

True God 2551

Chapter 2551 Fifth Exam

"Are you finished?" Wang Tao came down, he was the one who would be the one who judged.

Wang Tao went down directly to appraise Ye Chen, he was curious about the results that belonged to Ye Chen.

Wang Tao had never seen an Array like the one made by Ye Chen, which was why he was curious about the effect of the Array.

Wang Tao was the one who closed Ye Chen's escape road, he closed Ye Chen's escape road so that Ye Chen could not escape.

"go ahead" Ye Chen let Wang Tao, he made Wang Tao judge for him.

"So what is this?" Wang Tao asked Ye Chen, himself asking what Ye Chen had.

"This is the herbs growth speed Array" Ye Chen said to Wang Tao, himself telling Wang Tao about what he was making.

"herbs growth speed Array?, what is that" Wang Tao didn't understand at all, himself didn't understand what Ye Chen said.

Ye Chen looked towards Wang Tao, Ye Chen could tell that Wang Tao didn't know anything about this matter.

"he doesn't know?" Ye Chen said, looking at Wang Tao.

"how is it possible, this is just a low-grade Array, there is no way they don't know this kind of thing" Chu Ning'er said.

Chu Ning'er said to Ye Chen, she telling that this is only a low-level Array, even beginners can make it, So Chu Ning'er doubted that Wang Tao didn't know anything about this matter.

"please explain to me" Wang Tao told Ye Chen to explain to him.

Ye Chen explained the function of the herbs growth speed Array, he explained everything to Wang Tao.

Jai Li and several people were shocked when they knew what Ye Chen had just made, their reactions were all shocked when they knew that Ye Chen made a herbs growth speed Array, it was something that was very, very rare, they all fell silent when listening to the function of the herbs growth speed Array.

"It's amazing, he was able to make something like that" Jia Li said, Jia Li didn't believe that Ye Chen could make something great, again and again, Ye Chen surprised them, in just one day there have been many shocking things that happened right before the eyes of all of them.

"Is it true?" Wang Tao was completely shocked, he didn't believe what Ye Chen said.

"If you don't believe what I said, you can try it" Ye Chen said to Wang Tao, he told Wang Tao to try to use the herbs growth speed Array.

"I'll do it" Wang Tao understood, he directly tried the growth speed Array made by Ye Chen.

When Wang Tao tried it, he found that the growth speed of the Array was so great, it was so great, it felt really great to use.

"You are absolutely right, this is very interesting, very good, it seems that this is an ancient array that has disappeared" Wang Tao looked happy, he was excited when he knew what Ye Chen made.

Wang Tao is such a crazy person, he will naturally be interested after knowing what Ye Chen can do.

"Can you give me a copy of making this, I want it" Wang Tao said to Ye Chen, he told Ye Chen to give it to himself.

"Of course . . ." Ye Chen didn't mind, himself didn't mind giving it away.

"Wang Tao, what are you doing, trying to intimidate people by using the position you have" Xuan Mei said to Wang Tao.

Wang Tao paused when he listened to what Xuan Mei said, he was speechless again when he listened to what Xuan Mei said.

Wang Tao remembered his position, if he did that, he might lose face, he shouldn't do that in front of everyone in this place.

"cough . . ." Wang Tao gave a light cough, he will try to do his best to explain the misunderstanding that is going on right now.

I didn't mean that, you are such a great person, how about you join us, I will give you everything I have" Wang Tao invited Ye Chen, this is the fourth invitation received by Ye Chen.

"Thank you, I'll think about it" Ye Chen said to Wang Tao, himself going to think of the invitation given by Wang Tao.

"I look forward to good news from you" Wang Tao said to Ye Chen, he said to Ye Chen who had potential and interesting things.

After Ye Chen none of the participants were able to show a good thing, only Ye Chen was the only person who could do it, he became the most awesome person in this place.

"He got four invitations, it's too great" Shi Lin saw Ye Chen with incredulous eyes, this is the first time she has seen four direct invitations, this kind of thing may not have happened for a long time, it is not strange that Shi Lin was surprised when she saw this.

"He is so great, I admire him even more" Wu Ziyi said.

Wu Ziyi admired Ye Chen more and more, she admired the ability possessed by Ye Chen more and more.

Ye Chen showed Wu Ziyi a new world, it was shocking once to see the new world owned by Ye Chen.

The instructor looked at everyone's results, among all these people, there were only about 1% who passed, this number is small compared to before, considering that there are so many participants who did not participate, maybe only 15% took the fourth exam.

"Okay, you all barely made it to the fourth exam, now is the fifth exam, it is the most difficult, and I believe there are very few people who can participate, you will concoct pills" he said to everyone in this place.

There are so many people who retreat, the number of people who participate is only about 1%, it proves that the number of alchemists is very rare here.

There were only thousands of people present, some of whom were severe amateurs who couldn't even make a perfect pill and often failed.

"Ziyi is in the medicine faction, should I come along" Ye Chen thought for a while, whether he should go or not.

My original goal was to make weapons, so I probably won't just go along" Ye Chen made a decision, so he wouldn't participate.

Maybe Ye Chen should apologize to Wu Ziyi and Shi Lin, he probably won't be able to make the two happy, they probably won't be happy with the decision made by Ye Chen, Ye Chen is very sure of this matter.

"You dare to make that decision, so just do it" Chu Yuechan supported Ye Chen, she would support the decision made by Ye Chen.

Ye Chen's alchemist ability is already very good, so I guess he can practice by himself, now that Ye Chen only needs to focus on improving his other abilities, it will help Ye Chen more and more in the future.

"Fufufufu, where are you going?" Jia Li stopped Ye Chen, she used her own power to stop Ye Chen from moving.

Ye Chen was held back by Jia Li, this woman tried to make him perform in this place.

Ye Chen looked at Jia Li, he begged Jia Li to let himself go right away.

Jia Li didn't let Ye Chen, she smiled beautifully in front of Ye Chen.

"You are not going anywhere, why don't you show your ability, I heard from Shi Lin that you have the ability" Jia Li said to Ye Chen.

Jia Li told Ye Chen, she wanted to see Ye Chen's abilities.

Ye Chen began to understand what Jia Li wanted, he began to understand that this woman wanted to see his abilities.

"Shi Lin, what are you doing, you are making trouble for me" Ye Chen complained, Shi Lin was making trouble for himself, it was really troublesome once.

"Ye Chen, show the best ability you have" Shi Lin and Wu Ziyi said to Ye Chen, they supported Ye Chen from afar.

Both of them want to see Ye Chen use full ability, they can't wait to see the strength that Ye Chen will show.

"understood" Ye Chen understood, he would just start right away, he would show everyone that he was a worthy person.

After all, Ye Chen will not let Wu Ziyi and Shi Lin be disappointed, he will show the best he can do now.

"Okay, let's start" Ye Chen was excited, he would probably be a little serious.

"You want to be serious, what a rare" Chu Yuechan said to Ye Chen.

"I won't let them down, let's show you the little abilities we have" Ye Chen said to Chu Yuechan.

Ye Chen showed the abilities that he had, whether any of them could compete against Ye Chen head-on, this would be their own problem.

Everyone gets a furnace, they get a decent furnace.

"You will all make the same medicine, it won't be too difficult, the fastest and successful will pass, you have 2x the chance, so do your best" Jia Li said to everyone.

Jia Li made a beautiful pose once, this naturally made all men excited when they saw the attractive pose possessed by Jia Li.

That Milf's body is too strong, no man survives if faced with that kind of thing.

"Okay" so many men are excited when they see Jia Li, they will do their best to be able to qualify.

Jia Li smiled, this woman's smile is beautiful like a flower, she is a perfect and glamorous woman.

The charm of Jia Li is indeed difficult to resist, this beautiful woman makes men excited.

"interesting. ." Ye Chen was interested in Jia Li, he wanted to see if he could get this woman, but it seemed that for now it was a little difficult to realize considering their huge difference in strength.

it doesn't matter, Ye Chen will do the best he can to target Jia Li, in the future maybe he can get it.

