

True God 2601

Chapter 2601 Happiness With Jia Li

After a long day and night, they finally finished their business.

after that Ye Chen and Jia Li slept and rested, they enjoyed their time together, it was the most enjoyable time for them to do.

Jia Li already completely belonged to Ye Chen, she became very obedient and started listening to Ye Chen.

Jia Li rested on Ye Chen's shoulder, she showed exhaustion on her pretty face.

It was obvious that Jia Li would be very tired, this was the first time and they did it roughly, it would probably be a great first experience for Jia Li.

"My body has become very light" Ye Chen felt very light, he felt that his body had become very light after absorbing enough of the Yin Qi that was in Jia Li's body.

The Yin Qi in Jia Li's body was quite pure and abundant, it couldn't be compared to Wu Ziyi, obviously it had been stored for a long time and had just been harvested by Ye Chen.

"umm . ." Jia Li opened her eyes, she looked at Ye Chen who was in front of her.

"good morning" Jia Li said to Ye Chen, she gave a good morning to Ye Chen.

"morning too" Ye Chen answered the speech given by Jia Li, he smiled when he saw Jia Li.

Jia Li clung tighter to Ye Chen, she was now very close and snuggled into Ye Chen's body.

Jia Li really likes the feeling that Ye Chen gives her, she really likes the feeling that Ye Chen gives her, the feeling that Ye Chen gives her is very pleasant and comfortable.

Jia Li felt more dependent on Ye Chen, she became dependent on Ye Chen.

"Why are you being spoiled like that" Ye Chen looked at Jia Li who was being spoiled, her seductive big sister nature disappeared after everything that happened.

"it still hurts, you are too rude" Jia Li said to Ye Chen, she complained about what happened.

"It's not that you want to continue" Ye Chen spoke and reminded,that it was Jia Li who asked him to.

Jia Li became much more aggressive, she asked Ye Chen more and more, Ye Chen of course was happy to accompany Jia Li day and night as well.

"You said it again" Jia Li pinched Ye Chen, it was embarrassing, she felt like a cheap woman when she asked that from Ye Chen.

She was a woman who wasn't like that, because of Ye Chen she became like that.

"no need to be ashamed to admit it" Ye Chen said to Jia Li, he told Jia Li not to be ashamed to admit it.

"You . ." Jia Li snorted coldly, she snorted coldly and went back to sleep in Ye Chen's arms.

Ye Chen accompanied Jia Li for a while, he made Jia Li comfortable and provided the best care for Jia Li.

Some time later, Jia Li had recovered, she was able to walk and do everything as usual.

"Husband, what kind of place is this?" Jia Li saw this place for the first time, it would not be strange for her to ask Ye Chen.

"why don't you look out" Ye Chen said to Jia Li, he told Jia Li to see for herself.

"then come accompany me to see it" Jia Li said to Ye Chen, she told Ye Chen to go and accompany her.

Jia Li took Ye Chen's hand, she told Ye Chen to accompany herself out to see what was outside.

The two came out, they went out and saw the scenery that was outside.

Jia Li saw a wide and beautiful place, the scenery in this place was truly amazing.

"what a great place, I didn't expect that you have a place like this, is this the small world you created?" Jia Li asked Ye Chen.

"Not quite, someone created this place and what a coincidence I got it" Ye Chen was honest, he told where he got the fairy gate from.

"I see, you are quite lucky" Jia Li said to Ye Chen, she told that Ye Chen was lucky because she was able to get a good place like this.

Jia Li realized that this place was very good, she realized that this place was really very good and had pure energy, she would probably like to stay in this place for a while. I think you should take a look at

"let's take a walk and look around this place" Ye Chen said to Jia Li, he invited Jia Li to go and look around this place.

"please drive me" Jia Li said to Ye Chen, she asked Ye Chen to drive her.

Ye Chen and Jia Li walked around, they started walking around and Ye Chen explained everything to Jia Li.

Ye Chen introduced Chu Yuechan, Chu Yelan and Chu Ning'er to Jia Li.

Jia Li's reaction was the same as Wu Ziyi's, she was surprised to see Chu Yuechan and the others.

After getting acquainted, Ye Chen asked Jia Li to go out, she told Ye Chen that maybe there was something important outside.

Inside the fairy gate Jia Li couldn't get any signal from the disciples in the medicinal faction, which was why she asked Ye Chen to bring herself out.

"It seems nothing happened while we were together" nothing happened, everything seems fine.

"that's great, are you hungry, maybe I'll make something" Ye Chen said to Jia Li.

"You want to cook, I want to try it" Jia Li said to Ye Chen, she wanted to try it.

"Of course, you can wait there" Ye Chen said to Jia Li, he told Jia Li to wait there while he would start to cook something.

Ye Chen took out all the materials he had, all of these materials came from the fairy gate and were directly cultivated by Chu Ning'er.

All of them are high quality vegetables with amazing taste, Jia Li will definitely love this taste.

Ye Chen started cooking, he started the fire and started cooking very fast.

It didn't take long for Ye Chen to prepare food, he made soup and stir-fry for Jia Li.

With Jia Li's condition, healthy food was the best and could restore her energy after the tiring training with Ye Chen.

"looks delicious" Jia Li can see everything on the table, everything is very good, this is a delicious and appetizing looking food.

Jia Li didn't really know what Ye Chen was cooking, she had never seen anything like this.

"come on you can try it" Ye Chen said to Jia Li, he told Jia Li to try it.

"Okay" Jia Li understood, she started to try the dishes made by Ye Chen, to be honest she was curious about the dishes made by Ye Chen.

Jia Li took one mouthful and started to eat it, she tasted the food quite good.

"very good" Jia Li said to Ye Chen, she told Ye Chen that this tasted very delicious.

"I'm glad you like it" Ye Chen was satisfied, it seemed that Jia Li enjoyed what he made.

Ye Chen started to eat together with Jia Li.

"I didn't expect that you could do something like this too, you really can do all kinds of things right" Jia Li said to Ye Chen.

Jia Li saw that Ye Chen could do anything.

"Not everything I can do" Ye Chen told Jia Li.

"Compared to mine now, Ein's cooking might be better" Ye Chen said to Jia Li.

"Ein, a familiar name to me" Jia Li said to Ye Chen.

"Of course, she is Ein, the maid I have" Ye Chen said to Jia Li.

"You have a personal maid, are you from a noble family?" said Ji Li.

Chapter 2602 Jia Li Was Surprised To See Zhang Ein And Shen Niang

Only those with high status and standing would hire servants, Ye Chen probably came from a good family.

Jia Li still didn't know about Ye Chen's origins, she didn't even know where Ye Chen came from.

"Not really, I come from a normal family." Ye Chen came from an ordinary family, so Jia Li didn't have to worry too much.

"I see, it's surprising to see a handsome man like you from an ordinary family" said Jia Li.

Ye Chen smiled as he listened to Jia Li's words, it seemed that it was really hard to believe what Ye Chen said.

"I so want to meet that maid, maybe you can introduce her to me." Jia Li was curious, she wanted to know the maid that Ye Chen just said.

"of course" Ye Chen said that he would introduce Zhang Ein to Jia Li.

"Ein" Ye Chen call Zhang An.

"call me" Zhang Ein came very fast, it only took a few milliseconds to reach Ye Chen's place.

