

True God 2451

Chapter 2451 Against Ten Thousand Faces

"since can't deceive you, I will use other means against you" ten thousand faces picked up a few knives, she threw the knife towards Ye Chen and started to attack Ye Chen.

Ye Chen used wind profound as a shield, he knocked away all the blades thrown by ten thousand faces.

"it's not that easy" ten thousand faces controlled the knife and started to attack Ye Chen again, this time the knife shot out with a terrifying speed and much stronger force compared to when it was thrown by ten thousand faces.

"flying knife, it is one of the terrible powers, be careful" Xun Zhilin said to Ye Chen, she told Ye Chen to be careful.

The flying blades became overwhelming and attacked Ye Chen at a terrifying speed, Ye Chen's body was completely covered in blades and he was unable to move.

"I will destroy your wind shield" ten thousand faces said to Ye Chen.

"hahahahaha" Ye Chen laughed when he heard what the ten thousand faces said.

"are you crazy" ten thousand faces said to Ye Chen.

ten thousand faces looked down on Ye Chen, she underestimated the power possessed by Ye Chen.

"I'm laughing at you" Ye Chen said to ten thousand faces.

"laughing at me?, what do you mean?" tens of thousands of faces did not understand what Ye Chen said.

"You are too arrogant with your strength, without you realizing that your strength is not that strong" Ye Chen snapped his fingers.

The blades around instantly shattered into pieces of dust.

"What ? ? ?" ten thousand faces showed shocked faces when they saw what Ye Chen was doing.

Ye Chen used the power of the wind to destroy the flying blades around.

ten thousand faces retreated slightly, he kept his distance from Ye Chen.

"That knife is made of tough material, it shouldn't be easy to break it." Ten thousand faces knew the might of his weapon, it shouldn't be indestructible.

"I have to use another weapon" ten thousand faces picked up a dark green knife, it seemed to be a knife with a dangerous poison.

"All I need is to defeat him, no matter how." Ten thousand faces didn't care about using dirty means, he wanted to beat Ye Chen in his own way.

"This time will be the last attack." Ten thousand faces said to Ye Chen, this attack can kill Ye Chen.

"last attack, what the hell are you saying" Ye Chen said to ten thousand faces.

"take this well" ten thousand faces said to Ye Chen.

ten thousand face throwing blades using all of her strength, this was enough to break through several great mountains easily and might even be able to cut straight through a star.

Ye Chen caught the attack from ten thousand faces using his bare hands, he managed to catch the attack from ten thousand faces using his bare hands.

"Impossible . . ." ten thousand shocked faces when she saw Ye Chen resist her throwing knife.

Ye Chen destroyed the green knife used by ten thousand faces, the poison was also destroyed by Ye Chen.

"it is a dangerous poison, it will be lethal when you touch it a bit" ten thousand faces said to Ye Chen.

"Is that so, I think this poison is very weak." Ye Chen completely destroyed the poison.

"You don't know what you are doing, you will experience pain in a moment" ten thousand faces said to Ye Chen.

"Arghhh . . . , No . . ." Ye Chen shouted, he held the hand he used to hold the knife.

"accept it, you get the punishment you deserve, prepare to die" ten thousand faces said to Ye Chen.

"hahahaha" a while later, Ye Chen laughed.

"what's wrong with you" ten thousand faces did not understand with Ye Chen, she really couldn't think about what Ye Chen was thinking.

"I'm just kidding with you, and you take it seriously, to be honest poison won't have any effect on me" Ye Chen said to ten thousand faces.

"What?" ten thousand faces put on an ugly face, she put on a super ugly face when she heard Ye Chen's words.

"He mocked me, this is unforgivable" ten thousand faces will not forgive Ye Chen, she really is already completely angry with Ye Chen.

"I will kill you, I will kill you . . ." ten thousand faces shouted at Ye Chen, she was going to kill Ye Chen.

ten thousand faces advanced, she revealed her true monster-like form with a hideous countenance.

It seemed that this was the true appearance of ten thousand faces, he was truly terrifying, it was akin to a ghost.

Somehow the bodies of ten thousand faces were covered in ghastly black things, just looking at it was disgusting.

"what is that?, that's so disgusting" Xun Zhilin couldn't bear to look at it, she felt like vomiting when she saw it.

"absolutely terrible . , your real appearance is much more terrible than when you imitate others" Ye Chen agreed with what Xun Zhilin said, he was really terrible.

"damn . . . , I'll kill you" the voice of ten thousand faces became ghastly, she had a ghastly voice and was filled with a ghastly killing intent.

Ye Chen was bold enough to make fun of the appearance of ten thousand faces, this of course infuriated ten thousand faces.

ten thousand faces started attacking Ye Chen, he attacked Ye Chen using her full strength and was super strong.

The power used by ten thousand faces was extremely powerful and was capable of destroying half a star easily.

"get out of this world" ten thousand faces said to Ye Chen.

Ye Chen stretched out his hand, he stopped the attack from ten thousand faces.

"huh?" tens of thousands of faces could only freeze when she saw Ye Chen restraining her strength.

"It seems that your strength is still lacking." Ye Chen said to ten thousand faces.

"Bamm. . ." Ye Chen hit ten thousand faces, he hit ten thousand faces using his hand

"arghhhh . ." ten thousand faces flew, Ye Chen's one punch shattered the body of ten thousand faces.

"Impossible . . ." ten thousand faces couldn't believe that she lost to Ye Chen.

"I will solve it" Lu Hanna got up, she wanted to solve the problem with ten thousand faces.

Lu Hanna ignored the injuries on her body, she wanted revenge for what ten thousand faces did.

"Your condition is not good, are you sure you want to do it ?" Ye Chen asked Lu Hanna.

"I'm fine, our conditions are the same now, so there won't be any more complaints." Their conditions were both bad, Lu Hanna was injured and ten thousand faces were also injured.

"So you want to fight me, what a fool, do you think you can win against me" ten thousand faces said to Lu Hanna.

"Why don't we start and see who win." Lu Hanna stretched out her hand forward, a black ball appeared in Lu Hanna's hand.

The power of the black ball in Lu Hanna's hand was extremely terrifying, Lu Hanna put in enough power to make this black ball.

"Let's end it in one fell swoop" Lu Hanna said to ten thousand faces.

"Okay, who's scared? . ." ten thousand faces also made a disgusting black ball, both of them equally poured the much power they had into this one strike.

Ye Chen watched from the side, he ensured that no one interfered in the battle that Lu Hanna and ten thousand faces fought.

"Is the empress going to be okay?" Xun Zhilin asked Ye Chen.

Chapter 2452 Lu Hanna Kill Ten Thousand Faces

"everything depends on her, I hope she wins" Ye Chen said to Xun Zhilin.

"Feel this . . ." the two of them approached and started to attack each other, the dark balls in their hands collided and made a huge and strong explosion.

Ye Chen protected Xun Zhilin and Dian Rouer, he made sure that the two of them weren't hurt.

They both compared strength and started pushing each other.

"I will not lose to you" ten thousand faces will not lose.

"Do you think I also want to lose to you, I don't want to lose" Lu Hanna is also the same, she used more strength to attack ten thousand faces.

"Boom. . ." a huge explosion occurred, two huge forces exploded and made a terrible destruction.

"empress?" Xun Zhilin screamed and called Lu Hanna's name.

"calm down" Ye Chen tried to calm Xun Zhilin down.

The smoke from the explosion soared high, this limited their visibility.

Little by little the smoke began to fade, a figure came into view.

Ye Chen, Xun Zhilin were curious about who would win in the battle, whether it was Lu Hanna or ten thousand faces, they were eager to know who won.

A few seconds later the figures became clearer, they saw Lu Hanna's figure standing up, meanwhile tens of thousands of faces were lying down with parts of their bodies badly crushed by the explosion.

"Damn it, I lost. . . , hahahaha" ten thousand faces lost, she was completely defeated by Lu Hanna.

"I'm repaying what you've done to my people, you deserve it" Lu Hanna said to ten thousand faces.

