was not strange for her to be nervous.

"Why did he go alone?" Shen Niang asked Shui Yixian.

"It's because we can't go together with him" Shui Yixian told her that they couldn't do that.

"he should have waited for me" Shen Niang said in a dissatisfied tone.

"Ahhh, about that" Shui Yixian looked confused, she didn't know what to say.

"Why are you silent?" Shen Niang asked Shui Yixian, she asked why Ye Chen left alone.

"I can't answer that" Shui Yixian told Shen Niang.

Shui Yixian finally gave up, she finally gave up when fighting Shen Niang.

"Yanyan, please help me" Shui Yixian finally asked Zhao Yanyan for help.

Zhao Yanyan finally appeared and helped Shui Yixian.

"Niang sister, he is going alone and doesn't want us to come along, he said that it will make trouble if we come along, we can only wait in this place, if anything happens she will definitely ask us for help" Zhao Yanyan said to Shen Niang.

Zhao Yanyan helped explain, with Zhao Yanyan's easy explanation, Shen Niang finally understood.

"Alright, then I'll go to see him" Shen Niang said that he would look for Ye Chen's whereabouts,

"ehh, wait a minute" Zhao Yanyan tried to stop Shen Niang.

"Already, you won't be able to stop her" Shui Yixian told Zhao Yanyan, xhe told her that they wouldn't be able to stop Shen Niang.

"Is it okay?" Zhao Yanyan asked Shui Yixian.

"Everything should be fine, she's a strong woman, nothing can bother her" Shui Yixian said.

"Alright" because they couldn't stop Shen Niang, they could only let her go.

Shen Niang left, she went to Ye Chen's place, she should be able to easily find Ye Chen's whereabouts.

"Where are you going?" Xu Leiya just so happened to be near the border, xhe had the duty to keep an eye around this place.

"I'm going to the Demon God Realm" Shen Niang said.

"Eh, you're going there?" Xu Leiya was surprised when xhe found out what Shen Niang was going to do.

"Of course" Shen Niang said in a soft voice, Xu Leiya found it a little difficult to talk to Shen Niang.

"But that place is a bit dangerous, will you be okay" Xu Leiya said to Shen Niang.

"Everything is fine, I've been there before, so everything should be fine" Shen Niang said.

"So it is. . ." Xu Leiya lightly nodded at Shen Niang.

"Want to come along with me?" Shen Niang asked Xu Leiya.

Shen Niang invited Xu Leiya to come along.

"I... , it's a little difficult for me to go there" Xu Leiya said that she would have trouble going to the Demon God Realm.

"It's okay, I will guarantee your safety while there" Shen Niang said that she would guarantee the safety of Xu Leiya.

When Shen Niang said that, then she should have done just that.

Shen Niang was one of the strong cultivators in the past, she could certainly be the salvation of Xu Leiya.

Xu Leiya thought for a while, wondering if he should go along with Shen Niang.

This was one pretty good offer, there was no way Xu Leiya would ignore this offer

"okay, then I'll come along" Xu Leiya finally decided, he finally decided to come along with Shen Niang.

This was a chance for Xu Leiya to see firsthand the land that she had never seen in her life.

The two sneaked in, they began their plan to search for Ye Chen and started to change their appearance to be inconspicuous.

Shen Niang has several rings that can change appearance and strength, it is similar to the Nuwa ring owned by Fu Lanling and they will look so normal that they cannot be distinguished from normal people in the Demon God Realm.

back to Ye Chen.

He was currently sitting while looking outside, there was still no report of Mo Xi's whereabouts.

Even his Clone still hadn't found any trace of Mo Xi.

"That guy, where is he hiding, it's hard to find him" Ye Chen himself was having trouble finding Mo Xi's whereabouts, finding Mo Xi was very difficult to do and it seemed like he was moving silently.

"I can't be like this, I have to find a person with wide influence" Ye Chen had to find a person with wide influence, that way he could find the whereabouts of Mo Xi quickly.

"Knock" a knocking sound was heard from outside the room, Ye Chen immediately looked to see who was coming.

"Come in" Ye Chen told the person to enter his room.

A woman walked into Ye Chen's room, she was a beautiful woman from Demon Beast Sect and she was Xun Zhilin.

"it's you, what do you want to do?" Ye Chen asked Xun Zhilin.

"I just wanted to deliver some news on the progress of the task you gave" Xun Zhilin said to Ye Chen, she told him that she was delivering the progress of the task given by Ye Chen.

"Did you find anything ?" Ye Chen asked Xun Zhilin.

"A little. ." Xun Zhilin said that she found out a little bit about Mo Xi.

"Then tell me" Ye Chen told Xun Zhilin to say what he knew.

"It's not free" Xun Zhilin told Ye Chen, she told him that it's not free.

"Of course I know that" Ye Chen said that he knew that it wouldn't be free.

"so what do you want" Ye Chen asked Xun Zhilin, he wanted to know what Xun Zhilin wanted.

"let me think about it" Xun Zhilin advanced towards Ye Chen, she came closer towards Ye Chen and was now only inches away from Ye Chen's face.

"I want to know more about you" Xun Zhilin used a quick approach, she wanted to get information from Ye Chen faster so that her task would be completed quickly.

Xun Zhilin used her charm technique, she tried to confuse Ye Chen by using her technique.

Xun Zhilin never failed when using this on men, they would fall and say everything Xun Zhilin wanted.

Xun Zhilin actually disliked this method, but since Ye Chen was too unreasonable, she decided to use this method.