Zhang Ein stood beside Ye Chen's seat, she looked towards Jia Li who was near Ye Chen.

Jia Li was speechless when she saw who had just appeared, she was completely shocked when she saw who had just appeared.

"Why is she in this place?" Jia Li asked Ye Chen, she asked Ye Chen why Zhang Ein could be in this place.

pandasnovel.com "I told you that she is my cute maid, isn't she cute and beautiful" Ye Chen said to Jia Li.

"young master, don't tease me, I'm not like that" Zhang Ein said to Ye Chen, she looked a little embarrassed when she heard Ye Chen's words.

Jia Li's face was slightly confused, her mind at this time was really very chaotic.

"This must be just a dream" Jia Li is absolutely sure that this is just a dream, this must be just a dream, she is absolutely sure that this is just a dream.

Jia Li pinched herself several times, it's a pity that everything is reality, what is in front of her eyes now is reality.

"This is a statement" Jia Li saw that this was a statement.

Ye Chen saw the reaction that Jia Li had, it seemed that she knew about Zhang Ein.

"Ein" Ye Chen spoke to Zhang Ein.

"What is it?" she asked Ye Chen.

"Are you familiar with Jia Li?" Ye Chen asked Zhang Ein.

"Don't really know each other, but we've met one time" Zhang Ein told Ye Chen in a well-guarded manner.

"Is that so, I thought you did something to her" Ye Chen said to Zhang Ein.

"That's impossible, I rarely do bad things" Zhang Ein pointed out that she rarely did bad things.

So it was impossible for Zhang Ein to do something bad to Jia Li.

"good, I hope you can get along well with her" Ye Chen said to Zhang Ein.

"Young master, who is she to you?" Zhang Ein asked Ye Chen, she still didn't know the relationship they had.

"You can introduce yourself to Ein, she's such a nice person" Ye Chen said to Jia Li.

"My name is Jia Li, I am emm. . ., Ye Chen's wife." Jia Li was a little confused, she was a little confused in her choice of words.

When Jia Li said that, Zhang Ein immediately looked at her with a sharp gaze.

Jia Li was intimidated by the stares that Zhang Ein gave her, but even so she tried to act casual.

"I understand, I am in your care" Zhang Ein said to Jia Li.

"Um. . ." Jia Li hastily nodded, she hastily nodded as she listened to what Jia Li said. I think you should take a look at

"Then you can come eat with us" Ye Chen told Zhang Ein to come along.

"I understand" Zhang Ein understood, she did as Ye Chen said.

Zhang Ein joined in, she joined in and started eating together with Ye Chen as well as Jia Li.

With Zhang Ein joining the table of course livened up a bit again, the three started eating and Ye Chen opened a chat for the two of them.

After everything was done, Ye Chen washed and Zhang Ein helped out at an incredible speed.

Jia Li herself just sat on the side, having nothing to do because Ye Chen and Zhang Ein had already done very well.

"This makes me a little dizzy, who would have thought of this." Jia Li looked at Zhang Ein, she still felt shocked when she saw Zhang Ein being Ye Chen's servant.

"How could she do such a thing, I heard that no one is capable of making her like that, this is a very rare." Jia Li looked at Zhang Ein and Ye Chen.

This is an extremely rare thing, of course Jia Li would be surprised by this.

"Woshhhhh . ." a wind appeared, right now a figure appeared where Ye Chen was.

A beautiful figure appeared, this was a perfect figure without even a single flaw, an extraordinary beauty that burst out from within the painting.

"Huh?, who is this, too beautiful. ." Jia Li was shocked, she was shocked when she saw the beautiful figure who had just walked in, This was something that a beautiful woman like Jia Li could hardly believe.

The person who had just appeared was Shen Niang, she had just appeared at Ye Chen's place.

Shen Niang had just carried out an important errand, she had just returned and brought great news to Ye Chen.

"Who?" Shen Niang asked Jia Li.

"I . . ." Jia Li looked confused, she didn't know what to say in this situation.

"Oh, Shen Niang, you are back" Ye Chen said to Shen Niang, he gave a welcome to Shen Niang.

Ye Chen didn't know where Shen Niang had gone, the last time she had trained Ye Chen's woman and some time ago she had gone somewhere.

"I'm back" Shen Niang said to Ye Chen, she told Ye Chen that she was back.

"is that you Ein" Shen Niang saw a familiar figure, it was a figure that Shen Niang knew.

"hello goddess Shen Niang, it's been a long time since we saw each other, it seems that you have recovered." Zhang Ein gave a salute to Shen Niang, it seemed that she respected Zhang Ein.

"Of course, I've fixed it" Shen Niang said to Zhang Ein.

"You also know Ein?" Ye Chen asked Shen Niang.

"Of course, Zhang Ein is the servant of the Sage God, she is the one who serves the Sage God."

Shen Niang told Ye Chen who Zhang Ein was, she told him that Zhang Ein was a servant of the Sage God.

Not many people know about this problem, only a few people know about this problem.

"Oh, so that's it, I seem to be starting to understand." Chu Yuechan started to understand, she understood why Zhang Ein wanted to become Ye Chen's servant.

It seemed like Zhang Ein was aware of Ye Chen having the Sage God's heritage, so it wasn't strange for her to insist on being Ye Chen's personal maid.

Given that Zhang Ein's strength was extremely strong and perhaps even below Shen Niang's, this kind of person would not possibly be willing to serve someone without her own will.

"That means Ein is of the same generation as Shen Niang" Ye Chen asked Zhang Ein.

"No, I'm still the next generation, I'm still girl compared to the goddess Shen Niang" said Zhang Ein.

"You can just call me Shen Niang, no need to add unnecessary words" Shen Niang said to Zhang Ein.

"Um" Zhang Ein understood.

Chapter 2603 Breakthrough,Breakthrough

"What's wrong, do you have anything good for me?" Ye Chen asked Shen Niang, she wanted to know what Shen Niang got.

"I have a very good thing, I want you to listen it" Shen Niang said to everyone in this place.

"of course" Ye Chen naturally wanted to listen to it.

not only did Ye Chen want to listen to it, Jia Li and Zhang Ein also wanted to listen to it.

"I got news about what happened to Yixian" Shen Niang told Ye Chen, she told that she got news about Shui Yixian.

"what happened to her, is she okay" Ye Chen asked Shen Niang, he wanted to know the condition of Shui Yixian.

"she's fine, they just want to use his power to become the ruler of the entire Supreme God Realm." Shen Niang told Ye Chen, she told Ye Chen that Shui Yixian would be used to rule the entire Supreme God Realm.

"they want to start a war" Ye Chen asked Shen Niang.

"That is the most likely that I can think of, they will probably do it, as long as they have Yixian, they will be able to do it" Shen Niang said.

"But that would be a very dangerous thing for Yixian." Ye Chen said that it could put Shui Yixian in danger.

"That's true, she might get in trouble from the laws of the heaven, that's the problem, but it doesn't look like they're going to do it any time soon, they still need proper preparations to do it, what I see is that they're gathering all the great talents in this world to strengthen their combat capabilities" Shen Niang said.

The Four-sided Immortal Palace is preparing for the greatest fighting force in history, it will definitely be stronger than the top powers of the past.

