Chapter 2561 Ye Chen Disappeared

"Okay, I'll do it." Shi Lin left immediately, she immediately went to carry out order given by Jia Li.

"thank you for helping me" Gen Tez thanked, he was grateful because Jia Li had helped him

"Um" Jia Li nodded at Gen Tez.

"Tell the head of the sword faction at ease my regards," said Jia Li to Gen Tez.

Jia Li told Gen Tez to give her greetings.

"I understand" Gen Tez smiled wryly, he of course understood what Jia Li said.

Gen Tez knows Jia Li's intentions and goals.

"Junior, I also have to thank you for what you have done, you have helped a lot, if you had not come, I might have been in another realm" said Gen Tez.

"you're welcome" Ye Chen interfered, he had no problem helping Gen Tez.

"Then I say goodbye, see you later, if you need help you can say it to me" Gen Tez said to Jia Li and Ye Chen, after which he immediately left this place.

"Well, everything is done, time to go back" Ye Chen was happy that everything was over, all this chaos made Ye Chen tired.

"Wait a minute, where are you going?" Jia Li stopped Ye Chen, she didn't let Ye Chen go.

"I want to go back" Ye Chen told Jia Li that he wanted to go back to Sect.

"Did you think I would let you go after what happened earlier?" Jia Li said to Ye Chen, she told Ye Chen that the previous matter was still unresolved.

"what are you angry about, did I do something wrong" Ye Chen said to Jia Li, he made a face at Jia Li.

Jia Li looked towards Ye Chen, she could see that Ye Chen was still relaxed even when faced with Jia Li's anger.

Jia Li looked at Ye Chen, somehow she couldn't get angry when she looked at Ye Chen.

"That's not fair" Jia Li felt that this was unfair, she couldn't be angry at Ye Chen.

Ye Chen smiled, it seemed that Jia Li would not be angry with him.

"I still won't forgive you, as punishment you have to come with me" Jia Li said to Ye Chen, she told Ye Chen to come with her.

Ye Chen was dragged away, he could only come along with Jia Li.

Jia Li dragged Ye Chen, they went into the forest to look for clues about what happened.

"Why did you bring me along, I won't be of much help" Ye Chen asked Jia Li, he wanted to know why Jia Li took himself away with her.

"I think bringing you is a good choice to accompany me" said Jia Li.

Jia Li didn't have a reason, she just wanted to be with Ye Chen because it felt good to do it.

Ye Chen was helpless when he heard this, it seemed he was dragged here because of Jia Li's personal pleasure.

"So what about your training progress?, have you been able to make a good weapon?" Jia Li asked Ye Chen.

"Not bad" Ye Chen said that he was pretty good, he was pretty good at making weapons.

"Oh, I see. . ." Jia Li understood, it seemed that Ye Chen had made good progress.

"I wonder what happened to Wu Ziyi" Ye Chen asked Jia Li, he wanted to know what happened to Wu Ziyi.

"Are you worried about her?" Jia Li asked Ye Chen.

"Of course, I'm a little worried, I'm afraid the head of the Jia faction will bully her" Ye Chen told the reason why he was afraid.

"fufufu, what are you saying?, I'm not that cruel" Jia Li said that she was not that evil, she wouldn't bluff Wu Ziyi.

"I'm happy to hear that" Ye Chen was happy to hear that, he was really very happy when he knew that.

"This is still a question for me, why did you choose the equipment faction after all that" Jia Li asked Ye Chen, why did Ye Chen choose something unreasonable like that.

"I like new things, and I need to improve my skills, I need profound crystals" said Ye Chen.

"Is that so" Jia Li started to understand, she started to understand Ye Chen's purpose.

"Even so, being an alchemist can bring you many benefits, you can also obtain profound crystals from it" said Jia Li.

"no, making medicine requires a lot of items, I'm lazy to look for it, it's a waste of time" Ye Chen said.

Ye Chen had to find an ingredient if he wanted to make pills, it was a hassle, it was easier to make weapons for battle, the items needed weren't too many and Ye Chen had enough body parts from the monsters he had defeated to strengthen his weapons.

"umm, I hate to admit it, but it's absolutely true" Jia Li had to admit this, she also had problems with this matter.

Concocting pills required more expensive materials and had a lower success rate, which was why Jia Li would sometimes be at a disadvantage when concocting a difficult pill.

Jia Li rubbed her forehead, she thinking about it Ye Chen's decision was already very good, he had made a good decision from the start.

"I have to admit that he is smart" Jia Li had to admit that Ye Chen was smart, he was smart and thought things through well.

The two of them flew around the forest, they were looking for clues about what was searching for by previous people.

"Evil Shadow, what are you looking for in this place?" The more Jia Li thought, the more confused she felt.

"master" Chu Yuechan said to Ye Chen, she told her that there was something around this place.

"what did you find?" Ye Chen asked Chu Yuechan, he wanted to know what Chu Yuechan found.

"something interesting, you will definitely like it" Chu Yuechan said to Ye Chen, Ye Chen would definitely like what she found.

"Are you sure about that?" Ye Chen was excited when he heard this news, if what Chu Yuechan said came true then it would be very good for Ye Chen.

"Come with me" Chu Yuechan told Ye Chen to come with her, she would show it to Ye Chen.

Ye Chen followed Chu Yuechan, he ignored Jia Li who was in front of him and easily slipped away.

Jia Li didn't realize Ye Chen had disappeared, she was too focused to search around this place.

"Ye Chen, what do you think?" Jia Li asked Ye Chen.

Ye Chen didn't answer, more precisely now, Ye Chen had left Jia Li.

"Where is he, did I go too fast and leave him behind?" Jia Li might have left Ye Chen, she might have flown too fast.

Jia Li decided to return and started to search for Ye Chen's whereabouts.

"It's strange that Jia Li didn't find Ye Chen's whereabouts, she didn't find Ye Chen's whereabouts around this place.

"where did he go?" Jia Li was confused, she was confused by Ye Chen who had disappeared.

Ye Chen hid himself very well, there was no way Jia Li could find Ye Chen's whereabouts, that was something that was impossible for Jia Li to do.

"No way, I can't find him" Jia Li started to get confused, she couldn't find the whereabouts of Ye Chen, it made her feel worried, she started to look for Ye Chen around, this became a dangerous place for Ye Chen, he might be eaten by the monsters waiting in this forest, it might become a problem for Jia Li.

Chapter 2562 Pure Energy Lava Path

Jia Li searched around, until now she still couldn't find Ye Chen's whereabouts, she still couldn't find Ye Chen.

"That naughty boy, where did he go?" Jia Li started to get annoyed, she couldn't find the whereabouts of Ye Chen, it made her very annoyed at Ye Chen.

Jia Li didn't give up, she used her spirit sense and kept looking for Ye Chen around.

Ye Chen himself arrived at a mountain, he entered into a mountain that looked like it was no longer active.

"what's going on here" Ye Chen asked Chu Yuechan, he could feel a huge power underground.

"What a good question" Chu Yuechan said to Ye Chen, Ye Chen asked a very good question.

"underground there is a pure lava path, if you practice in it, you will increase your cultivation quickly" Chu Yuechan said to Ye Chen, herself told Ye Chen about, what she found.

"oh, so that's it, it's not strange for you to say that this is a good thing." Ye Chen started to understand, himself started to understand what Chu Yuechan meant.

"And there are some rare items down there, you will definitely like them" Chu Yuechan said to Ye Chen.

Chu Yuechan had told him that there was an artifact buried in there.

"what is it?, a weapon or something" Ye Chen asked Chu Yuechan, he needed clarity from Chu Yuechan.

