Chapter 2428 Save Chu Yuechan

Chu Yuechan was quite evil, she toyed with the enemy using speed.

"So evil" Ye Chen saw what Chu Yuechan was doing, Chu Yuechan was quite evil when fighting enemies.

The person with the robe was made angry, this person was very angry with Chu Yuechan.

"Immortal Slayer Prison" That person's immediately used a technique to block and restrict Chu Yuechan's movements.

"Now you won't be able to run away anymore" After immobilizing Chu Yuechan, he directly attacked Chu Yuechan.

Chu Yuechan had no choice but to fight, this time she could no longer use any of her tricks.

"Boom. ." Chu Yuechan ended up exchanging blows with the opponent, she backed off several times while exchanging blows with her opponent.

Chu Yuechan recoiled when she received this punch, she couldn't win because it was so powerful and terrifying.

"Now no one will be able to save you" the person in the black robe said to Chu Yuechan, Chu Yuechan now couldn't fight against him.

"Is that so" Chu Yuechan smiled, she used her full power.

"Fairy wind Domain" Chu Yuechan used her own Domain, a powerful gust of wind enveloped this place and froze everything in existence.

Even the surrounding prison froze and shattered when it was struck down by Chu Yuechan's Domain.

The domain that Chu Yuechan created was enormous, it covered almost the entire planet.

"I won't play around, my opponent is someone with strength that can kill cultivators." Chu Yuechan said that she would no longer hold back, her opponent was extremely dangerous.

"Yuechan's strength is strong" Ye Chen looked at the battle from below, he observed the battle between Chu Yuechan and the mysterious person.

Chu Yuechan used all of her strength, they fought fiercely and caused destruction.

Even using the Domain, the enemy's strength still didn't decrease, that person could match Chu Yuechan's strength.

"Ice Breaker" Chu Yuechan froze the body of the enemy, she used ice sealing technique to freeze the opponent.

"Ice Sword Fall Down" Chu Yuechan performed consecutive attacks, Chu Yuechan's attacks combined well, this was Chu Yuechan's good combo.

"Fairy wind Domain, shrink" Chu Yuechan shrunk her own Domain, a powerful destructive force instantly swirled around them and destroyed everything within the Domain.

Chu Yuechan didn't give the opponent a chance to defend, all attacks were completely crushing to the core, Chu Yuechan from the beginning didn't want to spare even a single bit of the enemy's body.

"Done" after confirming there were no traces of enemies, Chu Yuechan finally relaxed a bit.

she has crushed the enemy to nothing.

"finished?" Ye Chen no longer sensed the existence of the enemy, that person should have resolved oleh Chu Yuechan.

Chu Yuechan had succeeded, she had managed to win against an immortal Slayer.

"You're too fast, it's not easy to kill someone like me" when Ye Chen and Chu Yuechan thought that they had succeeded.

The person just now emerged from the hole, he appeared and attacked Chu Yuechan from an unexpected direction.

"How is it possible, don't tell me that you . ." Chu Yuechan realized that this person was different from before.

"Don't tell me it was just a body replacement, and now I met the real one." Chu Yuechan finally realized that the person in front of her was the real one.

"Troublesome, just die." This person attacked Chu Yuechan brutally, he used all his strength in a sneak attack towards Chu Yuechan.

"A trick" Chu Yuechan realized that everything was a trick, this person was trying to trick Chu Yuechan.

The "boom" attack landed towards Chu Yuechan's body, Chu Yuechan retreated and she appeared to be injured from the attack just now.

"Too bad" Chu Yuechan was injured, she was injured from the attack from the person in front of her.

"Too bad, his attack hurt me" Chu Yuechan ran into a problem, the enemy's attack was able to hurt Ye Chen, this was of course very bad for Chu Yuechan.

"Yuechan can't turn things around" Ye Chen was worried about Chu Yuechan's condition, she seemed to have a hard time against an enemy who possessed world-defying power.

"Hand over that thing, this is a final warning for you" the person in front said to Chu Yuechan, he told Chu Yuechan to hand over the Infinity power stone.

"How many times have I told you, I won't give the Infinity power stone to you" Chu Yuechan said to the person in front of her.

Chu Yuechan would not give this person the Infinity power stone, it would be disastrous if the Infinity power stone were in the hands of such a dangerous person.

"Then it's time to destroy you" This person charged towards Chu Yuechan, a powerful attack gathered and aboutlaunched at Chu Yuechan

Chu Yuechan also had to be prepared, she had to use all of her skills against the enemy.

"die" He launched an attack towards Chu Yuechan, a terrifying and powerful attack aimed towards Chu Yuechan.

Chu Yuechan also didn't hold back, she used her full power to fight against the enemy.

"God Slayer Lightning Shot" just as the two were about to clash in strength, Ye Chen used an attack to stop the person from injuring Chu Yuechan.

"Boom" lightning fired heading towards the enemy, the enemy took the full brunt of Ye Chen's attack.

"damn . . ." the person in the black robe and ghost mask screamed in a truly angry voice, one of his arms having been crushed by Ye Chen's attack.

"Master's attack was effective" Chu Yuechan was shocked when she saw Ye Chen's attack was effective against the enemy.

"Heavenly lightning, I didn't expect you to have it" he looked at Ye Chen, murderous and hateful gazes surrounding Ye Chen's body.

Ye Chen was not afraid of this power, he showed his strength and started to push back.

This was the power of a Sage God who was at the true god, his strength was incomparable to that of an immortal Slayer.

Although Ye Chen's inheritance was not completely complete, the strength that produced by Ye Chen was powerful and awe-inspiring.

If only Ye Chen had fully inherited the full power, it would be even more awesome.

"Damn it, your strength is really annoying, I have no chance of winning" he said to Ye Chen, he knew that he had no chance of winning against Ye Chen.

"This isn't over yet, I will make sure that you don't get a good ending, I will snatch the Infinity power stone from your hands" this person decided to leave, he decided to leave Ye Chen and Chu Yuechan.

"he's retreating" Chu Yuechan saw that the enemy decided to retreat.

"no need to chase" Ye Chen said to Chu Yuechan.

Ye Chen didn't take any risks by chasing the enemy, he chose to give first treatment to Chu Yuechan.

Chu Yuechan was getting treatment from Ye Chen, she was really touched and happy by that treatment given by Ye Chen.

"It seems that your injuries are not bad" Ye Chen said to Chu Yuechan.

The external injuries were bad enough, if this left then it might linger and turn bad for Chu Yuechan.

"The opponent is really troublesome, having such strength is really troublesome for me to fight." Chu Yuechan couldn't help but sigh, the enemy was really beyond expectation.

"It's okay, I know you've worked hard enough" Ye Chen said to Chu Yuechan.

"Let's treat this first, don't let it leave any marks because it might make you sad" Ye Chen said to Chu Yuechan.

master. . ." Chu Yuechan was too happy, herself was too happy with Ye Chen, she really liked Ye Chen.

Chu Yuechan hugged Ye Chen quite tightly, Ye Chen's head was buried in the soft and comfortable chasm.

This was heaven, Ye Chen was really enjoying everything, he was getting pleasure from Chu Yuechan.
