Chapter 2571 Practicing Celestial Sword Motion Arts

"Um. . ." Ye Chen nodded, he let Wu Ziyi go, let her prepare what is needed tomorrow.

Ye Chen came back, he made a good weapon for Wu Ziyi, he would definitely make a good weapon for Wu Ziyi to use.

"Young master" Zhang Ein came over, she appeared near Ye Chen.

"Ein, what's wrong?" Ye Chen asked Zhang Ein, he wanted to know what Zhang Ein wanted.

"I found something for you" Zhang Ein said to Ye Chen.

"what did you find for me" Ye Chen asked Zhang Ein.

"it's about the awakening forest realm event" Zhang Ein said to Ye Chen.

"So you know about it too" Ye Chen said to Zhang Ein.

"Of course, I of course know about this problem, you just want to tell me that tomorrow might be a little difficult, there are some people who will make trouble there" said Zhang Ein

"Create a problem?" Ye Chen asked Zhang Ein.

"That's absolutely true" Zhang Ein told Ye Chen, she said that someone would find trouble with Ye Chen.

"Who are they?" Ye Chen wanted to know what Zhang Ein meant, who would make trouble.

"a mysterious group" Zhang Ein said to Ye Chen.

Zhang Ein didn't talk about them, she just said that this was a mysterious group.

"Is that so, then thank you very much for the warning." Ye Chen was grateful for the warning given by Zhang Ein.

"You're welcome, I hope the young master is careful, don't let anything bad happen" said Zhang Ein.

"I will do my best" Ye Chen said that he did his best.

"Then I'll go, that's all I want to tell you." Zhang Ein said that she just wanted to say that.

Zhang Ein disappeared, she was always like that, arriving suddenly and disappearing without a trace.

"You have a very good maid, she tells what will happen to you" Chu Yuechan said to Ye Chen, she told that Ye Chen was very lucky.

"To be honest, I'm still curious about what Zhang Ein said." Ye Chen was quite curious, he wanted to know the meaning of Zhang Ein's words.

"You can find out about that later" Chu Yuechan said to Ye Chen, she told Ye Chen to find out about this later, he would probably get the answer quickly.

"um . . ." Ye Chen understood, he would definitely get the answer quickly.

Ye Chen practiced, he studied the technique given to him by Xuan Mei, he wanted to know if the technique was difficult to use.

Ye Chen was training, he was training inside the fairy gate with Chu Yuechan as the person helping Ye Chen.

"come help me" Ye Chen said to Chu Yuechan, he asked Chu Yuechan to help him.

"come attack me" Chu Yuechan said to Ye Chen, she told Ye Chen to attack her.

Ye Chen attacked, he used the celestial sword motion art, a move that was extremely light and full of speed.

the celestial sword motion art had very easy moves, just that it was a bit difficult to bring out its full power and full speed.

Ye Chen started, he started attacking Chu Yuechan using full slashes.

"Slashes. . ." Ye Chen continued to attack, he continued to attack Chu Yuechan using his full strength and speed.

"Your moves are so formidable, you seem to have mastered the first move" Chu Yuechan said to Ye Chen.

"It's quite easy" Ye Chen said to Chu Yuechan, he told that this is very easy, Ye Chen can easily master it.

"fufufufu" Chu Yuechan smiled, if Xuan Mei knew about this, she would definitely be very shocked.

Xuan Mei herself needed tens of years to learn the first level, she needed time to learn it on her own considering the complex movements of the celestial sword motion arts.

Every move of the celestial sword motion art had to be executed properly, otherwise the strength would be too low, it was not good and it would take Xuan Mei a long time.

"then let's continue, we have to learn everything before tomorrow" Ye Chen said to Chu Yuechan.

"understood" Chu Yuechan understood, she would help Ye Chen, it was her duty to help Ye Chen.

The two practiced non-stop, time quickly passed within the fairy gate a few days later Ye Chen came out, he was already prepared and had completely mastered the celestial sword motion art to the master level.

"Finally done" Ye Chen was happy that everything was over, he needed an inordinate amount of time to finish.

the celestial sword motion art has many pages, to be honest this technique is very complicated, it's not strange that Xuan Mei said that if not many people learn it, ordinary people will definitely be dizzy when they see the many movements in the celestial sword motion art.

"You do it, I'm just dizzy looking at it myself." Chu Yuechan said to Ye Chen, she told that she was dizzy when she saw the top level of the celestial sword motion art, it was too complicated and took hours to complete.

Even Chu Yuechan had to rack her brains to help Ye Chen because there were many things missing and incomplete.

"To be honest this technique is incomplete, she really gave me an incomplete technique" Ye Chen said to Chu Yuechan, he told that this technique was incomplete and Ye Chen had to solve it with Chu Yuechan's help in it.

"That's right, that woman is troublesome" Chu Yuechan agreed, Xuan Mei was so troublesome, it made Chu Yuechan have to work hard.

"I will go, Ziyi must be waiting for me" Ye Chen said to Chu Yuechan, he told Chu Yuechan that Wu Ziyi must have been waiting for Ye Chen.

"understood" Chu Yuechan understood, she waved at Ye Chen.

Ye Chen's figure turned white, he walked out of the gate and immediately went to see Wu Ziyi.

Wu Ziyi was already waiting at the door, she waited patiently for Ye Chen.

Wu Ziyi didn't find Ye Chen inside, which was why she could only wait for Ye Chen outside.

"where is he now ?" Wu Ziyi wanted to know where Ye Chen was now, she wanted to know where Ye Chen was now, she didn't find Ye Chen.

"Have you been waiting long ?" Ye Chen said to Wu Ziyi, he poked Wu Ziyi's cheek from the side.

"Where have you been, I'm looking for you" Wu Ziyi said to Ye Chen, Wu Ziyi told him that she was looking for Ye Chen, she couldn't find Ye Chen's whereabouts.

"ahahaha, I just went to practice, and just came back" Ye Chen said to Wu Ziyi, he told Wu Ziyi that he had just gone to practice.

"Are you practicing, where are you practicing?" Wu Ziyi asked Ye Chen.

"In a place not too far from here" Ye Chen said to Wu Ziyi, he told her that she was training not far from this place.

"I see, I thought you forgot" Wu Ziyi said to Ye Chen.

"There's no way I'll forget" Ye Chen couldn't possibly forget, how could he forget such an important thing.

"Then let's go" Wu Ziyi said to Ye Chen, she asked Ye Chen to leave this place.

Ye Chen was dragged by Wu Ziyi, she joined hands with Wu Ziyi.

The two looked like a couple, the two of them looked so well matched, they made everyone around them feel envious.

They were all jealous of the relationship that Ye Chen and Wu Ziyi had.

Chapter 2572 Event Starts

"It seems they are all jealous of the relationship we have" Wu Ziyi said to Ye Chen, she told Ye Chen that they were jealous.

"That's because Ziyi is beautiful, it's not strange that they are all jealous of you" Ye Chen said to Wu Ziyi, he told that Wu Ziyi was very beautiful and made them all jealous.

"You, you praise me too much" Wu Ziyi said to Ye Chen, she told Ye Chen that she praised me too much, it made Wu Ziyi feel embarrassed.

Wu Ziyi was too easy, she was embarrassed when she was praised a little by Ye Chen.

Ye Chen praised Wu Ziyi, he knew that Wu Ziyi would be embarrassed when she heard this, this little lady would definitely be embarrassed when she was praised by Ye Chen, she was too easy to seduce.

After they walked for a while, they finally arrived at a large and spacious place, there was a portal at the end and everyone was waiting for the start time.

