

True God 2521

Chapter 2521 One Hit Is Enough To Put You To Sleep For Several Months

Sao Lang started to advance, he attacked Ye Chen using the strength that enveloped his body.

"accept this attack of mine" Sao Lang roared, he launched a huge fiery slash towards Ye Chen.

"Boom . . ." A big explosion occurred, this explosion was really very big and set the houses around it on fire.

"No . ." Wu Ziyi shouted, she was worried about Ye Chen's condition.

"I will he survive, please. . . ." Wu Ziyi prayed, she prayed that Ye Chen would survive Sao Lang's attack.

"Hahahaha" Sao Lang laughed, his third strike left Ye Chen crushed.

The flames still covered the place where Ye Chen was standing, no one knew what happened to Ye Chen right now, whether he could survive or not.

Several people watched through the window openings, they didn't dare to go out for fear of being dragged into the battle, so they had to stay inside and take a look.

Wu Ziyi was the one who was most worried, she was the one who was most worried about Ye Chen's current state.

Look closely, there is no good ending for those who dare to fight me." Sao Lang said using a loud voice, he was telling everyone what would happen when trying to fight against him.

Anyone who tries to go against him will meet a very bad end, Sao Lang showed that to everyone in this place.

The onlookers couldn't help but fall silent as they listened to what happened, they all already knew what would happen when they fought Sao Lang.

There will be no good ending for those who dare to go against Sao Lang.

"So noisy, do you think you have won ?" a voice sounded from within the flames that were still burning.

Ye Chen stepped out, he stepped out of the flames and stood in front of Sao Lang.

Sao Lang couldn't help but be speechless when he saw Ye Chen still alive, after receiving such an attack how would he survive.

"How, is he still alive?, after receiving such an attack?" Sao Lang couldn't believe that Ye Chen was still alive after receiving such a direct hit.

Even someone of the same level as Sao Lang would have no chance of surviving.

"The fire just now was really strong" it's a pity that it was still not strong enough to crush Ye Chen.

"Okay, it's time to retaliate" this is the time for Ye Chen to retaliate, this is the time when Ye Chen will fight back.

"prepare yourself" Ye Chen said to Sao Lang, he told Sao Lang to get ready because he will come quickly.

Sao Lang was alert, he was very alert to the arrival of Ye Chen's attack.

Ye Chen used one hand to attack, he used one strike to attack the opponent in front of him.

"take this, one punch should be enough to put you to sleep for a few months" Ye Chen said to Sao Lang.

Ye Chen hit Sao Lang very hard, Sao Lang's body flew out of the city wall.

The guards belonging to Sao Lang were shocked when they saw what happened, they didn't expect that Ye Chen could do such a crazy thing.

"You just made a mistake" they said to Ye Chen, they told them that Ye Chen had just made a mistake.

"I didn't make a mistake, you guys have made a mistake" Ye Chen replied to the words of the Sao Lang followers.

"Okay, troublesome matter is over" Ye Chen had solved the problem, Sao Lang shouldn't come again and find trouble for Wu Ziyi.

"are you okay" Ye Chen asked Wu Ziyi, he wanted to know if Sao Lang was okay or not.

"You yourself, how are you, are you injured?" Wu Ziyi looked at Ye Chen, she wanted to know whether Ye Chen was injured or not.

"I'm not injured, I'm fine " Ye Chen said that he was not injured, he was fine and had no injuries when fighting Sao Lang.

"let's go back inside" Ye Chen invited Sao Lang to go inside, they had to meet uncle and aunt.

"Um. ." Wu Ziyi agreed, she agreed with what Ye Chen said, what was the current condition of her parents, Wu Ziyi was curious about this matter.

The two went back in, when they entered, two people were sitting in wheelchairs, they looked like they couldn't move, this was according to what Wu Ziyi said.

"Father, mother I'm back, I've managed to get pure jelly mushroom for you guys" Wu Ziyi said to her parents, she gave good news to both of them.

"what's going on out there ?" they asked Wu Ziyi, they wanted to know what's going on out there.

"Nothing happened" Wu Ziyi hid what happened, she didn't want his parents to know about what happened.

"let's heal your wounds first" Wu Ziyi wanted to heal their wounds, after that she wanted to introduce Ye Chen.

Wu Ziyi Started brewing potions, she made potions using pure jelly mushrooms.

Ye Chen kept an eye on Wu Ziyi, he watched over Wu Ziyi and helped him a little not to make a fatal mistake.

With the help given by Ye Chen in secret, Wu Ziyi finally succeeded, she had made medicine for her parents.

After succeeding, Wu Ziyi immediately gave it to them. Wu Ziyi's parents finally recovered and were able to return to normal activities.

"You are great" both of them praised Wu Ziyi, Wu Ziyi was so great he was actually able to get it.

"No, it's not because of me, it's all because of him" Wu Ziyi said to her parents, she told them that all of this was because of Ye Chen.

Ye Chen smiled, she smiled at the two parents of Wu Ziyi.

"a promising young man" Wu Ziyi's mother said to Ye Chen, she could see that Ye Chen was a promising man.

"thank you for the compliment" Ye Chen thanked for the compliment.

"I haven't introduced him yet, he is Ye Chen." Wu Ziyi introduced Ye Chen to his two parents.

"Ye Chen, they are my father as well as my mother, my father's name is Wu Buza, meanwhile my mother's name is Huang Lungsi" Wu Ziyi introduced her parents to Ye Chen.

"nice to meet you uncle and aunt" Ye Chen said to the two, he was pleased to meet the two.

They both nodded at Ye Chen, they also looked happy to meet Ye Chen.

Ye Chen talked to Wu Buza for a while, there were so many things he wanted to ask Wu Buza.

Ye Chen was curious about this star, he was very curious about the star rating he had chosen.

Wu Buza explained the situation to Ye Chen, he told Ye Chen about this place.

Wu Buza also told Ye Chen about the power that resided in this place, and the powerful Sect that was everyone's favorite.

Wu Buza knew that Ye Chen would definitely be attracted to the Sect, Ye Chen had talent and was still quite young, he would definitely be well received in the Sect.

"The closest sect in this place is the Immortal Valley Sect, I intend to register Wu Ziyi there," said Wu Buza.

Wu Buza wanted to enroll Wu Ziyi there, he wanted Wu Ziyi to have a better life in the Sect.

"she has a very good future, she will definitely be accepted" Ye Chen was sure that if Wu Ziyi would be accepted, with her innate talent as well as a body suitable for alchemists, she would become a great person.

Chapter 2522 Shi Lin

"You are right, he is indeed very talented, it seems you know about this too." Wu Buza was happy when he heard what Ye Chen said, the two thought about Wu Ziyi the same, they were sure of Wu Ziyi's ability.

The two chatted for a long time, they looked happy as they talked about the surrounding Realms and Sects.

Wu Ziyi saw what Ye Chen and her father were doing, she felt happy when she saw that the two of them were so close.

"The brand is familiar" Huang Lungsi said to Wu Ziyi, he told Wu Ziyi that Ye Chen and Wu Buza were very familiar.

"Of course, he is a great person, he is easy to get along with people like us" Wu Ziyi said that Ye Chen is a great person, he can easily get along with people like Wu Ziyi and her family.

Wu Ziyi was delighted when she saw this, it seemed that there would be no problems in the future.

.

Meanwhile in Sao Clan, people managed to bring Sao Lang back, he is currently sleeping on a chair in an unconscious state.

Sao Lang suffered quite heavy injuries, the attack launched by Ye Chen shattered Sao Lang's bones and body.