"all of this is still not over, even if you win now, the war will still flare up and you guys will have no chance of winning the battle" ten thousand faces said before leaving.

"I will definitely win and repay everyone, let that person pay for everything" Lu Hanna would do her best, she would make sure to win with all the means she had.

Lu Hanna fell down, she was really tired after her battle with Lu Hanna.

Ye Chen went and caught Lu Hanna, he caught and healed Lu Hanna with first aid.

"You are pushing yourself too much" Ye Chen said to Lu Hanna, she was pushing herself too much.

"please save her first" Xun Zhilin told Ye Chen to save Dian Rouer.

Ye Chen went and started saving Dian Rouer, he used everything he had to heal Dian Rouer.

"her condition is quite bad, her meridians are all destroyed, it will take a long time for her body to fully recover" Dian Rouer must have had a bad time, she was able to endure the torture inflicted by ten thousand faces and was still alive today.

If it was anyone else, they definitely wouldn't be able to stand it and had already given up, the extent of Dian Rouer's injuries was indeed terrifying.

"can she be cured?" Lu Hanna asked Ye Chen, she wanted to know if Dian Rouer could be cured.

"Of course you can, but it takes time. . ." Ye Chen said to Lu Hanna.

"I think you won't be able to take her in battle, she should get full treatment" Ye Chen said to Lu Hanna.

"Okay, as long as you can heal it." Lu Hanna understood, she would not involve Dian Rouer in the battle.

"she is lucky enough to be alive, I pity those who died" Ye Chen saw that many unlucky people died in the hands of ten thousand faces.

"I will make them pay for what happened" Lu Hanna will make sure Da Dolu pays for what happened.

"I hope you can do it" Ye Chen hopes Lu Hanna, Ye Chen will also help Lu Hanna in fighting Da Dolu.

Ye Chen took Lu Hanna and Dian Rouer with him, they left this place.

"Have you taken care of them" Ye Chen asked Xu Leiya.

"I'm done" Xu Leiya said that she was done, she was done taking care of everything.

"good job, let's go back and pull the troops back" Ye Chen gave the order, they pulled the troops back.

They retreated together with the captives, they were finally able to bring Lu Hanna and Dian Rouer back, while the rest had been properly buried by Ye Chen.

Ye Chen along with Lu Hanna started to speed things up, they had accumulated quite a bit of their existing strength.

There were only about 100,000 high-level cultivators willing to join, while most of them refused to interfere.

"We have very few troops" Lu Hanna was disappointed with the small number of troops, this kind of army would not be able to win against the enemy.

Plus Da Dolu has at least millions of troops ready to contain and destroy Lu Hanna's troops.

"What benefit do you think of numbers, numbers aren't everything" Ye Chen said to Lu Hanna.

"what do you mean" Lu Hanna asked Ye Chen, they obviously wouldn't be able to win against the enemy if the number of troops was only a few.

"We have enough strength to fight them, haven't you seen that there is someone who can throw the enemy into chaos so easily" Ye Chen looked at Xu Leiya.

"That's right, I can get them into a mess, my charm is enough" Xu Leiya said to Lu Hanna.

"You're so confident. . ." Lu Hanna didn't know where Xu Leiya's confidence had come from, but she was too confident.

"Aren't you a pure Succubus, why don't you attract them with your charm, you should have one" Xu Leiya said to Lu Hanna.

"Aren't you attractive so they won't obey" Xu Leiya said to Lu Hanna.

"What are you saying, I'm obviously attractive, do you think this woman is unattractive?" Lu Hanna glared at Xu Leiya.

Lu Hanna and Xu Leiya restarted their battle, they restarted the battle and started to clash.

"They really get along." Chu Yuechan saw that Lu Hanna and Xu Leiya got along.

"They are just like that, two beauties meeting is terrible indeed" Ye Chen said.

Ye Chen looked at Lu Hanna and Xu Leiya, they were continuously arguing and comparing each other.

The two of them continued arguing, after several long minutes, they finally stopped.

"You are strong too" Lu Hanna said to Xu Leiya, she really is a difficult opponent.

"You're not bad either." Xu Leiya also acknowledged Lu Hanna's strength and ability.

"Are you guys done fighting, you guys, when you are together you always fight" Ye Chen said to Xu Leiya and Lu Hanna.

Xu Leiya and Lu Hanna looked at Ye Chen, when Ye Chen came forward, they were finally willing to stop fighting.

"Sorry, I got carried away." Xu Leiya said that she was carried away.

"I'm sorry too" Lu Hanna also apologized, she got carried away too.

"let's start discussing our plan" Ye Chen said to Lu Hanna.

"first of all, I will send Leiya to infiltrate, she will hypnotize everyone and move according to her will, make sure no one is aware about it"

"After that the troops from Lu Hanna will enter and that's when we will attack from the rear and the front"

"We will attack them from two directions they would never expect." Ye Chen had already thought about it, he was thinking about what they should do.

"Your plan is excellent. . ." "They both agreed, Ye Chen's plan was very good, Da Dolu couldn't have realized Ye Chen's plan.

"let's start now, the sooner the better" Ye Chen started, the sooner the better.

"Understood. . ." they both nod.

Ye Chen went together with Xu Leiya, they infiltrated and started the plan in the early stages.

Chapter 2453 Looked Down On Lu Hanna's Army

"let's do it quickly" Ye Chen said to Xu Leiya.

"Um. ." Xu Leiya understood, she did as Ye Chen told her to.

Xu Leiya made enough mirrors, she made enough mirrors and started to make Da Dolu's loyal warriors her own.

With Xu Leiya's mirror of light, she could do it quickly and stealthily.

Ye Chen saw Xu Leiya's ability, he managed to do it, the first plan would probably be completed quickly.

"keep up your strength, we will finish soon" Ye Chen said to Xu Leiya, they will finish soon.

Xu Leiya hypnotized the warriors from Da Dolu, they all quickly submitted to Xu Leiya's orders.

"This is so tiring. . ." Xu Leiya was exhausted, using enchantments on multiple people was quite tiring, they had worked for 1 whole day and until now Xu Leiya had not rested and had almost run out of profound energy.

"Let's take a short break" Ye Chen said to Xu Leiya.

"Finally" Xu Leiya can finally rest, she wants to recover strength quickly.

"You have done a good job, I will give you a gift." Ye Chen said to Xu Leiya, he would give Xu Leiya a gift.

"What kind of gift are you going to give me?" Xu Leiya was excited, she wanted to know what Ye Chen would give her.

Ye Chen smiled when he saw Xu Leiya, it seemed that Xu Leiya was really looking forward to a gift from him.

"prepare yourself" Ye Chen said to Xu Leiya, he told Xu Leiya to prepare himself.

"Close your eyes" Ye Chen told Xu Leiya to close her eyes.

"what are you going to do to me ?" Xu Leiya asked Ye Chen.

"Just take my word for it" Ye Chen told Xu Leiya to take his word for it.

Xu Leiya closed her eyes, when Xu Leiya closed her eyes, she felt something touch her lips.

"This ?" Xu Leiya realized, she of course knew what touched her lips.

Ye Chen gave a kiss to Xu Leiya, he gave a kiss to Xu Leiya who had worked hard.

"Ummmm. ., Chu . . ." Xu Leiya looked excited, she was excited when she received a kiss from Ye Chen.

Ye Chen's hand began to move, he massaged Xu Leiya and made him as comfortable as possible.

"uuuumm, so comfortable" Xu Leiya liked this, she really liked what Ye Chen did.

"how, is it convenient, it will quickly recover the strength you have" Ye Chen said to Xu Leiya.

"Very comfortable, very comfortable" Xu Leiya felt relaxed, she really felt that her body had become very light, the massage and stimulation that Ye Chen did made her feel healthy again.

Ye Chen's hand skillfully began to massage Xu Leiya, he relieved the fatigue in Xu Leiya's body, this made Xu Leiya very comfortable.

Ye Chen continued to help Xu Leiya, he made sure that Xu Leiya was as comfortable as possible.

"ahhh . .," Xu Leiya's scream resounded, she was really enjoying the whole thing.