Chapter 2552 Ji Li Was Shocked

"All of you, I invite you all to start" Jia Li told everyone to start.

With the start of the exam, everyone directly took the medicine and began to do the refining, they performed at the highest speed they had.

Everyone wants to be the best, they all want to show the ability they have.

Ye Chen also started, he started slowly, Ye Chen did that casually once, he seemed to have no pressure.

The other participants were quite depressed, they felt even more tense when Jia Li saw them.

"Jia Li did it on purpose, he put a pressure on all of them, this test became more and more interesting, Jia Li also wanted to see how mentally strong they were.

"Hmmmmmm . . ." Ye Chen enjoyed this well, he didn't care about the pressure used by Jia Li.

"He is not affected?" Jia Li was a little annoyed when she knew Ye Chen was not affected, she was not happy when she saw Ye Chen was not affected by mental pressure.

Jia Li decided to strengthen the pressure that belonged to her, this might make other participants feel trouble.

"Boom . . ." The furnace owned by some participants exploded, it exploded and instantly knocked them away.

"Uh . . , it must hurt" Ye Chen was so sure that if they were in pain, he could be sure that they felt pain when they received the explosion just now.

Many participants began to sweat profusely, they sweated when subjected to strong pressure.

"Must not give up" They refuse to give up, they will all not give up in this place.

They inflame their youthful spirit, they will not lose in this place, they will show their abilities.

If not now, then when will they show their abilities.

"they are so excited" Xuan Mei looked at the participants below, she could clearly see that the they was so excited, they were all obviously very excited when making the pill.

"Good spirits, but I'm a little annoyed" Jia Li said.

Jia Li was annoyed, she didn't succeed in putting pressure on Ye Chen, as if Ye Chen ignored the pressure possessed by Jia Li.

Chu Yuechan protected Ye Chen, she protected Ye Chen from the pressure released by Jia Li.

Ye Chen didn't feel the pressure from Jia Li at all, it made himself easily make a good pill.

"boom" a explosion occurred in the furnace, Ye Chen had successfully made one.

"I have succeeded" Ye Chen said to Jia Li, he became the first to finish.

"It's done, so quickly" Wang Tao saw that Ye Chen was finished, he was quite surprised when he knew Ye Chen was finished.

"It's done, so fast" Jia Li went downstairs by herself, she didn't tell her apprentice to check.

"Let's see what you can make" Jia Li said to Ye Chen, Jia Li wanted to know what Ye Chen could make, she wanted to see what Ye Chen could make now.

"I'm just a rookie, I'm not as good as you" Ye Chen said that he was not as good as Jia Li.

"don't be humble" Jia Li said to Ye Chen.

Jia Li directly opened Ye Chen's furnace, the fragrance should come out and envelope the surroundings, it tickled the nose that belonged to Jia Li.

"really something" Jia Li felt that if this was something, he took a look and took it out.

Jia Li was silent for a while, she was silent for a while when she saw what Ye Chen had made.

Jia Li didn't expect that Ye Chen would be so awesome, it made Jia Li startled.

"hmmm, this is perfect" Jia Li felt that if Ye Chen made it perfectly, maybe the purity was almost 99%.

It's so tall, she is obviously so talented, it seems that Jia Li just found an interesting item.

"do you want to join the medicine faction, I can let you be with this elder sister" Jia Li said to Ye Chen.

"uh . . ." many men spurted blood when they listened to Jia Li's words.

It is obvious that they will misunderstand when they listen to what Jia Li said, what Jia Li said is like an invitation to date.

"Damn, I'm envious, why not me" everyone was envious when they saw this, they all envied seeing Ye Chen receive such treatment, they had never received such treatment in their lives.

"Old lady, what are you doing?" Xuan Mei would not let Jia Li, she would not let Jia Li use her charm to catch Ye Chen.

"you do not disturb, I just want to be with him" Jia Li said to Xuan Mei.

"Do you think I will allow it" Xuan Mei said.

Xuan Mei wouldn't allow it, she wouldn't allow Jia Li to do that.

Both of them gave off a terrifying aura, it made people tremble when they felt the pressure from Jia Li and Xuan Mei.

Jia Li and Xuan Mei still didn't use all their strength, they still restrained themselves from dragging people around.

If until they use their strength, maybe the people around will faint directly on the spot, the difference in their strength with the participants around is heaven and earth.

"you two please stop" Wang Tao and Li Haong and the other faction leaders had to intervene, there would be a battle if they didn't intervene.

After the other faction leaders intervened, they finally wanted to be reconciled.

"You graduate, you can join, please think about it carefully, I appreciate your talents, I don't mind giving private lessons either" Jia Li said.

Jia Li is so teasing once, she knows how to tease Ye Chen, it is a weakness of Ye Chen.

Ye Chen found a powerful enemy, Ye Chen couldn't help but have to admit that Jia Li was teasing.

"We'll see later" Ye Chen said to Jia Li, he told Jia Li to take a look later.

"I'm waiting patiently, lest you join that old lady faction" Jia Li said to Ye Chen.

Jia Li said to Ye Chen, she told Ye Chen to stay away from Xuan Mei.

"What the hell is that, are you trying to influence it with your charm" Xuan Mei said.

Xuan Mei was not happy with what Jia Li did.

"Are you unhappy, I'm just telling the truth, I don't want him to be cut off by your sword" Jia Li returned the words from Xuan Mei.

The two restarted the battle, this made those onlookers couldn't help but shook their heads, they were speechless when they saw what Jia Li and Xuan Mei were doing.

Ye Chen moved away, there was nothing he could see in this place, both of them had terrible methods, it was not good to offend them.

Fortunately, they didn't fight, both of them were able to calm down and return to their seats.

Jia Li told her apprentice to judge, she didn't have time to do it and could only judge Ye Chen's.

Some time later there were countless people who finished, they all seemed to have finished in making pills.

The participants who succeeded were about 20%, it was because Jia Li told them to make a difficult pill, so it was not strange that they had problems when they made it.

Plus the pressure exerted makes them fail and cannot concentrate.

They can't blame Jia Li, they don't have the right to blame Jia Li, they can only swallow it all raw, they don't have the right to fight Jia Li.

"Congratulations to you," Jia Li said to those who succeeded.

80% of those who succeed are women, while the rest are men.

Chapter 2553 Let's Get Married

Jia Li himself had 75% women in her faction, while the remaining 25% were men.

The numbers weren't evenly matched, so the man who did manage to enter would be lucky to enter the medicine faction.

"Okay everyone let's move on, are you guys ready, this time is something you might have been waiting for"

"The faction of harmony, where women are graceful and men are handsome."

Several people from the harmony faction appeared, wearing cool and charming clothes and clothes.

no need to ask again, the appearance they have is clearly attractive, they can easily become models and artists..

"amazing, they are beautiful" the men started to get excited when they saw these beautiful women who were feminine and elegant, they were like nobles from the upper class.

Men are also not bad. They have excellent figures. Their figures can be said to be extraordinary.

Even so they wouldn't be able to beat Ye Chen, that was because Ye Chen was already at another level, so no one could compare with Ye Chen.

"They are not too bad, in terms of appearance they are not bad, they are already very good" Ye Chen said.

"It seems they were taught to be high class men and women, the way they walk shows it." Chu Yuechan made a comment,

"Um. ..., you are absolutely right" Ye Chen agreed with what Chu Yuechan said, they had been trained well, Chen Ting must have trained everyone well.

"Let us judge you, are you ready?" they said to all the participants.

All the participants nodded lightly, they were ready to show off their skills.

All participants try, they want to try it and who knows they will match.

Playing an instrument is something that everyone can do, they can do it here, it's just that the harmony in playing it is something different for everyone.

They all have to do their best, they all have to play it well or they will be embarrassed

Everyone is given the same musical instrument, they are all given a good musical instrument and can be played with a beautiful voice.

