

True God 2591

Chapter 2591 Yo Pimwu

"Five people left, they seem to be the strongest in the group" Ye Chen told Shi Lin.

"I will prepare the best I can to fight them all" Shi Lin announced that she would fight them all using her full strength.

Shi Lin readied the black rose sword, she prepared for the worst that could happen before their eyes.

Ye Chen saw that they were in the same place and were discussing something important, that made Ye Chen and Shi Lin have to sneak in and listen to what they had to say.

"what did they say?" Shi Lin asked Ye Chen, she didn't really listen to what they were saying just now.

"I'm listening" Ye Chen informed that he was trying to listen to what they were saying, he also wanted to know what they were trying to talk about from this place.

"what are your said, you failed to catch the rest of the mini dwarfs there" a man wearing a blindfold said to everyone in this place.

Everyone in this place were those who were previously defeated by Ye Chen using only pressure, to think that they would be in this place and gather to listen to the lecture of the blindfolded man.

"do you know that man ?" Ye Chen asked Shi Lin, he wanted to know the man who sat in the middle and lectured everyone.

"I think I know who he is" Shi Lin announced that she knew who they were.

"Who is it, tell me" Ye Chen asked Shi Lin.

"He is Yo Pimwu, he is a very strong fighter, I heard he is able to destroy 1000 strong troops with just one punch of his bare hand" Shi Lin spoke to Ye Chen, he told Ye Chen who they were fighting right now.

"So he has strong physical strength" Ye Chen said.

Ye Chen understood, he was beginning to understand who he would be fighting now.

"You are absolutely right, he has great physical strength" Shi Lin said to Ye Chen, she had to admit that Yo Pimwu has terrible power.

"can you fight and win" Ye Chen asked Shi Lin.

"I'm not sure about that" Shi Lin spoke to Ye Chen, she wasn't sure if she could win against the enemy.

The enemy is quite strong and it will probably be a two sided battle and the payoff is 50%-50%.

"That's not a good answer" Ye Chen said to Shi Lin, Shi Lin's answer was not good.

Shi Lin knew that if his answer wasn't good, it might disappoint Ye Chen.

"Then I will take care of that man" Ye Chen said that he would take care of Yo Pimwu.

"no, wait a minute what do you want to do?" Shi Lin said to Ye Chen, she wouldn't be able to pass this matter on to Ye Chen, it was too dangerous for Ye Chen.

"fight" Ye Chen announced that he wanted to fight.

"You are doing such an unreasonable thing" Shi Lin said to Ye Chen.

Shi Lin was sure that Ye Chen would not win, he did something crazy.

The enemy was in the same league as Shi Lin, the difference in their strength was obviously huge, so there would be no chance for Ye Chen to win in this battle, what Ye Chen was doing was impossible.

"You trust me" Ye Chen told Shi Lin, he told Shi Lin to trust Ye Chen.

Shi Lin still had doubts, she had great doubts about Ye Chen, to be honest, no one would guarantee that Ye Chen would win against Yo Pimwu.

"Let's start now" Ye Chen said to Shi Lin, he asked Shi Lin to start right now.

"Wait a minute" Shi Lin has not finished, she has not finished talking to Ye Chen, she still wants to talk to Ye Chen more.

Ye Chen didn't listen to what Shi Lin said, he immediately stepped forward.

"Boss, we're sorry, earlier we met a very strong person, he made us helpless with just the pressure he has" they apologized, they couldn't fight Ye Chen, Ye Chen was too strong for them to face.

"You guys are really useless, losing to one person, that's a shame" Yo Pimwu said with an angry tone, he was angry when he knew that they lost to one person.

"Boss, that's not an ordinary person, otherwise we won't lose" they told that Ye Chen is not an ordinary person, otherwise they might be defeated very easily.

"I don't need reasons from you, I just need results" Yo Pimwu said that he didn't need it for a reason, what he needed was the result, he wanted the best result they could do.

They all lowered their heads, they were speechless when listening to what was said by Yo Pimwu.

"Then I will go forward, I want to see the person who made you become like that" said Yo Pimwu.

Yo Pimwu wanted to fight Ye Chen, he wanted to see how strong Ye Chen was.

"You want to fight me, what a coincidence" Ye Chen appeared, he appeared at the perfect moment.

"no way, why is he here ?" they couldn't believe it when they saw Ye Chen, how could Ye Chen be in this place.

"Who is he" Yo Pimwu asked, he wanted to know who was the person in front of them right now.

"Boss, that's the one, the one who made us lose." They told that it was Ye Chen who had thwarted their plan.

"oh, so it was you, I thought who, it turned out to be just a kid" Yo Pimwu said to Ye Chen.

"Boss, don't underestimate him, he's not just anyone" they said to Yo Pimwu, they told Yo Pimwu not to underestimate Ye Chen.

"What can you do to punch me in the face" said YoPimwu.

Yo Pimwu joking with Ye Chen, he underestimated Ye Chen too much and made Ye Chen the butt of a joke.

"of course, if that's what you want" Ye Chen hit the face Yo Pimwu, he did it quickly and unnoticed by Yo Pimwu.

"Bamm . . ." Yo Pimwu face being hit by Ye Chen, he was completely unaware that he had just been hit by Ye Chen.

"What . . ." there is a red welt on the face, Ye Chen's punch made a wound for Yo Pimwu.

"what just happened ?" Yo Pimwu confused by what Ye Chen was doing, he was confused by what had just happened.

"Look at that, even you can't see his attack" They were more and more afraid of Ye Chen, all of them couldn't see the attack that Ye Chen had just launched, Ye Chen was too fast and made everyone's eyes unable to follow his movements.

"Damn it. ." Yo Pimwu enraged by what had just happened, he had just been humiliated by a punch from Ye Chen.

"how, is it good for you" Ye Chen said to Yo Pimwu, Ye Chen saw that the punch was good enough to Yo Pimwu.

"I will counter attack" Yo Pimwu told that he would respond to the attack launched by Ye Chen.

He was going to punch Ye Chen with his full strength.

"I will punch you with all my full strength, so prepare to be crushed" Yo Pimwu said to Ye Chen.

Yo Pimwu wanting to use full strength, such full strength was once enough to crush Ye Chen into pieces.

The strongest attack owned by Yo Pimwu was a blow, he was really very proud of that ability, he would not even hesitate to show off the abilities he had to his enemies.

"accept this devastating blow" Yo Pimwu shouting in a loud voice, he put all of his strength into his voice.

"Let's see how strong the punch is." Ye Chen decided to give his punch a try, see if he was able to keep up with Yo Pimwu's strength.

Ye Chen gathered his strength, he started to counterattack, a counterattack was launched by Ye Chen the same as Yo Pimwu.

The two fists began to approach each other.

"Bammmmm" finally the two punches collided and made an explosive impact which instantly destroyed the underground place.

"Boom. ." the rubble of the building immediately scattered, the impact from the impact made everything crumble.

"Ye Chen, are you okay?" Shi Lin was worried, she was worried for Ye Chen and had forgotten her own task.

Shi Lin had forgotten about her task, she was currently worried about Ye Chen's condition and safety.

"boss, you must win" meanwhile on the other side, they support Yo Pimwu, they believe that Yo Pimwu could defeat Ye Chen.

Some time later, the figures of Ye Chen and Yo Pimwu appeared, the figures of the two appeared in front of Shi Lin and everyone in this place.

They all saw Ye Chen's fist and Yo Pimwu's fist still fused together, the probability of the attack just now was a draw.

"he was able to counterbalance the attack just now" Shi Lin would of course be surprised when she knew Ye Chen could offset Yo Pimwu's attack.