"very good, I like it" Xu Leiya said to Ye Chen, she likes this.

"rest for a bit, we'll continue in a bit" Ye Chen said to Xu Leiya.

"um, thank you very much, I like this" Xu Leiya thanked Ye Chen, she liked what Ye Chen did.

30 minutes later, they finally finished, they finally started to return and made half the troops from Da Dolu into their army.

"We are done, now is the time to attack" Ye Chen messaged Lu Hanna, it was time to attack.

"let's go to our position" Ye Chen said to Xu Leiya, let's go to their position.

If the timing was right, Lu Hanna's army would arrive in about 1 day, within this time, Ye Chen decided to get rid of the traps and obstacles without anyone noticing.

Ye Chen had opened a path for Lu Hanna, he should be able to win because Ye Chen had helped her quite a lot.

"all preparations are done, time for the real event" Xu Leiya said to Ye Chen.

"we'll start" Ye Chen said to Xu Leiya.

They waited, soon everything would be started by Lu Hanna.

With a hundred thousand troops, they broke through the territory from Da Dolu.

"Clang . . ." a warning sounded, all troops immediately went and confronted Xu Leiya.

"They are brave enough to attack first." Da Dolu sat on his chair, he observed the battle from a distance.

"Master, the enemy only has 100,000 cultivators, we can destroy them quickly," the military adviser told Da Dolu.

"it's only 100,000, play them and make them miserable" Da Dolu said to the military adviser.

"Understood" with Da Dolu's order, all the cultivators under his command immediately confronted Lu Hanna's army, and they set up an absolute defense that Lu Hanna would not be able to pass through.

"Let's enjoy an interesting show" Da Dolu can't wait to enjoy the show, he can't wait to enjoy the show that will happen next.

Da Dolu is too confident, he believes in the abilities of his troops, he believes that they will not lose.

Da Dolu didn't know the plan that Ye Chen and Lu Hanna had, if they knew they were going to vomit blood, they would soon know what happened.

"don't advance too far, stay behind and force them to get out" Lu Hanna gave the order, she gave the order to keep her distance and not advance too far.

"What are the enemy troops planning, why aren't they willing to advance?" The military adviser looked at the movements of Lu Hanna's troops.

"Their numbers are few, they wouldn't be stupid to rush forward and attack with full force" Da Dolu said to the Military Advisor, he knew what Lu Hanna was thinking.

"King is really great, long live the king" the elders around praised Da Dolu, they praised Da Dolu for his intelligence, Da Dolu was very clever in analyzing what happened.

"Is it time to move?" Xu Leiya asked Ye Chen.

"Wait a moment" hold on a moment, let them out, Lu Hanna is luring them out of the safe zone, when they come out, we will start" Ye Chen said to Xu Leiya.

"Okay, I understand" Xu Leiya understood, she would immediately move once Lu Hanna managed to pull the enemy forward.

"attack and rag them to bits" the general in the field immediately gave an order, he gave an order to go straight and destroy Lu Hanna's army.

Lu Hanna's troops were few in number, they could easily destroy Lu Hanna's army.

Half the troops advanced, they left the Comfort Zone and started to attack the troops from Lu Hanna.

"retreat" Lu Hanna's troops retreated, they continued to retreat under the pressure of the enemy troops.

The enemy feels the upper hand, this battle they can definitely win quickly.

"hahahaha" Da Dolu and all the elders laughed when they saw the overwhelmed Lu Hanna facing their troops.

"they will not be able to win in battle, we will be the victors"

"Just finish them quickly, I can't bear to look at them" they began to mock Lu Hanna's strength.

"Boom. . ." as they laughed at the enemy, they saw an explosion from behind.

After this explosion ended, everyone immediately looked at the troops in the rear, when they looked behind them, they fell silent.

"what happened ?" Da Dolu immediately got up from the chair, he was really shocked by what was happening on the battlefield.

Chapter 2454 Change Of Direction In The War

"What really happened ?" The generals belonging to Da Dolu looked confused, how could the troops behind attack them, this was unreasonable.

"Stupid, what are you guys doing ?" the supreme general was angry, he was angry when he saw his stupid army.

"Shut up . ." Xu Leiya appeared, she immediately blocked the enemy general with a mirror of light, now the enemy would not be able to fight back because their main brain had been locked up by Xu Leiya.

"what happened, why are they attacking us" The troops in front looked confused, they didn't know what was happening in the rear.

"continue to attack them" Ye Chen gave the order.

"attack. . ." with the order given by Ye Chen, those under the control of Xu Leiya immediately attacked and the front troops.

"attack, this is our chance" Xu Leiya took advantage of this opportunity to attack, the front troops were flanked by the rear and front, they would not be able to escape anymore.

"What happened there ?" Da Dolu was very angry, he wanted to know what happened there.

"quickly send a messenger over there" the elders and military advisors were the ones who panicked the most, they immediately sent messengers to the battlefield.

Whereas before they could laugh as they watched Lu Hanna's defeat, now the tide had turned and they looked utterly panicked.

"Our plan worked. . ." Xu Leiya saw that the remaining enemy troops were almost completely defeated, they would soon be completely defeated.

"You work well together, we will soon win" With good and neat cooperation, they defeated half the army from Da Dolu.

several hours later the battle was finally won by Ye Chen and Lu Hanna.

"we did it" Lu Hanna said to Ye Chen, she and Ye Chen finally managed to win.

"Our plan worked, now we only need to attack Da Dolu" Ye Chen said to Lu Hanna.

"Everyone assemble" Lu Hanna gave the order, she gave the order for everyone to gather immediately.

they all gathered, they headed towards the palace from Da Dolu.

Da Dolu was completely frightened, they were completely frightened when they saw Lu Hanna's army, Lu Hanna's army was enough to destroy them all.

"How could this happen. . ." those in the palace couldn't believe it, how could they lose, this should be their victory.

"shut up . ." Da Dolu screamed, he shouted loudly and full of strength.

everyone immediately fell silent when they saw this, none of them dared to fight back.

"gather all our best fighters, we will fight them all with all our strength, whoever retreats then they must die" Da Dolu gave the order, those who do not want to fight will be executed,

"understand. . ." They all immediately left and prepared themselves, Da Dolu had already issued the order, they had no choice but to fight to the end of their lives.

"I won't let you win" Da Dolu won't let Lu Hanna win, he won't lose to a woman.

The army of Lu Hanna quickly arrived near the palace of Da Dolu, they finally arrived easily and without a hitch.

"We have finally arrived, this is the last battle we have, after this we will win" Lu Hanna said with a fiery speech, she told everyone that they would be the victors.

"Roars . . ." a very loud scream occurred, this loud scream resounded and showed everyone present that they were ready to win.

"Don't be afraid, we will win." Ye Chen also helped raise the morale of the troops. With this, the morale of the troops became very high, they were no longer afraid and were ready to win.

"do you think I will let you win" Da Dolu showed himself, he showed himself in front of everyone.

Behind Da Dolu were countless people, behind him were countless people with high cultivation levels.

they are the elders and higher-ups that belong to Da Dolu, they are the top-level cultivators in the God Realm.

"So you gathered top-level power" Lu Hanna said to Da Dolu.

"of course, this time I will destroy everything" Da Dolu said to Lu Hanna.

Da Dolu and his army began to give off a terrifying aura, they gave off an extremely terrifying aura.

"What's that . . ?" everyone felt pressured, they backed away when they saw the aura emitting from the bodies of Da Dolu and the elder behind him.

Da Dolu was like a terrifying and powerful monster, those with low cultivation could no longer even breathe.

Seeing that the situation was getting worse, Ye Chen finally came forward, he stepped forward and displayed the strength that he had.

"trying to frighten us with such power . . ., very stupid . . ." Ye Chen released his own power, he suppressed the power released by Da Dolu.

"cough . . ." Da Dolu and all the elders were forced back by Ye Chen, they were forced back by the power that belonged to Ye Chen.

"impossible" Da Dolu and all the elders coughed up blood, the attack from Ye Chen had overwhelmed them all.

"want to bully, try to do it again in front of me" Ye Chen said to Da Dolu.