Everyone in this place obviously wants to be part of it, they want to get the best out there.

"There are so many people" Wu Ziyi didn't expect that there would be so many people in this place.

"Our goal here is the same, it seems they are also after rare items like us" Ye Chen said to Wu Ziyi.

"Anyway, we can't lose to them." Wu Ziyi said to Ye Chen, she told Ye Chen not to lose to them.

"You also have to do your best, don't lose to them" Ye Chen said to Wu Ziyi, they must not lose.

Everyone has a partner, one might say they have a squad to go in there.

Most of them group with the same faction as them, rarely do other factions join one another.

"Look at them from the Medicines faction the same as me" Wu Ziyi said to Ye Chen, she told Ye Chen that there were some women and men who were from the Medicines faction, they were all the same as Wu Ziyi, they all came to get good items.

"Why don't you join them" Ye Chen said to Wu Ziyi, Ye Chen saw that their group was strong enough, they were all capable of protecting Wu Ziyi.

"No, I want to be with you, it's because you will protect me." Wu Ziyi said to Ye Chen, she said that Ye Chen would protect herself.

"You are . . ." Ye Chen looked helpless, he was speechless when he saw Wu Ziyi.

"You all quickly gather, we will start, are you all ready" a man appeared, he appeared and said to everyone in this place.

Everyone immediately gathered, they were all gathered in one and the same place.

"All of you have come, then we can start, the rules are very easy, you are not allowed to kill" he told the rules.

"what about taking other people's things" one asked if it was okay for them to take other people's things.

"Of course looting is allowed, but only for items that are inside, you can't take personal items" he said that plundering is allowed, only that it's not allowed to take personal items that come from outside.

"understand" they all already understand, they already understand and understand this short rule.

"You guys are free to form a group, you have to be careful there are a lot of strong and terrible monsters in there, if you die fighting monsters, it's not the responsibility of the Sect, do you understand" he said to everyone.

"Understood. . ." Everyone already understood, the explanation given was very clear to them.

"I will target him" here there are many people who want to target Ye Chen, among them are new students like Ye Chen, it seems they are still angry over the previous exam.

"Then I shall begin, Dang. . ." The gong sounded, they all had to start immediately or they would be left behind.

Everyone rushed in, they all rushed inside very quickly.

In just seconds everyone had entered the portal, outside was only Ye Chen and Wu Ziyi.

"They are all too excited." Wu Ziyi saw that they were all very excited.

"Of course, they want to get a reward, if it's too late they won't get it" Ye Chen said.

Wu Ziyi nodded lightly, she agreed with what Ye Chen said, they wanted to be the first to get the item.

"We should start too, let's go inside" Ye Chen said to Wu Ziyi, he asked Wu Ziyi to go inside immediately.

The two of them left, they just went inside and started to sweep all the rare items that were in there.

"Yuechan, I'm counting on you" Ye Chen said to Chu Yuechan, he relied on Chu Yuechan to help find everything.

"of course, I will help you" Chu Yuechan will help Ye Chen, she will help Ye Chen to get the rare items inside.

With help from Chu Yuechan, things would become easier, Ye Chen would get all the things that were in there.

Ye Chen can also get things from other people, he can take people because there are no rules and they are free to do it.

"So they can do what they want, as long as it doesn't kill anyone else.

"I will first try to measure this place" Ye Chen decided to measure this place, he wanted to know how wide this place was.

Using God's Eyes, he measured this place, this place was extremely vast, it was probably 3x the size of the earth.

"quite spacious" Ye Chen saw that this place was quite spacious, with the number of participants present, they would probably rarely meet people.

"how, is there something" Wu Ziyi asked Ye Chen, she wanted to know if there was something.

"I found something interesting, quickly come with me" Ye Chen said to Wu Ziyi.

This is the time, they must search for items in this place.

With help from Chu Yuechan, Ye Chen and Wu Ziyi obtained many good items.

"That's great, we got a lot of things in this place" Wu Ziyi said to Ye Chen, she was quite happy to know what they got just now.

"We got quite a lot, " Ye Chen said to Wu Ziyi, she was happy about this.

"You guys over there" there was a group approaching Ye Chen, they approached Ye Chen and started brandishing axes and maces towards Ye Chen.

"what's wrong, do you guys need anything from me ?" Ye Chen asked, he was still quite friendly with the other party.

Ye Chen knew what they were trying to do, even though he knew what they wanted Ye Chen still remained relaxed and showed no resistance to them.

"Leave what you got to us, if you do that, we will release you without a single wound" he said to Ye Chen.

Judging from their body shape as well as their clothes, they were clearly from the destruction faction, the barbarians were trying to find trouble with Ye Chen.

"You guys" Wu Ziyi looked at the group that had just appeared.

"I can't do it, you all can look for it yourself" Ye Chen spoke and refused plainly.

"How dare you" He was angry at Ye Chen, Ye Chen's refusal made this man feel very angry.

This man was at the tenth level of the immortal rebirth Realm and it wasn't strange that he was so arrogant in front of Ye Chen.

Get out of the way if you don't want to get hurt" Ye Chen gave a warning, he told him to step aside if he didn't want to get into trouble.

Chapter 2573 hunter group

"damn it, I will beat you" He advanced towards Ye Chen, an ax was used to attack Ye Chen.

1

"Ye Chen be careful" Wu Ziyi said to Ye Chen, she told Ye Chen to be careful of the incoming attack.

"Get out of the way" Ye Chen gave a punch, he hit the man in front of him and sent him flying tens of thousands of miles.

"Huh?" Wu Ziyi was shocked by what Ye Chen did, she almost didn't expect that the battle would end so quickly.

"what happened ?" Wu Ziyi had absolutely no idea what happened, to be honest she didn't know what happened in the previous battle, she only saw Ye Chen's enemy being blown away towards the horizon.

"One punch is enough to overcome you" Ye Chen said as he held his fist.

Ye Chen only needed one punch, with one punch, he managed to make the opponent fly quite far.

"You are really something" Wu Ziyi said to Ye Chen, Wu Ziyi was rendered speechless by Ye Chen.

"no, I'm not that good" Ye Chen said to Wu Ziyi, he told that he wasn't that good.

"don't be so humble" Wu Ziyi said to Ye Chen.

she told Ye Chen not to be modest in front of her.

Wu Ziyi started to know Ye Chen's strength, she had extraordinary strength.

"is that fellow okay, you flew him far enough" Wu Ziyi said to Ye Chen.

"Don't worry, I didn't use my full strength, so he should be fine" Ye Chen told Wu Ziyi, he still hadn't used all of his abilities.

If Ye Chen used all of his abilities, perhaps the results would be even more terrifying.

"-_- " Wu Ziyi made a helpless face, she didn't expect that Ye Chen would say that.

"Let's continue our journey" Ye Chen said to Wu Ziyi, there were still many treasures waiting for them ahead.

"Come on. . ." Wu Ziyi was so excited, she was excited to get good items in this place.

The two continued on their way, they continued on their way peacefully, no one else dared to disturb Ye Chen.

.

.

In one place, there was a group of three, people, this group looked very powerful and very terrifying, they had a terrifying aura.

"Finally we have made it into this place" they were finally able to enter the awakening forest realm, time for them to start messing around.

They were all troublemakers, those whom Zhang Ein said, they had bad intentions.

"First let's kill and take everything they have, they are just ants, it won't be difficult for us to take all the things they have." The three of them were almost alike, they started to move and look for prey.

Their goal is to kill the disciples who are participating, they will kill and seize the treasures of the weak disciples in this place.