Such a thing was beyond reason, something that Shi Lin would not have been able to imagine.

Yo Pimwu possessing the early Immortal Refine Soul Realm, a level equal to Shi Lin, how could Ye Chen be able to take on such a powerful opponent.

Ye Chen used all of his abilities, of course he was able to keep up with the strength of the opponent in front.

"It's a good thing that you have the good physical strength of an Azure Dragon and a Rhinoceros Tank" Chu Yuechan said to Ye Chen.

Chapter 2592 Ye Chen Vs Yo Pimwu

Ye Chen's physical strength was pure strong, it made him capable of dealing with people with an enormous difference in level, if it was someone else they would probably be crushed if they dared to receive an attack from Yo Pimwu.

Yo Pimwu's hands went numb, the attack just now was so violent, it made Yo Pimwu's hands crack.

Yo Pimwu's hand fell, all bones cracked after clashing with Ye Chen.

"Boss ? ?" they all asked Yo Pimwu .

"This is very bad" Yo Pimwu said to everyone, he felt that this would be very bad.

"What happened ?" they want to know what happened, why Yo Pimwu making a face filled with pain.

"So your hand is broken, it's disappointing isn't it" Ye Chen said on Yo Pimwu.

"What ! ! ! !" Shi Lin and everyone in this place almost fell when they heard what Ye Chen said.

They couldn't imagine that Yo Pimwu would lose in physical strength to Ye Chen.

"this is not over yet" Yo Pimwu said to Ye Chen.

"You still have a left hand, that's great, then I'll destroy it too." Ye Chen announced that he would destroy it too.

Yo Pimwu started to break out in cold sweat when he listened to what Ye Chen said, he had trouble listening to what Ye Chen said.

All the confidence from Yo Pimwu was gone, he started to feel scared when he faced Ye Chen.

"what's wrong, let's fight me" Ye Chen said to Yo Pimwu, he told Yo Pimwu to fight him.

"Maybe I should probably back off?" Yo Pimwu had the thought of retreating, he probably didn't have a high chance of being able to win in battle.

Yo Pimwu's right arm was no longer usable, right now he only had a left hand with about 75% of the full strength of his right arm.

If he forced a fight like before, the results probably wouldn't be good.

"I still have a chance to win" Yo Pimwu felt that he still had a chance to win the battle with Ye Chen.

Yo Pimwu took something, he took out an iron arm and started to install it on the broken hand.

"Is that the weapon he has" Ye Chen saw that Yo Pimwu took his weapon, he would probably be serious about facing Ye Chen with an iron fist weapon that looked strong and thick.

After using after the iron arms, Yo Pimwu's hands could be used again.

"did it fix his arm" Ye Chen estimated what Yo Pimwu did.

He wanted to know what the arm just now could do.

Yo Pimwu used that arm as a support, in fact Yo Pimwu's arm was still injured and fractured, it had not healed at all.

"So it's not cured, it's just a weapon to make him fight again" Ye Chen realized what Yo Pimwu had done.

It seemed that Yo Pimwu's hand was still broken, there was no way to repair it quickly, he needed time to repair his own hand.

"see, I can still fight" Yo Pimwu said to Ye Chen.

Yo Pimwu was quite arrogant, he showed his own arrogance in front of Ye Chen.

"Boss, you are great" they started to give praise to Yo Pimwu, they all felt that Yo Pimwu was really great for being able to revive after losing to Ye Chen.

Yo Pimwu smiled, he regained the trust of his subordinates.

"You guys, come fight me," Shi Lin said to the rest of the troops in front of her.

Shi Lin saw that Ye Chen could handle Yo Pimwu, so there was no reason for her to worry anymore.

"Oh my, he surprised me" Shi Lin was still shocked, she couldn't hide her surprise when she saw Ye Chen and Yo Pimwu battle results.

A mind-boggling result, it made Shi Lin completely shocked by what Ye Chen did.

"a beautiful woman, very lucky, we will enjoy it first, once we get bored we can sell it at a high price" they were attracted to Shi Lin, a beautiful woman with a well-developed body and a beautiful face, it is a dream for men .

Shi Lin was very annoyed when she heard what they were planning.

"I will defeat you all, you all better be prepared, I will not be gentle with you." Shi Lin told that she would not be gentle with the enemy, she would fight them all a little more ruthlessly.

"let's finish this" they started to fight, they ganged up on Shi Lin alone.

Shi Lin wielded the black rose sword and sparks started flying and explosions started to occur all around.

A fierce battle ensued, both sides began to destroy and attack each other.

Shi Lin and them didn't hold back, they attacked swiftly and aggressively.

"I will take them all down quickly" Shi Lin decided to take them down quickly, she used her full speed in attacking them.

The weapon in Shi Lin's hand moved swiftly, it was light and made several large and numerous slashes of fire.

"Unlucky . . ., why is she so strong" they complained when they saw Shi Lin was able to put up such a fierce resistance.

"we can't win, we have to use dirty ways to win" they will use dirty and dirty ways.

Shi Lin had to be even more careful, the opponent was really bad, they would use dirty means to deal with Shi Lin.

They took out a few items, it was obvious that these were items that Shi Lin would get into trouble with.

"throw and paralyze her" they threw needles, there were many needles thrown towards Shi Lin.

"clang . . ." Shi Lin hastily used her sword to parry all the attacks, she did this very quickly.

"Don't miss it" Shi Lin couldn't miss any incoming attacks, it would be a dangerous thing to miss any incoming attacks.

"keep at it, don't give her a chance" they couldn't give Shi Lin a chance.

They continued to attack Shi Lin using swift attacks and incredibly powerful throws.

Shi Lin was starting to get cornered, she was starting to run into trouble when trying to parry the attacks from the opponent.

"No . . ." Shi Lin couldn't hold on any longer, she wouldn't be able to survive the consecutive attacks thrown by the enemy.

One of the attacks hit Shi Lin's body, it made Shi Lin's body feel sore and numb.

"poison ?" Shi Lin saw that the needle contained poison, she hurriedly released it and used her strength to stop the poison from spreading throughout her body.

"Good, she's been limping a bit, let's finish her off quickly" Shi Lin had started to limp after receiving the poison, which meant that they would have a greater chance of winning against Shi Lin.

Shi Lin would not give up, she would still fight back even if her body was poisoned.

.

.

Ye Chen himself was currently facing Yo Pimwu, they exchanged attacks again and punched each other.

Yo Pimwu's strength increased when he used the iron arm, he became much stronger compared to before, a very strong and very terrifying strength.

"take this, take this, what's wrong, can't you fight back, where was your arrogance just now" Yo Pimwu said to Ye Chen, he started to belittle Ye Chen.

Yo Pimwu had the upper hand, he started to corner Ye Chen backwards using attacks of his own.

Ye Chen defended against Yo Pimwu's attack, he resisted Yo Pimwu's powerful attack and was full of terrifying crushing power.

"I will destroy you" Yo Pimwu said to Ye Chen, he told that he would destroy Ye Chen.

"it won't be as easy as you think" Ye Chen said to Yo Pimwu.

"I've used the strongest suit I have, there will be no chance to win like you" said Yo Pimwu.

"Boom. . ., boom. . ., boom. . ., boom. . ., boom. . ., boom. . ., boom. . ." an explosion occurred, Yo Pimwu's fist created a terrifying explosion and destructive power.

"This guy is crazy, he can destroy this place, I have to put up a fight" Ye Chen saw that this place would be destroyed if he didn't do something.

Yo Pimwu continued to attack, he didn't let Ye Chen get out of his attack zone.

Ye Chen used the power of the fire vein, he increased his strength by several times in just a short amount of time.