"Who are you, I have never seen you?" Da Dolu asked Ye Chen, he had never seen Ye Chen.

"I am one of Lu Hanna's people" Ye Chen said to Da Dolu.

"Are you kidding me, with your strength, you are not worthy of that woman" Da Dolu said to Ye Chen.

"Then?" Ye Chen asked Da Dolu.

"work for me, I will give you better things" Da Dolu said to Ye Chen.

"do not do it . ." Lu Hanna said to Ye Chen, she was worried that Ye Chen would be influenced by Da Dolu, this man always used resources to attract others.

"Did you think I would be interested in that kind of thing ?" Ye Chen said to Da Dolu.

"then what do you want ?" Da Dolu asked Ye Chen, he wanted to know what Ye Chen wanted.

"I want you to die . ." Ye Chen said to Da Dolu.

Da Dolu's face darkened when he heard what Ye Chen said.

"Damn it, how dare you . . ." Da Dolu looked furious, he couldn't accept Ye Chen's words.

"we are fated enemies, let's finish this quickly" Ye Chen said to Da Dolu.

"You are absolutely right, we are indeed fated enemies, let's solve this matter quickly" Da Dolu agreed, the sooner this matter was resolved, then it would be a good thing.

Da Dolu began to take off all the armor on his body, he took off the armor on his body and part of his body was naked.

"what does this person want" Ye Chen saw what Da Dolu was trying to do.

"bad . . . , he will. . ." Lu Hanna said to Ye Chen.

"what is he going to do ?" Ye Chen asked Lu Hanna.

"It is a star-devouring technique, only Da Dolu can use it" Lu Hanna said to Ye Chen.

"Star Eater? ? ?" Ye Chen looked at Da Dolu.

"This is a darkness technique that will consume everything around, prepare to be my meal" Da Dolu said to Ye Chen.

Da Dolu explained to Ye Chen, he told him what he could do.

"what will happen if we are devoured by it ?" Ye Chen asked Lu Hanna.

"You will probably become a part of his strength" Lu Hanna said to Ye Chen.

Chapter 2455 Da Dolu Is Cornered

"is it like that . . ." Ye Chen understood how the power of Da Dolu worked.

"The power of Da Dolu can absorb everything, even weapons and armor can be absorbed by it" Lu Hanna told Ye Chen.

Lu Hanna told Ye Chen to be more careful, Da Dolu's strength might be a problem.

"Boom. . ."darkness began to leak from Da Dolu's body, it was leaking and consuming everything around.

"Everyone retreat quickly" Lu Hanna gave the order, she gave the order to retreat.

"useless" Da Dolu started to widen his attack, the darkness quickly spread and started to engulf everything around.

The darkness devoured everything, the ground and objects around started to be swallowed up rapidly.

"attack . ." they try to attack, despite trying to attack.

All attacks were easily absorbed, it was like a monster sucking up anything in its path.

"Arghhh . . ." several people started to be sucked in, they couldn't run away and were swallowed up by the darkness.

Seeing this, everyone immediately backed away, they immediately retreated to avoid the dark devourers.

It continued to spread rapidly, Da Dolu was invincible when using the technique.

Nothing can stop it now.

"Yuechan what do you think ?" Ye Chen asked Chu Yuechan.

"I'm sure that he won't be able to maintain it for long" Chu Yuechan said to Ye Chen, she told Ye Chen that Da Dolu wouldn't be able to last long because the profound energy in his body was quickly depleted.

"I noticed that his profound energy is rapidly decreasing, his technique may be powerful, but it requires quite a lot of profound energy.

Ye Chen now knows his weakness, it seems he knows what he should do.

Ye Chen drew closer, he was the only person who dared to approach Da Dolu.

"What is he doing . ." everyone was shocked when they saw what Ye Chen was doing.

Even Lu Hanna who was close to Ye Chen was shocked when she saw what Ye Chen was doing.

"what he does, he will probably die if he does that" Lu Hanna said to Ye Chen, Ye Chen will die if he does something crazy and unreasonable.

"stop, what are you doing. ." Lu Hanna tried to stop Ye Chen, she tried to stop Ye Chen from doing crazy things.

"wait a minute" Xu Leiya said to Lu Hanna.

"what's wrong?, why are you stopping me ?" Lu Hanna asked Xu Leiya.

"You can't go there, if you go, it will be dangerous for you." Xu Leiya said to Lu Hanna, she told Lu Hanna to stay in this place.

Xu Leiya knew that Lu Hanna wouldn't be able to survive, that's why she stopped Lu Hanna.

Lu Hanna had no other choice, she could only watch Ye Chen from afar.

Xu Leiya and Lu Hanna were both worried about Ye Chen's condition, both of them prayed for the best for Ye Chen.

Da Dolu saw Ye Chen approaching him, this was quite surprising when he saw Ye Chen approaching.

"are you stupid ?" Da Dolu said to Ye Chen, he said that Ye Chen was stupid.

"do you think I am an idiot" Ye Chen said to Da Dolu.

Ye Chen went inside, when Ye Chen entered into the darkness mist started to touch and started to eat Ye Chen.

"You won't be able to survive" Da Dolu said to Ye Chen, he told Ye Chen that he wouldn't be able to get out.

Ye Chen was still very calm even though he knew that he would not be able to go and escape from this place.

"Get ready, this is the end for you" Da Dolu said to Ye Chen, he told Ye Chen that this was the end.

"You are too confident when fighting me, don't you know that I am not an easy opponent to lose to you" Ye Chen waved his arm, while Ye Chen waved his arm.

Ye Chen swept through the darkness that was trying to devour him.

"Huh??" Da Dolu was of course surprised when he saw what Ye Chen was doing

"No way, how did you do it?" Da Dolu couldn't believe what he saw, how did Ye Chen do it.

"That's easy, your strength won't work on me" Ye Chen said to Da Dolu.

Ye Chen emphasized what happened, he told Da Dolu that his strength would not work against Ye Chen.

"huh?, did you say my strength won't work, are you kidding me" Da Dolu didn't believe what Ye Chen said, to be honest he didn't believe what Ye Chen said.

Da Dolu attacked Ye Chen again, he again carried out an attack towards Ye Chen, this time he used more power to devour Ye Chen.

Ye Chen shook off the darkness that was trying to devour him.

"Why, why doesn't it work. ." Da Dolu was very angry, he was angry when he saw that his power could not touch and eat Ye Chen.

"Take this . ." Da Dolu attacked Ye Chen blindly and madly, he did a crazy attack towards Ye Chen.

All the attacks landed on Ye Chen's body, but Ye Chen was not injured by the attack, this of course made Da Dolu even crazier, he became even crazier when he saw Ye Chen who was still holding on like that.

"Damn it. ." Da Dolu couldn't take it anymore, he attacked Ye Chen using his full strength, he used all his abilities to destroy Ye Chen.

"Good, come closer, I will let you feel my power." Ye Chen was about to let Da Dolu feel the power of his own.

"take this" Ye Chen issued a strike of his own, he used a punch to hit Da Dolu's body.

Ye Chen's attack was too fast, Da Dolu's eyes were unable to see Ye Chen's attack.

"This is a lie, I can't see his attack" Da Dolu can't see Ye Chen's attack, Ye Chen is too fast for Da Dolu.

Ye Chen didn't stop, he again attacked Da Dolu using several attacks.

Ye Chen was still holding back his strength, he still hadn't used all of his strength and abilities.

"Cough. ." Da Dolu coughed, he was completely overwhelmed against Ye Chen.

"Impossible . . ., I lose, this can't happen." Da Dolu couldn't believe that he lost to Ye Chen, this was absolutely impossible, he didn't accept defeat.

"how, have you given up?" Ye Chen said to Da Dolu.

"Do you think I will give up" Da Dolu said to Ye Chen, he would not give up fighting Ye Chen.

"You have no choice, either you choose to surrender or die in this place" Ye Chen said to Da Dolu.

"hahahaha, I would rather die than surrender" Da Dolu had such high self-esteem, he would not give up fighting Ye Chen.