"Who did this?" a man older than Sao Lang shouted angrily.

he was the elder brother of Sao Lang and was a disciple in the Immortal Valley Sect, one could say that he was one of the elite disciples in the Immortal Valley Sect.

This man's name is Sao Long, he looks full of anger when he knows what happened to Sao Lang.

"a young man did it, he beat the young master with one punch" the follower of Sao Lang told what happened.

"one hit?, what level is that person?" he asked, what grade did Ye Chen have.

"He should be at the second level of the Immortal Rebirth Realm" he told Ye Chen's level.

"Only the second level of the Immortal Rebirth Realm, how could that be, my little brother is at the fifth level, there's no way he can lose to someone like that" Sao Long couldn't believe that Sao Lang would lose to someone weaker.

Sao Long didn't believe that Sao Lang who was at the fifth level could lose to someone who was only at the initial level.

Such a thing was clearly impossible to happen, it was impossible for such a thing to happen.

"I saw it myself" he said that he saw it himself, he saw the battle that Ye Chen and Sao Long fought from a close distance, he could be sure that what he saw was reality.

There is no engineering when the battle occurs, the battle goes on normally without anyone interfering.

Sao Long isn't anymore, if that was true, then this would be a strange thing.

"Could it be that he has a favor?" Sao Long thought for a while, maybe Ye Chen had a helping hand, that explains why he was able to win against Sao Lang.

To be honest in a real battle, Ye Chen shouldn't have a chance to win, he wouldn't have a chance to win against Sao Lang who had quite a difference.

"What is this ?" a beautiful young woman appeared, she was wearing a pink dress that looked beautiful.

This woman had a beautiful and elegant face, she was a little indifferent to what was going on here.

"senior sister" Sao Long greeted, he paid her respects to the beautiful lady who had just arrived.

The woman who had just arrived was either a senior sister or a stronger person compared to Sao Long.

Sao Long had invited this woman to the family, he had a hard time inviting beauties to visit.

This woman was from the same Sect, her name was Shi Lin, a core disciple of the alchemist faction and had a great reputation both inside and outside the Sect.

Alchemists were truly formidable, they had many powerful acquaintances spanning all over the Realm, it wasn't strange that even Sao Long was having trouble inviting this woman over.

"My younger brother is injured from the battle" Sao Long told Shi Lin, he told that his younger brother was injured from the battle.

"Then let me take a look" Shi Lin wanted to see Sao Lang's injuries, she wanted to know what kind of injuries Sao Lang had suffered.

Shi Lin checked the condition of Sao Lang, she checked the condition and injuries of Sao Lang.

"It looks like it's only a medium wound, he might need to rest for a few months" Shi Lin said to Sao Long.

"What ! ! !, is it that bad?" Sao Long asked Shi Lin.

"It's not too bad, he can recover" said Shi Lin to Sao Long.

"Is it true ?" Sao Long was relieved when he heard this, he was relieved when he found out that Sao Lang could recover.

"But the person who attacked your brother was pretty good, he knows how to take good care of people, he is definitely not an ordinary person" Shi Lin said to Sao Long.

Shi Lin could tell that Ye Chen was very formidable, he was aiming for a point to make Sao Long unable to recover for several months, only a skilled person could do this.

"It seems that he is indeed skilled, Senior Sister can you help me ?" Sao Long asked Shi Lin for help.

He wanted Shi Lin to help defeat Ye Chen, with help coming from Shi Lin, it would be easy to do.

"Okay, I will help you" Shi Lin promised that she would help Sao Long.

she was going to help Sao Long to defeat Ye Chen, she also wanted to see how Ye Chen's strength was.

"No matter what he looks like, I will beat him, just see how I break that guy's leg" Shi Lin said to Sao Long, she will break Ye Chen's leg.

"well done, senior sister is great" Sao Long shouted happily, with help from Shi Lin everything will be easy, victory is guaranteed when Shi Lin intervenes.

"very good, that means I don't need to step in to deal with this matter" Sao Long no longer need to step in to deal with this matter anymore, Shi Lin will solve the problem he has.

"let's go" Shi Lin asked Sao Long to go to Ye Chen's place.

"quickly take us to his place" Sao Long told his subordinates to guide them to where Ye Chen was.

"understand . ." they understood, they went straight to Wu Ziyi's house.

Ye Chen stayed in Wu Ziyi's house, he enjoyed his time living in Wu Ziyi's house.

Wu Buza and Huang Lungsi had just left, the two of them had just gone to work.

After they recovered they returned to work outside to obtain profound crystals.

They must live on to survive in this cruel world.

Ye Chen was now alone with Wu Ziyi, they lived in this small house and enjoyed their time together.

"Ye Chen, where are you from, why don't you tell me about that" Wu Ziyi asked Ye Chen, she wanted to know where Ye Chen was from.

"I come from a quite far place" Ye Chen pointed out that if he came from a very far place, Wu Ziyi wouldn't know where he came from.

Chapter 2523 Not As Expected

"is your place good?" Wu Ziyi asked Ye Chen.

"It's not bad, but it's so small, it's not comparable to this place that's huge." Ye Chen said that it couldn't compare to this place.

"Oh, I see . . ." Wu Ziyi understood, it seemed that Ye Chen came from a small place, it seemed that the two of them had something in common coming from a lower-class family.

"you guys, come out quickly and meet me" when the two were discussing about Ye Chen's house, one shouted and told Ye Chen to come out immediately.

"who's that?" Wu Ziyi stood up, she was going to see who was trying to come over.

Wu Ziyi came out, when she came out she saw several people standing in front of her house.

Wu Ziyi knew the person behind, this was the person who had previously been with Sao Lang.

"what do you want from me ?" Wu Ziyi asked the group from Sao Long.

"little girl can you tell the people inside to come out" Shi Lin said to Wu Ziyi, she told Wu Ziyi to tell Ye Chen to come out.

"That's right, send him out, senior sister will break his legs" Sao Long said to Wu Ziyi.

Wu Ziyi's face immediately darkened when she heard what Sao Long said.

"he's not inside" Wu Ziyi tried to hide Ye Chen, she didn't want Ye Chen to be destroyed by this group.

"don't lie to me" Sao Long said to Wu Ziyi, he told Wu Ziyi not to lie to him.

Wu Ziyi panicked, she couldn't hide this matter, she was too clumsy at lying, a good girl like Wu Ziyi couldn't possibly lie, that was absolutely impossible.

"what's wrong?, it seems very crowded outside" Ye Chen decided to go out, he wanted to see what was happening outside.

When Ye Chen came out, he found a group of people led by a woman with a beautiful face.

Shi Lin was speechless when she saw Ye Chen come out from inside Wu Ziyi's house.

"That's him, he is the one who has done bad things to little brother" said Sao Long to Shi Lin.

Sao Long pointed at Ye Chen, he asked Shi Lin to destroy Ye Chen immediately.

Shi Lin was silent, she was silent like a statue and didn't react to what Sao Long said.

Sao Long was of course confused when he saw this, he didn't understand what was going on, why didn't Senior Sister Shi Lin do something.

"hey . . ." Sao Long tried to shake the body away from Shi Lin.

Shi Lin finally woke up, she was completely dumbfounded when she saw Ye Chen.

Shi Lin finally stepped towards Ye Chen, he took a step towards Ye Chen.

"good, do it make him suffer" Sao Long said to Shi Lin, he told Shi Lin to end Ye Chen quickly.

Ye Chen looked at Shi Lin, most likely this woman was trying to find trouble with him.