"dead. . ." an opportunity appeared in Yo Pimwu's eyes, he charged Ye Chen with a full attack.

"Bam. .." Yo Pimwu's attack was stopped by Ye Chen using one hand.

"Huh?" Yo Pimwu was speechless when he saw what Ye Chen was doing.

Ye Chen no longer dodged Yo Pimwu's attacks, he blocked them with his hands.

"Enough playing around, let's get serious about fighting, God Thunder Armor" Ye Chen put on the God Thunder Armor, himself put on the God Thunder Armor and began to increase his strength several times.

Ye Chen's strength rose, with this he should be able to counter Yo Pimwu attacks head-on.

"You. . ., how did you do it." Yo Pimwu asked Ye Chen, how did Ye Chen do that.

"of course with my strength, now accept my attack" this time it was Ye Chen's turn to attack, he attacked swiftly and full of power.

"Bamm . . ." Yo Pimwu's body was blown away by Ye Chen's strike, Ye Chen's strengthened punch was simply extraordinary.

"cough . . ." Yo Pimwu coughed up blood, he was having trouble from fighting Ye Chen.

Ye Chen only needed one punch, he rendered Yo Pimwu helpless with only one punch.

"it will continue, I hope you are ready" Ye Chen said to Yo Pimwu.

"gahhhh, I won't lose, I will bring out all of my power" Yo Pimwu pulled out everything he had.

Chapter 2593 Taking Care Of Shi Lin

This would be a pinnacle battle between Ye Chen and Yo Pimwu.

Both of them started to exchange blows, they exchanged blows and punches with a terrifying speed and couldn't be seen by anyone else.

Ye Chen used the highest speed that he currently possessed, he used an extraordinary speed to.

"take this" Ye Chen concentrated strength in one strike, he seemed to want to end with one punch.

Yo Pimwu did the same with Ye Chen, he started to concentrate on one punch, this would be his last strike for Ye Chen.

"boom" Ye Chen and Yo Pimwu exchanged blows again, they both decided who was stronger, whether it was Ye Chen or Yo Pimwu.

Yo Pimwu used all the strength he had, he tried to push Ye Chen backwards.

Yo Pimwu's strength grew, he tried to push Ye Chen back quickly.

"Gahhh . . ." Ye Chen summoned all of his strength, he used all of his strength to fight back.

Ye Chen fought back, he showed resistance and used all his strength.

Yo Pimwu retreated, he started to have difficulty fighting Ye Chen, he was completely cornered by Ye Chen's strength.

"Impossible, this would not be possible." Yo Pimwu did not want to accept, he would not accept defeat like this.

"I won't accept it, I won't accept defeat like this" Yo Pimwu continued to struggle, even though he was continuously pushed back by attacks from Ye Chen.

"stronger, use all the power you have" Ye Chen used all the power, he used all the ability and strength available to fight against Yo Pimwu.

"Boom. . ." Ye Chen pushed hard, Yo Pimwu couldn't resist and released an attack towards Ye Chen.

"This can't be happening" Yo Pimwu couldn't believe when he lost, Ye Chen's super strong punch landed on his face and did an incredible amount of damage.

"Bammm . . ." Ye Chen's punch destroyed several houses that were around, it even cleared the sky that was above them.

Yo Pimwu's body floated up in the sky, he completely lost to Ye Chen.

"Finally done" Ye Chen had finished, he had finally finished defeating Yo Pimwu.

Ye Chen looked at Shi Lin, he wanted to know what Shi Lin was doing right now.

"You stop there" Ye Chen was told to stop, they had just captured Shi Lin.

Ye Chen looked towards Shi Lin, he could see that Shi Lin was currently being held by them and was in danger.

"what happened to her" Ye Chen wanted to know what happened to Shi Lin, why did she get caught like that.

"Ye Chen, they are using underhanded methods, be careful" Shi Lin spoke to Ye Chen, she told Ye Chen that they would use underhanded methods to deal with Ye Chen.

"So that's how it is" Ye Chen understood, how could Shi Lin lose, it seems that she was just tricked by them.

"if you dare to move, we will make her regret being born in this world" he said to Ye Chen, he told that Ye Chen would regret if he dared to move.

"You make me angry, quickly release her now" Ye Chen told to immediately release Shi Lin right now.

If not, he might get angry and start to destroy them.

"Are you not aware of your current position" they said to Ye Chen, they all reminded Ye Chen of their current position.

"if you dare to do anything strange, then she will die" they said to Ye Chen.

They posed a serious threat, they could have killed Shi Lin if Ye Chen persisted in fighting back.

"quickly cripple him" they ordered to immobilize Ye Chen, as long as they could immobilize Ye Chen, then they would be able to do whatever they wanted.

They were all able to get out of this unpleasant situation.

They tried to immobilize Ye Chen, they used a strong poison to paralyze Ye Chen.

The needle shot towards Ye Chen, it tried to penetrate Ye Chen's body.

"clang" a crashing sound rang out, the needle used to stab Ye Chen fell down.

Everyone fell silent when they saw what had just happened, they were left speechless when they saw Ye Chen was invulnerable to their weapons.

"what, what is that, what is this person's skin made of" they all couldn't believe that the weapons they used couldn't hurt Ye Chen.

"I told you that if you do something pointless, don't you listen to what I say" Ye Chen said to the four of them.

"keep doing it don't stop" they kept trying to hurt Ye Chen.

Even if they worked hard, they wouldn't be able to hurt Ye Chen.

"You all don't want to listen to what I have to say" Ye Chen looked towards the enemy in front.

"looks like he should do it" Ye Chen used his wind vein, he accelerated his movement and started to move.

Ye Chen made Clones, he would immobilize them and save Shi Lin.

Ye Chen made clones, he started to immobilize them all by using invisible clones.

"Arghhh . . ." they were beaten by the clone created by Ye Chen, they could not see and could only be beaten by the clone owned by Ye Chen.

"Bammm . . ." a few hard blows were enough to knock them to the ground.

Ye Chen paralyzed all of them, he did it nice and neat.

Ye Chen immediately went to see Shi Lin's condition, he wanted to know how Shi Lin's current condition was.

"You were poisoned" Ye Chen said to Shi Lin, he could see that Shi Lin was poisoned.

"Sure, they did, I tried to restrain it using my power" Shi Lin told Ye Chen, she told that she had restrained the poison using her strength.

"that's a very good decision, then I will help you" Ye Chen said to Shi Lin.

What Shi Lin did was absolutely spot on, she did very well to contain the spread of the poison.

Ye Chen looked at the injured spot, it was above Shi Lin's double peak section.

Ye Chen decided to reveal a bit of Shi Lin's body.

"what are you doing ?" Shi Lin asked Ye Chen, she wanted to know what Ye Chen was doing.

"I'm helping you" Ye Chen said that he was helping.

"but you took off my clothes" Shi Lin said to Ye Chen.

"I know that, it can't be helped, so you just have to trust me" Ye Chen said to Shi Lin, he told Shi Lin to have faith in what he was going to do.

Shi Lin was really embarrassed, she was really embarrassed by what Ye Chen was going to do.

Ye Chen found the injured spot, it was clearly a needle wound and it was starting to look black.

"It doesn't seem too bad" Ye Chen could see that it wasn't too bad.

Ye Chen brought his face closer, he started sucking out the poison and expelling it from Shi Lin's body.

"kyahhhhh . . ." Shi Lin screamed, she felt when Ye Chen sucked her body part.

"This isn't good at all" This was too good for Shi Lin, she couldn't hold back the sound she was letting out.

"very comfortable" Shi Lin screamed in her heart, this felt very comfortable.