"I thought it was a furnace" Chu Yuechan said to Ye Chen, she told Ye Chen about what she found below.

Ye Chen used God Eyes, he used God Eyes to find the whereabouts of the thing he was looking for.

"You are absolutely right, there is a red colored furnace down there, it is enveloped by hot lava with pure energy" said Ye Chen.

Ye Chen knows that this must be a great thing, he must get it.

Ye Chen started to use his own strength, he used the ability to dig and went straight underground.

It wasn't strange that Jia Li couldn't find Ye Chen, it was because Ye Chen entered into the ground and into a place filled with hot molten lava filled with pure energy.

Ye Chen's body didn't melt, his body didn't hurt even though he was swimming in the super hot lava that even someone like Jia Li wouldn't dare to do it.

What Ye Chen was looking for was down there, he made it in front of a furnace.

Ye Chen looked at the ancient writings, he could see that this was a furnace of the medicinal fraction.

"Is that so, this is the ancestral furnace of the current Jia Li Medicine Fraction." Ye Chen finally understood, he finally understood what this furnace was.

"I wonder what I'll get if I bring this" Ye Chen wanted to know what he could get if he brought this to Jia Li.

"I think he will give good things for this" Chu Yuechan was sure that Jia Li would definitely give Ye Chen good things, he was very sure about this matter.

"Then I will store it first" Ye Chen, will store this first, he will save this to show Jia Li.

"Now I will cultivate for a while" Ye Chen decided to cultivate for a while, this is the right time for Ye Chen to cultivate and start to improve his cultivation.

Ye Chen absorbs the pure energy around him, it is very pure and can be used well by Ye Chen.

Ye Chen began to cultivate, he began to cultivate it well and closed his eyes, maybe Ye Chen will need a long time in cultivating this time.

.

.

In a place full of strong negative energy.

the evil shadow was back, he had just suffered a defeat at the hands of Jia li, it was obvious that he was extremely irritated, he was truly enraged by the defeat he had received from Jia Li.

"Did you fail to get the furnace we managed to track down" a man asked the evil shadow.

"shut up, I almost managed to get it, if it wasn't for that woman, I would have already taken the ancient furnace" an evil shadow said to the man who had just arrived.

They are currently in the Evil Mountain Sect, a mountain covered with black clouds and also a strong negative aura. For normal cultivators, this place is very bad, but for them, it is a very suitable place to use as a place for cultivation.

"Hahahaha" Reng Kumo, you are so stupid to lose to a woman, aren't you ashamed" he said to Reng Kumo.

the name of the black shadow was Reng Kumo, that was his real name.

"shut up, you stinky man" Reng Kumo was angry, he was really angry when he heard the ridicule.

It was indeed a shame to lose to Jia Li, it brought down his pride, Reng Kumo would not allow this matter to continue.

"Hahaha" this man is still laughing, he likes to laugh at colleagues who fail.

"This man is Su Donzi" he is also an evil shadow, in fact they have the same pseudonym, only in reality they have five people, until now no one is aware of it.

Their faces are almost similar, looks like they did surgery to make their faces as similar as possible, that will help them in the surgery.

Evil shadow was the pseudonym used for someone who had special duties within the Evil Mountain Sect, those who wore this were strong people and could sneak anywhere they wanted.

And there are only five people in the Sect who deserve to use it, they are people who are great and also strong.

"I will take revenge for what happened" Reng Kumo said that if he wanted to avenge Jia Li, he would leave using his powerful inheritance.

"Do you need my help?" Su Donzi asked Reng Kumo.

"That's not necessary, I can solve this myself." Reng Kumo said that if he was able to solve this problem by himself, he didn't need Su Donzi's help.

"Good luck, don't lose again" Su Donzi said to Reng Kumo.

"fuck it, I won't lose, just watch I will bring the woman's head" Reng Kumo said to Su Donzi.

"He won't lose, he won't let himself lose a second time.

Reng Kumo rushed over, this time he would fight against Jia Li using his full strength, he should not hold back now, he would not hold back and beat Jia Li.

Jia Li was still looking for Ye Chen, until now she was still looking for Ye Chen's whereabouts.

"I didn't find him" It's been quite a while, she still hasn't found Ye Chen, Jia Li is afraid something will happen.

Jia Li had already gone to Ye Chen's forge, it was a pity that she couldn't find Ye Chen's whereabouts, for some reason Ye Chen's whereabouts weren't there.

"Where did he go" Jia Li wanted to know where Ye Chen had gone, she wanted to know where Ye Chen was now.

Jia Li looked worried about Ye Chen, maybe because Ye Chen was a special person, because it would be a shame if he died.

"I won't give up" Jia Li used even more strength, she would look for Ye Chen in every corner.

Ye Chen himself was focused on cultivation, he had already broken through four times and now he was at the seventh level.

"truly an amazing harvest" Ye Chen was overjoyed, he had harvested enough to get an increase of up to two times, this was a great result.

Chapter 2563 Finally I Found You

Ye Chen has already absorbed quite a lot of pure energy around, that means this place needs time to recharge again, Ye Chen will probably come back again 2 weeks from now.

Ye Chen came out, he brought the furnace out with himself, now he was the one carrying the furnace.

it was highly likely that Ye Chen would be targeted, considering that there were many people eyeing this thing.

"You succeeded" Chu Yuechan said to Ye Chen, she told him that Ye Chen had succeeded.

"Yes, I did it, it's all thanks to you, I have to thank you" Ye Chen said to Chu Yuechan.

"What will you give me?" Chu Yuechan asked Ye Chen, she wanted to know what Ye Chen would give her as a gift.

"I don't have much in my body now, I can only give what I have in my body" Ye Chen said to Chu Yuechan, he told that he didn't have much.

"master, you are deliberately teasing" Chu Yuechan knew that Ye Chen was deliberately teasing her, as a smart woman, she certainly understood the direction of Ye Chen's words.

Ye Chen smiled, it seemed that Chu Yuechan knew what she was saying.

"hahahaha, I'm just kidding with you" Ye Chen said to Chu Yuechan, he was just joking with Chu Yuechan.

"master, I hate you" Chu Yuechan said to Ye Chen, Chu Yuechan was irritated.

Ye Chen smiled, this time he managed to tease Chu Yuechan, it was a win for Ye Chen.

Ye Chen came out of the Cave, he finally saw the morning sunlight, it seemed that it was early morning, Ye Chen could tell when he saw the warm sunlight.

"how long was I there" Ye Chen asked Chu Yuechan, he wanted to know how long he had been in the lava.

"Probably around 4 days" Chu Yuechan estimated, she estimated that Ye Chen had been there for four days already.

"that long" Ye Chen was unconscious, he only felt that it was like a few hours.

"You are too focused, it's not strange that you are not aware" Chu Yuechan can understand this matter, she can understand why Ye Chen is not aware of this matter.

"then I'll be back" Ye Chen decided to go back, it's time to go back and start with the practice of forging.

"boom . ." someone fell in front of Ye Chen, this made Ye Chen shocked.

"What's that?" Ye Chen wants to know what happened, what just fell.

Ye Chen looked at who had just come, when Ye Chen looked, he found that it was Jia Li.

"so you are in this place" Jia Li said to Ye Chen, she looked angry and annoyed at Ye Chen.

"Miss Jia, what happened to you, you seem to be in a bad state" Ye Chen said to Jia Li, Ye Chen could see that Jia Li's appearance was a little disheveled.

"Who do you think this is?" said Jia Li to Ye Chen.

"Huh?" Ye Chen didn't really understand, he didn't really understand the meaning of Jia Li's words.

"I've been looking for you for several days, don't you think I wasted too much time" said Ye Chen.