"you all, it's an instrument you should play, I would say, it has 10 strings, each string has its level, the higher it is the heavier it is, it takes both strength and talent to use it" one of them explained to participant here

They were all outer court disciples, they explained the musical instruments that had been scattered.

this will be a difficult thing, to be honest playing the ten strings will be a challenge for them.

"Do you understand already?" he asked all the participants here, they should understand the rules of the game.

Everyone understands, they all understand what must be done.

"play the best music you know" he invites everyone to play the best music they know.

They've all started, to be honest this place comes alive when they start.

Some of them were very good, while some were so bad that the judges stopped playing musical instruments.

It's something that when lots of people play instruments together, it makes a mess.

"They make me dizzy" Chu Yuechan didn't really like the sounds people made, their melodies were unpleasant to listen to.

"I know how you feel" Ye Chen knew what Ye Chen felt, he also felt the same way as Chu Yuechan.

"master, destroy them all" Chu Yuechan said to Ye Chen, he told Ye Chen to destroy them all.

"Of course, let me show what I have." Ye Chen intends to show what he has.

Ye Chen was definitely not as good as Zhao Yanyan and Qiao Xin, even so, he still had confidence in his own abilities.

"Okay, time to start" this is the time for Ye Chen to start, he will show his own ability.

"Ding . ." Ye Chen's voice is very beautiful, he plays the instrument with beautiful harmony and very loud.

Ye Chen used all the strings, he played ten strings effortlessly.

With Ye Chen's physical strength, he is of course able to play musical instruments perfectly and beautifully, Ye Chen's ability no longer needs questioned, it's first class.

Everyone stopped, they listened to Ye Chen playing musical instruments, they were speechless when listening to Ye Chen playing musical instruments.

The area became silent, currently only Ye Chen was playing, he was too domineering and no one was able to compete against him.

They enjoy, they love the voice produced by Ye Chen, it was melodious and made them feel at ease in both soul and body.

"oh, I feel like purified" they feel their soul is being purified.

The women were left speechless, they started praising and made Ye Chen their new idol.

Chen Ting and everyone from the harmony faction knew that Ye Chen had great abilities, they could feel that because Ye Chen used his soul.

"This is so beautiful, it's really something extraordinary." Chen Ting felt that this was something, he felt Ye Chen was something that made him feel a strange and unreasonable feeling.

Inside Chen Ting's heart began to feel an unreasonable feeling, he began to feel a strange feeling from Ye Chen, this feeling was really very comfortable and made Chen Ting feel something.

Chen Ting kept looking at Ye Chen, seeing Ye Chen made him feel the best feeling in the world, he was speechless when he saw Ye Chen doing well.

Ye Chen played for 5 minutes, those 5 minutes seemed like a long time to everyone, then brought to another world by Ye Chen.

"Your ability is pretty good, it's close to Yanyan's ability" Chu Yuechan said.

Ye Chen's ability was already very good, he had abilities close to Ye Chen's, if Ye Chen practiced more, he would probably be on the same level as Zhao Yanyan.

"I'm not really interested, I prefer to listen to Yanyan, it's very delicious" Ye Chen said.

Ye Chen wanted to listen to Zhao Yanyan, it was a beautiful day for Ye Chen.

"clap . . ., clap . . ., clap . . ., clap . . ., clap . . ." people started clapping, they acknowledged Ye Chen and his abilities.

"Thank you very much" Ye Chen thanked, he was happy with the praise given.

"you" Chen Ting came down, she said to Ye Chen.

Ye Chen turned around, he greeted Chen Ting who was in front of his eyes.

Chen Ting came closer, he took Ye Chen's hand and started to hold it.

Ye Chen was a little confused when he saw what Chen Ting was doing.

About what will done by Chen Ting, Ye Chen wants to know it.

"let's get married" Chen Ting said.

"huh?" Ye Chen was confused when he heard what Chen Ting said.

"ehhhh . . . !!!!!!!" Everyone screamed when they heard Chen Ting's words, they couldn't believe what they had just heard.

"This can't be happening, this can't be happening, how can it happen" Lots of people don't believe what they see.

They couldn't believe what they were seeing right now, to be honest it was quite difficult to believe what they were seeing right now.

Chen Ting expressed her feelings, this is something that never happens in life.

The member of the harmony faction were speechless when they saw what was happening, they could hardly believe that the faction leader would do such a thing.

Chapter 2554 I Want To Join

"How?" Chen Ting asked Ye Chen, she needed an answer from Ye Chen.

"It's a bit difficult" Ye Chen smiled, he didn't expect that the situation would turn out like this, such a situation was something that Ye Chen couldn't anticipate.

Something that Ye Chen would not be able to anticipate since Chen Ting expressed her feelings like that.

"fufufufu , master, what are you going to do, something good is in front of you" Chu Yuechan said to Ye Chen, her telling Ye Chen that there was something good ahead of her.

"I'd be happy if we were alone, the problem is that there are a lot of people around this place" Ye Chen said to Chu Yuechan.

Some people's reactions were obviously unhappy when they found out what Ye Chen was thinking, all of them were clearly unhappy when they found out what happened.

Many men in this place had feelings for Chen Ting, she was one of the beauties in the Sect, so it wasn't strange that there were many people who were displeased with Ye Chen.

"Why are you doing this?" Ye Chen asked Chen Ting, he wanted to know Chen Ting's reason.

"I think I've fallen in love with the way you play the instrument" Chen Ting said to Ye Chen, she told Ye Chen that she was interested in Ye Chen

Chen Ting told the reason, she was not ashamed to admit it.

Chen Ting was a bold woman, she would not stay silent when she liked something, feminine women would be different when they liked something.

"You don't mind right" Chen Ting asked Ye Chen, Chen Ting asked Ye Chen, she wanted to know whether Ye Chen minded or not.

"I. . ., this is so complicated" Ye Chen said to Chen Ting.

Ye Chen pointed out that this was very complicated, to be honest this would probably be a very complicated thing.

"It's okay, you are still young, you must be confused when you hear this" Chen Ting said to Ye Chen.

Chen Ting was aware that Ye Chen was still young, he might still be confused about this matter.

"of course I'm still confused, you make me dizzy" Ye Chen felt dizzy with Chen Ting, somehow the people here are a little strange and unreasonable.

"It's fine, then we can start slowly" Chen Ting said to Ye Chen.

Chen Ting said if they could start slowly, it would make them better.

They will get to know each other, it is an interesting relationship for Chen Ting.

"we can start a beautiful journey together, I can't wait" Chen Ting said to Ye Chen.

"Stop right there, faction leader what are you doing?" the female disciples stopped Chen Ting, they couldn't let Chen Ting do such a thing, it would affect their reputation too.

They were trying to keep Chen Ting away from Ye Chen, it would be a problem if this continued.

They had to admit that Ye Chen was talented and something, they couldn't even bear to look at it, so they hurriedly took Chen Ting away so that the situation wouldn't become chaotic.

Ye Chen smiled when he saw this, for only Chen Ting was taken away and all the commotion was brought under control.

"mmm . . ." Wu Ziyi pouted, she really didn't like this kind of thing, what kind of thing was this, it annoyed Wu Ziyi.

"Oh my, what happened here, why did the situation turn out like this" Shi Lin said.

Shi Lin felt helpless when she saw what happened, she couldn't help but sigh when she saw what Ye Chen was doing.

Once again Ye Chen attracted attention, he attracted the attention of the strong people in the Sect .

"He can do almost everything ?" Shi Lin felt that Ye Chen could do everything, where did such ability come from, which made Shi Lin feel curious.

Chen Ting was brought back to her seat, she was a little sulky when she was dragged back, even though she found what she had been looking for.

"I didn't expect that the gentle master Chen Ting would be like that, it seems that the person's charm is very strong." Xuan Mei saw Chen Ting, this feminine woman rarely lost control, to be honest, this made Xuan Mei surprised.