Chapter 2594 Shi Lin Went Limp

What Ye Chen did was really delicious, he did delicious things and made Shi Lin feel like she was in the sky.

"Very strange feeling, my body is reacting too violently" Shi Lin could feel that her body was reacting violently enough, she could react to what Ye Chen did.

Ye Chen sucked out all the poison, he took it all out using his own skill.

Since the poison didn't spread around enough, Ye Chen could easily deal with this matter.

"what about your current condition ?" Ye Chen said to Shi Lin.

"Huft" Shi Lin panted heavily, she seemed at a loss for words.

"master, looks like you made her happy" Chu Yuechan said to Ye Chen.

Chu Yuechan could see that Shi Lin was enjoying what Ye Chen was doing, she seemed to be enjoying what Ye Chen had just done.

Shi Lin made a very seductive face, a lecherous face was shown in front of Ye Chen.

Ye Chen looked back at Shi Lin, he could clearly see Shi Lin's beautiful body.

"she has a nice body too" Ye Chen had to admit that Shi Lin had a good body.

And Ye Chen was interested in that, he was attracted by the beautiful body that Shi Lin had.

Shi Lin still hadn't recovered, she still hadn't recovered after receiving treatment from Ye Chen.

Ye Chen held the body of Shi Lin, she felt very sensitive when Ye Chen held her.

"No, don't do that" Shi Lin said to Ye Chen, she told Ye Chen that her body is sensitive right now, Ye Chen just a little touch, it will make Shi Lin feel crazy about it.

Shi Lin wouldn't be able to survive, she was a female rookie, there was no way she could survive what Ye Chen was about to do.

"don't you like it? . . , you must like this" Ye Chen said to Shi Lin.

Ye Chen wanted to tease Shi Lin more, he wanted to tease Shi Lin because she was interested.

"no, Ye Chen you . ." Shi Lin said to Ye Chen, she wouldn't be able to survive, what Ye Chen did made Shi Lin go crazy.

Great pleasure shook Shi Lin's body and she felt extremely comfortable.

"so beautiful" Shi Lin felt that this was so comfortable and so beautiful, she would not be able to endure, she would definitely accept what Ye Chen did.

"want more" Ye Chen said to Shi Lin, he started to tease Shi Lin with words.

Ye Chen whispered beautiful words to Shi Lin, a beautiful word was whispered to Shi Lin.

"ahhhh . . ." Shi Lin's body trembled violently, she wouldn't be able to withstand the temptation of a veteran like Ye Chen.

"I can't fight back" Shi Lin wouldn't be able to fight back, she could only defend against Ye Chen's attack.

Ye Chen stretched out his hand, he immediately stretched out his hand and started to touch Shi Lin's newly blooming double peaks.

Shi Lin's size was not as big and good, even so it was still not bad.

"no, Ye Chen, you touched it quite roughly" Shi Lin complained to Ye Chen, she told that Ye Chen touched her quite roughly, it made Shi Lin feel even more excited.

Ye Chen touched Shi Lin using skillful movements, he massaged and squeezed with a bit of force.

Shi Lin wouldn't be able to hold on much longer, this was too comfortable and made her reach the peak quickly.

"No . . ." she shouted quite loudly, her voice really seductive.

Finally Shi Lin felt an extraordinary feeling, she felt happy with what Ye Chen did.

Ye Chen wanted to continue, he probably wouldn't be able to stop at this place.

"master, you are not the only ones in this place" Chu Yuechan said to Ye Chen.

Chu Yuechan's words made Ye Chen realize, there were still hostages in need of help here.

"You're absolutely right, I'd better help them." Ye Chen ordered all the clones to release them all, they were all escorted out of the city and back to their respective places.

They were very grateful to Ye Chen, Ye Chen had saved them all from trouble.

Even a mini dwarf will remember the kindness done by Ye Chen, he will repay Ye Chen next time.

Ye Chen brought Shi Lin, she really looked limp after having fun with Ye Chen.

"Are you okay?" Ye Chen asked Shi Lin.

"this is all your fault" Shi Lin said to Ye Chen, she told that this is all Ye Chen's fault.

"sorry, sorry, this is all my fault, but you seem to be enjoying it" Ye Chen said to Shi Lin.

"Uhhh. .." Shi Lin's face turned red again, she didn't dare to look at Ye Chen again after what had just happened.

The two returned to Ye Chen's place, it happened that Wu Ziyi had also finished, she saw Ye Chen and Shi Lin walking together.

It could be seen that Shi Lin's condition was not good and she needed Ye Chen to walk.

"did something happen" Wu Ziyi asked Ye Chen.

"We just fought to save a few people, it seems she's lightly injured" Ye Chen informed Wu Ziyi.

"Are you okay?" asked Wu Ziyi worriedly.

"everything's fine" Shi Lin told her that she and Ye Chen were fine.

"Ziyi let's go back" Shi Lin said to Wu Ziyi, right now she needed a little rest.

"understood" Wu Ziyi understood, she understood and immediately helped Shi Lin.

Wu Ziyi saw Ye Chen for a while, she said goodbye to Ye Chen and took Shi Lin away from this place.

"You let off a good catch" Chu Yuechan said to Ye Chen.

"shut up" Ye Chen said to Chu Yuechan, he told Chu Yuechan to be quiet.

"fufufufu" Chu Yuechan smiled when she saw the angry Ye Chen.

It seemed Chu Yuechan had messed everything up, she had messed everything up.

Ye Chen returned to his place, it was time for Ye Chen to cultivate and start to increase his strength.

.

.

Wu Ziyi and Shi Lin's location.

"what exactly happened?" Wu Ziyi asked Shi Lin, she wanted to know what happened to Shi Lin.

Shi Lin's face started to turn red when she heard Wu Ziyi's question, she remembered the embarrassing thing with Ye Chen, it was a bit embarrassing and fun for Shi Lin to remember.

"we met some bad guys and fought" Shi Lin told Wu Ziyi.

"You guys are unlucky" Wu Ziyi said to Ye Chen.

"That's true, to be honest I'm not very lucky, even though at first we just wanted to go out for a bit," said Shi Lin.

"You are going to town?" Wu Ziyi asked Shi Lin.

"um. . Shi Lin nodded, she announced that she and Ye Chen were going to the city.

After that Shi Lin told what they experienced and what they did.

"It seems he saved you" Wu Ziyi said to Shi Lin.

"Of course, he saved me" Shi Lin told that Ye Chen saved her, if it wasn't for Ye Chen she would probably be in danger.

"He is a very good person" said Wu Ziyi to Shi Lin.

Wu Ziyi admitted that Ye Chen was a good person, that was one of the reasons why Wu Ziyi liked Ye Chen.

Chapter 2595 Was In The Same Room As Jia Li (1)

"You are absolutely right" Shi Lin had to admit that Ye Chen was a good person.

"Ziyi" Shi Lin asked Wu Ziyi.

"What is it?" Wu Ziyi naturally answered Shi Lin.

"There seems to be something different about you" Shi Lin noted that Wu Ziyi looked different from usual.

"What do you mean, is there something strange about me?" Wu Ziyi asked Shi Lin.

"How should I say this, you are a bit different from before" Shi Lin said to Wu Ziyi, she noticed that Wu Ziyi looked different compared to before.

"Is there anything different from me?" Wu Ziyi asked Shi Lin.

"Of course, there are many different things, somehow you look a bit more mature and prettier than before" Shi Lin said to Wu Ziyi.

"Is that so?" Wu Ziyi was delighted when she heard what Shi Lin said.

she probably knew what made her different, this was probably because she spent enough time with Ye Chen and was moisturized several times by Ye Chen.