Da Dolu took out something, he took out a sword with a dark aura.

This sword was filled with a dark and terrifying aura, it was clearly a deadly and terrifying aura.

"What's that?" Lu Hanna saw it for the first time, she had never seen the sword in Da Dolu's hand.

"terrible aura" Xu Leiya could feel the horrible aura, she felt uncomfortable with the aura.

"This is the time to try it, I will show you my true strength" Da Dolu said to Ye Chen, he told Ye Chen that he would show the strength he had.

Chapter 2456 Demon God Sword

"master, you better be careful" Chu Yuechan said to Ye Chen, she told Ye Chen to be careful.

"That weapon is terrible, if he intends to use it, it means that the weapon is strong." Da Dolu said that he would beat Ye Chen with that sword, meaning that the sword was very strong and added to Da Dolu's power.

Da Dolu took out a sword from its scabbard, immediately the sky became very dark, the sky became dark and overcast, even the area around was covered with darkness.

"this is it, this is the power of this sword" Da Dolu laughed, he was really pleased with the power of the sword in his hand.

The blade seemed to be alive, from the hilt emerged a hideous flesh.

The meat quickly rose to the hand of Da Dolu, the hand of Da Dolu quickly merged with the sword.

An enormous power seeped out from Da Dolu's body, this strength was truly extremely powerful and extremely terrifying.

"what a terrifying power" the people retreated they didn't dare to advance because of the power radiated by Da Dolu.

"That's great, what strength!" Da Dolu was excited, his strength was rapidly increasing.

In just a short time, Da Dolu had already reached a new level, he had reached an even higher level and become a powerful and terrifying existence.

"You look at me" Da Dolu said to Ye Chen, he told Ye Chen to look at him.

"yes I saw it, you have terrible strength" Ye Chen said to Da Dolu.

"Look at this sword, this is the demon god sword that I managed to find, it is beyond my expectations, its power is truly terrifying," said Da Dolu.

The power of this sword was beyond Da Dolu's expectations. He didn't expect that the sword's power would be so powerful and so terrifying.

Da Dolu swung his sword, as he swung his sword, a purple dragon rushed out of the sword and instantly destroyed everything above the sky.

The nearest star was instantly split into two pieces by the slash of the demon god sword.

people looked desperate, they were scared when they saw the might of Da Dolu's weapon.

"Take a good look at my strength" Da Dolu said to everyone, he showed a terrible power to everyone in this place.

Everyone in this place fell silent when they heard Da Dolu's words.

"long live the king" the Da Dolu army shouted, they now have the upper hand the power of the Da Dolu has changed the course of the battle.

"Those of you who want to live surrender right now, otherwise I will destroy you all" Da Dolu said to the troops of Lu Hanna, those who disobey will get wrath.

There were countless people who gave up and immediately put down their weapons. They gave up and didn't dare to fight anymore.

"You guys" Lu Hanna looked at the troops she brought, she saw that there were so many people who had surrendered and no longer had the will to fight Da Dolu.

"There's no point in us fighting, we will die if we fight." After seeing Da Dolu's strength, they felt that they had no chance of winning.

"How can you be like that, where is your pride as a man" Lu Hanna said in an annoyed tone.

"what's the use of pride if we die, it's no use, we give up" they said that they gave up.

"Very good, you guys made the right decision, you deserve to be praised." Da Dolu was happy when he saw this, Lu Hanna's army has now surrendered, now it only remains to clean up Ye Chen and Lu Hanna.

"Are you giving up too" Da Dolu said to Ye Chen.

"Give up, there is no surrender for me" Ye Chen said to Da Dolu, he told Da Dolu that he would not give up.

"Then I can only kill you here, prepare yourself" Da Dolu said to Ye Chen.

Chapter 2457 Defeated Da Dolu

The life force possessed by Da Dolu was quickly absorbed, it was rapidly absorbed and his life became even shorter.

"Boom . . ." A huge explosion of power came out of Da Dolu's body, This explosion was extremely powerful and the radiance was terrifying.

"this is it, this is power" Da Dolu was very happy with this power, he was really proud of the strength he had.

The power possessed by Da Dolu is very strong, he has very terrible power, the sword gives him great and terrible strength.

"Let's finish this." Da Dolu gains his confidence again, he gains his confidence again and again.

Ye Chen and Da Dolu drew closer, the two of them facing each other.

"Taste this" Ye Chen and Da Dolu simultaneously drew their swords, the two powerful slashes met and made an enormous impact.

"ahhh . ." the people were forced to retreat, all of them were forced to retreat when it received a strong gust.

The two were comparing strength, they didn't want to give up and showed the full strength they had.

Ye Chen pushed Da Dolu, he pushed Da Dolu swiftly backwards.

Da Dolu mustered all of his abilities, he wanted to win against Ye Chen.

"crack" Da Dolu's sword is getting more and more terrible, it is getting more and more terrible.

"Clanks . . ." finally Da Dolu's sword split into two pieces.

"Gahh . ." Da Dolu was seriously injured by Ye Chen's attack, he was unable to withstand Ye Chen's attack.

Ye Chen easily slashed the body from Da Dolu, blood spurted out from Da Dolu's body.

"this is the end" Ye Chen said to Da Dolu, this is the end of Da Dolu.

"Damn it. . ." Da Dolu cursed Ye Chen, how could he lose to Ye Chen, this was a result that Da Dolu and everyone around this place could not imagine.

"You did it" Lu Hanna and Xu Leiya drew closer towards Ye Chen, they drew closer towards Ye Chen and congratulated Ye Chen.

"I did it" Ye Chen hugged Lu Hanna and Xu Leiya, he took the opportunity to hug Lu Hanna and Xu Leiya.

Lu Hanna and Xu Leiya didn't resist, the two drew closer and tightly clung to Ye Chen's body.

The three of them didn't realize that they were currently still in battle, how could they be so relaxed when they were on the battlefield.

"boom . ." the battle continues, those who do not want to give up keep on attacking.

"We still have battles to fight" Lu Hanna said to Ye Chen, she told them that they still had battles to finish.

"You are absolutely right, let's end the war" Ye Chen agreed with what Lu Hanna said.

"let's go" Xu Leiya helped, she decided to help Ye Chen and Lu Hanna.

With the combined strength of Ye Chen, Xu Leiya and Lu Hanna, they were finally able to overcome the current situation.

Ye Chen now had the upper hand, he defeated everyone easily and started occupying the territory owned by Da Dolu.

Lu Hanna killed Da Dolu, she avenged everyone who died at the hands of Da Dolu.

Da Dolu had done such a cruel thing, that's why the appropriate punishment for him was death.

"Finally, I can avenge you." Lu Hanna felt very light, she felt that all the weight that had been on her body had been lifted.

Now she can freely do whatever she wants.

After Lu Hanna finished taking over the territory from Da Dolu, she made some new arrangements, now that the evil will be suppressed, there are some new rules that they must obey.

Meanwhile the losers were turned into slaves, preventing them from carrying out the usual coups or counterattacks at any time.

"everything was handled very well" Lu Hanna was happy because everything was handled properly and correctly.

Now that this whole place belonged to her, he could do whatever she wanted.

"It seems that your work is not finished" Ye Chen appeared, he said to Lu Hanna.

"I know that, it seems like there are still a lot of people who are against me. . ., this is a difficult problem, plus those thugs don't want me to rule and interfere with their work" Lu Hanna knew what Ye Chen meant.

"just finish them quickly" Ye Chen said to Lu Hanna, he told Lu Hanna to finish them quickly.

"Understood, I will solve it quickly." Lu Hanna understood, with her current strength, she could easily overcome this problem.

"if you need help, just tell me" Ye Chen said to Lu Hanna, if Lu Hanna needed help then Ye Chen would be happy to help Lu Hanna.

"I haven't even thanked you yet" Lu Hanna said that she hadn't thanked Ye Chen yet.

Lu Hanna stood up and stepped towards Ye Chen, she approached Ye Chen and started teasing Ye Chen with her technique.

With her body and beauty, she can easily seduce the opposite sex.