Jia Li was angry, she was angry towards Ye Chen, Ye Chen had caused her trouble these few days.

"oh" Ye Chen understood, it's not strange that Jia Li's appearance became like this, it turned out that she had been looking for Ye Chen for the past few days, Ye Chen had trouble, he had trouble when he found out about this matter.

Ye Chen could easily tell that if Jia Li was angry, she must be angry with Ye Chen.

Jia Li drew closer towards Ye Chen, she took light steps towards Ye Chen.

Ye Chen felt pressure from Jia Li, he could see that Jia Li wanted to do something bad, that's why Ye Chen withdrew.

"why are you retreating" Jia Li said to Ye Chen.

"I don't know, you look scary." Ye Chen said that if Jia Li looks scary, she might be able to kill someone with that aura.

"You have troubled me, let's see what I can do to you" Jia Li said to Ye Chen.

Jia Li had experienced so much more, it irritated her, which was why she wanted to vent on Ye Chen.

"You better run" Chu Yuechan said to Ye Chen, she told Ye Chen to run, this is the chance that belongs to Ye Chen.

"You are absolutely right, let's run" Ye Chen decided to run, he quickly left Jia Li.

"Where are you running to?" Jia Li immediately chased after Ye Chen, with a huge difference in strength, she easily caught up to Ye Chen.

"no chance to escape" Ye Chen didn't see any chance for him to escape, Jia Li was much faster than him.

Jia Li came, she stopped Ye Chen with her hand, she stretched out her hand and held Ye Chen's collar.

"let me go, you want to kill me ?" Ye Chen said to Jia Li.

"I might kill you" Jia Li said to Ye Chen.

Jia Li smiled evilly, for some reason she was still beautiful even though she smiled evilly like that.

Jia Li stretched out her other hand, she immediately grabbed Ye Chen's ear, she taught Ye Chen a lesson, with this Ye Chen should be able to learn more

"You can make me loose" Ye Chen said to Jia Li, what Jia Li did could make Ye Chen's ears loose.

"This is a punishment for you" Jia Li said to Ye Chen, she said that this was a punishment for Ye Chen, she hoped that Ye Chen could learn from this problem.

Made her worry all day long, it was really something that Jia Li had never done, maybe this was the first time for Jia Li.

Jia Li was kind, she was like an older sister figure who was worried for her little brother.

"are you going to do it again ?" Jia Li said to Ye Chen.

"No . . ." Ye Chen immediately replied, he mustn't make Jia Li more angry.

"rumble . ." a roar sounded, this time a huge thing seemed to be approaching them.

"What's that ?" Ye Chen and Jia Li looked at the direction the thunder was coming from, they both wanted to know what was going on, to be honest they didn't know what was going on.

"It's approaching towards us" Ye Chen said to Jia Li, he noticed that it started approaching towards them with an amazing speed.

"bad, quickly hide behind my body" Jia Li said to Ye Chen, she told Ye Chen to hide.

"understood" Ye Chen understood, he hid behind the body of Jia Li, he held Jia Li's waist and hid behind her.

Jia Li's face turned red when Ye Chen touched her, it was her first time doing something like this.

"This brat, he touched me all of a sudden like that" Jia Li wanted to get angry, it was a pity that the evil was approaching.

The black lightning approached, the figure of an evil shadow appeared, he was currently riding a flying wheel covered in lightning.

"he used an artifact" Ye Chen looked at Reng Kumo.

"he came back again, this time he used the dark lightning wheel, it was a little bad" Jia Li said to Ye Chen.

"is it something big" Ye Chen asked Jia Li.

"It has tremendous destructive power, it can shoot powerful lightning capable of destroying a medium sized star ," said Jia Li.

Chapter 2564 The Evil Shadow Returns To Fight Against Jia Li

"then he will destroy us" Ye Chen said to Jia Li, Reng Kumo will definitely directly destroy Ye Chen and Jia Li.

"don't worry, I will handle it" Jia Li said to Ye Chen, she will protect Ye Chen.

"then you please help me" Ye Chen hugged Jia Li, he hugged Jia Li tightly.

"what are you doing ?, you are looking for an opportunity" said Jia Li to Ye Chen, Jia Li blushed, she blushed when she saw what Ye Chen was doing.

"what did you say, didn't you say to take cover behind you" Ye Chen said to Jia Li.

"I did say that, but not like this" Jia Li said to Ye Chen, she told Ye Chen to move away a little.

Ye Chen didn't want to stay away, he was enjoying this thing well.

Ye Chen wanted to take revenge for what happened before, that's why he did this thing and made Jia Li helpless.

Jia Li was rendered helpless by Ye Chen, she was in serious trouble.

Jia Li couldn't do anything about this matter, she could only let Ye Chen mess around.

Ye Chen saw that Jia Li had given up, this was a very good thing for Ye Chen.

"Bastard, making out in front of me, it's so annoying" Reng Kumo said to Jia Li and Ye Chen.

"Do you have a problem, you seem to be living badly" Ye Chen said to Reng Kumo, he said that Reng Kumo was living badly.

Reng Kumo's face darkened when he heard what Ye Chen said, Ye Chen's words immediately stabbed into Reng Kumo.

"Damn, I will kill you two" Reng Kumo was angry, he was going to kill Ye Chen and Jia Li.

"You made him angry" Jia Li said to Ye Chen, what Ye Chen did made Reng Kumo angry.

"I did it on purpose" Ye Chen did it on purpose.

"You knew that this would be a problem" Jia Li said to Ye Chen.

"I believe in the abilities you have" Ye Chen said that he believed in the abilities possessed by Jia Li.

"I'm not that strong" Jia Li told him that she wasn't that strong.

"I believe in the abilities you have" Ye Chen said to Jia Li, he believed in the abilities possessed by Jia Li.

"Where did that confidence come from?" Jia Li didn't understand, she didn't understand where Ye Chen's confidence came from.

"You guys die!" Reng Kumo threw a dark lightning wheel at Jia Li.

"let's go" Jia Li took Ye Chen, she took Ye Chen away from this place.

Ye Chen was taken to a safe place, that way he wouldn't get involved in the battle.

Jia Li started to fight, she showed her ability and put up a fight against Reng Kumo's dark lightning wheel.

"Boom" an explosion occurred, a huge explosion occurred and made a tremendous impact.

Jia Li retreated several miles, the power from the dark lightning wheel made her retreat quite far.

"The power of the dark lightning wheel is extraordinary." Jia Li had to admit that the power of the dark lightning wheel was indeed strong, it was able to push Jia Li back this much.

"bitch, let's see how you will defend against me" Reng Kumo said to Jia Li, he said to Jia Li who was just swept away by the power of the dark lightning wheel.

The power of the dark lightning wheel was indeed strong, it swept the area around with a powerful and super devastating black lightning.

"Don't be too confident in your abilities" Jia Li said to Reng Kumo, she told Reng Kumo not to be confident in her abilities.

Jia Li still has the strength to put up a fight, she still has the means to defeat Reng Kumo.

"You won't have a chance to win, so give up right now" Reng Kumo said to Jia Li.

Jia Li didn't give up, she took a sword and started fighting against Reng Kumo.

" Boom . . ." the battle became more and more fierce, it became more and more fierce and made Jia L retreat several times.

Even though Jia Li was strong and led the way in terms of strength, she still had no chance of winning.

The power of the dark lightning wheel prevented Jia Li from being able to win against Reng Kumo.

"I must first get rid of the dark lightning wheel, otherwise I won't be able to win." Jia Li came up with a conclusion, she should probably do this quickly.