"That's right, what happened to you ?" Shi Lin asked Wu Ziyi.

Shi Lin wanted to know, she wanted to know what happened to Wu Ziyi.

"There wasn't much going on, I just went to the great public bath" said Wu Ziyi.

"You're so lucky, I'm so jealous" Shi Lin was envious, envious when she heard what Wu Ziyi had to say.

"We were just lucky to get a gift from Chen Ting" said Wu Ziyi.

"If only I get one, I might go there" Shi Lin said to Wu Ziyi.

Wu Ziyi only smiled as she heard what Shi Lin said.

"Maybe you will get a chance like me" Wu Ziyi said to Shi Lin.

"I hope so" Shi Lin also hoped so, she hoped as Wu Ziyi expected.

"The two returned to the medicinal faction, they returned to their rooms and started training again, not a day without a practice for Shi Lin and Wu Ziyi.

.

.

Ye Chen trained quite hard at his place, he spent a lot of time training in order to break through to the 10th level.

"boom . . ." After cultivating for quite some time, Ye Chen finally broke through as well, he broke through to the tenth level while utilizing Wu Ziyi's pure Yin Qi.

"Finally, I did it" Ye Chen was very happy, he was very happy to have a breakthrough.

"That's great, clap . . ., clap . . ., clap . . ." Ye Chen heard a clapping sound from the side.

He saw the figure of a beautiful woman with bright red hair, this woman was leaning on Ye Chen's sofa and making a seductive pose

Milf's well-developed body and mature figure, this is a natural beauty that stirs the soul to behold.

"miss Jia" Ye Chen said to Jia Li.

he saw that Jia Li was already in this room, Ye Chen didn't even know when she entered his room.

"You are really something, breaking through to the 10th level, your speed is amazing" Jia Li said to Ye Chen.

Of course, Jia Li would be shocked when she saw Ye Chen's progress, he did it very quickly, only needing one month to reach the 10th level of the immortal rebirth realm.

"I'm not that great" Ye Chen said that he wasn't that great, he wasn't that great and that strong.

"You're being modest again" Jia Li said to Ye Chen, Jia Li made a very beautiful smile, a beautiful smile filled with extraordinary charm.

Jia Li was blessed with an extraordinary beauty, she was able to charm Ye Chen by using the beauty she currently possessed.

Ye Chen smiled, he admitted that Jia Li was beautiful, this mature and seductive woman made Ye Chen unable to calm down.

"So why did you come to my place" Ye Chen asked Jia Li.

Ye Chen of course wanted to know the purpose of Jia Li, this woman must have come to her place with a purpose.

"I just want to give you something" Jia Li said to Ye Chen, she told that she wanted to give Ye Chen something.

"What's that ?" Ye Chen looked excited when he listened to what Jia Li said, it seemed that Jia Li had something for Ye Chen.

Jia Li had a gift for Ye Chen, she had an item she wanted to give Ye Chen.

"Very good spirit" Jia Li saw Ye Chen's enthusiasm, Ye Chen was quite excited about this.

Jia Li took out something from her ring, she took out a vial with a very strong medicinal fragrance.

Jia Li pushed the thing towards Ye Chen.

Ye Chen received the object, he opened it and took a look at the contents inside.

"This? ? ?" Ye Chen asked Jia Li, he wanted to know what Jia Li gave him.

"This is a gift from me for finding the Eternal Spark Furnace, I hope you put it to good use" Jia Li said to Ye Chen.

"Ye Chen, this is a profound awakening level up pill, it will help you when you have already advanced to the realm of the Immortal Profound Awakening Realm" Jia Li said to Ye Chen.

Ye Chen was able to use the profound awakening level up pill when he was at the Immortal Profound Awakening Realm.

"that's a very nice gift, it seems that she is very attentive to you" Chu Yuechan said to Ye Chen, she told that Jia Li seemed to be attentive enough to Ye Chen.

"This must be a good item" Ye Chen said, he was sure that this was a good item, Jia Li made this for Ye Chen so that Ye Chen could easily use it.

"I made it myself, you can definitely see its purity" Jia Li said to Ye Chen.

"So miss made it herself, I'm really very lucky" Ye Chen said to Jia Li.

"Of course, I made it for you, you should take it well" said Jia Li.

Jia Li wanted Ye Chen to accept and use it, Ye Chen would definitely need it more than anyone.

"I understand, I will use it" Ye Chen understands, he will use it very well.

Ye Chen would make very good use of what Jia Li had given him.

"So do you still need anything from me?" Ye Chen asked Jia Li, he wanted to know if Jia Li still needed anything else.

"There shouldn't be any more" Jia Li said to Ye Chen, she told that she didn't need anything else from Ye Chen.

"are you going" Ye Chen asked Jia Li.

"of course not, I will be here for a while, do you not like me here" Jia Li asked Ye Chen.

Jia Li looked disappointed when she heard this, but she was the one who took the initiative to come and see Ye Chen.

Usually it was men who would come and meet Jia Li, but in this case, it was Jia Li who met Ye Chen of her own free will.

"No . . . , I don't mean to kick you out, I'm happy to be together with beautiful miss Jia Li" Ye Chen said to Jia Li.

"Those are really good words, I'm happy to hear them." Jia Li was happy when she heard what Ye Chen said, these were the words that Jia Li wanted.

Chapter 2596 Was In The Same Room As Jia Li (2)

Ye Chen was together with Jia Li, they were now in the same room.

Jia Li exuded an extremely fragrant scent, it could be seen clearly that she had a scent that was soothing to Ye Chen.

"Did something happen to you?, You seem to be in a pretty bad mood."

Ye Chen started to see the mood that Jia Li had, he could easily see clearly that Jia Li was having trouble.

"So you know I'm in a bad mood" Jia Li said to Ye Chen.

"Of course, I can see it quite clearly." Ye Chen pointed out that he could see it clearly from Jia Li's face.

"it turns out you are quite great" Jia Li said to Ye Chen, she saw that Ye Chen was a great person, he was able to know about her mood.

"I am indeed in a bad mood, why don't you comfort me" Jia Li said to Ye Chen.

"That's impossible, what can I do for you ?" Ye Chen said to Jia Li.

Ye Chen couldn't possibly do that, how would he comfort Jia Li.

"Come on, can't you do that?" Jia Li said to Ye Chen.

Jia Li again pranked Ye Chen, she wanted to cause trouble for Ye Chen a little.

Jia Li really likes to tease Ye Chen, it makes Ye Chen have a pretty serious problem.

"I heard that your sales are pretty good, and I heard that you healed one of my disciples named Rong Yia" Jia Li said to Ye Chen.

"that's not something great" said Ye Chen to Jia Li.

"You're trying to say that it's nothing, it's hard for me to help her myself" Jia Li said to Ye Chen.

Jia Li looked annoyed at Ye Chen, she alone couldn't solve Rong Yia's problem.

"why are you angry" said Ye Chen to Jia Li.

"I'm angry with you" Jia Li told Ye Chen that if she was angry with Ye Chen, she was angry with Ye Chen who said such things.

"Fufufufufu, trying to challenge mature women, can you get this one, it looks like one big catch" Chu Yuechan said to Ye Chen.

"big catch" Ye Chen listened clearly to what Chu Yuechan said.

"That's right, she is a big catch, I can see that she has excellent talent, and she has an excellent body for cultivation" Chu Yuechan said to Ye Chen.

Chu Yuechan told Jia Li's strengths, Jia Li had extraordinary strengths.

Ye Chen looked at Jia Li, maybe what Chu Yuechan said was true.