"Uhh. ." Wu Ziyi was scared when she saw what was about to happen, she didn't dare to look at what would happen next.

Ye Chen had to be prepared to deal with Shi Lin.

"hello, may I introduce you" Shi Lin came forward and wanted to introduce Ye Chen.

"What ! ! !" Sao Long, Wu Ziyi and everyone present were shocked when they saw what Shi Lin was doing.

They all thought that Shi Lin would attack Ye Chen, they all did not expect that Shi Lin would actually want to get acquainted with Ye Chen.

Ye Chen also didn't expect this matter, he didn't expect that Shi Lin wanted to get acquainted with him.

Ye Chen couldn't refuse, he didn't feel any ill will from Shi Lin.

"My name is Ye Chen" Ye Chen told Shi Lin, he told what his name was.

"So your name is Ye Chen, I am Shi Lin a core disciple of the alchemist division of the Immortal Valley Sect." Shi Lin introduced herself to Ye Chen.

"he's a core disciple" Wu Ziyi was shocked when he found out the identity that belonged to Shi Lin.

Shi Lin had an extraordinary identity, it was not strange that Wu Ziyi was shocked when he heard this.

"You seem like a great person" Ye Chen said while praising Shi Lin.

"no, I'm not that good" Shi Lin said to Ye Chen, she told that she was not as good as Ye Chen said.

Shi Lin looked embarrassed when she received Ye Chen's compliment, she actually blushed when she received Ye Chen's compliment.

"Senior sister what are you doing? Didn't you say you wanted to teach that person a lesson?" Sao Long asked Shi Lin.

"Shut up, that's what I said" Shi Lin told Sao Long to be quiet.

"-_- " Sao Long didn't understand, what happened in this place, he couldn't think about what happened.

"Didn't you say you wanted to break . . ., Bam . ." before Sao Long could finish his words, he was directly hit by Shi Lin.

The difference in strength was too great, one finger was enough to make Sao Long faint on the spot.

"What did he just say?" Ye Chen heard something about being broken from Sao Long.

"No need to listen to him, he is just like that" Shi Lin said to Ye Chen.

Shi Lin stuck closely to Ye Chen, she was extremely close to Ye Chen.

Shi Lin looked at Ye Chen in front of her, to be honest the Ye Chen in front of her was her ideal type.

"I didn't expect that there would be a man like this in a place like this, he is too handsome" Shi Lin had never seen a man more handsome than Ye Chen.

Ye Chen's appearance completely made Shi Lin helpless.

How could he injure a man like Ye Chen, there was no way her conscience wouldn't allow her to do it.

"master" who was behind saw the state of Sao Long.

They couldn't believe it when they saw Shi Lin hitting Sao Long.

Their original purpose of coming here was to fight against Ye Chen, to think that the situation would turn out like this.

How could Shi Lin side with Ye Chen, this was something no one could imagine.

Even Sao Long couldn't think that the situation could become like it is now.

"we're back, the situation is getting bad" Sao Long spoke, he asked all of them to come back immediately.

"go" Sao Long and his followers immediately went away from this place.

They couldn't stay in this place any longer.

Sao Long didn't know what Ye Chen was doing, how could Ye Chen make the usually indifferent Shi Lin become like that, obviously he did something that Sao Long couldn't explain.

Sao Long didn't want to take a risk, he chose to retreat first.

Meanwhile Wu Ziyi was pouting when she saw what was in front of her, she was displeased when she saw Shi Lin close to Ye Chen.

For some reason her heart was not happy when she saw Ye Chen close to Shi Lin.

"What about this woman?" Wu Ziyi didn't understand, why did this woman come and meet Ye Chen.

"What is your reason?" Wu Ziyi asked Shi Lin, she wanted to know Shi Lin's reason.

"I came to visit, I don't have any bad intentions" Shi Lin said to Wu Ziyi.

In terms of Shi Lin's mind being much more mature than Wu Ziyi, she could easily handle a little girl like Wu Ziyi.

Wu Ziyi was still frowning, she was still displeased with Shi Lin.

Chapter 2524 Invitation From Shi Lin

"Hey, Ye Chen can I ask you something" Shi Lin asked Ye Chen, she wanted to confirm this from Ye Chen.

"What's that ?" Ye Chen asked Shi Lin, roughly what did Shi Lin want to ask.

"Do you already have a partner?" Shi Lin asked Ye Chen.

Wu Ziyi was silent as she listened to what Shi Lin asked.

Shi Lin was more open than imagined, she actually asked sensitive things about Ye Chen.

"I . . ." Ye Chen intended to answer what Shi Lin asked.

"No, don't ask such things" Wu Ziyi immediately stopped Ye Chen and Shi Lin.

Ye Chen and Shi Lin were shocked by what Wu Ziyi did, they didn't expect that they would be stopped by Wu Ziyi.

"You shouldn't ask such a sensitive question," Wu Ziyi said to Shi Lin.

"So what, I just want to know, is it not okay?" Shi Lin said to Wu Ziyi.

"no, you can't" Wu Ziyi said seriously, she made a serious face in front of Shi Lin.

Shi Lin had a hard time when she saw the look on Wu Ziyi's face, she was speechless when she saw the seriousness Wu Ziyi had.

Ye Chen smiled when he saw what happened, he was really interested in what Shi Lin and Wu Ziyi were talking about.

The two were still arguing, they were still arguing about the matter that happened regarding Ye Chen.

"Ziyi, don't you have training?" Ye Chen said to Wu Ziyi.

He told Wu Ziyi that she still had a training, she still had to practice alchemist skills.

"You are absolutely right" Wu Ziyi understood, he had to practice, he would use cheap materials to practice.

"train?" Shi Lin was curious about what Wu Ziyi was doing.

"I want to become a great alchemist" Wu Ziyi said to Shi Lin.

"Is that so, you have an excellent spirit, how about you come with me" Shi Lin said to Wu Ziyi.

"Where to?" Wu Ziyi asked where Shi Lin took her to.

"The biggest pharmacist shop in town" Shi Lin said to Wu Ziyi.

"I want to come. . ." Wu Ziyi was excited, she looked like she was looking forward to this.

Shi Lin smiled when she saw Wu Ziyi, she was too cute and too innocent.

"Do you want to come too?" Shi Lin asked Ye Chen, she also wanted Ye Chen to come too.

"Of course, I want to come with you" Ye Chen agreed to come with Shi Lin.

Shi Lin was happy when he found out that Ye Chen was willing to come along, the plan worked to get Ye Chen to come along.

Ye Chen accompanied Shi Lin, he followed and immediately headed to the nearest pharmacist shop.

They walked, they went while enjoying the busy streets.

Everyone gave way to Shi Lin, the badge Shi Lin had proved who she was, that's why no one dared to mess with Shi Lin.

Those in their right mind wouldn't seek unnecessary trouble with a big man like Shi Lin.

"Isn't she too strong, they are all scared to the point" Wu Ziyi said to Ye Chen.

"That is a special status, if you can enter the Sect and get the same position, you can become like her" Ye Chen said to Wu Ziyi.

He told Wu Ziyi to imitate what Shi Lin got, if she could reach Shi Lin's level, then he would get the same treatment as Shi Lin.

Shi Lin became more and more excited when he heard this from Ye Chen, he wanted to do what Ye Chen said, he wanted to be even better, he had to train even harder.

"Oh yeah, have you two joined the Sect yet?" Shi Lin asked Ye Chen.

"No . ." Ye Chen answered directly, he wasn't involved with any Sect.