Jia Li used a seal technique, she intended to contain the dark lightning wheel.

A petal of red flame spread out, it formed an enormous wall.

Jia Li did very well, she put her skills to good use and managed to resist the dark lightning wheel.

"This is the time to beat you" Jia Li used a technique

"Big flower Flame area" This was a technique similar to the one used by Shi Lin , it's just that it's a different shape, it's a different shape and it looks like a very beautiful flower.

Jia Li's accumulating speed was extremely fast, far compared to Shi's lin .

"take this" Jia Li said to Reng Kumo, she launched a technique with strong destructive power towards Reng Kumo.

Jia Li gave all of her strength, she used all of her abilities to defeat Reng Kumo.

"crush her" a dark lightning wheel shot out from the seal built by Jia Li, it headed towards Jia Li using full speed.

"This is too bad" Jia Li was attacking, she wouldn't be able to withstand the attack coming from the back of her body.

it was approaching and would soon crash into Jia Li, that would seriously injure Jia Li.

"I won't allow that" Ye Chen wouldn't let Jia Li get hurt, he used all of his abilities to divert the dark lightning wheel's path.

Using his full strength, Ye Chen was able to deflect the path of the dark lightning wheel.

"What ?" Jia Li and Reng Kumo couldn't believe what they saw, they didn't believe that Ye Chen could do such a thing.

Ye Chen used up all of his profound energy, he now had no profound energy.

"Quickly beat him" Ye Chen said to Jia Li, he told Jia Li to beat Reng Kumo.

"I will do it" Jia Li would not waste the chance Ye Chen gave her.

she attacks Reng Kumo with a huge and super destructive blast.

"feel it, BOOOOMMMM" a huge explosion occurred, this huge explosion occurred and swept away all things.

this destructive power is terrible, should Reng Kumo not be able to run away.

"Are you okay?" Jia Li asked Ye Chen, she came and approached Ye Chen to see how Ye Chen was doing.

"I'm fine, looks like you have managed to defeat him" Ye Chen said to Jia Li, she had won.

"This is all thanks to you, if it wasn't for you I might be the one who lost" Jia Li said to Ye Chen.

Jia Li hugged Ye Chen, she hugged Ye Chen's head.

Ye Chen's head was currently on Jia Li's chest, it felt very soft and very comfortable.

"it's comfortable" Ye Chen felt comfortable, he wouldn't lie that it felt very comfortable.

Jia Li was very grateful to Ye Chen, Ye Chen had saved herself from bad things.

The two of them enjoyed this for several minutes, before a violent jolt occurred.

"what else" Jia Li immediately looked up, she was looking for where all this came from.

Chapter 2565 A Surprising Gift From Jia Li

"It looks like it's resurrected." Ye Chen said to Jia Li, he told her that it was resurrected.

"Impossible, I've used a lot of strength, it's impossible to rise again" said Jia Li.

"Jia Li, I will take revenge" Reng Kumo grew big, he became a thick and horrible black smoke wisp.

"Is that the shape?" Ye Chen looked at the shape of Reng Kumo, he could see that Reng Kumo showed a terrible shape.

"His body was destroyed by me, it should be his true form" Jia Li said to Ye Chen.

Reng Kumo's body was destroyed, Jia Li had destroyed it, now what was in front of them was Reng Kumo's true consciousness.

"I will take care of this" Jia Li said to Ye Chen, she told Ye Chen that she would take care of this matter.

"You only have a little strength left" Ye Chen said to Jia Li, Jia Li should be in trouble.

"Then what should we do, there's no way we'll escape" Jia Li said to Ye Chen, they couldn't possibly escape from this place.

"You are right, we really can't escape from this place." Ye Chen also knew, they would not be able to escape from this place.

"how about we use this thing against him" Ye Chen said to Jia Li.

Ye Chen took out the furnace that he got from the bowels of the earth.

"This?" Jia Li was shocked when she saw what Ye Chen had put out.

"You must already know what this is" Ye Chen said to Jia Li, Jia Li must have known about this matter.

"Where did you get it?" Jia Li asked Ye Chen, she wanted to know where did Ye Chen get this item.

"I'll explain this later, you can use this thing, apart from being used to make pills, it can be used to attack" Ye Chen said to Jia Li.

"Of course, this is the eternal spark furnace" ancestral artifact, this has been lost for a long time, I didn't expect it to be in your hands" Jia Li said to Ye Chen.

"can you use it" Ye Chen asked Jia Li, he wanted to know if Jia Li could use it.

"Of course, I can use it." Jia Li could use it, with her remaining strength, she should be able to use it.

Jia Li received the eternal spark furnace from Ye Chen, she would make the best use of it.

Jia Li heads towards Reng Kumo, she will defeat and destroy Reng Kumo.

Reng Kumo looked at Jia Li, he could see what Jia Li was taking.

" hahahaha , you take out, that's great, it will make the job easier for me" Reng Kumo said to Jia Li, she will make Reng Kumo's job easier.

Jia Li didn't reply to Reng Kumo, she just concentrated and started to use the eternal spark furnace.

the eternal spark furnace opened, it began to give off a beautiful and beautiful flame like a flower.

"The fire spread and covered Reng Kumo's body.

"what, what is this ?" Reng Kumo tried to resist, he tried to resist the flames enveloping his black body.

The fire started consuming the body of Reng Kumo, it started burning Reng Kumo into smoke.

"This can't be happening" Reng Kumo didn't believe that this was happening, he didn't expect that the strong body he had would be destroyed by Jia Li.

"Just accept your fate" Jia Li said to Reng Kumo, she told Reng Kumo to accept his own fate.

Reng Kumo didn't want to give up, he used all of strength to fight back.

Everything that Reng Kumo did was useless, he would not be able to fight against Jia Li.

A few seconds later, Reng Kumo's body was destroyed. There was not even a trace of Reng Kumo's black body, it was destroyed.

"Amazing power" Jia Li likes, she really really likes this thing.

"Ye Chen" Jia Li came towards Ye Chen, she asked Ye Chen, she wanted to know where Ye Chen got this thing.

"Of course, I'm looking for item, where do you think I've been these past four days" Ye Chen said to Jia Li.

Ye Chen told Jia Li, he went to look for the eternal spark furnace.

"Is that so" Jia Li understood, she had misunderstood Ye Chen, she had punished Ye Chen, even though Ye Chen had done very good things.

"I have found that thing, are you not going to compensate me?" Ye Chen asked Jia Li, he wanted to know if Jia Li would not compensate him.

"What do you want, I can give you everything you want, I and the Medicine Fraction can't thank you" Jia Li said to Ye Chen, she said that she couldn't thank Ye Chen.

"glup . ." Jia Li's words would probably cause Ye Chen to misunderstand.

"Are you sure, I might ask something strange".

Ye Chen said to Jia Li, he said that he could do bad things to Jia Li.

"Are you sure you can do it" said Jia Li, Jia Li said to Ye Chen, she felt that Ye Chen would not be able to do it.

"Who said that I can't do it, of course I can do it" Ye Chen told her that he could do it.

"You're so funny" Jia Li said to Ye Chen, she saw that Ye Chen was very funny.

Jia Li didn't take Ye Chen seriously, she saw Ye Chen as a child.

" Fufufu , she still treats you as a child" Chu Yuechan said to Ye Chen.

"he doesn't know me yet, if she knows me, she might change her mind" said Ye Chen.

"So what do you ask of me" Jia Li asked Ye Chen, she wanted to know what Ye Chen asked.

"I haven't thought about it yet" Ye Chen said that if he hadn't thought about it, he would probably ask for it another day.