"what do you want to do ?" Ye Chen said to Lu Hanna.

"what do you think I will do, don't you want to do something with me" Lu Hanan said to Ye Chen.

Lu Hanna teased Ye Chen using soft fingers, Lu Hanna was too good at teasing Ye Chen.

"skills are getting better, what exactly is going on" Lu Hanna's skills are very good, she has good skills in teasing Ye Chen.

"fufufufu" Lu Hanna smiled at Ye Chen, she smiled when she saw Ye Chen who was enjoying her technique.

"hufttt . . ." Lu Hanna blew Ye Chen's ear, she seduced Ye Chen and became a very strong seductress, it was not easy to face Lu Hanna's strong temptation.

"You want to mess with me" Ye Chen said to Lu Hanna.

"Of course, it's fun to tease you, I haven't done it for a long time." Lu Hanna said to Ye Chen, she had not teased Ye Chen for a long time.

"You are still not deterred after what happened back then" Ye Chen said to Lu Hanna.

Lu Hanna still didn't give up after what happened, she still wanted to tease Ye Chen after Ye Chen taught her a lesson.

"it's different, this time I won't lose again, get ready" Lu Hanna said to Ye Chen.

Lu Hanna's eyes lit up, she used her full power to enchant Ye Chen's soul.

Lu Hanna's enchantment became strong, she used it to confuse Ye Chen.

Ye Chen looked at Lu Hanna, Lu Hanna was becoming more and more beautiful only.

Ye Chen stretched out his hand towards Lu Hanna, he pulled on Lu Hanna's waist.

Lu Hanna smiled when she saw what Ye Chen was doing.

"OHHH. .." Lu Hanna let out a seductive voice, she let out a very seductive voice, her voice was very beautiful and stimulated Ye Chen's body.

"You are indeed a natural seductress" Ye Chen said to Lu Hanna.

"Of course, I'm a natural flirt" Lu Hanna admitted that she was a natural flirt.

Lu Hanna kissed Ye Chen, she enjoyed Ye Chen's lips.

"So delicious" Lu Hanna seemed to enjoy this, she enjoyed kissing Ye Chen.

Ye Chen was Lu Hanna's favorite, it wasn't strange that she loved being with Ye Chen.

Ye Chen didn't want to be outdone, he reached out his hand and directly touched the peak of Lu Hanna's soaring quite high.

Chapter 2458 Ye Chen & Lu Hanna

"oh, so comfortable" Lu Hanna was really happy, she was happy when she received Ye Chen's touch, the feeling of Ye Chen's touch was too comfortable.

"very good, your body is very good" Ye Chen could feel the body of Lu Hanna, her body was very good and comfortable to touch.

"ahhh, no, I can't stand it" Lu Hanna said to Ye Chen, she really couldn't stand the touch by Ye Chen.

"You are such a naughty woman, your voice is too seductive" Ye Chen said to Lu Hanna.

"It's because of you, you're too good, I can't take it anymore" Lu Hanna said to Ye Chen, she was already fully aroused by Ye Chen.

Lu Hanna went limp on Ye Chen's body, she was so limp when she was with Ye Chen, this feeling was really very delicious.

"do it harder, I don't like soft men" Lu Hanna said to Ye Chen, she told him that she didn't like soft men.

"So you have a hobby of being treated roughly, geez. ." Ye Chen started to pat Lu Hanna.

"Ahhh. . ." Lu Hanna couldn't stand it, she couldn't stand it when her butt was slapped by Ye Chen.

"This is great, treat me even harder." Lu Hanna said to Ye Chen, he treated her well.

Ye Chen smiled, he smiled at Lu Hanna, he was treating Lu Hanna well.

Ye Chen started to treat Lu Hanna roughly, he treated them quite roughly.

Lu Hanna enjoyed it well, she asked Ye Chen to do more and more.

Lu Hanna started to take off her clothes, she took off all her clothes quickly.

"My body is so hot" Lu Hanna couldn't stand it anymore, she undressed and revealed her beautiful and sexy body.

Ye Chen looked at Lu Hanna, he became excited when he saw Lu Hanna's beautiful and sexy body.

"How about it, do you like it" Lu Hanna smiled and showed a very seductive expression, she clearly lured Ye Chen in her own way.

"You are too confident in your strength, are you ready to lose" Ye Chen said to Lu Hanna.

"Do you think it's easy to defeat me" Lu Hanna said to Ye Chen, it's not easy to defeat her right now.

"I see, then let's try" Ye Chen said to Lu Hanna.

Ye Chen likes challenges, he wanted to experience Lu Hanna's strength firsthand.

"Then I will be completely serious, don't lose quickly" Lu Hanna said to Ye Chen, Lu Hanna will be even more serious, she will show the power of the pure Succubus Race.

The original Succubus has the power of captivating one's soul, this is their special ability that is able to render the opposite sex helpless when in close contact, that's why if they approach someone, then that person will be captivated easily and will not be able to escape.

In addition they have the power to suck a man's Yang Qi quickly, this is an innate ability as well that can still be improved with techniques.

And again their on-bed abilities were truly the best, they were natural seducers that could eat a person without spitting out a bone.

Ye Chen might have already faced off against those similar to Succubus in terms of appearance and style, but to fight the real thing head-on was a first.

"You look excited, be careful, they are strong" Chu Yuechan gave a piece of advice to Ye Chen, Ye Chen should not underestimate Lu Hanna, because the Succubus had a stronger endurance than the most experienced woman Ye Chen had.

"You mean she is stronger than Chi Shui and Sun Xuanyin" Ye Chen said to Chu Yuechan.

"Of course. . ." Chu Yuechan nodded, she was sure that Lu Hanna would be that strong, she had the body of a powerful Succubus queen, a difficult enemy for even experienced men to fight.

"I so want to see it" Ye Chen said that he wanted to see it, he wanted to see firsthand the power possessed by Lu Hanna.

What is Lu Hanna's true strength, he wanted to know.

Lu Hanna helped to take off Ye Chen's clothes, she touched Ye Chen and a comfortable feeling was felt by Ye Chen.

A pleasant feeling spread through Ye Chen's body, this was very comfortable for Ye Chen.

Lu Hanna's movements became more and more skillful, she showed her strength and made Ye Chen as comfortable as possible with her.

"What nice muscles" Lu Hanna loved touching Ye Chen, she loved touching Ye Chen who had very nice muscles, Ye Chen's muscles made Lu Hanna excited.

The teasing done by Lu Hanna became even more aggressive, she attacked Ye Chen aggressively and made Ye Chen very comfortable, Ye Chen was too comfortable with what Lu Hanna was doing.

Ye Chen enjoyed the service performed by Lu Hanna, she did it very well.

Lu Hanna did not stop here, she used her tongue to tease Ye Chen, Lu Hanna's saliva had the effect of making the other party's body comfortable.

"oh, this is very good" Ye Chen recognized the power and ability possessed by Lu Hanna, she has a very good ability.

Lu Hanna enjoyed every second of expression shown by Ye Chen, she really enjoyed the time when looking at the excited Ye Chen.

Lu Hanna was starting to get impatient, she wanted to have a fight with Ye Chen right away.

"It seems like it's pretty hard down here" Lu Hanna started to go down, she used soft tiny fingers to caress the lower body.

"Ohhh. ." Ye Chen was excited, Lu Hanna's touch made his body even more excited.

He became more and more excited only, and his younger brother became more energetic.

"This is so big, I want to see it for myself" Lu Hanna wanted to see Ye Chen's strength, what was in her hand looked very strong and very big.

"May I see it" Lu Hanna asked Ye Chen, she said in a voice filled with ecstasy.

"You really are a natural seductress, you don't need to ask me" Ye Chen said to Lu Hanna.

Ye Chen told Lu Hanna, he told Lu Hanna no longer needed to ask about that matter.

"Fufufufu, then I won't hesitate to do it" Lu Hanna wouldn't hesitate anymore.

Lu Hanna took out Ye Chen's artifact, as Lu Hanna did so, she could see a very long and large object.