"Neither do I, I'm not very capable yet" Wu Ziyi said to Shi Lin.

Wu Ziyi is still not very capable, she also wants to join the Sect.

"Is that so" Shi Lin understood the situation that Ye Chen and Wu Ziyi had, the two of them had not yet entered the Sect, which meant that they were still mortals, their futures still had a lot of development.

"Our Sect will probably be opening up registration for new disciples, why don't you try your luck" Shi Lin told Ye Chen and Wu Ziyi.

Shi Lin would be happy if Ye Chen could join, she might be able to get together with Ye Chen often.

Shi Lin already liked Ye Chen, she wouldn't let go of Ye Chen easily.

Ye Chen listened to what Shi Lin said, he still had not made up his mind, he still had a bit of a problem.

"I will give it a try, even if I don't pass, it will be a good experience for me," said Wu Ziyi.

Wu Ziyi will definitely come along, it will be a good experience for Wu Ziyi.

"I hope you can enter" Shi Lin prayed the best for Wu Ziyi.

"Thank you very much" Wu Ziyi thanked Shi Lin for the encouragement.

"here we are" some time later they finally arrived at the best apothecary shop in town, they can get everything they want in this place.

"I entered this place once, I didn't think that I could enter this place again." Shi Lin was very happy, she was finally able to enter this place again.

"So you've been here before, very good, then let's go in" Shi Lin said to Ye Chen and Wu Ziyi.

Wu Ziyi was quite excited, meanwhile Ye Chen followed behind them.

Wu Ziyi and Shi Lin casually talked, they seemed to have become very close already.

Shi Lin occasionally looked back and stole glances at Ye Chen, she was looking at Ye Chen with a gaze filled with interest.

"Miss Shi, how can we help you?" an old man came over, he asked Shi Lin.

With Shi Lin's status, this old man directly welcomed him as an important guest.

"My friends and I want to take a tour of this place." Shi Lin said that she wanted to go around and have a look.

"Of course, please, enjoy the time you have" said the old man to Shi Lin.

The old man gave permission, he let Ye Chen, Shi Lin as well as Wu Ziyi enter inside.

They entered, they saw a lot of herbs and magical beast cores being sold in this place.

Everything is for the Alchemist cultivators. Those who come will buy everything there is.

Because there were many cultivators within the city, this place was never quiet, there were many people selling and buying pills and herbs in this place.

They even offered alchemist services to make pills for them, everything could be done in this place.

"There are so many people in this place." Wu Ziyi felt that today was busier than she had ever known.

"That's because there's a special event," Shi Lin told Wu Ziyi.

Shi Lin said that there was a special event, that's why this place was very lively, everyone came to see.

This was the reason why Shi Lin also came and wanted to go to the Sao Clan place.

If not, then he wouldn't be willing to come to Sao Clan.

"Oh, I see . . ." Wu Ziyi understood, she understood why this place was so crowded.

Chapter 2525 Alchemist Event In Town

"So that is the reason why you came to this place." Ye Chen understood, it seems that is the reason why Shi Lin came to this place.

"Of course I was ordered by master to come, this is also a very good opportunity to see other Alchemists."

Shi Lin had a reason, she had a reason to see the other talents coming to this place.

"is there a talent greater than you" Ye Chen asked Shi Lin.

"There are, but I'm not sure if they will come to this place." Shi Lin was not too sure about what she said, she was not sure if they would come to this place.

"Even you don't have confidence" Ye Chen saw that Shi Lin didn't have confidence in what she said.

"Well, to be honest I don't really believe in what I'm saying" Shi Lin pointed out that he wasn't very confident.

she didn't know whether those with good talent would come or not.

For Shi Lin's talent to be lacking, she was still lacking compared to those who had reached the pinnacle level.

In this Supreme God Realm there are many very strong people, there are many young talents who are far stronger compared to Shi Lin.

Shi Lin took Ye Chen and Wu Ziyi around this place, they seemed to have a lot of fun going around this place.

"There are many interesting things, it's a pity that I have few resources." Ye Chen didn't have much, almost all of them were spent on training his beloved wives.

"I might be able to sell the Cores I collected." Ye Chen had an idea, he might sell the Cores.

"Can I sell the Core here?" Ye Chen asked Shi Lin.

"Of course, you can do that." Shi Lin nodded, Ye Chen can indeed do that.

"What exactly do you want to sell?" Shi Lin asked Ye Chen, he was interested in what Ye Chen had.

It's just a little monster I defeated, not very good" Ye Chen said to Shi Lin.

Ye Chen said that he only defeated small monsters.

"Is that so, it might be appreciated in this place, give it a try" Shi Lin said to Ye Chen.

Shi Lin guided Ye Chen, she guided Ye Chen to go sell magical beast cores.

The two of them went to the sales department, they met a woman who was in charge of receiving goods from existing adventurers and cultivators.

The woman in front of Ye Chen paused for a moment, she really looked dazed when she saw Ye Chen.

Shi Lin saw what happened, her reaction was the same as her previous self.

"We want to sell, do you accept it?" Shi Lin asked the seller.

"Um. . ., of course" she said to Shi Lin, the woman in front finally woke up, she finally woke up after being woken up by Shi Lin.

Ye Chen's current enchantment is still too strong. Even if he has restrained himself, it still affects the people around him.

Ye Chen already felt the gazes of several women around, he had a problem when he saw the gazes of women around this place.

Ye Chen was like being on a stage and being a spectacle for many people.

"Sir, what can we help you with?" the saleswoman asked Ye Chen, she wanted to know what Ye Chen needed.

"I want to sell magical beast cores" Ye Chen said to the woman in front of him.

"of course, we will accept it happily" they would accept what Ye Chen was selling.

"That's good" Ye Chen was happy when he heard this, he took out all the Cores that he got in fighting for several days in the forest.

Ye Chen took out everything he didn't need, there were quite a few of them in the thousands.

"huh?" Shi Lin was shocked when she saw what Ye Chen took out, she didn't expect that Ye Chen would take out that many Core magical beasts.

Even the saleswoman at the front was speechless when she saw what Ye Chen took out.

"You will give me a good price right" Ye Chen said to the woman in front of him.

"um . . ."she only smiled when she heard what Ye Chen said.

The female salesperson immediately checked, she wanted to know what Ye Chen was carrying.

"Wow amazing, all high level" Shi Lin also checked what Ye Chen had, all the cores that Ye Chen got were high level.

"That's great, you must have defeated a lot of monsters to get all of this" Shi Lin said to Ye Chen.

"Yes. . ." Ye Chen nodded, he had indeed defeated many monsters during training.

"I will count it soon, wait a moment" the female saleswoman immediately calculated it, Ye Chen would definitely get a lot of profound crystals for selling this thing.

Some time later, the salesperson finished appraising everything, the mustard that Ye Chen killed had a Core selling price of around 300~600 Divine Rainbow Crystals.

The magical beasts in the forest could be said to be low level, so the selling price wouldn't be too extraordinary.

The price of 300~600 was very good, Ye Chen had already obtained around 500,000 Divine Rainbow Crystals and they could be used to purchase a rare high grade herb.

"Is this amount satisfactory for you" the seller asked Ye Chen, he wanted to know Ye Chen's thoughts.

"That's enough, thank you very much." Ye Chen felt that it was enough.

"That's great" Wu Ziyi saw that Ye Chen earned quite a lot, it was enough for 1~2 years training for those at Ye Chen's and Wu Ziyi's level.

"then let's go, let's see people making pills, you guys will definitely be interested".