"So you still haven't decided, well I understand, I will wait for the decision you make." Jia Li said to Ye Chen, he would wait for Ye Chen to make a decision.

"Then I have a little gift for you" Jia Li announced that she had a gift for Ye Chen.

Jia Li approached Ye Chen, she leaned slightly and kissed Ye Chen on the cheek.

Ye Chen was quite surprised by what Jia Li did, he didn't expect that Jia Li would do that.

"That's a little gift from me, then let's go back" Jia Li said to Ye Chen, she took Ye Chen back.

Jia Li was in a happy mood.

Ye Chen rubbed his cheeks, he still couldn't believe that Jia Li would do that, it was quite a shock for Ye Chen.

"I am very lucky" Ye Chen felt that he was very lucky, he was lucky to get a kiss from a beautiful woman like Jia Li.

The two walked back to the Sect , they parted ways at the gate and Jia Li headed back to her place.

"There wasn't much talk between Ye Chen and Jia Li, it was probably because of the previous circumstances and Jia Li felt embarrassed looking at Ye Chen.

Ye Chen returned to his place, when Ye Chen came back, he found that there were several women waiting in front of his place.

"they??" Ye Chen wanted to know who they were.

Chapter 2566 Business Is Coming

Ye Chen approached the group of women, he wanted to know who they were.

"cough, Lady who are you?" Ye Chen asked the group of women, he wanted to know who they were.

"Wow, he's so handsome" they looked at Ye Chen up and down, they seemed interested when they saw Ye Chen in front of them.

to be honest they rarely saw a handsome man like Ye Chen, that was because for them that were, the work of making equipment was only done by rough people, that was why they were surprised when they saw the extremely handsome Ye Chen become a smith.

senior sister Shi told the truth, he was indeed very handsome, they started whispering, they started to talk about Ye Chen who was in front of them.

"You, are you the owner of this room?" they asked Ye Chen, they wanted to know if Ye Chen owned this place.

"Of course, I do own this room, do you need anything from me?" Ye Chen wanted to know the purpose of them, roughly what purpose did they have right now.

"We heard from senior Shi Lin if you are pretty good at making weapons, would you sell them to us" they asked.

"oh, so you guys are from the medicine faction, Ye Chen finally understood, he finally understood where they came from, it turns out that they are all friends of Shi lin .

Shi Lin had bothered to do so, it was obvious that he wanted to help Ye Chen.

"Of course, I want to know what your tastes are like." Ye Chen asked, he wanted to know their tastes, to be honest they wanted to know what their tastes were like.

"Hurray. . ." they looked very happy, they hurriedly left, they immediately went with Ye Chen and went inside.

Ye Chen showed what he had made, to be honest, this wouldn't be too good for some people.

"wow, this looks beautiful" they were interested, they all felt interested when they saw Ye Chen's collection.

"wait, this" among those who knew about weapons, they naturally knew what Ye Chen used to make weapons.

"No way, this is Black Pure Orichalcum " she said in disbelief.

"Black Pure Orichalcum , it's very expensive" they knew that Black Pure Orichalcum was very expensive, it was a top class weapon and difficult to make and find.

"not weird, this is good, wonder if we can afford it" they are not sure if they will be able to buy it.

Ye Chen looked at them, he could see that they seemed to be having trouble, maybe they knew that Ye Chen would sell them at a high price.

They looked at Ye Chen, they looked very cute, like pets trying to get good food from Ye Chen's hands.

"how about I give you a discount" Ye Chen said that he would give a discount.

"are you serious" they looked happy when they heard this, they probably won't get another chance like this again.

"I'll use all the savings I have, I have to get one" one of them had to get one, she couldn't let go of an opportunity like this.

Even if she had to use everything she had, she had to get one Black Pure Orichalcum .

Everyone agreed, they all agreed and took out everything they had.

Ye Chen looked at their enthusiasm, it seemed that he would gain a lot from these young ladies in front of him.

Ye Chen adjusted their weapons and abilities, that would make it easier for them to use the weapon he made.

They are not aware of it, they only know how to use it, they don't really care about the process.

Ye Chen completed all processes quickly, he used the best speed he had to complete all existing orders.

In just a short period of time he had managed to complete all of them and obtain many profound crystals.

"It's beautiful and easy to use, women tend to be easy to accept, as long as it's good and suitable, they will easily accept it.

"Thank you very much, they are all grateful to Ye Chen, they really like what Ye Chen gave them.

They really liked what Ye Chen gave them, they thought it was very good and they would take good care of it.

"Of course, I am also happy to do business with you." Ye Chen also felt happy to do business with them.

"Um . . ." as they were about to return, one of them felt dizzy and wanted to fall down.

"What is wrong with you?" they immediately helped their friend who was in trouble, they were very worried about the condition of the young woman who was about to fall.

"just a little dizzy, it's nothing" she said that she was fine.

"are you okay" Ye Chen came over, he came over and asked if she was okay.

"umm , I'm fine, this is normal for me" she said to Ye Chen.

"Are you sure, your condition looks bad, let me take a look" Ye Chen said, he wanted to see the condition of the woman who was currently looking very bad.

Ye Chen drew closer, he started to check the condition of the woman in front of him.

"This woman's name is Rong Yia" a slightly petite woman with a cute face.

Ye Chen went, he saw the condition of Rong Yia, Ye Chen confirmed the condition of Rong Yia, he looked and started to check the disease of Rong Yia.

"Is that so" Ye Chen understood, he could see the problem that Rong Yia had.

Ye Chen saw the problem that Rong Yia had, the problem was in the vein, somehow it became slow and made her run into trouble.

That's what makes Rong Yia often experience prolonged dizziness every day.

"So that's the case, then I can help you" Ye Chen said to Rong Yia.

He told that he could help Rong Yia.

"Are you serious, even a master can't do it" Rong Yia said to Ye Chen.

Rong Yia still doubted, she still doubted Ye Chen's words.

"Are you still unsure of what I said" Ye Chen asked Rong Yia.

"I . . ." Rong Yia didn't dare to look straight at Ye Chen, she felt that she didn't feel good towards Ye Chen.

"No need to worry, I will help you" Ye Chen said to Rong Yia.

"Now come with me" Ye Chen said to Rong Yia, he told Rong Yia to come with him.

"understood" Rong Yia understood, she went with Ye Chen, she would do as Ye Chen said.

"you guys can wait outside" Ye Chen said to them, he told them to wait outside.

"fine, we understand" they all understand, they will all wait outside.

"They don't understand, whether Ye Chen can heal Rong Yia, it becomes a very difficult thing.

"Okay, let's start, first take off your shoes" Ye Chen said to Rong Yia.

"Alright" Rong Yia didn't ask much, she did as Ye Chen ordered.

She did as Ye Chen said, herself took off her shoes and also revealed her beautiful legs.

"now sit down" Ye Chen said to Rong Yia, he told Rong Yia to sit down.

Rong Yia sat down, Ye Chen held Rong Yia's leg and started.

Rong Yia didn't know what Ye Chen was going to do, she was still confused about what Ye Chen was going to do.

Ye Chen started to use his own strength, a hot energy rushed in and started to stimulate Rong Yia's vein.

Chapter 2567 Treat Sick Students

"Ummm . ." Rong Yia felt her body getting hot, she felt that her body was getting hot because of Ye Chen.

"my body feels hot" she told Ye Chen, she felt that her body got hot because of Ye Chen.

"are you okay ?" Ye Chen asked Rong Yia.

"I'm fine, there's just something a little weird about me" Rong Yia said to Ye Chen, she felt something was off about her.

"It's okay, it's normal" Ye Chen told her that it was normal.