"I still have time" Ye Chen saw that he still had time to get Shui Yixian back.

"You have to hurry, there isn't much time to reach their level, they have also begun to develop and become stronger than they are now" Shen Niang said.

"I see that you have started working, you found a good talent again." Shen Niang looked at Jia Li, she could clearly see that Jia Li was talented and her strength was not bad, a little practice, she would fly quickly.

Jia Li was a little confused when she saw Shen Niang looking at her, she didn't know what this woman was thinking.

"you, what is your name?" Shen Niang said to Jia Li.

"Jia Li is the leader of the medicine faction in this place?" she told Shen Niang who she was.

"very good, I hope you take good care of him" Shen Niang said to Jia Li.

"? ? ?" Jia Li was confused, she didn't understand what Shen Niang meant.

"You will understand soon, I will explain later" Shen Niang said to Jia Li.

"Ye Chen, it's all up to you, you can start accumulating your own strength, my opponent is strong enough, I don't believe they will do what you want if you are not strong yourself" Shen Niang said to Ye Chen.

"I understand" Ye Chen understands, he will do what Shen Niang said, he will begin to cultivate the strength he has.

Ye Chen couldn't continue like this, he had to start to rise up and show the abilities and qualities that he had right now.

"I still have plans to practice with Yanyan and the others, I'll go first" Shen Niang said to Ye Chen and Jia Li.

"I understand" Ye Chen nodded.

Shen Niang left, she entered inside the fairy gate and started training Zhao Yanyan and the others.

"I'll go too, see you again young master" Zhang Ein said to Ye Chen, she said goodbye to Ye Chen.

Zhang Ein disappeared very quickly, she disappeared from Ye Chen and Jia Li's sight.

After Shen Niang as well as Zhang Ein disappeared, Jia Li became relieved.

Jia Li just saw two people with such terrifying strength, it made her feel shocked.

"You look depressed" Ye Chen said to Jia Li, he could clearly see that Jia Li was quite depressed, she was quite depressed when she saw Shen Niang and Zhang Ein.

"Whose fault is this?" Jia Li said to Shen Niang. I think you should take a look at

Jia Li approached Ye Chen, she sighed heavily to Ye Chen.

Ye Chen just smiled when he saw Jia Li, Jia Li was so cute, it made Ye Chen smile and laugh.

"I'll be back" Jia Li will be back, she still has some business to take care of.

"husband, you can call me if you need anything" Jia Li said to Ye Chen.

Before she left Ye Chen, Jia Li kissed Ye Chen, she kissed Ye Chen who was in front of her.

After doing the seductive thing to Ye Chen, she immediately left Ye Chen.

Jia Li was still the same, nothing had changed about her, she was still as flirtatious as ever.

"It's great to have a beautiful woman like her" said Ye Chen.

"seems like you really enjoyed it" Chu Yuechan said to Ye Chen.

"of course, I really enjoyed it" Ye Chen told that he really enjoyed it.

Who wouldn't enjoy getting a beautiful woman like Jia Li with a sexy appearance.

"I gained a lot of benefits while doing Dual Cultivation with Jia Li, this is really great" Ye Chen said to Chu Yuechan.

"You are already at tier four, very good, the stronger the better" Chu Yuechan said to Ye Chen.

Chu Yuechan told that Ye Chen did very well, he did very well.

Ye Chen started cultivating, she stabilized the strength she currently possessed.

After several days of practice and Ye Chen's cultivation became more stable, it was time for Ye Chen to use the profound awakening level up pill.

"I've arrived at this stage, it's time to use the profound awakening level up pill" Ye Chen used.

Ye Chen entered the fairy gate, he started consuming and using the profound awakening level up pill.

Ye Chen was in a closed room, he was about to breakthrough again when he took the profound awakening level up pill.

"I hope it works" Ye Chen hoped that he would break through one or two levels.

Ye Chen realized that his own body needed more and more resources compared to normal cultivators.

Even after obtaining the extraordinarily rich pure Yin Qi, he had only risen four levels if a normal person he might be able to ascend to new extraordinary heights.

Ye Chen's body became hot, large amount of profound energy swirled around Ye Chen's body.

Ye Chen used his own ability, he absorbed everything with his Dimensional inheritance.

By using Ye Chen's method, it was obvious that Ye Chen would not waste the profound energy that was in his body, he would of course absorb everything that was there.

Ye Chen started concentrating, he started to become peaceful and the energy within his body became more and more dense.

Chu Yuechan circled around Ye Chen's body, she circled around Ye Chen's body and watched Ye Chen.

Chu Yuechan was Ye Chen's guard, she watched over Ye Chen and made sure nothing happened to Ye Chen.

"It seems that everything will go smoothly." Ye Chen could see that everything would go smoothly.

"long hours passed, breakthrough" Ye Chen finally made a breakthrough, he made a breakthrough and reached the fifth level.

"break" Ye Chen breakthrough, he became the fifth level, he did well.

Chapter 2604 Fairy Gate Level Up

Ye Chen had succeeded, he had done very well, breaking through directly, it was an extraordinary thing.

Ye Chen used the remaining pure energy present in his body, he absorbed it.

It was too small, he wouldn't be able to advance to the sixth tier with this kind of thing.

"level five, I am getting stronger" Ye Chen is getting stronger, he is just getting stronger and stronger.

"You did very well" Chu Yuechan said to Ye Chen, she told Ye Chen that she did very well.

"um . ." Ye Chen agreed with what Chu Yuechan said, he really did very well.

"It's time to see the current level of the fairy gate." Ye Chen wants to see the current level of the fairy gate.

"A new artifact, maybe there is something suitable for this thing" Ye Chen said to Chu Yuechan.

"The one you gave to your woman" Chu Yuechan said to Ye Chen.

"Now you decide who is suitable to use it" said Chu Yuechan.

"You just share it" Ye Chen told Chu Yuechan to do it, considering that she is the one guarding the fairy gate, she should know which Ye Chen's woman is most suitable to use the existing artifacts.

"Okay, I will do it." Chu Yuechan understood, she would do what Ye Chen wanted.

"It's time to go out and try to make a fortune" Ye Chen wanted to make a fortune, he wanted to use all the contributions he had earned to buy something good.

Ye Chen really wished that there was something really good, he wanted something good and put the contribution points to good use.

Ye Chen came out, he immediately went towards the Sect hall.

This was the most lively place in the Sect, almost all the factions had gathered in this place and started doing business.

This place was nothing more than a trading house, they carried out a trade using profound crystals or contribution points.

Besides that contribution points can also be directly exchanged using crystals, that is a great advantage of this place.

"Good afternoon, what can I help you with?" Ye Chen went to the empty counter, she was greeted quite well by the receptionist in this place.

"I want to see the best herbs as well as iron material, can you show it to me" Ye Chen said that he wanted to find medicine.

"of course" she immediately took everything for Ye Chen, she took everything that was available and showed everything to Ye Chen.

Ye Chen looked at a list that was there, he looked for an object that could attract attention that he had.

"Master, there, there is something interesting" Chu Yuechan said to Ye Chen.

Ye Chen saw what Chu Yuechan was showing, he could see an interesting thing.

"Ice and fire flower, a rare item, its price is extremely high." Ye Chen had more than 500,000 contributions, meanwhile, Ice and fire flower had a price of 150,000.