"Why are you silent and dumbfounded like that?, Is there something wrong with you?" Jia Li asked Ye Chen, she wanted to know why Ye Chen was silent.

"There's nothing wrong with me, I'm just watching you" Ye Chen said.

Ye Chen was watching Jia Li, he was watching Jia Li closely.

"What is this, trying to seduce me, you won't stand a chance, even if you look very handsome like that" Jia Li said to Ye Chen, she told Ye Chen that she would not have a chance to get Jia Li.

"Are you sure about what you said" Ye Chen said to Jia Li.

Ye Chen got a little closer, he wanted to see if Jia Li really couldn't be had.

Ye Chen would probably try to get hold of one of the pinnacle beauties within this Sect.

He wanted to get it using his own hands, that would be so much fun to do.

"what are you going to do ?" Jia Li asked Ye Chen, she wanted to know what Ye Chen would do.

Jia Li felt something bad, she felt a dangerous feeling from Ye Chen.

" What is it?",. are you starting to be afraid of me" Ye Chen asked Jia Li, it seems that Jia Li is starting to be afraid of Ye Chen.

"I can't be afraid of you" Jia Li said to Ye Chen, she couldn't possibly lose to Ye Chen.

"Hahahahaha, I'm just kidding, there's no way I can win against you" Ye Chen said to Jia Li.

Jia Li became relieved when she heard what Ye Chen said.

"This brat, he must have done it on purpose" Jia Li was sure that Ye Chen must have done it on purpose, she must have done it on purpose, she was absolutely sure of it.

Jia Li should probably repay Ye Chen's bit of mischief, she should tease Ye Chen a little so that this man knows who he is fighting.

Jia Li had never been treated like this, maybe it was Ye Chen who dared to treat her like this.

"I heard that they talk about your good skills, it just so happens that my body is a bit tired after the long journey in the meeting between Sects" Jia Li said to Ye Chen.

πανδας ηθνε | Jia Li listened to the rumors about Ye Chen, she of course knew that Ye Chen had good skills in treating people.

Jia Li heard this from the women, he was quite sure that they would not lie to Jia Li and tell the truth.

"it's okay" Ye Chen said to Jia Li, he didn't mind at all.

Jia Li has helped enough, it's okay to treat beautiful women well.

Jia Li was of course happy when she heard what Ye Chen had to say.

About what kind of technique Ye Chen has, Jia Li wants to experience it for herself.

"It's okay here, isn't it" said Jia Li to Ye Chen.

"do you want to do it out there" Ye Chen said.

"I can't possibly do it" Jia Li told him that she would not do that.

It would be a shame if anyone else found out.

"Then let's do it here." Ye Chen walked closer towards Jia Li.

Jia Li was still lying on the chair, she was still striking quite a seductive pose for Ye Chen.

Ye Chen started to extend her hand, he started to treat Jia Li well.

Jia Li was still relaxed, she didn't treat Ye Chen as a serious threat.

If Ye Chen dared to do something strange, Jia Li would definitely get angry and attack her, so Ye Chen shouldn't do anything strange.

Ye Chen started to touch Jia Li, he touched Jia Li's body.

Even though he didn't touch it directly, Ye Chen could still feel that Jia Li's skin was really very soft, she had soft and supple skin, it was very pleasant to touch Jia Li's body.

Jia Li must have taken good care of her body, Ye Chen could tell when she touched it.

Jia Li did treat her body well, she took care of her body with potions and herbs, that made Jia Li's body very good and almost perfect.

Every woman would worry about their beauty, Jia Li was also one of those women, she wouldn't mind spending more to get the best results.

"Is this all you can do, you look quite bad, why do the little girls praise you so much" Jia Li said.

Jia Li started to underestimate Ye Chen's ability, she started to underestimate Ye Chen's ability.

"hehehe" Ye Chen smiled, it was time to show off his skills.

Chapter 2597 Was In The Same Room As Jia Li (3)

Ye Chen's hands skillfully started to give a gentle massage to Jia Li.

"Ummm . . ." Jia Li began to feel an extremely comfortable feeling, without her noticing, she let out a very seductive and beautiful voice.

"How?" Ye Chen asked Ye Chen, this is just the beginning, it seems that Jia Li can't stand it anymore.

"Not bad" Jia Li said to Ye Chen, she said that Ye Chen is quite strong too.

Jia Li still refused to acknowledge Ye Chen's ability.

she still had her own pride and disowned Ye Chen.

Ye Chen could accept this point, time would tell who would win and who would lose.

Ye Chen started to increase his strength and abilities, he started to do well and made Jia Li feel super comfortable.

"Umm. . ." Jia Li started to enjoy this, she tried to keep her own voice from leaking out and being heard by Ye Chen.

Ye Chen knew that Jia Li wouldn't be able to survive, no woman would be able to survive Ye Chen's powerful technique.

Especially adult women like Jia Li who are mature and need to be moisturized.

"you don't have to hold back" Ye Chen said to Jia Li, he told Jia Li not to hold back.

"what do you mean" Jia Li asked Ye Chen, he asked what the meaning of the words belonged to Ye Chen.

"no need to hold back and enjoy this" Ye Chen said to Jia Li, he told Jia Li to enjoy everything.

"Uhhhh . ." Jia Li's body trembled, this pleasure was too strong for her, she would not be able to endure and would drown.

"No. . . , this is so bad, it's too convenient, I can't go back." Jia Li felt that he couldn't go back, this was too convenient and made Jia Li addicted.

Ye Chen didn't stop here, he showed the best he had.

At his best, Jia Li wouldn't be able to last long, she wouldn't be able to endure this kind of fun.

Ye Chen started to move, he started from the top to the bottom, this was the time to touch Jia Li's beautiful and long legs.

Ye Chen began by taking off the shoes Jia Li was wearing.

"wait, what are you doing ?" Jia Li asked Ye Chen, she wanted to know what Ye Chen was doing.

"treat you well" Ye Chen blessed Jia Li, he told Jia Li that he would treat Jia Li well.

Jia Li had a problem, he had a problem with what Ye Chen did.

Jia Li tried to stop what Ye Chen was doing, too bad she couldn't do it, her whole body trembled as she tried to stand up.

Jia Li seemed to be fighting, he had a very hard time from Ye Chen.

"Impossible, what happened to me" Jia Li did not understand, what happened to her, why she became what she is today.

Jia Li underestimated Ye Chen too much, now she sows what she reaps.

There was no chance to defend or retreat, Ye Chen's attacks kept coming and started to mess with Jia Li.

After removing the shoes from Jia Li, Ye Chen directly touched and gave a massage.

Jia Li's legs are good, they look perfect and slender.

"no. . ., that's a shame" Jia Li said to Ye Chen, she told Ye Chen that it was a shame.

"nothing . ." Ye Chen said to Jia Li.

Ye Chen continued, he started to do maintenance for Jia Li.

"Ahh. ." Jia Li was again made to feel pleasure by what Ye Chen did, in just a few moments she had reached her limits.

"No way, this is too convenient. ." Jia Li's body was sweating, she looked like she was doing vigorous exercise.

Jia Li didn't know what kind of feeling he was feeling anymore, it was too great for Jia Li, a feeling that made Jia Li feel a high level of happiness.

Ye Chen took advantage of this opportunity to obtain Yin Qi from Jia Li, this was a distinct advantage for Ye Chen.

Ye Chen needs Yin Qi, his body needs it, and Ye Chen must do well.

Ye Chen had done a full body massage from Jia Li, this made Jia Li's body lighter than anything else.

"How, are you feeling better?" Ye Chen asked Jia Li.

"That was great, I didn't think you could do something like that." Jia Li said to Ye Chen, she told Ye Chen that it was fun.