Shi Lin took Ye Chen and Wu Ziyi, they could see the process of someone making pills, people came to this place for that purpose.

"Come on . . ." Here Wu Ziyi was the first to get excited, he was very enthusiastic when she heard what Shi Lin said.

"Goodbye, I hope we meet again" the saleswoman hoped that she would meet Ye Chen again.

she had already been attracted by Ye Chen at first sight.

The journey continued, on the way this time there were more eyes on Ye Chen.

While there were some men who looked at Wu Ziyi and Shi Lin, both of them were beautiful and attracted men.

The number of women was far outnumbered, so they stared at Ye Chen with excited gazes.

"he's too popular, I don't like this" Shi Lin didn't like this kind of situation, to be honest she wanted to keep Ye Chen for herself.

Wu Ziyi lowered her head, she was not used to this kind of stares, considering that she rarely socialized with people.

The fresh smell of medicine started to smell, Ye Chen could tell that someone was concocting medicine in front of him.

"there are so many . . ." they saw that there were many Alchemists of all ages, from the young to the old.

They were all making pills and medicine according to the customer's orders.

"they all come for reputation, they want to demonstrate their ability to gain customers and connections" Shi Lin said.

"I hope one day I can be like them" Wu Ziyi wanted to be like them.

"You have to train harder, you can definitely reach the same level as them" Ye Chen said to Wu Ziyi.

"um, I see" Wu Ziyi understood, he would do it.

They looked around, they saw a very interesting show from the audience seats.

Chapter 2526 Hu Yan And Hu Mai

Wu Ziyi almost didn't blink when she saw experienced alchemists showing their abilities, she was interested and began to try to learn from afar.

While Ye Chen was talking to Shi Lin, he wanted to know whether or not there were good herbs in this place.

"I think it will be very difficult, people will definitely increase their prices" Shi Lin said to Ye Chen.

In the Event, they would definitely increase the price, many rare herbs were sold at too expensive a price.

To be honest, if you don't need it, then Shi Lin chooses not to buy it.

Ye Chen looked around, he was looking for the thing that attracted himself.

"No item is too interesting, maybe I will use the money I have to do stock for future materials" Ye Chen said to Chu Yuechan.

"Too bad, I didn't feel any good items around this place either" Chu Yuechan did not feel any good things that were around this place.

"It's a pity. . ." Ye Chen felt disappointed when listening to this from Chu Yuechan.

"oh, who is this, isn't this Shi Lin" two people approached towards Ye Chen, Shi Lin and Wu Ziyi.

The two people who approached were a man and a woman, it seemed that they were a couple.

Shi Lin turned her head directly, she saw who was coming towards herself, when she looked, she could immediately tell who was coming.

"Oh, it's you, what are you doing in this place ?" Shi Lin said in a flat and indifferent tone.

"You're still as rude as ever," the man in front said to Shi Lin.

"I don't like you" Shi Lin said that she didn't like the man in front of her.

The man in front of Shi Lin was Hu Yan, he was an alchemist just like Shi Lin.

The two are rivals, they often fight in competitions to show their best.

That's why Shi Lin didn't like Hu Yan very much, she didn't like Hu Yan very much because the man in front of her was annoying and often boasted.

Shi Li and Hu Yan have fought many times, in which their fights are almost evenly matched, sometimes losing and sometimes winning.

That's what makes them rivals, even everyone knows that they are rivals in making pills.

Ye Chen could see that the aura possessed by Shi Lin changed, he changed his aura quickly. It can be seen very clearly that they have a bad relationship.

"They don't seem to get along," Wu Ziyi said to Ye Chen.

"That's absolutely true, it is likely that they are enemies" Ye Chen was sure that Shi Lin and Hu Yan were enemies, the two of them were obviously mortal enemies.

"Oh, you came with someone else" Hu Yan saw that Shi Lin came with someone else.

Hu Yan looked at Ye Chen and Wu Ziyi, he could be sure that they came from a bad background.

"Hahahaha, you took people with such ugly backgrounds, as expected of miss Shi" Hu Yan said.

Hu Yan mocked Shi Lin, he brought two people from bad backgrounds.

Ye Chen and Wu Ziyi wear clothes that can be said to be very normal, both of them wear ordinary clothes and do not reflect nobles like Hu Yan and Shi Lin.

"It's none of your business, it's up to me who I want to come with, it has nothing to do with you" Shi Lin said.

Shi Lin was unhappy when Hu Yan ridiculed Ye Chen, this man in front of her made Shi Lin feel annoyed.

"hahahahaha" Hu Yan laughed, he laughed at Shi Lin, he finally had a way to make Shi Lin angry.

It is rare that Hu Yan can make Shi Lin angry and humiliated like this, he will not miss this opportunity.

Ye Chen and Wu Ziyi didn't like Hu Yan very much, this guy was shameless and mocked the two.

Ye Chen wanted to hit him, but seeing the strength from Hu Yan, it would be difficult.

Unless he used the Sage God vein, he would probably have trouble fighting against Hu Yan.

"Big brother, who are they?" the woman beside Hu Yan asked, she looked at Shi Lin, Ye Chen and Wu Ziyi.

This woman looked at Ye Chen, when she saw Ye Chen, she began to be attracted by Ye Chen.

The woman beside Hu Yan was Hu Mai, she was Hu Yan's cousin, they could be said to be from the same Clan.

"They are acquaintances, but you don't need to think too much, they are not very great" Hu Yan said to Hu Mai.

Hu Yan told Shi Lin that she was not very good, she could be said to be weak.

"did you say" Shi Lin was unhappy when she listened to this, she would not let others insult her talents.

"Are you angry, willing to fight ?" Hu Yan said.

Hu Yan seemed to be deliberately for Shi Lin's provocation, he wanted to fight with Shi Lin.

"Do you think I will be afraid" Shi Lin said that she was not afraid, she was not afraid of the challenge given by Hu Yan.

"Very good, then let's fight, I won't let you win" Hu Yan said.

Hu Yan will not let Shi Lin win, he will not let the woman in front of him win.

"I won't let you win either" Shi Lin would not let Hu Yan win the battle, she had a self-esteem to maintain.

"How about we make a bet," Hu Mai said.

Hu Mai joined the battle, she poured oil into the fire, it made the situation worse.

It made the situation a lot worse compared to before.

"Okay" Hu Yan said that she agreed with what Hu Mai said.

"If you lose, how about you give it to me" Hu Mai said to Shi Lin.

Shi Lin saw what Hu Mai was pointing at, she didn't expect what Hu Mai wanted.

"This woman, she. . ." Shi Lin finally realized that she was also targeting Ye Chen.

"You dare . . ., I won't let that" Wu Ziyi said to Hu Mai, telling her that she would not let that happen.

Shi Lin and Hu Mai were surprised when they saw Wu Ziyi intervene, they didn't believe that Wu Ziyi would intervene in person to help Ye Chen.

"what did you say" Hu Mai said to Wu Ziyi.

"I won't allow that," Wu Ziyi said that she would not allow it.

"Do you want to fight against me" Hu Mai said to Wu Ziyi, she asked Wu Ziyi willing to fight against her.

The two are at the same level, they are also rookie Alchemists, so it is not strange that Hu Mai challenged Wu Ziyi.

"I will fight you" Wu Ziyi said to Hu Mai, she would fight back.

"Are you sure ?" Shi Lin said to Wu Ziyi.

"He is already better than you, although she is a rookie, she has practiced much better than you," Shi Lin said to Wu Ziyi.

Shi Lin was not sure that Wu Ziyi could win, Hu Mai was already an experienced person, she would not be able to win against Hu Mai.