The strength they possessed was in a different realm, even a tenth level immortal rebirth realm would be easily defeated by them.

The three are brothers, they have almost similar names, the oldest is Ho Hun, followed by Ho lun and the third is Ho Jun.

They are a dangerous group, they are employed by people to commit crimes.

Their arrival was also because of work, they were ordered to wreak havoc inside by someone, there was someone who wanted to do bad things to the Immortal Valley Sect.

They made their move, they started killing group after group without anyone knowing.

Their movement was very quiet, they did it quickly and very neatly, in just a short time, several groups had fallen.

They kept moving, they looted and took everything from the disciples, they were like cleaning insects, there was no resistance from the disciples at the peak stage of the immortal rebirth realm.

"sniff" Ye Chen started to sniff, he started to sniff out a familiar scent.

"What is it?" Wu Ziyi saw Ye Chen's change, she saw that Ye Chen seemed to be watching something.

"There is something strange in this place" Ye Chen said to Wu Ziyi, he was telling that something was wrong.

"What's that?" Wu Ziyi didn't feel anything wrong, she didn't feel anything wrong around her.

"To be honest, I smell blood from a distance." Ye Chen said that he smelled blood from afar.

"You can smell it, I don't even smell it myself." Wu Ziyi said to Ye Chen, she told him that she didn't even know.

"My sense of smell is not bad, I can easily smell blood, it smells very clearly" Ye Chen said.

Ye Chen can smell from several directions, this may be vague, Ye Chen can still smell it.

"Is this the warning that Ein previously gave?" Ye Chen started to feel that this was a warning given by Zhang Ein.

Ye Chen started to raise his guard, he started to raise his guard around.

Ye Chen even made Clones to protect the surroundings, he made them invisible and started protecting the area around.

Ye Chen was confident in his abilities, he was very sure that he was being watched by someone.

"I found prey, only two people, it will be quick to eliminate them." Ho Hun found two people, himself found two prey, one Ye Chen and Wu Ziyi.

To Ho Hun, they were easy prey, they could be easily taken care of by Ho Hun.

Ho Hun started to descend, he intended to launch a sneak attack towards Ye Chen and Wu Ziyi.

Ye Chen's clone immediately detected the presence of Ho Hun, they immediately knew the presence of Ho Hun who wanted to attack Ye Chen.

Ye Chen got a signal, he got a signal that Ho Hun was trying to attack him.

Ye Chen swiftly immediately counterattacked, he counterattacked towards Ho Hun.

"Uh . . ." Ho Hun was hit suddenly, he didn't know what had just hit him.

"what was that?" Ho Hun didn't understand, what had just happened, what had hit him like that.

"Bam . . ." several punches hit the body from Ho Hun, all the punches hit Ho Hun's body hard.

"Uhhhhh. . . ." Ho Hun was starting to get overwhelmed, he didn't even know what had attacked him, it literally knocked him to the ground.

Even though Ho Hun was quite strong, Ye Chen's shadow was able to deal with it, they still easily dealt with Ho Hun who was trying to find trouble with Ye Chen.

"damn . . ." Ho Hun started to get angry, he gave off a very strong aura, a really strong aura emitted by Ho Hun.

"I will kill them" Ho Hun was angry, he wanted to kill Ye Chen and Wu Ziyi.

Ho Hun's aura and power made Ye Chen and Wu Ziyi aware, both of them realized that Ho Hun was approaching.

"It's approaching, something dangerous is approaching." Wu Ziyi said to Ye Chen, she informed Ye Chen that something dangerous was approaching.

"I see, it is indeed approaching" Ye Chen also saw it, he could easily see that it was starting to approach towards them.

Both of them became very alert, they both became aware of what was coming in front of them.

Ye Chen himself already knew what was coming, he already knew what was coming in front of him, what was coming in front of him was a dangerous thing.

"It seems that those who did the killing, who could they be, this is what Ein told me" Ye Chen estimated the enemy.

Ho Hun came over, he put away all the Ye Chen clones and flew towards Ye Chen and Wu Ziyi.

Chapter 2574 Ho Hun

"I came to kill you two" he said to Ye Chen and Wu Ziyi, he came to kill them both.

1

"Back off a little" Ye Chen said to Wu Ziyi, he told Wu Ziyi to back off.

Wu Ziyi was behind Ye Chen, she was hiding behind Ye Chen's body, she was using Ye Chen to defend.

Ye Chen directly faced Ho Hun with a sword, he used the sword he made to face Ho Hun.

By using the sword he made he was able to repel the attack launched by Ho Hun.

"Humph, how did you do that, able to block mine attack" Ho Hun couldn't believe it, he looked confused when he saw Ye Chen was able to withstand his attack.

Ho Hun was at the sixth level of the Immortal Profound Awakening Realm, how could someone in Ye Chen's realm withstand his attack, they wouldn't be able to do it, they would instantly die if they did.

"that's great, you did it" Wu Ziyi said to Ye Chen, she saw that if Ye Chen did it, she resisted the direct attack launched by Ho Hun.

"He is really great." Wu Ziyi looked at Ye Chen, she saw Ye Chen's extraordinary strength, Ye Chen had extraordinary strength, he was able to withstand someone with that much strength.

Wu Ziyi didn't know if she could do that, what Ye Chen did looked quite impossible to do, she didn't believe she could do it.

Ye Chen and Ho Hun retreated, they kept their distance to keep it safe, they made sure neither of them got close.

"Who are you guys?" Ye Chen saw that they were not part of the Sect, he could clearly see that, he confirmed that they were not part of the Sect.

"We really are not part of the Sect" Ho Hun said that he was not part of the Sect, he was not part of the Sect.

"then who are you " Ye Chen asked again, he asked again who they were.

"we're just people paid to wipe you all out" he said to Ye Chen.

"So that's your goal." Ye Chen understood, it seemed that their aim was really bad.

"then I want to know who sent you " Ye Chen will find out, he will find out who sent Ho Hun.

"your dream is too high, do you think you can beat me" Ho Hun said to Ye Chen, Ye Chen would not be able to do that.

"want to see it" Ye Chen said to Ho Hun.

"let's see, I will slowly kill you" Ho Hun said to Ye Chen, he told that he would kill Ye Chen quickly.

"Bammm . . ." the two exchanged attacks, the two of them seemed even, a two-sided battle, an intense battle broke out and made the forest tremble.

"this guy" Ho Hun saw that Ye Chen was crazy, how could Ye Chen be able to keep up with his strength, this was extremely difficult, the difference in strength was almost nine levels and one world apart, it was definitely an impossible thing to happen.

"he is still a child, I will beat" Ho Hun still has a chance, he still has a chance to fight Ye Chen.

Ye Chen had to use all of his available strength, if he didn't, he wouldn't be able to keep up with the strength against Ho Hun.

This was Ye Chen's first time using his full strength after joining the Sect, he used his full strength against the enemy.

"Bam. . ." Ye Chen wielding a sword, he started attacking the enemy using an incredible speed.

"damn it" Ho Hun retreated, he retreated when he received the attack from Ye Chen, he didn't have time to win against Ye Chen who just attacked quickly.

"Why can he attack so quickly like that?" Ho Hun didn't understand, why Ye Chen could attack so fast like that, it made Ho Hun confused.

Ye Chen hadn't even used the Dao Sword ability yet, this speed was purely Ye Chen's speed.

"slash" Ye Chen's attack landed, it hit Ho Hun's cheek.

Ho Hun touched his face that was hit by Ye Chen's slash, he didn't believe that Ye Chen could hurt him.