"Huh, this must be a joke." Lu Hanna was of course surprised, she made a surprised face when she saw the power of the artifact in front of her.

Lu Hanna's expression was the same as all the women who had seen Ye Chen's, they were all clearly shocked when they saw Ye Chen had such a powerful capital.

"Geez, this is really something, can a woman survive this kind of thing" Lu Hanna didn't understand, could any woman survive against the huge monster in front of her.

It would definitely be a very difficult thing, even Lu Hanna might not have 100% confidence to do so.

Ye Chen looked very proud when he heard this, he was very proud of what he had.

"Is this for real ?" Lu Hanna still couldn't believe it, she thought that this was an illusion.

"Are you kidding me, it can't be an illusion, it's real" Ye Chen said that it was real.

"Even so, this is too absurd, you really don't make sense" Lu Hanna said to Ye Chen.

"I am indeed unreasonable" Ye Chen admitted that he was unreasonable.

He knew that he was unreasonable because he had great things down below.

"I can't wait to see the strength of the little guy, will it be as strong as it looks" Lu Hanna couldn't wait to see Ye Chen's strength, will it be as great as it looks.

"Don't come begging to me" Ye Chen said to Lu Hanna.

"Let's see if you'll beg me, I can suck you dry" Lu Hanna told Ye Chen, she wasn't messing around with what she said.

"Hahahaha, very interesting, I want to see it" Ye Chen said to Lu Hanna.

"Fufufufu" Lu Hanna started right away, she touched and started feeling Ye Chen's big thing, she used her hands to make Ye Chen excited.

Lu Hanna's touch was very good, Ye Chen started to become tense when touched by Lu Hanna.

Here it can be seen that, Lu Hanna has an advantage, she has a terrible advantage.

Her technique was very good and made a threat to Ye Chen, Ye Chen might have trouble when facing Lu Hanna.

"You don't need to hold back" Lu Hanna said to Ye Chen, she told Ye Chen not to hold back.

Lu Hanna's voice was full of evil whispers, it was to make Ye Chen lose in quick time.

"I can't show my weakness" Ye Chen wouldn't lose to Lu Hanna, he couldn't lose to Lu Hanna.

He had the pride not to lose.

Ye Chen showed a great spirit, he showed a strong defensive spirit.

Lu Hanna used hands for a while, knowing Ye Chen wouldn't fall this way, she used mouth and tongue.

"Chuuu. . ., this is good, I'll be satisfied" Lu Hanna said that she was satisfied with what she got.

Lu Hanna's tongue skills are indeed the best, she has excellent skills, her skills are indeed the best of all.

I don't know what it is, but it feels very comfortable, this kind of feeling has never been felt by Ye Chen.

"Chu Yuechan is right, she is a strong opponent" Ye Chen recognized the ability possessed by Lu Hanna.

He really underestimated the innate ability possessed by Lu Hanna too much.

Lu Hanna was already provoked by Ye Chen, she wouldn't stop before she sucked Ye Chen dry.

"I will make sure that everything is empty" Lu Hanna will make sure that she will empty Ye Chen body.

Lu Hanna wanted to perforate Ye Chen's body, she used her full ability to get Yang Qi from Ye Chen.

Chapter 2459 Incidence In The Northern Region

Ye Chen tried to defend against Lu Hanna's attack, he couldn't let fall in front of Lu Hanna.

"Not good, you're too strong" Lu Hanna realized that Ye Chen was too strong, she wouldn't be able to make Ye Chen comfortable if it was like this.

"Alright, then let's start straight to the core event" Lu Hanna said to Ye Chen, she couldn't wait to do it with Ye Chen.

"Let's do it. ." Ye Chen understood, he held Lu Hanna's body.

"Then I'll take the lead, do you mind ?" Lu Hanna said to Ye Chen.

"Of course, I don't mind" Ye Chen said that he didn't mind, he even wanted to see the strength possessed by Lu Hanna.

"Alright, then let's start" Lu Hanna started right away, she was already quite excited and ready to do it with Ye Chen.

Lu Hanna started to eat Ye Chen, she ate Ye Chen, Ye Chen's completely entered.

"ohhh. . it's delicious, it's so good" Lu Hanna liked, she liked Ye Chen's.

Ye Chen felt the same as Lu Hanna felt, the artifact possessed by Lu Hanna sucked Ye Chen in and didn't let Ye Chen escape.

"I won't let you escape" Lu Hanna said to Ye Chen, she wouldn't let Ye Chen escape.

Lu Hanna was more domineering, she was more domineering compared to the others.

"I like this, I will make you mine completely" Lu Hanna had already decided, she would make Ye Chen hers, she wanted Ye Chen to be hers.

Lu Hanna brought out all the skills she knew, she really wanted to drain Ye Chen.

"Ahhh. . ." Lu Hanna's voice and movements were in sync and made Ye Chen feel very comfortable.

"How is it, is it comfortable ?" Lu Hanna asked Ye Chen.

"Of course, it's great" Ye Chen said to Lu Hanna, he patted Lu Hanna's butt and started fighting.

"emmmm. . ." the two started a fierce battle, their movements getting faster and faster and bolder.

Since Lu Hanan was a woman who loved to be misused, Ye Chen did not hold back the power and let it all out, perhaps Lu Hanna could be damaged if it continued like this.

"This is it, I'm really going crazy" Lu Hanna felt crazy, she could no longer resist the feeling of being dominated by Ye Chen, the punishment given by Ye Chen made the body and mind of Lu Hanna completely acquired.

Lu Hanna was so powerful, she made Ye Chen expel quite a lot of Yang Qi, while Lu Hanna herself had reached the peak at least a hundred times since they started.

"Too strong" Lu Hanna was already starting to get very tired, she completely fell and was no longer able to fight Ye Chen.

Lu Hanna was limp, she had been Dual Cultivation with Ye Chen for about a day and a half, that was a long time, he was really very strong.

"husband, you have quite a lot of Yang Qi, is the Yang Qi in your body okay" Lu Hanna already felt strange, she already felt a strange thing when she was with Ye Chen, the Yang Qi possessed by Ye Chen was too strong, he had a great Yang Qi that Lu Hanna could not imagine.

"Of course, I have enough, we can keep doing it, can you continue?" Ye Chen asked Lu Hanna.

he was so excited, he was so excited when he was with Lu Hanna, Lu Hanna was really strong and made Ye Chen so excited.

It was like Ye Chen was doing it with several women at once who were able to handle him well.

"What, where did your spirit come from, let's stop and rest for a while" Lu Hanna said to Ye Chen.

Lu Hanna was already tired, she was completely exhausted from Ye Chen's rudeness, if these were Ye Chen's women, they would have fallen down long ago, Lu Hanna's body was made to please men and endure patience that was beyond the limit.

"Ahhh. . ., noooooooo" Ye Chen did not listen to Lu Hanna's request, he did it very quickly.

"uhhhhhh" Lu Hanna lost, she completely lost to Ye Chen, there was no way she could win against Ye Chen alone, Ye Chen's strength was beyond the imagination of Lu Hanna.

"ahhh . . ." several hours quickly passed, she was already unconscious and completely collapsed, there was no trace of strength in her body anymore.

"This is so nice, she makes me comfortable" Ye Chen was satisfied, Lu Hanna made him comfortable.

"You almost killed her" Chu Yuechan said to Ye Chen, what Ye Chen did almost got Lu Hanna killed.

"Hahahahahaha, didn't you say that she's strong, something like that won't kill her easily" Ye Chen believed in the strength and ability that Lu Hanna had, he was confident that Lu Hanna would be able to defend against him.

Ye Chen helped Lu Hanna, he helped lay down and covered Lu Hanna's body using a blanket.

"I got enough Yin Qi, time to refine it" Ye Chen started cultivating.

.

.

In the northern region, one of the most riotous places in the Demon God Realm, there was a battle going on here as well, there was a huge battle for the territory.

There were several corpses currently on poles and on every house door, it was a horrifying sight.

The battle here seemed even more vicious compared to the battle of Da Dolu Vs Lu Hanna, it was obvious that this battle was even more gruesome and sadistic.