"I'm going to fight," Wu Ziyi said.

she told her that she would fight.

Wu Ziyi didn't understand, but she wouldn't let Hu Mai get Ye Chen, that's why she would keep Ye Chen from Hu Mai.

"Very good, then let's fight" Hu Mai said that she would fight with Wu Ziyi.

Chapter 2527 Hu Mai Vs Wu Ziyi

"It looks like it's going to be an interesting battle" Hu Yan felt attracted by the upcoming battle.

"is that all right ?" Chu Yuechan asked Ye Chen, Wu Ziyi might have trouble.

"it's okay" Ye Chen was confident in the ability possessed by Wu Ziyi.

"You are so confident" Chu Yuechan could see that Ye Chen was very confident about the abilities Wu Ziyi possessed.

"she did that for me, I of course I will believe in her" Ye Chen has confidence in Wu Ziyi, she is confident that Wu Ziyi can do it.

Chu Yuechan understood, she understood where the confidence from Ye Chen came from.

The two went downstairs, they both went downstairs and started to compete.

They would make the same pills and compare for the level of purity and perfection.

It was a fair match, so neither side would be harmed in the match.

"Are you ready to lose?" said Hu Mai to Wu Ziyi.

"No, I won't lose to you" Wu Ziyi said that she would not lose to Hu Mai.

"let's see" Hu Mai took out a very good furnace, at least people can see that this is a high-end furnace.

While Wu Ziyi took out an ordinary one and looked a little older, it couldn't compare to what Hu Mai had.

"hahahahaha" Hu Mai laughed, it seemed that it would be an easy battle.

"Uhhhhhhh. . ." Wu Ziyi was a little embarrassed, she was embarrassed when she exposed her poor furnace.

A lot of people started to gather to see, they all saw the fight, it was a good event, they liked the game.

"It seems that Wu Ziyi's furnace is bad" Shi Lin saw that Wu Ziyi's furnace was terrible.

"don't do anything strange" Hu Yan said to Shi Lin, he would not let Shi Lin lend Wu Ziyi the furnace.

"Bad, I didn't bring a low-grade furnace, if I give mine, then it is very likely that he won't be able to use it".

"How about you just use mine" Ye Chen said to Wu Ziyi.

Ye Chen came over and gave his own to Wu Ziyi.

"thank you very much" Wu Ziyi thanked Ye Chen, she was grateful for what Ye Chen gave, she was very happy with the goods lent by Ye Chen.

Ye Chen gave the dual dragon cauldron, he told Wu Ziyi to use it.

That way, he might be able to win the battle, because the dual dragon cauldron has an amazing effect.

Hu Mai was not very happy when Ye Chen lent Wu Ziyi something.

"It's okay, I'll win anyway" Hu Mai said.

Hu Mai is quite confident in the abilities she has, she believes in her abilities, she will not lose to ordinary people like Wu Ziyi.

"Then let me judge it" an old man in charge will judge it, he will be a judge in the game because he is neutral.

This place has even provided judges, it is done because there are many who compare their abilities at a big event like this.

"All the materials are prepared, you guys are going to make a Tier 5 pill, are you ready" the judges said to Wu Ziyi and Hu Mai.

"We're all ready" they were both ready, they were ready to show all the abilities they had.

"They will make a Tier 5 Power Up Pill, a pill that increases strength by two levels within a period of 15 minutes, it will be useful in battle and in a state of urgency.

"He should be able to make it" Ye Chen believes that if Wu Ziyi can do it, this will not be too difficult for Wu Ziyi.

"It may not be too difficult to make, the biggest problem is the degree of purity" Shi Lin said to Ye Chen.

Shi Lin told about the level of purity Wu Ziyi could achieve.

Whether Wu Ziyi is able to win against Hu Mai, it becomes a question.

"she can definitely" Ye Chen felt that if Wu Ziyi could do it, he was very confident that if Wu Ziyi could do it, he would definitely be able to get through everything well.

Wu Ziyi is a hard worker, she must show her hard work in front of everyone, so she will be easily accepted by everyone.

"Start" the judges gave the two a start, he told both of them to start.

With the start of the battle, the two started, Wu Ziyi slowly started, while Hu Mai did it deftly, it can be seen that Hu Mai is used to making it.

"You won't win, this is my food every day" Hu Mai said that if she often makes it, she believes that Wu Ziyi will not win.

Wu Ziyi didn't answer Hu Mai's words, she was more focused on starting it, she shouldn't get angry and make things messed up.

"Very good" Ye Chen was happy when he heard this, Wu Ziyi was so great, she was not affected by the enemy's words.

"she will definitely succeed" Ye Chen is confident that Wu Ziyi will succeed, he is confident in the ability possessed by Wu Ziyi.

The rookie Wu Ziyi will definitely succeed, she started refining at a slow speed, it was slower compared to what Hu Mai did.

Wu Ziyi used her heart to make the pill, it would make it even purer because it was made carefully.

"Very good, do your best" Shi Lin saw that Wu Ziyi was doing so well, she could see that Wu Ziyi was starting well.

Hu Mai herself has also started, the speed is indeed amazing, it is obviously much faster and more experienced compared to Wu Ziyi.

"The winner is determined before it even starts," Hu Yan said that the winner was determined before it even started.

"Is that so, I'm not sure what you said" Ye Chen was not sure what Hu Yan said.

"Do you doubt me, you may even be at a lower level than me" Hu Yan said that Ye Chen was at a lower level than himself.

"Who said I am inferior to you" Ye Chen said that if his level is already high, he can make Tier 7 and 8 pills, it is already a high tier equivalent to Shi Lin and Hu Yan.

"Hahahahaha, you . . ." Hu Yan laughed, she laughed when listening to what Ye Chen said.

"You are inexperienced, at most the level is not further compared to that woman" Hu Yan said to Ye Chen.

Hu Yan estimated that the level possessed by Ye Chen would not be far from Wu Ziyi.

Ye Chen just shut up, it seemed that there was no way to continue.

"Stop, don't insult him anymore, your opponent is me" Shi Lin couldn't let Hu Yan insult Ye Chen anymore, she wouldn't let Hu Yan insult Ye Chen in such a way.

Hu Yan didn't like it when he saw the genius insulting Ye Chen, he would fight Hu Yan if that happened.

Shi Lin didn't care about what happened next, she would do her best to protect Ye Chen.

"Tsk . . ." Hu Yan was not happy with what Shi Lin said, this woman is indeed the most annoying.

"They're already in the final stage" after refining, it's time for the two of them to go into the final process of combining into a pill.

"Ziyi, the furnace I lent is special, you should know about it too" Ye Chen talked to Wu Ziyi, he told Wu Ziyi about the furnace he lent.

"um" Wu Ziyi is also aware of it, she realized when she first used it, obviously this is a very good furnace.

"I won't lose, I'll show her that I'm worthy" Wu Ziyi said that she would show that she was worthy.

Chapter 2528 The Winner Was Wu Ziyi

There were more onlookers coming, even the young and senior alchemists came and looked, they all saw the upcoming fight.

"Being young is so good" Some seniors see fighting, it reminds them of when they were younger, they spent the time they had fighting and doing what they had.

Back when they were young, they also did the same thing as Hu Mai and Wu Ziyi, reckless and unreasonable.

"Youth is the most exciting time, you can do everything you want, it is a gift that cannot be wasted".

"Boom . . ." Hu Mai finished, she finished making the pill, she became the first person.