He couldn't believe what was happening now, how could he be injured by Ye Chen.

This was still an unreasonable thing for Ho Hun.

"Who exactly are you?" Ho Hun asked Ye Chen, he wanted to know who Ye Chen was.

"My name is Ye Chen, Ye Chen tell what his name is, do you want to remember the person who will beat you" said Ye Chen to Ho Hun.

"hahahahaha" Ho Hun laughed, he laughed when he heard this.

"too confident, do you think you have won, I haven't brought out my full power yet, I'm still holding back because of the barrier in this place" Ho Hun said to Ye Chen.

Ho Hun was still holding back, he was still holding back because of the barrier within the awakening forest realm.

"I found a pretty strong opponent, it seems it's time to stop holding back" Ho Hun said that he wanted to stop holding back.

Ho Hun was serious, he had begun to regard Ye Chen as a worthy opponent, so he had to use all of his strength to fight Ye Chen.

"Boom . . ." Ho Hun gave off a super strong wind aura, a super strong wind aura enveloped Ho Hun's body.

"Kyah. . . ." The wind was very strong and started to blow everything away, even Wu Ziyi's skirt started to be lifted by the strong wind.

"a very strong wind" Wu Ziyi said to Ye Chen, she saw that this was a very strong wind.

Ye Chen looked at Wu Ziyi, he saw a beautiful sight when he looked at Wu Ziyi.

"That's great" Ye Chen gave a thumbs up, he saw a beautiful scene from Wu Ziyi.

"Accept your fate" Ho Hun said to Ye Chen, he told Ye Chen to accept his fate right now.

"So noisy" Ye Chen said to Ho Hun, this person was so noisy and disturbed Ye Chen

His face twitched several times, he was obviously angry at what Ye Chen said.

"Damn it, I will kill you" Ho Hun said to Ye Chen.

Ho Hun had already reached his limit, in this life, he had never felt this kind of humiliation, one could say that this was the first time he had felt this kind of humiliation, it made Ho Hun feel very irritated.

Ho Hun attacked Ye Chen, he picked up a spear and threw it towards Ye Chen.

A spear of wind was thrown towards Ye Chen, It looked very powerful, it could be seen that Ho Hun was no longer willing to hold back when fighting Ye Chen, he used all of his abilities against Ye Chen.

Ye Chen stretched out his hand, he caught Ho Hun's attack.

Ye Chen slightly backed off when he caught Ho Hun's spear, he threw it with quite a force.

"huh?, he caught it" Ho Hun glared at Ye Chen, what Ye Chen was doing was clearly impossible to do.

"I return this to you" Ye Chen threw back the spear towards Ho Hun.

He used his full strength and added the power of the wind.

Ho Hun saw his spear coming, instead of catching it, he just dodged it.

Ho Hun knew that he would not be able to withstand it, he was a fighter, he knew that it was impossible to withstand the attack just now, otherwise he would be injured.

"why are you avoiding it instead, you missed it" Ye Chen said to Ho Hun.

Chapter 2575 Golden Super Land S ?

"he still keeps his strength" Ho Hun saw that Ye Chen still had the strength to fight back.

1

"This can't be tolerated" Ho Hun couldn't allow this, he had to start putting up a proper fight.

"I will use full strength" Ho Hun decided to use full strength, he mustered strength and started to create a large wind spear which was covered by a wind spiral.

"Spiral Wind Spear" Ho Hun's threw it towards Ye Chen, he used all of his strength to use this technique.

"Ye Chen, you better dodge, it's strong" Wu Ziyi said to Ye Chen, Ho Hun's strength was terrifying, they wouldn't be able to win if they fought back.

"Eagle Cloud Turner Claw" Ye Chen's used Eagle Cloud Turner Claw, he used a wind attack to go against the wind.

"die" Ho Hun said to Ye Chen, he will kill Ye Chen until there is nothing left.

The two met, the attacks they had met and clashed.

"Boom. . ." an explosion occurred, an explosion occurred and made a huge impact.

This impact is extremely wide, it can be felt thousands of miles away, even the epicenter of the explosion is huge.

"Ye Chen" Wu Ziyi was worried about Ye Chen's condition, she was quite worried about Ye Chen's safety.

Ye Chen continued advancing, he started to break through the "Why, why don't you just die" Ho Hun said to Ye Chen, he told Ye Chen to die.

attacks from Ho Hun and destroy him.

"Why, why don't you just die" Ho Hun said to Ye Chen, he told Ye Chen to die.

"that won't happen, now rest in peace" Ye Chen pierced through the attack from Ho Hun

Ho Hun's attack shattered, Eagle Cloud Turner Claw began to be used against Ho Hun's body.

"Damn it. . ." Ho Hun cursed, he cursed what Ye Chen did.

It could be said that he would not be able to dodge Ye Chen's attack, there was no chance of avoiding Ye Chen's attack.

"Woshhhhh . ." Ho Hun's body spun, it spun and hit the ground painfully, his whole body was injured and his clothes were shattered.

"damn my bones are broken" Ho Hun has a broken bone, he has a broken bone after receiving Ye Chen's attack, he is now a cripple who can't offer any resistance.

"Finally, it is time to find out what happened" Ye Chen said to Ho Hun.

Ye Chen found out what happened, he immediately used his strength to find out by force.

"No. . . ., I won't let you" Ho Hun wouldn't let Ye Chen, he wanted to try to stop Ye Chen.

Ye Chen didn't let him, he froze him and made him unable to do anything.

"Shut up, I will search everything" Ye Chen said that he would search everything properly.

Ye Chen searched, he found an interesting thing, these people were employed by someone from one of the Sects, it was a Sect called Golden Super Land Sect.

"Golden Super Land Sect?, I've never heard of it." Ye Chen never heard of Golden Super Land Sect, it's possible that Ye Chen's knowledge is still quite shallow.

"I don't know either" Chu Yuechan didn't know about this matter either, she didn't know what Golden Super Land Sect.

"I thought the Evil Mountain Sect was the mastermind, I didn't think that this was the work of other Sects, what was their real goal?" Ye Chen may be able to understand that if this was the work of the Evil Mountain Sect, it was because one of their people was killed by Jia Li, but this is a little tricky, Ye Chen doesn't know the purpose of this person.

And it seems they don't know about this problem either, they don't know anything about this problem.

these people only received assignments, they knew nothing about the motives of those who ordered them.

"I already know who is the mastermind, I will leave this matter to Sect" Ye Chen decided to leave this matter to Sect, it is troublesome to interfere.

Since the opponent is a large-class Sect like them, then let the Sect settle this matter.

"there are still two more, I have to stop them, there will be many victims here" Ye Chen must stop them, there will be many victims in this incident.

Ye Chen might be strong and would have no problem fighting them, the thing was that the participants in this place weren't as strong as Ye Chen, they should have been killed easily by Ho lun and Ho Jun.

"Ziyi..." Ye Chen said to Wu Ziyi.

"Yes. . ." Wu Ziyi came out of the hole, she made a hole to protect against the attack just now.

"we are going to help the people, this is a weapon for you, I made it specifically for you" Ye Chen said to Wu Ziyi.

Ye Chen made a rapier weapon, according to Ye Chen it was suitable compared to Wu Ziyi's fighting style.

"What is this?" Wu Ziyi asked Ye Chen, she didn't know what sword Ye Chen made.

this was her first time seeing, so it wouldn't be strange for Wu Ziyi to ask Ye Chen.

"I want to try it" Wu Ziyi said to Ye Chen, she told him that she wanted to try it.