"He will join me, I guarantee it" Jia Li said to Xuan Mei and Chen Ting.

"we'll see" Xuan Mei and also Chen Ting started to join in, they started to join the battle.

The three begin to join the battle, this will be a fierce battle as they compete against each other.

The situation got even worse, now that they were targeting each other, this might become a problem for all of them.

The other participants started to solve it too, they showed what skills they have.

Their abilities weren't as good as Ye Chen's, it was clear that they were all disappointed with the abilities they had.

They couldn't compare with Ye Chen, that was because Ye Chen had listened to countless beautiful songs from Zhao Yanyan.

Time passed, people started to get disappointed because they didn't pass, the assessment was very strict, those who didn't have talent were rejected.

"All of you have gone through a lot until now, now is the final test, the test for making tools and weapons, do any of you want to take part. . .?" he asked everyone in this place.

Everyone was silent when they heard this, they were all speechless when they heard this matter.

They didn't seem to have the intention to participate, more like they didn't have the ability to do so.

"It seems that this year there is no one, it's a pity." Chu Peng was disappointed, He was disappointed when he saw that this year no one participated.

"It seems they are not interested in our Sect , if it continues like this, we will have problems in terms of weapons" If this problem continues, they will be short of people and buy weapons and equipment from other Sects .

That's obviously bad news, it's incredibly bad news because they all need it.

In Sect all factions complement each other, these all complement each other, if one has problems, then they will also have problems.

"Maybe we should recruit even more." Xuan Mei had the idea to recruit more, this matter could not be allowed.

"May I join?" Ye Chen said to Chu Peng , he told him that he wanted to join.

"What?" Everyone was of course surprised by what Ye Chen said, they all did not believe what Ye Chen said.

What Ye Chen said was quite shocking for everyone in this place.

Out of all the existing factions, why did Ye Chen choose the weakest and fewest factions, it was obvious that it would make Ye Chen lose.

"Are you serious about what you said?" Chu Peng was shocked, he still couldn't believe what Ye Chen said.

"Of course, I mean what I say" Ye Chen told that he was serious, he meant what he said.

"oh, this is very rare" Chu Peng said that this is very rare, to think that Ye Chen would choose the equipment faction that was about to collapse.

all the faction heads were confused by Ye Chen, out of all of them, why did Ye Chen choose the lowest faction, it made them feel confused.

"What is he doing ?" Shi Lin didn't understand Ye Chen, guess what Ye Chen was thinking.

Chapter 2555 Are You Sure About The Decision You Made To Join The Equipment Faction

"wait, why did you do that ?" Chen Ting asked Ye Chen, she wanted to know why Ye Chen did that.

"That's because I want to learn more about making equipment and artifacts" Ye Chen said to Chen Ting.

Ye Chen told his reasons, he told what made him decide to do that.

Chen Ting saw the seriousness shown by Ye Chen, she had no words to refute Ye Chen's words.

"Are you really sure about that choice, this is an important choice regarding the future you have" Xuan Mei said to Ye Chen, she told him that this was a decision that had to be considered carefully.

"Of course, I have considered this matter well" Ye Chen informed that he had considered this matter with his eyes, he was sure of the choice he made.

"Oh my, how could you do that" Jia Li was also not very happy with Ye Chen's decision, even though he wanted to get Ye Chen, everything might be in vain.

"This is the choice I made" Ye Chen spoke, himself telling that this was the decision he had made.

"Is that so, then we won't stop you anymore" they saw Ye Chen's serious tone, it seemed that they would not be able to stop Ye Chen.

"That's it, you all better stop right now, he has already made up his mind" Huang Peng , Li Haong and Wang Tao said that once Ye Chen had made up his mind, they wouldn't be able to change it.

"you are absolutely right, he has already decided, there is nothing we can do" they could only sigh, there was nothing they could do about this matter, they could only accept it.

"but if you change your mind, you can come directly to me, I will be happy to receive you" said Jia Li.

Jia Li said to Ye Chen, she told Ye Chen to contact her if he changed his mind.

"Thank you" Ye Chen thanked for what Jia Li did.

"Then I'll go first, see you later little guy." Jia Li gave Ye Chen a beautiful smile, after which he returned to his place.

"I don't really like that woman." Xuan Mei said to Ye Chen, her telling that she didn't really like Jia Li.

"ahaha " Ye Chen smiled when he heard what Xuan Mei said, he was speechless when he heard this.

Ye Chen knew about this matter, so he didn't want to comment, it would be a problem if Ye Chen misspoke.

"Ye Chen, the sword faction will welcome you too, I hope you change your mind" Xuan Mei said to Ye Chen, she really hoped that Ye Chen would change his mind.

"thank you, I will remember this" Ye Chen said to Xuan Mei.

"See you later" Xuan Mei said goodbye to Ye Chen, herself left and disappeared from Ye Chen's sight.

Chen Ting also said goodbye to Ye Chen, he told Ye Chen to visit him, if they were meant to be, they might get married soon.

Ye Chen was helpless when he heard this, it seemed that Chen Ting still had not given up, this woman still had not given up on what she wanted.

"goodbye" Chen Ting left, she took her people back to her place.

With that, Huang Peng , Li Haong and Wang Tao also left this place.

"Ye Chen" Wu Ziyi and Shi Lin came to Ye Chen, they all came to Ye Chen and asked Ye Chen.

"What is it?" Ye Chen asked Wu Ziyi and Shi Lin.

"why did you do that?" Shi Lin asked Ye Chen, she needed to know the reason why Ye Chen did that.

"No reason, I just want to try new things" Ye Chen said to Shi Lin, he telling that he wanted to try new things.

Ye Chen needed something new, he wanted to try something new for himself.

"Are you sure about your decision? You should improve your alchemist skills now," Shi Lin said to Ye Chen.

"I will of course do it, but for now I will focus on my goal" said Ye Chen.

Ye Chen will focus on the first objective, he has his own plans to complete.

"If that's what you say" Shi Lin couldn't persuade Ye Chen, it seemed that he didn't have a chance to make Ye Chen change his mind.

"Um . . Wu Ziyi was a little displeased when she heard this, it seemed he was about to separate from Ye Chen.

"What is it?" Ye Chen asked Wu Ziyi, he wanted to know what Wu Ziyi was thinking.

"I was just a little displeased when I found out what happened" Wu Ziyi said to Ye Chen, she telling the reason why she was displeased.

"It's okay, we can still meet" Ye Chen said to Wu Ziyi, he telling Wu Ziyi that they could still meet.

"He's right, we can still visit him, meanwhile he can also visit us, we don't need to worry" Shi Lin said to Wu Ziyi.

"Um , I see." Wu Ziyi understood, she slightly understood what Shi Lin said.

"let's go back" Shi Lin said to Wu Ziyi, she asked Wu Ziyi to come back with her.

"I understand." Wu Ziyi nodded, she joined Shi Lin and started to walk around.

"are you ready" Chu Peng said to Ye Chen, he asked whether Ye Chen was ready or not.

"I'm ready, let's go" Ye Chen said to Chu Peng .

"come with me" Chu Peng said to Ye Chen, he told Ye Chen to come with him.

Ye Chen went with Chu Peng , Chu Peng took Ye Chen to the equipment faction , he took Ye Chen around .

"This place is quite." Ye Chen said to Chu Peng .

Ye Chen saw that this place felt very lonely, he didn't see many people in this place.

"I told you that there weren't many people in this place." Chu Peng said to Ye Chen, he told him that there really weren't many people in this place.

"Oh, I see. . ." Ye Chen understood, he began to understand what Chu Peng said .

"since this place is wide and empty, you can freely have whichever place you want" Chu Peng said to Ye Chen.

"I understand . . ." Ye Chen understood, he would do it.

"If you need techniques, just go to the library over there, there are tons of copies for making weapons and methods for making weapons" Chu Peng said to Ye Chen.

"I will do it" Ye Chen said that he would do it.