It was obvious that this was one of the top tier materials and would be extremely difficult to obtain.

Of course those who sell it will raise the price to the highest level.

"I want to bid on this thing" Ye Chen said to himself that he wanted to bid on the Flower of Ice and Fire.

"Ice flower and fire thing that is expensive and probably sought after by many disciples, what price can you give, we also give a little leeway, we can give you the lowest price we have" she said to Ye Chen.

Ice and fire flowers were expensive things, selling these things would be extremely difficult, not many disciples in the Sect could and could afford something as expensive as this, only those with immense wealth could do it easily.

"I want to buy it for 100,000 contribution points, are you going to give it or not" Ye Chen said.

"Sorry, but that's too low, we can't give too low a price" she said to Ye Chen, she couldn't give Ye Chen too low a price.

it would be a problem if they sold it cheaply, the owner of this thing would not be happy.

"Are you sure you don't want to do it, I might be the only person who will glance at this thing" Ye Chen said, he said that he would be the one to bid on the thing.

she started to think by the words said by Ye Chen, it was absolutely true that Ye Chen was the only one who would glance at this thing, there were already a lot of people and almost all of them ignored this item.

After a few months, only Ye Chen asked and wanted to bid on it.

Here Ye Chen started to play, he started to play with the woman in front of him.

"how about I give you a price of 125,000 contribution points, that's not a bad amount" she said to Ye Chen

"That's still too high, I have 105,000, accept it or not." Ye Chen said, this is when he became a great bidder.

Ye Chen exerted a pressure, the opponent in front would definitely be troubled when he saw this, he didn't know whether to sell or not.

The owner wanted to sell for 100,000, which meant that Sect would only get around 5,000 in profit, this was a pretty bad number, but it was a shame that nothing could be done about this matter.

"wait here" she went to ask, asked the hall manager Sect.

After some time, she returned and faced Ye Chen.

"Okay, looks like we will agree" after discussing with friends and also the management

Chapter 2605 Carry Out Sect Quests

Ye Chen smiled, he could get what he was looking for easily.

Now is looking for some decent metal materials, this is the time for Ye Chen to be creative, he wants to make high-grade items and weapons that will be worth a fortune in the world.

Ye Chen had raised his own strength well, he believed that he could create a top grade artifact that would shake the world.

"Your dream is too big, you still have a long way to go to reach that point" Chu Yuechan said to Ye Chen, she said that Ye Chen still has a very long way to go, she still has to do a lot of things to get to that point.

"I understand, don't make fun of me" Ye Chen said to Chu Yuechan.

"giggle" Chu Yuechan smiled, she smiled when she saw Ye Chen angry like a child being bullied.

Ye Chen bought some materials needed for artifact manufacturing, parts of high-grade magical beasts were things that Ye Chen would use to make weapons with special elements and abilities.

So far, Ye Chen's weapons have been weapons with low-level abilities in the Supreme God Realm, the magical beasts that Ye Chen defeated were too weak, which made the weapons unable to reach their full potential.

"I spent everything" Ye Chen spent everything he had, he spent everything he had to get an ingredient.

Ye Chen was quite extravagant, he spent everything he had, that was not good at all.

For Ye Chen contributions could be sought, but these materials would be difficult to obtain and he would have to work really hard.

"Finally done." Ye Chen felt happy when he saw that everything was finished.

Time to go back and start gearing up.

"Oh, isn't this junior Ye Chen " a man said to Ye Chen.

Ye Chen looked at the man who called himself, he could tell who was calling himself now, he could see that this was Gen Tez.

"hello senior" Ye Chen said to Gen Tez.

"what are you doing in this place?" Gen Tez asked Ye Chen.

"shopping and making ends meet" Ye Chen told Gen Tez.

"Is that so, are you interested in working on something, I have some people who need a little help since they are going on a mission" Gen Tez said to Ye Chen.

"Quest" Ye Chen asked Gen Tez.

"That's right, an easy quest to deliver and guard an item" Gen Tez said to Ye Chen.

"Whether you will be interested or not to participate, the prize is quite interesting," said Gen Tez.

Gen Tez offered Ye Chen, this was a Quest, an easy Quest for outer court disciples.

Gen Tez would not join, he only offered Ye Chen to join the junior team in the sword faction.

Ye Chen thought for a while, it seems that this is a travel errand.

"Hmmm, looks good, this is really a good time for a little adventure." Ye Chen might be able to take part in the work, after all he had not left Sect for a long time.

"Okay I will come" Ye Chen said to Gen Tez.

"very good, then tomorrow morning in front of the Sect gate, you can meet them" Gen Tez said to Ye Chen.

"Understood" Ye Chen understood, he would remember what Gen Tez said.

"then I will go, I have business inside" Gen Tez said to Ye Chen.

Gen Tez is gone, he has some business in there too.

Ye Chen came back, he came back and started cultivating inside his own room.

.

.I think you should take a look at

The next morning came, Ye Chen came out of the room and started to head out to the front of the gate.

"where are they" Ye Chen started to look for the group that Gen Tez said, he searched among the many people who were also preparing to go on errands from Sect.

"here" there were several groups calling Ye Chen, they wielded swords and had a faint warrior aura.

"is it" Ye Chen looked, he immediately went and saw in person whether it was the person that Gen Tez said.

"are you the person Gen Tez senior said" Ye Chen asked them.

"of course, we are the people, we are from the Sword faction, my name is Qin Taro, this is Yo Kuri, and this is Han Loru" Qin Taro introduced Ye Chen to everyone.

coincidentally there were only three people here, the three of them would be together with Ye Chen in delivering an item.

"So what items will we deliver" Ye Chen asked Qin Taro.

"I don't know, Sect gave us a box, we are not allowed to open it until we get to this assignment" Qin Taro said.

"then where is that place" Ye Chen asked Qin Taro.

"We're going to go to eternal Ice Lake Star, a place that's quite cold, you'd better prepare a thick coat of fire because that place will be a cold place.

Qin Taro said to Ye Chen.

pandasnovel.com They were going to a very cold place, a place that might be a bit difficult for all of them.

"I understand" Ye Chen understood Qin Taro's explanation, Qin Taro's explanation was quite short and concise.

"If you are ready, we can leave right now" Qin Taro said to Ye Chen, he invited Ye Chen to leave right now.

"let's go right now" they started to leave, they went straight to the eternal Ice Lake Star.

They traveled by using the teleportation gate, first they would go to the center of the kingdom, there was a place they could travel to all the connected stars.

Ye Chen together with Qin Taro, Yo Kuri, Han Loru flew very fast, with this they could arrive within 2 hours.

Their journey was quite safe, there wasn't anything strange or any obstacles in the way.

Ye Chen didn't feel any danger, it seemed that this trip would be safe and smooth.

"Very good, no distractions, if our speed is like this, we will get there soon." Han Loru was happy, if it continues like this, they will quickly reach their destination.

"We will indeed arrive at our destination quickly, with our current speed" Qin Taro agreed, they would definitely arrive at their destination quickly using this speed.

"stay alert, we don't know what awaits us" Ye Chen said to everyone.

They didn't know what was waiting for them, whether they would be ambushed or not, they didn't know that.