"You can do it" Ye Chen told her that she could give it a try, he wouldn't mind if Wu Ziyi wanted to give it a try.

Wu Ziyi was very happy, she was quite happy when she tried the weapon that Ye Chen gave her.

"puncture. . ." Wu Ziyi attacked a few times, she could use them easily.

"this is very light" Wu Ziyi said to Ye Chen, she told Ye Chen that this felt very light.

"I have done a little match for you" Ye Chen said to Wu Ziyi, he told that he had done some match for Wu Ziyi.

"This is very good, I really like this." Wu Ziyi liked, she really liked what Ye Chen gave her.

"let's go, we still have two more people to catch" Ye Chen said to Wu Ziyi, he told Wu Ziyi that they still had two more people to catch.

"understood" Wu Ziyi understood, the two of them immediately went to find Ho lun and Ho Jun.

the two of them immediately rushed to the enemy's place, the two of them immediately went and looked for the enemy.

To lun and Ho Jun was doing mass murder, both of them were doing it with such ease, they seemed to be having fun and didn't care about what was around them.

"What a terrible sight." Wu Ziyi said to Ye Chen, Wu Ziyi could see that the scene before her eyes was very terrible, she didn't dare to look at what was in front of her eyes, it was very terrible for Wu Ziyi.

There were so many people who became victims, these two did not hold back at all and destroyed everything in front of them.

Ye Chen couldn't see what was happening, he couldn't possibly see what was happening right before his eyes.

He had to stop what was happening right now, it was horrible to look at.

"Ziyi please help me" Ye Chen said to Wu Ziyi.

"But I'm not that strong" Wu Ziyi said to Ye Chen, she told him that she wasn't that strong.

"we are a group, even if the strength you have is small, you can still help me" Ye Chen said to Wu Ziyi.

Wu Ziyi was moved by Ye Chen's words, Ye Chen said to be honest, she can't stop at this place.

"I will do it" Wu Ziyi said to Ye Chen, she told that she would do it herself.

thank you for your support, don't forget to share and vote, enjoy your day

Chapter 2576 What A Fool, Wanting To Be A Hero

The female and male students from the Harmony Faction started to flee, they all fled knowing that they would not be able to win.

They are the range type, they attack from a distance, they keep their distance and ensure that the enemy will not be able to get close to them.

what they do will not be of any use, for Ho lun and Ho Jun, they are just ants that can be defeated very easily.

They wouldn't be able to fight back due to the world's difference, it left them hopeless and unable to put up a proper fight.

"kyahhhh. . ." They were desperate, they needed help to save them, they hoped that the elders in the Sect would become aware of what happened, otherwise they would all be buried in this place.

"clang . . ." Ye Chen came, he started fighting Ho lun and Ho Jun.

Ho lun and Ho Jun was made to retreat by Ye Chen's attack, both of them were caught off guard by Ye Chen's attack.

"what happened" Ho Jun wanted to know what happened here, who it was, who could make them retreat, it was a very difficult thing for both of them.

"He is only a mere eighth realm immortal rebirth Realm " Ho lun said to Ho Jun.

"Then he's not a threat" after knowing Ye Chen's level, Ho Jun started to relax, that means Ye Chen is not a threat.

They were disappointed when they saw that Ye Chen was at the eighth level of the immortal rebirth realm, even those at the tenth level of the immortal rebirth realm couldn't do anything about it.

Ye Chen also wouldn't be able to do anything, for them he wouldn't be able to beat Ho lun and Ho Jun either.

"I thought who, it turns out you are just a weak person" Ho lun said to Ye Chen.

Ye Chen was silent when he listened to what Ho lun said, he was not angry with what Ho lun said.

"Quickly leave from there" several women advised women to leave, they advised Ye Chen to leave this place, all of them couldn't stand it when they saw Ye Chen fighting Ho Jun and Ho lun.

"we will defeat both of you" Ye Chen said that he and Wu Ziyi would defeat both of them.

"Hahahaha" Ho lun and Ho Jun laughed when they heard what Ye Chen said, they laughed when they listened to Ye Chen's words.

For both of them, the words that be spoken by Ye Chen like a joke, it made Ho lun and Ho Jun laugh.

"what a fool, wanting to be a hero" Ho lun and Ho Jun said to Ye Chen.

"Forget the dream, you won't be able to beat us" Ho lun said to Ye Chen, he told Ye Chen that he won't have a chance to win, from the start they didn't have a chance to win against Ho lun and Ho Jun.

"what kind of fool is that, it's so stupid" there were many men who said and mocked Ye Chen, they were already seriously injured the name ridiculed Ye Chen.

"they are annoying, maybe we don't need to help" Wu Ziyi said to Ye Chen, Wu Ziyi was irritated when she saw their words.

"don't take it to heart" Ye Chen said to Wu Ziyi, he told not to take their words to heart.

"but" Wu Ziyi said to Ye Chen, she was still not happy when she saw what they said about Ye Chen, she was not happy when they mocked Ye Chen.

"forget about them, focus on the battle, this will be a good lesson for you" Ye Chen said to Wu Ziyi, he told that this would be a good lesson for Wu Ziyi.

"Um" Wu Ziyi listened to what Ye Chen said, she listened carefully to what Ye Chen said.

Ye Chen said right, it was useless for her to listen to them, it wouldn't change anything.

"let's get this over with quickly" Ho lun and Ho Jun will solve it quickly.

the two decide to finish Wu Ziyi and Ye Chen quickly.

"die" Ho lun and Ho Jun attack, they use attack Ho lun uses fire attack, meanwhile Ho Jun uses Ice.

Both of them attacked Ye Chen and Wu Ziyi simultaneously, they blocked Ye Chen's path of escape.

"Ziyi, you use your sword to defeat them, it should be able to injure them" Ye Chen said to Wu Ziyi.

Wu Ziyi nodded lightly, she knew what to do, she only needed to do what Ye Chen said, she believed what Ye Chen said.

Ye Chen took a deep breath, this was the time to fight against the two of them.

"disappear. ." Ye Chen deflected the attacks from Ho lun and Ho Jun, he negated both of their attacks.

"Huh?" Ho lun and Ho Jun looked confused by what had just happened, their attacks suddenly disappeared when they were about to hit Ye Chen.

"what just happened, did you do something" Ho lun said to Ho Jun.

"no way, I didn't do something" Ho Jun said that he didn't do something.

"then why did that happen" Both of them blamed each other, they blamed each other for failing to attack Ye Chen.

"now" Ye Chen said to Wu Ziyi, she should be able to make good use of the opportunity at hand.

While Ho lun and Ho Jun were arguing over what had just happened, Wu Ziyi took an opportunity to attack the two of them.

Wu Ziyi launched an attack, she launched an attack towards Ho lun and Ho Jun.

Ho lun and Ho Jun was still arguing about what had just happened, they were not even aware of Wu Ziyi's arrival.

They underestimated Wu Ziyi too much, they are and Ye Chen, the two of them did not regard Ye Chen and Wu Ziyi as a threat, so it would not be strange for them to casually ignore Ye Chen and Wu Ziyi.

"stab" Wu Ziyi stabbed Ho lun, she made Hu lun feel the power of the sword made by Ye Chen.

"uhhhhh . . ." Ho lun was surprised when he injured by an attack launched by Wu Ziyi.

"Uh. This can't be happening." He didn't believe that he could be harmed by Wu Ziyi.

"Hey, what happened to you, how did you get hurt by the little girl's attack" Ho Jun said to Ho lun.