"It will be a complete victory for me" Hu Mai said, confident that she would be the winner.

a few minutes later Wu Ziyi finally finished, she followed directly behind from Hu Mai.

"You two, please stay away, I'll check the results" the jury told Hu Mai and Wu Ziyi to withdraw, he would check it so that everyone could be sure that this was neutral.

Both of them retreated, they both gave space for the judges to judge their work.

Wu Ziyi was quite worried about the result, she was not sure that she could win easily.

she didn't know if Hu Mai did well, she really wanted to know the result.

The jury saw Hu Mai's, he used a needle to see how pure it was, when he used it, he found that it was above 85%.

"above 85%, good job" the judge told Hu Mai, telling him that Hu Mai had been able to perfect it to 85%.

"That's great" Hu Yan said to Hu Mai, Hu Mai's results can already be said to be very good, she is probably the best at her level.

"Look, you won't win" Hu Yan said to Shi Lin.

"Humph . ." Shi Lin looked away that belonged to her, while Ye Chen only smiled when he saw Hu Mai's results.

"Okay, now it's your turn" The judge went to the venue from Wu Ziyi, he was going to check the results obtained by Wu Ziyi.

He opened the dual dragon cauldron and saw the results obtained by Wu Ziyi.

"This . . ." when he saw the results possessed by Wu Ziyi, he was a little surprised.

"What's the matter?" everyone asked the judges, even Hu Yan couldn't calm down when he saw the faces of the judging judges.

The judges showed that there were several pills in the furnace owned by Wu Ziyi.

"Isn't that material for one pill" Everyone began to be confused, they didn't understand what happened.

How could she make two, it was a very difficult thing for those who saw it.

The judges and everyone saw how Wu Ziyi put the materials in, so no cheating happened.

"What's going on. . ." Hu Yan didn't understand, he didn't understand what happened.

Shi Lin also looked confused, she looked confused by what happened.

"Wait a minute. . ." Shi Lin finally remembered something, she wanted to be with what happened.

"Don't tell me if it's because of that furnace" Shi Lin looked at the Dual Dragon Cauldron, she was sure that it might be because of it.

Shi Lin began to confirm what she found, she saw that the dual dragon cauldron was a rare artifact, otherwise it would be impossible for Wu Ziyi to do such a thing.

Wu Ziyi was relieved, just for Ye Chen to give a little instruction, that way, Wu Ziyi could make two.

Hu Mai was speechless when she saw Wu Ziyi's achievements, she felt unhappy with Wu Ziyi's achievements.

"No way, I can't lose" Hu Mai did not accept this, she was sure that she won.

"That's why if it's two, we compare the level of purity in refining pills," Hu Mai told Wu Ziyi.

The results that the follow-up gets are calculated, they are comparing the levels in perfecting the pill.

"You're absolutely right," the jury agreed with what Hu Mai said.

Hu Mai will not lose, she believes that Wu Ziyi will not be able to reach the level she belongs to today.

The judges began to judge, she used the same method as was done with Hu Mai's.

The judge smiled for a while, he could see that Wu Ziyi was doing very well.

"The purity level is above 90%," the jury told everyone in the place.

"what! ! !" Hu Yan and several people were surprised, they didn't expect that Wu Ziyi could reach this level.

"Fufufufufu, awesome, little girl, you surprised me" Shi Lin was surprised when she saw the results possessed by Wu Ziyi.

Shi Lin looked down on Wu Ziyi too much, she did not expect that Wu Ziyi was able to show such an amazing thing.

"I won" Wu Ziyi's was so happy, she could actually win from Hu Mai, this was an unexpected result.

"No way, I don't believe it, I lost?" Hu Mai didn't expect that she lost.

"I won, as a winner I deserve my reward" Wu Ziyi said.

Wu Ziyi took Hu Mai's furnace, it made everyone startled.

"No . ." Hu Mai didn't expect that Wu Ziyi would take away her furnace.

"Big Brother. . ." Hu Mai complained to Hu Yan, she complained when she saw Wu Ziyi stealing her furnace given by her father.

Hu Yan was not very happy about this either, but he couldn't steal it back by rude means, it might affect his reputation.

Hu Yan thought for a while, he thought for a while and looked for a way to fight Wu Ziyi.

"Hahahaha, I admit that women are great, it was just luck" Hu Yan said to Wu Ziyi.

Wu Ziyi pouted when listening to this, she pouted when listening to Hu Yan's insults.

"Stop doing that, she's already shown her strength, you have no right to say that" she informed him that Hu Yan had no right to say that.

"I can justify, she won the battle because of the furnace given by the man" Hu Yan pointed at Ye Chen.

He pointed at Ye Chen who had helped Wu Ziyi so that he could win.

"That's absolutely true" Hu Mai agreed, she helped Hu Yan to corner Ye Chen and Wu Ziyi.

"you guys" Shi Lin said to Hu Mai and Hu Yan, both shameless.

"That's true, there were no rules from the beginning, so what's wrong" Ye Chen said to Wu Yan and Hu Mai.

"Didn't he also bring a good furnace, so there is no problem with this thing" Ye Chen said to Wu Yan.

Ye Chen said that there is no cheating in this matter, so everything is fair.

All agree with what Ye Chen said, the furnace owned by Hu Mai is also good, so there is no compromise on this.

Hu Yan bit his lip, he didn't expect that Ye Chen would reverse opinions so easily, Ye Chen was a difficult opponent to overcome.

Shi Lin praised Ye Chen, she praised Ye Chen who could make Hu Yan shut up helplessly.

"If you don't accept it, let's have a match" Ye Chen said to Hu Yan.

He told Hu Yan to compete, he could show his abilities.

"Huh ?" Hu Yan, Hu Mai, Shi Lin and Wu Ziyi were shocked when they listened to what Ye Chen had just said.

"Are you joking with me so funny" Hu Yan said to Ye Chen, Hu Yan saw that if Ye Chen was joking, he wouldn't be able to win.

Chapter 2529 Ye Chen Challenged Hu Yan

"Are you kidding me," Hu Yan said to Ye Chen.

"Are you afraid, if you are afraid, just tell me in the first place" Ye Chen said to Hu Yan.

"Who is afraid of you, I will not be afraid of you" Hu Yan told Ye Chen that he would not be afraid of Ye Chen.

"Ye Chen, wait a minute, he is not an opponent you can easily fight" Shi Lin thanks to Ye Chen, she told Ye Chen that Hu Yan is not an easy opponent.

"Take it easy, I know what I'm doing" Ye Chen said that if he knew what he was doing, he was confident that he would win against Hu Yan.

"Hahahaha, ready to lose" Hu Yan said to Ye Chen, just like Hu Mai did, he mocked Ye Chen, the behavior of the two is the same, there is nothing to choose from the two.

"Let's make a bet, I hope you have something good" Ye Chen said to Hu Yan.

"Of course, I have something good" Hu Yan picked up a decent herb, it was equivalent to the furnace that Hu Mai had just snatched from Hu Mai's hand.

Hu Yan took a thousand-petal spirit flower, a very good herb to be used as a pill to be able to increase cultivation to one level.

"Not bad" Ye Chen said to Hu Yan, he saw that Hu Yan took out something good.

"Ziyi, doesn't it matter?" asked Ye Chen to Wu Ziyi.

"It doesn't matter, I did the same before, so you can do the same too" Wu Ziyi didn't mind this, herself allowing Ye Chen to use it as a bet.

Before Wu Ziyi used Ye Chen as a bet, now it's Ye Chen's turn to do the same as Wu Ziyi did.

"Ye Chen. . ." Shi Lin tried to stop everything before it was too late.