"You already know the abilities I have" Ye Chen said to Jia Li.

"of course I know what ability you have" Jia Li tried to get up, he was having a bit of trouble getting up from the sofa.

she sat on the sofa, her body still trembling slightly and the huge double peaks were heaving up and down.

Jia Li still feels hot in her body, this is very uncomfortable for Jia Li.

she pulled Ye Chen who was in front of her.

Ye Chen wasn't prepared to be pulled by Jia Li, nor did he have the strength to put up a fight against Jia Li.

Jia Li pulled Ye Chen onto the sofa, for only the sofa that Ye Chen took out was large, it fit two to three people of medium size.

"what are you doing? " Ye Chen said to Jia Li.

Ye Chen didn't expect that Jia Li would do this.

"It's a little uncomfortable for me." Jia Li said to Ye Chen, he had been provoked by Ye Chen, Jia Li couldn't hold it anymore.

A mature woman like Jia Li would naturally react when she was provoked, she had never felt more beautiful than now.

"Where's the uncomfortable part?" Ye Chen reacted swiftly, he immediately took the bait given by Jia Li.

Ye Chen is experienced, he knows what Jia Li does, he understands that Jia Li wants to be with Ye Chen.

Ye Chen can't let down, can't miss this kind of opportunity.

"he did it" Chu Yuechan didn't expect that Ye Chen would succeed in it, Chu Yuechan wouldn't have expected that Jia Li would easily get excited and excited just from doing that.

Jia Li hugged Ye Chen who was in front, she started hugging and clinging tightly to Ye Chen.

Jia Li liked it, somehow he felt very comfortable when he was with Ye Chen, this comfortable feeling made Jia Li feel very comfortable.

"It's so comfortable, I'm really weird" Today Jia Li was weird, she became so bold, she even said seductive words to Ye Chen.

Ye Chen touched and hugged Jia Li, the two hugged and rolled on the soft and comfortable sofa.

Jia Li didn't want to let go of Ye Chen, while Ye Chen wouldn't let go of her either.

If Ye Chen let go, an opportunity like this might not come again.

Jia Li is not like a woman growing up, she has experience and maturity, her body is already very good, obviously it will not be easy to move Jia Li.

the two started to get closer, their faces started to get closer to Ye Chen and Jia Li started to kiss.

"Chuu . ." Both of them started their kiss, they pressed their lips together.

this was probably the first time Jia Li had done this, previously she had only teased Ye Chen by using kisses on the cheek.

Chapter 2598 Ye Chen & Jia Li (1)

Ye Chen and Jia Li had a mature kiss.

Since Jia Li was still inexperienced when it came to kissing, Ye Chen had to take the lead and set an example.

He begins to have an affair with Jia Li, their tongues meet and they start dancing together.

"Ummm, ahhh. . ." Jia Li naturally felt at ease, she followed Ye Chen's steps.

This was the first time Jia Li had felt this way, she was doing this with so much passion.

Jia Li wanted more, she kissed and sucked Ye Chen more passionately, she could feel her passion racing when doing this together with Ye Chen.

Jia Li became more aggressive, she who was provoked by Ye Chen became much more aggressive than usual.

Ye Chen kept kissing Jia Li's lips, it felt very sweet to Ye Chen, the kiss was very soft.

Both of them kissed for about 10 minutes, they really got too carried away and entangled each other quite tightly.

"This is so good, is the kiss really that good?" Jia Li said to Ye Chen.

"Don't tell me it's your first experience ?" Ye Chen said to Jia Li.

Jia Li pinched Ye Chen's waist, she was angry when she heard what Ye Chen said.

she felt scorned by Ye Chen for not having enough experience.

"You, you are so mean, why are you saying such things to me" Jia Li said to Ye Chen, Jia Li looked annoyed when she heard what Ye Chen said.

"oh, I'm sorry, I may have overestimated you" Ye Chen apologized, he apologized to Jia Li for what happened just now, he probably made Jia Li feel angry with what just happened.

"It's okay" Jia Li understands, zhe can understand Ye Chen, this is indeed the first experience, and this is very beautiful for Jia Li.

"But you look very experienced, it seems you have quite a lot of experience" Jia Li said to Ye Chen.

"no way" Ye Chen said to Jia Li, he was trying to hide it.

"This is very suspicious" Jia Li was starting to get suspicious of Ye Chen.

"what's wrong, are you starting to doubt me" Ye Chen asked Jia Li.

Ye Chen said to Jia Li, he started to change the topic at hand.

"I may be a little doubtful" Jia Li said to Ye Chen, she may be a little doubtful about this problem.

"If you have any doubts about this matter, we can stop it now, it should still not be too late to do it" Ye Chen said to Jia Li.

"no, don't do that" Jia Li said to Ye Chen, she hesitated when she heard Ye Chen wanted to end it.

Jia Li wanted to explore a new world, she would not let go of the opportunity to try it.

"It won't be a problem for me, I will dominate you" Jia Li said to Ye Chen, Jia Li is quite confident with the beauty that she has, therefore she is sure that she is able to make Ye Chen completely hers.

"what good words, I hope you mean it in the words you have" Ye Chen said.

"I never mess with my words" she told Ye Chen, she told him that she wouldn't play around.

Jia Li started to get up, she started to be more serious and more aggressive compared to before.

Jia Li climbed on top of Ye Chen, her current position was on top of Ye Chen.

Jia Li started to touch something hard, she was aware of what hard was underneath.

"It seems that something below is already excited." Jia Li said to Ye Chen, she could clearly feel that Ye Chen was already excited.

"I'm still a young man full of vigor, it would be strange if I wasn't interested in a beautiful goddess like you" Ye Chen said.

"You are absolutely right, you are a young man, young men should be very strong, let's see if you can keep up with this old lady" Jia Li said to Ye Chen.

"You are not old, you are still beautiful like a goddess" Ye Chen said to Jia Li.

Jia Li was still very beautiful, she was not old at all, she was a beautiful and seductive woman, with a body that was already mature and Sexy to be eaten by Ye Chen.

"fufufu, nice words, I'm happy to hear that" Jia Li said to Ye Chen, she told Ye Chen that she was happy with what Ye Chen said.

Ye Chen's words made Jia Li's heart happy and filled with flowers, she loved being praised by Ye Chen, any mature woman would be happy when she was complimented by a younger man.

Jia Li was worried about this matter, she was worried that Ye Chen would say she was old and unattractive, but now that all of that was gone, she felt better when she heard Ye Chen call her beautiful like a goddess.

"Let's see what you have" Jia Li wanted to know what Ye Chen had, to be honest she wanted to know what Ye Chen had under the clothes.

"be careful, it will surprise you" Ye Chen gave a warning, he gave a warning to Jia Li.

"is this small, you don't have to be too shy to admit it" Jia Li said to Ye Chen.

Jia Li knew what this was, she could understand that since Ye Chen was still young, it still had plenty of time to grow.

Jia Li took off Ye Chen's pants, she wanted to see what Ye Chen had.

Jia Li didn't expect too much, she could forgive everything because Ye Chen was still young, he probably had normal things down here.

Jia Li did deftly, she easily undid Ye Chen's belt and something came out immediately.

"Ahhh. ." Jia Li seemed surprised by something that appeared and slapped her.

"What's this?" Jia Li was shocked by Ye Chen's, it looked big and long.

"how are you surprised ?" Ye Chen said to Jia Li.

"You have this kind of thing, it's really shocking" Jia Li said.

Jia Li would of course be surprised, she would be surprised by what Ye Chen had.

βαρδὰς ἦθεν | This was clearly beyond reason, abnormal in size and like that of a monster.