"if you need anything, you can go and meet me, I will be in my room" Chu Peng was busy, he had a lot of orders to complete.

"There will be students who come and deliver your badge, you just wait" said Chu Peng .

After saying that, Chu Peng left, he left Ye Chen alone.

"Okay, it seems that everything is over, it's time to see if there is anything good in this place." Ye Chen went straight away, himself directly.

Ye Chen wouldn't waste his time, he just went straight to the library.

There Ye Chen could find what he was looking for.

Ye Chen came in, there was no one in this place, only a guard was on guard, he looked lazy and didn't care about what Ye Chen was doing.

Chapter 2556 Weapons Experiment

"May I see everything in this place?" Ye Chen asked the old man, himself wondering if he could see everything in this place.

"You may do it, this is not a cultivation technique hall, as long as you are capable of learning it, you are free to use it" he said to Ye Chen.

"Is that so" Ye Chen understood, he could use everything in this place, that's why Ye Chen probably didn't need to hold back in studying it.

Ye Chen entered, he immediately left and started to study everything in this place.

By using his abilities, he managed to learn everything quickly.

"This is great, there are so many new things" Ye Chen said to Chu Yuechan.

Ye Chen likes it, he probably already understands some interesting things, he got a few copies to make a top Tier weapon .

"good, you got what you were looking for" Chu Yuechan looked happy when she saw Ye Chen got what she was looking for.

"I've got what I was looking for, time to make weapons" Ye Chen said to Chu Yuechan.

After getting what he was looking for, Ye Chen left this place, he had learned what he needed right.

Ye Chen came out, himself came out of this place and looked for a temporary residence in the Sect .

Ye Chen realized that he would live in this place, so he had to find a place to live.

Since this was the Equipment Sect , sleeping area and workshop all in one place, it would be easier for them to work.

There were a lot of empty rooms, Ye Chen just had to find a good and suitable place.

"it seems like a good place" Ye Chen found a place to stay, he will stay in this place for the time being.

Ye Chen came in, it was very dusty inside, it could be seen that this place had not been used for a long time, so there was a lot of dust.

"good, let's clean up this place first" Ye Chen decided to clean up this place first, after that he would get to work.

Ye Chen used strength to clean this place, with a little touch that Ye Chen did, he was able to make this place clean.

"done, it's taking longer than I thought" it takes time, Ye Chen needs time to clean up this place.

After cleaning up this place, Ye Chen lit a fire and prepared to make weapons.

Ye Chen started to smelt metal, he smelted pure black orihalcum , to melt something hard like pure black orihalcum , Ye Chen used more strength.

"master, why don't you use the room inside the fairy gate, you rarely use it" Chu Yuechan said to Ye Chen.

"Inside the Fairy Gate is too easy, I will practice outside here for a while." Ye Chen felt that he could do everything inside the Fairy Gate, one day it would be a problem.

That's why Ye Chen decided to train outside, it was to develop his abilities so he could adapt better.

"Is that so, I didn't know you would think like that." Chu Yuechan nodded, it seemed that she already understood what Ye Chen wanted.

Chu Yuechan already knows Ye Chen's goal, this is the right time to support Ye Chen, she will support Ye Chen and do her best.

After smelting the iron, Ye Chen started to make weapons, he used a powerful hammer and started to shape them.

"Clang. . ., Clang. . ., Clang. . ., Clang. . ." The sound Ye Chen made was extremely loud, he had actually used all of his strength to make a weapon.

"more stronger, more stronger" Ye Chen repeated this process many times, he confirmed that it was pure black Orichalcum becomes solid and won't break easily in battle.

This process took a very long time, Ye Chen needed at least 1 hour to complete his weapon.

"one sword made" Ye Chen tried it, he wanted to know how strong the weapon he made was.

Ye Chen swung with all his might, he tested the power of the self-made sword.

"not bad, this sword is very good" Ye Chen saw that the sword he made was very good, he was satisfied with what he made.

"Ein" Ye Chen called Ein, he told Ein to test his weapon.

"What is it?" Ein appeared, she immediately stood beside Ye Chen, please test this weapon for me" Ye Chen said to Zhang Ein, he told her to test the weapon he made.

Zhang Ein did as Ye Chen said, she started to test the weapon Ye Chen made.

"Clank . . ." when Zhang Ein tested it, she accidentally broke it, it seems that the strength of Zhang Ein is so strong that it can be easily broken.

"sorry, it broke" Zhang Ein said to Ye Chen.

Ye Chen was speechless when he saw Zhang Ein's strength, it was clear that Zhang Ein's strength was beyond reason.

"It's okay, it looks like it's still weak, I'll work harder to be able to make a good one" Ye Chen said to Zhang Ein

"Um" Zhang Ein said that he would support Ye Chen.

Ye Chen returned to making weapons, this time he would make something that Zhang Ein would not destroy.

Ye Chen worked day and night, he failed several times in his experiments, the weapons he made had many flaws and weaknesses, that made him less sharp and less powerful.

"it's really bad, it's tiring" Ye Chen probably needs to rest, he has been working hard for a few days, he should probably rest for a while.

"Here is your food" Zhang Ein said to Ye Chen, she told Ye Chen to eat the food she made.

"thank you very much, this helped me" Ye Chen thanked, for the past few days, Zhang Ein provided for Ye Chen's needs, Ye Chen was greatly helped by what Zhang Ein did.

"Ein" Ye Chen asked Zhang Ein.

"What ?" Zhang Ein answered Ye Chen, she did the work and poured tea for Ye Chen.

"what do you do when you are away from me" Ye Chen was curious, he wanted to know what Zhang Ein did when she was not with Ye Chen.

"If I wasn't with you, I might be helping the work of people in need."

"don't you feel the hassle" Ye Chen asked Zhang Ein, he wanted to know if Zhang Ein didn't bother.

"of course not, I enjoy my work, I feel more alive when doing this work" Zhang Ein said to Ye Chen.

Zhang Ein enjoyed her work, she enjoyed every job without complaining.

In fact, Zhang Ein would get bored if she didn't do anything, thus she chose to work to spare her time.

"Is that so, it might be a good decision, you are very useful, I'm sure that people think the same way" Ye Chen said.

Zhang Ein was surprised by what Ye Chen said, to be honest this was the first time anyone had spoken to her like that.

This of course made Zhang Ein surprised, she was surprised by what Ye Chen said.

"thank you very much, I am very happy" Zhang Ein said to Ye Chen, she was happy that she decided to serve Ye Chen..

Zhang Ein was in a good mood, she made more food for Ye Chen.

Ye Chen accepted everything, it was impossible for him to refuse everything that was given by Zhang Ein.

Ye Chen felt that he was very spoiled by Zhang Ein, it made Ye Chen fall asleep.

It's a very pleasant experience, Ye Chen likes Zhang Ein's work.

Chapter 2557 Shi Lin's First Visit

Ye Chen spent all of his time resting and starting to recover the strength he had after working non-stop.

"this is the best, resting after hard work really feels very comfortable"

Ye Chen felt very comfortable when he rested after working quite hard.

"knock.....,knock.....,knock....., Ye Chen, are you in side" Shi Lin called from outside.

"wait a moment" Ye Chen said to Shi Lin, he told her to wait a moment, he would open the door.

" click . . ." Ye Chen opened the door, he saw Shi Lin's figure at the door.

"what's wrong?, why are you here ?" Ye Chen asked Shi Lin, why did she come to his place.

"what's wrong?, am I not allowed to come to this place" Shi Lin said to Ye Chen.

"of course you can come, who would dare to forbid you to come" Ye Chen would not forbid Shi Lin who wanted to come visit.

"what are you doing there" Shi Lin asked Ye Chen, he wanted to know what Ye Chen was doing,

"Making weapons, although many have failed" Ye Chen said.

"It seems that you are not that great" Shi Lin said to Ye Chen.

"maybe, I might not be that strong, I still have to learn a lot more" Ye Chen said to Shi Lin.