"Don't worry, we've done missions like this many times, missions like this aren't difficult, we should be able to pass missions like this easily" he said to Ye Chen, they would definitely easily complete an easy task.

They weren't alert at all, that was a really bad thing, maybe Ye Chen should do something about this matter.

A few hours later, they arrived at the kingdom, they paid the teleportation fee and started to head to the Star of the Eternal Ice Lake.

For a small fee, they instantly teleported their way to eternal Ice Lake Star.

Ye Chen along with Qin Taro, Yo Kuri, Han Loru disappeared, they were immediately teleported to their desired destination.

they finally arrived at the eternal Ice Lake Star.

Ye Chen opened his eyes, he saw white and blue land ahead.

There are several lakes around this place, it freezes and makes a beautiful sight.

"use your coats" they use warm fire coats, the temperature in this place is still very big for them, a very cold temperature for those who live in a warm environment.

Chapter 2606 Best Thief In The World?

"We finally arrived at the Eternal Ice Lake Star, all of you please be more vigilant, from here on it will be the real Quest, this is not our territory, so we all have to be careful" Qin Taro said to Yo Kuri, Han Loru and Ye Chen.

"This is our real duty, we cannot fail and make the sect lose face" Yo Kuri, Han Loru agreed, they couldn't make a mistake and make the Sect lose face.

let's go, they leave immediately, they fly to their destination.

Ye Chen followed behind, he would try to protect all of them present.

.

.

"Finally it has come" in a far and small place, there were people who were waiting for the arrival of Ye Chen and Qin Taro's group.

This person intends to target the object brought by Qin Taro, he must obtain the object carried by Qin Taro using his own hands.

"Sect really only sent a kid to guard that thing, it seems they don't know that it's such a precious thing" this guy laughed when he found out that Sect only sent a few kids to guard such a precious item.

"my name is Shao Quan, the world's best thief" This man is Shao Quan, a powerful and best thief, he is very smart, his ability is unquestionable, he has the best stealing ability among all people.

Shao Quan should be able to steal the thing guarded by Ye Chen, Qin Taro along with his group.

"I've prepared a lot of traps for you all, you all won't stand a chance" Shao Quan had prepared a lot of traps, Ye Chen won't have a chance to run.

Ye Chen was quite sensitive, he became even more sensitive after learning about the super enhance power body art.

"there are people watching us" Ye Chen felt a sense of danger, there must be someone watching them.

Ye Chen had to do something, he used the Clone he had and started to do something about the trap that was ahead.

"There is a trap ahead, clear it for me" Ye Chen gave the order to Clone to clear the trap.

He wanted to clear all the traps the opponent wanted to use.

With a little cunning trick that Ye Chen had, he broke the existing trapping mechanism.

"Soon" Ye Chen's group and the others would arrive at the place where Shao Quan had set a trap, which meant it wouldn't be long before Shao Quan attacked them.

The trap set by Shao Quan was a trap to restrain Ye Chen and the others, his aim was to make them unable to resist when he attacked.

Ye Chen's group passed through the traps, they passed through the existing traps without triggering them.

"eh?? ? ?" Shao Quan was surprised when he saw that Ye Chen and the others had not fallen into the trap that he had.

"Impossible, why?" Shao Quan didn't understand, the trap should have activated when they passed by, but why didn't it work, had he miscalculated.

After Ye Chen's group left, Shao Quan immediately saw his trap, it seemed that something was wrong.

"Something is wrong here ?" Shao Quan can feel it, he can feel that something is wrong in this place, he seems to know what is wrong in this place.

"Forget it, they were lucky just now, there are still some traps ahead, they definitely won't be able to survive." Shao Quan was sure that his trap would hit Ye Chen.

Shao Quan passed by, he passed by and started to chase after Ye Chen's group.

When Shao Quan passed by, the trap suddenly activated.

"no problem?" Shao Quan was surprised when he saw the trap activating, even though he was sure that it was broken.

"Boom . . ." an explosion occurred, Shao Quan's body was struck by a powerful thunderbolt and turned dark. I think you should take a look at

"damn . . ." Shao Quan was furious, he was angry when he saw lightning striking his body violently.

Shao Quan was really very unlucky, he had the misfortune of trying to frame Ye Chen.

"looks like I succeeded" Ye Chen succeeded, he made Shao Quan swallow his own trap.

With the Clone helping from the shadows, Ye Chen could easily do what he wanted, Shao Quan wouldn't be able to do anything to Ye Chen.

"Just watch, next time I won't let you guys go" Shao Quan won't let Ye Chen go, he won't let Ye Chen go.

pandasnovel.com He would show off the abilities he had, all the traps would make Ye Chen paralyzed.

Ye Chen carried out the sabotage, all the traps were easily bypassed and they were able to walk forward safely.

Shao Quan was speechless when he saw what was in front of his eyes.

"Why ?, why can they escape?" Shao Quan didn't understand, he didn't understand what was happening, to be honest he couldn't understand what was currently happening before his eyes.

what's happening right now is so ridiculous, what's happening right now is all beyond Shao Quan's expectations.

Shao Quan had already tried his trap several times, when he tried it it went very smoothly.

He himself fell into the traps he set several times, it was very annoying, it was obvious that it was very, very annoying because he couldn't hit Ye Chen.

"It's really annoying, I don't like this thing" Shao Quan said that he didn't like this thing.

If traps couldn't stop Ye Chen and his group, then he would have to do it with his own hands.

"I will do it" Shao Quan will do it, he will do it with his own hands.

Shao Quan caught up with Ye Chen's group, he immediately caught up with Ye Chen's group and appeared in front of them.

"Who are you?" Qin Taro became very alert, he became very alert when he saw the arrival of Shao Quan.

"you guys, quickly leave everything you have to me" Shao Quan said to Qin Taro and Ye Chen.

"Why do we have to do it, just who are you" Ye Chen said to Shao Quan.

"That's absolutely true" Qin Taro agreed with what Ye Chen said. Who is Shao Quan, how dare he say that to Ye Chen and Qin Taro.

"I am Shao Quan, the best thief in the world, if you don't give away the things you brought, you will all lose your lives" Shao Quan tried to bluff, he used his own skills to make Ye Chen and Qin Taro afraid.

"we are not afraid of you" Qin Taro took the sword, he said that he would fight.

"That's right, we will fight and defend ourselves" Yo Kuri, Han Loru also drew a sword, they were ready to fight.

"You guys are really stupid, if that's the decision you have, I will destroy you" Shao Quan said that he would destroy them all.

Shao Quan set up an Array attack, since he is an expert in traps, he is of course skilled in Arrays and formations.

"formation user" Qin Taro's became alert, he ordered Ye Chen, Yo Kuri, Han Loru to be wary of the opponents in front of them.

"I will make you regret the decision you just made" Shao Quan said that he would make Ye Chen, Qin Taro Yo Kuri, and Han Loru regret it.

A rain array was used, the rain array drenched the bodies of Qin Taro, Yo Kuri, Han Loru.

"it's water, it wants to freeze us" Qin Taro realized what Shao Quan wanted to do.

Chapter 2607 Slapped Shao Quan

the bodies of Qin Taro, Yo Kuri, Han Loru started to freeze, with the strong and cold wind blowing, it's not strange that their bodies started to freeze.