"You have to endure it, it might taste something good" Ye Chen said to Rong Yia, he told that Rong Yia had to endure it well.

"Umm. . ., ahhhhh" Rong Yia's voice leaked out, she couldn't hold it in, she couldn't hold back the pleasure that Ye Chen gave her.

"what?, this feels very good" Rong Yia feels that this feels very good, she feels that this is delicious and makes herself feel addicted.

"ahhh. . ." Rong Yia couldn't help herself, she couldn't help but moan sweetly.

"What's that. . ." the women outside started listening to it, they started listening to the small voice that belonged to Rong Yia.

"what happened to her, why did she make such a sound" they all wanted to know, they wanted to know why Rong Yia made such a sound.

People could misunderstand what was going on, Rong Yia's voice made them feel that something intimate was going on in there.

They didn't dare to enter, that was because Ye Chen had forbidden them to enter.

Meanwhile, they didn't hear Rong Yia's voice asking for help, so it should be fine.

Ye Chen treated Rong Yia very well, he made Rong Yia as comfortable as possible by using his method.

Rong Yia's body started to seek heat, it started to improve her body's blood circulation and energy flow.

"Is that so, not bad" Ye Chen finally almost finished, he massaged and made Rong Yia feel an extraordinary feeling, she felt that she was floating in the sky, this feeling was really very comfortable, a feeling that was too comfortable for Rong Yia.

Sweat dripped off Rong Yia's body, she felt like she had just trained intensely.

"how, are you feeling better ?" Ye Chen said to Rong Yia, he told Rong Yia to tell her feelings.

Rong Yia didn't answer, it was obvious that Rong Yia was resting, her breathing was fast and seemed like she had just done a strenuous exercise.

Ye Chen waited, perhaps Rong Yia needed to rest for a bit.

A few minutes later Rong Yia felt better, her breathing had stabilized and she started to calm down.

Rong Yia's body was still uncomfortable, she felt a heat that made her feel excited.

"thank you, I feel very comfortable" Rong Yia said to Ye Chen, she told him that she felt very comfortable.

Somehow her body felt more at ease, she felt more refreshed than before.

"Have I recovered?" Rong Yia asked Ye Chen.

"Of course, you should be fine" Ye Chen informed that Rong Yia had recovered.

"Really, then thank you very much, I am really in trouble" said Rong Yia.

Rong Yia didn't know how to thank Ye Chen, Ye Chen helped her get out of an illness that had disrupted her practice.

"So what can I do to repay the kindness you did" Rong Yia said to Ye Chen, she wanted to repay Ye Chen's kindness.

"You don't have to do it, I'm happy to help you." Ye Chen said that he was happy to help, he didn't want anything in return.

"I am very grateful for what you did" Rong Yia thanked, she really owed Ye Chen a lot.

Ye Chen smiled, he was happy to see that Rong Yia was fine.

"It seems that your friends are waiting for you, why don't you go right now" Ye Chen said to Rong Yia.

"You are absolutely right, they must be waiting for me, I have to go back" Rong Yia agreed with what Ye Chen said, they must be waiting for Rong Yia.

"Uhh. . ." When Rong Yia wanted to stand up, she felt that her legs were very soft, it was probably because Ye Chen did something that made Rong Yia's body weak.

Rong Yia trembled, she was unable to walk normally.

"What is it?" Ye Chen asked Rong Yia, he wanted to know what happened to Rong Yia.

"slight tingling" Rong Yia said to Ye Chen.

Rong Yia was ashamed to admit it, she was ashamed to say what happened to her.

"Is that so" Ye Chen understood, he helped Rong Yia out.

He provided assistance and led Rong Yia out of the room.

the women outside waited patiently, to be honest they wanted to know what was going on.

"Click . ." they heard a voice, they of course immediately saw Rong Yia who came out while being helped by Ye Chen.

"what happened to you" they asked, what happened made Rong Yia into a misunderstanding

"He just helped me" Rong Yia said that Ye Chen just helped her.

"Your condition" they asked, they wanted to know Rong Yia's condition.

"I'm fine, this is really fun, I feel healed" Rong Yia said to everyone.

"What ! ! !" Everyone was of course shocked when they heard this, those who were close friends of Rong Yia would naturally be shocked when they heard what happened.

"Serious. . ." they drew closer, they asked if what Rong Yia said to be the truth.

"of course" Rong Yia would not lie, it was useless to lie to all of them.

"we are happy" they were happy, they were very happy when they saw Rong Yia recovering.

"I didn't think that you could also take medicine, it was surprising for us." They were surprised, they were surprised by Ye Chen's ability.

Even those who studied medicine had difficulty curing Rong Yia.

"I just helped her a little, it's nothing special" Ye Chen said that it was nothing special.

"Once again I thank you, I will help you if you need help from me" Rong Yia lowered her head, she owed Ye Chen.

"Let's go back, we still have work to do" Rong Yia said to everyone.

"of course, we still have orders, let's finish them" they all left, they said goodbye to Ye Chen and left the place.

Ye Chen went back inside, he started to make more weapons to sell, it seems this business will be profitable for Ye Chen.

back to the girl from the medicine faction.

They all immediately went and crowded around Rong Yia, they all wanted to know what was going on inside.

"what are you doing inside, you make such a sweet voice inside" she asked Rong Yia, she wanted to know what Rong Yia and Ye Chen were doing.

To be honest they were all curious about what happened, they wanted to know what Rong Yia and Ye Chen were doing.

"he administered treatment for me" Rong Yia said with a red face, she felt embarrassed when she remembered what happened before.

"then with that voice" they didn't want to let go of Rong Yia, they pushed Rong Yia to explain to the point of light.

"It feels so good" Rong Yia said honestly, she felt that Ye Chen's touch and massage was very comfortable, it was too comfortable and can't be described in words.

"how comfortable?" they want to know.

"Very comfortable" Rong Yia said that it felt very comfortable.

Chapter 2568 Xuan Mei Saw Ye Chen

They all became curious, they wanted to know how comfortable it was, they should probably try it another time, this was women's talk, an intimate talk between young women who were growing into mature women.

.

.

Ye Chen returned to the forge, he practiced and improved his skills.

Ye Chen is a hard worker, he will of course do his best to be first.

Occasionally someone would come and buy and take a look, Ye Chen's business was pretty good, he started to slowly establish a good network.

Ye Chen's life was very peaceful, he collected a lot of things for himself to use.

"business is going very well, soon I might be able to get what I want" Ye Chen felt that he had grown better, he had become fast and strong in no time.

"disciple Ye Chen" one entered, it seemed he was also from the Equipment faction.

"What is it?" Ye Chen asked.

"here comes your disciple token" he passed the token to Ye Chen.

As Chu Peng said, Ye Chen obtained the disciple mark, he could start to take on a mission and obtain the resources in the Sect.

"thank you very much" Ye Chen thanked, this is very helpful.

"oh yes, there is someone who wants to meet you" he said to Ye Chen, he told that someone wanted to meet Ye Chen.

"Who?" Ye Chen asked.

"I also don't really know about this problem" he said that he didn't know too much about this problem.

"Is that so" Ye Chen understood, then he couldn't ask much about this matter.

He told the meeting location, it was at the end of the valley, a deserted place and seldom used by students.

"That's all I do, you have no more questions?" he asked Ye Chen.

"no, I don't have any more questions" Ye Chen announced that he no longer had any questions.

"Then I will resign" he said to Ye Chen, he told Ye Chen that he would resign.

"he left, he returned to his place, he was also a worker, he needed money to stay alive and cultivate in the Sect.

after receiving the necessary news and information, Ye Chen went straight out, he went out to the end of the valley, there were not many people in this place.

