Chapter 2426 Infinity Power Stone

"To be honest we don't know what they are looking for, they were just talking about an object called Infinity power stone" one of the people who knew about what happened came forward, he told Ye Chen about the purpose of the people.

"Infinity power stone" Ye Chen said, Ye Chen looked surprised when he heard this.

"Yuechan, isn't that an item that disappeared from this world long time ago" Ye Chen said to Chu Yuechan.

"Of course, it was sealed long ago in a place that was too hidden, it was often misused for war and destroying each other, because of its nature that could emit endless energy" Chu Yuechan said to Ye Chen .

The Infinity Power Stone was an extinct item and it was nearly impossible to find it again, it had been banned since the era of immortals.

Infinity power stone has a variety of uses, it is usually used to propel profound arks and can also be used as a very powerful Bomb, it is said that its explosive power is almost capable of destroying thousands of planets and easily.

It could even kill the immortal realm, that's why it was sealed with something that would never be found again in this world, it was even said that several powerful cultivators in the past sacrificed their lives to seal all the Infinity power stones in God's Realm and left no stone unturned bit in this world.

"If anyone were to find him using this thing for something, then that would be a problem" Chu Yuechan said to Ye Chen.

Chu Yuechan was sure that someone must be using that thing for their purposes.

"Do you think Mo Xi is after that thing too?" Ye Chen asked Chu Yuechan.

Perhaps, if it's an Infinity power stone then it should be able to create a small hole, even the laws of dimension have difficulty resisting the power of the Infinity power stone.

"Then we have to find it first" Ye Chen decided to find the Infinity power stone, although the object he is looking for is dangerous, Ye Chen still has to find it.

"is that all you know" Ye Chen asked again, he wanted more information.

"That's all we know, this one thing, they've destroyed enough places to find it, it looks like it was stolen from them, and they assume that this person is hiding in every small village around this place" the village leader said to Ye Chen.

"That means the Infinity power stone is not far from this place, then I'll just start immediately." Ye Chen immediately went to look for the Infinity power stone.

Before leaving, Ye Chen gave them some healing items that could help them, for the rest they should be able to sort it out on their own.

"Yuechan, please help me" Ye Chen said to Chu Yuechan, he asked Chu Yuechan to help himself.

"Alright, I'll help you" Chu Yuechan said that she would help Ye Chen.

The two of them were going around this place, they both wanted to find the whereabouts of the Infinity power stone.

With the help of Chu Yuechan who could sense good things around, it wouldn't be difficult for Ye Chen to find the Infinity power stone if he was near.

The two of them traveled from the village to the nearest town, each town was visited by Ye Chen to find the whereabouts of the Infinity power stone.

"Who brought the Infinity power stone, I can't find it." Ye Chen has searched several villages and towns, it's a pity that the results are disappointing.

"Master, what about the city ahead" Chu Yuechan said to Ye Chen.

"Sure, let's go there" Ye Chen nodded lightly, they went into a big city with lots of people living and living in it.

"This city is very lively, I think this place is much better than the city near the Demon Beast Sect." After seeing this city, Ye Chen was sure that this was the center of this star city.

"A wide place filled with lots of people, this seems to be the place" Chu Yuechan said to Ye Chen.

"Looks like we have to work hard because this place is quite large" Ye Chen said to Chu Yuechan.

"Work hard" Chu Yuechan said to Ye Chen, she told Ye Chen to work harder.

"I see, it's like I have a choice" Ye Chen finally came around, he flew rapidly around this place.

One shouldn't fly at will within the city, there are separate rules for that matter, except for someone with high status or someone who has interests then they are prohibited from flying.

Ye Chen has the ability to be invisible in front of other people, this is very easy for Ye Chen to be invisible when flying.

"Fortunately I have great ability" Ye Chen is lucky because he has the ability, with this Ye Chen can move freely.

"Masters..." Chu Yuechan said to Ye Chen.

"met ? ? ?" Ye Chen asked Chu Yuechan.

"Um. . ., I felt a huge power near this place, it must be coming from that place." Chu Yuechan pointed at a large building, where people were coming in and out of that place.

"In front there is an inscription of accommodation and shop" this place is a place to eat and stay.

"That person is in this place?" Ye Chen asked Chu Yuechan.

"Of course, that person is on the 7th floor." Chu Yuechan said to Ye Chen, she told him that the person who had the Infinity power stone was on the 7th floor.

"Then let's just go and get it." Ye Chen said that he would go and get it himself.

Ye Chen immediately went up, he went inside and went straight to the seventh floor.

Ye Chen arrived at the seventh floor, he quickly arrived in front of the room's entrance Chu Yuechan pointed at.

"knock . ." Ye Chen knocked on the door, he knocked on the bedroom door.

". . . ." there was no answer from within, it seemed that the other party was unwilling to accept Ye Chen.

"he's trying to hide" Ye Chen used God Eyes to look inside, inside there were several people with fierce and sinister faces.

They all prepared weapons to fight against Ye Chen, if Ye Chen forced their way in, they would directly destroy Ye Chen.

"They are not good people" Chu Yuechan told Ye Chen, these people are not good people.

"They are not part of the demon seeker bandits" Ye Chen tried to confirm their identity, they were not part of the demon seeker bandits.

"But they seem to be master thieves." Chu Yuechan said that they seemed to be master thieves.

"Is that so, as if they had stolen it, it wouldn't be strange for the demon seeker bandits to search for them to destroy quite a lot of places" Ye Chen had found the right reason.

From the start Infinity power stone has been obtained by bandit demon seeker, it's a pity that this person stole it from them so they got angry and searched for the thief to destroy and kill many people.

"What would you do . ." Chu Yuechan asked Ye Chen.

"Seize it, that thing is dangerous, if it gets misused it will be a disaster" Ye Chen said to Chu Yuechan.

"then let's do it" Chu Yuechan said to Ye Chen.

Chu Yuechan came out, she appeared next to Ye Chen.

"why did you come out ?" Ye Chen asked Chu Yuechan.

"That's right it's dangerous, you might get in trouble if it explodes" Chu Yuechan said to Ye Chen.

Chu Yuechan was going to help Ye Chen, she had to make sure that this thing didn't explode and kill all the creatures around this place.