People were really suffering in the battle, they felt their lives threatened because of the power struggle within the palace.

A woman who looked like a sexy and seductive prostitute was lying on the bed.

There were several men on her bed, they looked dead and dry from being sucked too much by this woman.

They were like mummies with only bones left, their appearance was really horrible.

Her figure was too good, this figure made everyone excited just from looking at it.

"My queen" A handsome man came and knelt by this woman's bed.

"What's wrong, is there any good news for me, I don't want to listen to bad news from you" This woman said that she didn't want to listen to bad news.

If she listened to bad news, she would become angry and would probably suck up to the handsome man in front of her.

The man in front was in a cold sweat, he only dared to look down and did not want to look at the sexy woman in front of his eyes, if he looked, he was afraid that he would be mesmerized.

"All the princes and princesses have been successfully killed, only the crown prince and a few more princes are currently on the run, soon we will catch up with them" the handsome man told what happened.

"That's very good news, I like the good work you have" The queen likes the good work of her subordinates, now she is the sole ruler of the northern region.

"Everyone who opposes her will die, no exception to the nobles and royal members, she is really too evil.

"Finish your work properly, I will give you a good reward" this woman said to the handsome man, as long as the annoying thorns are successfully removed, then she will be the sole ruler of this place.

"Got it, I'll be leaving soon" the man was excited, he would probably get the territory and some good resources after all this work was done.

"And please take care of them, they are no good, I need a strong one, catch some strong enemies for me" this woman was still lacking, she needed a large amount of men's blood and Yang Qi to break through and in order to reach heights that no one else had ever reached.

Chapter 2460 Crown Prince Of The Northern Region Is Entering Our Territory

Back to Ye Chen and Lu Hanna, the two of them were currently relaxing and enjoying what was going on, they really seemed happy.

"This is so much fun. . ." Lu Hanna said to Ye Chen, she told Ye Chen that it was fun.

"I also feel the same way as you" Ye Chen said that he also felt the same way, he felt that this was really fun.

"Fufufufu" Lu Hanna, she felt happy when she was around Ye Chen, she felt more energetic and lively when she was with Ye Chen.

"By the way. . ." Lu Hanna approached towards Ye Chen, she got closer and started to look at Ye Chen seriously.

"What's wrong, did something happen?" Ye Chen asked Lu Hanna.

"You are really handsome. ." Lu Hanna said to Ye Chen, she told him that Ye Chen was handsome.

"hahahaha" Ye Chen laughed as he listened to what Lu Hanna said.

"Why are you laughing" Lu Hanna asked Ye Chen, she wanted to know why Ye Chen was laughing.

"It's funny" Ye Chen told Lu Hanna, he told Lu Hanna that it was funny.

"Ummm. . ." Lu Hanna pouted, she puffed her cheeks at Ye Chen.

"feel this . ." Lu Hanna hit Ye Chen, she used a little force to hit Ye Chen.

Ye Chen continued to laugh, he enjoyed what happened to Lu Hanna.

"It seems like your strength is back, how about we do it again" Ye Chen said to Lu Hanna.

"Huh, you're still strong, no way. . ." Lu Hanna couldn't believe it, she couldn't believe that Ye Chen was still capable, it was obvious that something like this was impossible for a normal man to do.

"Don't you want to?" Ye Chen asked Lu Hanna, he asked if Lu Hanna didn't want to do it.

"No, I've reached my limit, I can't possibly do it anymore." Lu Hanna said that she was no longer able to do it.

"Are you sure?" Ye Chen didn't believe it, he forced Lu Hanna to do it.

"You really are a monster" Lu Hanna said with a scared face.

Ye Chen was a strong enemy, it could be said that he was too strong, there was no way Lu Hanna could endure, even herself being a natural seductress was unable to endure, how a normal woman could endure when fighting Ye Chen, it was a very difficult thing to think about.

Ye Chen touched Lu Hanna, the moment Ye Chen did so, Lu Hanna was instantly helpless, she didn't have the strength to resist and stop Ye Chen.

"No don't do it, husband. . ." Lu Hanna said to Ye Chen, she told Ye Chen to stop.

Lu Hanna made a helpless face, she was experiencing a powerful enemy, this was a troublesome thing.

"Flap the wings. . ." a bird came, the bird was carrying an important letter for Lu Hanna.

"An important letter, so rare" Lu Hanna whistled, the bird came and immediately gave the letter to Lu Hanna.

"What is it?" Ye Chen asked Lu Hanna.

"It must be important news" Lu Hanna told Ye Chen, she told Ye Chen that this might be very important news.

The bird was an important messenger from the chosen people, they would not send letters unless something big happened.

"Then look quickly, I want to know too" Ye Chen said that he also wanted to know what was in the letter.

"I'll do it" Lu Hanna did, she opened it and read what was inside.

"This is news from the northern region, it seems that something big just happened there, a woman has become the ruler and overthrown the entire kingdom" Lu Hanna told Ye Chen what happened, she told him what is happening right now in the northern region.

"Other than this place, it turns out that the northern region also just experienced a storm" Ye Chen nodded, this news would be a good thing for Ye Chen.

"That woman is a little strange, she didn't come from a good background and she was also originally just a lowly slave, how could she climb up to such a height, it's a hard thing to understand" Lu Hanna didn't understand the new Queen who ruled the northern region, she was really too unreasonable.

"A slave managed to become a ruler, he seems like a cunning and intelligent person" Ye Chen said to Lu Hanna.

"I honestly think so too" Lu Hanna thought the same thing as Ye Chen, she thought the same thing.

"Let's talk about this matter slowly, I also have some words for you. . ." Ye Chen said to Lu Hanna.

What happened inside the northern region was indeed big news, and Lu Hanna should also be wary of this matter.

Ye Chen himself was only interested in Mo Xi's matter, it just so happened that Mo Xi was in the northern region, it was possible that this incident had something to do with Mo Xi, so Ye Chen was interested in it.

Ye Chen told who he was and his purpose, Lu Hanna was naturally surprised by Ye Chen's purpose.

"You are looking for such a strong person, does such a strong person exist in Demon God Realm" Lu Hanna said in surprise.

"That's right, I am looking for him, he is a dangerous person and must be removed immediately, otherwise there will be a terrible disaster." Ye Chen told Lu Hanna.

"Alright I will cooperate with you, we have to solve this problem, this problem cannot be left unattended" Lu Hanna would help, she felt that this problem could not be ignored.

Lu Hanna sent some people to go to the northern region, let them search for more information.

With Lu Hanna's current underground network and power, she could definitely do it.

Ye Chen was thankful that he had Lu Hanna, this job would become a lot easier when there was Lu Hanna in it.

Ye Chen and Lu Hanna got up from bed, they washed together and afterwards went to Lu Hanna's study.

"Are you guys done" when they arrived at the study, Xu Leiya was already waiting there, she seemed to have been here for a long time.

"Of course, that was fun" Lu Hanna showed off a bit to Xu Leiya, she said that it was fun.

Xu Leiya's eyes looked at Lu Hanna sharply, it was like a knife that was able to pierce Lu Hanna's body.

Lu Hanna panicked a little, she broke out in a cold sweat when she felt Xu Leiya's gaze.

"Already, don't fight anymore, you guys are making me troublesome, please get along more, we are carrying out an important task here" Ye Chen said to Lu Hanna and Xu Leiya.

"Okay. . " Lu Hanna and Xu Leiya obeyed, both of them really obeyed what Ye Chen said.

"Empress. ." Xun Zhilin came in, she looked hurried when she entered the room.

"What's wrong?" Ye Chen, Lu Hanna and Xu Leiya asked Xun Zhilin.

"I have something important, please listen to me, I need something from you." Xun Zhilin said to Lu Hanna.

"Just say it, don't be shy because I'm there. . ." Ye Chen told Xun Zhilin to say it.

"that's right, just say it, it seems like you have interesting things here" Lu Hanna wanted to know what Xun Zhilin had.

"There is a message from the area around the border, the crown prince of the northern region is entering our territory, what should be done . . ." Xun Zhilin asked Lu Hanna.