"I wonder who will I meet?" Ye Chen wanted to know who he would meet.

Ye Chen looked around, he didn't find anyone else around this place.

"no one, how strange" Ye Chen didn't find anyone, he didn't find anyone around this place, it was empty and Ye Chen could only look at the scene in front.

"You have finally come" a figure descended from the sky, it was Xuan Mei, the female sword who was the leader of the Sword faction.

"oh this is the head of the Xuan Mei faction" Ye Chen said to the newly arrived Xuan Mei.

"That's absolutely true" Xuan Mei nodded lightly at Ye Chen, herself nodded lightly at Ye Chen.

"So why did you call me, is there anything you need from me?" Ye Chen asked Xuan Mei, he wanted to know what Xuan Mei needed.

"I heard from Gen Tez that you recently had trouble with Jia Li and you also saved him," said Xuan Mei.

"oh about that matter" Ye Chen understood, he understood the purpose of Xuan Mei coming.

"I came to thank you" Xuan Mei said that she had come to thank Ye Chen, Ye Chen had helped one of her people out of trouble.

"No, it wasn't me, Miss Jia did it, I didn't do anything" Ye Chen said that if he didn't do something, it was Jia Li who saved them.

"I knew you would say that, to be honest I don't really like that woman" Xuan Mei said to Ye Chen, she said that she didn't like Jia Li.

Ye Chen of course understood what Xuan Mei was saying, it was a shame he couldn't say something because that would get him in trouble.

"I can't thank that woman, she might laugh at me, so I decided to thank you instead" Xuan Mei said to Ye Chen.

Xuan Mei would not be grateful to Jia Li, if she came and did that then that woman would definitely make trouble and start making fun of her, there might be a big battle if that happened.

"You guys don't get along at all" Ye Chen saw that Jia Li and Xuan Mei didn't get along.

"We are rivals from childhood, of course we can't get along with each other, she and I are different, we can't be together" Xuan Mei said to Ye Chen.

"That's because you guys didn't give it a try, I can see that you guys are doing it because of your own egos" said Ye Chen.

Ye Chen knew that they were doing this because of their ego, they had great pride and did not want to give in and wanted to be the best among everyone.

Ye Chen could understand, he could understand this matter because he knew the problems of the two of them.

Xuan Mei was shocked when she heard what Ye Chen said.

Ye Chen's guess was right, the two of them were like that, that's what made them not get along.

"It seems that you are indeed something else" Xuan Mei said.

Xuan Mei said that Ye Chen was something, she looked at Ye Chen with deeper and deeper eyes.

"I came here to thank you and give you a gift" Xuan Mei said that she came to give Ye Chen a gift.

"What gift is that?" Ye Chen wanted to know what Xuan Mei could give, with Xuan Mei's status and wealth, she should be able to give Ye Chen a good one.

Xuan Mei took something from her waist, she took out a small bottle and gave it to Ye Chen.

"What's this?" Ye Chen asked Xuan Mei, he wanted to know what Xuan Mei gave him.

"it is a spring of life origin, it has pure energy and might be useful for cultivation" said Xuan Mei.

Xuan Mei told Ye Chen, she told about what she had just given Ye Chen.

"is one drop ?" Ye Chen asked Xuan Mei, he was curious about this.

"It is a rare and difficult item, the price of one bottle is probably around 800,000 profound crystals" said Xuan Mei.

Xuan Mei started to estimate the price of the thing she gave.

"this?" Ye Chen didn't expect that it would be so expensive, it seemed that the item given by Xuan Mei was an expensive item.

"Isn't this too expensive" Ye Chen said to Xuan Mei, he told her that it was a very expensive item.

"It's okay, I did want to give that to you" she said to Ye Chen, Xuan Mei wanted to give that to Ye Chen.

"then I will accept it" Ye Chen will not refuse anymore, he does not like to refuse gifts from someone.

"How are you over there, are you okay or are there people bullying you" Xuan Mei asked Ye Chen, she wanted to know if anyone had done anything bad to Ye Chen.

"No, I'm fine, everything is going very well" Ye Chen told that everything was going very well, no one bullied him, instead there were lots of people supporting Ye Chen.

"I'm glad to hear that, if anyone makes trouble, you can talk to me, I'll take care of it for you" Xuan Mei said to Ye Chen.

Xuan Mei said that she would help Ye Chen if he ran into trouble.

"Many thanks Xuan Mei faction head" Ye Chen thanked Xuan Mei for the kindness.

"Why do you call me faction head, when you can call that woman Miss" Xuan Mei said to Ye Chen.

Xuan Mei asked Ye Chen, she wanted to know the reason why Ye Chen called her differently from what Jia Li did.

"That . . ." It was too troublesome to answer Xuan Mei's question, one wrong mistake might make her angry at Ye Chen.

"she told me" Ye Chen said to Xuan Mei.

"Oh, I see. . ." Xuan Mei understood, it sounded similar to Jia Li, Xuan Mei easily believed what Ye Chen said.

"In that case, you can call me sister Mei" Xuan Mei said to Ye Chen.

"no, there's no way I could do that" Ye Chen said to Xuan Mei.

This would be a problem, if Jia Li found out, maybe she would be angry with Ye Chen.

"don't you want to do it" Xuan Mei looked angry, she tried to force Ye Chen.

"This is so troublesome" Ye Chen felt troubled, he had to find a way to calm Xuan Mei down, otherwise how would he get out of this situation.

"Just give up, it looks like you won't be able to escape" Chu Yuechan said to Ye Chen.

"You should help me" Ye Chen said to Chu Yuechan.

Ye Chen scolded Chu Yuechan, Chu Yuechan should have helped Ye Chen to solve this problem.

"I won't help you this is your problem" Chu Yuechan refused, she refused to interfere in Ye Chen's matters, she did not want to interfere in Ye Chen's matters.

"it will be troublesome for me and you, if others hear about this, they will probably laugh at us" Ye Chen said to Xuan Mei.

"You have a point too" Xuan Mei agreed with what Ye Chen said, she very much agreed with what Ye Chen said, others might misunderstand them.

"then how about this" Xuan Mei had an idea, she had a very good idea.

"what is it ?" Ye Chen asked Xuan Mei, he wanted to know what kind of idea Xuan Mei had.

Chapter 2569 Celestial Sword Motion Art

"You said that it would be a problem when others found out, then we only need to do it when we are alone" Xuan Mei said to Ye Chen.

Xuan Mei came up with a slightly strange idea, somehow she didn't want to lose to Jia Li.

Xuan Mei didn't want to lose, she didn't want to lose to Jia Li, that's why she forced Ye Chen to do what she wanted.

"Okay" Ye Chen relented, it is useless to continue, Xuan Mei will definitely not let Ye Chen escape.

Xuan Mei was a little proud, she felt that she was more senior than Jia Li.

"now try calling me" Xuan Mei said to Ye Chen, she told Ye Chen to call herself.

"Sister Mei" Ye Chen said to Xuan Mei, Ye Chen did it by force.

"That's great" Xuan Mei was very happy, she felt happy when she saw what Ye Chen was doing.

Xuan Mei is terrible, she is probably even more terrible compared to Jia Li.

The two of them were really troublesome, if he could Ye Chen wouldn't let the two of them get close because something bad would happen.

"I hope Jia Li doesn't know about this, she might kill me if he finds out about this" Ye Chen would not tell Jia Li about this matter, he would probably be killed if she knew what was happening now.

"Very good, I like your way" Xuan Mei said that she liked Ye Chen's way, she really liked Ye Chen's way.

"As a reward I will teach you a bit of sword techniques" Xuan Mei said to Ye Chen.