"Seriously, does he have something like this?" It wouldn't be strange for Jia Li to be shocked like that, perhaps this was the first time she had seen something like this.

"Why are you silent, are you surprised" Ye Chen said to Jia Li.

Ye Chen of course could easily realize that Jia Li was surprised, it seemed that she was very surprised by what Ye Chen had.

"glupppp . . , it might be a bit more difficult." Jia Li would probably find it difficult, she might run into a problem when she tried something as big and strong as Ye Chen's.

Jia Li realized that Ye Chen had extraordinary things, this couldn't be compared to Jia Li's knowledge that was in books and only she read.

"don't stay silent, it's inconvenient for me, why don't you help me" Ye Chen said to Jia Li.

"I understand" Jia Li understood, this milf started to hold Ye Chen's.

Jia Li only knew basic knowledge, she knew how to make Ye Chen comfortable by using her own hands.

Jia Li's hand gently caressed little brother Ye Chen, it began to help little brother Ye Chen gently.

"uh . . ." Ye Chen felt a very comfortable feeling, he really liked the feeling that Jia Li gave him.

"Damn, this is really very comfortable" Ye Chen didn't expect that this would be so comfortable, just her hand made Ye Chen very comfortable, not to mention that Jia Li used other things to help Ye Chen.

Chapter 2599 Ye Chen & Jia Li (2)

Jia Li's hand was moving up and down at a gentle pace, it made Ye Chen feel very comfortable.

"this is very good" Ye Chen felt that this was very comfortable, this made Ye Chen grow bigger.

Jia Li was shocked when she saw that Ye Chen's could still grow.

"this is not possible" Jia Li was completely shocked, she was shocked by what Ye Chen had.

she doesn't know that it can still grow, this is really something.

"is it comfortable?" Jia Li asked Ye Chen, Jia Li was not very good at this.

"This is good" Ye Chen said to Jia Li, Ye Chen can admit that Jia Li has extraordinary abilities.

At least Jia Li was much better compared to the shy girl, she had a bit of understanding to put Ye Chen at ease once.

"fufufufu" Jia Li opened her mouth, he blew Ye Chen's, Ye Chen immediately felt a very comfortable feeling.

Ye Chen saw that Jia Li had her own tricks, she had her own tricks to make Ye Chen feel comfortable.

"It's shaking, it's so funny" Jia Li could feel Ye Chen shaking, it looked very funny to Jia Li.

Jia Li was too seductive, she made a seductive face for Ye Chen.

Jia Li had the innate talent to seduce Ye Chen, she had the innate talent to seduce Ye Chen using her own abilities.

"At this rate" Ye Chen decided to strike back, he would not remain silent when being teased by Jia Li.

Ye Chen stretched out his hand, he touched Jia Li's huge double peaks.

"Ummm. . ., no . . ., don't touch it" Jia Li said to Ye Chen.

Jia Li couldn't stand it when Ye Chen touched her, it was very comfortable when Ye Chen touched her.

"How, still want to tease me, I can do it too" Ye Chen said that he can also do the same thing, he can tease and make Jia Li feel his own ability.

"Wait a minute, no . . ." Ye Chen became more and more aggressive, he became more and more aggressive and made Jia Li feel even more comfortable.

Jia Li was starting to get overwhelmed by the attack that was carried out by Ye Chen, it made her body hot and tingling everywhere.

she might reach the top again because of this thing, this was too comfortable and enjoyable for Jia Li.

With that Jia Li again reached the peak, she got her happiness back.

"It's very comfortable." Jia Li felt very comfortable, she felt very comfortable with what Ye Chen was doing.

"How, are you comfortable?" Ye Chen asked Jia Li again.

"This is convenient, how can you have such a technique?" Jia Li asked Ye Chen, Jia Li wanted to know how Ye Chen had such a good technique.

"It's because I practice" Ye Chen said that he got this technique from training, thanks to Ye Chen's hard training, he finally arrived at this point, the highest point in pleasing a woman.

"I'm so happy to meet you" Jia Li felt happy to meet Ye Chen, she found comfort when she was with Ye Chen.

"I am also happy to meet a beautiful woman like you." Ye Chen himself was also happy to meet Jia Li.

"please help me again" Ye Chen said to Jia Li, he asked Jia Li to help him again.

Jia Li smiled, she returned to help Ye Chen with her hands.

Ye Chen was comfortable with what Jia Li was doing, even though he was comfortable, he was still not completely satisfied.

"Honey, let's use this thing, I want to taste it." Ye Chen touched the corner of Jia Li's lips.

"huh?, what is it, can it be used?" Jia Li's knowledge was very basic, she probably didn't know about Ye Chen's request.

Jia Li came from such a splendid background, it wasn't strange that she didn't know that it could be used to please a man.

"of course, it can be used, why not give it a try" Ye Chen said to Jia Li.

"I don't know, is it possible?" Jia Li felt scared, for the first time she was afraid to start something.

Jia Li wasn't too sure about this, she wasn't sure if he could do it.

"I will guide you well" Ye Chen said to Jia Li, he will give a guide to Jia Li.

"still, this is embarrassing, is this even possible" Jia Li said to Ye Chen.

"just do it already" Ye Chen forced Jia Li, he told Jia Li to do it, he needed Jia Li to do it.

Jia Li probably had no other way, she had no other way to defend against Ye Chen.

Ye Chen's huge object was in front of her eyes, Ye Chen seemed to be forcing it on Jia Li.

Jia Li wouldn't be able to escape, inevitably he had to do as Ye Chen said.

It was so funny when seeing Jia Li who was a faction leader being forced by Ye Chen, everyone wouldn't believe what they were seeing right now.

Jia Li opened her small mouth, she started to provide a service for Ye Chen.

Jia Li had a little difficulty because Ye Chen was too big, inevitably Ye Chen had to shrink her own a little.

Ye Chen's ability was very formidable, adjusting the size was one of the things that Ye Chen could easily do.

"do as I say, you can definitely do well" Ye Chen said to Jia Li.

"Understood, I will do well." Jia Li understood, she would do very well.

"slurp. . ." Jia Li started sucking Ye Chen's, in one try she made a very lewd sound.

"oh, this is it, this is very comfortable" Ye Chen felt very comfortable with what Jia Li was doing, Jia Li's mouth felt very comfortable.

Jia Li was a little nauseous at first, but after a little adjustment, she felt that this was pleasant and delicious.

"It's embarrassing, but somehow it feels very comfortable." Jia Li felt that this was very comfortable, even though it felt embarrassing, it was quite pleasant.

"jubo . . , jubo . . , jubo . . , jubo . . , pooh . ." after knowing the technique to use, Jia Li became aggressive in attacking Ye Chen, she became aggressive in serving Ye Chen's younger brother.

"she. . . , overpowering. . ." Ye Chen wouldn't have imagined that Jia Li would become this powerful, she really did well.

she is really something when she does it.

Time passed quickly when Jia Li provided services for Ye Chen, Ye Chen felt happy and very satisfied.

Jia Li didn't show any signs of tiredness, she possessed a strong stamina for a mature woman who had never been treated by a man.

"Looks like I've reached my limit" Ye Chen probably wouldn't be able to hold out much longer, he wouldn't be able to withstand the temptations of a sexy woman like Jia Li.

Ye Chen held Jia Li's head and thrust it into the deepest part, it made Jia Li flinch by what Ye Chen did.

παῖδας ἦθεν | "umm . ." Jia Li was shocked by what she did, she tried to put up a fight.

Ye Chen didn't let go of Jia Li, he poured out all his grievances that he had been holding back for a long time.