Ye Chen was not ashamed to admit it he would make a perfect weapon that was difficult to destroy.

"Where is Ziyi, she didn't come with you" Ye Chen asked Shi Lin.

"Impossible, she won't come" Shi Lin said to Ye Chen.

"Why?" Ye Chen wanted to know, roughly what happened to Wu Ziyi.

"she is in serious training with master, I don't think she will be leaving anytime soon" Shi Lin said.

Shi Lin had experienced training with Jia Li, she believed that Wu Ziyi would not come out anytime soon, she would probably come out after a few weeks of being confined in there.

" hahahaha , so that's how it is, I think she's going to be in trouble." Ye Chen could be sure that Wu Ziyi would be in trouble.

"I'll take a look" Shi Lin looked at Ye Chen's study, she saw the things that Ye Chen had made.

"This looks beautiful" Shi Lin picked up a sword, she seemed to like the sword design that Ye Chen made.

"what is this" Shi Lin asked Ye Chen, she wanted to know what Ye Chen made.

"That, black rose sword" Ye Chen said.

Ye Chen thought of the name of the sword, because it had a rose flower design on the hilt which was beautiful and black in color, hence Ye Chen named it as black rose sword.

"I see, this is great" Shi Lin said to Ye Chen.

"If you like it, you may keep it" Ye Chen said to Shi Lin.

Ye Chen gave the sword, Shi Lin seemed to like the sword.

"Are you sure, you will give this thing to me ?" Shi Lin said in disbelief, she didn't expect that Ye Chen would give this thing for free .

"You don't want to, if you don't want to, I will . . ." Ye Chen said to Shi Lin.

"Of course I do, when I say no, I will accept it." Shi Lin said that she would accept it.

Shi Lin hugged the sword, she really liked the sword made by Ye Chen.

Ye Chen smiled it seemed Shi Lin really liked what he made.

"The sword still doesn't have a scabbard, looks like we have to look for it" Ye Chen said to Shi Lin.

"What?" Shi Lin didn't understand, she didn't understand what Ye Chen said.

"Come with me, I will take you to find a good sheath, where is the best forest" Ye Chen said to Shi Lin.

"oh. . ., Shi Lin understood. . ." she started to understand what Ye Chen wanted.

"I'll accompany you, just think of it as reciprocation" Shi Lin said to Ye Chen.

she told that she would help Ye Chen, she wanted to help find the best tree with Ye Chen.

"Of course, I will gladly accept" Ye Chen said that he would gladly accept.

Ye Chen and Shi Lin left, the two left and headed straight for the forest that was nearby.

"This is the biggest forest in this place" Shi Lin told Ye Chen, she told that this is the biggest forest and they can get the best trees around this place.

"Ning'er " Ye Chen said to Chu Ning'er he told Chu Ning'er to find the best tree available.

"understood" Chu Ning'er understood, she used her own power to find the best tree around this place.

"I found it, it's around the mountains over there." Chu Ning'er said to Ye Chen, she told Ye Chen about the best tree in this place.

"Okay, I'll be there " After finding what he was looking for, Ye Chen flew Shi Lin there.

"Here are some big trees, Ye Chen decided to take some of the best tree branches he could find.

Ye Chen selected well, he made sure to pick the strongest part of the tree so that it could withstand the black rose sword.

Ye Chen took some, meanwhile Shi Lin stood guard around this place to make sure that no monsters approached and disturbed Ye Chen's work.

Ye Chen got some, that was enough for now, he could make many scabbards with this tree.

"Ye Chen, are you done?" Shi Lin asked Ye Chen.

"All right, what's wrong?" Ye Chen asked Shi Lin, he wanted to know why Shi Lin looked worried, even though he was fine just now.

"something bad happened, I got an emergency signal from around here" Shi Lin said to Ye Chen, she informed that she had just received an emergency signal.

"someone asking for help?" asked Ye Chen.

"Yes, it should be our Sect member " Shi Lin said to Ye Chen.

"This should be a top tier disciple like me" Shi Lin said to Ye Chen.

The one who gave the signal was clearly a core disciple, his status was the same as that of Shi Lin.

"are you going" Ye Chen asked Shi Lin.

"Of course, I can't ignore this matter." Shi Lin pointed out that she couldn't ignore the problem that was happening.

"Okay, I understand" Ye Chen understood.

"You can go back" Shi Lin said.

Shi Lin told Ye Chen to go back, she didn't want to drag Ye Chen into the trouble that was going on.

"I understand" Ye Chen understands, he will come back.

"I'll go first, be careful when you come back" Shi Lin said to Ye Chen, she told Ye Chen to be more careful.

Shi Lin left, she immediately dashed away from Ye Chen.

"master, you will come back?" Chu Yuechan asked Ye Chen if Ye Chen would come back.

"return, no way, let's join in the fun that happened" Ye Chen wanted to tag along, he wanted to see what happened.

"This is the right time to observe the battle, he wants to know Shi Lin's strength."

Ye Chen followed Shi Lin, he followed behind from Shi Lin.

"Bump" Ye Chen heard a bang from afar, he could see that in the distance there was a huge battle going on.

Ye Chen stepped forward, he saw the battle that was currently going on.

a man fought with some people with evil forces.

Chapter 2558 Gen Tez

"looks like there is an interesting battle ahead" Ye Chen hid, he hid himself by using the ability to become transparent.

Ye Chen watched from afar, he was observing the battle that was happening from a safe distance.

"rumble. . ." thunder rumbled, they were in battle and made the surrounding field shatter, it started to crumble as the lightning fell to the ground.

The scene ahead was extremely terrifying, people would probably choose to avoid it when they saw the scene before their eyes.

"they fought fiercely" Ye Chen could tell that they met fiercely, they seemed to be sworn enemies.

"You people from the evil Sect, what are you doing in this place, you must be up to something" the man said to the people in front of him.

"we are looking for something, you better get out of this place" they told to leave this place.

"These people are from the Evil Mountain Sect" a Sect that is not accepted in this world.

"This is our Sect's territory, I won't let you guys roam around in this place" the man said to the people from the Evil Mountain Sect.

This man was a member of the sword faction, he was carrying a large sword on his back.

"a member of Xuan Mei" Ye Chen saw that this man was a member of the Xuan Mei faction, it seemed he was one of the top disciples in the Sword faction that Xuan Mei was in charge of.

"Gen Tez, you better go don't interfere with our business, otherwise I will finish you off" the leader of the group of evil lightning mountain sect said to Gen Tez, he ordered to leave them.

"I told you that I will not leave this place, pass me if you want to leave" said Gen Tez.

Gen Tez is serious, he is serious about blocking those who try to break through to the Sect's territory.

"drop him" he gave the order to take down Gen Tez, they joined forces to take down Gen Tez.

"clang" Shi Lin's came, she joined the battle.

"What is this?" Shi Lin asked Gen Tez.

"They want to enter the Sect's territory, I already tried to drive them away, it's a shame they fought back" Gen Tez said to Shi Lin.

"what do they want, they must want something when it comes to our territory, we must not let them" Shi Lin said.

they mustn't let the group go and enter the territory, it could make the safety of the Sect compromised.

They couldn't let this matter go by, this matter was extremely important, not to mention they were core disciples.

"I don't know, you are here to help me" Gen Tez said to Shi Lin, he asked Shi Lin to help defeat these people.

"I will help" Shi Lin said that she would help, she would help Gen Tez to defeat these people.

Shi Lin used the black rose sword that Ye Chen had just given her, she took it out and started to fight.

"That sword?" they saw the sword that Shi Lin took out, they could tell it was a top grade sword.

"Put down the woman first" the group leader of the evil lightning mountain sect ordered to destroy Shi Lin first.

"I won't let you" Gen Tez stepped forward, he stopped everyone using his big sword.

Using his great sword, he swept through everyone easily.

The big sword is one of the strongest weapons, the weapon is very powerful and can be relied upon to fight many people at once.