"Our movements are starting to become very slow." Qin Taro saw that their movements were starting to become slow, they fought while enduring the cold in their bodies.

"Hahaha, you guys are just little brats who don't know anything, they are really stupid for sending you to this place" Shao Quan said to Qin Taro and co.

"What did you say" Qin Taro and everyone else were naturally angry about what happened, they all felt angry at Shao Quan's words.

They all wanted to fight Shao Quan using their full strength, they all wanted to show off what they had.

Shao Quan just laughed when he saw the struggle they had, they were just kids, there was no chance for any of them to win against Shao Quan.

Shao Quan started to attack, he made direct attacks towards Qin Taro, Yo Kuri, Han Loru.

Because Shao Quan had crippled the movements of Qin Taro, Yo Kuri, Han Loru, it caused Qin Taro, Yo Kuri, Han Loru to have big trouble when they had to fight Shao Quan.

"what's wrong?, is that all you can do, have you forgotten what you said before" Shao Quan said to Qin Taro, Yo Kuri, Han Loru.

he told Qin Taro, Yo Kuri, Han Loru is very weak and nothing.

Qin Taro, Yo Kuri, Han Loru try to get up and fight back, they don't want to lose in this place, they refuse to lose in this place.

The struggles of Qin Taro, Yo Kuri, Han Loru need to be given a thumbs up, they did very well, they all showed extraordinary persistence.

Shao Quan was so evil, he tortured Qin Taro, Yo Kuri, Han Loru to give up and want to give up the items they were holding.

"Give up, I will make it easier for you guys to go to other realms" Shao Quan said to Qin Taro, Yo Kuri, Han Loru.

Qin Taro, Yo Kuri, Han Loru still held the sword, they all refused to give in and lost in this place.

They fought hard enough and didn't want to give up, the enthusiasm they had was truly extraordinary.

An extraordinary passion they show, they do not want to lose and want to win the battle that exists.

"hahahahaha" Shao Quan laughed, he laughed at Qin Taro, Yo Kuri, the current Han Loru can't do anything, they are really too lame and useless, really stupid.

"Bamm . . ." Ye Chen was tired of seeing what Shao Quan was doing, he immediately kicked Shao Quan to the ground.

"What?" Shao Quan was shocked by what happened, he was quite surprised when he saw what Ye Chen had just done.

Shao Quan was completely oblivious to Ye Chen's existence, Ye Chen was too quiet to make Shao Quan think he had frozen.

"You are so annoying" Ye Chen said to Shao Quan, he told Shao Quan that he was very annoying.

"How dare you sneak attack me" Shao Quan said to Ye Chen.

Shao Quan tried to get up, he held his sore back.

It seemed like Ye Chen's kick had caused quite a bit of injury to Shao Quan.

"Damn, damn, this hurts so bad" Shao Quan felt so bad, he felt pain in his back.

Ye Chen's attack might have broken Shao Quan's back.

"I will repay" Shao Quan will repay Ye Chen, he will not let Ye Chen go after what just happened.

"take this" Shao Quan started, he used a water Array as well as a lightning bomb to defeat Ye Chen.

"Boom. . ." Lightning explosion occurred, Ye Chen's body was hit by lightning and water bombs.

It seems like Shao Quan is skilled in elemental reactions, he is able to create powerful elemental reactions to increase damage. I think you should take a look at pandasnovel.com

"take it" Shao Quan said to Ye Chen, it was a huge impact, Ye Chen definitely wouldn't be able to survive after being hit by such an attack.

"Too bad, we have to help him" Qin Taro wanted to help Ye Chen, he wanted to help Ye Chen fight Shao Quan.

It's a pity that the injuries on Qin Taro's body were a little bad and his movements couldn't be too fast.

Because part of his body was frozen, it made it difficult for his body to move.

He could only see what happened to Ye Chen and was unable to give Ye Chen any help.

Ye Chen stood where he was, his body completely intact and protected, it seemed that Shao Quan's attacks had no effect.

"what happened, nothing happened ?" Ye Chen said to Shao Quan.

"Huh?" Shao Quan fell silent when he saw that Ye Chen was unharmed after receiving such an attack.

"How come, your body should be burnt" Shao Quan said to Ye Chen.

"nothing happened to me, I'm fine" Ye Chen said to Shao Quan.

Ye Chen was untouched, he was fine and had no injuries.

"damn . ." Shao Quan tried again, he again attacked Ye Chen with more lightning bombs.

"Boom. . ., Boom . . ., Boom . . ., Boom . . .," A series of huge explosions appeared around Ye Chen's body, the blast of lightning was extremely strong and struck Ye Chen's body.

The second explosion was much bigger than the first, it was so big that it gave off a thick cloud of smoke.

"Huft . . ." Shao Quan's breathing was irregular, it seemed he ran into trouble trying to use the lightning bomb.

pandasnovel.com "die you bastard" Shao Quan shouted at Ye Chen, he looked like a madman in a trance.

Ye Chen came out of the smoke, he was like a fast and powerful cannon, Ye Chen stretched out his hand and directly grabbed Shao Quan's neck.

"ouch. . ." Shao Quan's neck was strangled, he struggled to free himself from Ye Chen's grip.

"let go . . . me . ." Shao Quan said to Ye Chen.

"letting you go, after all the trials you've done to us, that's impossible" Ye Chen announced that he would never let Shao Quan go.

Shao Quan didn't give up, he just continued to rebel, he tried to break away from Ye Chen.

Ye Chen was too strong, even though Shao Quan tried his best, he still couldn't shake himself off.

"Shut up" Ye Chen said to Shao Quan.

"bastard" Shao Quan roared at Ye Chen, he was like a dog barking at Ye Chen.

"pah. . ." Ye Chen gave a pretty hard slap towards Shao Quan.

"Damn it, how dare you slap me" Shao Quan roared even louder at Ye Chen.

"Pah. . ." Ye Chen slapped Shao Quan again, this time much stronger compared to the previous one.

"asshole, I will . . ., Pah. . ., pah . . ." Ye Chen slapped Shao Quan continuously, he did it quite hard and it made Shao Quan's cheek become swollen.

Shao Quan's teeth were also now falling out, Ye Chen's slap really damaged and smashed Shao Quan's face.

Qin Taro, Yo Kuri, Han Loru fell silent when they saw Ye Chen torturing Shao Quan, they all did not expect that Shao Quan would become like that in front of Ye Chen, Ye Chen was simply too terrifying and too strong.

Chapter 2608 Ice Fox Race

In just a very short time, Shao Quan's face was almost unrecognizable, he was completely battered by Ye Chen.

"I'm sorry" Shao Quan apologized to Ye Chen, he was no longer able to defend against Ye Chen.

Ye Chen was too terrifying, he was more terrifying compared to everyone he had ever met.

"Who sent you to this place?" Ye Chen asked Shao Quan, he wanted to know who sent Shao Quan to this place.

"No one sent me, I came on my own initiative." Shao Quan said that he came here on his own initiative, no one told him to come here.

"Are you serious, pah . . . ? ." Ye Chen asked again, he used the same method as before to make Shao Quan speak the truth.

"Of course, I wouldn't dare to lie, so please spare me" Shao Quan said to Ye Chen.

pandasnovel.com Shao Quan was already afraid of Ye Chen, he told Ye Chen to let go of himself.