"That sword, that's a very strong sword" Ho lun said to Ho Jun.

Ho lun realized that the sword used by Wu Ziyi had injured him, if not for that, there was no way he would have been injured by Wu Ziyi.

"I did it" Wu Ziyi said to Ye Chen, she just made a wound on Ho lun's body.

"You are amazing" Ye Chen said to Wu Ziyi, Ye Chen gave a compliment to Wu Ziyi.

Wu Ziyi was overjoyed, she was happy when she received praise from Ye Chen, she became confident in her own abilities.

Wu Ziyi went ahead, she immediately used the power of fire and started fighting seriously.

Wu Ziyi coated the sword given by Ye Chen, she gave a coating to sword above, a profound flame enveloped the sword in Wu Ziyi's hand.

"very good spirits, let's get started" Ye Chen said to Wu Ziyi.

Both of them started fighting, both of them showed what skills they have, they started fighting and helping each other.

The people were speechless when they saw what happened, they were all shocked when they saw Ye Chen and Wu Ziyi being able to corner the opponent.

Chapter 2577 Vs Ho Jun And Ho lun

"the two of them did it, how did they do it" they all looked with faces full of surprise, they were completely shocked by what was happening in front of their eyes.

Originally they thought that Ye Chen and Wu Ziyi would be defeated very quickly, unexpectedly that the two of them were able to put up such an overwhelming resistance to the enemy.

"They are both truly extraordinary, Everyone was shocked, they were all shocked when they saw the battle that was going on." Ye Chen and Wu Ziyi put up an overwhelming resistance.

"who are the two of them" Ho lun didn't know what happened, the two of them had just been cornered by Ye Chen and Wu Ziyi, this was something neither of them would have been able to anticipate.

"something is not right here" Ho Jun felt that something was wrong in this place, he could feel something was wrong in this place, there was something strange with Ye Chen and Wu Ziyi.

"Their abilities and powers are very strange, I don't know what they did to do something like that" Ho lun didn't know what Ye Chen was doing, Ye Chen had managed to get the two of them into serious trouble.

Ye Chen cornered them, he didn't give the two of them a chance.

Both of them ran into a problem, they ran into a serious problem when facing Ye Chen's pressure.

"It can't be like this, I won't let you win" Ho Jun was angry, he exerted all his strength, a strong pressure was immediately felt by everyone, this scared the people around to death.

"uh . . ." Wu Ziyi couldn't withstand Ho Jun's pressure, she couldn't withstand Ho Jun's intense pressure.

Here Ye Chen was alone, he was the only person who stood up and defended against the pressure.

"Make me angry, you will feel the death" Ho Jun said to Ye Chen, he will make Ye Chen feel the death for daring to find trouble with him.

Ye Chen looked at Ho Jun, he seemed to be serious about destroying Ye Chen by using his ice power.

Ye Chen moved swiftly, he dodged the incoming attacks swiftly and safely.

"huh?" again Ye Chen surprised Ho Jun, he managed to dodge the attack perfectly.

"he, again, Ho Jun could only bite his lips, "again he was toyed with by Ye Chen.

"It's so annoying" Ho Jun just got more annoyed, he became more and more annoyed with Ye Chen, Ye Chen seemed to be playing with himself.

"take this" Ho Jun took advantage of the opportunity given by Ho Jun, he launched a sneak attack towards Ye Chen.

A sneak attack headed towards Ye Chen from the rear.

Ye Chen saw the arrival of Ho Jun's attack, he could clearly feel the attack coming from Ho Jun.

Ye Chen switched his position, he used a bit of dimensional power to switch his place with Ho Jun.

"Huh?" Ho Jun was shocked when he saw what had just happened, he couldn't believe what had just happened, Ye Chen reversed their positions, now Ho Jun was the prey for Ye Chen.

"take this" Ye Chen said to Ho Jun, he launched an attack on Ho Jun's back.

"Cracks . . ." Ho lun's back cracked, the attack was enough to shatter Ho lun's bones.

"brother . . ." Ho Jun immediately called Ho lun's name, he was worried about what had just happened.

"damn, he broke my bones" Ho lun said that Ye Chen had broken his bones.

"What ! ! !" Ho Jun was surprised to hear what Ye Chen did, even everyone here was surprised when they saw Ye Chen being able to injure the opponent, this was a rather surprising thing for all of them.

"You have to fight it seriously, I'm afraid that I won't be able to help you" he said to Ho Jun

Ho lun probably wouldn't be able to fight anymore, that's why he ordered Ho Jun to use all his strength to fight Ye Chen.

"of course I will do it, I will avenge you" he said to Ho lun, he told that he would take revenge on Ye Chen.

Ho Jun looked towards Ye Chen, this time he had to do it, he had to fight back using his full strength.

"I will do it, I will make sure that I will win this battle" Ho Jun will do it, he will show the strength that he has, he will show the full strength that he has to Ye Chen.

"Ice mountain field" he made a huge mountain, a huge mountain appeared in front of Ye Chen.

"bad" Ye Chen had to do something about this matter, he had to move everyone around.

"Ziyi, help me" Ye Chen said to Wu Ziyi, he asked Wu Ziyi to help himself, he wanted to help move everyone around this place.

"understood" Wu Ziyi understood, she helped Ye Chen to move everyone from this place.

Ye Chen used his strength, he blew everyone away.

Ye Chen didn't have time, he didn't have time to move them one by one, so he moved them all together.

"Destroyed" Ho Jun said to Ye Chen, he asked Ye Chen to be destroyed right now.

Ho Jun used all the power he had, he confined Ye Chen with his ice power, Ye Chen wouldn't be able to move for a while.

Ye Chen looked around, he had actually been caged into an enormous mountain.

"now what shall I do" Ye Chen looked around, he would not be able to leave this place.

The temperature was starting to drop, normally people would start to freeze inside this place.

It was fortunate that Ye Chen had 100% immunity in ice and water, so there was no problem for Ye Chen, he had no problem in this regard.

"Isn't it cold, you will soon freeze in this place" Ho Jun said to Ye Chen, he told Ye Chen that he would soon freeze in this place.

"Not really, I don't feel cold in this place" Ye Chen said to Ho Jun, he told that he didn't feel cold.

"what a fool, it will start soon" Ho Jun said to Ye Chen, he told him that it will start soon.

It would start immediately, Ye Chen's body would start to freeze, in a short moment, he would freeze into a statue.

"then let's wait" Ye Chen said to Ho Jun, he will wait.

"stupid" Ho Jun started to insult Ye Chen, he insulted Ye Chen who was too stupid.

Both of them were silent, they both waited for the result to happen.

Ye Chen said nothing, he didn't feel anything, the temperature in this place would not be able to hurt Ye Chen.

Quickly 5 minutes passed, Ye Chen was still standing and didn't look like he was having a hard time.

Ho Jun's face started to darken, he started to darken when he saw Ye Chen was able to survive against the cold temperature in this place

"This can't be happening, nothing is happening, is there something wrong with me" Ho Jun started questioning himself, he started questioning whether he was doing it right.

"It's been 5 minutes and nothing happened" Ye Chen said to Ho Jun, he told that nothing happened.

Chapter 2578 The Battle Against Hu Jun

Ho Jun was silent in place, his brain was still not finished processing what was happening before his eyes, what happened clearly made Ho Jun feel confused.

"Bastard, why don't you freeze to death" Ho Jun said to Ye Chen, he told Ye Chen to freeze and die.

"Who are you, how dare you ask me to do that" Ye Chen said to Ho Jun, he told him that he would not freeze.