"damn, you are so annoying" they couldn't get close to Shi Lin, they had to fight Gen Tez to get to the front.

Shi Lin began to gather strength, he gathered the strength around his body and prepared to launch a powerful attack towards the enemy.

Shi Lin amassed an immense amount of power, it would probably crush all of them that were his opponent.

Gen Tez understood the strength of Shi Lin, he would definitely use the fire lotus technique against the enemy.

Gen Tez became a shield, he was able to become a shield for Shi Lin.

Gen Tez was starting to feel overwhelmed. He felt overwhelmed when holding down how many people at once, not to mention they couldn't be underestimated.

They all had above average abilities and were very strong.

Gen Tez was doing his best he could be taken down at this rate.

"Do it quickly, I'm in trouble" Gen Tez said to Shi Lin, he told Shi Lin to finish charging her own quickly.

"Wait a minute, it's not that strong yet" Shi Lin pointed out that it's still not that strong, it won't be able to kill them if it's not that strong.

That's why she needed more time to gather more power.

"This is really annoying" Gen Tez said to Shi Lin, to be honest it's really annoying.

"Gah, splitting sword technique" Gen Tez was angry, he took out a high level technique, he sliced everything in front of him using a great sword.

"step aside" everyone dodged, they all immediately dodged the attack launched by Gen Tez.

Gen Tez's attacks are strong, they won't be able to withstand the attack, so they have to dodge the attack.

"this is the chance we have" they take advantage of this opportunity to attack Gen Tez.

Gen Tez definitely won't have a chance to defend, his defense is wide open.

"Thunder Palm" their attacked Gen Tez, a powerful attack was launched towards Gen Tez.

"Boom. ..." Gen Tez's defense was wide open, it made him take damage.

"uhh. . ." Gen Tez fell, he fell and was badly injured, his bones breaking after taking such a powerful direct hit.

"uhhh, this is so bad" Gen Tez couldn't get up, he couldn't get up to help Shi Lin.

"One left, quickly take him down" they ordered to take down Shi Lin, this was their chance to take down Shi Lin.

"You guys are late, you idiots" Shi Lin said that they were too late.

"Big lotus Flame area" Shi Lin released her power, a huge lotus petal appeared and started to cover the enemy.

"Boom" a huge explosion occurred, an extremely large and extremely devastating explosion occurred and swept away everyone from the Evil Lightning Mountain Sect.

This explosion was huge and swept dozens of miles away, a crater appeared, the forest had been turned into a sea of flames by Shi Lin.

"strength is no joke" Ye Chen saw the strength of Shi Lin, he could confirm that Shi Lin did not play around in the attack just now, he used all of his strength to destroy his opponent.

"What a destructive power, too bad it has a side effect" Chu Yuechan said to Ye Chen.

"Such powerful destructive power requires an enormous amount of profound energy" Ye Chen could see that Shi Lin had used up all of her profound energy to use the technique.

Now she only had a bit of profound energy left within his body.

"everything done?" Gen Tez said to Shi Lin, everything should be finished, he should finish everything.

Don't be happy too soon, there is still a strong enemy behind the brand" Shi Lin said to Gen Tez, he told Gen Tez to be alert because they don't know if the group from the evil lightning mountain sect is still alive.

"What a terrifying power, it looks like the old lady has given you the technique." A mysterious man appeared in front of Shi Lin, he was wearing a cloak and closed clothes.

"He" Gen Tez looked at the person who had just arrived.

"Do you know him?" Shi Lin asked Gen Tez.

"I know, he is one of the dangerous people, he is called the evil shadow" Gen Tez said to Shi Lin.

"Wait a minute, isn't that person as strong as our master" Shi Lin said.

Chapter 2559 Don't Tell Me He's In The Shower

"I hate to say this, but they are definitely in our master realm" Gen Tez said to Shi Lin , they will have no chance to win against the evil shadow, there is no chance for them to win in this battle.

all looked very happy, they were all happy when they saw their teacher coming to save them from the evil hands that belonged to Gen Tez and Shi Lin .

"should we go" Shi Lin said to Gen Tez .

"It's too late, we won't be able to escape" Gen Tez said that they won't be able to escape, they won't be able to escape the evil shadow.

"They are in trouble, I have to do something" Ye Chen saw that Shi Lin and Gen Tes were in trouble, that's why he had to help them.

" Yuechan , can you help them?" Ye Chen said to Chu Yuechan .

"master, don't expose, it will be a problem for you, why don't you go and find Jia Li or Xuan Mei, they should be able to solve your problem" Chu said Yuechan .

Chu Yuechan couldn't appear, there was another party watching, so she couldn't appear.

"That would be a very dangerous thing for Ye Chen and Chu Yuechan, considering their current situation.

"This is really troublesome" Ye Chen said to Chu Yuechan, Ye Chen felt troubled when he heard what Chu said Yuechan .

"I will look for Jia Li" Ye Chen decided to look for Jia Li, she might be able to help.

Ye Chen decided to go and look for Jia Li, he was looking for the diffraction Jia Li, it shouldn't be difficult to find the whereabouts of Jia Li.

Ye Chen used his teleportation skill, he immediately headed towards Jia Li's place.

Using the skills he possessed, he could easily sneak in without anyone noticing.

Ye Chen managed to enter, he managed to enter the main place that belongs to Jia Li, here not just anyone can enter freely, only those with authority can enter this place.

" Hmmm , Hmmm " Ye Chen listened to Jia Li's voice, he could clearly hear Jia Li's beautiful voice.

"Don't tell me she's in the shower?" Ye Chen could tell that Jia Li was taking a bath.

" fufufu " the luck you have is huge, bumping into something like this" said Chu Yuechan to Ye Chen.

Chu Yuechan was offending Ye Chen, he had high luck with women.

"Now, let's not talk about it anymore" Ye Chen said to Chu Yuechan , he told Chu Yuechan to not bring up this matter.

Ye Chen came directly and entered Jia Li's place.

Jia Li was indeed in a private bath.

This goddess is taking a bath and enjoying her time, after working hard, she likes to relax and enjoy her time.

Ye Chen looked at Jia Li, he saw Jia Li's exquisite figure, she was really Sexy, it made Ye Chen's body feel hot just from looking at it.

Jia Li had a nice and beautiful body, it wasn't strange that she was able to get Ye Chen excited, she had everything it took to get Ye Chen excited easily.

"glup . . ." Ye Chen felt a little troubled, he had a hard time holding back this feeling.

"Calm down, you have to calm down" Ye Chen felt that he had to calm down, he had to calm down for a while, he couldn't make any mistakes, Shi Lin is in need of help.

Even speaking like that, Ye Chen still couldn't take his eyes off Jia Li, he was enjoying this beautiful moment for a while.

As a man he can't miss a beautiful moment, he doesn't want to miss the beautiful moment that is in front of his eyes.

"cough, master, you've seen enough, now is the time to be serious" Chu Yuechan said to Ye Chen, she told Ye Chen to be more serious, don't let her make Shi Lin is in trouble.

Ye Chen came to his senses, he immediately came over and said to Jia Li.

"ahem . . ." Ye Chen muttered.

"huh?" Jia Li was surprised when she heard someone's voice, she didn't feel anyone around at all.

"who's that?" Jia Li directly asked Ye Chen, she wanted to know who was out there.

"lady Jia" Ye Chen said to Jia Li

"Ye Chen, it's you, what are you doing in this place" Jia Li knows this voice, she will not forget this voice, this voice belongs to Ye Chen.

"It's me" Ye Chen nodded lightly.

"what are you doing, do you want to peek at big sister taking a bath" Jia Li said to Ye Chen, she looked attractive while trying to tease Ye Chen.

"I didn't mean to do that, I have something important to say" Ye Chen said to Jia Li.

"what is it ?" Jia Li wanted to know what Ye Chen would say, she wanted to listen.

Ye Chen explained to Jia Li, he explained what happened to Shi Lin .