Ye Chen could see that Shao Quan was already very scared of him, it seemed this man wasn't lying to him at all.

"Let you go, don't joke me, you will come with us, you will get the punishment you deserve for what you did" Ye Chen said to Shao Quan.

Ye Chen will bring Shao Quan, he will restrain and give this villain away.

"Please let me go, if I get caught, then my life will be in danger" Shao Quan said to Ye Chen.

"Do I care, I don't care, you dare to, plan to kill us, there's no way I'll be quiet after all that happened" Ye Chen said to Shao Quan.

Ye Chen brought Shao Quan, Shao Quan must be judged for what he did.

Shao Quan tried to rebel and break away from Ye Chen, it was a pity that he couldn't and wasn't able to do that, Ye Chen would slap him when he made a rebellion.

Shao Quan was very obedient, he followed behind Ye Chen like a child.

"he is really strong and extraordinary" Qin Taro saw that Ye Chen was really strong and extraordinary.

"You are right, he is really very strong" Yo Kuri, Han Loru agreed, he saw that Ye Chen was really very strong and extraordinary.

He was able to take on a top class criminal with just his bare hands, it was something they were unable to imitate.

Ye Chen together with Qin Taro, Yo Kuri, Han Loru continued on, they arrived at their destination, a fairly small ice village, there were probably around 1,000 people living in this place.

"this is the place" Ye Chen asked Qin Taro, is this the place where they are going.

"Of course, this is our destination." Qin Taro said to Ye Chen, he told Ye Chen that this was their destination.

"Then where is our client" Ye Chen asked where their client is now.

"It should be in the big house, let's go there." Qin Taro got a hint, in the written note that this item will be sent to the village with the biggest house.

"I understand" Ye Chen understood, he brought Shao Quan along with him, let them decide what punishment Shao Quan deserved.

Ye Chen went straight to the big house, there were several guards guarding this place, it seemed that the person who was the client was quite important.

"You guys must be from the Immortal Valley Sect." A guard greeted the arrival of Ye Chen, Qin Taro, Yo Kuri, Han Loru.

"We are indeed from the Immortal Valley Sect, we shipped goods to this place" Qin Taro said that they had come to deliver goods to this place.

"Then please come in." They ordered Qin Taro, Yo Kuri, Han Loru to enter. I think you should take a look at pandasnovel.com

"Our job is only to deliver item, we don't want to go in." Qin Taro, Yo Kuri, Han Loru refused to go in there.

"what about you guys ?" Ye Chen asked Qin Taro, Yo Kuri, Han Loru.

"Sect gave a warning not to enter, it will harm us" Qin Taro said to Ye Chen.

Qin Taro said to Ye Chen, he told Ye Chen not to go inside because it would be dangerous for their safety.

"is the client dangerous" Ye Chen asked Qin Taro.

"Don't say it too loudly, we will be in trouble" Yo Kuri, Han Loru said to Ye Chen, she told Ye Chen not to say it out loud.

That could get them all in serious trouble, if the landlord had listened, they might be in trouble.

"there is a guest" A young woman came out, she had beautiful wavy blue hair, she was beautiful at a glance, had a strong charm and was unbelievably large.

"I didn't expect that the owner of this place would be a beautiful woman." Ye Chen didn't really expect about this matter, he didn't expect that the owner of this house would be a beautiful woman.

Qin Taro, Yo Kuri, Han Loru were a little tense when they saw the owner of the house coming out, they stepped back a little and started to keep their distance.

"What's wrong with them, don't tell me they're afraid of women." Ye Chen didn't understand what Qin Taro, Yo Kuri, Han Loru did, they all looked afraid of women.

"looks like they're scared of being eaten, fufufufu, looks like she's an ice fox" Chu Yuechan said to Ye Chen, she told the woman in front of her was a demi human and she was of the Ice fox race.

"Ice fox, I don't think I've ever seen that in the God Realm." Ye Chen said to Chu Yuechan.

"ice foxes have long been extinct in the God Realm, it's not strange that you never saw them" Chu Yuechan said to Ye Chen.

"What can they do, is she any better than Ye Xiu?" Ye Chen asked Chu Yuechan.

"Hmmm, Ye Xiu is a powerful nine tailed fox, I think it's still a bit inferior in terms of strength, Ice foxes are only good in the Yin Qi, they have an unbelievably large amount of Yin Qi" Chu Yuechan said to Ye Chen.

In terms of strength and ability, Ye Xiu would obviously win hands down, but in terms of Yin Qi, the ice fox would be even stronger and bigger compared to Ye Xiu.

"Okay, I think I understand." Ye Chen understood, he would remember Chu Yuechan's words.

"Why are you guys outside, come in" this woman said to Ye Chen, Qin Taro, Yo Kuri, Han Loru.

"no, thank you very much, we have to come back soon" Qin Taro, Yo Kuri, Han Loru said that they still have things and should come back soon.

They just now wanted to give up the thing and quickly return to the sect.

"It's a shame, but inside there are lots of good food to welcome you" she said to Qin Taro, Yo Kuri, Han Loru.

"here comes the item you ordered, we will leave this place soon" Qin Taro gave the item in the box to the beautiful woman in front.

she received the item from Qin Taro, she didn't open it and kept it straight away, she believed that this item was fine since the seal was still there.

"Are you sure you don't want to stop and have tea party with me?" the ice fox woman said to Qin Taro, Yo Kuri, Han Loru.

she started to use her charms to lure them in and throw them into confusion.

"No thank you very much, see you later" They couldn't hold on any longer, the woman in front used charm to overwhelm Qin Taro, Yo Kuri, Han Loru.

They quickly left this place.

Chapter 2609 A Trap To Lure Someone

"let's get out of this place" Qin Taro said to Ye Chen, he told Ye Chen to immediately leave this place, he looks scared.

"wait a minute, why are you all like that ?" Ye Chen said to Qin Taro and the others, he told them not to be too stiff.

"You better come with us, this is not a joke" Qin Taro said to Ye Chen, he told Ye Chen that this matter was quite serious and could not be used for fun.

"Look, here is a beautiful woman inviting you, there is no way you will refuse this beautiful woman's invitation" Ye Chen said to Qin Taro, Yo Kuri, Han Loru.

"Idiot, don't do that" Qin Taro, Yo Kuri, Han Loru said to Ye Chen, they all told Ye Chen not to fall into the trap.

Ye Chen didn't care what Qin Taro, Yo Kuri, Han Loru said.

"handsome young master, are you coming ?" the ice fox lady said to Ye Chen.

"Of course, I will come" Ye Chen said that he would of course come.

"He can't be helped anymore" Qin Taro, Yo Kuri, Han Loru said that Ye Chen couldn't be helped anymore.

"Then come with me" the ice fox woman said to Ye Chen, she told Ye Chen to come with her.

Ye Chen followed, he followed the woman in front of him and entered the house.

"what should we do, do we need to go inside too" Yo Kuri asked Qin Taro.

"it's too dangerous inside, let's just wait outside" Qin Taro said to Yo Kuri.

"but if we let it" Han Loru said to Qin Taro.

"Don't worry, he is strong enough, he should be fine." Qin Taro has seen Ye Chen's ability, Ye Chen should be fine.