Xuan Mei said that she would impart a sword technique to Ye Chen.

Xuan Mei extended her hand towards Ye Chen's forehead, she passed a technique to Ye Chen.

Xuan Mei transferred a technique to Ye Chen, she gave the technique for Ye Chen to learn.

Ye Chen received information from Xuan Mei, he obtained a technique from Xuan Mei.

"This?" Ye Chen looked at what Xuan Mei gave him, it seemed to be a great one.

"This is an extremely powerful technique, its name is the celestial sword motion art" Xuan Mei said to Ye Chen.

"Are you sure about giving this to me?" Ye Chen asked Xuan Mei

"Of course, I believe, there aren't many people within the faction who can learn it, I hope you can too, it would be an extremely powerful technique if you were able to learn it" said Xuan Mei.

Xuan Mei said that not many could learn it, it was a high level technique, the level of difficulty was very high.

"If it's hard why are you giving it to me, why not give it something easy" Ye Chen said.

Ye Chen said to Xuan Mei, he told Xuan Mei to give it easy.

"no, I can't do that, it would be a disappointment if I gave you such a thing" Xuan Mei said to Ye Chen.

"Ye Chen, it is a rare technique and only core disciples are able to learn it, I give it to you, I hope you can learn the first level, even if it is the first level, it will be a powerful and terrifying technique.

"It can help you in battle" said Xuan Mei.

the celestial sword motion art was a powerful technique, there were only a few people other than Xuan Mei who could use it and learn it.

Lots of people failed to learn it, so Xuan Mei hoped that Ye Chen would be able to learn it.

"I really hope that you can do it" Xuan Mei said to Ye Chen, she said to Ye Chen, she told Ye Chen to study it well.

"I will do well, I will learn it" Ye Chen said to Xuan Mei, he told her when he would do it.

"That's great, then I'll go first, I'll see you in a while, I have to go to attend a meeting, it's troublesome but I have to do it" Xuan Mei said that she had to do it anyway.

Xuan Mei seemed to be lazy to do it. She did this out of necessity, otherwise she would not have done it.

"See you later" Xuan Mei said to Ye Chen, she will come again to Ye Chen, she will see Ye Chen after everything is over.

Xuan Mei left, Ye Chen was left alone in this place.

Ye Chen looked towards Xuan Mei, he saw Xuan Mei leave.

"This woman is good, but she is also as troublesome as Jia Li" Ye Chen felt that if she was a bother, Ye Chen couldn't stop what Xuan Mei was doing.

"It's a bit troublesome" Looks like I should start to practice, I might need strength" Ye Chen was about to come back and start cultivating, he couldn't waste any more time.

Ye Chen immediately flew back, he used his own strength to arrive home at an incredible speed.

"Ye Chen started cultivating, he used the life origin place" Ye Chen dripped onto his body, he began to absorb the pure energy present, with that he started cultivating.

.

.

"you took so long" Jia Li said to Xuan Mei, she had been waiting for Xuan Mei.

Jia Li had an appointment with Xuan Mei, it seemed they were doing something important.

"I just had some important business to do" said Xuan Mei.

Xuan Mei told her that she had just done something important.

"is it important, you should know that this is much more important, this is a meeting between Sects, we should go since we are the representatives" Jia Li said to Xuan Mei.

"Why should I be with you, to be honest I don't really like you" Xuan Mei said to Jia Li.

"Do you think I want too, if it wasn't for the order, I wouldn't be willing to do it" Jia Li said to Ye Chen.

These two troublesome women fought again, they fought again because of something like this, the two of them really couldn't get along with each other.

"already let's go, we have to do it" Jia Li said to Xuan Mei, even if he didn't want to, he still had to do it, this was the duty of the Sect.

They go, they will meet other strong people.

This meeting was to show their abilities, they would discuss about what they would do for the competition, one could say that this was a meeting to determine what game they would play.

"I hope this time the competition will be better than last year" said Xuan Mei.

"The last time we came close to being in the very end, it was because the competition was not on our side," said Jia Li to Xuan Mei.

"That's why we have to make sure we get the advantage in this meeting, we have to make the best results, this is for everyone in the Sect".

The previous competition was a 1 vs 1 battle, it obviously made them not get a strong result because the number of forces in the Sect was less strong than the individuals in the other Sects, that's why their results were really quite bad.

The strength of the Immortal Valley Sect was determined when they grouped together, they would benefit when grouped together, considering they were divided into factions.

Chapter 2570 Wu Ziyi's Sudden Visit

"Let's make sure we win this time," Xuan Mei said to Jia Li.

"I will make them soften a little." Jia Li will also be serious, she will be serious about getting the best results for the future.

The two of them set off, they would ensure the best results in a meeting between low ranking Sect elders.

.

.

Back to Ye Chen, Ye Chen has succeeded in refining the life origin spring, he has advanced one level, now Ye Chen is now level eight.

"amazing, what Xuan Mei gave was very good" Ye Chen praised what Xuan Mei gave, it was really great, he got a tremendous increase in strength from absorbing a single drop.

"How is your body condition right now?" Chu Yuechan asked Ye Chen, she wanted to know Ye Chen's current condition.

"I'm fine" Ye Chen told that he was fine, his body's condition got a little better.

"It seems that releasing the enchantment makes your body light, but you can't let your guard down, the Yang Qi in your body might explode" Chu Yuechan said to Ye Chen.

"I will remember that" Ye Chen would remember that, he would remember what Chu Yuechan said.

"Ye Chen" Wu Ziyi came to see Ye Chen, After a few days of being confined, she finally had the opportunity to go out and meet Ye Chen.

Ye Chen heard this voice, he directly opened the door.

Wu Ziyi was already standing in front of Ye Chen's door, she looked very happy.

"Ye Chen" Wu Ziyi came over, she immediately hugged Ye Chen who was in front of her.

"what is there to be so excited about" Ye Chen said to Wu Ziyi, what made Wu Ziyi so excited like that.

"I miss you so much" Wu Ziyi said to Ye Chen, she told that she missed Ye Chen.

"It's still a few weeks" Ye Chen said to Wu Ziyi.

"I really missed you" Wu Ziyi said to Ye Chen, she really thought of Ye Chen at the training ground.

"You can come out, will Miss Jia Li let you out" Ye Chen said to Wu Ziyi.

"she just left, and I had free time while she was away" Wu Ziyi said.

Jia Li left, which meant that Wu Ziyi had some free time to do as she pleased.

"Is that so, it's not strange that you are so excited." Ye Chen understood, it was not strange that Wu Ziyi could come freely.

"she's terrible, she makes me train every day, I don't even have much time to rest" Wu Ziyi said to Ye Chen, she complained to Ye Chen.

"Hahahahaha, it seems that she really cares about you" Ye Chen said.

Ye Chen could see that Jia Li really cared about Wu Ziyi.

"That's terrible, I've never practiced that hard," said Wu Ziyi.

Wu Ziyi felt like she was in prison, she had never been detained like that.

"It's all for your own good" Ye Chen said that it's all for Wu Ziyi's good, Wu Ziyi should be happy that Jia Li is taking good care of her.

"You yourself, how are you, are you okay?" Wu Ziyi asked Ye Chen.

"Here I study alone" Ye Chen said to Wu Ziyi, he told that he studied alone, he studied alone in this place and he was free to do what he wanted.

"I hope there is something good" Chu Yuechan said to Ye Chen, she hoped Ye Chen found a good thing.

"I hope so too" Ye Chen also wished the same thing that Chu Yuechan wanted.

Wu Ziyi accompanied Ye Chen, she helped Ye Chen work in the smithy.