Ho Jun failed, he again failed to make Ye Chen fall, he still couldn't kill Ye Chen, Ye Chen was too domineering and could not be killed.

"Enough messing around" Ye Chen said to Ho Jun, he told me that messing around was enough to play around.

"Do you think that I am messing with you" Ho Jun said to Ye Chen.

"You seem to be playing with me, am I wrong ?" Ye Chen said to Ho Jun.

Ye Chen was telling the truth, he seemed to be toying with Ho Jun.

Ho Jun's face became very dark, he made a dark face when he heard what Ye Chen said.

Ye Chen started to move, he used the celestial sword motion art first move, he used a first move, a powerful first move used by Ye Chen.

Ho Jun became wary of what was happening, he tried to avoid Ye Chen's attack.

Ye Chen's attack was extremely fast, it easily locked onto Ho Jun's body.

"No way, how come it's so fast" Ho Jun didn't understand, how could Ye Chen's attack be that fast, he couldn't believe Ye Chen's speed was such an extraordinary speed.

"slash" Ye Chen's landed an attack, he slashed Ho Jun's body with a swift and almost imperceptible slash.

By using light and complicated steps, Ye Chen managed to overwhelm Ho Jun by using his strength.

"Gahh . ." blood spurted from Ho Jun's body, fresh blood spurted and soaked all of his clothes.

Ho Jun was sweating, he had trouble fighting Ye Chen.

"final strike" Ye Chen launched a final attack, he aimed for Ho Jun's body with light movements and full of strength.

"Gahhh . ." Ho Jun's body fell, he was hit by Ye Chen's heavy attack, he could no longer stand up.

"done" Ye Chen finished the battle, he became the victor in this battle.

"That's amazing" everyone praised Ye Chen, they praised Ye Chen who was able to win the battle well.

Wu Ziyi was overjoyed, they won the battle, they showed everyone that they were worthy and became the strongest in the group.

Ye Chen bound and crippled Ho Hun, Ho lun and Ho Jun, the three of them were crippled and would be handed over to Sect.

The people had started to return, they had all forgotten their purpose, they had all run into trouble, they all had to really see the unpleasant thing where their Sect members and friends were killed.

It makes their mods go down, they no longer want to continue and have to come back.

The organizers came, they finally realized that something was wrong in this place, when they found out more than half of the participants had already been eliminated and it would be bad news for the Sect, they would probably get a punishment for being negligent in carrying out their duties.

"I heard that something bad happened in this place, actually what happened in this place" Chen Ting came, she came and found out what happened in this place.

The head of the harmony faction, it seems that someone broke through, they seem to have been sent by someone to stir up trouble, I heard from someone that they were sent by people from the Golden Super Land Sect.

"Golden Super Land Sect?, who said such things to you?" Chen Ting asked, she wanted to know who said such things.

"A man, perhaps he is from the Equipment Faction, from the clothes and Sect badge he wears" he told Chen Ting.

"A handsome man?" Chen Ting said, she started to think who it was.

"yes"

"This must be him" Chen Ting was sure that this must be Ye Chen, she was very sure that this was Ye Chen.

"where is he now ?" Chen Ting asked, she wanted to know where Ye Chen is now.

"I don't know, he just left with a woman, it seems they are still going to continue the treasure hunt" the committee said to Chen Ting.

"Then send them to prison, let the legal department handle this matter" Chen Ting gave an order, she ordered them to be brought to the magistrate in Sect.

"understood" They all understood immediately, they immediately did what Chen Ting said, they would do as Chen Ting said and ensure that everything went well.

Chen Ting would deal with the matter with Golden Super Land Sect, she wanted to know straight from the source, she wanted to know where Ye Chen was right now.

Chen Ting decided to look for Ye Chen, she decided to look for Ye Chen and Wu Ziyi.

Ye Chen and Wu Ziyi came forward, they were still in this place and hunting for treasures.

Ye Chen didn't really care about what happened, his goal was to get good items, it would be a problem if he came and didn't find anything good around this place.

"Ye Chen, is this okay?" Wu Ziyi asked Ye Chen, she wanted to know if this was okay.

"of course, it's fine, there's no stopping us, so we can continue" Ye Chen said to Wu Ziyi.

Ye Chen told Wu Ziyi not to worry about what happened, everything would be fine, Ye Chen would deal with all the problems at hand.

"master over there is a golden spiritual root" Chu Yuechan said to Ye Chen, she told him there was a good thing over there.

"I will go there directly" Ye Chen went straight, he would get a golden spiritual root.

Wu Ziyi was still worried about this matter, she was still uneasy, what if they were discovered, it would definitely be a problem for all of them.

Ye Chen dug in, he picked up a spiritual grassroot.

"Ziyi, come here, see what I got" Ye Chen said to Wu Ziyi, he told that he got something good.

"I'm coming. . ." Wu Ziyi came, she was curious about what Ye Chen just got, she wanted to see what Ye Chen got.

"This" Wu Ziyi was excited, she was excited when she saw what Ye Chen found.

Ye Chen found a golden spiritual root, an item useful for making cultivation speed boosting pills.

"We are really very lucky" Wu Ziyi said to Ye Chen, she told them that they were very lucky, they got something very good.

"That's right, we are indeed very lucky" Ye Chen agreed with what Wu Ziyi said.

Ye Chen hurriedly stored the golden spiritual root, Ye Chen would share it with Wu Ziyi when all was done.

"what are you two doing in this place" Chen Ting finally found Ye Chen and Wu Ziyi.

"ahhhh . ." Wu Ziyi looked panicked when she saw Chen Ting arrive, it looked like they were going to be furious.

They had gone too far, perhaps they would be punished by Sect.

"Just for a walk" Ye Chen said to Chen Ting, he told her that he was taking a walk around this place.

"Weren't you guys told to go back" Chen Ting said to Ye Chen.

Chapter 2579 Seduced Chen Ting

"Is there such an order, I never knew there was such an order" Ye Chen said to Chen Ting, he said that he had never heard of such an order.

"Of course there is" Chen Ting said to Ye Chen, she told Ye Chen that there was such an order.

"We really don't know about it" Ye Chen said that he didn't know about it.

"You are . ." Ye Chen made an ignorant face, he was quite good at tricking Chen Tin.

Chen Ting knows that, it's a pity that he can't do something about this matter, he can't really do something to Ye Chen, that's because Ye Chen is not wrong.

Wu Ziyi panicked when she saw what was happening, to be honest she really felt that the situation was getting worse than now, what would Wu Ziyi do if the situation got worse, could she stop Chen Ting, obviously that wouldn't happen , they will probably get a punishment from Chen Ting.

"I came to ask you something" Chen Ting changed the subject, she wanted to ask and confirm something from Ye Chen.

"what do you need from me, I don't have much for you" Ye Chen said to Chen Ting, he told that he didn't have enough things.

"It seems you are trying to be modest in front of me" Chen Ting said to Ye Chen, she saw that Ye Chen was modest in front of her.

"No, how could I do it" Ye Chen would not be modest, he simply did not have what Chen Ting needed.

"Have you thought about the offer I made to you?" Chen Ting said to Ye Chen, she wanted to know Ye Chen's answer.

"an offer?" Ye Chen asked Chen Ting, Ye Chen wanted to know what Chen Ting meant.

"it's about that time" Chen Ting said to Ye Chen, she talked about that time.

Her face was slightly reddened and she looked shy when she said to Ye Chen, it was obvious that she was shy when it came to this matter.

"oh . ." Ye Chen finally remembered what happened, he knew what Chen Ting meant.