Ye Chen went inside, it seemed that Qin Taro, Yo Kuri, Han Loru didn't dare to go in and just left Ye Chen in this place alone.

"They're really scared" Chu Yuechan said to Ye Chen, Chu Yuechan saw that Qin Taro, Yo Kuri, Han Loru were scared.

"no need to be afraid" Ye Chen said to Chu Yuechan, Ye Chen is not afraid, he is not afraid of what will happen.

"About what will this woman do?" Chu Yuechan asked Ye Chen.

"what she's about to do, I don't really know." Ye Chen said that he didn't know what the ice fox woman was trying to do.

The ice fox lady started guiding Ye Chen, she led Ye Chen to a room.

"Didn't you say you wanted to invite me for tea, why are you bringing me into the room now?" Ye Chen asked the woman in front of him.

"Who said you want to drink tea" this woman said to Ye Chen.

pandasnovel.com "then what do you want to do" Ye Chen asked, he wanted to know what this woman was trying to want.

"you will soon know what I will do to you" she said to Ye Chen.

She made such a seductive expression, one would obviously think that she was teasing Ye Chen using her abilities.

Ye Chen also thought that the woman in front of him was trying to pull himself up, the woman in front was really very daring.

Ye Chen was still trying to guess what would happen, he was still guessing what this woman was going to do.

"roar. . ." suddenly the room was closed, the iron came down and locked all the existing rooms.

" ? ? ? ?" Ye Chen looked around himself, he saw that the exit he had was closed.

"what exactly are you trying to do" Ye Chen asked back, he asked the woman in front of him.

"nice work, you did very well" a voice came, a voice came from the bed.

A monster appeared, a monster with a lion's head appeared in front of Ye Chen.

"Master, I have done something by your command" the ice fox woman said to the lion man, she told him that she had done his command.I think you should take a look at pandasnovel.com

"You did very well, I can finally eat something good" he said to the ice fox lady.

It turned out that this person wanted to eat Ye Chen.

"You want to frame me and want to eat me" Ye Chen said to the two people in front of him.

"of course" he said to Ye Chen, he wanted to trapping Ye Chen.

"I am Shi Zal, I will prey on you" the lion man told Ye Chen his name, he told Ye Chen who he was.

"hahahaha" Ye Chen laughed when he heard Shi Zal's words.

"laugh, are you so scared that you are stupid" Shi Zal said to Ye Chen.

"No, I just feel a funny thing, eat me, you really know how to play a joke" Ye Chen said to Shi Zal.

"Damn, I'm serious about this" he told Ye Chen that if he was serious, he would prey on Ye Chen.

"You can't do that" Ye Chen informed that Shi Zal couldn't do that.

"Why?" Shi Zal asked Ye Chen.

"That's because you won't be able to do it, to be honest you won't be able to do that" Ye Chen spoke on Shi Zal.

Ye Chen said the truth, he told that he would not be able to prey on Ye Chen.

"let me show you" Shi Zal stepped forward, he pounced towards Ye Chen.

The body of Shi Zal starting to get bigger compared to before, he got bigger and bigger until he was 4 meters tall.

Shi Zal reached out to catch Ye Chen.

Ye Chen used his own ability, he wouldn't be able to be touched by Shi Zal.

By using the Invisible Body Art, Ye Chen's body became translucent, he was able to make his body untouchable by opponents.

"Why?" Shi Zal confused by Ye Chen, he was confused when she saw that Ye Chen couldn't be touched.

"confident?" Ye Chen said to Shi Zal.

Shi Zal too confident, in fact he would not be able to win.

"Bam . ." Shi Zal attacked Ye Chen, he hit Ye Chen with full force.

Shi Zal's attacks were unable to hurt Ye Chen, he was unable to injure Ye Chen.

"Why. Why aren't you broken" Shi Zal asked Ye Chen, why isn't Ye Chen broken.

"want to give up?" Ye Chen asked Shi Zal, Shi Zal unable to attack Ye Chen, he was unable to attack Ye Chen who was in sight.

"Damn it. . ." Shi Zal shouted, he was really annoyed that Ye Chen dodged his attack.

Ye Chen didn't dodge the attack, he just stayed silent and waited quietly.

The ice fox lady looked at Ye Chen, she was a little surprised when she saw Ye Chen fight like that.

To be honest she couldn't see Ye Chen move, she couldn't see the moves made by Ye Chen.

Shi Zal attacked Ye Chen using consecutive attacks, all of his attacks missed Ye Chen.

Shi Zal was getting tired, he was getting tired when attacking Ye Chen and Ye Chen was dodging all of them.

"Hoam . . ." Ye Chen yawned, to be honest he yawned when he saw what happened.

"I'm getting bored" Ye Chen informed that he was getting bored, he became bored when he saw Shi Zal attack randomly.

Chapter 2610 Super Celestial Punch

"Damn it" Shi Zal continued to attack Ye Chen, he continued to attack Ye Chen using all his abilities and strength.

He had released all the power he had, it was a pity that he was still unable to defeat Ye Chen.

"Super celestial punch" Ye Chen used Super celestial punch, he hit the body of Shi Zal who was in front of him.

"Bam. . ." Ye Chen used an extremely powerful punch, an extremely powerful punch landed on Shi Zal's body.

"uhuk" Shi Zal fell, a large hole appeared on his body, the Super celestial punch shattered Shi Zal's body.

"This can't be, a weak human defeating me?" Shi Zal could not believe that a weakling like Ye Chen was able to defeat him.

This was an impossible thing to happen, he lost and fell on the floor.

The ice fox woman was shocked when she saw Ye Chen defeating Shi Zal, this was one unbelievable thing.

Ye Chen looked towards the ice fox woman, he walked over and started to approach her.

"No, please don't come closer, let me go" she said to Ye Chen, she asked Ye Chen to let her go.

"Why are you cooperating with her?" Ye Chen asked the woman in front of him, why was she cooperating with Shi Zal.

"I have no choice, he forces me to do it, he forces everyone to do his will" the ice fox woman told Ye Chen, she told Ye Chen that she and everyone in this place was forced to do it, if they didn't do what they were told, they would die.

Ye Chen confirmed that the woman in front of him would not lie, he would confirm whether she was lying or telling the truth.

"She is not lying" Chu Yuechan could see clearly, she could see that the woman in front of Ye Chen was not lying, she was telling the truth.

"She doesn't seem to be lying about what happened" Ye Chen also saw it, he could see that the woman in front wasn't lying to Ye Chen.

"What's your name?" Ye Chen asked the woman in front of him.

"Yu Zhei" Yu Zhei told her name to Ye Chen.

"Yu Zhei can you get up?" Ye Chen asked Yu Zhei.

"Of course" Yu Zhei got up, she stood in front of Ye Chen.

"I won't do anything bad to you" Ye Chen told Yu Zhei, he told her that he won't do anything bad to Yu Zhei.

"Thank you very much" Yu Zhei thanked Ye Chen, she was thankful that Ye Chen forgave her.

"Where are you from?" Ye Chen asked Yu Zhei, he wanted to know where Yu Zhei was from.

"I come from a place not far from this place" Yu Zhei told Ye Chen, she told Ye Chen that she came from a village not far from this place.

"Were you kidnapped by that person?" Ye Chen asked Yu Zhei.