"Huh?, she's in trouble and fighting someone of a higher rank." Jia Li immediately stood up, her beautiful body swayed as she stood up abruptly.

Jia Li couldn't let this matter go, she had to go immediately to save Shi Lin .

Jia Li took her clothes, she immediately dry her body quickly.

" Where is it?" Jia Li asked Ye Chen, she asked Ye Chen about the location of Shi Lin .

"In the forest near the Sect " Ye Chen said to Jia Li, he told them that they were in the forest near the Sect .

"Come with me" Jia Li said to Ye Chen, she told Ye Chen to come with her.

Ye Chen was dragged away by Jia Li, like it or not he had to go with Jia Li, the two of them headed towards Shi Lin .

" Uhhh . . ." Shi Lin and Gen Tez were bad enough, they were hurt by an evil shadow.

"This is bad" Shi Lin felt bad, her condition was really too bad, she didn't know what to do in this kind of situation, their opponent was in a higher league, they wouldn't be able to win, there was no chance of winning.

" hahaha , it looks like you guys are just like that , just give up " the evil shadow said to Gen Tez and Shi lin .

"we will never give up" Shi Lin said that she would never give up, she would never give up fighting the evil shadow.

Even though it was already on the brink, Shi Lin still doesn't want to give up, she won't give up like this, at least they still have the pride of being one of the Sect's disciples .

"then I will eliminate you" the evil shadow said to Shi Lin and Gene Tez .

Black lightning started to appear, it started to cover the sky and a pillar started to descend towards Shi Lin and Gene Tez .

This strength is so terrible, they will not be able to survive, it seems that this is the end of them.

"looks like this is the end" Shi Lin closed her eyes, maybe this was the end for her.

Gen Tez himself stood strong enough, he was able to accept everything gracefully, as a soldier he shouldn't be afraid or doubtful, all the risks are right in front of his eyes.

Just when the two of them thought that they would be crushed, an angry-colored flame enveloped their bodies, it enveloped their bodies and protected them from the incoming attacks.

"This, Master? ? " she knows who this is, she knows this fire very well.

Chapter 2560 Jia Li's Strength

Shi Lin knew who had come, she knew that this was Jia Li's master.

"You dare to hurt my disciple, do you want me to destroy it?" Jia Li said to the person in front of her, she said to the evil shadow in front of her.

"Jia Li, you come" the evil shadow said to Jia Li, he looked at Jia Li seriously.

"master you come" Jia Li came, Shi Lin was very happy when she saw Jia Li come.

"You should thank Ye Chen, if it wasn't for him, I wouldn't have come" Jia Li said.

Jia Li said that she had come because of Ye Chen, if not for Ye Chen, she wouldn't be in this place.

"hello, how are you ?" Ye Chen asked Shi Lin.

"You, why are you in this place?" Shi Lin asked Ye Chen, she wanted to know why Ye Chen was in this place.

"It's because I was worried about you, so I looked for her and told her to come" Ye Chen said.

"Is that so" Shi Lin began to understand, she began to understand why Jia Li could be in this place, it was because Ye Chen brought her here.

"Greetings Miss Jia Li" Gen Tez saluted, he greeted Jia Li.

"Aren't you one of Xuan Mei's core disciples?" said Jia Li.

"That's true" Gen Tez nodded, for only Jia Li still remembered him.

"You two back off, I'll settle this using my own hands".

"understood" Shi Lin and Gen Tez retreated, the two of them retreated and gave Jia Li a chance to fight with the enemy.

Jia Li stepped forward, she fought the enemy that was in front of her eyes.

The enemy of Jia Li was an evil shadow, it was one powerful foe, she should probably fight it more seriously.

"Looks like I have to be a bit more serious in fighting you." Jia Li gave off her own aura, she displayed her full strength.

The temperature of this place became high, the radiance of Jia Li's power spread rapidly and shrouded thousands of miles away.

"let's retreat further" Shi Lin invited Ye Chen to go further, she invited Ye Chen to go even further and away from the battle that was going on.

"great battle, Yuechan, what level does Jia Li have" Ye Chen asked Chu Yuechan.

"Immortal Sovereign Realm first level , she is still lowly compared to me" Chu Yuechan said to Ye Chen.

"That means you are stronger compared to her" Ye Chen said.

"Of course, I only lost to two people" Chu Yuechan said to Ye Chen.

Chu Yuechan is only inferior to Shen Niang and another is Zhang Ein.

"Is that so" Ye Chen understood, he understood the power that Chu Yuechan possessed.

"This is master's ability" Shi Lin was excited when she saw the ability that Jia Li displayed, Jia Li's ability can be said to be amazing.

Gen Tez wouldn't comment, he saw the strength that Jia Li possessed, his strength was clearly on a higher realm compared to his current self.

The evil shadow is not to be outdone, he is not to be outdone against Jia Li.

He took out black lightning as well as a black liquid that looked like a liquid.

The liquid spread rapidly, In a short time, everything was covered in the liquid, It spread and wanted to catch Jia Li.

"That. . ." Jia Li seemed to know what the evil shadow was going to do, she had to do something to stop the liquid from spreading around.

The liquid strengthened the lightning, if it hit Jia Li, the impact of the lightning attack would increase many times.

The fire that belonged to Jia Li immediately attacked, petals of fire fell and instantly destroyed all the slime.

"boom. . ." an explosion occurred, a huge explosion occurred and instantly destroyed the black liquid.

"damn it" evil shadow looked towards Jia Li, Jia Li easily resisted all attacks.

"fufufu, is that all you can do" Jia Li said to the evil shadow.

"damn, it's not much" the evil shadow said to Jia Li, he launched an attack towards Jia Li.

"black lightning web" black shadow makes a black lightning.

"Let's see if you can escape from this cage." A net of lightning wrapped around, there was no way out for Jia Li.

Jia Li was still quite calm, she was still calm even when pushed by the opponent.

Jia Li exhaled a light breath of fire and looked elegant, it instantly shattered the lightning and made it shatter.

"Damn it, what's with that technique of yours" the evil shadow couldn't believe that Jia Li was able to destroy his technique so easily, it was hard to believe.

"The area around us is going to heat up, you will feel it soon" Jia Li said to the evil shadow, she announced that the area around will be hot in no time.

Sure enough the area around them started to rise rapidly, the gust of flame just now spread and made the temperature around them rise very fast.

The clothes of the evil shadow started to melt from the extreme heat, it wouldn't be able to protect him from the intense heat.

The black shadow of course realized what happened, she realized what happened quickly.

"Looks like, I won't have a chance to win this time, I don't have the heirloom weapon that I have with me" Black Shadow felt that he couldn't win, he felt that he couldn't win against Jia Li.

"Let's continue this battle another time" he said to Jia Li.

After saying that, the black shadow took everyone away, they would have no chance of winning.

"I won't let you go, after you hurt my people" Jia Li said.

"Jia Li launched a petal vortex attack, the explosive power was enormous, it was like a supernova explosion.

"Boom. . ." a huge explosion occurred, This explosion enveloped the surroundings of this place.

The forest was clearly destroyed, there was no way the forest would be able to withstand the attacks coming from Jia Li's supreme power.

"The explosion was quite big, they should have been destroyed by the explosion just now.

a few moments later, Jia Li saw several people lying down, their bodies mangled and all of them dead.

Jia Li counted the number of enemies, she saw that a dark shadow managed to escape from this place.

"he managed to escape" Jia Li sighed, it seems the enemy managed to escape.

"This is so troublesome" Jia Li said in her heart, she felt that this will continue.

"master, were they all defeated" Shi Lin asked Jia Li, she wanted to know if Jia Li had defeated all of them.

"no, someone is escaping" Jia Li said to Shi Lin, she let one of the strong escape.

"Too bad" Shi Lin felt disappointed, she could see that the strongest one was running away.

"no problem, you go back, report what happened to me, I wonder what they are looking for" Jia Li said.

Jia Li told Shi Lin to go back, she told her to go back and report this incident.