"It's okay" Ye Chen smiled at Shi Lin, he told her that if he would be fine, he didn't have to worry.

"I see" Shi Lin was obedient once, she was obedient to Ye Chen's words.

It's quite strange to see Shi Lin willing to be obedient, usually this woman will not be easy to be obedient with someone, except for the master, he will not listen to others.

"damn, what the hell is with this guy" Hu Yan began to wonder who Ye Chen was.

How did he make an unreasonable woman like Shi Lin into such an obedient woman, he had never seen Shi Lin obedient like that, it was the first time for Hu Yan to see him.

"So what rank are you now, I'll play with you" Hu Yan said to Ye Chen, he told Ye Chen that he would participate in Ye Chen's game.

"It should be me who asked like that, what rank are you now, I'm afraid you won't be able to keep up with me" Ye Chen said to Hu Yan.

Hu Yan's face twitched, he was unhappy when he listened to what Ye Chen said, it was like Ye Chen was insulting him.

"How dare you, I will make you lose face in front of everyone" Hu Yan said in his heart.

Hu Yan will definitely make Ye Chen regret it, he will make sure that Ye Chen will regret what he said.

"How about making a Tier 7 pill, whether you dare or not" Hu Yan said.

"Of course why not" Ye Chen said to Hu Yan, he accepted the challenge given by Hu Yan, there is no more retreat for Ye Chen, he will not retreat from the battle.

"don't regret the decision you made" Hu Yan said to Ye Chen, she told Ye Chen not to regret the decision made.

"Don't talk too much, it makes the time I have" Ye Chen said.

Ye Chen told Hu Yan not to say much, it was a waste of time that belonged to Ye Chen.

Hu Yan's face twitched harder, he tried to restrain his anger.

he was really too angry, he might be able to hit Ye Chen using his hands.

For only Hu Yan can restrain himself, it makes him not do such an unreasonable thing.

"You angered him" Chu Yuechan said to Ye Chen, Chu Yuechan saw how Hu Yan was angry, he must be very angry once at Ye Chen, Chu Yuechan was very sure of the matter.

"Let it go, he is the first to challenge, it's time to humiliate him" Ye Chen said.

Ye Chen was going to make Hu Yan, embarrassed, he had dared to challenge Ye Chen, Ye Chen would not let it pass him by.

"You really are" Chu Yuechan was helpless, no one would be able to stop Ye Chen anymore, they would fight.

"For this fight to be a draw, the furnace used is the same" Hu Yan said to Ye Chen.

Hu Yan said to Ye Chen, he told him that they would use the same furnace.

Hu Yan seemed to be afraid of the furnace owned by Ye Chen, which is why he avoided fighting Ye Chen by using a good furnace.

Ye Chen said to Hu Yan, telling him that he would not mind what Hu Yan wanted.

He was going to participate in the battle that ensued, he was ready to fight Hu Yan.

"Very good" Hu Yan will win, himself will win this battle easily.

"shameless man" Shi Lin's they if Hu Yan is shameless, it makes Shi Lin eyes sick.

"Well, are you two ready for battle" The old man came back, he was going to be a judge.

Ye Chen and Hu Yan had already decided, they had already decided for a Tier 7 healing pill.

"healing blood pill" Ye Chen and Hu Yan's agreed, they both agreed to this and it was decided.

"Healing Blood Pill, I've never made one before" Ye Chen said to Chu Yuechan.

"Take it easy, I have the prescription" Chu Ning'er said to Ye Chen.

"Then give it to me" Ye Chen said to Chu Ning'er.

"Of course" Chu Ning'er gave Ye Chen a healing blood pill prescription, this is an improved prescription, it is far more than Hu Yan has.

"Okay" Chu Ning'er gave it to Ye Chen.

Ye Chen began to learn it quickly, he learned it so quickly, he could even practice in his mind to succeed in the first experiment.

Ye Chen is already confident in the abilities he has, he is very confident that he is able to make pills perfectly.

Ye Chen's fire control ability is already at an extraordinary level, he is already at another level that no one else will be able to achieve.

This is because of the inheritance possessed by the Sage God, it allows Ye Chen to control the fire well.

"Start" the judges told the two to start, so the match officially began.

Hu Yan was the first to start, while Ye Chen was silent and was focusing on other things.

"what is he doing" everyone was a little confused by Ye Chen, they didn't understand what Ye Chen did.

The game had already started, but Ye Chen still didn't do something, it made everyone feel curious, they all wanted to know what Ye Chen was thinking and doing.

"what did Ye Chen do" Shi Lin herself didn't understand what Ye Chen did, she didn't understand what Ye Chen did, it gave herself a headache.

Wu Ziyi said to Ye Chen, she gave encouragement to Ye Chen.

Chapter 2530 Ye Chen's Abilities Were Beyond Reason

Wu Ziyi is the person who believes in Ye Chen the most, she believes in the abilities possessed by Ye Chen.

She believes that Ye Chen can do it, it's because Ye Chen made herself able to do it, so Wu Ziyi is confident that Ye Chen can do it too.

When Ye Chen still didn't start, Hu Yan had already arrived halfway, he had already arrived halfway, the abilities and skills Hu Yan possessed were extraordinary.

"rumble . . .", " look at it . . ." everyone saw that Hu Yan was about to make a pill, it could be seen when lightning began to strike.

Everyone in this place knows what will happen when lightning strikes, they all know that Hu Yan has reached the final stage.

Hu Yan was almost done, in the meantime Ye Chen still hadn't done something, maybe it would affect the result.

"doesn't he know about healing blood pill" some people began to think that Ye Chen didn't understand about healing blood pill, that explained why Ye Chen didn't start it, he should be able to start it easily if he wanted to.

Ye Chen began to open his eyes, he was done, he learned it perfectly, he could definitely win easily.

After being silent, Ye Chen finally started, he refined the materials and did refining in one time, it would speed up the time in making a pill.

"he finally started" Shi Lin was relieved when she saw Ye Chen starting, she was relieved when she saw Ye Chen starting quickly.

Ye Chen is doing fast, he can catch up with Hu Yan by using amazing speed.

Unlike Hu Yan, Ye Chen got rid of lightning by using his own power, he did it easily because he could control lightning.

It made Ye Chen's process faster because he didn't need to fight with the evil lightning that made the process of making pills long.

Hu Yan was still struggling, she used her power to survive the evil lightning.

Ye Chen's furnace was finished, he finished it first compared to Hu Yan.

"Huh? . . . , finished?, how could it be ?" everyone was shocked when they saw what happened, those who became alchemists didn't understand what Ye Chen did.

How could he make a pill quickly and without being struck by lightning, it was a strange thing once for those who looked.

"what happened?" Shi Lin didn't understand, she didn't understand what exactly happened, whether Ye Chen made the wrong pill, it made Shi Lin's mind confused and chaotic.

"it's done" The judge asked Ye Chen, he asked if Ye Chen was finished.

"Of course" Ye Chen said to the judges, he told him that he was done.

"Are you sure, you didn't fail" the judge asked Ye Chen, he wanted to make sure that Ye Chen did not fail.

"I can't fail" Ye Chen told him that he couldn't fail.

Ye Chen made everyone confused, they all didn't understand Ye Chen.

Even the senior alchemists couldn't understand Ye Chen, they couldn't understand how Ye Chen did such a thing.

"Boom . . ." some time later, Hu Yan caught up, he successfully completed the final process, it made trouble for himself.

"It's done, you are long enough" Ye Chen said to Hu Yan.