"This woman doesn't want to give up" Chu Yuechan said to Ye Chen.

"then it's time to tease her " Ye Chen decided to tease her a little, she wanted to tease Chen Ting even more daringly.

"Master you are very naughty" Chu Yuechan said to Ye Chen, she told Ye Chen that Ye Chen was very naughty.

"hehehehe , no problem" Ye Chen said to Chu Yuechan, he would enjoy this.

Ye Chen drew closer he was now standing in front of Chen Ting.

"how should I say it, maybe it's a little difficult, but are you sure about it" Ye Chen said to Chen Ting, he asked if Chen Ting believed what he said.

Ye Chen asked seriously, he asked seriously and wanted an answer from Chen Ting.

"Of course, I mean what I say." Chen Ting said that she meant what she said.

"then let's see if you are serious" Ye Chen hugged Chen Ting's small and petite body.

"Ehhhh . . ." Chen Ting was shocked when she knew what Chen did, she was completely helpless by what Ye Chen did.

"what are you doing ?" Chen Ting said to Ye Chen, she wanted to know what Ye Chen was doing.

"don't you like it" Ye Chen asked Chen Ting.

"I . . ." Chen Ting changed, in front of Ye Chen she was like a helpless little woman, Ye Chen bullied the goddess Chen Ting who was a woman of the harmony faction, I wonder what their reaction would be when they knew this.

Ye Chen didn't really care about this matter, his goal was to seduce and make Chen Ting feel the power of his own.

Ye Chen took advantage of this opportunity to obtain Yin Pure Qi of Chen Ting, Yin This woman's Qi was the same as Jia Li's and Xuan Mei's, it was pure and exceedingly rich.

Absorb Yin Their Qi gave Ye Chen an advantage.

"Ouch, why are you being aggressive like that" Chen Ting said to Ye Chen, Chen Ting couldn't survive if Ye Chen became like that, to be honest it made Chen Ting have a hard time.

"I am like this, will you change your mind after knowing this?" Ye Chen said to Chen Ting.

Ye Chen wondered if Chen Ting would change her mind when she found out that he was this kind of man.

"No, I won't change my mind" Chen Ting said to Ye Chen, she said that he would not change her mind even if Ye Chen was like this.

Chen Ting still didn't want to give up, she still didn't want to give up and wanted to get Ye Chen.

"You don't worry, I will take good care of you" Chen Ting said to Ye Chen, she was like a gentle older sister.

Ye Chen is troubled, Chen Ting doesn't want to go, it becomes a problem for Ye Chen.

Chen Ting leaned her body towards Ye Chen, she started to get closer to Ye Chen.

This is Chen Ting's wish, she wants to be more and more close to Ye Chen, the feeling of being close to Ye Chen is really very comfortable for Chen Ting.

Ye Chen enjoyed the soft feeling that Chen Ting gave him, it was very comfortable, Chen Ting's skin very gentle and excited Ye Chen.

The two are getting closer, the distance between the two is also getting narrower, sooner or later they will do something, it must be a kiss, Chen Ting wants to aim for a kiss from Ye Chen.

"Not stopping there" When the situation got worse, Wu Ziyi stopped the two of them, she made the two of them stop here right now.

Ye Chen and Chen Ting looked at Wu Ziyi, they almost forgot about Wu Ziyi, they almost forgot because Wu Ziyi was silent.

"Ahh . . .,sorry I got carried away" Chen Ting said to Ye Chen, she moved away from Ye Chen.

Chen Ting recovered her appearance, she became a gentle feminine woman.

"let's be a little serious, don't tease me anymore" Chen Ting said to Ye Chen, she told Ye Chen to be more serious.

"Okay I understand, so what do you want to ask me ?" Ye Chen asked Chen Ting, he wanted to know what Chen Ting wanted to ask.

"This is about Golden Super Land Sect , are you serious about the information you have provided?" Chen Ting asked Ye Chen, she needed Ye Chen's answer to this matter.

"Of course, I'm telling the truth" Ye Chen said to Chen Ting, he told that everything that happened was because of the Golden Super Land Sect .

"If what you said is true, then we won't be able to let this matter go." Chen Ting said to Ye Chen, she told that they won't be able to ignore this matter, this is a serious matter in the Sect, and the numbers in this battle are extremely terrifying, naturally it made Chen Ting feel angry.

"I don't know their purpose, I only know that they were sent by Golden Super Land Sect " Ye Chen didn't know their purpose, he didn't know their purpose for doing that.

"To be honest Sect had some fights with Golden Super Land Sect , that's probably what prompted them to do it" Chen Ting said to Ye Chen.

The two Sects have enmity, it's not strange that they often fight and there are casualties.

Chapter 2580 A Coupon From Chen Ting

"You already know what the problem is, you should be able to solve this yourself" Ye Chen said to Chen Ting, he told Chen Ting to solve everything.

Ye Chen didn't want to get involved in this matter, he himself refused to interfere in the existing internal affairs of the Sect.

"I will talk to all the elders and faction leaders, this is a big deal" Chen Ting said to Ye Chen.

"what should I do" Chen Ting thought for a while, herself thought for a while.

This problem is huge, it will become a problem in the future, plus there will be competition between the existing Sects in the near future, it should be a problem for them.

The situation was about to heat up, Chen Ting was certain that the competition would be even hotter than before.

"what are you thinking" Ye Chen asked Chen Ting, he wanted to know what Chen Ting was thinking.

Chen Ting said nothing, it made Ye Chen a little worried about her.

"It's okay, I just thought of something" Chen Ting said to Ye Chen, she told him that she thought of something.

"You guys should go back soon, this place isn't safe for you" Chen Ting said to Ye Chen and Wu Ziyi.

"of course, we will do it" Ye Chen nodded, he said that he would do it.

"oh yes, before that I will give you something" Chen Ting said to Ye Chen and Wu Ziyi, she wanted to give something to Ye Chen and Wu Ziyi.

"what do you want to give me ?" Ye Chen asked Chen Ting.

"here it is" Chen Ting took out something, she took out a coupon to Ye Chen and Wu Ziyi.

Ye Chen and Wu Ziyi drew closer, they were curious about what Chen Ting had given them.

"What's this?" Wu Ziyi asked Chen Ting, she wanted to know what Chen Ting gave them.

"This is a coupon for the baths, it is very good for cultivation there" Chen Ting said to Ye Chen and Wu Ziyi.

"bath coupon" Ye Chen was not too sure when he heard what Chen Ting said, he was not too sure about what Chen Ting said about this.

"oh, I know this, senior once told me about this, I heard that it is a very expensive place" Wu Ziyi said.

Wu Ziyi seems to know this place, she seems to know the bathing place that Chen Ting said.

"It's very expensive, you guys have to put it to good use" Chen Ting said to Ye Chen and Wu Ziyi.

"thank you very much" Wu Ziyi accepted happily, she couldn't wait to try it.

Ye Chen himself also asked for it, he didn't know whether he should go or not.

"fine I'll go and finish things, come back quickly" Chen Ting said to Ye Chen.

Chen Ting left she left this place and immediately returned to Sect.

"This is so great, I've never been to a place like this." Wu Ziyi was excited, she was so excited when she found out about it.

"are you going ?" Ye Chen asked Wu Ziyi.

"You won't go" Wu Ziyi asked Ye Chen, she made a sad face when she heard this.

"I. . . ." Ye Chen looked at Wu Ziyi, it seemed that Wu Ziyi was sad when she saw that he was not coming.

"I'll think about it" Ye Chen said to Wu Ziyi, he told her that he would think about it.
